CHAPTER - I

INTRODUCTION

Article 243K of the Constitution of India vests the State Election Commission with the responsibility of conducting elections to the Panchayat Raj Institutions. Further, Article 243E of the Constitution of India stipulates that an election to constitute a Panchayat shall be completed before the expiry of its term. The term of elected bodies of Gram Panchayats for which elections were held in June/July, 2013 expired on 01.08.2018. The State Election Commission initiated action well in advance (from March, 2017) for holding elections to Gram Panchayats before expiry of their term i.e 1.8.2018.

In the Lr.No. 215/TSEC-PR/2017, dated 10.3.2017 **(Annexure-1)**, the State Election Commission drawn the following tentative schedule of events to be completed by the Government and SEC for conduct of elections to Gram Panchayats before expiry of their term i.e., 01.08.2018 and sent to the Government for compliance.

Sl. No.	Item	Target date	Competent Authority
1	Finalization of list of Gram Panchayats	30.11.2017	Government
2	Completion of delimitation of Wards	31.12.2017	Government
3	Preparation and publication of Gram Panchayat Electoral rolls	15.03.2018	SEC
4	Finalization of Reservations	16.04.2018	Government
5	Preparation and Publication of polling stations	17.04.2018	SEC
6	Conduct of Elections in Phases	By 31.05.2018	SEC

The State Election Commission also drawn attention of the Government of Telangana vide Lr.No. 363/TSEC-PR/2017, dated 6.7.2017 (addressed to the Principal Secretary to Government, PR Department) **(Annexure-2)** to the Judgment delivered by the Hon'ble Supreme Court in W.P. (Civil) No. 356 of 1994 dtd. 11.5.2010 in Dr. K. Krishna Murthy Vs. Union of India and Hon'ble A.P High Court order dated

4.9.2012 in W.P.No. 31639 of 2011 and batch filed by Sri Nimmaka Jai Raj and others and take necessary action accordingly for finalization of reservations in Gram Panchayats for holding elections in time.

In the judgement dated 11.5.2010 in W.P. (Civil) No. 356 of 1994, filed by Dr. K. Krishna Murthy the Hon'ble Supreme Court defined the principles of reservation including fixing an upper ceiling of 50% on vertical reservations in favour of SCs, STs and BCs in the context of local self-government. The operative portion of the said Judgement is as follows:

(i) The nature and purpose of reservations in the context of local self government is considerably different from that of higher education and public employment. In this sense, Article 243-D and Article 243-T form a distinct and independent constitutional basis for affirmative action and the principles that have been evolved in relation to reservation policies enabled by Article 15(4) and 16(4) cannot be readily applied in the context of local self government. Even when made, they need not be for a period corresponding to the period of reservation for purposes of Article 15(4) and 16(4) but cannot be much shorter.

(ii) Article 243-D(6) and Article 243-T(6) are constitutionally valid since they are in the nature of provisions which merely enable state Legislature to reserve seats and chairpersons posts in favour of Backward Classes. Concerns about disproportionate reservations should be raised by way specific challengers against the State Legislations.

(iii) We are not in a position to examine the claims about over breadth in the quantum of reservation provided for OBCs under the impugned state Legislations since there is no contemporaneous empirical data. The onus is on the executive to conduct rigorous investigation into the patterns of backwardness that act as barriers to political participation which are

indeed quite different from the patterns of the disadvantages in the matter of access to education and employment. As we have considered and decided only the constitutional validity of Article 243-D(6) and 243(T), it will be open to the petitions or any aggrieved party to challenge any State Legislation enacted in pursuance of the Constitutional provision before the High Court. We are of the view that the identification of backward classes under Article 243-D(6) and 243-T(6) should be distinct from the identification of SEBCs for the purpose of Article 16(4).

(iv) The upper ceiling of the 50% vertical reservation in favour of SC/ST/OBCs should not be breached in the context of local self government. Exceptions can only be made in order to safeguard the interest of the Schedule Tribes in the matter of their representation in Panchayats located in the Scheduled areas.

(v) The reservation of Chairpersons posts in the manner contemplated by Article 243-D(4) and 243-T(4) is constitutionally valid. These chairpersons cannot be equated with solitary posts in the context of public employment.

The following is the operative portion of the judgement dated 4.9.2012 of the A.P Hon'ble High Court in W.P. 31639 of 2011 and batch filed by Sri Nimmaka Jaya Raj.

i) For the purpose present elections, the State shall fix the reservation in favour of Backward Classes at such percentage so that it comes within 50% when the aggregate reservation in favour of Scheduled Castes, Scheduled Tribes and Backward Classes put together;

ii) The State shall conduct a detailed investigation with regard to backwardness of the population, collect data, invite objections from the general public, analyse the same and then fix the reservation in favour

of Backward Classes in accordance with the constitutional scheme. It shall also review the reservation from time to time;

iii) The State Election Commission shall commence the process of elections to the local bodies in the State of Andhra Pradesh immediately and shall complete the elections within a period of three months from the date of finalisation of the reservation percentage by the State.

iv) All the writ petitions challenging the validity of amending Acts, providing for appointment of Special Officers for local bodies shall stand dismissed.

Copies of the judgment were made available to the senior officials of the Panchayat Raj Department. During the meetings with the PR Department officials to review pre-election exercises, the Commission advised the Government to formulate the reservation policy in terms of the said judgments. However, the Government chose to continue the existing policy of reservation.

In Lr.No. 560/TSEC-PR/2017, dated 04.12.2017 **(Annexure-3)**, the Commission suggested the CPR & RE and Election Authority the following measures for strengthening of DPO and other offices well before conduct of elections

In the Lr.No. 215/TSEC-PR/2017, dated 02.01.2018 **(Annexure-4)**, the Commission informed the Government that, the SEC will proceed with the preparation and publication of electoral rolls for the Gram Panchayats as existing on the day of the publication of the notification which is likely to be before the end of January, 2018 and so requested the Government to complete the formation/merger of Gram Panchayats before 31.01.2018 so as to enable the Commission to complete the election process within stipulated time. As, the process was not completed within the time stipulated by the Commission, a reminder was also sent to the Government with a request to complete the formation /merger of Gram Panchayats if any well before 24.03.2018.

Meanwhile, the Government of Telangana enacted new Panchayat Raj Act, 2018 (Act No. 5 of 2018) by repealing Telangana Panchayat Raj Act, 1994 and it came into force with effect from 18.04.2018. In terms of Section 297 of TPR Act, 2018, the first elections held to PR Bodies under new Panchayat Raj Act, 2018 are called 1st Ordinary Elections to Gram Panchayats, Mandal Praja Parishads and Zilla Praja Parishads.

Meanwhile, aggrieved by the provisions of the Panchayat Raj Act on reservations, some groups and individuals filed writ petitions in the Hon'ble High Court at Hyderabad for enumeration of persons belonging to BC communities ward wise and allotment of seats to be reserved for BC category amongst the sub groups (A,B,C,D and E) and on breaching of upper ceiling limit of reservations in favour of SCs, STs and BCs etc.

In W.P. No. 20477 of 2018 filed Sri D. Ravindranath and Sri Dasoju Sravan Kumar regarding enumeration of persons belonging to BC communities ward wise and allotment of seats to be reserved for BC category amongst the sub groups (A,B,C,D and E), the Hon'ble High Court in I.A. 1 of 2018 passed interim orders on 26.6.2018 directing the respondents to scrupulously follow the method of identification of backward classes voters and population laid down in the said decisions (mentioned therein) including the publication of the results of the survey done by the respondents 5 and 6 (i.e., Directorate of Economics and Statistic and Telangana Backward Classes,

Co-operative Finance Corporation Limited), invite objections thereto and then take further steps in the matter before issuing the Election Notification for conduct of elections to Gram Panchayats in the State of Telangana. By virtue of the said interim orders, the issue of conduct of elections to Gram Panchayat in July, 2018 came to a complete halt.

As the subject of identification of backward classes voters, population and reservations as mentioned in the said interim orders falls in the domain of the Government, the Commission brought the said interim order of the Hon'ble High Court to the notice of the Government vide Lr.No. 363/TSC-PR/2018, dated 9.7.2018 **(Annexure-5)** and requested the Government to take necessary action to enable the SEC to comply with the constitutional mandate and hold elections to Gram Panchayats before expiry of their term.

In the Notification No. 889/TSEC-PR/2018, dated 24.10.2018 **(Annexure-31)**, the State Election Commission authorized the Collectors and District Election Authorities to appoint Presiding Officers and Polling Personnel for conduct of Gram Panchayat elections.

In Circular No. 469/TSEC-PR/2017, dated 22.5.2018 **(Annexure-33)** the Commission issued detailed instructions on selection, appointment of Returning Officers and polling personnel and training for Gram Panchayat elections. As per the instructions issued in the said circular the following yardstick is adopted for appointment of Polling Personnel to various polling stations.

Sl.No.	Voting Strength of Polling Station	Deployment of Polling Personnel

2	201 to 400 Voters	One Presiding Officer + Two Polling Officers
3	401 to upto 650 Voters	One Presiding Officer + Three Polling Officers

In Gram Panchayat elections, each Ward is a constituency. At least one Polling Station is set up in each Ward. Where the voting strength of a ward exceeds 650, two Polling Stations are to be set up. About 1,13,170 Polling Stations were set up requiring huge contingent of polling personnel for three phases of poll conducted Mandal wise. District wise number of polling station set up is indicated in the **(Annexure-34).** About 1,47,379 polling personnel were available in the entire State for deployment on election duty, some of the polling personnel deployed on poll duty in the 1st phase were redeployed to the subsequent phases and to facilitate this arrangement, three clear

days of gap was give between the two consecutive phases of poll. The district wise appointment of polling personnel is indicated in the **(Annexure-35)**.

The Commission with a view to obtain objectivity to the exercise of staff deployment developed a software module titled "Polling Personnel Randomisation System (PPRS)" within the "Te-Poll" application software and posted it on the TSEC Web Portal.

Some of the important steps taken by the Commission on deployment of polling personnel are listed below.

1. The presiding officers and polling officers were classified on the basis of scale of pay, their post and rank. Presiding officers are of higher scale /grade in comparison to polling officers in that polling station.

2. No employee was assigned polling duties in his/her native Mandal or the Mandal in which he/she works or resides.

3. No two members of the polling party shall be from the same office.

4. Subject to availability of sufficient female personnel, atleast one female polling officer was posted in a polling station.

5. A reserve of polling personnel to an extent of 10% under each category was kept at the Mandal head quarters.

6. Selection of polling parties was done on random basis.

7. The Commission developed the required application software for the management of polling personnel under the supervision of the IT Consultant and System Analyst of the Commission. Detailed instructions were issued by the Commission for 3-Stage Randomization and data entry in Circular No. 469/TSEC-PR/2017, dated 22.5.2018 in **(Annexure-33)**.

8. Randomization facilitated formation of polling parties in a systematic manner.

9. Randomization also provided for revealing the details on allotment of the polling station to the polling party concerned just before their departure from the distribution centre to eliminate any scope for any complaints of bias.

POLLING STATIONS

Each ward of a Gram Panchayat is a constituency. In view of this, a Polling Station is set up for each ward constituency of a Gram Panchayat. As the Gram Panchayat elections, are held on non-party basis, the entire process of election including poll, counting and declaration of results is completed on the same day. The poll is held from 7:00 AM to 1:00 PM and the counting starts at 2:00 PM after bringing polled ballot boxes from all polling stations to a central place selected for counting in the Gram Panchayat itself. A voter has to cast two votes – one for the Sarpanch and the other for ward member. Keeping these requirements in view, the State Election Commission framed detailed circular instructions in connection with setting up polling stations. The responsibility of setting up of polling stations of required number at suitable locations conforming to the instructions issued by the Commission is vested with the Collector & District Election Authority.

In Circular No.1461/TSEC-PR/2016, dated 28.11.2016 **(Annexure-36)** detailed instructions were issued in connection with setting up of polling stations for Gram Panchayat elections. Some of the important instructions are reproduced below.

1) There shall be at least one polling station for each ward of a Gram Panchayat. The voters strength of a polling station is fixed at 600 subject to marginal adjustments upto 50 voters. If the strength of a ward is more than 650, two polling stations are set up in that ward and allotted approximately equal number of voters between the two polling stations without dividing the family between two polling stations.

2) No voter should be required to travel more than 1 Km for casting his/her vote.

3) Polling station should be located as far as possible in the Government buildings and construction of temporary structure should be avoided to the extent possible.

4) The publication of list of polling stations should be done as per the schedule given by the Commission and a meeting of leaders of local units of political parties should be convened on the date fixed to obtain their suggestions and views on the list published and their grievances should be redressed and suggestions should be examined so as to ensure that voter convenience which is of prime consideration is not compromised in the process.

The final list of polling stations were published on 4.6.2018 as per the schedule given by the Commission in Circular No. 269/TSEC-PR/2018, dated 17.5.2018 **(Annexure-37)** on the basis of Gram Panchayat ward-wise electoral rolls published on 17.5.2018 with reference to 1.1.2018 as qualifying date.

About 1,13,170 polling stations were set up. The number of Polling Stations set up in each district for Gram Panchayat elections is indicated in the **Annexure-34.**

After completion of Stage-I election process in respect of all Gram Panchayats, the number of unanimously elected Sarpanches and Ward Members was finalised. The Commission then took up the exercise of merger of polling stations where there was unanimous election of all or some ward members and poll is required for the office of Sarpanch only and to reduce the expenditure on TA & DA to polling personnel. The Commission accorded permission to the Collectors & DEAs to merge polling stations where there is unanimous election for the office of all or some ward members in addition to the poll to be held for Sarpanch subject to the following conditions.

1) Such merged polling stations shall not have a voting strength of more than 650 voters.

2) Only those polling stations which are located in the same premises or location shall be merged.
3) After merger, polling areas allocated to each polling station shall be clearly exbhited outside the polling station.
4) Photo voter slips should be generated as per the merger proposed and distributed.
5) Wide publicity should be given in the polling areas regarding merger.

The State Election Commission reviewed the subject of setting up of polling stations, their publication, inputs from political parties, redressal of complaints and action taken on suggestions made by political parties, individuals and groups in the meetings and Video Conferences conducted by the Commission to review the election preparedness. This exercise contributed in a long way to reduce the number of complaints to a minimum with regard to setting up of polling stations and ensured smooth conduct of elections.

In the previous elections, instances have come to the notice of the State Election Commission where certain candidates were prevented from filing their nominations by coercion, abduction, intimidation, wrongful confinement or use of force, etc., and instances have come to the notice of the Commission where bribery and undue

influence are resorted to by some influential candidates or their election agents or supporters for securing withdrawal of candidatures.

As the State Election Commission is vested with the responsibility of conducting the elections in a free and fair manner, issued the following directions to the Collectors & DEAs and other officials in Circular No. 172/TSEC-PR/2018 dtd. 21.4.2018 **(Annexure-106)** to foil the nefarious practices under Section 211 of Panchayat Raj Act, 2018 and sections 171A, 171B and 171C of IPC.

- as soon as any complaint or information on prevention, intimidation or use of force, bribery, undue influence or auctioning the posts of Sarpanchas / Ward Members of Gram Panchayats, in the matter of nomination of candidates, or securing withdrawal of a candidate at any election is received by any Returning Officer or District Election Authority or Election Authority, he/she shall report the matter forthwith to the Police Authorities for making necessary enquiries and to prosecute the offenders where there is prima facie evidence.

- Auctioning of posts is a corrupt practice under Section 211 (1) of Telangana Panchayat Raj Act, 2018. This is also an electoral malpractice under Sections 171-B and 171-E of the Indian Penal code, 1860. On conviction, the offender(s) is/are liable to one year imprisonment and disqualification to contest elections for a period of six years.

  Where allegations have been received on auctioning of posts, the Collectors and District Election Authorities shall give instructions to the Returning Officers concerned not to declare the result in case of unanimous election to any office in the Gram Panchayat concerned without obtaining clearance from the Collector and District Election Authority.

- The Collectors and District Election Authorities shall cause immediate inquiry on such incidents and where ever there is Prima facie case of auctioning of posts

noticed, shall immediately report to the State Election Commission for further orders.

During the Gram Panchayat election process, reports were appeared in the daily news papers that in some Gram Panchayats posts of Sarpanch were auctioned in public. Auctioning of posts is a corrupt practice under Sec. 211(1) of the Telangana Panchayat Raj Act, 2018. This is also an electoral malpractice under Sec. 171-B and 171-E of the Indian Penal Code, 1860 and in conviction the offender is liable to one year imprisonment and disqualification to contest elections for a period of six years. Auctioning of posts subverts the democratic election process by denying freedom of choice tov oters besides excluding many potential candidates from the candidates on financial ground. This practice, if allowed could lead to imposition of tyranny of a few over majority of people.

In view of the above the commission in Notification No. 103/TSEC-PR/2019, dated 8.1.2019 **(Annexure-107)** issued the following directions to foil the evil designs of vested interests to manipulate the electing process by indulging in auctioning of posts.

1. A Special Cell shall be opened in the district by the District Collector and District Election Authority to scan the complaints received and reports published in the Print and Electronic Media about alleged incidents of auctioning of posts and to cause an enquiry forthwith.

2. The Collectors and District Election Authorities and Superintends of Police/ Commissioners of Police/Deputy Commissioner of Police shall take prompt action to launch prosecution against the persons involved in auctioning of posts under relevant provisions of the law.

3. The Collectors & DEAs shall send a report to the General Observers and the State Election Commission wherever there is prima facie case of auctioning of posts.

4. **The Returning Officers concerned shall declare the result in case of unanimous election to the post of Sarpanch, Gram Panchayat only after obtaining clearance from the General Observer.**

5. In all such cases, the General Observers shall satisfy themselves on the voluntary nature of unanimous election before issuing clearance to declare results. In all cases where auctioning or use of undue influence is evidenced, the same should be reported to the State Election Commission for further instructions.

The State Election Commission has kept a watch on Gram Panchayats in the State in which allegations of auctioning of posts were reported in the Media and in such cases the Commission called for report from the General Observer and Collector and District Election Authorities concerned. The Collector & DEA and General Observer of Jagitial District reported that there is a prima facie case of auctioning of Sarpanch post of Mallapur Gram Panchayat and Mandal in Jagitial District. The Commission, after careful consideration of all relevant information, declared the election held to the post of Sarpanch of Mallapur Gram Panchayat as void vide SEC No. 275/TSEC-PR/2019, dated:29.01.2019 **(Annexure-75)**.

REPORTS AND RETURNS

The State Election Commission prescribed various reports and returns to be furnished by the District Collectors and District Panchayat Officers of all the districts on various items of election work relating to Gram Panchayat elections. A copy of the letter containing instructions issued by Commission in this regard is at **Annexure-112.**

The Commission issued instructions to send these reports by Fax (040-29801522) and e-mail **sec.telangana@gmail.com and through tepoll.csc@ gmail.com**. A Control Room was also set up in the Commission providing exclusive telephone lines to cope up with the additional work relating to elections to receive reports and returns from the districts.

The reports and returns furnished by the District Collectors / District Panchayat Officers were compiled in the control room and a consolidate report for the entire state was prepared and passed on to the media regularly.

In view of the above arrangements made, on time flow of information in the form of reports and returns from the districts to the Commission was effectively monitored during elections to Gram Panchayats.

CHAPTER - XVII

BALLOT BOXES

In Gram Panchayat elections, a voter has to cast two votes with two different ballots – one for Sarpanch and the other for Ward Member of the Gram Panchayat. Under Rule 36(3) of TPR (Conduct of Elections) Rules, 2018, where elections are held for Gram Panchayats only, there shall be only one ballot box inside the polling station at any point of time in which ballot papers of Sarpanch (Pink coloured) and Ward Member (White coloured) shall be dropped. Only after a ballot box used inside the polling station is full, it shall be closed, sealed and preserved then another additional ballot box was placed following the prescribed procedure.

Each Ward of a Gram Panchayat is a constituency requiring at least one polling station for it. Elections were notified to 1,13,170 Wards in 12,732 Gram Panchayats in the entire State and 1,13,170 polling stations were set up for conduct of polls.

The Commission critically reviewed the availability and sufficiency of ballot boxes in each district for conduct of elections in three phases in the meetings held at erstwhile district head quarters and during video conferences held before elections.

The Commission owns 30506 ballot boxes. As sufficient ballot boxes are not available in the state for conduct of elections, 37954 ballot boxes were borrowed on loan basis from Karnataka State to meet the short fall. The Election Commission of India also alloted 49694 ballot boxes from Maharastra state to Telangana State on permanent basis. All together 118154 ballot boxes were kept ready for conduct of Gram Panchayat Elections in three phases. The district wise details of availability of ballot boxes for conduct of Gram Panchayat Elections in three phases are indicated in the **Annexure-113.**

The Commission initiated advance action to complete repairs and overhaul of all the ballot boxes. Funds required for overhaul and repairs were released by the Government to the District Panchayat officers.

The Gram Panchayat Elections are held on non party basis. The entire election process including poll, counting of votes and declaration of results were completed on the same day. The ballot boxes used in the first phase of poll are re-used in the next phases of poll basing on the requirement. This arrangement was factored in while working out the requirement of ballot boxes.

The details of ballot boxes used in each phase is indicated in the **Annexure-113.**

CHAPTER - XVIII

PRINTING OF BALLOT PAPER

The Gram Panchayat elections are held on non-party basis. The ballot papers contain only symbols and names of the candidates are not printed on the ballot paper.

The State Election Commission decided that the colour of the ballot paper of Sarpanch shall be 'Pink' and that of Ward Member 'White'.

The work relating to the printing of ballot papers of Sarpanch and Ward Member was decentralized and the responsibility was entrusted to the District Administration to get the ballot papers printed locally in private offset printing presses as was done during previous Ordinary Elections.

The District Panchayat Officers in consultation with the printing presses worked out the requirement of Pink wove paper for Sarpanch election and White wove paper for Ward Member election for entire district with 20% reserve based on the voting strength of the district. The number so arrived was devided in to 'denomination' wise groups based on the ratio worked out by following the principal "Probability" theory of statistics by taking in to consideration the average number of contesting candidates during the previous ordinary elections. Denominations wise of ballot papers for sarpanch and ward member election were communicated to the Commissioner of Panchayat Raj and Rural Employment and Election Authority vide TSEC Circular No.297/TSEC-PR/2018, dated 05.06.2018. In the last Ordinary Elections to Gram Panchayats held in 2013, in Telangana State, the average number of contested candidates for the office of sarpanch was 4 and ward member was 3. The CPR & RE and EA after receipt of requirement of ballot paper from all the District Election authorities placed indent to the Commissioner of Printing, Stationery and stores purchase, Government Central press, Hyderabad for procurement and supply of Pink and White wove ballot papers to the Districts.

The Commission issued detailed instructions on printing of ballot papers with NOTA symbol containing specifications and model of ballot papers in Circular No. 297/TSEC-PR/2018, dtd.24.5.2018 and 5.6.2018 **(Annexure-114)**.

The district wise supply of Pink and white wove paper for conduct of Gram Panchayat Elections is indicated in the **Annexure-48**.

The Collectors identified local offset printers basing on their capacity and rates quoted for printing of various denominations and finalised the printers for assigning the work. Advance action was taken for printing of ballot papers as they contained only symbols without names.

The work relating to printing of ballot papers was completed in time and without any difficulties resulting in smooth conduct of elections.

The left over stock of ballot papers was preserved in all the districts after Gram Panchayat elections to use them in the subsequent casual elections of Gram Panchayats which are notified by the Commission at regular intervals.

CHAPTER - XIX

WEBCASTING

Webcasting involves live-streaming of the proceedings at a polling station using Internet connection, web camera, computer system preferably a laptop and computer professional. The proceedings at the polling station are captured in a web camera and transmitted to designated locations i.e., Collectorate and the State Election Commission's office using internet connection.

The State Election Commission decided to undertake webcasting in selective critical / hypersensitive Gram Panchayats to ensure that electoral process is conducted smoothly in vulnerable areas and any complaints of electoral malpractices can be verified and appropriate action can be taken instantly to ensure free and fair elections. The steps taken by the Commission in connection with the webcasting exercise are mentioned below.

1. The Collectors & DEAs were requested to identify critical / hypersensitive Gram Panchayats in their respective districts for undertaking webcasting keeping in view the availability of electrical fittings, feasibility for BSNL internet connection, availability of webcameras, availability of students or persons with computer knowledge having a laptop and willing to participate in the exercise.

2. The Collectors were asked to constitute a team of local officials from Electricity Department, BSNL and Panchayat Raj to conduct a survey and finalise the locations / Gram Panchayats for undertaking webcasting.

3. The Collectors were given freedom to enroll students from established Engineering and MCA colleges having laptops or by taking willingness of

students and also the college management. Remuneration to each student/ volunteer was paid on par with ECI Guidelines.

4. The web cameras and spikes that were already procured by the Chief Electoral Officer and preserved in the Districts were used after obtaining necessary permission from the CEO. Further, wherever required permission was given to Collectors to procure additional webcameras and spikes at reasonable rates.

   Wherever webasting was not possible, the DEAs used digital camaras and videography to record the events in polling stations.

5. The BSNL provided internet connections at all the polling stations selected by the District administration for undertaking webcasting.

6. A coordinated effort by all the officials and agencies involved in webcasting exercise resulted in smooth capturing and live-streaming of proceedings at nearly 2114 polling stations in the entire State during the 3-Phases of elections enabling the Commission to verify any complaints at sensitive / hypersensitive polling station selected for webcasting spontaneously and give suitable instructions to ensure free and fair elections. This measure also created a sense of confidence among the voting public in vulnerable areas and widely appreciated by the Press and general public as it improved the electoral standards during Gram Panchayat elections.

7. The number of polling stations in each District where webcasting/ videography was undertaken is given in the **Annexure-115**.

8. The instructions given by the Commission in this regard to the C&DEAs and CPR & RE and EA are at **Annexure-116**.

11K VOTER SLIPS DOWNLOADED VIA TE-POLL

DC CORRESPONDENT
HYDERABAD, JAN. 22

The first phase of Gram Panchayat elections saw a spike in online content consumption with people embracing Te-Poll app like never before.

Voters downloaded 11,105 voter slips through the mobile app and 1,87,163 through the Web Portal, a download of 5021 GB data approximately.

Internet has evidently penetrated into the Gram Panchayat.

The Telangana State Election Commission (SEC) felt that the Te-poll software was very useful for the Officers, the candidates and the voters in preparing electoral rolls, their downloading by candidates and generation of voter slips by the voters.

The Te-poll software provided an opportunity to contesting candidates for filing nominations online. This facility was used by 357 Sarpanch candidates and 526 ward members.

The State Election Commission requests the candidates in future elections to utilize this opportunity and make the nomination process very simple and efficient.

Meanwhile, the State Election Commission reported the successful completion of the first Phase Gram Panchayat Elections 2018-19 involving 4,470 Gram Panchayats and 39,628 Wards.

HC stays panchayat polls in Mangapeta mandal

EXPRESS NEWS SERVICE
@ Hyderabad

IN a significant development, the Telangana High Court on Friday stayed conduct of elections to all 25 gram panchayats of Mangapeta mandal in Jayashanker Bhupalapally district of the State scheduled to be held on Jan 30. The Court found fault with issue of election notification despite interim order issued earlier by the court directing not to issue any notification.

Justice PV Sanjay Kumar was passing this interim order in the petitions filed by Gone Thirupathaiah and several others challenging the action of the authorities in reserving all the 25 gram panchayats of the mandal for Scheduled Tribes (STs) and for issue of election notification.

Senior counsel S Ramachandra Rao, appearing for the petitioners, said that the above villages were 'non-agency' area between 1950 and 2006, and the State government had issued orders in 2006 recognizing them as agency area. When it was challenged, a single judge had set aside the same and an appeal was filed on it. In 2014, the Court issued interim orders directing the authorities to take into consideration the Mangapeta mandal as agency area and not to issue any notification. When the interim order was in force, the authorities have recently issued orders reserving all sarpanch posts in the mandal for STs, he pointed out.

On the other hand, additional advocate general J Ramachandra Rao submitted that the said posts were reserved to STs as all the locals belongs to girijan community.

Disputing with the above submission, the petitioner's counsel said that the ST population was only 24 per cent of the total population in the mandal as per 2011 census, hence it was not proper to declare the entire mandal as agency area. After hearing both sides, the judge stayed conduct of elections in all the 25 gram panchayats in Mangapeta mandal.

3. Commissioner, PR & RD Lr.No. 348/CPR&RE/G2/2017, dated 18.5.2017 addressed to the Spl. CS to Govt, (FAC) PR & RD Dept.

***

I invite your kind attention to the reference cited.

I wish to state that, the Hon'ble Apex Court, in W.P(C) No. 356/1994 filed by Dr.K. Krishna Murthy and others on the issue of reservations in local body elections (ref. 1st cited) had disposed off the said Writ Petition on 11.05.2010 by the Constitutional Bench (five member bench) headed by the then Chief Justice of India (copy enclosed). The operative portion of the said judgment is as follows:

(vi) The nature and purpose of reservations in the context of local self government is considerably different from that of higher education and public employment. In this sense, Article 243-D and Article 243-T form a distinct and independent constitutional basis for affirmative action and the principles that have been evolved in relation to reservation policies enabled by Article 15(4) and 16(4) cannot be readily applied in the context of local self government. Even when made, they need not be for a period corresponding to the period of reservation for purposes of Article 15(4) and 16(4) but cannot be much shorter.

(vii) Article 243-D(6) and Article 243-T(6) are constitutionally valid since they are in the nature of provisions which merely enable state Legislature to reserve seats and chairpersons posts in favour of Backward Classes. Concerns about disproportionate reservations should be raised by way specific challengers against the State Legislations.

(viii) We are not in a position to examine the claims about over breadth in the quantum of reservation provided for OBCs under the impugned state Legislations since there is no contemporaneous empirical data. The onus is on the executive to conduct rigorous investigation into the patterns of backwardness that act as barriers to political participation which are indeed quite different from the patterns of the disadvantages in the matter of access to education and employment. As we have considered and decided only the constitutional validity of Article 243-D(6) and 243(T), it will be open to the petitions or any aggrieved party to challenge any State Legislation enacted in pursuance of the Constitutional provision before the High Court. We are of the view that the identification of backward classes under Article 243-D(6) and 243-T(6) should be distinct from the identification of SEBCs for the purpose of Article 16(4).

(ix) The upper ceiling of the 50% vertical reservation in favour of SC/ST/OBCs should not be breached in the context of local self government. Exceptions can only be made in order to safeguard the interest of the

Schedule Tribes in the matter of their representation in Panchayats located in the Scheduled areas.

(x) The reservation of Chairpersons posts in the manner contemplated by Article 243-D94) and 243-T(4) is constitutionally valid. These chairpersons cannot be equated with solitary posts in the context of public employment.

While the matters stood thus, writ petition no. 31639 of 2011 and batch were filed by Sri Nimmaka Jaya Raj and others in the Hon'ble High Court seeking a direction to the respondents i.e., Government of erstwhile Andhra Pradesh, erstwhile PR & RD Department to fix the reservations by fixing the upper ceiling cap of 50% for the elections to the local bodies as ordered by the apex court as against the reservation fixed at 60.55 % by the various orders and to set aside the orders of the Government. The said writ petitions were disposed off by the Hon'ble High Court of erstwhile Andhra Pradesh through their common order dated 4.9.2012 (copy enclosed) and the operative portion of the said judgment is as follows.

i. For the purpose of present elections, the state shall fix the reservations in favour of Backward Classes at such percentage so that it comes within 50% when the aggregate reservation in favour of Scheduled Castes, Tribes and Backward Classes put together.

ii. The State shall conduct a detailed investigation with regard to backwardness of the population, collect data, invite objections from the general public, analyses the same and then fix the reservation in favour of Backward Classes in accordance with the constitutional scheme. It shall also review the reservation from time to time.

iii. The State Election Commission shall commence the process of elections to the local bodies in the State of Andhra Pradesh immediate and shall complete the elections within a period of three months from the date of finalization of the reservation percentage by the State.

iv. All the Writ Petitions challenging the validity of amending Acts, providing for appointment of Special Officers for local bodies shall stand dismissed.

The next fifth ordinary elections to Gram Panchayats are just one year away from now.

The State Government is vested with the power to make reservations in elections to local bodies. So the government should finalize the reservations well in advance as per orders of the Hon'ble Supreme court of India to enable the State Election Commission to hold elections in time so as to enable the newly elected body to assume charge immediately after expiry of the five years period of the existing body. Non compliance of Hon'ble Supreme Court orders will lead to legal complications and have adverse impact on conduct of elections which was witnessed earlier.

In the light of the above, I request you to refer the subject of conducting a detail investigation with regard to the backwardness of the population and determine the eligibility for reservations under BC Category in elections to local bodies as per the judgment of the Hon'ble Supreme Court of India, dated 11.5.2010 in W.P (c) No. 356 of 1994 to the Telangana Backward Classes Commission.

I invite your kind attention to the reference cited.

You are aware that, on a writ petition no. 20477 of 2018 filed by Sri Ravindranath and Sri Dasoju Sravan Kumar with regard to reservation of offices and seats in Gram Panchayats to BC Category, the Hon'ble High Court in the reference cited passed interim orders directing the respondents to scrupulously follow the method of identification of Backward Classes voters and population as laid down in the court decisions and then take further steps in the matter before issuing the election notification for the ensuing elections for the Gram Panchayats in the state of Telangana. A copy of the interim order of the Hon'ble High Court is enclosed herewith.

The case is posted after four weeks for counter. In the said writ petition the Principal Secretary to Government, Panchayat Raj Department is the first respondent.

By virtue of the interim orders of the Hon'ble High Court, the issue of Gram Panchayat Elections, 2018, have come to a complete halt and the subject of identification of Backward Classes voters and population as mentioned therein falls entirely in the domain of the Government.

It is pertinent to note that, the Article 243 E (1)(a) of Constitution of India, requires the State Election Commission to hold elections to Panchayat Raj Bodies before expiry of their term. I, therefore, request you to take all necessary action to enable the State Election Commission to comply with the Constitutional mandate and hold elections to Gram Panchayats as early as possible as the term of the existing elected bodies of the Gram Panchayats is going to expire on 01.08.2018.

Petition under Section 151 CPC praying that in the circumstances stated in the affidavit filed in support of the petition, the High Court may be pleased to direct the respondents not issue any election notification till enumeration of persons belonging to BC communities ward wise and allotment the seats to be reserved for BC category amongst the sub groups (A,B,C,D and E) is not done as per known verifiable , transparent scientific process known to law and pass Pending disposal of WP No. 20477 of 2018, on the file of the High Court.

The court while directing issue of notice to the Respondents herein to show cause as to why this application should not be complied with, made the following order.(The receipt of this order will be deemed to be the receipt of notice in the case).

ORDER:

Heard counsel for petitioner, the Additional Advocate General appearing for respondents 1 to 3, 5 & 6 and Sri Vidya Sagar, Senior Counsel appearing for 4th respondent.

The issue in this Writ Petition relates to the manner in which the State Government is obligated to provide reservations to the members of backward classes in the ensuing Grampanchayat elections.

The Telangana Panchayat Raj Act, 2018(for short 'the Act') in Section 17(1) directs that the Offices of Sarpanch of Grampanchayats in the State shall be reserved

for Backward classes and others through a Notification and Sub-section (4) states that for the purpose of determining the number of Offices to be reserved for Backward classes, the Commissioner shall determine 34% of the Offices to the members belonging to the Backward Classes and allot to each District on the basis of proportion of population of Backward classes in the State.

Rule 201 of the Rules framed under the Act directs that the population figure of the Backward Classes gathered in the social economic survey conducted by the 6th respondent shall be taken as the basis for the purpose of reserving the Offices of Sarpanch, President, Chairperson and Members of the Grampanchayats, Mandal Praja Parishads and Zilla Praja Parishads to the members belonging to the Backward Classes under the Act.

According to the petitioners, a Full Bench of this Court in **G. Satyanarayana Reddy vs State Of A.P.**[1] had set out the manner in which reservations for Backward Classes has to be provided under the erstwhile A.P. Mandal Praja Parishad and Zilla Praja Parishad (Reservation of Offices of Presidents of Mandal Praja Parishads and Chairman of Zilla Praja Parishads) Rules 1987 framed under the A.P. Grampanchayat Act, 1964 and there are specific directions given in para 76 thereof that there should be proper publication of the data collected for the purpose of determining the reservations for Backward Classes, that unpublished data or record cannot be made the statutory basis for reservations. The Full Bench also observed that there should be opportunity to the public or political parties to have the mistakes, any committed, to be corrected before they were used for the purpose of reservation. This was reiterated by a Division Bench in **Nimmaka Jaya Raj v. The Government of Andhra Pradesh**[2] wherein the Division Bench directed the State to conduct detailed investigation with regard to backwardness of population, collect data, invite objections from general public, analyze the same and then fix the reservation in favour of Backward Classes in accordance with the Constitutional Scheme.

Petitioners contend that the directions in the above two decisions have not been followed by the respondents and in the absence of such an exercise being undertaken, the allotment of seats allotted to Backward classes at the Municipal and Village levels would be subject to wholesale manipulation, thereby resulting in violation of letter and spirit of reservation process set out in the Act for purpose of ensuing Grampanchayat elections.

Counsel for petitioner also pointed out that G.O.Rt.No.396 Panchayat Raj and Rural Development(PTS.III) Department dt.21.06.2018 has been issued laying down certain guidelines to be followed while making reservations for backward classes in the ensuing elections to the Grampanchayths in the State of Telangana to show that the process of conducting elections is about to begun.

This is not disputed by the Additional Advocate General appearing for respondents either. However, the Additional Advocate General stated that he needed to file a counter affidavit to refute the allegations made by the petitioners. He did not dispute that the data collected by the respondents 5 & 6 has not been published and objections thereto were not invited.

However, since it is an admitted fact that at any moment Notification for holding the Elections to the Grampanchayats under the Telangana Panchayat Raj Act, 2018 is likely to be issued, and there could be difficulty for the Court to do anything after such a notification is issued, if the respondents are found later to have not acted properly in matter of reservation of Offices of Sarpanchs for backward classes, and since it is not disputed that the legal position set out above still holds good, and to ensure that the process of reservation for backward classes communities is done in accordance with the aforesaid decisions, I deem it appropriate to direct the respondents to scrupulously follow the method of identification of backward classes voters and population laid down in said decisions including the publication of the results of the survey done by the respondents 5 & 6, invite objections thereto and then take further steps in the matter before issuing the Election Notification for the ensuing elections for the Grampanchayats in the State of Telangana.

Post after four (04) weeks for counter.

In the reference 2nd cited, the Principal Secretary to Government, while acknowledging the receipt of SEC request, promised to get back with a decision in this regard. Kindly see the references cited (copies enclosed).

I wish to state that, the 4th Ordinary Elections to Gram Panchayats in the united state of Andhra Pradesh were held during the month of July, 2013. Their five years term commenced from 2.8.2013 and it expired on 1.8.2018.

Article 243 E (3)(a) of the Constitution of India mandates completion of elections to Panchayat Raj Institutions before expiry of their five years term.

Section 14(2) of Telangana Panchayat Raj Act, 2018, stipulates that, Ordinary Elections to Gram Panchayats shall be held by the State Election Commission within 3 months prior to the expiry of their term.

Article 243 K(1) of the Constitution of India, stipulates that, "the superintendence, direction and control of the preparation of electoral rolls for, and the conduct of, all elections to the Panchayats shall be vested in a State Election Commission consisting of a State Election Commissioner to be appointed by the Governor".

Section 196 (1) of Telangana Panchayat Raj Act, 2018, stipulates that, "there shall be constituted a State Election Commission for the superintendence, direction and control of the preparation of electoral rolls for and the conduct of elections to all the Panchayat Raj Institutions governed by this Act".

As per provisions of the Constitution and Panchayat Raj Act, it is clear that, elections to the Panchayat Raj Institutions shall be conducted by the State Election Commission before expiry of their term.

Keeping in view of the mandatory provisions of the Constitution and Panchayat Raj Act, the State Election Commission took action well in advance to conduct elections to Gram Panchayats before expiry of their term and also conducted review meetings on election preparedness with all the District Collectors, Police officials and other district officials at all the erstwhile district head quarters and geared up the district administration for readiness for conduct of elections.

The following are the major steps involved for conduct of elections to the Gram Panchayats.

1. Finalization of list of Gram Panchayats by the Government

2. Delimitation of wards within the Gram Panchayats by the Government
3. Preparation and publication of ward wise Gram Panchayat electoral rolls by the State Election Commission
4. Finalization of seats and offices in Gram Panchayats by the Government
5. Preparation and publication of list of polling stations by the State Election Commission
6. Conduct of elections by the State Election Commission

The above events are sequential and interdependent on each other.

Finalization of reservations by the Government is pre-requisite for issue of Election Notification by the State Election Commission.

Keeping in view of the above and the directions of the apex court in the judgement rendered in the case of 'Kishansingh Tomar-vs- Municipal Corporation of City of Ahmedabad & Ors', reported in 2006 (8) SCC Pg.352, in the reference 1st cited, the State Election Commission requested the Government to accomplish their tasks i.e., finalization of list of Gram Panchayats, completion of delimitation of wards and finalization of reservations as per the time schedule indicated therein so as to enable the State Election Commission to conduct elections to Gram Panchayats in time as per the provisions of the Constitution and the Law. The Government was also reminded from time to time to undertake this exercise.

The Government of Telangana enacted new Panchayat Raj Act, 2018 (Act No. 5 of 2018) by repealing Telangana Panchayat Raj Act, 1994. The new PR Act, 2018 came into force w.e.f 18.4.2018.

The sub-section 6 of Section 197 of new TPR Act, stipulates that, the schedule and the dates on which the elections will be conducted shall be decided by the State Election Commission in concurrence with the State Government.

Consequent on the enactment of the Telangana Panchayat Raj Act , 2018, 12751 Gram Panchayats and 1,13,380 wards were constituted.

After the new PR Act, 2018 came into force, the State Election Commission issued notification for preparation and publication of ward wise and Gram Panchayat

wise electoral rolls vide reference 2nd cited. The final electoral rolls were published on 17.5.2018.

After publication of electoral rolls the Commission issued instructions vide reference 3rd cited, for preparation and publication of polling stations. The final list of polling stations was published on 4.6.2018.

Subsequently the Commission conducted a meeting on 14.5.2018 with the concerned Secretaries to Government and Heads of Departments so as to expedite all the preliminary steps including the finalization of the reservations. Thereafter review meetings were convened and video conferences were also held with various stakeholders to prepare them for conduct of elections. Separate meetings were also held with the District Collectors, Commissioners and Superintendence of Police. The District Collectors and Election Authorities were also advised to appoint Nodal officers for various activities at District/Mandal level vide SEC Letter dated 12.6.2018. The Commission also took necessary action for appointment of Election Observers.

Although in the meeting held on 14.5.2018, the Secretaries to Government and the head of Departments were informed about the milestones required to be met by all the stakeholders for conduct of elections in terms of the Constitution, the crucial process of reservations by the Government was still incomplete.

As a consequence, the State Election Commission again addressed the Government vide reference 4th cited, pointing out that only after receipt of the reservations from the State Government, the State Election Commission can finalize the election schedule and urged the Government to finalize the reservations by 25.6.2018 and in pursuance of newly introduced Section 197 (6) of TPR Act, 2018, the Government was also requested to concur with the election schedule proposal of the State Election Commission to issue Election Notification. But, the Government neither fixed reservations nor concurred the election schedule proposed by the Commission.

Meanwhile, in the Writ Petition No.20477 of 2018 vide reference 5th cited, regarding reservation of seats to BC category, the Hon'ble High Court directed the

respondents, to scrupulously follow the method of identification of backward classes voters and population laid down in the said decisions (G. Satyanrayan Reddy Vs. State of AP and Nimmaka Jaya Raj Vs. the Government of A.P) including the publication of results of the survey done by the respondents 5 and 6, invite objections there to and then take further steps in the matter before issuing the election notification for the ensuing elections to Gram Panchayats. This resulted in stoppage of election process until reservations to the BC category are finalized by the Government as directed by the Hon'ble High Court.

Immediately after receipt of the court orders, the SEC vide reference 6th cited requested the Prl. Secretary to Govt., PR & RD to take necessary action to complete the Reservation process expeditiously.

Subsequently, several writ petitions were filed with regard to reservations and other issues.

In the Writ Petition No. 21902 of 2018, filed by Smt. V. Swapna Reddy regarding reservations, the Hon'ble High Court issued interim orders dated 9.7.2018 in I.A. No. 2 of 2018 stating that, the upper ceiling limit of 50% vertical reservations in favour of SCs/STs/OBCs should not be breeched in the context of local self government in the State of Telangana in the light of the constitution bench decision of the apex court in K. Krishna Murthy Vs. Union of India (2010) 7SCC 202.

In reference 7th cited, the Hon'ble High Court directed the State Election Commission to complete the entire process of conducting elections to the Members and offices of the Sarpanchas in the Gram Panchayats within three months from 11.10.2018 with the complete co-operation of the Government.

Under Section 9 and 17 of Telangana Panchayat Raj Act, 2018, the power to make reservations to the seats of Members and office of Sarpanch of Gram Panchayat is vested with the Government. The SEC requires atleast 45 days time from the date of receipt of reservations from the Government to complete the election process. Unless the Government finalizes the reservations and communicate it to the State Election Commission within this time, the State Election Commission can not complete the

election process within the time stipulated by the Hon'ble High Court vide reference 7th cited.

In view of the orders of the Hon'ble High Court vide reference 7th cited, the Commission in the reference 8th cited, requested the Government to finalize reservation of seats and offices in Gram Panchayats by 30.11.2018 and intimate to the SEC immediately so as to enable the Commission to hold elections to Gram Panchayats within the time stipulated by the Hon'ble High court and a draft Election schedule was also sent to the Government with a request to concur with the election schedule proposed by the Commission.

The Hon'ble High Court in its orders at para 132 vide reference 7th cited, suggested that, "it is made clear that, the State Election Commission of State of Telangana is also granted liberty to request His Excellency the Governor of the State of Telangana under clause 3 of Section 243-K, to make available to it such staff as may be necessary for the discharge of its above obligations".

I, therefore, request you to bring the above matter to the notice of the His Excellency, the Governor of Telangana and Andhra Pradesh for his intervention and issue of instructions to the Chief Secretary to Government of Telangana to render necessary assistance with a view to enable the Commission to hold GP Elections within the time stipulated by the Hon'ble High Court in the reference 7th cited.

Please refer to the references cited.

In the reference 1st cited, the Government issued instructions to the CPR & RE and DEAs for enumeration of BC voters as per the schedule indicated therein subject to publication of final electoral rolls by the State Election Commission.

The words "subject to publication of final electoral rolls by the State Election Commission" mentioned in the reference 1st cited prompted the Commission to clarify the matter to the government since the same is unwarranted and misleading in nature as indicated below.

1. As stipulated under Section 11 of TPR Act, 2018, before each ordinary and casual election, the SEC will publish ward wise GP Electoral rolls by the Assembly electoral rolls published with reference to a qualifying date.
2. The SEC has already published final ward wise GP Electoral rolls on 17.5.2018 vide reference 3rd cited by adopting the assembly electoral rolls published on 24.3.2018 w.r.t 1.1.2018 as qualifying date.
3. As ward wise GP Electoral rolls have already been published on 17.5.2018 the words "subject to publication of final electoral rolls by the State Election Commission" for enumeration of BC voters is unwarranted and misleading.
4. As envisaged under section 11 of TPR Act, 2018, and Rules issued there under, after publication of ward wise GP Electoral rolls, any inclusion or deletion of names made in the Assembly Constituency concerned by the ERO upto the date of election notification issued by the SEC will be carried out in the GP Electoral rolls and such inclusions/ deletions are given effect to in the concerned ward.
5. Therefore, after publication of ward wise GP Electoral rolls w.r.t a qualifying date in a year, the question of again publication of ward wise GP Electoral rolls doesn't arise.
6. In the reference 4th cited, the SEC issued an action plan to C&DEAs for conduct of GP Elections within the time as directed by the Hon'ble High Court including updation of GP Electoral rolls from the date of final publication of GP Electoral rolls i.e., 17.5.2018 to till the date of issue of election notification. It is no way concerned with the enumeration of BC Voters by the Government.

More over the SEC will not publish Gram Panchayat Electoral rolls for enumeration of BC voters by the Government.

In view of the above, I once again request the Government to finalize the reservations and intimate it to the SEC immediately and also request to concur with the election schedule proposed by the commission vide reference 6th cited so as to enable the SEC to hold GP Elections within the time as directed by the Hon'ble High Court in the reference 5th cited.

Full security of the database should be ensured and its safe keep and bonafide use shall be the responsibility of that Department.

The Secretary welcomed the Officers and representatives of the Political Parties to the meeting which is convened specifically for the purpose of exchange of information on the preparation and publication of the Gram Panchayat Electoral Rolls to be used at the 5th Ordinary elections to the Gram Panchayats in the State.

In his introductory remarks, the State Election Commissioner emphasized that, under Article 243 K of the Constitution of India the State Election Commission vested with the powers of superintendence, direction and control of preparation of electoral rolls and conduct of elections to Panchayat Raj Bodies and as per the mandatory provisions of the Constitution and Panchayat Raj Act, the State Election Commission has to hold elections well before expiry of their existing term i.e., 1.8.2018.

The Commissioner, TSEC appealed the Political Parties that, since the latest Assembly Electoral rolls are already published and the copies are available with recognized political Parties and also on CEO's Web Portal, the Political Parties may supply them to their field level functionaries to enable them to verify at village level, identify the genuine eligible voters missing and motivate them to file Form-6 claim before the Concerned Electoral Registration Officers for inclusion of their names in Assembly Electoral Rolls. This also facilitates the Political Parties to identify the

duplicate, dead and ineligible voters if any in the electoral roll so that they can file relevant claims before Electoral Registration Officer for necessary action, since the latest Assembly Electoral rolls are adopted in toto for preparation of Gram Panchayat wise electoral rolls.

Later the Commissioner, TSEC has explained the procedure adopted for preparation and Publication of Gram Panchayat Electoral Rolls by adopting latest published Assembly Electoral rolls by Power Point Presentation.

- Though every citizen aged 18 or above is eligible to vote at an election but only those whose names are entered in the Electoral Rolls specially published for such election will be allowed to vote at such election. Hence it is very important to ensure registration of the names of all the eligible voters in the Electoral Rolls with in the prescribed time limits.

- The ward wise electoral rolls of the Gram Panchayats are prepared and published in the prescribed manner by adopting latest Assembly Electoral rolls published under RP Act, 1950 with a reference to the qualifying date.

- For the ensuing 5th Ordinary Elections to Gram Panchayats, 2018, the latest Assembly Electoral rolls published w.r.t 1.1.2018 are adopted for preparation and publication of Ward wise electoral rolls of Gram Panchayats. All the names existing in the latest Assembly Electoral Rolls shall be arranged so as to fall in their respective Gram Panchayats by following the territorial limits of the wards.

- The Gram Panchayat electoral rolls are published on a date specified by the State Election Commission by Notification on the notice board of the Gram Panchayat, at three conspicuous places in the concerned Gram Panchayat and also on the notice board of the Mandal Praja Parishad and DPO's office. The Electoral rolls without containing the photos of the voters will also be published in the web portal of the

districts and State Election Commission. Copies of the published electoral rolls are supplied to recognized political parties and also registered political parties who are provided with a reserved symbol on free of cost and for others on the payment of the cost of the its copying charges.

- After publication of Gram Panchayat electoral rolls on a date specified by the Commission, claims for inclusion or deletion of any name in the Electoral roll shall be made by a proper claim or objection to the Electoral Registration officer of the concerned Legislative Assembly Constituency. Based on the orders by the ERO on such claims and objections, the District Panchayat Officer will carry out in the electoral roll of the Gram Panchayat concerned in related wards upto the date of election notification to be issued by the State Election Commission. The District Panchayat Officer has no power for suo moto inclusions, deletions or corrections in the Gram Panchayat electoral rolls.

After the Power Point Presentation, the representatives of various Political Parties have raised some issues and made following suggestions:

- Sri Ravula Chandra Shekar Reddy, representative of Telugu Desam Party, welcoming the initiative of State Election Commission on holding the Political Parties meeting stated that, in Assembly and Parliament elections, the eligible claims filed and disposed till the date of election, will be allowed to cast their vote in the election but the State Election Commission is allowing only those inclusions / deletions disposed by ERO till the date of Election Notification and suggested the SEC also to allow the eligible voters included till the date of Election.

  Further he stated that, the new Panchayat Raj Act has not came in to force as on to-day, there is no clarity on Gram Panchayats. As per the new Act, the elections are to be held in one to one and half years, the SEC has to oblige the Constitutional mandate by conducting

elections to Gram Panchayats well before the expiry of the term of existing body.

He has also suggested that if any name is deleted from the electoral roll, the concerned ERO has to mention the reasons for deletion as per the RP Act and the same is not being followed by many of the ERO's and requested to instruct concerned to follow the Act.

- Sri Chada Venkat Reddy, representative of CPI has stated that, voter awareness should be brought from Mandal level to ensure error free electoral roll and such Political Parties meetings shall take place at District Level and Mandal Level also to spread the message to the grass root level.

  He has also suggested that due to creation of Thandas as new Gram Panchayats, there is every possibility for repetition of electors in both the Gram Panchayats and requested to take necessary steps to avoid this. Further he also pointed out the difficulties created by the bunching of all additions to the last ward of the Gram Panchayat without any relation to their actual location.
- Sri Vadi Srinivas Rao, representative of Dalit Bahujan Party has requested to clarify on the time allowed from electoral roll publication to election notification.
- Sri Busim Yedukondalu Venkata Satyanarayana, the representative of Maa Desam Party and Sri P. Devaraju representative of Rastriya Praja Congress (Secular) raised about the process of linking of Aadhar card number to voter ID.
- Sri Nandyala Narsimha Reddy, representative of CPI (M) Party has suggested that perfect electoral rolls will avoid poll clashes and lead for peaceful elections. During their survey earlier, it is observed that the voters enrolled in Nalgonda are also enrolled in Patancheru – Constituency of Erstwhile Medak District.

  Due to lack of knowledge on jurisdiction of Nalgonda Municipality, some eligible voters were neither included in Nalgonda Municipality nor in relevant Gram Panchayat by concerned officials.

Further the dead, double voters to be deleted from the electoral roll. Such initiatives will help for purification and preparation of perfect electoral roll which is essential for peaceful conduct of elections.

- Sri P. Devaraju, representative of Rastriya Praja Congress (Secular) has requested to clarify whether the ensuing Gram Panchayat elections are going to be held on EVMs (or) on using traditional ballot boxes.
- Sri Syed Amin Jafri, representative of AIMIM Party has expressed that the status of new Panchayat Raj Act is not known so far as no notification is issued so far by the Government; list of thandas converted to Gram Panchayats, big Gram Panchayats are made in to Municipal bodies some surrounding Gram Panchayats are merged in existing Municipalities. Details of actual Gram Panchayats, their delimitation, reservations are inter-linked and there is no clarity on these issues and requested the SEC to take all these issues in to consideration before publication of Gram Panchayat wise electoral rolls.
- Sri Marri Shashidhar Reddy, representative of Indian National Congress has expressed doubt whether the ensuing elections will be conducted on existing Panchayat Raj Act, 1994 (or) new 2018 Act which is yet to get the Governor's assent. As per new Section 11(2) on preparation and publication of electoral roll, clarity is required.

  Further he emphasized on preparation and publication of proper electoral roll quoting the example of Danthapally Gram Panchayat casual elections to Sarpanch post held in 2017, where nearly 700 eligible voters are deprived their right and see that such things will not repeat again. Disciplinary action to be taken against the officials who involve in such activities so that other will be alert while preparing electoral rolls.

  He further requested the SEC to conduct free and fair elections as per the powers vested with SEC under Article 243 (K) of the Constitution of India and to protect the Democracy.

  He has also requested to see that all the claims filed before EROs of Assembly Constituencies are disposed off in stipulated time

and the District Collectors to be made responsible for this as District Election Authorities.

- Sri Gangadhar Rao, representative of Lok Satta Party has requested to know
  - (i) The mechanism followed in identifying the mistakes in electoral rolls.
  - (ii) Whether there would be sufficient time available between Electoral Roll publication and Election notification to enable rectification of errors in the Rolls.
  - (iii) If more than 10% of the mistakes are found in electoral rolls, what action is taken by SEC against the Concerned Officials involved.
  - (iv) Whether elections will be postponed in those Gram Panchayats, where major irregularities are noticed in preparation of electoral rolls.

  Further suggested that, it is important to conduct elections with perfect electoral rolls instead of timely conducting elections without perfection in electoral rolls.
- Sri M. Srinivas Reddy, representative of Telangana Rashtra Samithi Party has requested to clarify whether the claims for inclusion / deletion are allowed till the election notification is issued by the TSEC. Further suggested that double and dead voters can be prevented from voting by the officials duly identifying such cases. He has also suggested the SEC to conduct one more such meeting before issue of notification for publication of electoral rolls.
- Sri P. Srinivasa Reddy, representative of Telangana Lok Satta Party has stated that as Stake-holders in Election process a copy of present bill introduced for New Panchayat Raj Act shall be communicated to them so that they can study it and propose some suggestions to the Act.

  He further expressed his concern on new bill where the powers of the TSEC, which is an autonomous body under Constitution of India, are curtailed by inserting a Section stating that before issue of every notification for conduct of elections to local bodies by SEC, the SEC has

to obtain the concurrence of the State Government, which is a dangerous Section and advised the SEC to challenge this in Supreme Court of India to save the democracy in the State.

- Sri Bala, representative of Navodayam Party has requested to clarify how the Residency and Nativity of the elector are classified and on what basis the electoral roll is prepared. He also expressed concern on present system followed on transportation of elector from one place to other where the proper procedure is not followed.
- Sri Ch. Varun Kumar Gupta, representative of Telugu Congress Party highlighted the difficulties being faced by people to approach correct District and Mandal level especially after the formation of new Districts and Mandals in the State. He emphasized the need to clearly earmark and publicise the identity and address of each of the EROs of the State.

Replying to the queries raised by the various Political Parties, the Commissioner, TSEC has clarified that:

- The SEC will ensure adequate time between the publication of Gram Panchayat Electoral Rolls and the date of Election notification to enable requisite additions, deletions and changes in Assembly Constituency Electoral Rolls and their consequent incorporation in the Gram Panchayat Electoral Rolls.
- There is no much difference in "Preparation and publication of electoral roll" process between the existing Act and New Act.
- Notification is to be issued by the Government indicating the date of commencement of the New Act.
- The TSEC has developed a new application software under the name Te-poll whereby the voters from Assembly Constituency can be transported to concerned Gram Panchayats efficiently, accurately and very quickly. All precautions will be taken to publish error free electoral-roll.

- The Government have amended the rules for adding the inclusions in the concerned ward of the Gram Panchayat instead of adding them all to the last ward as was in practice earlier.
- SEC will request the District Collectors to hold District level and Mandal level Political Parties meetings in similar manner to pass the message up to the grass root level.
- Since the matter is sub-judice in Supreme Court of India, presently there is no idea to link Aadhar and voters' list.
- Presently there is no provision for separate draft and final publication of the Gram Panchayat wise electoral rolls and the Commission will look in to the matter.
- The notification for publication of Gram Panchayat wise Electoral rolls will be issued only after getting clarity on No. and Names of the Gram Panchayats in the State.
- Regarding the claims filed for inclusion / deletion of names in Assembly Electoral rolls till issue of Election notification by SEC, the same will be persued and the EROs through the District Collectors / District Election Officers will be made responsible for timely disposal of these claims.
- The SEC desires to have error free electoral rolls and the responsibility lies with District Panchayat Officers in case of Gram Panchayat Electoral rolls and Electoral Registration Officer concerned in case of Assembly Constituency Electoral rolls.
- People who are ordinarily resident in a place will be considered for inclusion in the Assembly Constituency Electoral Rolls and hence it is residence which is the criteria for inclusion in Electoral Rolls.
- The District Collector / DEO will authorize the Panchayat Secretary to be the official to prepare the draft Electoral Roll under the supervision of the E.O. (PR&RD), MPDO, DLPO. Ultimately it is the District Panchayat Officer who is responsible for preparation of correct Gram Panchayat Electoral Rolls in the district.

- The Dy. Chief Electoral Officer from C.E.O's Office has explained the procedure involved in filing of claims and their disposal by the concerned Electoral Registration Officers.
- Concluding the meeting the Secretary, TSEC thanked all the participants for their valuable contribution and requested their support for peaceful and timely conduct of 5th Ordinary elections to Gram Panchayats.

CIRCULAR

No.177/TSEC-PR/2018, **Dated:19.04.2018**

Sub:- TSEC – Elections – Elections to Panchayat Raj Bodies – Preparation and publication of electoral rolls of Gram Panchayats, MPTCs of Mandal Praja Parishads and ZPTCs of Zilla Praja Parishads – Procedural instructions issued – Reg.

***

As a first step towards conduct of Ordinary Elections to the Gram Panchayats, 2018 in the State, the State Election Commission will issue notification very shortly for Preparation, Printing and publication of ward wise electoral rolls of Gram Panchayats by adopting latest Assembly Electoral Rolls. The District Election Authority, the DPO and their Subordinate Officers are required to follow the provisions of the Act, Rules and Notification in this regard. However, with a view to guide and facilitate the process, the State Election Commission has decided to issue this circular elaborating the steps and procedures to be followed in the Preparation, Printing and Publication of Gram Panchayat Electoral Rolls.

Gram Panchayat Elections are held by using Photo Electoral Rolls (ERs) especially prepared for the purpose, based on the latest available published Electoral Rolls of Assembly Constituencies (ACs). All the voters pertaining to Gram Panchayats enumerated in the ACERs are culled out and rearranged Gram Panchayat wise by following the provisions of the Panchayat Raj Act, Rules and the Notifications/Orders issued by the State Election Commission. With a view to reduce the burden on the officials and also to increase efficiency, transparency and accuracy, the State Election Commission has developed an application software called Te-Poll, which helps in generation of Gram Panchayat wise Electoral Rolls (GPERs) from the existing Assembly Constituency Electoral Rolls (ACERs). The process was elaborated during the training sessions organized for DPOs and other nominated officers from each District with hands on exposure also. There is also a self explanatory user manual of Te-Poll Software to guide the field officials while preparing the Electoral Rolls online.

1. Statutory provisions for Preparation and Publication of Gram Panchayat Electoral Rolls:

Section 11 (2) of Telangana Panchayat Raj Act, 2018, stipulates that, the electoral roll of a Gram Panchayat shall be prepared and published in the prescribed manner with reference to the qualifying date before each ordinary election and casual election. Section 11 (1) stipulates that the Assembly Electoral Roll published under RP Act, 1950 shall be adopted for preparation of electoral rolls of Gram Panchayats. The electoral roll of a Gram Panchayat shall consist of such part(s) of the latest Assembly Electoral Roll as revised or amended under the said Act, upto the qualifying date, so far as it relates to the village or any portion thereof.

Section 145 (2) and Section 174 (2) of the Act stipulates that, for the purpose of preparation and publication of electoral rolls for elections to the office of Member, Mandal Praja Parishad and Member, Zilla Praja Parishad respectively, the provisions of Section 11 and 12 shall, mutatis mutandis apply, subject to the rules as may be laid down.

2. District Panchayat Officer (DPO) is the Authorized Officer to Prepare, Print & Publish the Gram Panchayat Electoral Rolls:

The District Panchayat Officers are authorized by the State Election Commission to prepare and publish electoral rolls of the Gram Panchayats. The electoral roll of a Gram Panchayat shall be published along with a notice in **Form I** (Annexure- I) on the date notified by the State Election Commission for publication.

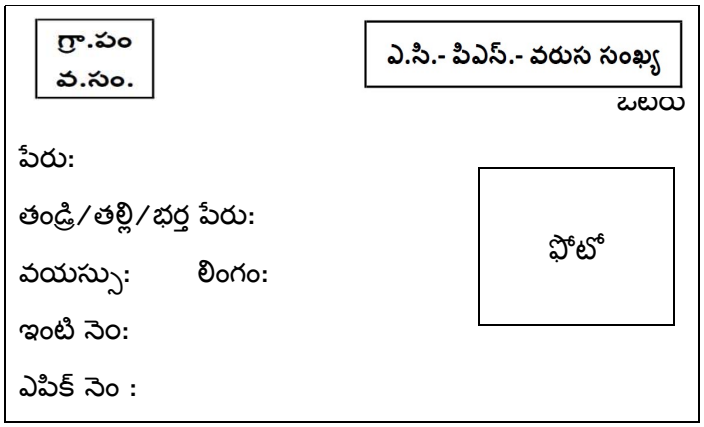
It should be borne in mind that, ward division shall be indicated at the time of publication of electoral roll of the Gram Panchayat. The DPO shall arrange the voters residing in the Ward, as per the territorial jurisdiction of the Ward of the Gram Panchayat and allot equal number of voters as far as possible without dividing voters in a family into two Wards i.e., all the voters of a household shall be added to the Ward where the household falls as per territorial jurisdiction. Keeping in view of the provisions stipulated in sub-section (4) of Section 11 of the Telangana Panchayat Raj Act, 2018, the Electoral Rolls may be rearranged if such rearrangement is found necessary so that each part consists or the voters residing in the concerned Ward only.

3. Format for Preparation of Gram Panchayat Electoral Roll:

The State Election Commission specifies the following format for preparation and publication of electoral rolls of Gram Panchayat, –

(A) The Gram Panchayat Electoral Rolls shall be prepared with photo images by adopting latest Assembly Electoral Rolls published with reference to 1st January of the concerned year as qualifying date.

(B) The Gram Panchayat Electoral Rolls shall be prepared with photo images in the same format as Assembly Electoral Rolls by incorporating the particulars of the voters as shown below –



(C) The title page (ఓటరు జాబితా ముఖ పత్రం) for the Gram Panchayat wise electoral rolls in Annexure – II and the title page for Polling Station wise list of voters in Annexure – III are appended to this circular.

4. Obtaining Copies of the latest Assembly Electoral Rolls:-

The Telangana State Election Commission has developed Te-Poll Software (Web based application) to seamlessly prepare Gram Panchayat wise Electoral Rolls (GPERs) form the Legislative Assembly Constituency Electoral Rolls (ACERs) published by the Election Commission of India. The module "Electoral Rolls Management System" of Te-Poll improves efficiency, accuracy and transparency besides providing additional services such as checking the status of a voter in Gram Panchayat Electoral Rolls list, downloading voter slip, downloading of voter's lists by the candidates, political parties etc.

Before issue of notification for preparation and publication of Electoral Rolls, the Commission will collect latest password free database of the ACERs from Chief Electoral Officer, GAD (Elections) Department. Later the State Election Commission will transfer collected database of the Assembly Photo Electoral Rolls into Telangana State Election Commission database server, enabling their utilization by DPOs for preparation of GPERs. The Commission will also provide one CD containing the latest Assembly Photo Electoral Rolls in PDF format to DPOs for preparation of Gram Panchayat wise hard-copy of draft electoral roll using 'merging statement' (Annexure – IV) involving the Panchayat Secretaries concerned.

5. Utilization of the Module "Electoral Rolls Management System" (ERMS) in Te-Poll application software:- The ERMS Module in Te-Poll facilitates mapping the Assembly Constituency voters to the Gram Panchayats concerned leading to generation and printing of Gram Panchayat Electoral Rolls and Voter Slips in two formats i.e., with and without photos. Only the Electoral Rolls without photos can be published in the official websites of the TSEC /DEA/ Gram Panchayat which is for the benefit of general public/candidates/political parties for verification of their names, downloading of electoral rolls and voter slips etc., For official purpose, including for use as marked copies of Electoral Rolls, the Photo Electoral Rolls need to be used which can be printed by the DPO by using official log in.

The Te-poll software empowers the DPO to ensure that every rural voter found in the Legislative Assembly Constituency to the extent relevant to the district, is streamed in to the GPERs through the 'tally' provision.

6. The MPDO and EO (PR&RD) at Mandal Level: They shall lead the work of Electoral Roll Preparation and Publication at Mandal level. The District Collector & DEA may instruct all the MPDOs to supervise and lead the work of disaggregating the Electoral Rolls of Assembly parts in to Gram Panchayat wise Electoral Rolls and generate GPERs. For this purpose they should have latest configuration of computers with broadband internet connectivity.

7. Preparation of Gram Panchayat Electoral Roll by Panchayat Secretary or any other Functionary appointed by District Election Authority, it's approval by the DPO and Publication:-

The Panchayat Secretary or any other village functionary as appointed by District Collector may be entrusted with the following duties –

(1) He shall rearrange the polling station wise ACERs into GPERs. The process involves rearrangement after integration of main roll and supplements containing inclusions and deletions if any under continuous updation. The Panchayat Secretary has to ensure that, all the names in the latest Assembly Electoral Roll are arranged so as to fall in to their respective Gram Panchayats by following the territorial limits of the Wards. While allotting the voters of a Household into Wards, care shall be taken to ensure that all the members of a household fall in to a single ward.

The so appointed village level official shall first prepare a "merging statement" (Annexure-IV) enclosed to this circular, which will guide the officials to generate the GPERs online using "ERMs" module in Te-poll application software. The software also guides and helps the official to make the Ward Division in the Electoral Roll of the Gram Panchayat.

After preparation, the Panchayat Secretary shall submit the draft GPERs to the DPO through the MPDO /EO (PR&RD) for approval. The DPO shall ensure that all the rural voters of the Legislative Assembly Constituencies in the district are included in their respective Gram Panchayat Electoral Rolls without allowing any mistakes. The 'tally' option in Electoral Rolls Management System module of Te-poll helps in ensuring this.

After verification and confirmation by the District Panchayat Officer, the draft electoral roll may be displayed on the notice boards of concerned Gram Panchayat Office, MPDO's Office and District Panchayat Office calling objections on re-arrangement of rural Assembly voters in to Wards and Gram Panchayat electoral rolls as per the notification issued by the State Election Commission. Meeting with Political Parties representatives by MPDOs at Mandal level and District Election Authorities at District level to be convened to explain them about the display of draft Ward wise and Gram Panchayat wise electoral rolls at above places and suggest them to file / motivate to file the objections if any on re-arrangement of rural Assembly voters in to Wards and Gram Panchayats within the stipulated time. The physical copies of draft rolls displayed need not be supplied to Political Parties at this stage. However, if they insist, they may be supplied as soft copies without photos of voters. Once the period for filing objections is over, the MPDOs concerned may

enquire and dispose all objections received, carry out any modification if any required and submit the final Gram Panchayat Electoral rolls to the DPO for final approval.

The DPO shall once again tally the Rural Assembly Voters strength to Gram Panchayat voters strength before approval. After approval, the DPO shall as per the Notification issued by the State Election Commission, publish the electoral roll along with the notice in Form -I on the notice board of District Panchayat Office, the Mandal Praja Parishad office, on the notice board in the office of the Gram Panchayat and at 3 conspicuous places in the concerned village along with hoisting on the web portal of the Gram Panchayat if available.

TELANGANA STATE ELECTION COMMISSION

CIRCULAR

No.135/TSEC-PR/2018 **Dated: 14 .11.2018**

The Hon'ble High Court at Hyderabad in W.P.Nos. 27036_2018 and batch, Dt.11.10.2018 issued orders directing the State Government and the State election Commission to conduct elections to Gram Panchayats within a period of three months from the date of the Judgement i.e. by 10.01.2019.

2. The two major pre-requisites for holding elections are finalisation of reservations by the State Government and updation of electoral rolls by the State Election Commission. With a view to conduct elections before July 2018, the SEC has already published Gram Panchayat wise and ward wise Electoral Rolls on 17.05.2018 by adopting the Assembly Constituency Electoral Rolls published on 24.03.2018.

3. Considering the three months time limit imposed by the Hon'ble High Court to complete elections and also recognising that the new Assembly Constituency electoral rolls with the qualifying date of 01.01.2019 will not be ready before February, 2019, it is concluded that the only option available is to use the Gram Panchayats Electoral Rolls published on 17.05.2018 by updating the same with respect to the supplements published by the ECI after post 24.03.2018.

4. The Gram Panchayat Electoral Rolls of 17.05.2018 have been prepared based on the correlation statements between the ACER parts and the Gram Panchayats as prepared by the DPO and MPDOs. There after merging statements were prepared by the concerned Gram Panchayat Secretaries under the supervision of the EO (PR & RD) and the MPDOs.

5. However there is an increase of about 1200 Assembly Constituency Polling Stations in the State of Telangana because of the revision undertaken by the Election Commission of India during September 2018. Though the absolute number of polling stations affected is less but the part No. of many of the AC polling stations would have

changed because of the revision as on 1.09.2018. This would have in turn altered the correlation statements, merging statements based on which the GPERs of 17.05.2018 are prepared.

6. The ACER supplements with reference to the new AC polling stations created after 1.09.2018, can be integrated with relevant GPERs only if revised correlation statements are prepared linking the new ACER parts and the Gram Panchayats. For this purpose, first the new Assembly Constituency Polling Stations in the mother rolls published on 12.10.2018 shall be correlated with the old Assembly Constituency Polling Stations as published on 24.03.2018 with this it becomes easy to relate the ACER supplements with the concerned GPERs.

7. Because of continuous updation of Electoral Rolls by the ECI, some changes took place in the ACERs between 24.03.2018 and 12.10.2018 in the ACERs. However the changes (Additions, deletions and modifications) carried out till 01.09.2018 are not readily available in the form of separate supplements as they have been directly integrated with the mother rolls by online method and published on 12.10.2018. Hence as a first step, these changes will have to be identified manually and the Supplements-1 to the ACERs of 2018 has to be prepared.

In order to update the GPERs, the following guidelines shall be followed by the officials at the district level:

i. A revised correlation between the new ACER parts and the Gram Panchayats have to be prepared in the following proforma.

S.No	Name of the Gram Panchayat	Assembly polling station No. / Nos. as per 24.3.2018 ACER	Assembly polling station No. / Nos. as per 12.10.2018 ACER	Remarks

ii. The Mandal wise polling stations details can be downloaded from CEO's official website: ceotelangana.nic.in.

iii. The ACER mother rolls of 12.10.2018 should be compared manually with the ACERs of 24.03.2018 to identify and prepare a list of additions,

deletions and modifications i.e., supplement-1. For this purpose the details of each and every voter in the concerned mother roll of 12.10.2018 shall be compared with relevant entry in the ACER of 24.3.2018 in order to determine the additions, deletions and modifications.

iv. There is a possibility that the same voter or name may be repeated in the electoral rolls. During comparison, care should be taken to match with the same voter in the both the rolls.

v. Keep tick mark (√) in both the electoral rolls i.e, Assembly Electoral Rolls published on 24.3.2018 and mother Assembly Rolls published on 12.10.2018 for only the tallied voters, so that we can identify extra voters who are included in the latest ACER (12.10.2018) and voters who are deleted from the old ACER (24.3.2018). These voters are considered as Supplements-1 of the ACERs of 2018.

vi. The voters without tick mark (√) in old ACER, i.e., the voters existing in the 24.3.2018 ACER and not existing in 12.10.2018 ACER are treated as **DELETED VOTERs**.

vii. The voters without tick mark (√) in new ACER, i.e., the voters not existing in 24.3.2018 ACER and found in 12.10.2018 ACER mother roll are to be treated as **newly enrolled voters (Additions)**.

viii. Before finalization, cross check the total voters in the "Mother Roll" in the ACER published on 12.10.2018 with total voters published on 24.3.2018. The difference between them shall be equal to the sum of the additions (+) and deletions (-) as worked out at (vi) and (vii) above. This will ensure that no voter is deleted or inserted multiple times in the latest GPER.

ix. If there is any discrepancy in tallying the voters, re-check the process once again in both the ACERs.

x. While comparing the 24.3.2018 ACER with 12.10.2018 ACER mother roll, if any modifications are noticed in name, sex, age, house no. etc., they

have to be marked as "M" and they will be the modifications in the supplement-1.

Examples :

CASE-I :

Total voters of as per ACER published on 24.3.2018 are : 544

No. of voters as per ACER published on 12.10.2018 (mother roll) are : 555

If no voter is left without tick mark in ACER of 24.03.2018 after comparison, it means that there are no deleted voters from the 24.3.2018 ACER. Hence net new voters enrolled in the new ACER published on 12.10.2018 are 555-544 = 11. There shall be 11 voters without tick mark (√) in 12.10.2018 ACER mother roll, who are newly enrolled voters merged in.

CASE-II :

Total voters of as per ACER published on 24.3.2018 are : 544

No. of voters as per ACER published on 12.10.2018 (mother roll) are : 555

If there are 5 voters left without tick mark in 24.03.2018 ACER after comparison, it means that there are 5 voters deleted from the old ACER published on 24.3.2018. Hence net new voters enrolled in the new ACER published on 12.10.2018 (mother roll) to be 555 – (544-5) = 16. Therefore, 16 voters without tick mark (√) (newly enrolled) shall be present in new ACER (mother roll) published on 12.10.2018.

CASE-III :

Total voters of as per ACER published on 24.3.2018 are : 1094

No. of voters as per ACER published on 12.10.2018 (mother roll) are : 1094

If there are 3 voters left without tick mark in ACER of 24.03.2018 after comparison, it means that there are 3 voters deleted from the old ACER. Hence net new voters enrolled in the new ACER published on 12.10.2018 are to be 1094 – (1094-3) =

3. Therefore, 3 voters without tick mark (√) shall be present in new ACER mother roll published on 12.10.2018.

8. The supplements of ACERs published on 12.10.2018 by the ECI are to be considered as Supplements-2 of the ACERs of 2018. Since the ECI scheduled to bring out another set of supplements on the last date of nominations of Assembly Polls i.e. on 19.11.2018, those supplements will have to be considered as supplements-3 for ACERs,2018.

9. For ease and convenience, the relevant ACER supplements 1 to 3 can be compiled in to a combined list (GPER Supplement I) for each of the Gram Panchayat Electoral Rolls published on 17.05.2018.

10. All the changes in the ACERs post 19.11.2018 till date of Gram Panchayat Election Notification will have to be considered as GPER Supplement-II.

The above guidelines shall be followed for updation of Gram Panchayat Electoral Rolls by adopting mother Assembly Electoral Rolls published on 12.10.2018.

Sub: TSEC – Elections – Elections to the Gram Panchayats – Appointment of Returning Officers and Polling Personnel – Instructions – Issued – Reg.
Ref: TSEC Notification No.169/TSEC-PR/2018, Dated:21.05.2018.
(Administrative Machinery)

***

All the Collectors & District Election Authorities are reminded that, while conducting Elections to Gram Panchayats, the selection and appointment of Returning Officers and Polling Personnel is one of the important items of work.

In continuation of the orders issued in the reference cited above, the following further instructions are issued for selection and appointment of Returning Officers and Polling Personnel for forthcoming Ordinary Elections to Gram Panchayats.

1. Appointment of Returning Officers:

For every election to fill the seats of Members and Sarpanch of Gram Panchayat, the District Election Authority shall appoint a Returning Officer who shall be an officer of the State Government or a local authority. An officer can be appointed as a Returning Officer for more than one Gram Panchayat also depending on necessity.

The District Election Authority may appoint, one or more persons, as Assistant Returning Officers to assist any Returning Officer. Provided that, every such person shall be an Officer of the State Government or of a Local Authority.

Every Assistant Returning Officer shall, subject to the control of the Returning Officer, be competent to perform all or any of the functions of the Returning Officer, provided that no Assistant Returning Officer shall perform any functions of the Returning Officer, which relate to the scrutiny of nominations, unless the Returning Officer is unavoidably prevented from performing the said function.

As there are large number of Gram Panchayats in every District and suitable officers may not be available in adequate number for appointment of exclusive Returning Officer for each Gram Panchayat. For operational convenience it is permitted to divide the election process into two stages and appoint one Returning Officer for a group of Gram Panchayats for Stage-I, but for Stage-II, an exclusive Returning Officer will have to be appointed for each Gram Panchayat.

The election process starting from the stage of publication of election notice and ending with the publication of list of contesting candidates for Members and Sarpanch of Gram Panchayat, allotment of symbols to them and issue of Postal Ballots to the Service Voters is included in Stage-I. The election process

comprising of all subsequent items of work such as, dispatch of Postal Ballots to the voters who are engaged in the Election Duty, inspection of Polling Stations, finalization of Polling Arrangements, Distribution of Ballot Papers & Polling Materials, Polling, Counting of Votes, Declaration of Results, issue of Election Certificate, Conduct of Special Meeting for Election of Upa-Sarpanch etc., are included in Stage-II.

The District Election Authority or Officer authorized by him, may appoint Returning Officers as indicated below:

(1) For a group of 2 to 4 contiguous Gram Panchayats (having less than 5,000 population each), one Returning Officer may be appointed to perform election duties comprising in Stage-I and a separate Returning Officer for each Gram Panchayat may be appointed for Stage-II. As far as possible, Gazetted Officers shall be appointed as Returning Officers Stage-I & Stage-II.

(2) In respect of single major Gram Panchayat having a population of more than 5,000, an exclusive Returning Officer, preferably a Gazetted Officer, and an Assistant Returning Officer may be appointed to perform the functions comprising in both the Stages (i.e. Stage-I & Stage-II).

Besides Returning Officers, the District Election Authority has the discretion to appoint one Assistant Returning Officer for any Gram Panchayat, depending upon the necessity.

It is suggested that for Stage-I election process, when the Returning Officer is appointed for a group of Panchayats, he should be given the assistance of one or two Assistant Returning Officers, depending on the necessity. Such Stage-I Assistant Returning Officer will be appointed as Stage – II Returning Officer for a Gram Panchayat where he is acquainted with the election Process from the beginning. The appointment orders for Returning Officers and Assistant Returning Officers be issued in format given at Annexure-I. In case of Stage – II also, as far as possible one Assistant Returning Officer may be appointed to each Returning Officer depending upon the availability. If sufficient personnel are not available, one of the Presiding Officers in that Gram Panchayat will be designated as Stage – II Assistant Returning Officer to assist the Stage – II Returning Officer.

The Collector & District Election Authority may either himself issue the orders for appointment of the Returning Officers and Assistant Returning Officers or he may authorize the concerned, who are also the Deputy District Election Authorities to do this work. Orders may be issued to ROs & AROs in Annexure – I appended.

2. TRAINING OF RETURNING OFFICERS:

The Returning Officers have to perform very vital functions during the Gram Panchayat Elections and the entire election process of the Gram Panchayat will be completed under their supervision and control. It is, therefore, necessary to impart adequate training to the Returning Officers and Assistant Returning Officers. The State Election Commission will be supplying booklets containing "Hand Book for Returning Officers". Besides these instructions, they should be thoroughly acquainted with the various provisions of the Telangana Panchayat Raj Act and Rules relating to the Conduct of Elections to the Gram Panchayats. The Assistant Returning Officers may also be trained along with Returning Officers.

3. APPOINTMENT OF POLLING PERSONNEL:

The appointment of Polling Personnel may be issued by the District Election Authority himself or he may authorize the Deputy District Election Authority i.e. Revenue Divisional Officers / Sub-Collectors or any other suitable officer to issue these appointment orders.

A. Obtaining Lists of Polling Personnel:

(a) The District Election Authority shall workout the requirement of polling personnel by adding 20 percent in excess of their requirement so as to keep certain personnel in reserve and also to meet any contingency.

(b) As more number of polling personnel will be required for the conduct of elections, all the gazetted and non-gazetted Government servants shall be drafted as election personnel. The District election Authority should in no case exempt any individual, except under extraordinary circumstances when the employee substantiates his plea for exemption with documentary evidence.

(c) All the District Election Authorities or officers authorized by them should take necessary action to obtain Mandal-wise database of all eligible polling personnel and shall maintain it in electronic format, which can facilitate computerized randomization. All relevant particulars like Name, Gender, contact no (Mobile). Designation, office and department/ institution, Place of residence, work place, Native Mandal shall be entered in the Database. Please refer to the Polling Personnel Randomization module in Te-Poll Login Menu of the TSEC web portal.

(d) The database shall contain, distinctly and separately, the State Govt. employees including employees working on honorarium and Public Sector Undertakings, Statutory Corporations, Aided School Employees etc., who can be employed as polling personnel.

(e) Similarly the database shall distinctly and separately contain all Central Govt. employees including PSU, Bank, etc.

(f) (i) While drafting Presiding Officers/Polling Officers, the availability of female Polling Personnel should be examined for appointing one

Presiding/ Polling Officer in each Polling Station who may attend to the duty of identification of woman electors.

(ii) Presiding Officers and Polling Officers shall be classified on the basis of scale of pay attached to their post and rank. As far as practicable, Gazetted Officers shall be deployed as Presiding Officers. If sufficient Gazetted officers are not available, the officials who are working in supervisory capacity and school Assistants should be deployed as Presiding Officers. The Presiding Officer should be of higher scale/grade in comparison to other polling officers of that formation.

(g) Necessary arrangements shall be made at polling stations for stay, to meet the nature calls as well as for bath and dressing for Women employees drafted for poll duty at the place of duty.

B. Exempted Categories:

The Commission has exempted certain officers from being drafted for election duty in view of essential nature of dities/service discharged by them.

(a) The officers and staff of following departments will not be requisitioned for deployment of election duty –

(i) Doctors and Compounders working in veterinary hospitals.
(ii) Doctors, Nurses, ANMs working in Health Dept.
(iii) Staff of All India Radio.
(iv) Staff of Doordarshan

(d) All such women, who are in advanced stage of pregnancy, whether on maternity leave or not, or who are otherwise on medical advice not fit for any rigorous, hazardous work, shall be exempted from election duty. The same will apply to women who are breastfeeding a newly born child.

C. Presiding Officers, Assistant Presiding Officers & Polling Officers:

In Gram Panchayat Elections, generally a Ward is a Polling Station. If the voters in a Ward exceeds 650 (with marginal adjust of 50 voters), two Polling Stations will be set up in that Ward and the voters will be divided equally between the two polling stations without dividing voters of a family. Similarly, if the voters exceeds 1300 (with marginal adjust of 50 voters) in a Ward, an additional polling station may be set up for every 650 voters without dividing voters in a family.

A polling party going to a Polling Station will consist of one Presiding Officer and one, two or three Polling Officers, depending on the number of voters in a Polling Station. The following scale may be adopted for the appointment of polling personnel for various Polling Stations –

S.No	No. of Voters in Polling Station	No. of Polling Personnel to be appointed
1	Upto 200 Voters	One Presiding Officer + One Polling Officer
2	201 to 400 Voters	One Presiding Officer + Two Polling Officers
3	From 401 to upto 650 Voters	One Presiding Officer + Three Polling Officers

One of the Polling Officer(s) will also be designated as Assistant Presiding Officer.

While appointing the Presiding Officers and Polling Officers, particularly from the employees of Local Bodies, care should be taken to ensure that they do not have any political affiliations towards any party or candidate.

It may be kept in view that the polling of the Gram Panchayats in the District may be conducted in two or more phases, in such a manner that, all the Gram Panchayats in a Mandal will go to the polls as a whole on the same day.

A reserve of polling personnel to an extent of 10% under each category should be kept at the Mandal headquarters.

4. PROPER MIXING OF POLLING PERSONNEL DRAWN FROM DIFFERENT OFFICES:

In orders to avoid any allegation of collusion among the polling personnel in favour of any candidate or political party and to instill confidence in the minds of political parties and candidates about free and fair elections, it should be ensured that proper mixing of polling personnel drawn from different offices and departments is done at the time of formation of a poling party. The criteria to be followed while constituting polling parties in enunciated below –

(a) Presiding Officers and Polling Officers are classified on the basis of scale of pay, their post and rank. Presiding Officers should be of higher scale/grade in comparison to all polling officers in that Polling Station.
(b) No person should be assigned polling duties in his/her native Mandal and working Mandal.
(c) Any two members of the polling party should not be from the same office.
(d) Subject to availability of sufficient female personnel, atleast one Female Polling Officer must be posted in a polling station.
(e) Selection of Polling Officers of every party shall be done on random basis.

The software developed by the Telangana State Election Commission – Te-Poll, should be utilized for the above purpose of formation of polling parties by proper mix of polling personnel drawn from different departments and offices.

5. RANDOMIZATION OF POLLING PERSONNEL:

a. Software prepared and developed by Telangana State Election Commission should be used to undertake randomization of the polling personnel.
b. From out of the total database of eligible personnel, a list of 120% of required number of polling personnel should be generated (including reserve) randomly by using above software. This is the **first** stage of randomization process. Presence of observers is not required at this stage. This is only to identify and select the officials that would be given training for polling duties as Presiding and Asst. Presiding Officers in whichever Mandal they may be (source Mandals). All the polling personnel will know at this stage is whether he/ she is a Presiding Officer or a Asst. Presiding Officer or Polling Officer and the venue date and time of 1st training class in case of Presiding Officers/Asst. Presiding Officers.

   Thereafter, orders of appointment and intimation of training be prepared in the form given in Annexure – II appended and communicated to the persons after due authentication. Orders of appointment of polling personnel kept in reserve should also be communicated to them. All the Presiding Officers and Assistant Presiding Officers, included in the reserve should also attend the training classes. Blank Forms of orders of appointment should be got printed in advance. The orders of appointment should also contain the details of training classes and should be served well in advance of the training dates.

   First training class to POs and APOs can be conducted at first stage by sponsoring ROs and AROs. This occasion should be used for obtaining requisitions for Postal Ballots in form – XIV.
c. The **second** stage of randomization should be done in the presence of General Observers deployed in the District by State Election Commission. At this stage, actual polling parties should be formed on random basis using the randomization software. Each polling party shall be assigned with a code number. At this stage though the actual polling station will not be known, however, details of Mandal allotted and team composition may be known. The second randomization should not take place earlier than 7 days before the day of poll. At this stage a code number has to be assigned to each poll party. Orders may be served to the personnel in Annexure – III by the receiving Asst. District Election Authority/MPDO concerned duly indicating the date and time of Poll, 2nd training class venue and timings (in case of POs/APOs), details of the Distribution centre etc well in advance.
d. The second training class to POs and APOs can be conducted at this stage by receiving Assistant District Election Authorities(MPDOs)/ROs & AROs.

e. **Third** stage of randomization exercise shall take place one day prior to actual dispersal of polling parties. This stage of randomization for final allocation of polling station to each polling party should also be done under the supervision of General Observers. This will be done basing on the code number allotted to each poll party duly assigning a polling station to that code. The actual polling stations allotted to the individual polling personnel is to be disclosed just before the polling party at the Distribution centre, receives the poll material at Distribution centre. Orders to be served to Polling Parties in Annexure – IV at the Distribution Centre indicating the name of the Gram Panchayat, Ward No, Polling Station Number etc.

f. The General Observers should make a special reference to the randomization exercise observed by them while submitting the report to State Election Commission.

6. TRAINING TO POLLING PERSONNEL:

The District Election Authorities are informed that, it is of utmost importance that all persons selected for polling duty as Presiding Officers and Asst. Presiding Officers including those on the reserve lists Zonal Officers and Returning Officers should be adequately trained in the duties entrusted to them. Every such person should attend at least two training classes, one out of them will be practical training. At each training class, as far as possible, there should not be more than 50 or 60 personnel. The attendance at each class should be checked and recorded before the class starts, so that necessary disciplinary action or prosecution as the case may be is initiated readily.

The District Collectors shall arrange for imparting two training classes for Polling Personnel for conducting polls with Ballot Boxes / EVMs as the case may be. The Commissioner, PR & RE and Election Authority will arrange for supply of Hand Books for Presiding Officers. The pattern of election is comparable to simultaneous elections to the House of People and State Legislative Assembly where either Ballot Boxes or EVMs are used.

The training classes should be conducted by the Asst. District Election Authorities concerned under the supervision of Deputy District Election Authorities concerned. Before that the Returning Officers and Assistant Returning Officers of Stage – II shall be trained by the persons authorized by the District Elation Authority. No officer who has been appointed as Returning Officer would be entrusted with polling duties.

7. ZONAL OFFICERS:

Zonal Officers may be appointed at the rate of two per Mandal. The Zonal Officers should be invited for training rehearsals. They must be provided with vehicles to ensure effective Co-ordination and Monitoring. A Zonal Officer should be able to visit each polling area in his jurisdiction at least two times on the day of poll.

8. COUNTING PERSONNEL:

In Gram Panchayat elections, the counting of votes will be taken up on the same day, in the afternoon by the Returning Officer concerned. The same polling personnel will assist the Returning Officer for counting of votes as counting supervisor and counting assistants.

Hence, proper trainings have to be imparted to polling personnel in counting of votes also by the concerned Deputy/Asst. Dist. Election Authorities specially emphasizing on disposal of doubtful votes polled.

Sub:- TSEC – Elections – Elections to Gram Panchayats – Setting up of Polling Stations for Election to Sarpanch & Ward Member of Gram Panchayats – Guidelines – Issued.

***

The Collector and District Election Authority is responsible for providing sufficient number of Polling Stations and publication of the list of Polling Stations for the conduct of elections to Gram Panchayats.

The preliminary arrangements for the setting up of Polling Stations should be initiated forthwith. The Mandal Parishad Development Officer concerned should be entrusted with the work of identification of Polling Stations, preparation of list of Polling Stations, publication of draft and final lists of polling stations. The District Collectors should obtain the lists from the concerned Mandal Parishad Development Officers, scrutinize, consult recognized political parties and approve them before their final publication. The Mandal Parishad Development Officer concerned should be instructed to physically check the buildings proposed for Polling Stations in all the Gram Panchayats in their respective Mandals.

The following detailed instructions are, hereby issued for setting up of Polling Stations for ordinary elections to Gram Panchayats.

1. DETERMINATION OF NUMBER OF POLLING STATIONS:

(1) Each ward in a Gram Panchayat should be provided with atleast one polling station. However, more than one polling station can be set up in a ward based on following guidelines -

a. Polling Station should be set up within the polling area.

b. Ordinarily separate polling station should be set up for about 600 voters.

c. If the number of voters in a ward exceeds 600 only marginally say upto 50, second polling station is not required. But if it exceeds 650, set up 2 polling stations in that ward and allot approximately equal number of voters to each. Care

should be taken to avoid division of voters within one household between different Wards.

d. If the number of voters is more than 1300 in a ward, set up three polling stations and distribute the voters equally among all the polling stations without dividing voters in a household so on and so forth.

The polling station number will be same as ward number. If there is more than one polling station in a ward, suffix the polling station number with 1, 2 and so on.

2. LOCATION OF POLLING STATIONS:

The demarcation of polling area should be clearly defined. The number of the Ward covered by the polling area and the number of voters in it should be shown in the respective columns against each polling station. The map of a Gram Panchayat showing polling stations should be prepared and converted into digital form, if possible. By a clear description of the polling area, such as H. No: 1-1 to 1-128, Kummari veedhi; H. No; 4-12 to 4-128 Main Road: H. No: 6-12 to 6-212 Harijana Wada; etc should be feasible for an ordinary voter to know as to which polling station he should go for recording his vote. In order to ensure that a uniform method is followed in the matter of filling up the columns of the format in Annexure II should keep in mind the following instructions –

a. All polling stations relating to a Gram Panchayat (having no hamlets) should, as far as possible, be located in one building provided if there is sufficient accommodation. The construction of temporary structure, should be avoided, as far as possible.

b. In respect of gram panchayat having hamlets, the Polling Stations relating to the ward covering the hamlets of the main village should be located in the hamlet. The polling stations relating to the remaining wards shall be located in one public building in the main village. As far as possible, each polling station should be located in a separate room in the same building. If sufficient rooms are not available in the building more than one polling station can be accommodated in one hall by making partitions.

c. In major Gram Panchayats where more number of Government buildings are available, some of polling stations relating to its surrounding Wards may be located in that building.

d. The actual site of each Polling Station should be chosen carefully in advance and arrangements have to be made in order to make the polling station satisfy the requirements of practical convenience. Provision of all requirements should be completed at least one day before the day of Poll.

e. To the extent practicable, Polling Stations should be located at the same place where it was located in the last ordinary elections to Gram Panchayats, so that the voters could go and cast their votes at the place already familiar to them.

f. Polling Stations should be set up in such a manner that ordinarily no voter is required to travel more than one kilometer for casting his/her vote. However, in scarcely populated hilly or forest areas, this norm may have to be relaxed. In order to avoid voters having to walk unduly long distances, polling stations, in such cases, may have to be set up for a smaller number of voters.

g. As far as possible, polling stations should be located in schools (Government or aided) and other Government or semi-Government institutions, such as, Gram Panchayat Offices and Community Halls constructed from Government funds, as the furniture and equipment required would be available there and could be made use of without any extra cost. The location of polling stations in private buildings or premises should be avoided. But where this becomes unavoidable, the buildings should be properly required with the written consent of the owner. The private building so obtained should be at the disposal of the Returning Officer for the period required for the poll. No watch and ward or other personnel connected with the owner, whether armed or unarmed, should be allowed to remain either at the polling station or within a radius of hundred meters around it. The security arrangement at the polling station and within the above area will be the responsibility of the State Police under the control of the Presiding Officer. It should be ensured that the owner of the private building, in which polling station is located, is not a contesting candidate or a known sympathizer or worker of any of the candidates at the election.

h. No polling station should be located in Police Stations, Hospitals and places having religious significance.

i. In case no suitable buildings of the Government or private are available, the polling station can be located in temporary structures but, as far as possible, this should be avoided on security measures as well as it involves considerable expenditure.

j. As far as possible, Polling Stations should be at ground floor of the Polling Station building for the convenience of old aged and disabled electors. Further, ramps may be provided in the buildings where polling stations are set up so as to facilitate to such electors. This instruction has been issued in the wake of the direction given by the Hon'ble Supreme Court in its interim orders dated 19th April 2004 in SLP Disability Rights Group Vs. Chief Election Commissioner and others.

k. If the polling station is for both men and women, there should be separate queues for men and women. For every man entering the polling station, two women should be allowed. The old, infirm, pregnant women and differently abled persons should be allowed to enter the polling station without having to stand in the queue.

l. The Polling Stations must be identified with numbers painted prominently at the outside of each Polling Station.

m. Proper barricading to be taken up separating the Polling Stations and also to separate the entry/exit.

n. Proper partition shall be made where same room is being used for two or more Polling Stations.

The draft list of polling stations should be drawn up in the Form given in **Annexure-I**. The demarcation of polling area or part of the electoral roll should be clearly indicated.

The serial number of polling station should be used in conjunction with the serial number of Ward within which it is situated. If there are more than one polling stations in a Ward, it should be numbered suffixing "1, 2" etc. For example, if there are two polling stations in ward number 6, the serial numbers of polling stations will be 6/1 and 6/2.

To
The Commissioner of Panchayat Raj and Rural Employment & Election Authority,

Madam,

***

I invite your kind attention to the references cited.

I wish to state that, as per instructions of the State Election Commission, the Commissioner of Panchayat Raj and Rural Employment and Election Authority, procured and supplied white and pink wove paper to the districts through the Commissioner of Printing, Stationery and Stores Purchase, for printing of sarpanch and ward member ballot paper in the local presses for conduct of Gram Panchayat Elections in June, 2018. As per instructions issued in the reference 2nd cited, the printing of various denomination ballot paper based on Rural voters strength and average number of contesting candidates in the last ordinary election with 20% reserve has been completed.

Due to interim orders of the Hon'ble High court, the election process was stalled and could not conduct elections in June, 2018.

Now, the Hon'ble High Court directed the State Election Commission to complete the entire Gram Panchayat Election process within 3 months.

In compliance of Hon'ble High court orders, the commission initiated action to hold GP Elections as directed by the Hon'ble High Court and also conducted video conferences with District Panchayat Officers and Collectors & the District Election Authorities to review the various election related items and preparedness.

During the video conference, the District Panchayat Officers and Collectors & the District Election Authorities bought it to the notice of the Commission that, due to increase in Rural voter's strength, they require to print additional ballot paper and requested to supply paper for printing of additional ballot paper.

Besides that, a contingency may also arise for printing of a particular denomination paper where number of contesting candidates is more for which some paper is to be kept in reserve to meet such contingency.

I, therefore, request you to review the situation with reference to increase of Rural voter's strength and obtain additional requirement of paper if any in addition to the blank paper already available in the districts from District Panchayat Officers and place an indent including contingency requirement to Commissioner of Printing, Stationery and Stores Purchase, for supply of white and pink wove paper immediately to the districts so as to enable the District Panchayat Officers to get printed additional ballot paper.

Petition under Section 151 CPC praying that in the circumstances stated in the affidavit filed in support of the petition, the High Court may be pleased to suspend the impugned Abstract dt.26.12.2018 prepared by 3rd Respondent and the consequential Abstract dt.29.12.2018 prepared by Respondents 4 and 5 to the extent of 25 gram panchayats in Mangapet Mandal, Jayashanker Bhupalapally District pending disposal of the above WP No.48153 of 2018, on the file of the High Court.

The court while directing issue of notice to the Respondents herein to show cause as to why this application should not be complied with, made the following order.(The receipt of this order will be deemed to be the receipt of notice in the case).

ORDER

Perusal of the record reflects that by order dated 08.05.2014 passed in W.A.No.744 of 2014, a Division Bench of the High Court of Judicature of Andhra Pradesh at Hyderabad, directed the erstwhile State of Andhra Pradesh and its authorities not to issue any notification to hold elections to the local bodies of Mangapeta Mandal of Warangal District, by treating the same as a Scheduled Area, up to 09.06.2014. This order was extended on 04.06.2014 when another Division Bench directed that the interim order passed earlier would continue.

Perusal of the 'Reservation of Sarpanches of Gram Panchayats – 2018' issued by the District Election Authority & Collector (Panchayat Wing), Jayashankar Bhupalpally District, demonstrates that all the 24 Gram Panchayats in Mangapet Mandal are shown as reserved on the ground that they are in a Scheduled Area, in clear violation of the aforestated order.

Though the learned Additional Advocate General, State of Telangana, would contend that the order passed in W.A.No.744 of 2014 should be treated as one limited to the elections scheduled to be held at that point of time, the said contention does not hold water.

Perusal of the record reflects that W.P.No.15688 of 2011 was filed in relation to the ensuing local body elections but the said writ petition was dismissed only in April, 2014. W.A.No.744 of 2014 came to be filed against the said order in May, 2014 and the appellants therein filed W.A.M.P.No.1589 of 2014 for interim relief. Para 10 of the affidavit filed in support of the said W.A.M.P. reflects that they sought a direction to the authorities not to reserve the offices of President, Mandal Praja Parishad and Sarpanches and Members of Gram Panchayats of Mangapeta Mandal, Warangal District, in favour of ST category. It was on the strength of this affidavit and WAMP that the Division Bench passed the initial interim order dated 08.05.2014, referred to *supra*.

Though the learned Additional Advocate General would state that elections to the posts of Mandal Praja Parishad were scheduled to be held in the year 2014 and that the interim order should be understood as being limited thereto, it may be noted that the prayer of the appellants was not limited to Mandal Praja Parishads alone but extended to the posts of Sarpanches and Members of Gram Panchayats in Mangapeta Mandal also. That apart, the interim order dated 08.05.2014 was categorical in putting in place an embargo to issuance of any notification for holding elections to local bodies of Mangapeta Mandal by treating it as a Scheduled Area.

Therefore, the said interim order which continues to operate even as on date is a clear bar to the treatment of Mangapeta Mandal as a Scheduled Area for the purpose of elections to local bodies. Overlooking this order, it appears that the State of Telangana proceeded on the assumption that it can treat Mangapeta Mandal as a Scheduled Area.

It is no doubt true that in **N.P.PONNUSWAMI V/s. THE RETURNING OFFICER, NAMAKKAL CONSTITUENCY, NAMAKKAL, SALEM DISTRICT** [AIR 1952 SC 64], the Supreme Court held to the effect that a writ petition would not lie in relation to electoral matters after initiation of the election process by issuance of an election notification but in **MANDA JAGANNATH V/s. K.S.RATHNAM** [(2004) 7 SCC 492], the Supreme Court justified interference under Article 226 of the Constitution in exceptional cases when such interference would facilitate the flow and not stop the stream of the election process. In the case on hand, allowing the elections in Mangapeta Mandal to go on by treating it as a Scheduled Area would not only violate the binding Division Bench order which is operative as on date but would also complicate the election process by permitting wholly unsustainable and futile elections to crystallize.

In such circumstances, as the State is now acting in violation of the binding order passed by a Division Bench in W.A.No.744 of 2014, there shall be stay of the ensuing elections

scheduled to be held on 30.01.2019 to the Gram Panchayats in Mangapeta Mandal treating it as a Scheduled Area.

NOTIFICATION

No.363/TSEC-PR/2019-4 **Date:21.01.2019**

Whereas, in reference No. 363/TSEC-PR/2018, dated 01.01.2019 the State Election Commission issued Notification for conduct of Ordinary Elections to Gram Panchayats in three phases in the State.

And whereas, the Munjalakunta Thanda Gram Panchayat of Parvatagiri Mandal in Warangal (Rural) District is notified for election in Phase-I.

And whereas, as per the election schedule notified in the Annexure-I appended to the Notification No. 363/TSEC-PR/2018, dated 01.01.2019, the date of poll of Gram Panchayats notified in Phase-I of Election is from 7.00 A.M to 1.00 P.M on 21.01.2019.

And whereas, in Rc.No. A2/159/2018/Tendered Vote, dated 21.01.2019, the Collector and District Election Authority, Warangal (Rural) District reported that, in the polling station of Ward No.2 of Munjalakunta Thanda Gram Panchayat of Parvatagiri Mandal, at around 9.30 A.M one person claiming to be Banothu Badru, S/o Parvathalu to be a voter registered at Sl.No. 55 came to exercise his vote. On verification of marked copy of electoral rolls by the polling officer, it was revealed that, the vote was already cast. On enquiry it was found that, the person who came later to cast vote is Sri Banothu Badru S/o Parvathalu with EPIC Card No. AP392670486237 is a genuine voter and hence the Presiding Officer issued a tendered vote to him and he cast tendered vote. 2. The polling agents did not object to the impersonation indicates either collusion among them or appointment of ineligible persons as polling agents.

Now, therefore, in exercise of the powers conferred under article 243 K of the Constitution of India and Sections 230 (1)(c) and 230(2)(a) of Telangana Panchayat Raj Act, 2018, the State Election Commission, hereby, declares the poll conducted for the office of Ward member of Ward No.2 and also Sarpanch in that ward of Munjalakunta Thanda Gram Panchayat of Parvatagiri Mandal in Warangal (Rural) District on 21.01.2019 as void and directs that a fresh poll shall be conducted for the office of Ward member of ward No. 2 and Sarpanch in that ward of said Gram Panchayat on 25.01.2019 from 7.00 A.M to 1.00 P.M duly following the procedure prescribed under Telangana Panchayat Raj (Conduct of Elections) Rules, 2018.

The counting of votes of all offices of Munjalakunta Thanda Gram Panchayat shall be taken up only after completion of poll process of ward No. 2 and Sarpanch of that ward.

The election to the office of Upa-Sarpanch of the said Gram Panchayat shall be conducted only after declaration of results of all offices.

The date of poll of Ward No. 2 for the posts of Ward member and Sarpanch of the said Gram Panchayat shall be informed to all the contesting candidates of that ward and Sarpanch of the said Gram Panchayat in writing and also to voters of that ward by tom–tom in that ward.

In this election, indelible mark shall be applied on the ring (fourth) finger of left hand.

The Returning Officer concerned shall keep the sealed polled ballot boxes of other wards of the said Gram Panchayat in strong room under safe custody till the completion of poll process of Ward No. 2 and Sarpanch of the said Gram Panchayat.

NOTIFICATION

No.275/TSEC-PR/2019 **Dated:29 .01.2019**

Whereas, in the reference No.363/TSEC-PR/2018, dated 01.01.2019, the State Election Commission issued notification for conduct of ordinary elections to Gram Panchayats in three phases in the State and also notified election programme in connection therewith.

And whereas, it has come to the notice of State Election Commission that, in certain Gram Panchayats, vested interests in the guise of village committees/caste associations are thwarting the election process by employing money power/ undue influence and manufacturing "unanimous elections" through auction of posts. This is considered as denial of electoral rights of both the voters and potential contestants and discriminating the financially weak and fostering the tyranny of a few over the majority.

The State Election Commission issued Notification No. 103/TSEC-PR/2019, dated 08.01.2019 with a view to counter this illegal practice of auctioning of posts of Sarpanch and Ward Member of Gram Panchayats by vested interests.

And whereas, the Mallapur Gram Panchayat and Mandal in Jagitial District was notified for election in 2nd phase. In pursuance of the said notification, the Returning Officer concerned issued election notice on 11.01.2019 for conduct of elections to Mallapur Gram Panchayat and Mandal in Jagitial District.

And whereas, in the Eenadu daily news paper dated 20.01.2019, it was reported that, in Mallapur Gram Panchayat of Jagitial District, price was fixed for the post of Sarpanch at Rs.20.00 Lakhs and draw of lots conducted for the said post and aggrieved by the same, one Sri Enugu Venkat Reddy and some others attempted to commit suicide.

And whereas, enclosing the said news paper report clipping in Lr.No.275/TSEC-L/2019, dated 20.01.2019, the State Election Commission requested the Collector & District Election Authority, Jagitial District and General Observer Jagitial District to enquire into the matter, take appropriate action and send report to the Commission immediately.

And whereas, in Lr.No.A1/2083/2018-Pts, dated 24.01.2019, the Collector & District Election Authority, Jagitial reported that, enquiries were got conducted through the Joint Collector / Additional District Election Authority, Jagitial and Superintendent of Police, Jagitial.

The following are the findings of the enquiry conducted by the Superintendent of Police, Jagitial.

"as per the advice of their caste elders, they went for 'draw of lots' and the petitioners withdrew their nomination subsequently, after losing the draw/lottery and further revealed that, there was no forcible capture or criminal intimidation as alleged by the petitioner".

The enquiry conducted by the Joint Collector and Additional District Election Authority, Jagitial revealed that there were total of (5) members who filed nominations for the post of Sarpanch out of them a SC candidate, the rest four belongs to Reddy Community. They are as follows:

1. Kyatham Jeevan Reddy
2. Sandhireddy Srinivas Reddy
3. Gopidi Raji Reddy
4. Kyatham Aruna
5. Akuthota Narsaiah belongs to SC community

Since the Mallapur Gram Panchayat is reserved for OC General, all the other (4) Reddy community candidates requested the SC candidate for withdrawal since it was opportunity for OC General and the SC candidate named Sri Akuthota Narasaiah was compelled to withdraw. Out of remaining (4) others, there is a couple i.e., wife and husband and subsequently the wife withdrew leaving (3) candidates, who after initial deliberations came to the conclusion that

there shall be only one candidate who has to provide the expenditure for temple and the expenditure of the withdrawing candidate. According to the deposition of one Sri Muddam Sharath there was a discussion about the auction of Sarpanch post for a cost of Rs. 20.00 Lakhs, out of that Rs. 15.00 Lakhs is to be set apart for development of Temple and Rs. 5.00 Lakhs for the benefit of withdrawing candidates.

It is further reported that the elders of the community of the remaining candidates decided that, there shall be only one person in fray and other contesting candidates have to withdraw otherwise their family will be expelled from the community. For this posivilege, the person remaining in the fray has to pay Rs.20.00 lakhs towards the development of the Temple and withdrawing candidates. On this decision of the Community, one Gopidi Raji Reddy withdrawn and remained two persons namely Sri Sandhireddy Srinivas Reddy and Kyatham Jeevan Reddy were left in the fray. Thereafter, the Village elders have taken surety from both the candidates for an amount of Rs. 20.00 Lakhs and lottery was conducted that went in favour of Sri Kyatham Jeevan Reddy. As per the agreement, Sri Sandhireddy Srinivas Reddy withdrew from Sarpanch elections and only one valid nomination of Kytham Jeevan Reddy was remaining in the frey. This issue was reported in all media.

And whereas, the Collector & DEA, Jagitial in his report finally stated that, keeping in view of the depositions recorded from the witnesses and others and circumstances explained in the report of the Joint Collector, two issues emerged; that, due to the pressure of leaders of a community, one SC community candidate Akuthota Narsaiah was compelled to withdraw. The next issue is that the unanimous election was arranged for a significant financial consideration and finalized the candidate through a lottery for an amount of Rs. 20.00 Lakhs by threatening others that they will be expelled from the community if did not obey their decision, which makes it clear that there was intimidation as well as auction of the post of Sarpanch for Rs.20.00 lakhs, and violation of Model Code of Conduct was established.

And whereas, in Lr.No. 001/GP/Observer-Jagitial/2019, dated28.1.2019, the General Observer of Jagitial District also sent a report reiterating the same as reported by the Collector and District Election Authority, Jagitial.

And whereas, auctioning of posts and intimidation of contestants is an offence under Section 211 of Telangana Panchayat Raj Act, 2018 and also an electoral mal practice under Section 171 B and 171 C of Indian Penal Code. It subverts the democratic election process by denying freedom of choice to voters by excluding potential candidates from the contest on financial grounds. This, if allowed, could lead to imposition of tyranny of a few over majority of the people.

And whereas, the report of the C&DEA, Jagitial reveals that, there is a prima facie evidence of auctioning of post of Sarpanch of Mallapur Gram Panchayat in Jagitial District.

And whereas, the State Election Commission, after careful consideration of all relevant information, decided to declare the election process so far held to the office of the Sarpanch of Mallapur Gram Panchayat and Mandal in Jagitial district in pursuance of the election notification No.363/TSEC-PR/2018, dated 01.01.2019 as void as the process was vitiated by illegal activity of auctioning of Sarpanch post by vested interests thwarting the electoral rights of both the potential candidates and the voters of the Gram Panchayat thus viciously undermining the free and fair nature of the election process and hence decide to re-notify fresh election schedule for conduct of election to the office of Sarpanch of the said Gram Panchayat.

Now, therefore, in exercise of the powers conferred under Article 243 K of Constitution of India and also Section 196 (1) and 197 (1) of Telangana Panchayat Raj Act, 2018, the State Election Commission, hereby, voids the election process so far held to the office of the Sarpanch of Mallapur Gram Panchayat and Mandal in Jagitial district in pursuance of the election notification No.363/TSEC-PR/2018, dated 01.01.2019. Fresh notification for conduct of election to the office of Sarpanch of Mallapur Gram Panchayat will be issued separately.

Election to the office of Upa-Sarpanch of Mallapur Gram Panchayat of mallapur Mandal in Jagitial District shall be conducted only after completion of election and declaration of results of office of Sarpanch of said Gram Panchayat.

No.322/TSEC-L/2018-1 **Date:02.01.2019**

To
The Principal Secretary to Government,
Home (Courts-B) Department.
Telangana Secretariat,
Hyderabad.

Sir,

Sub: TSEC - Elections - Ordinary elections to Gram Panchayats, 2019 – Zonal Officers – Magisterial powers - Conferment of Magisterial powers on Zonal Officers - Reg.

Ref:- TSEC Notification No.363/TSEC-PR/2018, dated 01.01.2019.

***

I wish to state that, in the reference cited (copy enclosed), the Commission issued notification for conduct ordinary elections to Gram Panchayats, 2019.

As the elections to Gram Panchayats are keenly contested, the Law and Order problem frequently arise. As of now, the District Collector and few of the Revenue Officers alone are vested with the magisterial powers. Unless magisterial powers are conferred on an officer, preventive action by utilizing the provisions of section 144 Cr.P.C cannot be taken up by him. It may be difficult for Revenue Officers to reach the spot in cases of emergencies during elections, in order to utilize the powers under section 144 Cr.P.C. The responsible Officer available on the spot on whom magisterial power can be conferred under section 21 Cr.P.C is the Zonal Officer who will be on the move and will be monitoring the law and order situation, implementation of Model Code of Conduct as Flying Squads (FS) also during the campaign period. It is therefore necessary to confer Magisterial powers on Zonal Officers to be appointed in the ensuing elections to Gram Panchayats in the interest

of maintaining peace during the campaign period under section 21 of Code of Criminal Procedure, 1973 and they be authorised to exercise the powers of executive magistrate under section 37,44,103,129 & 144 of Code of criminal procedure, 1973. Earlier such magisterial powers were delegated to the Zonal Officers during the general elections to Legislative Assembly and Parliament and also Rural and Urban Local body elections.

During the 4th Ordinary elections to Gram Panchayats held in 2013, the Government issued such orders conferring magisterial powers on Zonal Officers. A copy of the order issued for a district (Nalgonda) vide. G.O.Rt.No.1658, Law (LA&J) – Home (Courts) –B, Department, dated 21.07.2013 is enclosed herewith. The same practice has to be followed this time also.

The District Collectors are advised vide this office Lr.No.322/TSEC-L/2018-3, dated 02.01.2019 to send proposals indicating the names of the Zonal Officers and the jurisdiction in which they will exercise the Magisterial powers directly to the Government in Home Department.

I therefore, request you to confer the magisterial powers on the Zonal Officers to be appointed in the elections to Gram Panchayats as per the proposals submitted by the District Collectors.

Yours faithfully,

Cir.No.180/TSEC-L/2018 **Dated:24.05.2018**

Sub: Elections to PR Bodies - Implementation of Model Code of conduct – Action against violators – Statement showing the provisions of law relating to offences and corrupt practices in connection with elections to Rural Local Bodies – Issued.

***

The Model Code of Conduct (MCC) is implemented from the date of issue of election Notification, in order to maintain the purity of elections and to create a level playing field for all political parties and contesting candidates.

MCC is not a mere statement of good intentions but an order backed with legal provisions enabling the implementing authorities to initiate action against delinquents. A statement showing the various items of Model Code of Conduct and provisions of Telangana Panchayat Raj Act, 2018, Indian Penal Code, 1860 and other enactments under which prosecution can be launched against the violators is enclosed as Annexure.

The Collectors and District Election Authorities, Additional District Election Authorities, Returning Officers, Law Enforcement Authorities and Election Observers are requested to closely monitor compliance with the provisions of the Model Code of Conduct and wherever there is a violation, the Collectors and Superintendents of Police shall prosecute the violators under the relevant provisions of law. They need not obtain any specific permission of the State Election Commission for such prosecutions. Almost all violations can be brought within the scope of one or the other penal provision enacted in the TPR Act, 2018, IPC or other specific enactments such as Prevention of Disfigurements of Open Places and Prohibition of obscene and objectionable posters and Advertisements Act, 1997 etc.

The Collectors and District Election Authorities as well as the Superintendents of Police are therefore directed to enforce the various provisions of law in order to ensure complete compliance with the provisions of the Model Code of Conduct. The investigating and prosecuting authorities may be instructed suitably in this regard and implementation of the appropriate provisions of law shall be ensured to maintain the purity of election process and to see that money and muscle power do not determine the poll outcome.

Model Code of Conduct has to be enforced impartially. Utmost care has to be taken to ensure that **the law enforcement machinery not only acts fairly but also is perceived to be acting fairly. The Commission will deal sternly with those law enforcement officials who are found implementing the Model Code of conduct in a selective or biased manner.**

The number and nature of cases booked in the district wise shall be intimated to the Commission through Fax/e.mail (**sec.telangana@gmail.com**) on a day to day basis from the date of issue of election notification, by the Superintendents of Police in the enclosed proforma under intimation to the Collector and District Election Authorities concerned.

Cir.No.294/TSEC-PR/2018 **Dated:22.05.2018**

Sub: TSEC – Elections – Elections to Panchayat Raj Bodies – Videography to record the critical events – Instructions – Issued - Reg.

***

In order to have a true and faith full record of the violations of the Election Law, Model Code of Conduct and other instructions issued by the Commission, it is decided to cover the critical events through videography during the process of electioneering, including, but not restricted to, Nominations, Scrutiny, Allocation of Symbols, the period of campaign, the day of poll, the receipt and storage of polled ballot boxes, counting of votes and the declaration of the results.

2. It is decided that video cameras shall be provided to record critical events at the rate of 3 per Mandal ie., 2 for the Returning officer(s) and 1 for Zonal Officer(s). In addition to this, the Election Observers appointed by the State Election Commission shall be provided with one video camera.

3. For this purpose, the District Election Authorities shall make use of video cameras and crew available with the governmental and semi-governmental organizations within their jurisdiction or hire local private professional videographers. While selecting the private videographers, care should be taken to select only professionally competent persons having no political bias or links.

4. Keeping in view the size of the Gram Panchayat/Constituency, previous history of election related violence and electoral malpractices, general law and order situation, likelihood of corrupt practices and electoral offences, the District Election Authority may increase the number of videographers indicated above.

5. Guidelines for selection and deployment of videographers:-

i. The private videographers to be hired shall be screened thoroughly as to their professional competence, track record, financial viability and other related factors.
ii. The videographers should not belong to any political party and should not be known sympathizers or supporters or close relatives of any of the contesting candidates or any of the leaders of any political party or should not have been hired by any political party or contesting candidate.
iii. The Returning Officers are required to provide tea, snacks food etc, to the videographers and they shall not be left to fend for themselves while on duty. It shall be ensured that the videographers DO NOT

accept the hospitality of any contesting candidate or political party or their workers.

iv. The videographers, so engaged, shall be given proper briefing to enable them to record an independent and purposeful coverage of critical events relating to violation of Election Law and Model Code of Conduct. Particularly, the videography should be used as a tool of document and check the veracity of the election expenditure account being maintained by the contesting candidates. Thus, important public meetings, particularly those addressed by VIPs, rallies organized by supporters of contesting candidates, vehicles used, Publicity materials displayed, Published or Telecast etc can be recorded in videography and information gathered can be used to cross check the correctness of the expenditure accounts being maintained by the contesting candidates.

v. Video teams should be under the personal supervision and guidance of a senior officer who has been designated for this purpose.

vi. As and when required, the video teams may be asked to accompany the Election Observers so that all critical events observed by them may also be videotaped.

vii. The videographers shall be impressed that the principle behind the scheme is to record and videotape critical events only which are likely to vitiate the poll and not to just videotape all events in a routine manner in order to fill the cassette or CD.

6. It is suggested that following events shall invariably be videographed:

i. Meeting addressed/attended by Ministers, top National/State level leaders of recognized political parties.

ii. Riots or riotous situations or commissions of brickbatting, free-for-all etc.

iii. Violent incidents, damaging of property, looting, arson brandishing of arms etc.

iv. Booth capturing.

v. Intimidation of voters.

vi. Open bribing of voters by distribution of cash, sarees, dhoties, blankets, Liquor etc.

vii. Canvassing within 100 meters of polling stations.

viii. Vulgar display of expenditure, like erecting huge cut-outs etc.

(Note: These are only illustrative and not exhaustive.)

7. The idea underlying the videography is to secure unimpeachable evidence in respect of acts amounting to violation of Model Code of Conduct that can be used by the police for prosecuting persons in respect of election offences. The videography may therefore be so utilized as to serve the above purpose in particular and other purposes in general.

8. The video films thus prepared shall be viewed by the District Election Authority or Officer Authorized by him immediately to identify whether any of the organizers / speakers or other participants of the public meeting has committed any violations or infractions of statutory provisions and directions of the commission or Model Code of Conduct relating to the conduct of elections.

9. In cases where the Returning Officer himself or the District Election Authority is competent, immediate corrective action shall be taken and the Commission be informed of the same.

10. In cases where the authorities provided with videography feel that any critical event so recorded needs to be brought to the notice of the State Election Commission, copy of the video tapes/CDs should be sent to the State Election Commission by the quickest means along with an explanatory note on the infringement towards which the attention of the State Election Commission is proposed to be invited.

11. All videotapes produced in compliance with the instructions of State Election Commission, should be properly indexed and lodged with the District Election Authority and shall form part of record of the concerned election and shall be preserved for a period of one year or till the end of any relevant enquiry, trial or disposal of election petition.

12. The District Election Authorities and the Returning Officers shall, where the events recorded in the videography amount to corrupt practices or other electoral offences under the Indian Penal Code and the TPR Act, 1994 refer the same to the police and see that prosecutions are launched against the offenders immediately, as otherwise the huge expenditure incurred on videography will not serve any purpose.

13. The general and Election expenditure observers shall view the recordings closely for detecting any violations or breaches in the accounting of election expenditure by the candidates. They should ensure recording of cline lying evidences in the shadow expenditure registers to be maintained by the Returning Officer/District Election Authorities.

14. The District Election Authority should arrange to compare the entries in Expenditure Accounts submitted with the documentary evidence recorded in shadow registers and videographes.

15. The District Election Authorities are requested to transmit these instructions to all the Returning Officers in their District and take steps for their strict compliance. The State Election Commission is of the considered view that videography is an important mechanism which, if carefully used, can help in curbing

the incidents of breach to Model Code of Conduct, bribing and other electoral mal practices to a great extent.

The expenditure incurred on hiring video cameras shall be met out of the election funds released to the Districts.

CIRCULAR

No.629/TSEC-L/2018 **Dated:08.08.2018**

Sub:- State Election Commission - Elections to Local Bodies – Prevention of defacement of property and other campaign related items – revised instructions – Reg.

***

Private and public places are often disfigured during the election time by way of pasting election advertisements and wall-writings in violation of the Model Code of Conduct. Needless to mention the immense nuisance and damage caused to the property owners.

2. In order to prevent such disfigurement, the State Legislature had enacted Prevention of Disfigurement of Open Places and Prohibition of Obscene and Objectionable posters and Advertisements Act, 1997 (Act 28 of 1997).

3. Section 4 of the said Act makes the disfigurement of any public or private place an offence punishable with imprisonment which may extend upto 3 months or with fine which shall not be less than one thousand rupees but which may extend upto 2,000 rupees or with both. Abetment of such disfigurement is also made punishable under section 5 of that Act. Under section 6 thereof, the police officers are empowered to remove, erase, pull down and destroy objectionable advertisements.

4. The Commission decided to issue detailed instructions in this matter and other campaign related items in supersession of the earlier instructions issued in the circulars No. 1473/TSEC-L/2016, Dated:23.11.2016 and No. 506/TSEC-ULBs/2015, Dated: 22.7.2015, for strict compliance by political parties, candidates, individuals and organizations etc. during the period of elections to Local Bodies. The crux of the instructions is to abide by the extant provisions in the prevailing law:

DEFACEMENT OF PUBLIC PLACES

5. (a) Wall writing, pasting of posters/papers or defacement in any other form, or erecting/displaying of cutouts, hoardings, banners flags etc. shall not be permitted on any Government premise (including civil structures therein). For this purpose a Government premise would include any Govt. office and the campus wherein the office building is situated.

(b) If the local law expressly permits or provides for writing of slogans, displaying posters, etc., or erecting cut-outs, hoardings, banners, political advertisement, etc., in any public place, (as against a Govt. premise) on payment or otherwise, this may be allowed strictly in accordance with the relevant provisions of the law and subject to Court orders, if any on this subject. It should be ensured that any such place is not dominated/monopolized by any particular party(ies) or candidate(s). All parties and candidates should be provided equal opportunity in this regard.

(c) If there is a specifically earmarked place provided for displaying advertisements in a public place, e.g. bill boards, hoardings etc. and if such space is already let out to any agency for further allocation to individual clients, the authorities of local bodies concerned, should ensure that all political parties and candidates get equitable opportunity to have access to such advertisement space for election related advertisements during the election period.

DEFACEMENT OF PRIVATE PLACES

6. (a) Whenever, temporary and easily removable advertisement materials, such as flags and banners are to be put up in private premises they should be with voluntary and express written permission of the occupant. The permission should be an act of free will and not extracted by any pressure or threat. Such banner or flag should not create any nuisance to others. Photo-copy of the voluntary permission in writing obtained in this connection should be submitted to the Returning Officer within 3 days of putting up the flags and banners in such cases in the manner prescribed in sub-para(c) below.

(b) If the local law does not expressly permit wall writing, pasting of posters, and similar other permanent/semi-permanent defacement which is not easily removable, the same shall not be resorted to under any circumstances, even

on the pretext of having obtained the consent of the owner of the property. This will also apply in the states where there is no local law on the subject of prevention of defacement of property.

(c) In case of wall writings and pasting of posters and similar other permanent/semi-permanent defacement which is not easily removable, and putting up hoardings, banners, etc. on private premises with the owner's permission, the contesting candidates or the political parties concerned shall obtain prior written permission from the owner of the property and submit photocopies of the same within 3 days to the Returning Officer or an officer designated by him for the purpose, together with a statement in the enclosed proforma (marked as **Annexure**). The statement in such cases and in the cases mentioned in sub-para (a) above should clearly mention therein the name and address of the owner of the property from whom such permission has been obtained together with expenditure incurred or likely to be incurred for the purpose. Nothing inflammatory or likely to incite disaffection amongst communities shall be permissible in such writings/display. The expenditure incurred in this mode on specific campaign of candidate(s) shall be added to the election expenditure made by the candidate. Expenditure incurred on exclusive campaign for a party without indicating any candidate shall not be added to candidate's expenditure. The contesting candidate shall furnish such information village/locality/town-wise, to the Returning Officer, or the authorized officer within 3 days of obtaining the requisite permission, for easy checking by the Returning Officer or the Election Observer or any officer connected with the conduct of elections.

(d) Subject to any restrictions under any local law or any court orders in force, the political parties, candidates, their agents, workers and supporters may put up banners, buntings, flags, cut-outs, on their own property, provided they do so on their own volition, voluntarily and without any pressure from any party, organization or person, and provided further that these do not cause any inconvenience in any manner to anyone else. If such display of banners, flags etc. aims to solicit vote for any particular candidate, then the provisions of Section 171H of the IPC would be attracted and would have to be followed. Section 171H of the IPC stipulates that whoever without the general or special authority in writing of a candidate incurs or authorises expenses on account of the holding of any public meeting, or upon any

advertisement, circular or publication, or in any other way whatsoever for the purpose of promoting or procuring the election of such candidate, shall be punished with fine which may extend to five hundred rupees: Provided that if any person having incurred any such expenses not exceeding the amount of ten rupees without authority obtains within ten days from the date on which such expenses were incurred the approval in writing of the candidate, he shall be deemed to have incurred such expenses with the authority of the candidate.

DEFACEMENT OF HALLS/AUDITORIUMS AND OTHER PUBLIC PROPERTIES

7. In the case of Halls/Auditoriums/Meeting venues owned/controlled by the Government/ local authorities/PSUs/Cooperatives, if the law/guidelines governing their use do not preclude political meetings therein, there is no objection to it. It shall be ensured that the allocation is done on equitable basis and that there is no monopolization by any political party or candidates. In such venues, displaying of banners, buntings, flags, cut-outs, may be permitted during the period of meetings subject to any restrictions under the law/guidelines in force. Such banners, flags, etc. shall be got removed by the party/individual who used the premises immediately after conclusion of the meeting, and in any case within a reasonable period after the meeting is over. Permanent/semi-permanent defacement such as wall writing/pasting of posters etc. shall not be permitted in such premises.

8. If any political party/association/candidate/person indulges in defacement of any property in violation of the local law, if any, or the above instructions, the Returning Officer/ Election Officer shall issue notice to the offender for removing the defacement forthwith. If the political party/association/candidate/person does not respond promptly, the district authorities may take action to remove the defacement, and the expenses incurred in the process shall be recovered from the political party/association/ candidate/person responsible for the defacement. Further, the amount also shall be added to the election expenditure of the candidate concerned, and action should also be initiated to prosecute the offender under the provisions of the relevant law (under the law relating to prevention of defacement, if any, or under the provisions of the general law for causing willful damage to the property of others).

DEFACEMENT OF VEHICLES

9. (a) In private vehicles, subject to the provisions of the Motor Vehicles Act, Rules thereunder and subject to court orders in force, if any, flags and stickers may be put on the vehicles by the owner of the vehicle on his own volition, in such a manner that they do not cause any inconvenience or distraction to other road users. If such display of flags and stickers aims to solicit vote for any particular candidate, then the provisions of Section 171H of the IPC would be attracted and would have to be followed.

(b) On commercial vehicles, display of any flag, sticker etc. shall not be permitted, unless such vehicle is a vehicle validly used for election campaign after obtaining the requisite permit from the Municipal Commissioner concerned in Municipal elections, Joint Collector / Revenue Divisional Officer concerned in elections to MPTCs and ZPTCs and Tahsildar concerned in Sarpanch, Gram Panchayat elections and the display thereof in original on the wind screen.

(c) External modification of vehicles including fitting of Loudspeaker thereon, would be subject to the provisions of the Motor Vehicles Act/Rules and any other Local Act/Rules. (b) In such procession, wearing of party/candidate supplied special accessories like cap, mask, scarf etc. may be permitted. However, supply of main apparels like saree, shirt, etc. by party/candidate is not permitted.

(c) Educational institutions including their grounds {whether Govt. aided, private or Govt.} shall not be used for political campaigns and rallies.

11. The State Election Commission, hereby, directs the Collectors and District Election Authorities, the Superintendents of Police, Commissioners of Police and Deputy Commissioners of Police to strictly implement the above directions and bring

No.1474/TSEC-L/2016 **Dated:28.02.2017**

ORDER

Sub:- TSEC - Elections to Rural and Urban Local Bodies - Use of Loudspeakers for election campaigns – Revised instructions – Issued-Reg.

***

All Political parties, contesting candidates and their workers, supporters and sympathizers use loudspeakers for their electioneering campaigns. These loudspeakers are not only used from fixed rostrums but are also mounted / fitted on vehicles like trucks, tempos, cars, taxis, vans, three wheeler scooters, cycle rickshaws, etc. These vehicles move on all roads, streets and lanes and also go around basties, mohallas, colonies and localities with the loudspeakers broadcasting at very high volume. This results in serious 'noise pollution' and causes great disturbance to the peace and tranquility of the general public. The student community, in particular, gets seriously disturbed as their studies are hampered because the loudspeakers start blaring from very early hours in the morning and continue to do so throughout the day and till extremely late hours in the night. The aged, the infirm and the sick whether in institutions, hospitals, etc. or at home are also put to severe discomfort.

2. The Commission is aware that the use of loudspeakers cannot be stopped altogether during the election period as the loudspeakers are one of the means of election propaganda and imparting information to public. But, at the same time, indiscriminate and unfettered use of loudspeaker at odd hours and at odd places at very high volumes which have the effect of disturbing peace and tranquility and causing annoyance to the general public, the sick, and the student community in particular cannot be permitted. Some reasonable restrictions are essential.

3. As per the schedule issued in the Noise Pollution (Regulation and Control) Rules, 2000, Ambient Air Quality Standards in respect of Noise is as follows:

,Area Code	Category of Area/Zone	Limits in dB(A) Leq	
		Day Time	Night Time
(A)	Industrial area	75	70
(B)	Commercial area	65	55
(C)	Residential area	55	45
(D)	Silence Zone	50	40

Note:- 1. Silence Zone is an area comprising not less than 100 metres around hospitals, educational institutions, courts, religious places or any other area which is declared as such by the competent authority.

2. Mixed categories of areas may be declared as one of the four above mentioned categories by the competent authority.

4. The Hon'ble Supreme Court of India passed an order inter alia prohibiting exceeding of the noise level at the boundary of public place, where loudspeaker or public address system or any other noise source is being used by 10 dB(A) above the ambient noise standards for the area or 75 dB(A) whichever is lower.

5. After considering all aspects of the matter, the Commission, in exercise of its powers conferred by Article 243K of the Constitution of India and all other powers enabling to it in this behalf hereby DIRECTS that the use of loudspeakers at all future elections to Panchayat Raj Bodies shall be strictly regulated as follows: -

(i) The use of loudspeakers, at public meetings and Road Shows shall be permitted only between 6.00 a.m. to 10.00 p.m. In all other cases, the use of loudspeakers shall be permitted only between 10.00 AM to 6.00 PM.

(ii) The noise level at the boundary of public place, where loudspeaker or public address system or any other noise source is being used shall not exceed 10 dB(A) above the ambient noise standards for the area or 75 dB(A) whichever is lower.

(iii) All loudspeaker being used beyond the hours as prescribed above, shall be confiscated along with all the apparatus connected with the use of these loudspeakers.

(iv) All political parties, contesting candidates and any other person using loudspeakers on moving vehicles including but not restricted to trucks, tempos, cars, taxis, vans, three wheeler, scooters, cycle rickshaws, etc. shall intimate the registration identification number of those vehicles to the authorities granting permission to use the loudspeakers and such registration identification numbers of the vehicles shall be indicated on the permits granted by the authorities concerned.

(v) If the rickshaw does not have any registration / permit for identification, the rickshaw driver may be given a permit in his personal name by Returning Officer which the rickshaw driver should carry on his person while using that rickshaw for election campaign purposes.

(vi) Any vehicle on which a loudspeaker is used without the said written permit shall be confiscated forthwith along with the loudspeaker and all the apparatus used along with it.

(vii) All political parties, contesting candidates and even any other person using a loudspeaker either on a moving vehicle or at a fixed place shall intimate:-

(1) the Returning Officer concerned, and

(2) local Police authorities, in writing, the full details of the permits obtained by them before using any of those loudspeakers. In the case of mobile loudspeakers, the registration / identification numbers of the vehicles shall also be registered by them with the Returning Officer concerned and the local Police authorities.

(viii) All political parties, contesting candidates shall obtain prior permission from the concerned local authorities to use loud speakers (public address system)

at the public meetings convened by them as part of electioneering and road shows.

(ix) It shall be the responsibility of the local authorities granting permits for use of loudspeakers and the local Police authorities to strictly enforce that no loudspeaker is used by anyone in violation of any of the above directions.

(x) The political parties and candidates shall endeavour to see that no disturbance is caused in the areas adjacent to hospitals, educational institutions etc.

(xi) No loudspeakers fitted on vehicles of any kind or in any other manner whatsoever shall be permitted to be used within the polling area during the period of forty-eight hours prior to the hour fixed for conclusion of the poll in case of elections to the Mandal Parishads / Zilla Parishads and Urban Local Bodies and forty-four hours prior to the hour fixed for conclusion of the poll in case of elections to gram panchayats. Even after the close of poll, proper law and order is required to be maintained till completion of election process after the declaration of result. Use of loudspeakers is generally regarded as source of public nuisance and can often give rise to tension in a politically surcharged atmosphere. The District Administration should, therefore, consider any application for permission to use loudspeakers on merit of each application and keeping in view the need to maintain proper law and order till the completion of election.

6. The above directions of the Commission, which will check noise pollution and disturbance of public peace and tranquility must be scrupulously implemented and strictly enforced by all election authorities concerned. Any violation thereof will be viewed by the Commission with grave concern and will invite severe disciplinary action against the defaulting officers.

7. A copy of this order shall be made available to local units of all recognised and registered party units in the district under acknowledgement.

The receipt of this letter should be acknowledged immediately.

CIRCULAR

Cir. No.172/TSEC-PR/2018 **Dated:21.04.2018**

Sub:- TSEC – Elections to Panchayat Raj Bodies – Measures to ensure free and fair elections – Prevention of intimidation, use of force or/and money power on filing of nomination and or withdrawal of candidates – Instructions issued – Reg.

***

1. In the previous elections, instances have come to the notice of the State Election Commission where certain candidates were prevented from filing their nomination by coercion, abduction, intimidation, wrongful confinement or use of force, etc., and instances have come to the notice of the Commission where bribery and undue influence are resorted to by some influential candidates or their election agents or supporters for securing withdrawal of candidatures.

Similarly, instances have also come to the notice of the Commission, that, some vested interests manipulated the election process by way of auctioning, particularly the posts of Sarpanch/Ward Members of Gram Panchayats.

2. The Commission takes a very serious view of these practices which erode the very basic principles of free and fair elections. The Commission is constrained to say that even though under the Election Law and the Indian Penal Code these acts constitute election offences deserving severe punishment, most of these offences are not taken note of or enquired into leave alone punishing the culprits.

3.1 The Specific provisions which exist in the Indian Penal Code to deal with such cases of electoral offences are reproduced below:-

"**Section 171B of the Indian Penal Code- Bribery at elections**: (1) Whoever -

(i) gives a gratification to any person with the object of inducing him or any other person to exercise any electoral right or of rewarding any person for having exercised any such right; or

(ii) accepts either for himself or for any other person any gratification as a reward for exercising any such right or for inducing or attempting to induce any other person to exercise any such right, commits the offence of bribery:

Provided that a declaration of public policy or a promise of public action shall not be an offence under this section.

(2) A person who offers, or agrees to give, or offers or attempts to procure, a gratification shall be deemed to give a gratification.

(3) A person who obtains or agrees to accept or attempts to obtain a gratification shall be deemed to accept a gratification, and a person who accepts a gratification as a motive for doing what he does not intend to do, or as a reward for doing what he has not done, shall be deemed to have accepted the gratification as a reward.

3.2 **Section 171C of the Indian Penal Code-Under influence at elections**:

(1) Whoever voluntarily interferes or attempts to interfere with the free exercise of any electoral right commits the offence of undue influence at an election.

(2) Without prejudice to the generality of the provisions of Sub-Section (1), whoever:-

(a) threatens any candidate or voter, or any person in whom a candidate or voter is interested, with injury of any kind, or

(b) induces or attempts to induce a candidate or voter to believe that he or any person in whom he is interested will become or will be rendered an object of Divine displeasure or of spiritual pleasure, shall be deemed to interfere with the free exercise of the electoral right of such candidate or voter, within the meaning of Sub-Section (1).

3.3 **Section 171A of the Indian Penal Code defines Electoral Right** to mean the right of a person to stand, or not to stand as, or to withdraw from being a candidate, or to vote or to refrain from voting at an election.

The offences of 'bribery' and 'undue influence' under Sections 171B and 171C are punishable with imprisonment upto one year or with fine or with both under Sections 171E and 171F of the IPC. On conviction the offender is liable to one year imprisonment and disqualification to contest elections for a period of six years.

3.4 Under Section 211 of the Telangana Panchayat Raj Act, 2018, 'bribery' and 'undue influence' to interfere with the free exercise of electoral right of a person are corrupt practices which are grounds for declaring the election as void by the Election Tribunal concerned and for disqualifying the persons found guilty.

4. While the jurisdiction to take action for a corrupt practice is vested with the Election Tribunal concerned on an election petition, penal action can be initiated against the offenders in these cases under the relevant provisions of the Indian Penal Code by the Police Authorities when the matter is reported to them by any one.

5. The Commission hereby directs to take the following measure to foil the nefarious practices which committed under Section 211 of Telangana Panchayat Raj Act, 2018 and Sections 171-A, 171-B and 171-C of IPC –

- as soon as any complaint or information of prevention, intimidation or use of force, bribery, undue influence or auctioning the posts of Sarpanchas / Ward Members of Gram Panchayats, in the matter of nomination of candidates, or securing withdrawal of a candidate at any election is received by any Returning Officer or District Election Authority or Election Authority, he/she shall report the matter forthwith to the Police Authorities for making necessary enquiries and to prosecute the offenders.
- Auctioning of posts is a corrupt practice under Section 211 (1) of Telangana Panchayat Raj Act, 2018. This is also an electoral malpractice under Sections 171-B and 171-E of the Indian Penal code, 1860. On conviction, the offender(s) is/are liable to one year imprisonment and disqualification to contest elections for a period of six years.

  Where allegations have been received on auctioning of posts, the Collectors and District Election Authorities shall give instructions to the Returning Officers concerned not to declare the result in case of unanimous election to any office in the Gram Panchayat concerned without obtaining clearance from the Collector and District Election Authority.
- The Collectors and District Election Authorities shall cause immediate inquiry on such incidents and where ever there is Prima facie case of auctioning of posts noticed, shall immediately report to the State Election Commission for further orders.

6. The above instructions of the Commission shall scrupulously be followed by all officers concerned.

NOTIFICATION

No.103/TSEC-PR/2019, Dated:08.01.2019

Whereas, in reference No. 363/TSEC-PR/2019, dated: 01.01.2019 the State Election Commission issued Notification for conduct of Ordinary elections to Gram Panchayats, 2019 in the State.

And Whereas, it is being reported by election authorities and in the media that in some places the posts of Sarpanch and Ward Members are auctioned in public.

And whereas, auctioning of posts amounts to a corrupt practice under Sec. 211(1) of the Telangana Panchayat Raj Act, 2018. This is also a criminal offence under Sec. 171-8 and 171-E of the Indian Penal Code, 1860 punishable with imprisonment for one year and fine, besides disqualification to contest elections for a period of six years.

And whereas, the auctioning of posts subverts the democratic election process by denying freedom of choice to voters besides excluding many potential candidates from the contest on financial grounds. This practice if allowed could lead to imposition of tyranny of a few over majority of the people.

And whereas, the State Election Commission is vested with the responsibility of conducting the elections in a free and fair manner.

Now, therefore, in exercise of powers conferred under Article 243K of the Constitution of India and Section 197(1) of Telangana Panchayat Raj Act, 2018, the State Election Commission hereby issues the following directions to foil the evil designs of vested interests to manipulate the electing process by indulging in auctioning of posts:

1. A Special Cell shall be opened in the district by the District Collector and District Election Authority to scan the complaints received and reports published in the Press and Electronic Media about alleged incidents of auctioning of posts and to cause an enquiry forthwith.

4. The Returning Officers concerned shall declare the result in case of unanimous election the post of Sarpanch, Gram Panchayat only after obtaining clearance from the General Observer.

5. In all such cases, the General Observers shall satisfy themselves on the voluntary nature of unanimous election before issuing clearance to declare results. In all cases where auctioning or use of undue influence is evidenced, the same should be reported to the State Election Commission for further instructions.

CIRCULAR

Cir.No.297/TSEC-PR/2018, Dated:24.05.2018

Sub:- Elections – Ordinary Elections to Gram Panchayats – Printing of Ballot Papers for Sarpanch and Ward Member Elections – Instructions – Issued – Reg.

***

The Ordinary Elections to the Gram Panchayats are held on non party basis using Ballot Boxes and Ballot Papers.

The work relating to the printing of Ballot Papers of Sarpanch and Ward Member for Gram Panchayat elections is decentralized and responsibility is entrusted to the District Administration to get the ballot papers printed locally in private offset printing presses as was done during previous ordinary elections.

The following instructions are hereby issued for the guidance –

1. IDENTIFICATION OF PRESSES:

The Collectors and District Election Authorities shall take advance action to identify offset printing presses for printing of ballot papers to Sarpanch and Ward Member Elections of Gram Panchayats. As the elections to the Gram Panchayats are held on non-party basis and without the names of contesting candidates, symbols notified by the TSEC separately for the post of Sarpanch and Ward Member shall be printed on each Ballot Paper along with NOTA symbol well in advance. Keeping in view of the voters' strength of the District and the mix of denominations (number of symbols on each Ballot Paper), the Collectors and District Election Authorities shall identify the required number of offset printing presses to complete the printing of ballot papers within time. If suitable presses are not available locally, the work may be entrusted to the printers in the neighboring Districts or to the Commissioner of Printing, Stationery

and Stores Purchase, Government Central Press, Chanchalguda, Hyderabad as the case may be.

The following precautions shall be taken during the identification of printing presses –

(i) The Proprietors of the printing presses should enter into an agreement with the administration in the proforma indicated in the Annexure – I (enclosed) as was done earlier.
(ii) The Proprietors of the printing presses should not be a contesting candidate or a close relative of any of the contesting candidates or a known supporter of any political party.
(iii) The District Collectors shall take control of the identified private press for security and secrecy purposes during the period when printing of ballot papers is undertaken in the printing presses.

2. COLOUR OF THE BALLOT PAPER:

The State Election Commission decided that the colour of the Ballot Paper for **Sarpanch shall be pink wove paper and for Ward Member shall be white wove paper**.

3. SUPPLY OF PAPER:

The District Panchayat Officers in consultation with the printing presses shall workout the requirement of Pink wove ballot paper for Sarpanch election and white wove ballot paper for Ward Member election for entire District with 20% reserve based on the voting strength of the District, average number of contested candidates in the last ordinary elections and symbols in all denominations of Ballot Papers for Sarpanch and Ward member election, well in advance and send to the Commissioner of Panchayat Raj & Rural Employment and Election Authority under copy to the State Election Commission. In the last ordinary elections to Gram Panchayats held in 2013, in Telangana Districts, the average number of contested candidates for the office of Sarpanch was 4 and Ward was 3. The Commissioner, PR & RE and Election Authority after receipt of requirement of ballot paper from all the District Election Authorities shall place indent to the Commissioner of Printing, Stationery and Stores Purchase, Government Central Press, Chanchalguda, Hyderabad for procurement and supply of Pink and white wove ballot paper to the Districts. Keeping in view of the suitability of

the printing press, type of paper should be indicated (i.e) either for Roll Paper or Sheet Paper.

This exercise shall be planned and executed meticulously so as to complete actual printing work soon after publication of the Electoral Rolls but before issue of Election Notification.

4. SUPPLY OF CD CONTAINING SYMBOLS:

The State Election Commission will arrange for supply of CDs, containing separate symbols notified for the office of Sarpanch and ward member, Gram Panchayat to the District Collectors/ District Panchayat Officers.

5. RATES FOR PRINTING:

The District Collectors shall finalize the rates for printing of ballot paper of various denominations of Sarpanch and Ward Member Election through District Purchase Committee as was done previously by calling tenders, with the approval of the Commissioner of PR & RE and Election Authority.

6. SUPERVISION AT THE PRESSES:

The District Collectors shall take action to deploy competent officers for supervision of ballot papers printing work at the printing presses. The District Collectors shall also review the progress of printing work regularly to ensure that the work is completed within the time frame.

7. SECURITY AT THE PRESS:

The security arrangements at the private presses, where printing is done and also at the place of storage of ballot papers shall be made by the District Collectors by posting adequate police personnel. In the extremist infested areas, District Collectors shall take adequate measure for the safety and security of the ballot paper both at the printing press as well as at the place of storage. The workers at the press shall be issued passes. No unauthorized person to be allowed entry inside the press when this work is taken up. 4. **The District Collectors are also authorized to take any other precautions as may be necessary for the security of printing work**.

9. PRINTING OF BALLOT PAPER:

a. The earlier Method done away with –

Earlier the Ballot Paper for Sarpanch and Ward Member of Gram Panchyat were printed well in advance as per symbols notified by the Commission with different denominations in even number i.e., 2, 4, 6, 8, 10 symbols and so on. After finalization of number of contesting candidates, the preprinted Ballot Paper was used according to the number of contesting candidates. For example, for 3 contesting candidates, 4 symbols Ballot Paper was used by cutting the last (4^{th}) symbol, similarly for 7 contesting candidates, 8 symbols Ballot Paper was used by cutting the last (8^{th}) symbol and so on. However, this method is done away with now.

Since, NOTA is introduced now, the Ballot Paper is required to be printed with all denomination with NOTA symbol below the last candidate's symbol, as mentioned in the following paragraphs.

b. Latest Method, Printing of Ballot Paper With NOTA Symbol:

As per Rule 35 (2) and 26 (2) of the Conduct of Elections Rules, 2018 "None of the above (NOTA)" symbol option **shall be printed below the last symbol of the contesting candidate**.

The Sarpanch and Ward Member election ballot papers both shall be printed with 'NOTA' symbol. The NOTA symbol shall be printed in the ballot paper below the last

election symbol. Model ballot papers of Sarpanch and Ward Member election with NOTA symbol are appended to this circular. The following is the NOTA symbol. Instructions regarding NOTA are given in Circular No. 265/TSEC-L/2018, dated: 24.05.2018.

(పైనది ఏదీ కాదు)

Hence, advance action shall be taken for printing of Sarpanch and Ward Member Ballot Paper with different denominations with NOTA symbol.

c. Ballot Paper for Sarpanch Election

The Ballot Paper for Sarpanch Election shall be printed on Pink wove paper with all denominations starting from <u>three symbols to maximum twenty one symbols</u> including NOTA symbol. Examples of different denomination ballot papers with NOTA symbol are given below.

Example:-

(1) Three Symbol Ballot Paper – first two are election symbols and third one is the NOTA symbol.

(2) This ballot paper is used when contesting candidates are two.

(2) Four symbol ballot paper – first three are election symbols and fourth one is the NOTA symbol. This ballot paper is used when contesting candidates are three.

(3) Five symbol ballot paper – first four are election symbols and fifth one is the NOTA symbol. This ballot paper is used when contesting candidates are four.

(4) Six symbol ballot paper – first five are election symbols and sixth one is the NOTA symbol. This ballot paper is used when contesting candidates are five and so on.

(5) When contesting candidates are twenty, twenty one symbol ballot paper is used i.e., first twenty are election symbols and twenty first is the NOTA symbol.

The proportion of these denominations may be decided based on past experience and also the normal distribution pattern. A reserve plan should also be kept in mind for meeting the need for higher denomination papers as may be found actually at later stage.

After finalization of list of contesting candidates, if there are more than twenty candidates in the contest, then to meet such a contingency, arrangements have to be made in advance to undertake printing of higher denomination ballot papers, wherever necessary as per the requirement in the District.

(4) six symbol ballot paper – first five are election symbols and sixth one is the NOTA symbol. This ballot paper is used when contesting candidates are five and so on.

The proportion of these denominations may be decided based on past experience and also the normal distribution pattern. A reserve plan should also be kept in mind for meeting the need for higher denomination papers as may be found actually at later stage.

If there are more than six candidates in the contest as seen subsequent to finalization of list of contesting candidates, then arrangements have to be made expeditiously for printing of higher denomination ballot paper as per the requirement in the District.

and so on

Some of the DPOs have expressed their constraint to print the serial number of the ballot papers in seven digits.

The issue of 7 digits Serial number of ballot paper also came up for discussion in the meeting of District Collectors and SPs/CPs held on 30.05.2018. The State Election Commission examined the issue and considered for printing of each denomination ballot papers with 6 digits serial number with prefixing an

English alphabet letter to the 6 digit serial number of ballot paper as indicated below:

Denomination of Ballot Paper	Numbers should start with
3 Symbols (2+NOTA)	A 000001

and so on

Printing of Ballot Papers:

The State Election Commission has assessed the denomination wise requirement of Ballot Paper basing on the average number of contested candidates in the last ordinary elections and also contacted the Statistical Officer in Bureau of Economics & Statistics and arrived the following formula tentatively.

In Ordinary Elections to Gram Panchayats held on 2013 the average number of contesting candidates for the office of Sarpanch was 4 and for Ward Member was 3 in Telangana Districts.

The assessment of percentage of printing of each denomination Ballot Paper is suggested as indicated below:

For Sarpanch Post			For Ward Member Post		
Sl. No.	Denomination (No. of Contesting Candidates)	% of Ballot Papers to be Printed on total Requirement	Sl. No.	Denomination (No. of Contesting Candidates)	% of Ballot Papers to be Printed on total Requirement

17	18	0.05			
18	19	0.03			
19	20	0.02			
Total		**100 %**			

Further, it is informed that, this is only a tentative indication. The District Collectors shall arrive at the requirement of total number of ballot papers basing on their District Voters Strength, its rounding off to next 10 while allotting to polling stations, reserve ballot papers required etc., and then arrive at the denomination wise number of ballot papers to be printed based on the indicated percentages.

Further, the District Collectors will keep the machinery in readiness to make up the short-falls if any soon after finalization of the contesting candidates. They should have contingency plan to print additionally required Ballot Papers once the contesting candidates are finalized towards this end.

ANNEXURE – I

Guidelines for Micro-Observers

1. Observers have a very crucial role in the conduct of an independent, free and fair election. To strengthen the system of observation, the Commission has consciously decided to deploy Micro-Observer at the selected critical / hyper sensitive polling stations in a Gram Panchayat. In Gram Panchayt elections, they will also oversee counting process and also the election of Upa-Sarpanch, which are conducted on the same day. These Micro-Observers would directly work under control and supervision of the General Observer.

2. For deployment as micro-observer, the Collectors & DEAs shall obtain the list of employees of Central Govt., and Central Public Sector Undertaking in the State. In case sufficient number of employees of Central Govt., and Central Public Sector Undertaking are not available, Gazetted Officers of State Government and State Public Sector Undertakings may be utilized for this purpose.

3. The Collectors & DEAs shall prepare a list of critical/hypersensitive polling stations in consultation with police officials where these Micro Observers would be deployed. Such polling stations would be short-listed on the basis of various factors which contribute to the vulnerability of the poll process. Such factors, for example, domination of one social group over other, inaccessibility of the area, previous history of violence, etc. would be taken into consideration while doing the vulnerability mapping. The Gram Panchayat wise list of such polling stations where Micro Observers are to be deployed shall be finally approved by the Observer and kept confidential in a sealed envelop till the last moment of deployment.

4. In multi-polling station buildings, each location will have one micro-observer instead of one Micro Observer per polling station. The Micro Observer can oscillate between and visit the polling stations within the same campus at frequent intervals.

5. The Micro Observers so appointed should oversee the counting, declaration of results and Upa-Sarpanch election after completion of poll.

6. General Observers will be in close touch with them for their requirements of Micro-Observers relating to their Districts.

7. Each Micro Observer shall be given a photo identity card by the District Election Authority / Returning Officer / Asst. District Election Authority to ensure his access to the polling stations.

8. Observers will arrange and train their Micro Observers. The officer selected for the job of Micro-Observer may not be aware of different aspects of election process. Therefore, a basic training of election process on the day of the poll shall have to be given to them. This should enable them to understand and observe the activities

relating to poll, counting and election of Upa-Sarpanch in a Gram Panchayat. An illustrative training material for the Micro Observer is attached with this circular. Copies of Hand Book for ROs and POs of Gram Panchayat elections shall be given to Micro Observers. Since the Micro Observer shall be reporting to the Observer alone, it will be the responsibility of the Observers to ensure that they are trained properly on the relevant and crucial issues. The Collectors & DEAs shall organize the training of these Micro Observers.

9. The required number of officers for deployment as Micro Observer would be picked up randomly from the list of all eligible Officers. Further the assigning of critical / hyper sensitive polling stations also will be done in random manner a day prior to the day of departure in presence of the Observer and duly approved by him. However, the exact polling station/polling location would be given to them on the day of departure.

10. The Collectors & DEAs / Returning Officers / Asst. District Election Authorities should ensure that the Micro Observers are separately dropped to their destinations or may be with Zonal Officers. Micro-Observer should be provided with an Identity Card, entry pass to his/her polling stations and such other requirements as may be necessary for discharge of duties as per the direction of the Commission.

11. On the day of poll, the Micro Observer should reach the polling station at least one hour before the commencement of the poll, i.e., at 6 O'clock in the morning. If for certain reason, it is not possible to reach in the morning, he should reach in the evening of the previous day.

12. Having reached the polling station, he should assess the preparedness for the poll. During the poll, he should regularly note down the important points on the pre-printed Proforma (a Proforma for this is appended). It is made absolutely clear that in no case, the Micro Observer will act as Presiding Officer, Polling Officer or Returning Officer in case of election to Upa-Sarpanch. He should work without actually getting involved in performing any act relating to the election process. His task is to observe that election process is being carried out in a free and fair manner and there is no vitiation of any kind.

13. In the process of observation on the day of the poll, the Micro Observer should specially observe: -

a. Preparation of Ballot Box for the poll, fixing of paper seal and securing it in balloting position;
b. Presence of Polling Agents and observance of SEC instructions with regard to them;
c. The observance of entry pass system and access to Polling Station;
d. Proper identification of electors in accordance with SEC guidelines;
e. Application of indelible ink;
f. Noting of particulars of electors in counter foil of Ballot Paper;
g. Secrecy of voting,

h. Conduct of polling agents, their complaints, if any;
i. Arrangements made for counting at the counting centre of the Gram Panchayat;
j. Ensure that counting is conducted as per the procedure envisaged;
k. Observe declaration of results, issue of Certificate of Election and publication of results by the Returning Officer concerned.
l. Observe the election of Upa-Srpanch conducted by the Returning Officer after declaration of results as per the procedure prescribed in Telangana Panchayat Raj (Election of Upa-Sarpanch of a Gram Panchayat) Rules, 2018.

14. During the poll, if the Micro Observer feels that the poll is being vitiated for any reason, he will immediately bring it to the notice of General Observer through whatever means of communication is available, for example, phone, wireless, Fax, E-mail or any other means. Similarly, during the counting process if he has noticed any discrepancy or electoral malpractice, he may report it to the General Observer to take necessary action as specified in Section 241 of Telangana Panchayat Raj Act, 2018.

15. After the poll process is over, the Micro Observer will report to the Observer in the format as enclosed as **Annexure II** and hand over his envelop containing the report for the day personally to the Observer and brief him/her on anything of importance that had happened during the day.

16. Observers will go through the reports. These reports along with the other reports will be taken into consideration for taking a decision on repoll or disciplinary action against any delinquent polling staff.

Section 237 of Telangana Panchayat Raj Act, 2018 stipulates that every contesting candidate at an election held under Telangana Panchayat Raj Act shall, either by himself or by his election agent, keep a separate and correct account of all expenditure incurred in connection with election between the date on which the candidate concerned has been nominated and the date of declaration of results of the election both days inclusive.

Sub-section (2) of section 237 stipulates that the account of election expenditure shall contain such particulars as may, by order, be specified by the State Election Commission.

A review of the accounts submitted by contested candidates over the years and the scrutiny of the same by the SEC revealed that the proformae specified earlier are neither easy for the filers nor are they amenable for effective scrutiny by the SEC. Hence, in exercise of the powers conferred under subsection (2) of section 237 of the Telangana Panchayat Raj Act, 2018, the State Election Commission, hereby, notifies the specifics and the formats according to which the election expenditure accounts shall be maintained in the elections to Panchayat Raj Bodies as follows-

1. **Accounts to be in the proforma specified:-** The Accounts of Election Expenditure shall be maintained in a register format consisting of:

   I. Cover page in Proforma – I depicting the details of election, name of the contesting candidate and total expenditure incurred etc.
   II. Index page in Proforma – II showing the day wise election expenditure abstract.
   III. Main pages in Proforma – III containing the day to day account of election expenditure of the contesting candidates.
   IV. Acknowledgment in Proforma – IV to serve as a record of submission with the candidate as well as the office of the Authorized Officer.

The proformas for maintaining register for account of election expenditure by the contesting candidates are appended to this Notification.

2. The 'day-to-day' true account of election expenditure incurred by contesting candidate or his Election Agent and also by his supporters, any political party, or body or association or other individuals supporting the candidature or for furthering chances of the candidate in the election shall be recorded in the main pages as in Proforma III.

3. The day to day expenditure account so maintained in proforma III shall be supported by proper vouchers failing which it will not be treated as true account of election expenditure as required under the law, save in cases where it is not possible to obtain vouchers.

4. Each of the supporting vouchers, enclosed with the account of election expenditure, shall bear the signature in full of the contesting candidate or his election agent.

5. The candidate or his authorized agent shall prepare an index/contents of the expenditure periodically during the campaign period in the proforma II enclosed to this Order and the same shall be duly signed by the candidate or his election agent certifying its correctness and shall be submitted to the designated authorities for inspection and scrutiny.

6. The original acknowledgment should be issued to the candidate on submission of the accounts. A copy of it shall be retained in the office of the receiving officer for the record purpose.

7. The State Election Commission directs that for concurrent monitoring, the "day to day basis" true account of expenditure in Proforma-III should be submitted every day to the MPDOs concerned by the candidate/election agent personally or through a messenger/post. The MPDO shall see that these day to day accounts of expenditure submitted are published and to make them available to anybody who intends to verify them.

8. The final of return of election expenditure in the proformae – I, II, III & IV attached to this Notification shall be submitted by the contesting candidates to the MPDO within 45 days from the date of declaration of the results of the Office for which they had contested.

I. Legal Provisions:

Section 237 of Telangana Panchayat Raj Act, 2018 stipulates that every contesting candidate at an election held under Telangana Panchayat Raj Act shall, either by himself/ herself or by his/her election agent, keep a separate and correct account of all expenditure incurred in connection with election between the date on which the candidate concerned has been nominated and the date of declaration of results of the election both days inclusive.

Sub-section (2) of section 237 stipulates that the account of election expenditure shall contain such particulars as may, by order, be specified by the State Election Commission.

Section 238 of Telangana Panchayat Raj Act, 2018, stipulates that

(1) Every contesting candidate at an election shall, within 45 days from the date of declaration of result of election, lodge with the Mandal Parishad Development Officer an account of his election expenses, which shall be a true copy of the account kept by him or by his election agent under section 237.

(2) The Mandal Parishad Development Officer shall submit the copies of election expenditure statements in respect of,

(a) the members of Gram Panchayat and Mandal Praja Parishad directly to the State Election Commission;

(b) the members of Zilla Praja Parishad to the Chief Executive Officer, Zilla Praja Parishad concerned for onward submission to the State Election Commission;

Under section 23 of TPR Act, 2018, the State Election Commission is empowered to disqualify a candidate from contesting election for a period of 3 years for failure to lodge an account of election expenses within the stipulated time and in the manner required under the said Act and in case the candidate is elected, he is liable for cessation of office for such failure.

For the purpose of clarity, the explanations given under Section 237 of TPR Act, **2018** for the election expenses are reproduced below.

Explanation-I. ' Election expenses' *for purpose of this Act shall mean all expenses in connection with the election,-*

(a) incurred, or authorized by the contesting candidate, or by his election agent;

(b) incurred by any association, or body of persons, or by any individual (other than the candidate or his election agent) aimed at promoting or procuring the election of the candidate concerned; and

(e) incurred by any political party, by which the candidate is set up, so as to promote or procure his election:

Provided that any expenses incurred by any political party as part of its general propaganda, (which is distinguishable from its election campaign, for the promotion or procuring the election of a particular candidate), by words, either written or spoken, or by signs or visible representations, or by audio-visual devises, or through print or electronic media or otherwise shall not constitute 'election expenses' for purposes of this Act.

Explanation-II*:- For the removal of doubts, it is hereby declared that any expenses incurred in respect of any arrangements made, facilities provided or any other act or thing done by any person in the service of the Government and belonging to any of the classes mentioned in clause (9) of section 211 in the discharge or purported discharge of his official duty as mentioned in the proviso to that clause shall not be deemed to be expenses in connection with the election incurred or authorized by a candidate or by his election agent for the purposes of this sub-section.*
(2) The account of election expenses shall contain such particulars, as may by order, be specified by the State Election Commission.

(3) The total of the said expenses shall not exceed such amount, as may by order, be specified by the State Election Commission.

The SEC issued Notification in the reference cited (enclosed to this circular) prescribing the particulars and the formats according to which the election expenditure accounts shall be maintained by the contested candidates in the elections to Panchayat

Raj Bodies and true copies of the same are to be submmitted to the MPDOs within 45 days from the date of declaration of the result.

In this regard the attention of all political parties and contesting candidates is, hereby, drawn to the provisions of section 171 of the Indian Penal Code which reads as follows:

"171 H. **Illegal payments, in connection with an election:-** whoever, without the, general or special, authority in writing of a candidate, incurs or authorises expenses on account of the holding of any public meeting, or upon any advertisement, circular or publication, or in any other way whatsoever for the purpose of promoting or procuring the election of such candidate, shall be punished with fine which may extend to five hundred rupees:

Provided that if any person having incurred any such expenses not exceeding the amount of ten rupees without authority, obtains within ten days from the date on which such expenses were incurred the approval in writing of the candidate, he shall be deemed to have incurred such expenses with the authority of the candidate".

Thus, from the above provision of law, it may be noted that the expenditure incurred by the supporters in connection with election of a candidate, without the knowledge or consent of the contesting candidate, is a criminal offence under the above law and persons, supporters, political parties, body or associations are liable for prosecution. And if such expenditure has been incurred, **with the knowledge** or with the consent of the candidate, then the same should be included in the account of election expenses of the candidate.

II. Directions for Compliance:

1. In order to put effective curbs on the incurring or authorising of expenditure, in violation of the statutory provisions of the above-referred section 171 H of the Indian Penal Code and in the interests of free and fair electors, the State Election Commission, in exercise of its powers under Article 243 K of the Constitution and Section 237 of TPR Act, hereby, directs as follows:

(i) No political party or any other association, body or individual, shall put up any cut-outs, hoardings, wall paintings, flags, banners, buntings, advertisements in newspapers, electronic media etc., without the general or special authority (in writing) of the candidate whose election is sought to be promoted by such cut-outs, hoardings, etc., as is statutorily and mandatorily required under Section 171 H of the Indian Penal Code. Strict penal action against those offending the above provisions of law shall be taken and prosecutions launched against them.

(ii) Subject to clause (iii) below, a political party or association or body may put up any cut-outs, hoarding, etc., referred in clause (i) above as part of its general

propaganda, which is distinguishable from its election campaign for the promotion of the election of a particular candidate. For example if the poster, banner etc. appeals to the voter to vote for a party in words or picture or photo of party office bearers only then it is a case of general publicity. But if a poster, banner etc. also appeals to vote for a particular candidate in words or picture or photo then the cost thereof should be counted towards the expenditure of that candidate. If there is more than one candidate promoted in the propaganda, then the expenditure shall be shared amongst them.

(iii) No political party, contesting candidate, association, body or individual shall put up any cut-outs, hoarding etc., either under clause (i) or under clause (ii) above, unless prior written permission of the concerned Government authorities or local authorities like Zilla Parishad, Mandal Parishad and Gram Panchayat has been obtained under the relevant local laws before putting up such cut-outs, hoarding etc.

(iv) Before granting any permission as envisaged in clause (iii) above, the concerned Government authorities or the local authorities mentioned above shall thoroughly examine the applications of the parties, association, bodies or individuals with a view to satisfying themselves that the putting up of such cut-outs, hoardings etc., on the proposed site does not compromise the safety and security of the general public and does not result in traffic and other hazards in any manner whatsoever. Such authorities shall also examine whether any authorisation from a particular candidate is required by the applicant in terms of clause (i)&(ii) above and, if so, whether such authorisation has been obtained by the applicant.

(v) It shall be the responsibility of the Government authorities and local authorities mentioned above to ensure that no cut-outs, hoardings etc., are put up by any political party, association, body or individual on any highways, road-sides, traffic intersection and crossings, government buildings and property, like electricity and telephone poles, etc., without prior written permission of the concerned department or local body and the written authorisation of the candidate, where required, as mentioned above. Any cut-out, hoardings, etc. which have been put up without the required permission and authorisation should be got removed/demolished forthwith at the cost of the party, association, body or individual responsible for the unauthorised putting up of the same.

(vi) Penal action shall also be initiated forthwith against such defaulting parties, associations, bodies or individuals by the Enforcement authorities under section 171 H, IPC and sections 4 and 5 of "Telangana Prevention of Disfigurement of Open Places and Prohibition of Obscene and Objectionable posters and Advertisements Act, 1997 (Act 28 of 1997)" the provisions whereof have been violated by the putting up of such unauthorised cut-outs, hoardings etc.

(vii) If any such instances either come, or are brought, to the notice of the election expenditure observer, District Election Authorities, Returning Officers or other authorities concerned with the conduct of elections, including the Police authorities,

they shall forthwith take up the matter for prompt action as directed in clauses (v) and (vi) above.

2. The Commission, hereby, warns all concerned that any violation of the above directions will be viewed seriously by the Commission and most stringent action possible under the law will be taken against the parties, associations, bodies or individuals responsible for such violations.

3. If any Officer is found to have failed to take prompt and expeditious action as envisaged above, he will render himself liable to strict disciplinary action for failure to discharge the official duty.

4. Concurrent monitoring during election campaign:

(i) The State Election Commission directs that for concurrent monitoring the "day to day basis" true account of expenditure in Proforma-III should be submitted every day to the MPDOs concerned by the candidate/election agent or by messenger personally or by post. The MPDO shall see that these day to day accounts of expenditure submitted are published and to make them available to anybody who intends to verify them.

(ii) The election expenditure observers will also undertake inspection and scrutiny of all the expenditure accounts constantly.

(iii) With a view to minimise the possibility of contesting candidates, their supporters, political parties, bodies or associations incurring expenditure in excess of the ceilings prescribed by the State Election Commission, it is felt necessary that the daily returns of expenditure should be made transparent by making them available to the public and the other contesting candidates, who, can help the Election Commission to effectively check the veracity of the returns with actual expenditure being incurred by the contesting candidates and their supporters. It is, therefore, decided that the designated officers should make photo copies of these returns and provide the same to other contesting candidates, any member of the public or Non-Governmental Organisation, on demand and on payment of xeroxing charges or a certified copy as per Section 76 of the Indian Evidence Act, 1872 and to the media, free of cost, so as to enable them to assist the Election Commission in effectively implementing the ceilings imposed on the expenditure to be incurred by the contesting candidates for various offices. The Commission is of the considered opinion that this exercise in bringing transparency in election expenditure will enhance the purity of elections and help in conduct of free and fair elections.

5. Final Expenditure Account:

The final return of election expenditure within the format and proformae prescribed in the notification cited shall be submitted by the contesting candidates to the MPDO within 45 days from the date of declaration of the results of the Office for which they had contested. The MPDO and the Chief Executive Officer of Zilla Praja

Parishad, as the case, may be, shall make these returns public and take up follow up action as per rules 104, 105 and 106 (1) of TPR (Conduct of Election) Rules, 2018.

The MPDO and the Chief Executive Officer of Zilla Praja Parishad, as the case, may be**,** shall also take follow up action in respect of candidates who failed to lodge election expenditure accounts within the stipulated time and in the manner required by or under the TPR Act, 2018, as per the procedure envisaged in sub rules (2) and (7) of Rule 106 of TPR (Conduct of Election) Rules, 2018. The report would be considered 'in the manner required' by or under the TPR Act, 2018, only when

(i) The Expenditure Account should be complete and true. An expenditure report which does not contain all the expenditure incurred will be considered incomplete and untrue and would be acted upon as per the provisions of the Act and Rules.

(ii) An expenditure Account that is in the format & Proformae prescribed by the SEC in notification No.178/TSEC-L/2018, dt.18.05.2018 (copy enclosed) will only be treated as being in the manner required by or under the TPR Act, 2018. Any divergence from the format & proformae will be treated as non submission and suitable action initiated against the concerned.

The election authorities relating to Mandal Praja Parishad & Zilla Praja Parishad and Gram Panchayat elections are directed to furnish a copy of these instructions to the contesting candidates under acknowledgement.
