INTRODUCTION

2nd ORDINARY ELECTIONS TO GREATER HYDERABAD MUNICIPAL CORPORATION, 2020

After formation of Telangana State, the 1st Ordinary Elections to Greater Hyderabad Municipal Corporation were held in January/February 2016 and its term was due to expiry on 10.02.2021.

The State Election Commission in order to comply with the Mandate stipulated under Article 243U (3) (a) of the Constitution of India, has drawn attention of the State Government well in advance emphasizing the constitutional mandate that the ordinary elections to GHMC are required to be completed before expiry of it's term i.e., by 10.02.2021. The State Government was informed about the major steps involved in the election process such as Delimitation of Wards and to formulate the reservations for the offices of ward members which had to be completed by the Government to enable the Commission to hold elections in time.

The Government in its letter dated 31.10.2020 sent a report on Completion of Pre-election exercises stating that Government has brought an amendment to section 5(2) of GHMC Act, 1955 and certain other provisions. In pursuance of this, the Govt., issued notification in GO. Rt. No. 562, MA & UD (GHMC II) Dept., dated:31.10.2020 treating the Reservation of wards made to STs, SCs, BCs & Women categories issued in G.O.Ms.No.25, MA&UD, dated:08.01.2016 for the elections to GHMC conducted in 2016 as a first term and to follow the same reservations of wards to STs, SCs, BCs & Women categories for present elections also as second term. Further, the Government also issued orders vide GO. Rt No. 561, Municipal Administration and Urban Development (GHMC II) Dept., dated:31.10.2020 to proceed with the existing delimitation of wards as was finalized during GHMC Elections -2016.

As an initial step, the State Election Commission vide it's Notification No.1272/TSEC-ULBs-GHMC/2020, dated:31.10.2020 ordered for Publication of Ward-

wise Electoral Rolls and simultaneously had given programme for publication of Polling Stations.

The Commission held several High Level meetings to review the preparedness for conduct of elections. After ensuring that all arrangements have been made for smooth conduct of elections, the election schedule was notified on 17.11.2020.

Two significant steps taken by the SEC for the GHMC elections in the back drop of COVID-19 pandemic are noteworthy. The commission issued broad guidelines on the lines of instructions given by Election Commission of India and ensured their strict implementation to curb the high risk of community spread of virus.

The second measure, which the SEC took a decision was to use Ballot Boxes for conduct of elections on the suggestions of the majority of the political parties & Medical & Health Department.

As for ensuring efficiency on the part of election staff, the SEC took all the precautions to see that the election machinery were properly trained and also to further strengthen the election machinery to meet every eventuality during the election process.

The election schedule was notified vide Notification No. 1294/TSEC-ULBs-GHMC/2020-1&2, dated:17.11.2020. The election Process commenced on 18th November 2020, Poll held on 01.12.2020, and results were declared on 4th December 2020 and in case of Ward No.136, Neredmet on 9th December 2020. The indirect election for the office of Mayor and Deputy Mayor was held on 11.02.2021.

Barring minor incidents, the election process went off smoothly. However re-poll was conducted in the Ward No.26-Old Malakpet of Circle-6, Malakpet, due to erroneous printing of Ballot Papers.

As per the schedule given by the State Election Commission, the newly Elected Body of GHMC took Oath of Office on 11.02.2021 and Elected the Mayor and Deputy Mayor on the same day. Thus the election process for the 2nd ordinary elections to GHMC was successfully completed.

POLLING STATIONS

In elections to Greater Hyderabad Municipal Corporation, the Returning Officer is responsible for setting up the Polling Stations and for publication of the list of Polling Stations with the approval of the Commissioner, Greater Hyderabad Municipal Corporation. The Polling Stations are set up more or less at a permanent location covering well defined polling areas. Changes became necessary only when there is an abnormal increase or decrease of electors in a particular polling area.

Keeping in view of the COVID-19 pandemic, the ECI in reference no. 23/2020-ERS, dated 4.9.2020 restricted voters' strength per polling station from 1500 to 1000. After discussions with the Commissioner, GHMC and other officials of GHMC, the Commission decided that, the elections to Greater Hyderabad Municipal Corporation are conducted with Ballot Boxes and the strength of voters to a polling station is fixed at a maximum of 1000 with marginal adjustments on par with ECI.

The Returning Officer concerned is entrusted with the work of identification of Polling Stations, preparation of list of Polling Stations, publication of draft list of polling stations, disposal of objections filed if any and Publication of final list of polling stations for Ward(s) of GHMC with the approval of the Commissioner & Election Authority, GHMC. The Commissioner & Election Authority, GHMC was made responsible for providing sufficient number of polling stations, publication of list of polling stations and ensuring that adequate facilities are in place for conduct of smooth poll. Special emphasis was also laid to check electrical points where videography or webcasting was proposed to be undertaken.

As far as practicable, the polling station should normally be located within the Ward and have a minimum area of 20 sq. meters so that there is no congestion inside the polling station. In view of the Covid-19 pandemic, bigger halls, rooms were selected as polling stations.

Instructions were issued that, in the areas predominated by weaker sections, polling stations shall be located in the same locality to the extent feasible.

Detailed guidelines were issued on setting up of polling stations for conduct of elections to Ward Member of GHMC in Circular No. 1256/TSEC-ULBs-GHMC/2020, dated:28.10.2020 **(Annexure - 45)**.

The final list of polling stations were published on 21.11.2020 as per the schedule given by the Commission in Circular No. 1283/TSEC-ULBs-GHMC/2020, dated:09.11.2020 **(Annexure-46)** on the basis of ward-wise electoral rolls published on 13.11.2020 with reference to 01.01.2020 as qualifying date.

Total 9101 polling stations were set up. The number of Polling Stations set up in each Circle of GHMC is indicated in the **Annexure - 47**.

The State Election Commission reviewed the subject of setting up of polling stations, their publication, inputs from political parties, redressal of complaints and action taken on suggestions made by political parties, individuals and groups in the meetings and Video Conferences conducted by the Commission to review the election preparedness. This exercise contributed in a long way to reduce the number of complaints to a minimum with regard to setting up of polling stations and ensured smooth conduct of elections.

The State Election Commission notified in the election schedule that the counting of votes of all the 150 wards of GHMC shall be on 04.12.2020 from 8:00 AM onwards.

INCIDENTS OCCURRED:

I. Ballot Papers of Ward No.136-Neredmet of Circle-28 Malkajgiri, GHMC were found 544 ballot papers were marked with the distinguished mark instead of Arrow cross mark:

During the meeting convened by the State Election Commission with the Counting Observers on 03.12.2020, it was brought to the notice of the SEC that, in some polling stations, the polling officers, by mistake, provided distinguish mark instead of arrow cross mark to the voters for marking on the ballot paper to cast their vote and sought clarification on the validity of such ballot papers which were marked with distinguishing mark instead of arrow cross mark, during counting of votes on 04.12.2020 whether to consider the ballot papers marked with the distinguish mark or not. **(**Minutes of the meeting is enclosed as **Annexure-123)**

Clarifying the issue on marking of ballot paper by voter using distinguishing marks instead of arrow cross mark, which occurred due to the mistake of polling officer, the Commission, in its Lr.No. 1192/TSEC-ULBs-GHMC/2020, dated: 03.12.2020, clarified that, if the intention of the voter is clear on marking to a particular candidate, that vote can be treated as valid vote to that candidate since it is a mistake of polling personnel, under Rule 51 (h) of Conduct of Election Rules, 2005. **(Annexure-124)**

Aggrieved by the clarification given by the SEC, a Writ Petition no. 22176 of 2020 was filed in the Hon'ble High Court.

The Hon'ble High court issued an interim order dated:04.12.2020 in I.A No. 1 of 2020 in W.P. No. 22176 of 2020 **(Annexure-125)**, wherein, the SEC was directed "to inform the Returning Officer and other officers to keep the ballot papers, which are not marked with the "Arrow cross mark" separately and keep a count of those disputed ballot papers till the writ petition is decided. If the margin of difference in the votes polled in favour of the 1st and 2nd candidates is more than the disputed ballot papers, the Election Officer is free to declare the results. If the margin is less than the disputed ballot papers, then the disputed ballot papers shall not be taken into account and the results of that ward may not be declared. The disputed ballot papers shall be kept in safe custody along with other ballot paper, as per the rules in vogue".

On the day of counting of votes i.e., on 04.12.2020, the Returning Officer of Ward No. 136-Neredmet, Circle –28 of Malkajgiri, GHMC, informed the Commission that, "during the process of counting of votes, it came to notice that, 544 ballot papers were marked with distinguished mark and the difference between the 1st highest polled votes and 2nd highest polled votes is 504 (i.e., 10052 – 9547). As the counting of distinguished mark ballot papers (544) has a bearing on the majority or declaration of the result, as per the instructions of the SEC in reference no. 1501/TSEC-L/2020, dated:04.12.2020 and orders of the Hon'ble High Court, the declaration of the result of Ward No. 136-Neredmet, Circle-28 of Malkajgiri, GHMC has been kept in abeyance.

The Hon'ble High court in its order dated:07.12.2020 in W.P. No. 22176 of 2020 **(Annexure-126)**, directed that the votes cast by the voters with distinguish mark in place of arrow cross mark provided by the polling personnel be treated as valid and declare the results.

In view of the above circumstances, the Commission issued orders in its order no.1294/TSEC-ULBs/2020, dated:07.12.2020 **(Annexure-127)** that, the counting process of all polled 544 ballot papers which were marked with distinguished mark and kept a side in polling station no. 50, Ward No. 136-Neredmet, Circle -28 of Malkajgiri, GHMC, shall be continued at 8.00 AM on 09.12.2020 from the stage

where the process is kept in abeyance as per Hon'ble High court interim order dated 04.12.2020 in W.P.No. 22176 of 2020.

The Telangana State Election Commission has developed Te-Poll Software (Web based application) to seamlessly prepare Ward Wise Municipal Electoral Rolls (WWMERs) from the Assembly Constituency Electoral Rolls (ACERs) published by the Election Commission of India. The module "Electoral Rolls Management System" of Te-Poll improves efficiency, accuracy and transparency besides providing additional services such as checking the status of a voter in Municipal Electoral Rolls list, downloading voters' slip and downloading of voter's lists (without photos) by the candidates, political parties etc,.

Before issue of Notification for preparation and publication of Electoral Rolls, the Commission will collect latest password free database of the ACERs from Chief Electoral Officer, GAD (Elections) Department and uploads it on its own database server, enabling their utilization by Deputy Municipal Commissioners of GHMC for preparation of Ward Wise Municipal Electoral Rolls (WWMERs). The EA & Commissioner, GHMC/EROs will provide CD in PDF Format or Hard Copy of the latest Assembly Photo Electoral Rolls to the Deputy Commissioners of GHMC for preparation of Ward wise 'merging statement' (**Annexure – IV**) using above said hard copies.

5. Utilization of the Module "Electoral Rolls Management System" (ERMS) in Te-Poll application software:- The ERMS Module in Te-Poll facilitates mapping the Assembly Constituency voters into the concerned Wards of the GHMC leading to generation and printing of Ward wise Electoral Rolls and Voter Slips in two formats i.e., with and without photos. Only the Electoral Rolls without photos can be published in the official websites of the TSEC/GHMC which is for the benefit of general public/candidates/political parties for verification of their names, downloading of electoral rolls and voter slips etc., for official purpose, including for use as marked copies of Electoral Rolls, the Photo Electoral Rolls can be printed by the Deputy Commissioners of GHMC by using official login.

The Te-poll software empowers the Deputy Commissioners of GHMC to ensure that every urban voter found in the Legislative Assembly Constituency to the

extent relevant to the district, is streamed in to the Ward Wise Municipal Electoral Rolls (WWMERs) through the 'tally' provision.

6. Preparation of Ward Wise Electoral Roll by the Deputy Commissioners of GHMC and Publication:-

The Deputy Commissioners of GHMC shall follow the following guidelines while migrating the voters' details from the ACERs into Ward Wise Municipal Electoral Rolls (WWMERs)–

He / She shall correlate the Assembly Constituency Polling Stations with the Wards of the GHMC concerned. Before re-arrangement, all the supplements existing to the ACERs till to date have to integrate into its mother roll and then the Assembly voters have to be rearranged in the Wards basing on their Territorial limits.

The Deputy Commissioners shall first prepare a **"merging statement" (Annexure-IV)** enclosed to this circular, which will guide the officials to seamlessly generate the Ward Wise Electoral Rolls from the Assembly Polling Station wise Electoral Rolls using "ERMS" module in Te-poll application software. Once the WWMERs are prepared, they have to be sub-divided into Polling Station wise Electoral Rolls within the Ward. This Ward wise, Polling Station wise Electoral Roll shall be published on the web-portal of the TSEC and Election Authority & Commissioner, GHMC. This is to facilitate easy verification of voter in the Electoral Rolls.

After verification, the Deputy Commissioners of GHMC as per the Notification issued by the State Election Commission, shall publish the electoral roll along with the notice in Form -I on the notice board of Ward Office, on the notice board in the office of the GHMC, Tahasil Office and Revenue Divisional Office concerned.

The State Election Commission will issue notification for preparation and publication of ward wise photo electoral rolls of Greater Hyderabad Municipal Corporation adopting latest Assembly Electoral Rolls with reference to 01.01.2020 as qualifying date for the purpose of conducting ordinary elections to GHMC as provided under Section 12 of GHMC Act, 1955. The Said section also stipulates that, any amendment, transposition or deletion of any entries in the electoral rolls or any inclusion of names in the electoral rolls of the Assembly Constituencies concerned made by the Electoral Registration Officer under Section 22 or 23 of Representation of people Act, 1950, up to the date of election notification for any election held under the GHMC Act, 1955 shall be carried out in the electoral rolls of the Corporation and such names included shall be added to the part relating to the concerned Ward.

After publication of GHMC draft photo Electoral rolls, it is anticipated that considerable number of applications will be filed under section 22 and 23 of RPI Act, 1950 availing continuous revision provided under Section 12 of GHMC Act, 1955 to get their names transposed , deleted or included in the Assembly Electoral Rolls and consequently in the Municipal Body electoral rolls before issue of election notification for GHMC. This pattern was distinctly noticed in the past during major local body

elections. Electoral rolls are subjected to close scrutiny by the political parties and general public, in view of the smaller size of local body constituencies, slender margins of victory and keen fight among the Contestants.

In view of the above, I request you to kindly issue necessary instructions to the District Election Officers of Hyderabad, Rangareddy, Medchal Malkajgiri and Sangareddy and all the EROs / AEROs having jurisdiction over the Greater Hyderabad Municipal Corporation concerned to undertake a special drive to process and dispose of applications filed in GHMC area up to issue of Election notification to GHMC under continuous revision for transposition, deletion or inclusion of names in the Assembly Electoral Rolls as early as possible on priority basis so that consequential amendments can be carried out in the GHMC electoral rolls before issue of election notification by the State Election Commission. Further, Applications filed after issue of notification for publication of electoral rolls of GHMC, need to be disposed of within the minimum statutory time of filing of application on day to day basis to ensure uptodate rolls on the day of election notification.

Receipt of this letter may kindly be acknowledged with the confirmation that the said instructions have been issued to all the concerned officers. A copy of the instructions /directions so issued in this behalf may also be endorsed to the Commission for its information and record.

This may be treated as most urgent.

MINUTES OF THE MEETING HELD WITH THE RECOGNIZED POLITICAL PARTIES REGISTERED WITH THE TELANGANA STATE ELECTION COMMISSION ON 12.11.2020 IN THE O/O TSEC, HYDERABAD

The meeting was chaired by Sri C.Partha Sarathi, IAS (Retd), State Election Commissioner, Telangana, Hyderabad.

The following officials of TSEC have attended the meeting along with the representatives of the recognized political parties registered with TSEC -

1. Sri M.Ashok Kumar,
   Secretary, TSEC
2. Sri N.Jayasimha Reddy,
   Joint Secretary, TSEC
3. Sri S.Vishnu Prasad,
   Joint Director, TSEC

Keeping in view of Covid-19 pandemic, SEC decided to allot slot of 15 minutes for each recognized political party registered with the TSEC from 10.15 AM to 01.45 PM in alphabetical order to express their views on ensuing GHMC elections.

In the beginning, the Commissioner briefed all the political parties that it is traditional to hold such a meeting before every election to inform the political parties about the law, procedures and arrangements. Article 243-E and 243-U of the Constitution of India mandates prompt conduct of elections before the end of term of the present body and the term of GHMC will expire by 10.02.2021. Under Article 243 (U) of Constitution of India, it is mandatory to hold elections to GHMC before its term expiry and explained that GHMC is having 150 wards which caters 30 circles and 6 zones. He reiterated that all the related information was given in advance to all the recognized political parties registered with TSEC for their convenience. The representatives of political parties who attended have expressed their views & suggestions on conduct of elections to GHMC.

Bharatiya Janatha Party (BJP):

Sri Chintala Rama Chandra Reddy and Sri NVSS.Prabhakar State Vice-Presidents have attended the meeting as representatives of BJP.

They expressed their views and suggestions as follows -

1) The period of present GHMC body expires in February, 2021, hence there is no need to conduct elections in December, 2020.

1A) why the delimitation of wards and ward reservations are not taken up afresh in GHMC?

2) While supplying ward-wise electoral rolls to political parties, polling area map (Nazri Naksha) and division maps were not provided. To be provided immediately.
3) Several names existing in earlier electoral rolls are missing in present rolls. They have to be included.

4) Electoral Rolls might have been published assembly polling station wise for the convenience of voters as well as political parties.
5) Sufficient time to be given for enrolment of missing/new voters.
6) House numbering is not proper in electoral rolls, to be rectified.
7) Voters of one family are split into two / three wards. To be rectified and included in concerned ward.
8) GHMC employees shall not be involved in election process. Employees of other departments to be deployed.
9) Involvement of local police during elections to be curtailed. Outside the GHMC area police to be involved.
10) Division-wise senior officials to be appointed to check the accuracy of the electoral rolls.
11) Liquor shops in GHMC area shall be closed from the date of election notification to declaration of results.
12) To ensure that voter slips are distributed to all voters by the official machinery well in advance.

The SEC has replied that there is no separate electoral roll for GHMC. In one of the SECs meetings, the Chief Election Commissioner of India has participated and found problem with preparation of electoral roll to local bodies in the country, then it was decided to provide the concerned latest Assembly electoral rolls in toto to the SECs of the States for preparation of electoral roll of the concerned local body for conducting elections to rural local bodies and urban local bodies. For the past so many years, the same process is being followed in many of the States for preparation of electoral rolls using the latest Assembly Constituency electoral rolls in toto. The Act stipulates to adopt the Assembly Electoral Rolls in toto for preparation of ward-wise electoral roll of GHMC. He further stated that concerned Dy.Commissioners of GHMC have already conducted meetings with the political parties in their circles and obtained their suggestions and objections on draft electoral roll published. All these objections and suggestions will be disposed off duly enquired by responsible GHMC officials. As per the provisions, there is a chance of enrolment of voters till the date of issue of election notification.

He further informed that he has given instructions to set up polling stations at the places where last ordinary Assembly elections were held as voters will be familiar with the polling booths.

Regarding distribution of voters slips, the Secretary, TSEC has stated that SEC will ensure that voter slips are distributed to all voters in advance. In addition, the political parties / candidates can also distribute the voters slips to voters in local body elections. Once the election process starts, the indulgence of GHMC officials will not be there as employees of other than GHMC will be appointed as Returning Officers, Asst.Returning Officers Presiding Officers, Polling Officers etc., to conduct the elections.

Regarding deployment of police from other places, SEC observed that it may not be possible to shift entire police personnel. However, the Observers appointed

by SEC will ensure that entire election machinery including police be impartial during the election process.

Communist Party of India (CPI):

Sri Chada Venkata Reddy, State Secretary and Sri E.T.Narasimha, City Secretary have attended on behalf of CPI. The SEC enquired whether they have received the material sent by the TSEC. They replied that they have received and expressed their views as follows -

1) Dead and duplicate voters existing in draft electoral rolls published for GHMC elections shall be deleted immediately.
2) There is a lot of disparity in voters strength from one ward to another for eg: in one ward the voters strength is 30,000 and in other voter the voters strength is 80,000. It should be rectified.
3) Reservations are not made properly. For eg:Jamgampet and IS Sadan divisions where there are no SC/ST voters but they are reserved for those categories. Requested to rectify such defects.
4) Earlier the delimitation of wards was not made properly. Now the same are being continued without rectifying the defects.
5) Recently most of the areas in GHMC are effected with floods and still relief operations are in progress. Hence, requested not to conduct elections till the effected areas return to normalcy.
6) To use face recognition technology in all wards to curb the impersonation.
7) Each poll party shall contain one urdu knowing officer atleast in old city area to guide the urdu speaking voters.
8) Suggested to close liquor shops atleast five days before the poll day

The SEC replied that delimitation of wards and reservations will be done by the concerned State Government as per the Act. The State Government issued GO stating that the existing delimitation of wards and reservations have to be followed in the ensuing GHMC elections, 2020 also. Regarding electoral roll preparations, there is no separate electoral roll for SEC, the SEC will map ward wise electoral roll of GHMC using the latest Assembly Electoral Roll in toto. If there are any grievances in Assembly Constituency electoral roll, the aggrieved have to file claims /objections before concerned Electoral Registration Officer. The voters enrolled in Assembly

Constituency Rolls till the date of issue of election notification for GHMC will be carried out to concerned ward wise electoral roll before the poll day.

Community party of India (Marxist) CPI (M):

Sri D.G.Narasimha Rao, Party State Secretariat Member and Sri M.Srinivas, Secretary, City Central Committee have attended the meeting on behalf of CPM.

The important issues raised by them are as follows –

1) Present GHMC body expires in February, 2021. There is no need to conduct elections immediately.
2) The schedule for filing claims and objections on draft ward-wise electoral rolls is very tight. Requested to give more time.
3) Electoral rolls to be purified before elections. Dead, double bogus voters to be deleted.
4) To implement Model Code of Conduct strictly during election period.
5) Since Hyderabad city is affected by Natural Calamity i.e, floods it is not advisable to conduct elections to GHMC immediately.
6) Campaigning vehicles permissions to be given by Returning Officers only.
7) Two wheelers to be exempted from obtaining permission to participate in election campaign.
8) Election expenditure of contesting candidates to be monitored closely during campaign period.

The SEC replied that as per the Act, the new body to GHMC shall come into existence before 3 months time of expiry of the term of the existing body. In 2017, bogus and dead voters were removed from Assembly Constituency electoral rolls by ECI. Now the Assembly Electoral Roll as on 26/09/2020 is taken for preparation of GHMC draft electoral roll. Generally, the people will not be alert with regard to their votes before issue of election notification but when election notification is issued, they complain that their names are not found in electoral rolls. However, the SEC replied that additions made to Assembly Electoral Rolls till the date of issue of GHMC election notification will be added to the GHMC electoral roll.

Regarding election expenditure accounts of contesting candidates, the SEC replied that the accounts are recorded and observed by maintaining shadow registers. The Secretary, TSEC suggested that the political parties should also monitor the elec.expenditure and complain to the Returning Officer with evidences if the candidates have not reported the true accounts.

Indian National Congress (INC):

Sri M.Shashidhar Reddy, Chairman and Sri G.Niranjan, Convenor, PCC Election Commission Coordination Committee attended the meeting.

The important points raised / suggestions made by them are as follows:

1) Electoral rolls to be published polling station wise but not ward-wise as there is a lot of confusion in voters for tracing their names in ward-wise electoral rolls.
2) House numbering is not proper in electoral rolls.
3) After publication of polling station wise electoral rolls, two weeks time to be given for filing claims and objections by political parties.
4) Reservations shall be limited to 50% as directed by the Hon'ble Supreme Court in earlier occasions.
5) E-voting is not advisable as the process has to be studied in depth.
6) The restrictions of 2 living children for contesting candidates is deleted in other local body elections. But it is not removed in GHMC elections. To address Government to amend the GHMC Act on par with the Municipal Act, 2019.
7) During last elections, all metro pillars, hoardings, bus shelters and public toilets premises were leased to ruling party candidates only for their advertisements. This time to provide level playing field to all political parties / contesting candidates, to be given equal opportunities for advertisements in these areas.
8) Requested to add contesting candidates name in Hindi language also on ballot paper.
9) As the GHMC area is affected due to recent floods, the elections to be conducted in appropriate time.
10) To purify the electoral roll before going for elections.
11) To implement e-voting system.

On advertisements using metro pillars etc, the SEC replied that once the election notification is issued MCC comes into force and level playing field will be provided to all the political parties.

Regarding discrepancies in Moosapet Division electoral rolls, the Joint Director, TSEC replied that the mistake was already identified and will be rectified soon.

All India Majlis-e-Ittehadul Muslimeen (MIM) party:

5) For facial recognition technology, there is no legal backing – Not to implement in GHMC elections.
6) To curb provocative speeches by political parties / individuals. Strict vigilance is required.

The SEC assured that action will be taken to rectify ward-wise electoral rolls basing on ward boundaries notified in 2016 and strict vigilance on provocative speeches during electioneering.

Telangana Rastra Samithi (TRS):

Prof.Srinivas Reddy and Sri Soma Bharat Kumar Gupta, General Secretaries, have attended the meeting from TRS party.

The main objections / suggestions made are as follows:

1) To implement Covid-19 guidelines strictly during campaigning.
2) To create awareness at every polling station on COVID-19 precautions.
3) Maximum 800 voters to each polling station.
4) Control the social media misleading the voters.
5) To establish separate system to enquire and take immediate action on mispropaganda by social media and spreading rumours etc.

The SEC replied that wide publicity will be given on precautions to be taken to control Covid-19 pandemic and every voter has to wear mask compulsorily to enter the polling station. Sanitizers will be provided at the entrance of the polling station.

With regard to voters strength to each polling station, in view of shortage of pucca government / semi.government buildings, 1000 voters will be assigned to each polling station.

He assured that separate wing will be opened to watch social media and take necessary action wherever required.

Telugu Desam Party (TDP):

Prof.Jyothsna, Central Committee Official Spokesperson & Telugu Mahila President and Sri Sripati Satish Kumar, State BC Cell President attended the meeting.

The main objections / suggestions are –

1) There is lot of disparity in voter strength from ward to ward. Requested to rectify it.
2) Voters not assigned as per ward boundaries notified.
3) The polling station shall be established within one kilometre to all voters.
4) Elections to be conducted only after preparation of perfect electoral roll.
5) For enrolment of voters, since the ECI website is freezed presently due to revision of ACERs, offline submission provision to be made available for new enrolment.
6) Voters in a household shall be allotted to a single polling station.
7) In some wards, voters strength is more than the ward population. Requested to conduct elections only after rectifying all the above defects (discrepancies)

Replying them, the SEC assured that action will be taken to arrange voters as per the ward delimitation boundaries notified and all the voters in a house hold will be attached to a single polling station and the distance to travel by a voter to cast his / her vote will be one kilometre as far as possible. Further, the instructions were already given to EROs to receive the Form 6, 7, 8 & 8A claims off-line and to dispose of them within stipulated time.

Yuvajana Sramika Rythu Congress Party (YSRCP):

Sri Sanjeeva Rao and Dr.P.Prafulla Reddy attended the meeting on behalf of YSRCP.

Main points raised are –

1) Polling stations shall be established within the polling area.
2) Some genuine voters deleted in Assembly voters list. Request to include them.
3) Sufficient time to be given for enrolment of new voters .
4) The disparity in ward division to be rectified.

5) Model Code of Conduct to be implemented strictly during election period.

The SEC assured to look into the issues raised.

All India Forward Bloc party:

The main issues raised by them are –

1) Ward-division is not scientific
2) Model Code of Conduct to be implemented strictly.
3) Helplines to be established at all levels.
4) Enquired about the ceiling limit on contesting candidates election expenditure.

SEC assured that during election period help lines will be established right from ward office to GHMC head office for the convenience of candidates / political parties / voters. He also informed that the candidates election expenditure limit is fixed as Rs.5 lakhs.

Sri Janaki Ramulu thanked the SEC for giving them an opportunity and appreciated the SEC for the measures being taken for control of Covid-19 and other pre-election arrangements.

1. The first Ordinary Elections to GHMC after formation of Telangana State were held in the month of January/February, 2016. Its term commenced from 11.02.2016 and it will expire on 10.02.2021.

2. Article 243-U (3)(a) of the Constitution of the India mandates, completion of elections to a municipality before expiry of its five years term. Sub-section (1) of Section 7 of GHMC Act, 1955 stipulates that, elections to GHMC shall be held within 3 months before expiry of its term.

3. The SEC is required to comply with the constitutional mandate and provisions of GHMC Act, to hold elections to GHMC before expiry of its term.

4. The major steps involved in the elections to GHMC are

Sl.No.	Item	Competent authority
1	Delimitation of wards	Government
2	Preparation and publication of ward wise electoral rolls	SEC
3	Finalization of reservations	Government
4	Preparation and publication of the list of polling stations	SEC
5	Conduct of elections	SEC

5. These events are sequential and interdependent on each other.

6. The statistical information relating to the last GHMC Elections held in January/February, 2016 was given to the GHMC officials.

The following agenda items were discussed.

1. Delimitation of wards

The SEC stated that, under Section 8 of GHMC, Act, 1955 the delimitation of wards falls within the domain of the Government. Before publication of electoral rolls, ward delimitation is required to be completed by the Government. The Government has to take a decision whether they continue the existing delimitation of wards that was made in 2015 or intend to do fresh delimitation of wards.

(i) If the Government intends to continue the same existing delimitation of wards for the ensuing elections also, the Government shall confirm the same to the SEC immediately so that the Commission will take action for pre-election work i.e., publication of electoral rolls, publication of polling stations etc.,

(ii) If the Government intends to do fresh delimitation of wards for the ensuing elections, it shall be completed 90 days prior to 10.2.2021 so that, the commission could conduct elections in time before expiry of the term of the GHMC i.e., 10.02.2021.

Keeping in view of the above, the SEC asked the GHMC commissioner to confirm the finalization of delimitation of wards to SEC by 30.09.2020.

The GHMC Commissioner said that, he would confirm the finalization of delimitation to the SEC by 30.09.2020.

2. Publication of Electoral rolls

1. The State Election Commissioner stated that, the SEC will not prepare electoral rolls on its own. As per section 12 of GHMC Act, and rules issued there under, the Commission will adopt latest Assembly electoral rolls of the GHMC for preparation and publication of ward wise electoral rolls. The Commission has already addressed a letter No. 1161/TSEC-ULBs/2020, dated 17.9.2020 to the CEO (GAD) Elections to provide electoral rolls of Assembly Constituencies that falls within the area of GHMC published w.r.t 1.1.2020 as qualifying date for preparation of ward wise electoral rolls. It takes about 60 days for preparation and publication of ward wise electoral rolls.

2. The SEC stated that, the ECI announced Special Summary Revision of photo electoral rolls with reference to 1.1.2021 as qualifying date. As per the schedule, the publication of integrated draft roll is on 16.11.2020 and the final publication of

electoral rolls on 15.01.2021. So these rolls cannot be used to hold GHMC elections before term expiry as these cannot catch up GHMC election schedule.

3. The SEC stated that, the CEO has already been requested to provide Assembly electoral rolls of GHMC and that there are standing instructions of ECI in ECI Lr.Ref. No. 23/SEC/2008/ERS, dated 10.12.2008, to share the Assembly Electoral data with SECs for the purpose of conduct of Elections to Local Bodies. The Additional CEO is requested to provide Electoral roll data at an early date, so as to process integration of Electoral rolls by the CGG team, the technology partner. The additional CEO has accordingly agreed to provide the same.

4. The SEC stated that since Assembly electoral rolls are going to be frozen by 23.10.2020, the EROs of Assembly Constituencies that fall within the GHMC area shall dispose claims and objections pending with them immediately following the due procedure. Any fresh claims and objections filed shall also be disposed within time. Any claims and objections received after freezing electoral rolls up to the date of Election Notification issued by the SEC shall be disposed by the EROs concerned.

5. Further, the CEO is requested to continue the updation of electoral rolls of Assembly Constituencies that fall within GHMC area to till the date of Election Notification issued by the SEC in the ensuing months and to issue a Circular to all the EROs/ Deputy Commissioners /RDOs of Assembly Constituencies that falls within the GHMC area in this regard.

6. The Additional CEO stated that he would issue a Circular accordingly to all the EROs of Assembly Constituencies that fall within GHMC area to dispose claims and objections received by them and also take up continuous updation of electoral rolls of Assembly Constituencies that fall within GHMC area till the date of Election Notification issued by the SEC.

3. Finalization of Reservations

The SEC stated that finalization of Reservations is pre-requisite for notifying elections. It falls within the domain of the Government. It shall be completed well in advance and inform to the Commission so as to enable the commission to complete the election process before expiry of term of the GHMC. The GHMC Commissioner stated that, he would confirm finalization of reservations to the SEC in time.

4. Precautionary guidelines to be followed during the COVID-19 pandemic on par with guidelines issued by the ECI.

1. The SEC stated that it is very important to take precautionary measures during election process especially on the day of poll and counting of votes and declaration of results. The GHMC officials shall discuss on these guidelines with concerned medical and health authorities and Deputy Commissioners and suggest to SEC, if any more guidelines or modifications are required. A copy of the broad

guidelines issued by the ECI for conduct of elections during COVID-19 is given to all the officials.

5. Fixation of voter strength for a polling station

1. The SEC stated that, the last Ordinary Elections to GHMC held in January/February, 2016 were conducted with EVMs without VVPATs. Polling strength was fixed @ 1200 voters per polling station. Explained the voting strength fixed for recently held local body elections as_,

Gram Panchayat elections - 600 voters per polling station

MPTC/ZPTC Elections - **with ballot box**

- 600 voters per polling station for simultaneous election
- 800 voters per polling station for single election of MPTC or ZPTC

with EVMs

- 1000 voters per polling station for simultaneous election
- 1200 voters per polling station for single election of MPTC or ZPTC

Municipalities - with ballot box: 800 voters per polling station
- with EVMs: 1000

2. Keeping in view of the COVID-19 pandemic, the ECI in reference no. 23/2020-ERS, dated 4.9.2020 restricted voters' strength per polling station from 1500 to 1000. Now the voter strength per polling station is to be decided whether 1000 on par with ECI or less. The SEC has asked the GHMC Commissioner to discuss regarding the voter strength per polling station with the Deputy Commissioners and other field level officials, keeping in view of the COVID-19 pandemic and confirm to the SEC as to final voter strength per PS to the Commission by 26.09.2020. The GHMC Commissioner stated that he would confirm it by 26.09.2020.

6. EVMs

The SEC stated that, the last ordinary elections to GHMC were held in January/February, 2016 and Greater Warangal municipal Corporation, Khammam Municipal Corporation, Atcham Municipality and Siddipet Municipality elections which were held in March and April, were conducted with EVMs without VVPATs. First time in India VVPATs were used by TSEC in 35 polling stations in Khammam Municipal Corporation elections held in 2016 as a pilot project. The Dy.Commissioners and their computer staff were already trained for six days by SEC on mapping of ward wise electoral rolls from ACERs using Electoral Management software in Te-poll.

The meeting was chaired by Sri C.Partha Sarathi, IAS (Retd), State Election Commissioner, Telangana.

The list of participants is enclosed as Annexure.

The SEC, Telangana has welcomed the participants to the meeting. He appreciated the timely actions taken by the telangana police including she teams who are attending the emergencies in a short period. He also appreciated the traffic management, patrol management etc., in Telangana and also use of mobile applications which is also very useful in elections. He further opined that without the police force the State Election Commission alone cannot conduct elections.

The SEC, than stated that whenever the polling stations are chosen the bandobust work will start. He told that by Monday or Tuesday final polling stations will be given to them. Lessons are learnt from Dubbak elections related to the police personnel. After studying the past elections held to GHMC, vulnerable areas have to be finalized for the present elections. Hyderabad is proved to certain poleration by virtue of demography and geography which may pose problems. Bandobust plans can made to conduct elections in a free and fair manner. Deployment of forces as per the requirement based on the vulnerable areas.

The SEC, telangana gave a presentation on the following agenda items in connection with GHMC elections:

He stated that it even the Supreme Court has emphasized that the Model Code of Conduct has evolved as a potential tool for conduct of elections. In the last 1960s this concept was evolved. He stated that the Supreme Court has recognized the powers of ECI and State Election Commission using Model Code of Conduct as guidance for conduct of elections. The provisions envisaged can be utilized for implementing the MCC. There should be uniformity in application of Model Code of Conduct as there are 3 Commissionarates in GHMC area. If one commissionerate has any problem, it may be reflected on other commissionerate. Any interpretation from one side may lead to complication to the other side. So uniformity has to be maintained. The static survelliance teams should also be utilized who are provided by the Election Authority. Cash is major problem in elections. When huge amount of cash is caught, the norms made by the SEC becomes very important.

SEC informed that all the relevant documents for conduct of elections, circulars, act and provisions are provided to all the participants. The combination of laws should be really sensitized and should be trained properly for proper maintenance of law and order. Community interaction also becomes very important. The interface with the community by the police will generate more ideas how to deal with the problems and how the things are turning out in the polling areas. The problematic concerns should be noted and kept an eye on them to get hold of the situation. Some small lapses which occur may cascade to major issues for us. No small lapses should be ignored to have good control over the situation.

There are 6 Zonal Commissioners, Dy. Commissioners, Returning Officers and Assistant Returning Officers, Nodal Officers system at different levels. There should be proper coordination between the election machinery and police hierarchy. The Commissioner, GHMC is nominated as the Election Authority. The State Police media interface is important. They need to sensitize at the grass root levels. Proper strategy should be maintained. Problems will not be with higher levels, but at the lower levels problems may arise. Situation may arise when some VIP enters the polling station.

The Collectors and District Magistrates of Hyderabad, Ranga reddy, Sanga Reddy and Medchal Malkajgiri districts are the Additional Election Authorities. Six Zonal Commissioners of GHMC shall also look after the elections.

The SEC informed that recently SEC had meeting with Collectors and Additional Collectors (Local bodies) also attended the meeting. The RDOs are nominated as Deputy Election Authorities. For every Ward there will be an RO and every ward will have an independent counting hall. ARO will also be there. Each counting hall will have 14 tables. So counting will be done fastly. Sometimes 30,000, 50,000 or some times 60,000. One or two Static surveillene teams shall be appointed depending upon the area. MPDOs, Agricultural Officers or District officers are appointed as Returning Officerss. Deputy Tahsildhars and MPDOs are appointed as AROs.MPDOs are assisted by another cadre. Unit of election is ward. RO will conduct the election and return the candidate to each ward. RO becomes very very important election authority. Presiding Officer has all the powers over the polling station. Dy. Commissioners will not have much authority. All the officials will get administrative support from the SEC.

In rural areas the RO is RDO. Entire planning is executed by RDO. The Returning Officer will be from one place and he conducts elections at other place. He is not familiar to the area of election. He gets all the support from the Deputy Commissioners. The RO is not vested with decision making power. The Dy. Commissioners of GHMC will finalize the polling stations. RO only calls for suggestions. Dy. Commissioners of GHMC are very good interface for police. Staturory enforcement work is concerned to the RO who will pass order for every ward.

There are 6 Zonal Commissioners out of which 2 Zonal Commissioners are IAS Officers and four from the Office GHMC. The number of voters in GHMC are 74 lakhs.

The SEC informed that today is the day of publication of draft electoral roll. On 13.11.20 final publication of electoral roll will be done. By 13.11.20 you will have exact voters list. On 15.11.20 the voters strength and poling stations will be known. 8,000 approx pol.station which will be freezing on Monday.

He stated that Model Code of Conduct is the level playing field for all the activities. There will not be any scope for partiality as such there will be neutrality. Any prosecution under MCC shall done as per the guidelines issued by the SEC.

The SEC with regard to licensed arms has stated that all circulars on illegal weapons seizure is important . You can also impugned the licensed arms.

He stated the types of bandobusts should be based on the polling stations. The perception becomes very very important. Once the polling stations are finalized , then you can have common norm so that there is no difference from one Commissionerate to another Commissionerate. Timely response is very crucial. Other levels at DCP office, ACP office can be handled. Whatever system you visualise that may be communicated.

We have mentioned places. Right from nomination to declaration of result they go to concerned places. Adequate security should be provided. 16 pages covid guidelines are given by ECI, the SEC has also given the covid guidelines. And informed all the participants to go through them. 30 places other than circle office are identified as DRCs. Presiding Officer will go the Polling station and come back to keep the ballot boxes at concerned places of DRCs.

The Commissioner, GHMC has informed that 30 locations are as located during last time. Only one location is changed. Separate strong rooms and counting centers are identified.

Some problem raised at city college during last election. Colleges are used as DRCs. Sufficient place, infrasture and lighting should be there. Survelliance teams and Flying Squads are important for working out deployment of forces. Depending upon the area of operation or sensitivity of the area. The surveillance and Flying squads may be used. Then how much local and how much outside force should be used can be finalized. The SEC appealed not to reduce force. It can be enhanced. No. of teams depend on the areas. Some areas will not have problems and some areas have problems. That should be taken care. Our goal is to hold incident free elections. Security till the boxes are sealed.

The Commissioner, GHMC informed that the ballot boxes will be placed in trunks. The SEC stated that the general opinion that EVMs go fast Ballot Boxes will take time should be overcome. The Supreme Court of India has stated VVPATs are compulsory. VVPATs are not available with SEC. So, SEC preferred to go with ballot

boxes. It has become like Sita has to face agnipariksha. Every time EVM has to be checked to show that it is working efficiently with sound body and sound mind. It has to be proved every time and it takes lot of time.

Micro Observsers and Election Observsers are appointed so there is no scope for impersonation. Academically there is no scope for impersonation. 150 stations selected should be spacious, have proper lighting and internet facility should be available.

Now a days for face recognition, just take the photo and matche with the photo in the server. One Polling Station per ward.

The SEC stated that he wanted to go with Evoting. But there were software problems and act has to be amended which takes a lot of time. If it happens, it will be pilot for the entire country.

In 2009 elections, at Puranapul and defence colony and srinagar colony there was voters list problem. Technical problem. There was Violence in puranapool. Hence, Repoll was conducted in certain wards. Sometime repoll has to be conducted. We have given broad guidelines for conducting elections.

Processions, nominations certain limitations are imposed. The same shoul be implemented. These are given by ECI. But those guidelines are violated. Bandobust proforma should be maintained uniformly in all commissionerates.

The SEC concluded that the contact numbers of the SEC officials can be noted for further correspondence.

The SEC asked for the suggestions of the participants.

Sri M.Mahender Reddy, the Director General of Police has stated that from the total presentation given by the State Election Commissioner, all the actions to be taken for conduct of elections are envisaged by the SEC. From the police department, with all department officials at all levels right from SHO, ACPs, Addl.DCPs, Joint.Commrs and Additonal Commissioners we should conduct free and fair elections from law and order point of view.

He told the officials of the police department that we should get this information to all our subordinate officers. We shall give equal opportunity to all the contested candidates which should be exhibited in our attitude and action. Then only we can achieve our goal. We should visualize our role with various stake holders role at various stages of election process. Out of 150 wards – 20% are vulnerable areas and within them also 20% will have problems based on the strength of political parties.

He stated that we should be open to observation from this point of view. Tighten the arrangements. Take supplement help. Our community partnership will go a long way. The perception of not going co-operative should not raise. This is time when the entire police force will gear up for one work so that people do not take law into hands. Most of the present Officers were not there during the last

elections. The entire machinery is new for GHMC elections. They have attended State Assembly elections. But in Assembly Constituency willingness to fight for each vote will not be there, but here the situtation is different. Our officials shall rise upto to the occasion to conduct elections in a free and fair manner. Once the role clarity is there. But special situation may arise and all of you are experienced officers so let us have the goal to conduct elections in a free and fair manner. Right person should be placed at the right place.

Sri Mahender Reddy, DGP has assured the SEC, that there will be uniformity from all the three Commissionerates. He told to all officials of police department to coordinate with the Zonal Commissioners and take necessary action. Border disputes should be resovled. First respond to the situation and then think about the area. From Dubak elections, we must understand that all political parties should be given equal opportunity. Our action should not lead to further problems.

With regard to Media interface, the DGP has stated that the social media and traditional media should be dealt with properly. We must ensure there is no conflict. Transparency should be there. If we don't handle with media if there is no problem also, they will create problems. Special attention should be given to media. All rumors in Dubbak on the day of election, series of videos, affected the law and order situation. We should be equally strong in social media. Neutralize any mis propaganda. It worsely effects.

With regard to the election Observers complaints, the police officials have to quickly respondent. So process is fair and equal to all. There shall be uniform application of alw and uniform procedures. Vulnerable situations should be tackled carefully. ACPs –ownership and deal the situation for larger good. COVID-19 guidelines should be used uniformly in all the 3 Commissionerates to control mobs.

The Commr.GHMC has informed that 150 wards are there in GHMC. The counting centre and DRCs are selected. DRCs and counting centres are separate and that they have made all necessary arrangements. Rest of arrangements are same as last time. He further stated that GHMC Circles may overlap and DCP areas and ACP areas are different. Zonal Commissioners and Zonal Dy.Commissioners of Police shall coordinate with the Asst.Commissioners of Police by conducting a meeting. Circle Offices are at different place and nominations are taken at different place. The SEC stated that security is important. For 150 counting centres locations are different. He stated that Ballot boxes lifting possibility will be there. Ballot boxes may be spoiled or lifted.

The Commissioner, GHMC told the DGP to follow the same method used during last GHMC elections. On question raised with regard to delimitation of wards, SEC answerd that it is the work of Government.

Sri Mahesh Bhagawat, CP Rachakonda told the police officials that without waiting for notification they should chalk out the plan for bandobust etc. so that coordination may be started as once notification is issued there will be only 15 days time.

The Secretary, TSEC has thanked the Director General of Police, Commissioners of Police, Additional Director General of Police, Dy. Commissioners of Police, Superintendent of Police, Sangareddy other officers and Commissioner, GHMC. He stated that the SEC has coordinated with all the machinery from the field level to the upper level and the trained ROs to conduct free and fair elections.

Welcoming the participants to the meeting, the SEC requested all participants and officials to introduce themselves to others. After introduction, he has stated that this is the first time to conduct such meeting with the All India Radio and other FM Radio representatives. The main idea behind this meeting is to utilize their services for ensuing GHMC elections to motivate the society. We are aware that the youth is the main listeners of Radio. Radio can be called as mass media in our society particularly FM Radios. It will influence a large part of the society especially young people.

He further stated that the radio is non-polarized media which gives reliable information to common man. The advantage of this media is that the Jaki's generally speaks in informal local language which attracts the large community of people.

The SEC desired that the All India Radio and other FM Radio should emphasize mainly on the following 3 points and to communicate clear message to audience specially the youth, in order to increase the voting percentage in GHMC elections –

1. They should brief about the historical importance, cosmopolitan culture, 29 years of history of Hyderabad city with world famous "Biryani", different languages, different cultures etc.
2. They should explain the importance of the GHMC elections for Hyderabad city. It is very important to select the right body of administration for Hyderabad city which will look after all the needs of this city. The elected body will decide the future of this historical city for five years. The general view of the people is that "what will happen if I Won't vote in GHMC

election?". They should be motivated to participate in elections and explain about the importance of voting.

3. Right to vote is the fundamental right as per the Constitution of India. General public should utilize their Right in democracy for development of the city.

The SEC stated that voting percentage during recent Assembly and Parliament elections in Hyderabad is recorded less than 50% or 50% but during earlier GHMC elections it has not crossed 45%. If voting percentage increases there will be more representation of the people in elections the new body and in the development of the city. Hence, requested the participants to focus more on motivating the GHMC voters to cast their vote during ensuing GHMC elections.

The SEC explained that the entire GHMC is divided into 150 wards. Each ward will elect a ward member. 150 wards caters to 30 circles and 6 zones. The Commissioner, GHMC is designed as the Elections Authority for GHMC elections by the State Election Commission. As the Election Commission of India conducts elections to parliament and Assembly, elections to Rural & Urban Local Bodies right from the gram panchayat to GHMC will be conducted by the State Election Commission. Both ECI and SEC derive their powers from the Constitution of India. Any action with regard to any GHMC elections related matters has to be taken up by the State Election Commission only.

SEC further explained that the Hyderabad is a metropolitan city consisting people from all states who earn their livelihoods by various means such as all kinds of business men, Govt. Employees, private sector employees, IT staff, labour etc. Hence, the people should be motivated to elect a body which will provide an efficient administration to cater needs of all such categories.

With regard to an enquiry made on COVID-19 second wave, the SEC replied that the occurrence of second wave or third wave of COVID-19 pandemic will be in our hands, if we maintain social distance, sanitize our hands regularly, no second curve or third curve will be affected, It is noticed that majority of the people are asymptomatic to the virus. The vulnerable people should take extra precaution to protect themselves from the COVID-19 pandemic. The Government should see that while protecting the society from COVID-19 pandemic, the economy should also be balanced. The SEC informed that GHMC elections will be held by taking all COVID-19 pandemic preventive measures like sanitizing the polling stations, providing sanitizers at polling stations, maintaining social distance during voting etc.

One of the participants enquired that whether the elections will be held with ballot boxes or EVMs. SEC replied that in this present COVID-19 pandemic situation, EVMs may not be appropriate. Use of ballot boxes is pandemic free and elections to GHMC will be held using ballot boxes only.

Clarifying on postal ballot paper facility, SEC replied that persons with disabilities, polling personnel, voters aged 80 years and above, voters found COVID- 19 positive can avail postal ballot paper facility for their franchise. COVID-19 active patients can also vote in polling station during the last one hour of poll

ie., from 5.00 PM to 06.00 PM as there will not be much rush at the last hour of poll.

One of the participants expressed that the main reason for less percentage of voting is they do not know where they have to vote or where their polling station is located. For this, the SEC explained that any voter can download their voter slip along with polling station information from the GHMC portal as well as TSEC web portal. GHMC app is also available for getting the voters slip. In addition, the Booth Level Officers will distribute the voter slips to all voters which contains the details of voter's serial number, polling station number, ward etc. The political parties / contesting candidates can also distribute the voter slips printed on white paper without any symbol for the convenience of voters.

The Secretary, TSEC stated that the material with information on GHMC elections is given to all participants who can go through it. The poll is scheduled on 1.12.2020 (Tuesday) `.e, from morning 07.00 AM to 06.00P PM.

The Secretary, TSEC requested the participants to motivate the voters for voting on the day of poll instead of enjoying the holiday declared for all government, private sector organizations etc., and also to create awareness that all COVID-19 pandemic precautions will be taken up by the SEC and administration like sanitizing the polling stations premises, provision of sanitizers at polling stations, maintaining social distance while voting, but every voter should come to polling station wearing a mask mandatorily.

The Joint Director, TSEC presented a demo on downloading of voter's slip from the TSEC portal, by searching in the TSEC portal with their name, epic number, house number etc. Further, the voter has to bring EPIC card or any one notified Identity document like bank pass book, employees identity card, driving licence, aadhar card etc., at the time of voting to vote in GHMC elections.

The participants thanked the State Elections Commission for convening the meeting and motivating them to educate the voters to cast their vote in ensuing GHMC elections.

CIRCULAR

Cir.No.1186/TSEC-ULBs-GHMC/2020 **Date:20.10.2020**

Sub: TSEC- Elections to Ward Member of Greater Hyderabad Municipal Corporation, Hyderabad – **Polling Personnel - Selection, Appointment and Training** – Instructions - Issued.

***

The Returning Officer is responsible for Selection and Appointment of the Polling Personnel with the approval of the Commissioner & Election Authority of Greater Hyderabad Municipal Corporation and for their Training in Municipal Corporation, under Section 30 of Greater Hyderabad Municipal Corporation Act, 1955.The procedure for appointment of Polling Personnel for conduct of elections either with Ballot Boxes or with EVMs is same. The following instructions are issued for Selection, Appointment and Training of Polling Personnel-

1. Under Section 30 of Greater Hyderabad Municipal Corporation Act, 1955, it is the duty of the Returning Officer to Appoint Polling Personnel viz., a Presiding Officer, one or more Polling Officers for each polling station in connection with conduct of direct election to the office of Ward Member in Municipal Corporation.
2. The mode of election for the office of Mayor of a Municipal Corporations is indirect. Therefore, a voter has to cast only one vote to elect a Ward Member.
3. To facilitate smooth conduct of poll from 7-00 A.M to 6-00 P.M. on the polling day.

During the poll process as per the existing procedure, the first polling officer is required to check first if the potential voter is having a valid photo-ID card and if so validate it. The voter may bring either the EPIC card issued by the ECI or any of the other photo-ID cards prescribed by the State Election Commission. Thus it requires considerable time for validation of the card and thereafter comparing the same with face of the voter. After this comes the process of verifying if he/she is a registered voter in the given polling station based on the voter slip presented. If this process is implemented properly and correctly, then there would be little scope for impersonation and consequently of the tendered votes. As a result, the current system is leaving scope for impersonation and the consequent tender votes requiring ordering of re-polls in all such cases. In the recent Gram Panchayat elections held in January,2019 and MPTC/ZPTC elections held in May/June, 2019, in ten Polling stations, due to improper identification of voters, tendered votes were polled which in turn resulted in declaration of polls therein as void and re-polls held. The scope for impersonation is much more in case of Urban areas especially GHMC. In order to

avoid such contingencies, the State Election Commission has decided to allot the duties to 1st Polling Officer i.e., identification and Marking Officer to validate the potential voter by comparing the specified photo Id document with the face of the voter. Only after proper identification of the potential voter with reference to the valid photo-ID card then the Marked copy of the Electoral Rolls shall verify and validate the entries in the MERs and allow the voter to proceed further to 2nd polling officer.

Duties of Polling Personnel in different situations where Ballot Papers are used are given below:

(a) Duties of Polling Officers where Polling Personnel required for Polling Station with 800 to 1000 voters is one Presiding Officer + 3 Polling Officers.

1st Polling Officer (Identification & Marking Officer)	Incharge of Marked Copy of photo electoral roll and be responsible for identification of electors. After validating the voter identity crosses the entry in the Marked Copy.

The Polling Officer shall obtain the signatures/thumb impression of the voter on the counterfoil of the Ballot Paper before issue of Ballot Paper to elector. He will also fold the Ballot paper Twice. First Vertically and then horizontally and unfold the Ballot Paper and hand it over to the Elector to enable him to Vote and drop in Ballot Box.

(b) Duties of Polling Officers where Polling Personnel required for Polling Station with more than 1000 voters is one Presiding Officer + 4 Polling Officers.

1st Polling Officer (Identification & Marking Officer)	Responsible for proper identification of the potential voter by comparing the photo on the ID document with the facial features of the voter. CIRCULAR

Cir. No.1256/TSEC-ULBs-GHMC/2020 **Dated:28.10.2020**

Sub: TSEC –ELECTIONS – Elections to the Greater Hyderabad Municipal Corporation– **Setting-up of Polling Stations** for Election to Ward Members – Guidelines – Issued – Reg.

***

Under Section 29 of the Greater Hyderabad Municipal Corporation Act, 1955, for conduct of elections to Member, Greater Hyderabad Municipal Corporation, the Returning Officer is responsible for setting up the Polling Stations and for publication of the of the list of Polling Stations with the approval of the Commissioner, Greater Hyderabad Municipal Corporation. The Polling Stations are set up more or less at a permanent location covering well defined polling areas. Changes will become necessary only when there is an abnormal increase or decrease of electors in a particular polling area.

Where the elections to Greater Hyderabad Municipal Corporation are conducted with ballot boxes, the strength of voters allotted to a polling station is fixed at a maximum of 1000 with marginal adjustments.

The Returning Officer concerned should be entrusted with the work of identification of Polling Stations, preparation of list of Polling Stations, publication of draft list of polling stations, Disposal of objections filed if any and Publication of final list of polling stations for Ward(s) of Greater Hyderabad Municipal Corporation with the approval of the Commissioner, Greater Hyderabad Municipal Corporation. Before publication of the draft list of polling stations, the Returning Officer concerned shall physically inspect the buildings proposed for Polling Stations in their Ward(s).

The following detailed instructions are, hereby issued for setting up of Polling Stations for ordinary/casual elections to Member, Greater Hyderabad Municipal Corporation.

2-1. DETERMINATION OF POLLING STATIONS:

a. The list of polling stations shall be prepared and published based on the strength of voters of the Ward concerned so prepared by adopting the latest Assembly Electoral Rolls and published on the date specified by the State Election Commission.

b. The optimum number of Polling Stations to be set up in a Ward where Ballot Boxes are used, should be determined by dividing the total number of voters in a Ward by 1000. Hence, the maximum number of voters allotted to each polling station in such an election should be 1000 with marginal adjustments.

i. When the number of voters in a Ward exceeds 1000, separate polling station should be set up, as far as possible, in the same building.

ii. Polling Station may be set up in colonies predominantly inhabited by the Schedule Castes and weaker sections of the society even though the number of voters is less than 1000.

2.2. As far as practicable, the polling station should normally be located within the Ward and have a minimum area of 20 sq. meters so that there is no congestion inside the polling station. In view of Covid-19 pandamic, bigger halls, rooms shall be selected as polling stations.

2.3. Select a hall/room which is well lit and is having two openings, as far as practicable, so that one can be used as 'entrance' and the other as 'exit' for the smooth and orderly conduct of poll.

The following are the main steps involved in setting up of Polling Stations:

I. Preparation of draft list of Polling Stations in **Annexure- I (A)** by the concerned Returning Officer accompanied by Map & Check List in **Annexure –II &** Scrutiny Sheet in **Annexure –III**.

II. Consolidated list of draft Polling Stations for entire Corporation in **Annexure I-(B)** to be prepared by the Commissioner, Greater Hyderabad Municipal Corporation accompanied with Corporation Map duly indicating the Wards, Polling Stations in each ward & Polling areas of each polling station and communicate to Returning Officers.

III. The Returning Officers will publish draft polling stations list approved by the Commissioner, Greater Hyderabad Municipal Corporation in the format of **Annexure-I (A)** at the places specified inviting the objections & suggestions.

IV. Convening the meeting with representatives of all political parties, Members(s) of Legislative Assembly by the Commissioner, Greater Hyderabad Municipal Corporation to discuss on draft polling stations; which is prepared **Annexure –I (B)** inviting suggestions & Objections if any.

V. The Returning Officer will dispose of all suggestions & objections received in his Ward/Wards. Prepare final list in **Annexure –IV (A)** and submit to the Commissioner, Greater Hyderabad Municipal Corporation along with **Annexure-V** certificate.

VI. The Municipal Commissioner shall scrutinize and consolidate the proposal of final polling stations received from all the Returning Officers in **Annexure - IV (B);** approve & communicate to the Returning Officers along with proceedings in **Annexure – VI.** The **Annexure-IV (B)** also to be published by the Commissioner at the places specified.

VII. The Returning Officer will also publish the final list of polling stations pertaining to his Ward in **Annexure-IV (B)** as approved by the Commissioner, Greater Hyderabad Municipal Corporation along with notice in **Annexure-VII.**

3. LOCATION OF POLLING STATIONS:

The demarcation of polling area should be clearly defined. The area of a Ward of the Greater Hyderabad Municipal Corporation covered by the polling area and the number of voters in it should be shown in the respective columns against each polling station. The map of a Municipal Area showing polling stations should be prepared and converted into digital form. By a clear description of the polling area, such as H. No: 1-1 to 1-128, Kummari Basthi; H. No; 4-12 to 4-128 Main Road: H. No: 6-12 to 6-212 Harijana Wada; etc so as to make it possible for an ordinary voter to identify his/her polling station. In order to ensure that a uniform method is followed in the matter of filling up the columns of the format in **Annexure - II.**

While preparing the check list for preparation of draft polling stations (**Annexure - II**) the following instructions should be kept in mind –

a. The actual site of each Polling Station should be chosen carefully in advance and arrangement for such structures, fittings, etc., as may have to be set up in order to make the polling station satisfy the functional requirements, should be made at least three days before the day of Poll.

b. To the extent practicable, Polling Stations should be located at the same place/ building where it was located in the last Ordinary Elections, so that the voters could go and cast their votes always at the same Polling Station and not at different Polling Stations for different elections.

c. Polling Stations should be set up in such a manner that ordinarily no voter is required to travel more than one Kilometer for casting his vote. In order to avoid voters having to walk unduly long distances, polling stations in such cases should be set up for a smaller number of voters also.

d. If the polling station is for both men and women, there should be separate queues for men and women. The old, infirm, pregnant women, lactative mothers and differently abled persons should be allowed to enter the polling station without having to stand in the queue.

e. All polling areas within the Ward should be covered by one or the other polling stations.

f. As far as possible, polling stations should be located in schools (Government or aided) and other Government or semi-Government institutions such as Municipal Ward Offices and Community Halls as the furniture and equipment required would be available there and could be made use of without any extra expenditure to the Greater Hyderabad Municipal Corporation. The location of polling stations in private buildings or premises should be avoided. But where this becomes unavoidable, the buildings should be properly secured with the written consent of the owner. The private building so obtained should be at the disposal of the Returning Officer for the period required for the poll. The building and the area around it up to a radius of one hundred meters should be under the control of the Presiding Officer. No watch

and ward or other personnel connected with the owner, whether armed or unarmed, should be allowed to remain either at the polling station or within a radius of hundred meters around it. The security arrangement at the polling station and within the above area will be the responsibility of the State Police under the control of the Presiding Officer. It should be ensured that the owner of the private building in which polling station is located is not a contesting candidate or a known sympathizer or worker of any of the political party.

g. No polling station should be located in Police Stations, Hospitals, and places having religious significance.

h. All the polling stations shall be setup in ground floor only to avoid inconvenience to old aged and disabled persons.

i. In case no suitable buildings of the Government or private are available, the polling station can be located in temporary structure as a last resort, but, as far as possible, this should be avoided as it involves considerable expenditure to the Corporation and is also open to other risks like natural calamities, fire etc.

4-1: SETTING UP OF POLLING STATION FOR VOTERS SUFFERING FROM LEPROSY:

If there is a leprosy sanatorium within the Greater Hyderabad Municipal Corporation, then a separate Polling Station may be set up for the inmates alone and the Officers, medical and other staff, working in the sanatorium, may be appointed as Presiding and Polling Officers of that Polling Station.

4-2. PROVISION OF POLLING STATIONS FOR WEAKER SECTIONS:

TELANGANA STATE ELECTION COMMISSION
1st Floor, DTCP Building, A.C.Guards, Hyderabad – 500 004.

CIRCULAR

Cir.No.2869/TSEC-ULBs/2019 **Dated:26.11.2019**

Sub:- TSEC – Elections to Urban Local Bodies – Preparation of list of contesting candidates for the office of Member, Municipal Corporations and Municipalities including GHMC– Instructions – Issued – Reg.

***

Rule 9 (1) of Telangana Municipal Corporations (conduct of Election of Members), Rules, 2005 stipulates that, on the expiry of the time allowed for withdrawal of candidature, the Returning Officer shall prepare the list of contesting candidates in Form – XI for Greater Hyderabad Municipal Corporation and publish it on the notice board of his Office.

Rule 14 of Telangana Municipalities and Municipal Corporations (Conduct of Election of Members) Rules, 2019, stipulates that, on the expiry of the time allowed for withdrawal of candidature, the Returning Officer shall prepare the list of contesting candidates for Municipalities and Municipal Corporations other than GHMC in Form – VII and publish it on the notice board of the Municipal Office.

The following instructions are issued with regard to preparation and publication of list of contesting candidates:

1. (i) In case of Greater Hyderabad Municipal Corporation elections, the list of contesting candidates shall be prepared by the Returning Officer in Form – XI and publish it on his/her notice board.

   (ii) In case of Municipalities and Municipal Corporations other than GHMC, the list of contesting candidates shall be prepared by the Returning Officer in Form – VII and publish it on the notice board of the Municipal Office.
2. For the purpose of listing, the names of the candidates shall be classified into four categories as indicated below as Urban Local Body elections are conducted on party basis:
   (i) Candidates of Recognized National and State Political Parties registered with the State Election Commission.

(ii) Candidates of Political Parties registered with the State Election Commission with a reserved Symbol.

(iii) Candidates of Political Parties registered with the State Election Commission without a reserved Symbol.

(iv) All others as Independent candidates.

3. The names of the candidates in Form – XI in case of Greater Hyderabad Municipal Corporation and Form – VII in case of Municipalities and Municipal Corporations in each of above category shall be arranged with reference to name of the candidates in **Telugu alphabetical order** as written in the nomination paper of the candidates on the basis of first letter of their name irrespective of whether the name given is a proper name or surname. However the serial numbers of candidates of all the above four categories shall be given consecutively and not separately for each category.

4. If the proper name of a candidate precedes the surname, the first letter of the proper name shall be taken into consideration for the purpose of arranging name in the list of contesting candidates.

   Eg: If the name is written as సరోజ అత్తిలి ; 'స' to be taken for arranging in **Form –XI/ Form – VII**.

5. Initials, if any prefixed to the name of the candidate shall be ignored for the purpose of arranging name in the list of contesting candidates.

6. If two candidates falling in the same category bear the same name but different initials, then two names should be arranged inter se with reference to the first letter of the initial.

   Eg: ఎ. వి. సుగుణ prevails over జి.యం. సుగుణ in **Form – XI / Form – VII**.

7. If two or more candidates falling in the same category bear the same name, surname /initials, they may be distinguished by adding the suffix "son of /daughter of/wife of ……..or by addition of their occupation or residence or in some other manner" as may be appropriate. Name of the father/mother /husband can be obtained from the nomination paper. In such cases, the names of the candidates shall be arranged in the List of Contesting Candidates in the order in which their nominations were received by the

Returning Officer. Therefore, suffixing the name of father /mother /husband would be convenient and it would provide uniformity and clarity.

Eg: ఎ. వి. సుగుణ W/o రమేష్ filed her nomination earlier than డా. ఎ. వి. సుగుణ W/o మహేష్. Hence, A.V. Suguna W/o Ramesh prevails over A.V. Suguna W/o Mahesh in **Form – XI / Form – VII**.

8. There will be no objection to the addition of any honorific, academic, hereditary professional or any other title to the name of a candidate but such title should on no account be taken into consideration in the arrangement of names in alphabetical order.

9. **It should be noted that, on the ballot paper, only the name of the candidates in same serial order as they appear in the list of contesting candidates in Form – XI/VII shall be printed. The distinguishing additions/suffix i.e., occupation/residence/son of/ daughter of/wife of etc., mentioned in para 7 above shall not be printed on the ballot paper. However, the addition of any honorific, academic, hereditary professional or any other title to the name of the candidate as mentioned in para 8 may be printed on the ballot paper.**

There is no need to print or affix symbol allotted to the contesting candidates in Form – XI/Form – VII. It is enough to mention symbol name in column 5 of said Forms.

IX. Model Code of Conduct in Elections to Indirectly Elected Offices of GHMC

Articles 243K and 243 ZA of the Constitution provide for setting up of State Election Commission (SEC) for conduct of free and fair elections to local bodies.

The Chapter II of GHMC Act, 1955 makes detailed provisions for ensuring free and fair elections to the local body. Chapters II & XVII of GHMC Act, 1955 enumerate various electoral offences. The Indian Penal Code also provides for strong protections against electoral offences through Sections 171A, 171B & 171C.

Considering the letter and spirit of the Constitutional and statutory provisions and also considering the ground realities, the State Election Commission has notified the Model Code of Conduct with the object of providing level playing field to all the candidates and political parties. However, the provisions of this MCoC address mostly the concerns associated with the direct elections and it does not afford similar protection against the malpractices encountered during the indirect elections.

During the past indirect elections, it was often noticed that various political parties and other influential candidates organise "camps" by confining the elected representatives for extended periods of time ostensibly to protect them from being won over by the opponents. Camps typically involve housing in secret or unknown locations usually in luxurious settings. Organisation of such camps involve incurring of considerable expenditure and also employment of extra ordinary influence. Thus the indirect elections tend to afford undue opportunities to be monopolised by the rich and influential parties and persons. Party in power tends to enjoy additional advantage because of its overt and covert influence over the Government machinery for doling out explicit and implicit favours/ disfavours through various departments and agencies.

Employment of all such illegal measures tend to distort healthy democratic functioning besides breaching the trust reposed by the voters in their representatives. It is not rare to see instances where newly elected representatives yield to such measures by voting against the whips issued by their respective parties, thereby foregoing their hard earned membership in the First meeting itself necessitating conduct of casual elections at great cost to the public exchequer.

Hence, with a view to rein in the illegal practices of bribing, exertion of undue influence etc., on the elected representatives, it is proposed to add a special section in the MCoC with the following specific measures.

1. The MCoC for indirect elections shall commence from the date of declaration of result of directly elected posts (Ordinary Elections) and shall extend till the completion of indirect election of the concerned local bodies.
2. Bribery as defined in GHMC Act and Indian Penal Code is not to be resorted by any of the political parties, the elected members seeking offices such as Mayor/Dy.Mayour of GHMC either directly or indirectly.
3. Ban on exertion of undue influence on the elected representatives for voting against the whips issued by their respective political parties during the indirect elections. Neither the political parties, nor any of their candidates involved in the indirect elections shall exert or attempt to exert any undue influence against any of the electors while exercising their electoral rights.
4. No political party nor any of the contesting candidates shall offer any post to the electors as an incentive for defying their party whip while exercising their voting rights.
5. The party in power or any of the functionaries of Government should not misuse or attempt to misuse their power covertly or overtly for extending incentives or disincentives while granting certificates, licences, work contracts or in disposal of pending cases, payment of pending bills, revision of contracts etc. Similarly the investigating agencies shall not resort to any partiality in registration of offences or framing charge sheets, enforcement of arrests, NBWs etc.
6. No political party or any candidate shall organise any camps with elected representatives either directly or indirectly.
7. There shall not be any canvassing, campaigning activity pertaining to the indirect elections to GHMC from 48 hours prior to the hour fixed for the conduct of such indirect elections. Such ban on canvassing, campaigning etc shall continue till the completion of the indirect elections.

Any violation of the above provisions of the MCoC shall invite suitable prosecution or / and action under relevant provisions of the Acts/rules concerned. Section 612 of GHMC Act, 1955 shall be invoked in appropriate cases.

X. Prosecution

1. The violation of these provisions is punishable under various laws.
2. The Election Authority, GHMC, Additional Election Authorities, Deputy Election Authorities, Assistant Election Authorities concerned and the Police are authorized to initiate prosecution against violators of this Code before the Competent Criminal Courts under intimation to the State Election Commissioner.

No.1163/TSEC-L/2020-1 **Date:05.11.2020**

To
The Principal Secretary to Government,
Home (Courts-B) Department,
Telangana Secretariat,
Hyderabad.

Sir,

Sub: TSEC - Elections - Ordinary elections to GHMC – Zonal Officers, Flying Squads (FS) and Static Surveillance Team (SST) - Constitution of teams and conferment of Magisterial powers on an officer each in the FS & SST and Zonal Officers - Reg.

Ref:- TSEC Order No.1163/TSEC-L/2020, dated:25.09.2020.

***

I wish to state that, the State Election Commission has set in motion the process for conduct of ordinary elections to GHMC.

In the reference cited (copy enclosed), the Commission issued orders for Constitution of Flying Squads (FS) and Static Surveillance Team (SST) and Standard Operating Procedure to watch on movement of illicit liquor, items of bribe or large amount of cash arms and ammunition and also movement of anti-social elements.

As is the case with elections, the Law and Order problems frequently arise. As of now, the District Collector and few of the Revenue Officers alone are vested with the Magisterial powers. Unless Magisterial powers are conferred on an officer, preventive action by utilizing the provisions of section 144 Cr.P.C cannot be taken. It may be difficult for Revenue Officers to reach the spot in cases of emergencies during elections, in order to exercise the powers under section 144 Cr.P.C. The responsible Officers available on the spot on whom Magisterial power can be conferred under section 21 Cr.P.C are officers heading Static Surveillance Teams, Flying Squads and Zonal Officers in the ensuing elections to GHMC in the interest of maintaining peace during the Election period under section 21 of Code of Criminal Procedure, 1973 and they be authorised to exercise the powers of executive

magistrate under section 37, 44, 103, 129 & 144 of Code of criminal procedure, 1973.

Static Surveillance Team (SST): There shall be one or more Static Surveillance Teams (SST) in each Circle of GHMC with one magistrate and three or four police personnel in each team who shall be manning the check post in shifts, round the clock.

Flying Squads (FS): There shall be one or more Flying Squads (FS) in each Circle of GHMC. The Flying Squad is headed by one Executive Magistrate. The FS shall start functioning from the date of announcement of election and shall continue till completion of poll.

Zonal Officer: The Zonal Officer who will be on the move and will be monitoring the law and order situation on the day of Poll. The number of Zonal Officers to be appointed in a Circle of GHMC will be depending on the number of routes in the Circle.

During ordinary elections to GHMC held in January/February, 2016, the Government issued orders conferring Magisterial powers on such Officers, a copy of the order issued vide G.O.Rt.No.46, Law (LA, LA&J – Home-Courts-B) Department, dated 20.01.2016 and G.O.Rt.No.61, Law (LA, LA&J – Home-Courts-B) Department, dated 29.01.2016 are enclosed herewith. The same conferment is required for the GHMC elections this time also.

The Commissioner & Election Authority, GHMC is advised vide this office Lr.No.1163/TSEC-L/2020-3, dated:05.11.2020 to send proposals indicating the names of Zonal Officers, Officers heading the Flying Squads (FSs) and Static Surveillance Teams (SSTs) and the jurisdiction in which they will exercise the Magisterial powers directly to the Government in Home Department.

I therefore, request you to confer the magisterial powers on the Zonal Officers, Officers heading the Flying Squads (FSs) and Static Surveillance Teams (SSTs) to be appointed in the ensuing elections to GHMC as per the proposals submitted by the Commissioner and Election Authority, GHMC.

Cir.No.1182/TSEC-L/2020 **Dated:26.09.2020**

Sub: TSEC – Elections – Ordinary elections to GHMC - Implementation of Model Code of conduct – Action against violators – Statement showing the provisions of law relating to offences and corrupt practices in connection with elections to Urban Local Bodies – Issued.

***

The Model Code of Conduct (MCoC) is implemented from the date of issue of election Notification till the completion of election process, in order to maintain the purity of elections and to create a level playing field for all political parties and contesting candidates.

MCC is not a mere statement of good intentions but an order backed with legal provisions enabling the implementing authorities to initiate action against delinquents. A statement showing the various components of Model Code of Conduct vis-a-vis provisions of Greater Hyderabad Municipal Corporation Act, 1955, Indian Penal Code, 1860 and other enactments under which prosecution can be launched against the violators is enclosed as Annexure.

The Commissioner and Election Authority, GHMC, Additional District Election Authorities, Returning Officers, Law Enforcement Authorities and Election Observers are requested to closely monitor compliance with the provisions of the Model Code of Conduct and wherever there is a violation, the Commissioner & EA, GHMC, the Commissioners of Police, Hyderabad, Cyberabad and Rachakonda and Superintendent of Police, Sangareddy shall prosecute the violators under the relevant provisions of law. They need not obtain any specific permission of the State Election Commission for such prosecutions. Almost all violations can be brought within the scope of one or the other penal provision enacted in the GHMC Act, 1955, IPC or other specific enactments such as Prevention of Disfigurements of Open Places and Prohibition of obscene and objectionable posters and Advertisements Act, 1997 etc.

The Commissioner and Election Authority, GHMC and the Commissioners of Police, Hyderabad, Cyberabad and Rachakonda and the Superintendent of Police, Sangareddy are therefore directed to enforce the various provisions of law in order to ensure complete compliance with the provisions of the Model Code of Conduct.

The investigating and prosecuting authorities may be instructed suitably in this regard and implementation of the appropriate provisions of law shall be ensured to maintain the purity of election process and to see that money and muscle power do not determine the poll outcome.

Model Code of Conduct has to be enforced impartially. Utmost care has to be taken to ensure that **the law enforcement machinery not only acts fairly but also is perceived to be acting fairly. 3. For this purpose, the District Election Authorities / Commissioner of the concerned ULB shall make use of video cameras and crew available with the governmental and semi-governmental organizations within their jurisdiction. In cases where such cameras in Government / Semi Government Organizations are not sufficient, then requisition local private professional videographers. While selecting the private videographers, care should be taken to select only trust worthy and professionally competent persons having no political bias or links.

4. Keeping in view the size of the Municipal Corporation/Municipality, previous history of election related violence and electoral malpractices, general law and order situation, likelihood of corrupt practices and electoral offences, the District Election Authority/Commissioner of respective ULB may increase the number of videographers as indicated above.

5. Guidelines for selection and deployment of videographers:-

i. The private videographers to be hired shall be screened thoroughly as to their professional competence, track record, political affiliations and other related factors.

ii. The videographers should not belong to any political party and should not be known sympathizers or supporters or close relatives of any of the contesting candidates or any of the leaders of any political party or should not have been hired by any political party or contesting candidate.

iii. The Returning Officers are required to provide tea, snacks food etc, to the videographers and they shall not be left to fend for themselves while on duty. It shall be ensured that the videographers DO NOT accept the hospitality of any contesting candidate or political party or their workers.

iv. The videographers, so engaged, shall be given proper briefing to enable them to record an independent and purposeful coverage of critical events relating to violation of Election Law and Model Code of Conduct. Particularly, the videography should be used as a tool of document and check the veracity of the election expenditure account being maintained by the contesting candidates. Thus, important public meetings, particularly those addressed by VIPs, rallies organized by supporters of contesting candidates, vehicles used, Publicity materials displayed, Published or Telecast etc can be recorded in videography and information gathered can be used to cross check the correctness of the expenditure accounts being maintained by the contesting candidates.

v. Video teams should be under the personal supervision and guidance of a senior officer who has been designated for this purpose. There should also be a close rapport between the video teams and stationary / mobile squads monitoring the observance of Model Code of Conduct.

vi. As and when required, the video teams may be asked to accompany the Election Observers so that all critical events observed by them may also be videographed.

vii. The videographers shall be impressed that the principle behind the scheme is to record and videotape critical events only which are likely to vitiate the poll and not to just videotape all events in a routine manner in order to fill the cassette or CD.

viii. The CDs/Cassettes recorded shall be taken possession of by the Returning Officer from time to time to safeguard critical recordings.

6. It is suggested that following events shall invariably be videographed:

i. Meeting addressed/attended by Ministers, top National/State level leaders of recognized political parties & star campaigners.
ii. Riots or riotous situations or commissions of brick batting, free-for-all etc.

iii. Violent incidents, damaging of property, looting, arson brandishing of arms etc.
iv. Booth capturing.
v. Intimidation of voters.
vi. Open bribing of voters by distribution of cash, sarees, dhoties, blankets, Liquor etc.
vii. Canvassing within 100 meters of polling stations.
viii. Vulgar display of expenditure, like erecting huge cut-outs etc.

(Note: These are only illustrative and not exhaustive.)

7. The idea underlying the videography is to secure unimpeachable evidence in respect of acts amounting to violation of Model Code of Conduct that can be used by the police for prosecuting persons in respect of election offences. The videography may therefore be so utilized as to serve the above purpose in particular and other purposes in general.

8. The video films thus prepared shall be viewed by the District Election Authority/Commissioner of respective ULB or Officer Authorized by him promptly to identify whether any of the organizers / speakers or other participants of the public meeting has committed any violations or infractions of statutory provisions and directions of the Commission or Model Code of Conduct relating to the conduct of elections.

9. In cases where the Returning Officer himself or the District Election Authority/ Commissioner of Municipality/Municipal Commissioner is competent, immediate corrective action shall be taken and the State Election Commission be informed of the same.

10. In cases where the authorities provided with videography feel that any critical event so recorded needs to be brought to the notice of the State Election Commission, copy of the video tapes/CDs should be sent to the State Election Commission by the quickest means along with an explanatory note on the infringement towards which the attention of the State Election Commission is proposed to be invited.

11. All videographs produced in compliance with the instructions of State Election Commission, should be properly indexed and lodged with the District Election Authority/Commissioner, Municipality / Municipal Corporation concerned and shall form part of record of the such election and shall be preserved for a period of one year or till the end of any relevant enquiry, trial or disposal of election petition.

12. The District Election Authorities/ , Municipality / Municipal Corporation and the Returning Officers shall, where the events recorded in the videography amount to corrupt practices or other electoral offences under the Indian Penal Code and the

GHMC Act, 1955 and TM Act, 2019 refer the same to the police and see that prosecutions are launched against the offenders immediately, as otherwise the huge expenditure incurred on videography will not serve any purpose.

13. The Election observers shall view the recordings closely for detecting any violations or breaches in the accounting of election expenditure by the candidates. They should ensure recording of clinching evidences in the shadow expenditure registers to be maintained by the Returning Officers/District Election Authorities/ Commissioner of the respective ULBs.

14. The District Election Authority/ the Commissioner of the respective Municipality / Municipal Corporation should arrange to compare the entries in Expenditure Accounts submitted with the documentary evidence recorded in shadow registers and videographes.

15. The District Election Authorities/ the Commissioner of the respective Municipality or Municipal Corporation as the case may be are requested to transmit these instructions to all the Returning Officers in their District and take steps for their strict compliance. The State Election Commission is of the considered view that videography is an important mechanism which, if carefully used, can help in curbing the incidents of breach to Model Code of Conduct, bribing and other electoral mal practices to a great extent.

The expenditure incurred on hiring video cameras shall be met from the election budget earmarked or released by the Government / C & DMA.

CIRCULAR

No.2916/TSEC-L/2019 **Dated:22.11.2019**

Sub:- Telangana State Election Commission - Elections to Local Bodies – Prevention of defacement of property and other campaign related items – revised instructions – Reg.

***

Private and public places are often disfigured during the election time by way of pasting election advertisements and wall-writings in violation of the Model Code of Conduct. Needless to mention the immense nuisance and damage caused to the property owners.

2. In order to prevent such disfigurement, the State Legislature had enacted Prevention of Disfigurement of Open Places and Prohibition of Obscene and Objectionable posters and Advertisements Act, 1997 (Act 28 of 1997).

3. Section 4 of the said Act makes the disfigurement of any public or private place an offence punishable with imprisonment which may extend upto 3 months or with fine which shall not be less than one thousand rupees but which may extend upto 2,000 rupees or with both. Abetment of such disfigurement is also made punishable under section 5 of that Act. Under section 6 thereof, the police officers are empowered to remove, erase, pull down and destroy objectionable advertisements.

4. The Commission decided to issue detailed instructions in this matter and other campaign related items in supersession of the earlier instructions issued in the circular No.629/TSEC-L/2018, dt:8.8.2018 for strict compliance by political parties, candidates, individuals and organizations etc. during the period of elections to Local Bodies. The crux of the instructions is to abide by the extant provisions in the prevailing law:

DEFACEMENT OF PUBLIC PLACES

5. (a) Wall writing, pasting of posters/papers or defacement in any other form, or erecting/displaying of cutouts, hoardings, banners flags etc. shall not be permitted on any Government premise (including civil structures therein). For this purpose a Government premise would include any Govt. office and the campus wherein the office building is situated.

(b) If the local law expressly permits or provides for writing of slogans, displaying posters, etc., or erecting cut-outs, hoardings, banners, political advertisement, etc., in any public place, (as against a Govt. premise) on payment or otherwise, this may be allowed strictly in accordance with the relevant provisions of the law and subject to Court orders, if any on this subject. It should be ensured that any such place is not dominated/monopolized by any particular party(ies) or candidate(s). All parties and candidates should be provided equal opportunity in this regard.

(c) If there is a specifically earmarked place provided for displaying advertisements in a public place, e.g. bill boards, hoardings etc. and if such space is already let out to any agency for further allocation to individual clients, the authorities of local bodies concerned, should ensure that all political parties and candidates get equitable opportunity to have access to such advertisement space for election related advertisements during the election period.

DEFACEMENT OF PRIVATE PLACES

6. (a) Whenever, temporary and easily removable advertisement materials, such as flags and banners are to be put up in private premises they should be with voluntary and express written permission of the occupant. The permission should be an act of free will and not extracted by any pressure or threat. Such banner or flag should not create any nuisance to others. Photo-copy of the voluntary permission in writing obtained in this connection should be submitted to the Returning Officer within 3 days of putting up the flags and banners in such cases in the manner prescribed in sub-para (c) below.

(b) If the local law does not expressly permit wall writing, pasting of posters, and similar other permanent/semi-permanent defacement which is not easily removable, the same shall not be resorted to under any circumstances, even

on the pretext of having obtained the consent of the owner of the property. This will also apply in the states where there is no local law on the subject of prevention of defacement of property.

(c) In case of wall writings and pasting of posters and similar other permanent/semi-permanent defacement which is not easily removable, and putting up hoardings, banners, etc. on private premises with the owner's permission, the contesting candidates or the political parties concerned shall obtain prior written permission from the owner of the property and submit photocopies of the same within 3 days to the Returning Officer or an officer designated by him for the purpose, together with a statement in the enclosed proforma (marked as **Annexure**). The statement in such cases and in the cases mentioned in sub-para (a) above should clearly mention therein the name and address of the owner of the property from whom such permission has been obtained together with expenditure incurred or likely to be incurred for the purpose. Nothing inflammatory or likely to incite disaffection amongst communities shall be permissible in such writings/display. The expenditure incurred in this mode on specific campaign of candidate(s) shall be added to the election expenditure made by the candidate. Expenditure incurred on exclusive campaign for a party without indicating any candidate shall not be added to candidate's expenditure. The contesting candidate shall furnish such information village/locality/town-wise, to the Returning Officer, or the authorized officer within 3 days of obtaining the requisite permission, for easy checking by the Returning Officer or the Election Observer or any officer connected with the conduct of elections.

(d) Subject to any restrictions under any local law or any court orders in force, the political parties, candidates, their agents, workers and supporters may put up banners, buntings, flags, cut-outs, on their own property, provided they do so on their own volition, voluntarily and without any pressure from any party, organization or person, and provided further that these do not cause any inconvenience in any manner to anyone else. If such display of banners, flags etc. aims to solicit vote for any particular candidate, then the provisions of Section 171H of the IPC would be attracted and would have to be followed. Section 171H of the IPC stipulates that whoever without the general or special authority in writing of a candidate incurs or

authorises expenses on account of the holding of any public meeting, or upon any advertisement, circular or publication, or in any other way whatsoever for the purpose of promoting or procuring the election of such candidate, shall be punished with fine which may extend to five hundred rupees: Provided that if any person having incurred any such expenses not exceeding the amount of ten rupees without authority obtains within ten days from the date on which such expenses were incurred the approval in writing of the candidate, he shall be deemed to have incurred such expenses with the authority of the candidate.

DEFACEMENT OF HALLS/AUDITORIUMS AND OTHER PUBLIC PROPERTIES

7. In the case of Halls/Auditoriums/Meeting venues owned/controlled by the Government/ local authorities/PSUs/Cooperatives, if the law/guidelines governing their use do not preclude political meetings therein, there is no objection to it. It shall be ensured that the allocation is done on equitable basis and that there is no monopolization by any political party or candidates. In such venues, displaying of banners, buntings, flags, cut-outs, may be permitted during the period of meetings subject to any restrictions under the law/guidelines in force. Such banners, flags, etc. shall be got removed by the party/individual who used the premises immediately after conclusion of the meeting, and in any case within a reasonable period after the meeting is over. Permanent/semi-permanent defacement such as wall writing/pasting of posters etc. shall not be permitted in such premises.

8. If any political party/association/candidate/person indulges in defacement of any property in violation of the local law, if any, or the above instructions, the Returning Officer shall issue notice to the offender for removing the defacement forthwith. If the political party/association/candidate/person does not respond promptly, the district authorities may take action to remove the defacement, and the expenses incurred in the process shall be recovered from the political party/association/candidate/person responsible for the defacement. Further, the amount also shall be added to the election expenditure of the candidate concerned, and action should also be initiated to prosecute the offender under the provisions of the relevant law (under the law relating to prevention of defacement, if any, or under the provisions of the general law for causing willful damage to the property of others).

DEFACEMENT OF VEHICLES

9. (a) In private vehicles, subject to the provisions of the Motor Vehicles Act, Rules thereunder and subject to court orders in force, if any, flags and stickers may be put on the vehicles by the owner of the vehicle on his own volition, in such a manner that they do not cause any inconvenience or distraction to other road users. If such display of flags and stickers aims to solicit vote for any particular candidate, then the provisions of Section 171H of the IPC would be attracted and would have to be followed.

(b) On commercial vehicles, display of any flag, sticker etc. shall not be permitted, unless such vehicle is a vehicle validly used for election campaign after obtaining the requisite permit from the Municipal Commissioner concerned in Municipal elections, Joint Collector / Revenue Divisional Officer concerned in elections to MPTCs and ZPTCs and Tahsildar concerned in Sarpanch, Gram Panchayat elections and the display thereof in original on the wind screen.

(c) External modification of vehicles including fitting of Loudspeaker thereon, would be subject to the provisions of the Motor Vehicles Act/Rules and any other Local Act/Rules. Vehicles with modifications and special campaign vehicles like Video Rath etc., can be used only after obtaining the requisite permission from the competent authorities under the Motor Vehicles Act.

OTHER CAMPAIGN RELATED ITEMS

10. Subject to accounting for the expenditure, the following may be permitted:-

(a) In processions and rallies etc., flags, banners, cutouts etc. can be carried subject to local laws and prohibitory orders in force;

(b) In such procession, wearing of party/candidate supplied special accessories like cap, mask, scarf etc. may be permitted. However, supply of main apparels like saree, shirt, etc. by party/candidate is not permitted.

(c) Educational institutions including their grounds {whether Govt. aided, private or Govt.} shall not be used for political campaigns and rallies.

11. The State Election Commission, hereby, directs the Collectors and District Election Authorities, the Superintendents of Police, Commissioners of Police and Deputy Commissioners of Police to strictly implement the above directions and bring the same to the notice of the Returning Officers and all other election related

authorities, and all political parties in the State, including district units of recognized National and State parties, and all registered un-recognized parties based in the State, and also the contesting candidates (at the time of elections) for information and compliance.

12. The Commission also directs that, action taken in this regard and the prosecutions launched under the above Act during the period of election to Rural Local Bodies and Urban Local Bodies should be informed to the Commission from time to time.

No.1031/TSEC-L/2019 **Dated:07.02.2019**

ORDER

Sub:- TSEC - Elections to Rural and Urban Local Bodies - Use of Loudspeakers for election campaigns – Instructions issued- Reg.

***

All Political parties, contesting candidates and their workers, supporters and sympathizers use loudspeakers for their electioneering campaigns. These loudspeakers are not only used from fixed rostrums but are also mounted / fitted on vehicles like trucks, tempos, cars, taxis, vans, three wheeler scooters, cycle rickshaws, etc. These vehicles move on all roads, streets and lanes and also go around basties, mohallas, colonies and localities with the loudspeakers broadcasting at very high volume. This results in serious 'noise pollution' and causes great disturbance to the peace and tranquility of the general public. The student community, in particular, gets seriously disturbed as their studies are hampered because the loudspeakers start blaring from very early hours in the morning and continue to do so throughout the day and till extremely late hours in the night. The aged, the infirm and the sick whether in institutions, hospitals, etc. or at home are also put to severe discomfort.

2. The Commission is aware that the use of loudspeakers cannot be stopped altogether during the election period as the loudspeakers are one of the means of election propaganda and imparting information to public. But, at the same time, indiscriminate and unfettered use of loudspeaker at odd hours and at odd places at very high volumes which have the effect of disturbing peace and tranquility and causing annoyance to the general public, the sick, and the student community in particular cannot be permitted. Some reasonable restrictions are essential.

3. As per the schedule issued in the Noise Pollution (Regulation and Control) Rules, 2000, Ambient Air Quality Standards in respect of Noise is as follows:

,Area Code	Category of Area/Zone	Limits in dB(A) Leq	
		Day Time	Night Time
(A)	Industrial area	75	70
(B)	Commercial area	65	55
(C)	Residential area	55	45
(D)	Silence Zone	50	40

Note:- 1. Silence Zone is an area comprising not less than 100 metres around hospitals, educational institutions, courts, religious places or any other area which is declared as such by the competent authority.
2. Mixed categories of areas may be declared as one of the four above mentioned categories by the competent authority.

4. The Hon'ble Supreme Court of India passed an order inter alia prohibiting exceeding of the noise level at the boundary of public place, where loudspeaker or public address system or any other noise source is being used by 10 dB(A) above the ambient noise standards for the area or 75 dB(A) whichever is lower.

5. After considering all aspects of the matter, the Commission, in exercise of its powers conferred by Article 243K of the Constitution of India and all other powers enabling to it in this behalf hereby DIRECTS that the use of loudspeakers at all future elections to Panchayat Raj Bodies shall be strictly regulated as follows: -

(i) The use of loudspeakers, at public meetings and Road Shows shall be permitted only between 6.00 a.m. to 10.00 p.m. In all other cases, the use of loudspeakers shall be permitted only between 10.00 AM to 6.00 PM.

(ii) The noise level at the boundary of public place, where loudspeaker or public address system or any other noise source is being used shall not exceed 10 dB(A) above the ambient noise standards for the area or 75 dB(A) whichever is lower.

(iii) All loudspeaker being used beyond the hours as prescribed above, shall be confiscated along with all the apparatus connected with the use of these loudspeakers.

(iv) All political parties, contesting candidates and any other person using loudspeakers on moving vehicles including but not restricted to trucks, tempos, cars, taxis, vans, three wheeler, scooters, cycle rickshaws, etc. shall intimate the registration identification number of those vehicles to the authorities granting permission to use the loudspeakers and such registration identification numbers of the vehicles shall be indicated on the permits granted by the authorities concerned.

(v) If the rickshaw does not have any registration / permit for identification, the rickshaw driver may be given a permit in his personal name by Returning Officer which the rickshaw driver should carry on his person while using that rickshaw for election campaign purposes.

(vi) Any vehicle on which a loudspeaker is used without the said written permit shall be confiscated forthwith along with the loudspeaker and all the apparatus used along with it.

(vii) All political parties, contesting candidates and even any other person using a loudspeaker either on a moving vehicle or at a fixed place shall intimate:-

(1) the Returning Officer concerned, and

(2) local Police authorities, in writing, the full details of the permits obtained by them before using any of those loudspeakers. In the case of mobile loudspeakers, the registration / identification numbers of the vehicles shall also be registered by them with the Returning Officer concerned and the local Police authorities.

(viii) All political parties, contesting candidates shall obtain prior permission from the concerned local authorities to use loud speakers (public address system) at the public meetings convened by them as part of electioneering and road shows.

(ix) It shall be the responsibility of the local authorities granting permits for use of loudspeakers and the local Police authorities to strictly enforce that no loudspeaker is used by anyone in violation of any of the above directions.

(x) The political parties and candidates shall endeavour to see that no disturbance is caused in the areas adjacent to hospitals, educational institutions etc.

(xi) No loudspeakers fitted on vehicles of any kind or in any other manner whatsoever shall be permitted to be used within the polling area during the period of forty-eight hours prior to the hour fixed for conclusion of the poll in case of elections to the Mandal Parishads / Zilla Parishads and Urban Local Bodies and forty-four hours prior to the hour fixed for conclusion of the poll in case of elections to gram panchayats. Even after the close of poll, proper law and order is required to be maintained till completion of election process after the declaration of result. Use of loudspeakers is generally regarded as source of public nuisance and can often give rise to tension in a politically surcharged atmosphere. The District Administration should, therefore, consider any application for permission to use loudspeakers on merit of each application and keeping in view the need to maintain proper law and order till the completion of election.

6. The above directions of the Commission, which will check noise pollution and disturbance of public peace and tranquility must be scrupulously implemented and strictly enforced by all election authorities concerned. Any violation thereof will be viewed by the Commission with grave concern and will invite severe disciplinary action against the defaulting officers.

7. A copy of this order shall be made available to local units of all recognised and registered party units in the district under acknowledgement.

The receipt of this letter should be acknowledged immediately.

Sub: TSEC – Elections – Ordinary Elections to GHMC-2020 – Preparation and Supply of ASD list by the Deputy Commissioners /RO concerned and supplied to POs –Identification of Absentee, Shifted and Duplicate/Death (ASD) voters at the time of Poll by the POs – Instructions – Issued.

***

The names of some Absentee, Shifted and Duplicate/Death (ASD) electors continue to appear in the ACERs and in turn in Polling Station wise voters list of GHMC even though efforts were made to delete such names from ACERs. This creates a scope for impersonation. Lot of representations were also received from political parties to delete such names and the DCs can not delete such entries suomotoly in the ward/PS Electoral Rolls. And, hence, the State Election Commission, hereby, directs that the following procedure shall be adopted in order to eliminate scope for impersonation by unscrupulous elements to vote in place of Absentee, Shifted and Duplicate/Dead (ASD) voters at the time of poll:

a. A list of ASD voters should be prepared polling station wise by the Deputy Commissioners / ROs concerned and it should be ensured that each Presiding Officer is provided with separate lists of Absentee, Shifted and Duplicate/Dead electors (ASD List) with his/her polling station.
b. On the day of poll, in order to cast vote, when a person who is in such list, produces EPIC or any one of the alternative photo documents permitted by the Commission for his/her identification, the Presiding Officer shall verify the identification document personally, ask about the identity from polling agents present and the details of documents will be properly registered by the polling officer concerned on the counterfoil of the ballot paper.
c. Thumb impression of such electors shall also be obtained in addition to signature against the column of "Signature / thumb impression" of the counterfoil of the ballot paper. The thumb impression shall be in addition to the signature even in the case of an elector who is literate and can sign.
d. Presiding Officer shall maintain a record and give a certificate at the end of the poll that so many electors from the list of ASD were

allowed to vote after proper scrutiny to the RO concerned at the time of submission of polled materials.

e. Wherever possible, such electors may be photographed and record kept.
f. Micro Observers, wherever they are present, should ensure that these instructions with regard to ASD electors are meticulously followed.
g. The Presiding Officer shall be briefed specially about these procedures to be followed in polling station for electors who are in the list of ASD electors.

This shall be brought to the notice all concerned immediately.

No.2894/TSEC-ULBs/2019, Dated:21.11.2019

WHEREAS, the Telangana State Election Commission is constituted to ensure free, fair and periodical elections to Local Bodies;

AND WHEREAS, it has come to the notice of the State Election Commission that, in some areas impersonation is resorted to by unscrupulous elements with the backing of those who want to breach the election law to achieve their political ends;

AND WHEREAS, the genuine elector whose vote has already been cast is intimidated not to demand a tendered vote and in some cases the voter himself goes back not knowing that he has a right to cast a tendered vote or he does not exercise this right since he may feel that, the casting of a tendered vote is of no use as it will not be counted;

AND WHEREAS, in the present election process the vote of an imposter is counted and the vote of a genuine elector is ignored, thus polluting the purity of elections;

AND WHEREAS, this pernicious practice of impersonation is going scot free as there is no matching deterrent to those who encourage or indulge in such a nefarious practice;

AND WHEREAS, the Telangana State Election Commission issues orders from time to time, specifying alternative documents for establishing the voter identity in cases where EPICs are not available, so as to prevent impersonation in elections to Local Bodies;

AND WHEREAS, the Telangana State Election Commission has also issued instructions to publish Photo Electoral Rolls for all Local Body elections.

AND WHEREAS, the Telangana State Election Commission also issued instructions to the Election Authorities to distribute Photo Voter Slips to voters to facilitate the polling personnel to curtail the scope for impersonation.

The State Election Commission is of the opinion that, even after following above practices to curb the evil of impersonation, there still may be some chance for it's occurrence. Now, with a view to deny even minutest opportunity to any such offenders, the State Election Commission, in exercise of the powers conferred by Article 243-K read with the article 243-ZA of the Constitution of India, hereby, orders that -

1. The Returning Officers for elections to Local Bodies concerned, shall, on the conclusion of the poll, report forthwith to the State Election Commission, through Election Authority, GHMC or District Election Authority concerned as the case may be, the polling stations where, **tendered votes constitute <u>more than Zero Point One percent (0.1%)</u> of the total number of votes polled**;

2. After sending such report, the Returning Officers concerned shall not open the ballot boxes/EVMs and shall not count the votes pertaining to the polling stations referred to in their report, until further orders from the Commission;
3. On receipt of such report, and on obtaining such further information as it deems necessary, it shall be competent for the State Election Commissioner to order a re-poll in such Polling Stations;
4. Where a re-poll is ordered under this order, the normal procedure for repoll shall be followed; and
5. The Returning Officers shall give wide publicity to this order, with a view to educate the contesting candidates and motive the voters to demand for a tendered vote and to avail the facility whenever impersonation takes place. It is possible to negate the fraudulent impersonation only when the facility of tendered vote is exercised;

Cir.No.1191/TSEC-ULBs-GHMC/2020 **Dated:03.10.2020**

Sub:- TSEC – Elections – Elections to GHMC – Identification of suitable Buildings for receiving Nominations, Distribution, Reception and Counting Centres – Reg.

***

In order to conduct elections to Member, Greater Hyderabad Municipal Corporation in a peaceful and efficient manner, it is important to select suitable Government buildings for location of Returning Officer, Offices to receive Nominations, for distribution, reception centres and counting centres by requisitioning the buildings well in advance.

For this purpose, the buildings used for such purposes during the elections to GHMC held in 2016 and also the elections held recently to Assembly Constituencies elections may be got verified and their suitability assessed.

The factors to be considered for Identification and selection; Amenities to be provided at Nomination, Distribution, Reception and Counting Centres are indicated below –

1. NOMINATION PROCESS: SUBJECT TO AVAILABILITY OF SUITABLE HALLS AND ALSO SIZE OF THE PREMISES, THE NOMINATION PROCESS COULD BE UNDERTAKEN AT THE CONCERNED CIRCLE OF THE WARD CONCERED

The process of receiving nominations for directly elected posts i.e., ward member, GHMC shall be performed by the Returning Officers concerned at Circle level only. Considering that each Returning Officer will be required to receive the nomination for the ward, the rooms/halls selected for the purpose shall be large enough and shall be set apart from sufficient waiting area should be provided for the prospective candidates and their permitted numbers of colleagues.

During Nomination process, the maximum number of vehicles that will be allowed for each candidate to enter within the periphery of 100 meters of office of the Returning Officer shall be **two and maximum number of persons that will be allowed** to enter the office of Returning Officer at the time of filing nomination shall be the **candidate plus two other individuals** only.

The Returning Officers shall inform all political parties and interested groups regarding the number of persons and vehicles that can be allowed during

nomination process well in advance and also make adequate arrangements accordingly at RO's Office.

2. DISTRIBUTION AND RECEPTION CENTERS:

i. Identify suitable locations for Distribution and Collection Centers. Separate counters may be established for each Ward with adequate areas for checking the materials and also waiting.
ii. Nodal Officer may be identified to oversee the procedure on the day of distribution and reception, who shall physically remain present at the centre during both the days. He shall oversee the process of distribution of polling material required for polling parties of the polling stations concerned.
iii. Adequate civic amenities to be provided for both male and female officials appropriately at the distribution and reception centre.
iv. Necessary food arrangements shall be provided to polling personnel before they leave for their respective Polling Stations on payment of nominal cost.
v. Necessary transport arrangements shall be made to polling personnel for their travel to their respective Polling Stations.
vi. The movement of the polling personnel/security forces shall be tracked closely and a confirmatory report should be obtained through Zonal Officer concerned on the safe reach of the polling personnel at the respective polling stations.

3. RECEPTION CENTRE FOR WARD:

i. Reception Centre shall be at the place of counting itself preferably at single premises. The Nodal Officer selected for this purpose should plan and make all necessary arrangements to receive the polled material from polling parties.
ii. The Reception Centre for polled election materials shall be selected well in advance and managed efficiently and professionally by the Returning Officer concerned.
iii. The Returning Officer shall remain physically present at the reception centre in order to ensure effective handling of the polled materials at reception centre.
iv. Counters for receiving sealed Ballot Boxes shall be set-up in such a manner that there is no over-crowding at the reception centre when the Presiding Officers and Polling Personnel hand over the Ballot Box or Boxes and other sealed documents.
v. All sealed Ballot Boxes, Statutory and other election materials handed over by the Presiding Officers concerned shall be kept in secured place in the strong rooms. Make Polling Station wise markings in **strong room** in advance.
vi. Proper lighting arrangements shall be made at the Reception Centre for efficient reception and effective security cover.
vii. Provisions for drinking water, civic facilities, first aid and medical facilities shall also be ensured at the reception centre.

viii. Advance action should be taken to ensure availability of transport facility including bus service etc., for the 'polling personnel' to reach their destination after handing over the Polled Material.

4. STRONG ROOMS SEPARATELY FOR WARD:

i. As per the instructions, counting of polled votes of the Ward shall be conducted by the RO concerned. Hence, the Commissioner & Election Authority, GHMC has to plan in advance and also ensure that, each Ward must have its own Strong Room.

ii. The strong Rooms and counting centers of a Ward are located at one premises as the case may be. For each Ward, generally, number of tables shall be arranged depending upon the voting strength, number of polling stations and number of contesting candidates. If the voting strength & no. of polling stations are more and sufficient no. of spacious counting hall are available, then the Commissioner, GHMC & EA may increase the number of counting tables for each Ward.

ii. Generally, the polling stations in a Ward of GHMC will be made into one group and strong rooms will be allotted to each Ward separately in a big Government building for arranging proper bandobast round the clock till the date of counting of votes and declaration of results. There is no objection for strong room and counting centre at the concerned Circle head quarters of the Wards concerned subject to the availability of sufficient armed forces to guard the strong room.

iii. While deciding the number of Wards in a Circle concerned to be counted in a building, factors like availability of spacious counting halls, requirement of Armed forces to guard the strong room and for efficient bandobust and crowd management outside counting hall, hassle-free movement of polled Ballot Boxes from strong room to counting hall etc., have to be kept in mind.

iv. To avoid confusion at the time of depositing the ballot boxes in the strong rooms, Ward-wise Polling Station numbers will be marked on the floor of the Strong Room in advance, so as to place the polled Ballot Boxes along with connected election papers i.e., Ballot paper account & paper seals Account easily/exactly without any confusion. This also facilitates orderly movement of ballot boxes at the time of counting.

v. CC cameras should be installed outside the strong rooms and such video recordings should be stored securely.

vi. The RO should meet the contesting candidates as often as he/she can and keep them informed about the arrangements made for strong rooms and counting of votes.

vii. At the time of sealing the strong room after depositing the polled Ballot boxes, the representatives of political parties, contesting candidates can remain present and they can also affix their seals on the lock of strong room.

viii. If it becomes necessary to open the strong room before the appointed date and time for counting of votes, the RO should send notice accordingly to the candidates or their Election Agents in advance and open the strong room in their presence. The strong room should be again closed and sealed immediately after the purpose for which it was opened is served, details of such opening and closing should also be accurately and fully reflected in the log book (Annexure – I) and the entire process should be video graphed.

5. COUNTING CENTRE AND DECLARATION OF RESULTS:

i. The counting of votes for the entire Ward should be done at one place for easy co-ordination by the Commissioner, GHMC & EA and Dy. Commissioner of Circle and Returning Officer of concerned Ward.

ii. The counting hall must be walled on all sides and spacious to accommodate the Returning Officer of Ward, the counting personnel, the candidates and their election/counting agents with separate exit and entry. It should have proper lighting arrangements with necessary stand-by arrangements such as generator or emergency light to tide over emergencies on account of power failure. Adequate fire extinguishers should also be arranged.

iii. Counting of Votes should be done on tables arranged in rows. Model Lay out in this regard for a Ward is appended as Annexure – II. A model layout of counting hall is also given in the Handbook of RO.

iv. In cases where the number of polling stations in a ward or the number of contesting candidates including NOTA are more, the Returning Officer concerned may identify spacious counting hall, so that dispersal of counting agents can be made in such a manner as to avoid overcrowding in one counting hall. Such additional counting halls also should be provided in the same building, as far as practicable.

v. In case of larger wards, having more number of polling stations, then more tables could be set apart for each Ward as decided by the Commissioner, GHMC & EA.

vi. The counting of votes of all polling stations of a particular Ward shall be taken up at counting tables earmarked for this purpose.

vii. The Assistant Returning Officer of the Ward concerned shall assist in supervising the counting process.

viii. The RO's table shall be in the counting hall itself. It should be a separate table with a demarcated area. Candidates and their Election Agents will also be seated at this table and watch the counting proceedings. The counting agent appointed shall watch the process of Postal Ballot Papers counting at RO's table. Once the Postal Ballot Paper counting is over, he shall leave the counting hall. The contesting candidates/ his election agents, seating at RO's table may be allowed to go to the counting table where the counting is taking place without disturbing the counting process.

ix. Similarly, the table and the computer on which the computation and compilation of data from each table at the conclusion of a round shall be done in the counting hall alongside the RO's table.

x. In addition, there shall be a RO wise sufficiently large black board on which the candidate's name and round number will be pre-written (since the numbers of rounds (1000 votes for each round for detailed counting) are already planned).

xi. In each counting hall, barricades should be provided for each counting table so that counting agents are prevented from handling the Ballot paper. However, the counting agents must be given adequate opportunity to visually examine each and every ballot paper and also to witness the whole counting process at the counting table.

xii. The counting tables should be placed against the barricade of woodblock and wire-mesh behind which the counting agents of candidates shall sit.

xiii. The result computation staff shall be seated by the side of the RO's table with required number of computers and other equipment. Ensure that, adequate arrangements are made for on line data transmission.

xiv. The Counting Halls, including partitions as planned, barricading, mesh etc., shall be prepared well in advance of the date of counting and a report has to be sent by each Returning Officer to the Commissioner & Election Authority, GHMC accordingly. In turn the C&EA shall send a consolidated report to the Commission.

xv. Media centres have to be set up at each Counting Centre. As far as possible, a separate room of adequate size should be set apart for this purpose. A copy of round wise details and Final Result Sheet shall be sent to the media centre by the ROs.

xvi. Use of mobile phones and other communication equipment shall be allowed from the media centre. However, Mobile phones shall not be used by candidates/ their election agents/ media persons in counting halls.

xvii. The Counting staff is permitted to carry their mobiles, but shall keep in silent mode.

xviii. Proper arrangement shall be made for dissemination of counting trends and result to public and to the media.

xix. Proper lighting arrangements shall be made outside the Counting Centre also.

C I R C U L A R

Cir. No.1192/TSEC-ULBs-GHMC/2020 **Dated:15.10.2020**

Sub: TSEC – Elections to GHMC – Elections to the Ward Members where elections are conducted with Ballot Papers and Ballot Boxes – Counting of Votes – instructions issued – Reg.

Ref: TSEC Notification No. 2867/TSEC-ULBs/2019, dated: 12.12.2019.

***

Elections to GHMC are conducted on party basis. Counting of votes is one of the most important stages of the election procedure. The counting starts at 8.00 AM on the day notified by the State Election Commission.

Under the law, counting of votes is to be done by the Returning Officer in the presence of the candidates and their counting agents as per the schedule given by the State Election Commission. The law authorizes the Assistant Returning Officer also to undertake the counting of votes.

The following instructions are issued for the guidance of the Returning Officers–

1. LEGAL PROVISIONS:

The Rule 51(1) of Telangana Municipal Corporations (Conduct of Election of Members) Rules, 2005, stipulates that, subject to such general or special directions, if any, as may be given by the State Election Commission, the ballot papers taken out of all boxes used in all polling stations pertaining to a particular ward shall be mixed together, arranged in convenient bundles and then scrutinized.

2. DATE, PLACE AND TIME OF COUNTING:

The Returning Officer shall commence the counting at the appointed time as specified by the State Election Commission in its notification and as he/she has already specified in the Election notice issued under Section 35 of Greater Hyderabad Municipal Corporation Act, 1955.

In case of fresh poll or adjournment of poll at any or some polling stations u/s 58,59,59A of GHMC Act, 1955, the counting of votes shall not commence, till the adjourned poll/fresh poll is completed.

The place for the counting of votes of all wards in GHMC shall be a place that has sufficient number of spacious halls and affords good security. It is desirable to complete the counting of votes latest by 5.00 P.M. All the Dy. Commissioners & Asst. EAs of GHMC should obtain the approval of Commissioner, GHMC & Election Authority for the selection of the counting centres well in advance.

Notice in writing to each candidate or his/her election agent about the date, place and time of counting at least one week before the date fixed for poll in the

Ward of GHMC in Form as prescribed in hand book of Returning Officer shall be served.

In case of change of place of counting also, obtain prior approval from the Commissioner, GHMC & Election Authority under intimation to the State Election Commission. The Returning Officer should give notice of every change in writing to each candidate or his/her election agent.

For Counting of votes, preferably 10 tables may be arranged for each Ward depending upon the voting strength, polling stations, high number of contesting candidates availability of spacious halls so as to complete the counting by 5.00 PM on the day of counting.

In view of the Covid-19 pandemic, not more than 10 counting tables should be allowed in a counting hall.

3. ASSISTANCE AT COUNTING

The required staff for each counting table is one Counting Supervisor and two Counting Assistants. The Commissioner, GHMC & EA shall make advance plan for appointment of counting staff accordingly and train them on counting of votes well in advance.

4. RECEIPT OF BALLOT BOXES, ETC., FROM PRESIDING OFFICERS:

i. The Returning Officer shall make necessary advance arrangements for receipt of ballot boxes and other election material from the Presiding/Polling Officers and for their safe custody. Soon after conclusion of the poll, the polling parties, escorted by the security forces shall reach the reception centre in the vehicle provided by the Returning Officer. They shall be stored as per instructions of Commissioner, GHMC & Election Authority.

ii. While receiving the Presiding Officer's Diaries, the Returning Officer of ward concerned shall verify one by one and satisfy that the Presiding Officers have recorded their observations in the relevant columns of the diary and all the columns are filled properly. He/she should satisfy himself/herself that the poll went on peacefully and orderly. Then only the Returning Officer shall store the polled ballot boxes (Ward wise and polling station wise) in the strong room.

xvi. It must be ensured that, results are declared and 'Certificates of Election' are issued to the elected candidates by the respective Returning Officer immediately after declaration of the Result.

6 (2) COUNTING PROCEDURE:

A. COUNTING OF POSTAL BALLOT PAPERS:

Under Rule 49 of Telangana Municipal Corporations (Conduct of Election of Members) Rules, 2005, the Postal Ballot Papers of each Ward are to be counted first at concerned Returning Officer's table. The Returning Officer should first deal with the postal ballot papers.

Covers in Form XXVIII, containing postal ballot papers and declarations received after the hour fixed for the commencement of the counting of votes should not be opened. They should be rejected and kept in a separate packet and sealed, noting thereon the detailed appropriately. All the Postal Ballot Paper covers received in time for the Municipal Corporation have to be sorted out ward-wise separately before proceeding for detailed counting. Then the Returning Officer concerned shall take up detailed counting of the Postal ballot papers as follows:

The covers in Form XXVIII, received in time should be opened one after another. As each cover is opened, the Returning Officer should take out the envelope containing declaration in Form- XXVI and scrutinize the declaration. If the declaration in Form XXVI is not found in the cover or the declaration has not been duly signed and/or not attested by an officer competent to do so or is otherwise substantially defective or if the serial number of ballot paper appearing in the declaration is different from the serial number on the cover in Form-XXVIII, the cover containing the postal ballot paper should not be opened and the ballot paper should be rejected. Each such rejected cover should be endorsed suitably by the Returning Officer and the declaration and the cover should be placed in the cover in

Form-XXVIII, the covers should be kept together in a separate packet duly sealed and full particulars such as the name of the ward, the date of counting and a brief description of contents should be noted thereon for easy identification. All the declarations in Form XXVI, which have been found to be in order should then be kept in separate packet in order to ensure that the secrecy of the postal ballot is kept inviolate. The packet should then be sealed noting thereon the particulars regarding the name of the Ward, the date of counting and brief description of the contents. This should be done before the cover B in form XXVIII containing the ballot papers are opened.

Thereafter the cover– B containing the ballot paper in Form-XXVIII should be opened one after another and the validity of the ballot papers scrutinized and decisions arrived at. A postal ballot paper should be rejected for following reasons:

i. If no vote is recorded thereon; or
ii. If votes are given on it in favour of more candidates than one; or
iii. If it is a spurious ballot papers; or
iv. If it is so damaged or mutilated that its identity as a genuine ballot paper cannot be established; or
v. If it is not returned in the cover sent along with it to the elector by the Returning Officer; or
vi. If the mark indicating the vote is placed on the ballot paper in such a manner as to make it doubtful to which candidate the vote has been given; or
vii. If it bears any mark (other than the mark to record to vote) or writing by which the voter can be identified.

The valid votes should then be sorted out candidate wise in the tray ear marked for it. The total number of postal votes received by each candidate should then be counted, entered in the Result Sheet in Form-XXX-A and announced for the information of the candidates.

Thereafter, all the valid postal ballot papers and all the rejected postal ballot papers should be separately bundled and kept together, packed and sealed with Returning Officer's seal and the seals of such of the candidates, their election agents or counting agents as may desire to affix their seals thereon. The particulars such as the name & number of the Ward of GHMC, the date of counting and a brief description of the contents should be recorded on the sealed packet for identifying it.

B. COUNTING OF REGULAR BALLOT PAPERS (VOTES):

(1) Initial Counting: **(i)** Under the system, the counting of votes of Ward Member is done in two stages. In the first stage called initial counting, all the ballot papers in the ballot box or boxes used at a polling station are taken out and merely accounted without unfolding them, at the table earmarked for that ward and Polling Station. Then they will be aggregated into bundles of 25 ballots each separately. This number shall normally tally with the Ballot Paper Account in Part- I (as at Annexure-I) of the Polling Station as recorded by the Presiding Officer concerned. If there is any variation, count once again and arrive the actual available number of

ballot papers in the ballot box and the discrepancy if any shall be recorded in the Part II of the Ballot Paper Account.

(ii) At the time of the initial counting, all the ballot boxes used at a polling station of that Ward shall be brought to the counting table earmarked for that polling station one after another. The ballot papers, with the vertical fold intact, are made up into bundles of 25 for convenience of counting and each bundle is kept together by means of rubber bands tied at both ends. If at the end of the initial counting, the balance left over ballot papers in the box or boxes of the Polling Station are less than 25, then they are made into a separate bundle and kept apart in a separate tray noting the number on it. Enter the details of number of bundles with 25 ballots and bundle with less than 25, total and send it to drum incharge. All the bundles containing the full number of 25 ballot papers of that ward will be placed inside a drum or other receptacle by the drum incharge. The drum shall be kept near the respective Returning Officer's table. The above procedure will be followed in respect of ballot box or boxes used at every polling station of that ward. After the full bundles of ballot papers from all the ballot boxes used at all the polling stations within a ward have been placed in the drum or other receptacle, they will be mixed together ensuring that no ballot paper is damaged or spoiled in the process. The bundles containing less than 25 ballot papers of each ward will be made up into bundles of 25 ballot papers as far as possible and put inside the receptacle before mixing. The odd lot of remaining ballot papers i.e., less than 25, shall be kept separately noting the number of ballots in the bundle on a slip of paper placed in such incomplete bundle. This process goes on serially one ward after another.

(2) Detailed Counting: (i) After the initial counting for the purpose of tallying Ballot Paper Account in respect of all polling stations in a Ward has been completed and the bundles of ballot papers have been mixed as explained above, the second stage of counting i.e., detailed counting so as to scrutinise ballot papers for their validity or otherwise, sorting them out candidate-wise and counting them candidate-wise to ascertain the result, is taken up. In each round one thousand Ballot papers i.e., 40 bundles, each containing 25 ballot papers, will be taken at random from the drum or receptacle and sent for detailed counting to each of the concerned counting table earmarked for that Ward. For sorting out candidate wise polled ballots and doubtful votes, big wooden trays having the compartments equal to number of contesting candidates including NOTA +1 for doubtful votes will be used at each counting table. There will be a separate compartment for NOTA, as if it is a separate candidate just like other contesting candidate.

(ii) At the counting table, the said 1,000 ballot papers contained in 40 bundles will be taken up for detailed scrutiny and sorting candidate-wise. The ballot papers contained in each bundle will be scrutinised for determining their validity or otherwise by examining the Ballot Papers one by one. However, it should be noted that this is only tentative and preliminary assessment based on apparent judgment of the counting staff. The counting assistants and the counting supervisor shall be alive to the

objections/suggestions of the counting agents while deciding the validity or choice of the voters as marked on the ballot paper. Each ballot paper should be shown to the counting agents for reasonable length of time (say 5 seconds) and intimated about its treatment in clear terms.

Candidate wise valid votes will be placed in their respective compartment of the wooden tray and all the bordering cases or doubtful votes will be placed in the doubtful votes compartment of the wooden tray in each round. Later, they have to be counted and made into bundles of 100 votes, each, and doubtful votes and votes polled to NOTA also to be bundled accordingly. Category wise balance votes if any after making into bundles of 100 to be made into separate bundle and note down the number on such bundles with the help of slip of paper. After making candidate wise polled valid votes into bundles and doubtful votes bundles and votes polled to NOTA, the number of polled votes to each candidate and doubtful votes, have to be recorded in the counting sheet, duly signed by counting supervisor, make them into a big bundle with wrapper and sent to pigeon-hole in charge who will in turn send it to Returning Officer table wise one after one round. The Returning Officer should personally verify the validity of every ballot paper of doubtful category and decide and his decision shall be final. It may be noted that the Returning Officer shall scrutinise every bundle before confirming their allocation candidate wise finally. All the decisions of counting staff thus, shall be subject to confirmation by Returning Officer.

(iii) The Returning Officer of ward concerned will scrutinize table-wise all the doubtful votes and decide if either they are in favour of any of the candidates including NOTA or to be rejected as invalid as per the rules. The additional votes decided candidate wise are added in the result sheet of that round, correct the figures of candidate wise polled valid votes and rejected votes, sign the sheet and send it to Result Sheet posting in charge and he will post the round wise candidate wise polled valid votes including NOTA and rejected votes in the Result Sheet.

(iv) The above procedure for distribution of 1,000 ballot papers to each table and their scrutiny and sorting and counting candidate-wise, as explained above, will be repeated, till all the bundles of ballot papers in the drum or receptacle relating to that ward are distributed to the concerned counting table(s) and counted. And all the doubtful (round wise, table wise) ballots are decided by the Returning Officer concerned. The round wise, table wise polled votes and rejected votes are posted in the Final Result Sheet by the incharge concerned.

Convention of taking of signatures of agents at the counting table after every round may be continued.

(3) After completion of the detailed counting of the entire ward votes at the concerned counting tables and the doubtful votes are scrutinized and decided by the concerned Returning Officer, then only the Final Result Sheet of that Ward will be rechecked by the concerned Returning Officer. The Final Result Sheet will be signed and result is declared at the end by the Returning Officer

concerned after giving due opportunity for seeking a recount if any by any of the candidates or their agents.

6 (3) DECLARATION OF RESULTS:

After obtaining the necessary approval of the observer, as required under law to declare the result, the Returning Officer should complete and sign the Final Result Sheet. The candidate to whom the largest numbers of valid votes have been given should then be declared as elected.

7. EQUALITY OF VOTES:

If two candidates contesting any seat happen to secure the highest number of votes and their votes are equal in number, the result will have to be declared by draw of lot.

Example - If in a ward A, B, C and D are the contesting candidates and the total number of votes they have secured is as follows:

A-12703

B-17567

C-17567

D-16394

A lot will be drawn between B and C who have each polled the highest number of votes and which are equal. The name of whichever of them is drawn will be declared elected. For the purpose five chits for each candidate (B & C) with equal size to be prepared for lot. This entire process shall be video graphed. Final Result Sheet in Form –XXX-A is enclosed as Annexure-II. This entire process shall be performed by Returning Officer only but not by any officers else.

8. RECOUNTING OF VOTES:

As per Rule 54 of Telangana Municipal Corporations (Conduct of Election of Members) Rules, 2005, after completion of the counting, the Returning Officer shall record in the result sheet in the prescribed Form the total number of votes polled by each candidate and announce the same.

After such announcement has been made, wait for two minutes if any candidate or in his absence, his election agent may request for recount. Allow him 15 minutes time to file application mentioning the grounds/reasons for recount request.

On such an application being made, the Returning Officer shall decide the matter and may allow the application in whole or in part or may reject it in toto, if it appears to him to be frivolous or unreasonable.

Every decision of the Returning Officer shall be in writing and contain the reasons therefor.

If the Returning Officer decides to allow a recount of the votes either wholly or in part, he shall: -

(a) do the re-counting by following the procedure as explained here in before;

(b) amend the result sheet to the extent necessary after such recount; and

(c) announce the amendments so made by him.

After the total number of votes polled by each candidate has been announced the Returning Officer shall complete and sign the result sheet in the prescribed Form.

Any candidate or his agent shall on application be supplied with a copy of the result sheet in the prescribed form.

The diagram showing the counting hall arrangements is appended as Annexure – III for ready reference.

Annexure-123

MINUTES OF THE MEETING HELD WITH THE COUNTING OBSERVERS ON 03.12.2020 AT 12.00 PM IN THE OFFICE OF DIRECTOR OF MUNICIPAL ADMINISTRATION, TELANGANA, HYDERABAD WITH REGARD TO COUNTING OF VOTES

Chaired by:

The meeting was chaired by Sri C.Partha Sarathi, IAS (Retd), State Election Commissioner, Telangana.

The list of counting observers present at the meeting is enclosed as Annexure to this minutes.

Officers of TSEC present:

1. Sri M.Ashok Kumar,
   Secretary, TSEC
2. Sri N.Jayasimha Reddy,
   Joint Secretary, TSEC
3. Sri S.Vishnu Prasad,
   Joint Director, TSEC

The SEC welcomed all the counting observers to the meeting. He then explained that the total number of voters of GHMC as on the date of issue of election notification i.e, 17.11.2020 is 7444260. GHMC is having 150 wards and 30 circles with total 6 zones. The total number of polling stations setup in GHMC are 9101 and the counting locations are 30 and counting halls are 166. For each ward (1) counting hall is provided and in each counting hall 14 tables are arranged. As halls are small, the following additional halls are provided for the following 16 wards.

In circle 28 Malkajgiri – for wards 136 – 141 (Total 6 additional halls)

In circle 30 Begumpet – for wards 148 & 150 (Total 2 additional halls)

In circle 15 Musheerabad – for wards 85 to 89 (Total 5 additional halls)

In circle 29 Secunderabad – for wards 142, 143 and 146 (Total 3 additional halls

He further explained that counting of votes polled is scheduled from 8.00 AM on 4.12.2020 and will continue till the completion of counting and declaration of results. First postal ballot papers will be counted by the Returning Officers at ROs table. The postal ballot papers received by Returning Officer after 8.00 AM on 4.12.2020 will be taken into account. Postal ballot papers received upto 8.00 AM will not be considered for counting. After completion of counting of postal ballots, regular ballots counting will be taken up.

The counting of regular polled ballot papers consists of two stages. First stage is actual count of polled ballot papers found in the ballot boxes. At this stage, the polled ballot papers will be taken out from ballot box and without unfolding them, they will be counted in number and that number will be entered in Part –II of Ballot Paper Account. If even there is any variation in number of polled ballot papers found in ballot box with that of number shown in ballot paper account by Presiding Officer, it shall be ignored and actual ballot papers account found in the ballot box will be taken into consideration.

Once the initial count of total polled ballot papers is completed in all polling stations of the ward, the detailed counting will be taken up. Each table will be provided with 1000 ballot papers per round, for candidate-wise detailed count. All doubtful votes shall be decided by the Returning Officer only. Once candidate-wise sorting and counting of all polled ballots in that ward is completed, the result sheet has to be prepared adding candidate wise polled postal ballot papers and result has to declared by the Returning officer with the prior permission of counting observer.

He envisaged that for each counting location / centre, (1) counting observer is appointed. Since regular general observers appointed for GHMC elections are not sufficient in number, it is decided to appoint Dy.Collectors & Spl.Grade Dy.Collectors as counting observers in addition to regular general observers @ one counting observer for each ward for easy monitoring the process. The counting observers shall meticulously oversee/watch the entire counting process. If any disturbance occurs inside the counting hall, it shall be subdued immediately. Recounting of votes is at the discretion of the Returning Officer. The Returning Officer may allow partial recounting or fully recounting or reject the recount plea. Depending upon the circumstances, the Returning Officer has to take a decision. For recounting the candidates/agents shall give application in writing to RO within 15 minutes of completion of counting. Especially, deciding of doubtful votes is very important. The Returning Officer shall take clearance of counting observer before declaration of results of each ward. Initial counting will be 4 -5 rounds and final counting will be based on number of polled votes in the ward @ 14000 votes per round.

As per the instructions of the SEC, all the Counting Observers introduced themselves along with their liaison officers allotted to them by the officials of GHMC.

On enquiry by SEC with regard to the time required for counting of votes and declaration of results, most of them have stated that in between 02.00 PM & 03.00 PM the results can be declared for all the wards.

One of the counting observers opined that both postal ballot paper counting and the polled ballot paper initial counting can be started simultaneously to save the time. For which SEC replied that there is no objection if it is taken up simultaneously.

Smt Chandrakala, Revenue Divisional Officer, Sherlingampally & counting observer has raised an issue that in some of the polling stations in her Revenue Division, the polling personnel supplied "distinguishing mark" stamp instead of "swasthik mark" stamp to mark on the ballot paper by the voters and the voters marked the ballot papers with distinguishing mark only. Since it is the mistake of the polling clerk, if the intention of the voter is clear by marking on a particular candidate with distinguishing mark supplied by polling officer, whether that vote can be treated as valid or not.

The Secretary, TSEC enquired with others whether such incidents happened in their jurisdiction also and some of them replied that it is noticed in some polling stations in the

initial stages and once the mistake is noticed, they have replaced the distinguishing mark with arrow cross mark.

Intervening in the discussion, the SEC pointed out that it is the mistake of polling staff because they might have not been trained properly by Election Authority during the training classes. He clarified that SEC will examine the issue in detail and give necessary clarification by today evening and communicate it to all concerned.

On the issue of tendered ballot papers clarification is sought, whether the counting can be taken up on par with other polling stations in the polling stations where the percentage of tendered ballot papers polled is more than 0.1% to the total polled votes in that polling station or to wait for SEC's instructions. The SEC replied that clarity will be given by today evening duly verifying the total votes in the ward, total votes polled in the ward and percentage of tendered votes on total polled votes in the ward and they have to act accordingly.

The SEC informed that separate whatsapp group is created for counting observers. They can use it for any clarification, reporting etc. The Secretary, TSEC has informed that all the material with regard to counting of votes and declaration of results along with all circular instructions issued by SEC on counting of votes are given to them. They shall go through them in advance which will be useful to them.

One of the participants has stated that it has been noticed during various elections that hourly poll percentage reported by zonal officers will not tally finally after poll is completed and it creates lot of confusion and doubts in the minds of political parties & contesting candidates on the day of counting, unless correct figures are made available to all before the day of counting. SEC clarified that actual poll percentages and polling station wise number of votes polled data is already given to political parties and it is also available in TSEC web portal.

The SEC then explained about the preparation of final result sheet and the certificate of election to be given to the winning candidates.

The Secretary, TSEC concluded the meeting duly thanking them and inviting them for working lunch.

Lr.No.1192/TSEC-ULBs-GHMC/2020 **Dated: 03.12.2020**

To
The Commissioner & Election Authority, GHMC.
All the Counting Observers.
All the Returning Officers through the C & EA, GHMC.
All the Additional Returning Officers through the C & EA, GHMC.

Sir/Madam,

Sub: TSEC – Ordinary Elections to GHMC-2020 – Counting of Votes – Marking on ballot paper by the voter other than instrument (arrow cross - mark rubber stamp) at voter compartment & Commencement of counting of regular Ballot Papers – Clarification given – Reg.
Ref: Some of the Counting Observers raised certain issues in the Counting Observers conference held on 03.12.2020.

***

With reference to the subject cited above, some of the counting observers have sought certain clarifications during the meeting held on 03.12.2020 on the following issues-

1. During poll conducted on 01.12.2020 in some polling stations, the Polling Officers provided distinguish mark instead of arrow cross mark for marking on the ballot paper to the voters to cast their vote. Clarification is sought on validity of that Ballot Papers during counting of votes to be taken on 04.12.2020 whether to consider the ballot papers marked with distinguish mark.

2. Regarding commencement of Regular Ballot Papers.

In view of the above, it is clarified as follows-

With regard to Point No. 1, it is clarified that, if the intention of the voter is clear on marking to a particular candidate, that vote can be treated as valid vote to that candidate

since it is the mistake of polling personnel under rule 51(h) of Conduct of Election Rules,2005.

With regard to Pont No. 2: it is clarified that, the Counting of Postal Ballot Paper takes place at Returning Officer's table. The initial Counting takes place at counting tables by Counting Supervisors concerned.

Once the counting of Postal Ballots starts at Returning Officers table in the presence of contesting candidates / their elections agents at 8.00 AM, simultaneously the initial counting shall also start at 14 Counting tables in the presence of Candidate's Counting Agents at 8.15 AM

"..... that this Hon'ble Court may be pleased to issue any appropriate Writ, Order or Direction one more particularly one in the nature of Writ of Mandamus declaring the Lr.No.1192/TSEC-ULBs-GHMC/2020 dated 03.12.2020, issued by the respondent as illegal, arbitrary, contrary to the election laws and procedure and for being unconstitutional and set aside the same and consequently order judicially enquiry by the retired High Court Judge in respect of the aiding malpractices, illegalities done by the respondent authorities and pass such other order/orders as this Hon'ble Court may deem fit and proper in the light of justice and equity".

A reading of the impugned letter issued by the Telangana State Election Commission does not make it clear as to what the Election Commissioner has meant by "the distinguished mark" when there is a fixed procedure for marking the ballot papers with the 'Arrow Cross Mark' provided by the Returning Officers, the question of marking the ballot papers with other modes of marking cannot be countenanced. Even though Sri G.Vidyasagar Rao, learned Senior Counsel appearing on behalf of P.Sudheer Rao, learned Standing Counsel for the State Election Commission, has stated that the said clarification had to be issued as in some of the Polling Stations the distinguished mark which was supplied by the State Election Commission was different from the regular one and immediately, after noticing the same, they were changed, but by that time some of the voters had already cast their votes. Unless and until a counter is filed by the respondents, the reason which warranted for passing the present impugned clarification will not be known.

In view of the same, the impugned letter, dated 03.12.2020, is suspended for the present. However, the Telangana State Election Commission is directed to inform the Returning Officers and other Officers to keep the ballot papers, which are not marked with the 'Arrow Cross Mark' separately and keep a count of these disputed ballot papers till the writ petition is decided. If the margin of difference in the votes polled in favour of the First and Second candidate is more than the disputed ballot papers, the Election Officer is free to declare the results. If the margin is less than the disputed ballot papers, then the disputed ballot papers shall not be taken into account and the results of that Ward may not be declared. The disputed ballot papers shall be kept in safe custody along with other ballot papers, as per the rules in vogue.

Post on 07.12.2020 to enable the learned Standing Counsels to file their counters."

It is ordered as follows:

THE HON'BLE SRI JUSTICE A.ABHISHEK REDDY

WRIT PETITION No.22176 of 2020

OPERATIVE PORTION:

In view of the above mentioned provisions of law and the various judgments of the Hon'ble Supreme Court as well as other High Courts, this Court under Article 226 of the Constitution of India is not denuded of the powers to entertain writ petitions and issue interim directions even after the commencement of the election process. The orders issued by the Election Commission are always open to judicial scrutiny and review either on the ground of being malafide, arbitrary, exercise of power not vested with the authority or any action which is against the provisions of the Act or the Rules made thereunder.

The Telangana State Election Commission has the power to issue necessary directions/clarifications in furtherance of conducting the Election in a fair and impartial manner. The clarification impugned in this writ petition is well within the power of the Telangana State Election Commission. However, in the peculiar facts and circumstances of this case, the clarification issued vide Lr.No.1192/TSEC-ULBs-GHMC/2020, dated 03.12.2020 has created confusion in the minds of the voters, parties and contestants. A plain reading of the order does not reveal as to what was clarified by the Telangana State Election Commission when he meant "marking by the voter". But in view of the specific assertion and submission made by Sri G.Vidya Sagar, Senior Standing Counsel, appearing on behalf of Telangana State Election Commission, that what was meant by the Telangana State Election Commission was that the marking on the ballot paper by the voter other than that of 'Arrow Cross Mark' is only with reference to the 'Distinguishing Mark' only and no other mark of any kind. Therefore, this Court has to interfere and necessarily read down the clarification, dated 03.12.2020, issued by the

Telangana State Election Commission "marking" as to mean the 'Distinguishing Mark' only, which is specific and supplied to that particular Polling Booth/Station by the Telangana State Election Commission.

The Telangana State Election Commission is directed to count the Ballot papers, which have been marked with the 'Distinguishing Mark'.

The Returning Officer shall verify as to whether the 'Distinguishing Mark' which is specific to the particular Booth has been used in lieu of 'Arrow Cross Mark' and count the ballot papers accordingly as valid ones. In case, any other mark is found other than the 'Distinguishing Mark" of that particular Polling Station, the Returning Officer is free to take an independent decision as per the procedure contemplated under 51 (2) of Telangana Municipal Corporations (Conduct of Election of Members) Rules, 2005.

Accordingly, the Writ Petition is disposed of.

This order does not in any manner preclude the contesting candidates to challenge the validity of the Elections on the ground that the "Distinguishing Marks" or "any other marks" have been affixed instead of the 'Arrow Cross Marks', before appropriate Election Tribunal and the said issue shall be decided on its own merits uninfluenced by any observations made in this order.

ELECTIONS/URGENT

TELANGANA STATE ELECTION COMMISSION
1st Floor, DTCP Building, A.C.Guards, Hyderabad.

Order No.1294/TSEC-ULBs/2020 **Dated: 07.12.2020**

In the reference no. 1294/TSEC-ULBs-GHMC/2020-1&2, dated 17.11.2020, the State Election Commission issued notification for conduct of ordinary elections to Greater Hyderabad Municipal Corporation. As per the election programme notified, the poll was scheduled from 7.00 AM to 6.00 PM on 01.12.2020 and the counting of votes and declaration of results was scheduled on 04.12.2020.

After completion of poll on 01.12.2020, the State Election Commission convened a meeting with the Counting Observers on 03.12.2020 and explained the process involved in counting of votes and declaration of results.

In the said meeting, some of the observers brought it to the notice of the SEC that, in some polling stations, the polling officers, by mistake, provided distinguish mark instead of arrow cross mark to the voters for marking on the ballot paper to cast their vote and sought clarification on the validity of such ballot papers which were marked with distinguishing mark instead of arrow cross mark, during counting of votes on 04.12.2020 whether to consider the ballot papers marked with the distinguish mark or not.

Clarifying the issue on marking of ballot paper by voter using distinguishing marks instead of arrow cross mark, which occurred due to the mistake of polling officer, the Commission, in its Lr.No. 1192/TSEC-ULBs-GHMC/2020, dated 3.12.2020, the Commission clarified that, if the intention of the voter is clear on marking to a particular candidate, that vote can be treated as valid vote to that candidate since it is a mistake of polling personnel, under Rule 51 (h) of Conduct of Election Rules, 2005.

Aggrieved by the clarification given by the SEC, Writ Petition no. 22176 of 2020 was filed in the Hon'ble High Court.

The Hon'ble High court issued an interim order dated 4.12.2020 in I.A No. 1 of 2020 in W.P. No. 22176 of 2020, wherein, the SEC was directed "to inform the Returning Officer and other officers to keep the ballot papers, which are not marked with the "Arrow cross mark" separately and keep a count of those disputed ballot papers till the writ petition is decided. If the margin of difference in the votes polled in favour of the 1st and 2nd candidates is more than the disputed ballot papers, the Election Officer is free to declare the results. If the margin is less than the disputed ballot papers, then the disputed ballot papers shall not be taken into account and the results of that ward may not be declared. The disputed ballot papers shall be kept in safe custody along with other ballot paper, as per the rules in vogue".

The Standing counsel of SEC in his letter dated 4.12.2020, informed the commission that, a writ petition was filed challenging the letter no. 1192/TSEC-ULBs-GHMC/2020, dated 3.12.2020 issued by the SEC. The Hon'ble high Court after hearing both the parties passed the following orders:-

While keeping the circular in abeyance,

(i) Observed that the ballot papers which are cast by the voters with distinguished mark instead of arrow mark shall be kept separately.
(ii) Wherever the numbers of votes with distinguished mark on the ballot paper will have a bearing in the majority or declaration of the results, the declaration of results may be kept in abeyance;
(iii) Wherever the ballot papers with distinguished mark have no impact on the declaration of the results; the said result shall be declared.

The Commission in Lr. No. 1501/TSEC-L/2020, dated 4.12.2020, conveyed the information of standing counsel to all the Counting observers, Returning officers and the Commissioner & EA, GHMC with a request to comply with the orders of the Hon'ble High Court.

Further, in Lr.No. 1501/TSEC-L/2020-2, dated 4.12.2020, the SEC while communicating a copy of the Hon'ble High Court order dated 4.12.2020 in I.A. No.1 of 2020 in W.P. No. 22176 of 2020, to Election Authority and Commissioner, GHMC, Deputy

Election Authorities and Assistant Election Authorities, and Returning Officers and Counting Observers requested to implement the said Hon'ble High Court orders.

On the day of counting of votes i.e., on 4.12.2020, the Returning Officer of Ward no. 136 – Neredmet of Malkajgiri circle –28, GHMC, informed the Commission that, "during the process of counting of votes, it came to notice that, 544 ballot papers were marked with distinguished mark and the difference between the 1st highest polled votes and 2nd highest polled votes is 504 (i.e., 10052 – 9547). As the counting of distinguished mark ballot papers (544) has a bearing on the majority or declaration of the result, as per the instructions of the SEC in reference no. 1501/TSEC-L/2020, dated 4.12.2020 and orders of the Hon'ble High Court, the declaration of the result of ward no. 136 – Neredmet of Malkajgiri Circle –28, GHMC has been kept in abeyance.

The Commission filed counter affidavit in W.P.No. 22176 of 2020 praying the Hon'ble high court to vacate the orders dated 4.12.2020 in W.P. No. 22176 of 2020 and dismiss the writ petition and pass such other order or orders as the Hon'ble High Court deems fit and proper in the circumstances of the case.

The Standing Counsel of TSEC in his letter dated 7.12.2020, informed the Commission that, in terms of the orders of the division bench of the Hon'ble High Court, W.A.No. 546 of 2020, W.P No. 22176 of 2020 was taken up for hearing as the first case before the learned single judge justice A. Abhishek Reddy today i.e., 7.12.2020. After hearing the counsels appearing for both the parties, the Hon'ble High Court pronounced the judgement orally at 2.45 PM. The Hon'ble High court in its order dated 7.12.2020 in W.P. No. 22176 of 2020, directed that the votes cast by the voters with distinguish mark in place of arrow cross mark provided by the polling personnel be treated as valid and declare the results.

He further opined that, in view of the above, the State Election Commission may process to count votes and declare results of ward No. 136-Neredmet, in Circle-28, Malkajgiri in terms of the orders of the Hon'ble High Court, Hyderabad.

In view of the above, the Commission hereby, directs, that,-

1. The counting process of all polled 544 ballot papers which were marked with distinguished mark and kept a side in polling station no. 50, Ward No. 136-Neredmet of Malkajgiri Circle -28, GHMC, shall be continued at 8.00 AM on

09.12.2020 from the stage where the process is kept in abeyance as per Hon'ble High court interim order dated 04.12.2020 in W.P.No. 22176 of 2020.

2. To declare the results after completion of counting of votes by taking into account of votes polled to all contested candidates in all polling stations of that ward duly obtaining clearance from the Counting Observer duly following the procedure laid down.
3. All the contested candidates, their election agents and counting agents of the candidates of that ward who attended the counting process on 4.12.2020, shall be informed in writing the date and time of continuation of counting process from where it was kept in abeyance as directed by the Hon'ble High court.
4. The same Returning Officer and counting personnel who were appointed earlier shall take up continuation of balance counting process as per Section 65 of GHMC Act, 1995 and Rules 51 to 56 of Rules relating to conduct of Elections, 2005.
5. All other counting hall arrangements, counting arrangements, security arrangements and other procedures shall be followed as followed earlier on 4.12.2020.

The State Election Commission is entrusted with the responsibility of holding free, fair and transparent elections to the local bodies. Towards this end, the observers play a very critical role in maintaining the accuracy of poll process, enforcement of MCoC, drafting, randomization and training of polling personnel finally supervision of counting and declaration of results. Such being the responsibility of the observers the SEC has always being ensuring that, only officers having experience in conducting elections are chosen for this purpose.

The GHMC is having 150 wards and 30 circles with 8300 polling stations spreading over 24 Assembly Constituencies. To effectively monitor the election process, for each circle one Observer is required.

While, thanking the Government for nominating (6) IAS Officers vide reference 2nd cited, against (40) IAS Officers sought by the State Election Commissioners in the reference 1st cited, the SEC once again seeks a list of another (24) suitable officers belonging to IPS/IFS cadre if the Government is unable to spare the IAS officers.

I, therefore, request you to kindly send list of (24) suitable officers (IPS & IFS Cadre) in addition to above 6 IAS officers for being appointed as General Observers @ one to each circle during ensuing GHMC elections.

Please treat this very urgent.

With regards.

Observers should check that, one or two ballot boxes provided for each polling station, as it considered appropriate. It should be noted that at any time there should be one ballot box in any polling station. Only after a ballot box is filled up, a new ballot box shall be put into use by following the prescribed procedure. The number of contesting candidates and the consequent size of the ballot paper should also be kept in view while providing the ballot boxes to the polling parties. If the number of contesting candidates is unusually large, say, 20 or more, one extra ballot box may be supplied. In such cases, the slit of the ballot box 1/4", is also widened if considered necessary.

Some of the ballot boxes while at disposal may be old. Every ballot box should individually be checked immediately and necessary repairs should be carried out. In all cases oiling and cleaning must be done, in advance, for smooth functioning of the locking device.

ROs should be strictly instructed that, in any circumstances, no defective ballot boxes are allotted to the polling station. Even one defective ballot box may raise serious suspicions in the minds of the candidates and their agents and may largely destroy confidence.

Check that, Presiding Officers and other polling officers are familiarized with the preliminaries to be carried before poll as per instructions an operating on ballot boxes at different stages is discussed in detail in chapter – VIII of Hand Book of Presiding Officer i.e,

a. preparation of the Ballot Boxes for voting;
b. conduct of demonstration of ballot boxes, closing the slit & seal the box after balloting;
c. procedure for use of additional ballot boxes;
d. procedure for opening of ballot boxes at the time of counting of votes.

5. PREPARATIONS FOR DATE OF POLL:

i. Effective checks to curb electoral malpractices or vitiation of the poll process by way of bribing, booth capturing, rigging, creating a scare, fear and panic among electorate so as to prevent them from casting their votes are major concerns.

ii. The methods adopted by unscrupulous elements vary from Constituency to Constituencies and area to area. The Observers are expected to familiarize themselves about the tricks of the trade prevalent in the area as well as identify the specific areas prone to such mischief.

iii. The Observers should carefully plan out, in confidence, the areas which they would focus on, during the actual period of poll. This will be kept confidential and is not to be shared with anyone including the Election Authority, Returning Officers, Escort and Liaison Officer.

6. VISIT TO DISTRIBUTION /DISPATCH CENTERS:

Chapter – X
POLL DAY ACTIVITIES

1. POLL DAY ACTIVITIES:

i. On the date of poll, Observers available in the circle should distribute areas among themselves and visit maximum number of booths as is physically possible during the hours of polling. They should, therefore, plan to carry some packed food so that no time is lost on this account. The presence of the Observers in the field on the day of poll and their visits to polling stations should be an effective deterrent against electoral malpractice and vitiation of the Poll Process. The Observers will ensure prompt and effective action on this score by interacting with the Election related officers/ GHMC Election Administration constantly through telephone or wireless set etc. The GHMC Administration shall provide a wireless set fitted to the Observers vehicle on the pre poll day to the date of completion of the polling and counting.

ii. One of the most important responsibilities of the Observers is to oversee the actual poll which takes place from 7.00 a.m. to 6.00 p.m. as approved by the Commission. Since the preparation of Ballot Box for poll and other preliminaries in the polling station starts one hour before poll, the Observers should plan to start their work from a convenient point sufficiently before the start of the poll. General and Expenditure Observers should distribute the wards between them in such a manner that they can cover the maximum wards.

iii. They should look for any unusual activity or lack of activity around a polling station to sense whether any electoral malpractice has vitiated or is likely to vitiate free and fair polls. Absence of women in the queues may be an indicator of something unusual. The Observers should in advance study and acquaint themselves with the pattern of electoral malpractices in the past elections in different areas. On this basis they can look for tell tale signs, of any irregularities. They should constantly remain in touch with the ROs/Zonal Officers and other officers on duty to get feedback as well as to convey anything specific for corrective action to be taken by the concerned authorities on the basis of what the Observers have actually seen in the field on the date of poll.

iv. They should also go inside Polling Stations and check for the progress of polling, the compliance of prescribed procedures by the polling officials in conducting the poll, the presence of polling agents, the updating of entries in the Presiding Officers diary and such other matters that need verification. Observers shall sign the visit sheet, available with the Presiding Officers and check whether the AROs/ Zonal Officers visited the polling station and recorded their observations and the number of votes polled at the time of visit of the Officer has to be recorded and signed.

v. The observer should see that, the polled Ballot boxes, polling parties and polling materials are transported under appropriate security arrangement to the strong room where it has to be stored. An important point to be noted is that Ballot paper Account when Ballot boxes are used /Accounts of Votes recorded when are used has been completely and correctly filled by the Presiding Officer

and these are deposited along with the Presiding Officers diary at the collection centers and strong room.

2 RECEPTION OF POLLING PARTIES :

i. There is need to focus on polling stations wherein

a. Polling was disrupted temporarily due to Ballot Box failure or any other reason.
b. Serous complaints were received and
c. impersonation is reported leading to casting of tender votes.

The Returning Officer has to prepare a report of such polling stations with their names and numbers and send it to C&EA, GHMC and Observer by 6.00 P.M. and the Polled Ballots and other documents pertaining to these polling stations are to be received in a special center and not in the regular counters as a rule. The Presiding Officer's diaries have to be checked thoroughly for these polling stations.

ii. At the reception centre, it should be ensured that a copy of ballot Paper account is kept with the respective Ballot Box in strong room. Other documents should not be kept in the strong room. Other documents should be kept separately in a separate strong room to facilitate access when requires.

3. REPORT ON TENDERED VOTES:

Observers should instruct the Returning officers that, at any polling station, if the percentage of tendered votes recorded is **more than 0.1%(Point one percent)** of the total votes polled at the polling station, the matter shall be brought to the notice of State Election Commission through the Returning officer and C&EA. The State Election Commission in such case will take a decision whether to order for repoll or not and issues order accordingly.

4. REPOLL AND ADJOURNED POLL CASES:

The report of the Observer is the most important input for the Commission for taking a decision on ordering repolls. The Observers should therefore be vigilant and alert about any incident or activity which might or might have vitiated the poll process so that they can send a specific report to the Commission on this matter. In case of repolls, the Observers shall send a comprehensive report at the end of repoll.

5. END OF POLL REPORT:

The Observers will send a report in the form prescribed in **observers report 3 (Annexure -V)** at the end of poll showing the role of polling agents and the number and nature of complaints received in regard to each polling station. In addition to this, the Observer has to send a comprehensive report highlighting all important factors, in case any repoll is recommended by him for a particular polling station or a group of polling stations.

Chapter – XI
COUNTING

1. COUNTING OF VOTES

1. The statutory provisions regarding Observers specifically focus on their role during the counting process and empower them to stop counting and to direct the Returning Officer not to declare the result, if in the opinion of the Observer, booth capturing has taken place at a large number of polling stations or at counting centres or any ballot papers used at a polling station are unlawfully taken out of the custody of the Returning Officer or are accidentally or intentionally destroyed or lost or are damaged or tampered with, to such an extent that the result of poll at that polling station cannot be ascertained and report the facts to SEC for further instructions. The statute thus enjoins a special responsibility on the part of the Observers to oversee and supervise the counting process and also to provide a direct and immediate communication to the Commission. The Commission accordingly expects that the Observers will have a key role in the superintendence of the counting process.
2. Commission is particularly concerned that the entire counting arrangement should be orderly and well-structured. Commission attaches great importance to the fact that the actual counting is done in such a manner that it is not only smooth and efficient but more importantly transparent and correct. Reasonable opportunity is to be afforded, as per existing instructions of the Commission, to let the counting agents of the candidates get a clear view of the counting process as it goes on each counting table.
3. Commission has issued orders regarding the arrangements for counting in the **Hand Book for Returning Officers.**
4. Observers may visit as many counting centres as they can when counting of votes is done to ensure that counting process is conducted as per the procedure prescribed.
5. Observers have to send the **Observers Report-4 (Annexure-VI)** to the Commission after counting and declaration of the results.

ANNEXURE – I

Guidelines for Micro-Observers

1. Observers have a very crucial role to play in the conduct of an independent, free and fair election. To strengthen the system of observation, the Commission has consciously decided to deploy Micro-Observer at the selected sensitive / hyper sensitive polling stations. These Micro-Observers would directly work under control and supervision of the General Observer.
2. For deployment as micro-observer, the Collectors & DEAs and in case of GHMC, the Commissioner & Election Authority, Greater Hyderabad Municipal Corporation shall obtain the list of employees of Central Govt., and Central Public Sector Undertaking in the State. In case sufficient number of employees of Central Govt., and Central Public Sector Undertaking are not available, Gazetted Officers of State Government and State Public Sector Undertakings may be utilized for this purpose.
3. The Collectors & DEAs in respect of Municipal Bodies and in respect of GHMC, the Commissioner & Election Authority, Greater Hyderabad Municipal Corporation shall prepare a list of critical polling stations under the supervision of the Observer concerned and in consultation with the Commissioners of Police / Superintendents of Police concerned, where these Micro Observers would be deployed. Such polling stations would be short-listed on the basis of various factors which contribute to the vulnerability of the poll process. Such factors, for example, domination of one social group over other, inaccessibility of the area, previous history of violence, etc. would have been taken into consideration while doing the vulnerability mapping. The list of such polling stations where Micro Observers are to be deployed shall be finally approved by the Observer and kept confidential in a sealed envelope till the last moment of deployment.
4. There shall be a nodal officer identified by the Collectors & DEAs in Municipal Bodies and in case of GHMC, the Commissioner & Election Authority, Greater Hyderabad Municipal Corporation for Micro-Observers to handle logistics and deployment related tasks of Micro-Observers in each Urban Local Body.
5. In multi-polling station buildings, each location shall have one micro-observer instead of one Micro Observer per polling station. The Micro Observer can oscillate between and visit the polling stations within the same campus at frequent intervals.
6. General Observers will be in close touch with them for their requirements of Micro-Observers relating to their wards.
7. Each Micro Observer shall be given a photo identity card by the Commissioner & Election Authority, Greater Hyderabad Municipal Corporation / District Election Authority / Returning Officer to ensure his access to the polling stations.
8. Observers will arrange and train their Micro Observers. The officer selected for the job of Micro-Observer may not be aware of different aspects of election process. Therefore, a basic training of election processes involved on the day of the poll shall have to be given to them. This should enable them to understand and observe the activities relating to election on the day of the poll. An illustrative training material for the Micro Observer is attached with this circular. Since the Micro Observer shall be reporting to the Observer alone, it will be the responsibility of the Observers to ensure that they are trained properly on the relevant and crucial issues. The Commissioner & Election Authority, Greater Hyderabad Municipal Corporation / Collectors & DEAs / Returning Officers shall organize the training of these Micro Observers.

9. The required number of officers for deployment as Micro Observer would be picked up randomly from the list of all eligible Officers. Further the assigning of critical polling stations also will be done in random manner a day prior to the day of departure in the presence of the Observer and duly approved by him. However, the exact polling station/polling location would be given to them on the day of departure.
10. The Commissioner & Election Authority, Greater Hyderabad Municipal Corporation / Collectors & DEAs / Returning Officers should ensure that the Micro Observers are separately dropped to their destinations or may be with Zonal Officers. Micro-Observer should be provided with an Identity card, entry pass to his/her polling stations and such other requirements as may be necessary for discharge of duties as per the direction of the Commission.

I. Legal Provisions:

Section 617 B (1) of GHMC Act, 1955 (in respect of GHMC) and Section 235 (1) of Telangana Municipalities Act, 2019 (in respect of Municipalities and Municipal Corporations other than GHMC) stipulates that every candidate, at any election held under these Acts shall, either by himself/herself, or by his/her election agent, keep a separate and correct account of all expenses incurred in connection with the election, between the date on which the candidate concerned has been nominated, and the date of declaration of the result of the election, both dates inclusive.

Sub-Section (2) of Section 617 B of GHMC Act, 1955 and Sub-Section (2) of Section 235 of Telangana Municipalities Act, 2019 stipulates that the account of election expenses shall contain such particulars, as may by order, be specified by the State Election Commission.

Sub-Section (3) of Section 617 B of GHMC Act, 1955 and Sub-Section (3) of Section 235 of Telangana Municipalities Act, 2019 stipulates that the total of the said expenses shall not exceed such amount, as may by order, be specified by the State Election Commission.

Section 617 C of GHMC Act, 1955 and Section 236 of Telangana Municipalities Act, 2019, stipulates that

617-C. Lodging of account with the District Election Authority: Every contesting candidate at an election shall, within forty five days from the date of declaration of the result of the election, lodge with the District Election Authority, an account of his election expenses, which shall be a true copy of the account kept by him, or by his election agent, under Section 617-B. In case of GHMC, the Commissioner, GHMC is the Competent Authority.

236. Lodging of account with the District Election Authority: Every contesting candidate at an election shall, within forty five days from the date of declaration of the result of the election, lodge with the District Election Authority, an account of his election

expenses, which shall be a true copy of the account kept by him, or by his election agent, under section 235";

Under Section 20-B of GHMC Act, 1955 and paragraph 3 in schedule IV of Telangana Municipalities Act, 2019, the State Election Commission is empowered to disqualify a candidate from contesting election for a period of 3 years for failure to lodge an account of election expenses within the stipulated time and in the manner required under the said Acts and in case the candidate is elected, he is liable for cessation of office for such failure.

For the purpose of clarity, the explanations given under Section 617-B of GHMC Act, 1955 and Section 235 of Telangana Municipalities Act, 2019 for the election expenses are reproduced below.

Explanation-I:- 'Election expenses' for purpose of this Act shall mean all expenses in connection with the election,-

(a) incurred, or authorized by the contesting candidate, or by his election agent;

(b) incurred by any association, or body of persons, or by any individual, other than the candidate or his election agent, aimed at promoting or procuring the election of the candidate concerned; and

(c) incurred by any political party, by which the candidate is set up, so as to promote or procure his election:

Provided that any expenses incurred by any political party as part of its general propaganda, which is distinguishable from its election campaign, for the promotion or procuring the election of a particular candidate, by words, either written or spoken, or by signs or visible representations, or by audiovisual devises, or through print or electronic media or otherwise, shall not constitute 'election expenses' for purposes of this Act.

Explanation – II:- (1) For the removal of doubts, it is hereby declared that any expenses incurred in respect of any arrangements made, facilities provided or any other act or thing done by any person in the service of the Government and belonging to any of the classes mentioned in clause (9) of Section 17 of GHMC Act, 1955 and in clause (9) of section 205 of TM Act, 2019 in the discharge or purported discharge of his official duty as mentioned in the proviso to that clause shall not be deemed to be expenses in connection with the election incurred or authorized by a candidate or by his election agent for the purposes of this sub-section.

The SEC issued Notification in the reference cited (enclosed to this circular) prescribing the particulars and the formats according to which the election expenditure accounts shall be maintained by the contested candidates in the elections to Urban Local Bodies and true copies of the same are to be submitted to the District Election Authority through the Municipal Commissioner of concerned Municipal Corporation or Municipality, as the case may be, within 45 days from the date of declaration of the result.

In this regard the attention of all political parties and contesting candidates is, hereby, drawn to the provisions of section 171 of the Indian Penal Code which reads as follows:

"171 H. IPC **Illegal payments, in connection with an election:-** whoever, without the, general or special, authority in writing of a candidate, incurs or authorises expenses on account of the holding of any public meeting, or upon any advertisement, circular or publication, or in any other way whatsoever for the purpose of promoting or procuring the election of such candidate, shall be punished with fine which may extend to five hundred rupees:

Provided that if any person having incurred any such expenses not exceeding the amount of ten rupees without authority, obtains within ten days from the date on which such expenses were incurred the approval in writing of the candidate, he shall be deemed to have incurred such expenses with the authority of the candidate".

Thus, from the above provision of law, it may be noted that the expenditure incurred by the supporters in connection with election of a candidate, without the knowledge or consent of the contesting candidate, is a criminal offence under the above law and persons, supporters, political parties, body or associations are liable for prosecution. And if such expenditure has been incurred, **with the knowledge** or with the consent of the candidate, then the same should be included in the account of election expenses of the candidate.

II. Directions for Compliance:

1. In order to put effective curbs on the incurring or authorising of expenditure, in violation of the statutory provisions of the above-referred section 171 H of the Indian Penal Code and in the interests of free and fair elections, the State Election Commission, in exercise of its powers under Article 243 ZA of the Constitution, Section 617-B of GHMC Act, 1955 and Section 235 of Telangana Municipalities Act, 2019, hereby, directs as follows:

(i) No political party or any other association, body or individual, shall put up any cut-outs, hoardings, wall paintings, flags, banners, buntings, advertisements in newspapers, electronic media etc., without the general or special authority (in writing) of the candidate whose election is sought to be promoted by such cut-outs, hoardings, etc., as is statutorily and mandatorily required under Section 171 H of the Indian Penal Code. Strict penal action against those offending the above provisions of law shall be taken and prosecutions launched against them.

(ii) Subject to clause (iii) below, a political party or association or body may put up any cut-outs, hoarding, etc., referred in clause (i) above as part of its general propaganda, which is distinguishable from its election campaign for the promotion of the election of a particular candidate. For example if the poster, banner etc. appeals to the voter to vote for a party in words or picture or photo of party office bearers only then it is a case of general publicity. But if a poster, banner etc. also appeals to vote for a particular candidate in words or picture or photo then the cost thereof should be counted towards the expenditure of that candidate. If there is more than one candidate promoted in the propaganda, then the expenditure shall be shared amongst them.

(iii) No political party, contesting candidate, association, body or individual shall put up any cut-outs, hoarding etc., either under clause (i) or under clause (ii) above, unless prior written permission of the concerned Government authorities or local authorities like

Municipality and Municipal Corporation has been obtained under the relevant local laws before putting up such cut-outs, hoarding etc.

(iv) Before granting any permission as envisaged in clause (iii) above, the concerned Government authorities or the local authorities mentioned above shall thoroughly examine the applications of the parties, association, bodies or individuals with a view to satisfying themselves that the putting up of such cut-outs, hoardings etc., on the proposed site does not compromise the safety and security of the general public and does not result in traffic and other hazards in any manner whatsoever. Such authorities shall also examine whether any authorisation from a particular candidate is required by the applicant in terms of clause (i)&(ii) above and, if so, whether such authorisation has been obtained by the applicant.

(v) It shall be the responsibility of the Government authorities and local authorities mentioned above to ensure that no cut-outs, hoardings etc., are put up by any political party, association, body or individual on any highways, road-sides, traffic intersection and crossings, government buildings and property, like electricity and telephone poles, etc., without prior written permission of the concerned department or local body and the written authorization of the candidate, where required, as mentioned above. Any cut-out, hoardings, etc. which have been put up without the required permission and authorization should be got removed/demolished forthwith at the cost of the party, association, body or individual responsible for the unauthorised putting up of the same.

(vi) Penal action shall also be initiated forthwith against such defaulting parties, associations, bodies or individuals by the Enforcement authorities under section 171 H, IPC and sections 4 and 5 of "Telangana Prevention of Disfigurement of Open Places and Prohibition of Obscene and Objectionable posters and Advertisements Act, 1997 (Act 28 of 1997)" the provisions whereof have been violated by the putting up of such unauthorised cut-outs, hoardings etc.

(vii) If any such instances either come, or are brought, to the notice of the election expenditure observer, District Election Authorities, Returning Officers or other authorities concerned with the conduct of elections, including the Police authorities, they shall forthwith take up the matter for prompt action as directed in clauses (v) and (vi) above.

2. The Commission, hereby, warns all concerned that any violation of the above directions will be viewed seriously by the Commission and most stringent action possible under the law will be taken against the parties, associations, bodies or individuals responsible for such violations.

3. If any Officer is found to have failed to take prompt and expeditious action as envisaged above, he will render himself liable to strict disciplinary action for failure to discharge the official duty.

4. Concurrent monitoring during election campaign:

(i) The State Election Commission directs that <u>for concurrent monitoring</u> the "day to day basis" true account of expenditure in the Proforma should be submitted every day to the authorities designated by the State Election Commission by the candidate/election agent or by messenger personally or by post. These authorities shall see that the day to

day accounts of expenditure submitted are published and to make them available to anybody who intends to verify them.

(ii) In connection with ordinary/casual elections to Municipal Bodies in the State, the Commission, hereby, designates the Returning Officers for the inspection and scrutiny of the day to day expenses submitted by the contesting candidates for the office of Ward Member of Municipalities / Municipal Corporations during campaign period.

The election expenditure observers will also undertake inspection and scrutiny of all the expenditure accounts constantly.

(iii) With a view to minimise the possibility of contesting candidates, their supporters, political parties, bodies or associations incurring expenditure in excess of the ceilings prescribed by the State Election Commission, it is felt necessary that the daily returns of expenditure should be made transparent by making them available to the public and the other contesting candidates, who, can help the Election Commission to effectively check the veracity of the returns with actual expenditure being incurred by the contesting candidates and their supporters. It is, therefore, decided that the designated officers should make photo copies of these returns and provide the same to other contesting candidates, any member of the public or Non-Governmental Organisation, on demand and on payment of xeroxing charges or a certified copy as per Section 76 of the Indian Evidence Act, 1872 and to the media, free of cost, so as to enable them to assist the Election Commission in effectively implementing the ceilings imposed on the expenditure to be incurred by the contesting candidates for various offices. The Commission is of the considered opinion that this exercise in bringing transparency in election expenditure will enhance the purity of elections and help in conduct of free and fair elections.

5. Final Expenditure Account:

The final return of election expenditure within the format and proforma prescribed in the notification cited shall be submitted by the contesting candidates through the Municipal Commissioner of concerned Municipal Corporation or Municipality, as the case may be, within 45 days from the date of declaration of the results of the Office for which they had contested. The Municipal Commissioner shall forward all returns received by him to the District Election Authority immediately on the expiry of forty-five days from the date of declaration of the results of elections. The Election Authority & Commissioner, GHMC and Collector & District Election Authority shall make these returns public and take up follow up action as per rules 93, 94 and 95 of Telangana Municipal Corporation (Conduct of Election of Members) Rules, 2005 in case of GHMC and rules 103, 104 and 105 of Telangana Municipalities and Municipal Corporations (Conduct of Election of Members) Rules, 2019 in case of Municipalities and other Municipal Corporations.

The Collector & District Election Authority shall also take follow up action in respect of candidates who failed to lodge election expenditure accounts within the stipulated time and in the manner required by or under the GHMC Act, 1955 and Telangana Municipalities Act, 2019 as the case may be, as per the procedure envisaged in sub rules (2) and (8) of Rule 95 of Telangana Municipal Corporation (Conduct of Election of Members) Rules, 2005 in case of GHMC and in sub rules (2) and (7) of Rule

105 of Telangana Municipalities and Municipal Corporations (Conduct of Election of Members) Rules, 2019 in case of Municipalities and other Municipal Corporations. The report would be considered 'in the manner required' by or under the GHMC Act, 1955 and TM Act, 2019, as the case may be, only when

(i) The Expenditure Account should be complete and true. An expenditure report which does not contain all the expenditure incurred will be considered incomplete and untrue and would be acted upon as per the provisions of the Acts and Rules.

(ii) An expenditure Account that is in the format & Proforma prescribed by the SEC in Notification No.2822/TSEC-L/2019, dt:22.11.2019 (copy enclosed) will only be treated as being in the manner required by or under the GHMC Act, 1955 and TM Act, 2019, as the case may be. Any divergence from the format & proforma will be treated as non submission and suitable action initiated against the concerned.

The election authorities relating to Municipal Corporation and Municipality

elections are directed to furnish a copy of these instructions to the contesting candidates

under acknowledgement.

CIRCULAR

Cir.No.1503/TSEC-ULBs-GHMC/2020 **Date:09.12.2020**

Sub:- TSEC - Elections to Mayor and Dy. Mayor of Greater Hyderabad Municipal Corporation – Procedural instructions – Issued.

Ref:- G.O.Ms.No.762, MA & UD (Elections II) Dept., dated:19.08.2005.

***

Section 90(1) of the Greater Hyderabad Municipal Corporation (GHMC) Act, 1955 stipulates that, at the first meeting of the Corporation, after ordinary elections, shall elect one Mayor and one Deputy Mayor from among the directly elected Ward members. The directly elected Ward members and Ex-officio members referred in sub section (1) and (1-A) of Section 5 of GHMC Act (MPs, MLAs and MLCs) will elect the Mayor and Deputy Mayor separately by show of hands duly obeying the party whip given by such functionary of the recognized political party, as may be prescribed. If a member votes in disobedience of party whip in the election to the said offices, he shall cease to hold office in the manner prescribed. The following fresh instructions are issued for the guidance of the Presiding Officer authorized by the Election Authority:

In the reference cited, the State Government issued, Telangana Municipal Corporations (Conduct of Election of Mayor and Dy. Mayor) Rules, 2005 (Copy enclosed).

The State Election Commission will issue Notification for conduct of indirect elections to the offices of Mayor and Deputy Mayor of GHMC for which ordinary elections are held. As per the Schedule notified therein, the officer authorized by the Commissioner, GHMC will issue a notice of the date and hour of the meeting.

The following procedural instructions are issued with regard to holding of First Meeting for conduct of elections to the said offices and other matters relating thereto.

I.GENERAL:

(a) Any reference to 'Act' in this circular shall be construed as a reference to the Greater Hyderabad Municipal Corporation Act 1955 and any reference to 'Rules' in this circular shall be construed as reference to Telangana Municipal Corporations (Conduct of Election of Mayor and Deputy Mayor) Rules, 2005 rules issued in

G.O.Ms.No.762 Municipal Administration & Urban Development (Elecs.II) Department, dated 19.8.2005.

(b) Under Rule 4 of the "Rules" Special meeting of the members of Municipal Corporation for election of Mayor and Deputy Mayor shall be held in the office of the Municipal Corporation by the District Collector or Joint Collector authorized by the Election Authority in Form-I.

(c) Only directly elected Ward Members are eligible to contest in election of Mayor and Deputy Mayor of Greater Hyderabad Municipal Corporation.

(d) The directly elected Ward Members referred in Sub Section (1) and Ex officio members i.e., MPs, MLAs & MLCs referred in sub section (1-A) of Section 5 of GHMC Act can vote in the election to Mayor and Deputy Mayor of Greater Hyderabad Municipal Corporation.

(e) Reservations are notified for the office of Mayor of Municipal Corporation by the Government. Only such of those elected Ward Members, who belong to that particular reserved category, shall be eligible to contest irrespective of the fact whether such candidates were elected from the Ward Constituency reserved for the said category or not. A clarification issued on this matter in Circular No.980/TSEC-ULBs/2015, dated 30.11.2015 is also enclosed.

(f) No canvassing or any efforts to influence the voting pattern shall be permitted inside the meeting hall.

(g) In the Special Meeting convened, the election of Mayor shall be taken up first. After completion of election of Mayor only, the election of Deputy Mayor shall be taken up. If the election of Mayor is not completed, the election of Deputy Mayor shall not be taken up. This arrangement will ensure that, the office of Mayor of Greater Hyderabad Municipal Corporation, for which reservations apply, are filled up leaving little scope for vested interests to keep them vacant and continue Deputy Mayor of Municipal Corporation as temporary Mayor of Municipal Corporation for unduly long periods defeating the very purpose of reservation policy.

II. Model Code of Conduct in elections to Indirectly Elected offices of Urban Local Bodies.

The Chapters II & XVII of GHMC Act, 1955 make detailed provisions for ensuring free and fair elections to the Greater Hyderabad Municipal Corporation. In the said

Chapter, enumerates various electoral offences. The Indian Penal Code also provides for strong protections against electoral offences through Sections 171A, 171B & 171C.

Considering the letter and spirit of the Constitutional and statutory provisions and also considering the ground realities, the State Election Commission has notified the Model Code of Conduct with the object of providing level playing field to all the candidates and political parties. However, the provisions of this MCoC address mostly the concerns associated with the direct elections and it does not afford similar protection against the malpractices encountered during the indirect elections.

During the past indirect elections, it was often noticed that various political parties and other influential candidates organize "camps" by confining the elected representatives for extended periods of time ostensibly to protect them from being won over by the opponents. Camps typically involve housing in secret or unknown locations usually in luxurious settings. Organization of such camps involve incurring of considerable expenditure and also employment of extra ordinary influence. Thus the indirect elections tend to afford undue opportunities to be monopolized by the rich and influential parties and persons. Party in power tends to enjoy additional advantage because of its overt and covert influence over the Government machinery for doling out explicit and implicit favours/ dis-favours through various departments and agencies.

Employment of all such illegal measures tend to distort healthy democratic functioning besides breaching the trust reposed by the voters in their representatives. It is not rare to see instances where newly elected representatives yield to such measures by voting against the whips issued by their respective parties, thereby foregoing their hard earned membership in the First meeting itself necessitating conduct of casual elections at great cost to the public exchequer.

Hence, with a view to rein in the illegal practices of bribing, exertion of undue influence etc., on the elected representatives, the following specific measures shall scrupulously be followed.

1. The MCoC for indirect elections shall commence from the date of issue of notification for conduct of indirect elections and shall extend till the completion of indirect elections of the concerned local bodies.
2. Bribery as defined in GHMC Act and Indian Penal Code is not to be resorted by any of the political parties, the elected members seeking offices such as Mayor/ Dy. Mayor of Municipal Corporations either directly or indirectly.

3. Ban on exertion of undue influence on the elected representatives for voting against the whips issued by their respective political parties during the indirect elections. Neither the political parties, nor any of their candidates involved in the indirect elections shall exert or attempt to exert any undue influence against any of the electors while exercising their electoral rights.

4. No political party nor any of the contesting candidates shall offer any post to the electors as an incentive for defying their party whip while exercising their voting rights.

5. The party in power or any of the functionaries of the Government should not misuse or attempt to misuse their power covertly or overtly for extending incentives or disincentives while granting certificates, licenses, work contracts or in disposal of pending cases, payment of pending bills, revision of contracts etc. Similarly the investigating agencies shall not resort to any partiality in registration of offences or framing charge sheets, enforcement of arrests, NBWs etc.

6. No political party or any candidate shall organize any camps with elected representatives either directly or indirectly.

7. There shall not be any canvassing, campaigning activity pertaining to the indirect elections to local bodies from 48 hours prior to the hour fixed for the conduct of such indirect elections to Municipalities or Municipal Corporations. Such ban on canvassing, campaigning etc shall continue till the completion of the indirect elections to the concerned bodies.

Any violation of the above provisions of the MCoC shall invite suitable prosecution or / and action under relevant provisions of the Acts/rules concerned. Section 612 of GHMC Act, 1955 shall be invoked in appropriate cases.

Prosecution

1. The violation of these provisions is punishable under various laws.

2. The Election Authority, Additional Election Authorities, Deputy/Assistant Election Authorities and the Police are authorized to initiate prosecution against violators of this Code before the Competent Criminal Courts under intimation to the State Election Commissioner.

III. ISSUE OF WHIP BY RECOGNISED POLITICAL PARTIES:
