Lr.No.642/TSEC-EM/2018 Dated:14.08.2018

To
The Principal Secretary to Government of Telangana,
Municipal Administration and Urban Development Department,
Telangana Secretariat,
Hyderabad.

Sir,

Sub:- TSEC – Elections – Elections to Urban Local Bodies with EVMs – Judgment of the Hon'ble Supreme Court datd 08.10.2013 regarding provision for use of EVMs with Voter Verifiable Paper Audit Trail System (VVPAT) – Applicability of the judgment to the Urban Local Body elections – Proposals for amendment to conduct of election rules of Municipalities to implement the VVPAT provisions – Reg.

***

The Hon'ble Supreme Court of India in its judgment dated: 08.10.2013 in Civil Appeal No. 9093 of 2013 (Dr. Subramanian Swamy Vs. Election Commission of India) directed the ECI to introduce the Voter Verifiable Paper Audit Trail System (VVPAT) in gradual stages or geographical-wise.

The landmark judgment of the Apex Court to make a provision for Use of EVMs with Voter Verifiable Paper Audit Trail System (VVPAT) is also to be made applicable for elections to Urban Local Bodies.

ECI and most of SECs in India are procuring and using EVMs with VVPATs. Due to its advanced technology and advantages, the Telangana State Election Commission also intends to use EVMs with VVPATs in forthcoming elections to Urban Local Bodies. Hence, the Commission desires to propose certain amendments to relevant rules of Telangana Municipalities (Conduct of Election of Members) Rules, 2005 pertaining to use of EVMs with VVPATs.

In view of the above, the Commission proposes the following amendments to the Telangana Municipalities (Conduct of Election of Members) Rules, 2005.

1. *Amendment proposed to Rule 68 and 68 A of Rules relating to Telangana Municipalities (Conduct of Elections of Members) Rules, 2005.*

(i) The Rule 68 & 68 A, shall be replaced with the following provisions namely, -

68. Design of Voting Machine:- Every Electronic Voting Machine (hereinafter referred to as the voting machine) shall have a control unit (without Detachable Memory Module/Secured Detachable Memory Module or with Detachable Memory Module/Secured Detachable Memory Module) with one or more balloting units and may also be attached to a printer with a drop box for printing a paper trail of the vote(Voter Verifialbe Paper Audit Trial), in such constituency or constituencies or polling station or polling stations or parts there of as the State Election Commission may direct basing on the availability. The number of balloting units shall depend on the number of contesting candidates and number of seats. The design and shape of control unit, balloting unit and printer shall be such, as may be approved by the State Election Commission.

Explanation:- Detachable Memory Module (DMM) / Secured Detachable Memory Module (SDMM) means such electronic memory device which is attached to the control unit of electronic voting machine and keeps the election data safely in secured manner. In all cases where the EVMs are to be reused before the counting process, the DMM/SDMM containing poll data shall be separated and stored securely as per the directions of SEC till they are taken up for counting.

Voter Verifiable Paper Audit Trail (VVPAT) or Verifiable Paper Record (VPR) is a method of providing feedback to voters in EVM based election. A VVPAT is intended as an independent verification system allowing voters to verify that their vote is recorded correctly, and to provide a means to audit the stored electronic results.

"A 'voter verified paper audit trail' (VVPAT) consists of physical paper records of voter ballots as voters have cast them on an electronic voting system. In the event that an election recount or audit is called for, the VVPAT provides a supporting record. The 'voter-verified' part of the VVPAT refers to the fact that the voter is given the opportunity to verify that the choices indicated on the paper record correspond to the choices that the voter has made in casting the ballot. Thus, the result of an election in an electronic form is tallied with the paper record of the individual votes that have been cast."

2. *Amendment proposed to Rule 69 of Rules relating to Telangana Municipalities (Conduct of Elections of Members) Rules, 2005.*

In rule 69, after sub-rule (5) (a) & (b), the following sub-rule (6) shall be added namely,-

(6) Where the printer for paper trail is used under the provision to rule 68, set the printer as per the number of contesting candidates set in the control unit by -

a. Loading in the printer the serial numbers and names of candidates and symbols allotted to them as given on the balloting units under clause (5a);
b. Loading paper in the printer; and
c. Sealing the printer in such manner as may be directed by the State Election Commission".

"(7). Where the printer for paper trail is used, the printer shall also be kept along with the balloting unit in the voting compartment and shall be connected to the electronic voting machine in the manner as directed by the State Election Commission."

4. Amendment proposed to Rule 80 of Rules relating to Telangana Municipalities (Conduct of Elections of Members) Rules, 2005.

Copies of the operational manual should be given to all officers during training. Copies of operational manual should be available at the polling station on the poll day. Complete training process should be videographed.

(iii) If the allegation is found true, the Presiding Officer shall report the facts immediately to the Returning Officer, stop further recording of votes in that voting machine and act as per the direction that may be given by the Returning Officer.

(iv) If, however, the allegation is found to be false and the paper slip so generated under sub-rule (1) matches with the test vote recorded by the elector under sub-rule(2), then, the Presiding Officer shall –

(a) Make a remark to that effect against the second entry relating to that elector in Form XXX (Register of Voters) in case of Rural Bodies/Form XXXIV (Register of Voters) in case of Municipal Corporation /Form – XXI (Register of Voters) in case of Municipalities mentioning the serial number and name of the candidate for whom such test vote has been recorded;

(b) Obtain the signature or thumb impression of that elector against such remarks; and

(c) Make necessary entries regarding such test vote in item 5 in Part I of Form XXXII (Accounts of Votes Recorded) in case of Rural Bodies/ 4 in Part I of Form XXXVI (Accounts of Votes Recorded) in case of Municipal Corporation / 6 in Part I of Form XXIII-A (Accounts of Votes Recorded) in case of Municipalities.

10. Action in case of certain contingencies during poll: Some contingencies may arise during the polling process, which may require certain actions. These are as follows –

a. In case the CU or the BU does not work properly replacement of the whole EVM including CU, BU and VVPAT is required. Fresh mock-poll is also required to be done on the replaced set of CU, BU and VVPAT, following the same procedure as it was done earlier, prior to start of actual poll. The printed paper slips of the mock-poll shall be taken out and kept in the Black Envelope and shall be kept in the same plastic box, in which printed paper slip of mock-poll done prior to start of actual poll are kept.

b. In case the VSDU is showing "Low Battery", the power pack battery of VVPAT should be replaced. It should be ensured that before taking out the power pack battery of VVPAT, control unit must be switched OFF and after installing new power pack battery in VVPAT, control unit should be switched ON. Control Unit should not be switched ON without installing power pack in VVPAT.

c. In case there is any other error, like "Paper Low" error, the VVPAT will stop printing and the error shall be displayed on the VSDU. In such case the VVPAT unit is to be replaced (No mock-poll is required to be taken, if only VVPAT is replaced). It should be noted that vote is not recorded in the CU electronically unless the paper slip has been printed by VVPAT and also has been cut so that it falls in the drop box. Therefore, if VVPAT has not printed the paper slip, or the printed paper slip has not been cut, the last voter whose paper slip has not been printed by VVPAT or has not been cut should be allowed to cast his vote after the VVPAT has been replaced. In case the printed paper slip has not been cut and is hanging from the paper roll, no effort should be made to make it fall into the drop box. It should be allowed to remain hanging as it is not to be considered at the time of counting of the printed-paper slips. The details of such an occurrences should be clearly recorded in the Presiding Officers dairy in the following format:-

(i) The date and time of the occurrence.
(ii) The name of the voter and his serial number in the part in the electoral roll, who was allowed to cast his vote after replacement of VVPAT.
(iii) Whether the voter cast his vote after replacement of VVPAT or went away without casting his vote.
(iv) Total number of votes cast before the occurrence.

11. Counting of votes: Counting of votes shall be done according to Rule 93 of TPR (Conduct of Elections) rules, 2018 in case of rural local bodies elections and Section 63 of GHMC Act, 1955 in case Municipal Corporation elections. After the entries made in the result sheet of election are announced, any candidate, or in his absence, his election agent or any of his counting agents may apply in writing to the Returning Officer to count the printed paper slips of VVPAT unit in respect of any polling station or all polling stations. On such application being made, the Returning Officer shall pass a speaking order on whether the counting of paper slips shall be done or not. While deciding the matter the Returning Officer shall give due consideration to the following:-

(a) Whether the total number of votes polled in that polling station is more or less than the margin of votes between winning candidate and candidate making the application.
(b) Whether EVM met with any defect and was replaced at that polling station during poll.
(c) Whether there was any complaint about VVPAT not printing the paper slips correctly by any voter, in that polling station during the poll.

12. If the Returning Officer decides to allow counting of the paper slips of any polling station or all polling stations such decision of the Returning Officer shall be recorded in writing and shall contain the reasons therefore.

13. The following procedure shall be followed in case it is decided to count the printed slips of VVPAT:-

(a) VVPAT unit(s) of the respective polling station(s) shall be brought to the Counting table(s).
(b) Address tag(s) of the drop box of the VVPAT unit(s) shall be cross checked to ascertain that it actually pertains to the same polling station, address tag of VVPAT unit should be removed and ballot paper slips shall be taken out form the drop box. Care should be taken that no printed paper slip is left in the drop box. Empty drop box should be shown to all counting agents.
(c) in case a VVPAT unit was replaced during poll at any polling station, all the VVPAT units used at the polling station should be brought to the counting table and printed paper slips from all of them should be taken out before beginning the counting of printed slips for that polling station.
(d) In case a VVPAT unit was replaced, it may so happen that an uncut fully or partially printed paper slip is hanging and has not got cut and dropped in the drop box and still connected to the paper roll. This uncut printed paper slip should not be torn and should not be counted because the vote does not get recorded electronically in the CU unless the printed paper slip is cut. In such an event the last voter whose printed paper slip was not cut would have been given an opportunity to cast his vote after replacement of VVPAT and the printed paper slip of the vote cast by him shall be in the next VVPAT printer used in that polling station.
(e) The drop box of the VVPAT printer will also have slips of self test report. These are easily identified, as they do not have either the name or the symbol of any candidate and are of larger length. These self-test report slips are to be preserved alongwith the printed-paper slips as part of the record but they are not to be counted.
(f) Pigeonholes will be prepared to put ballot paper slips of the respective candidates.
(g) After all the ballot paper slips are put in the respective pigeon holes, bundles of 25 paper slips of respective candidates will be prepared for counting purpose.
(h) Printed-paper slips will then be counted by the counting staff and same will recorded in Annexure-VI.
(i) The result of the count of ballot slips will be announced loudly in the counting hall and shown to the counting agents.

(j) if there is discrepancy between the count of votes displayed on the control unit and the count of printed-paper slips in respect of any Polling Station, the result sheet will be amended as per the printed-paper slips count.
(k) The Returning Officer shall announce the amendments so made by him and declare the result.

14. Sealing of Control Units and VVPAT units:After the result is announced, whether the printed paper slips of VVPAT were counted or not, the printed paper slips will be taken out of the drop box of the VVPAT Printer unit and stored in the following manner -

a. The printed-paper slips shall be kept in a paper envelope made of thick black paper. The envelope shall be sealed with red wax with the bilingual secret seal of the Returning Officer for sealing of the documents. Following shall be written on the envelope –

I. The name of election and year.
II. The number and name of the Constituency;
III. The particulars of polling station in respective boxes;
IV. Unique serial number of the Control Unit & VVPAT units in respective boxes;
V. Date of poll; and
VI. Date of counting.

b. These Plastic boxes shall be kept with all the statutory documents relating to that election till the statutory time limit for filing an election petition is over or in case where an election petition is filed till the final disposal of the election petition by a competent Court. The plastic boxes shall not be opened or destroyed without obtaining the permission of the Commission.

c. The VVPAT printers after taking out the printed paper slips shall be kept in a separate strong room and should not be kept in the strong room where EVMs are stored, so that even if there is any election petition is filed from any of the constituencies, the VVPAT units can be taken out for use, if required, without opening the strong room having EVMs.

d. It should be ensured that the Thermal Paper Roll and Battery (Power Pack) are taken out from the VVPAT, before keeping the VVPAT units in the Strong Room.

15. The Power Pack and Paper Roll for use in the VVPAT is supplied by the manufacturer; therefore three sets of these materials may be procured from the manufacturers. Apart from this adequate numbers of black paper envelope and plastic boxes may also be procured for storing the Printed Paper Slips of VVPAT after counting

of votes for each polling station irrespective of whether these printed slips have been counted or not.

The above instructions shall be brought to the notice of all concerned.

Sir,

Sub:- TSEC – Elections – Ordinary Elections to Urban Local Bodies – Introduction of voter verifiable paper audit trial (VVPAT) – provision of budget for purchase of VVPAT-Reg.

Ref:- 1. Hon'ble Supreme Court Judgment dated 8.10.2013 in Civil Appeal no. 9093 of 2013 @ SLP (C) No:13735 of 2012.

***

The Hon'ble Supreme Court of India in its Judgment in Civil Appeal No: 9093 of 2013 @ SLP (Civil) No. 13735 of 2012, dt. 8th October, 2013, observed that "the Electronic Voting Machines (EVMs) with VVPAT System ensure the accuracy of the voting system. With an intent to have fullest transparency in the system and to restore the Confidence of the voters, it is necessary to setup EVMs with VVPAT System, because vote is nothing but an act of expression which has immense importance in democratic system". The Supreme Court permitted the Election Commission of India to introduce the same in gradual stages in a phased manner and also directed the Government of India to provide required financial assistance to Election Commission of India for procurement of units of 'VVPAT'.

The State Election Commission has been conducting elections to Urban Local Bodies and Panchayat Raj Local Bodies with Electronic Voting Machines since 2014 and Telangana State Election Commission has procured 17049 EVMs so far for conduct of these elections. The last Ordinary Elections to ULBs were conducted in March, 2013. Their five year term commenced from 3.7.2019 and will expire by 2.7.2019.

With intention to introduce VVPATs in Local Body Elections also, the Telangana State Election Commission has confirmed the cost of per VVPAT from ECIL, Hyderabad as on today i.e. 04.02.2019 is Rs. 25,695/- including 18% of GST, excluding the Transportation charges. Since elections to GHMC are conducted separately it is considered sufficient to procure 9000 VVPATs. The expenditure to be incurred for procurement of 9000 VVPATs to Telangana State Election Commission including transportation charges will be Rs. 23.18 Crores.

Hence, the Government is requested to provide Rs. 23.18 Crores to TSEC immediately for purchase of 9000 VVPATs from ECIL, Hyderabad.

To
The Chief Electoral Officer
GA (Elections) Department,
Telangana Secretariat,
Hyderabad.

Sir,

Sub:- TSEC- Elections – Ordinary elections to Urban Local Bodies, 2019 – Elections to ULBs are conducted with EVMs - Loaning of 9000 VVPATs of ECI to Telangana State Election Commission- Request - Reg.

Ref:- TSEC Lr.No.926/TSEC-EM/2019, dated 04.02.2019 addressed to the Prl Secretary to Government, MA & UD Dept, Hyderabad.

***

I wish to state that, the State Election Commission initiated action to hold elections to Urban Local Bodies before expiry of their term i.e., 02.07.2019. Elections to Urban Local Bodies are conducted with EVMs. Sufficient EVMs are available with Commission for conduct of these elections. However SEC at present, does not possess any VVPAT machines.

Earlier on a request made by the Commission for providing budget to the Commission for purchase of VVPATs, the Government advised the Commission to explore the possibility of borrowing VVPATs from Election Commission of India instead of buying the same as the ECI purchased for general elections to Assembly and Parliament.

About 9000 VVPTAs are required for conduct of Urban Local Bodies elections, in May/June, 2019.

I, therefore, request you to loan 9000 VVPATs to the Telangana State Election Commission for conduct of Urban Local Body Elections during May, 2019.

***

I invite your kind attention to the reference cited.

I wish to state that, as per instructions of the State Election Commission, the Commissioner Panchayat Raj and Rural Employment and Election Authority, procured and supplied white and pink wove paper to the districts through the Commission of Printing, Stationery and Stores Purchase, for printing of Sarpanch and Ward Member ballot paper in the local presses for conduct of Gram Panchayat Elections in June, 2018. As per instruction issued in the reference 2nd cited, the printing of various denomination ballot paper based on Rural voters strength and average number of contesting candidates in the last ordinary election with 20% reserve has been completed.

Due to interim orders of the Hon'ble High Court, the election process was stalled and could not conduct elections in June, 2018.

Now, the Hon'ble High Court directed the State Election Commission to complete the entire Gram Panchayat Election Process within 3 months.

In compliance of Hon'ble High Court orders, the Commission initiated action to hold GP Election as directed by the Hon'ble High Court and also conducted video conferences with District Panchayat Officers and Collectors & the District Election Authorities to review the various election related items and preparedness.

During the video conference, the District Panchayat Officers and Collectors& District Election authorities bought it to the notice of the Commission that, due to increase in Rural Voter's strength, they require to print additional ballot paper and requested to supply paper for printing of additional ballot paper.

Besides that, a contingency may also arise for printing of a particular denomination paper where number of contesting candidates is more for which some paper is to be kept in reserve to meet such contingency.

I, therefore, request you to review the situation with reference to increase of Rural voter's strength and obtain additional requirement of paper if any in addition to the blank paper already available in the districts from District Panchayat Officers and place an indent including contingency requirement to Commissioner of Printing, Stationery and Stores Purchase, for supply of white and pink wove paper immediately to the districts so as to enable the District Panchayat Officers to get printed additional ballot paper.

D.O.Lr.No.243/TSEC-EM/2018, Dated:25.07.2018

Sir/Madam,

Sub:- TSEC – Elections – Ordinary elections to Gram Panchayats, 2018 – Process stayed by Hon'ble High Court - Preserving of election materials in safe custody – Reg.

Ref:- Lr.No.243/TSEC-EM/2018, dated 28.06.2018 addressed to all the Collector & DEAs Except Hyderabad.

***

You are aware that the Commission and District Administration have made all necessary arrangements for conduct of ordinary elections to Gram Panchayats before expiry of their term i.e. on 01.08.2018. Electoral rolls have been published, Polling Stations have been decided, procurement of election material, Printing of ballot papers, booklets, Forms and Covers have all been completed and the process got halted at the stage of imparting trainings to ROs and randomization of polling personnel. Meanwhile some writ petitions were filed before the Hon'ble High Court with claims and counter claims on the following issues:

(i) To identify the Backward Classes population, publish the result of the survey, invite objections and finalize B.Cs reservations.

(ii) To provide reservations to Backward Classes A, B, C, D, E, Group-wise.

(iii) To restrict the reservations to 50% to all categories in the ensuing Gram Panchayat elections.

Subsequently, the Hon'ble High Court in case of one of the writ petitions has issued interim orders and stayed the election process till the matters are settled. As the reservations subject falls within the domain of the Government, the Government have been requested to take appropriate action in these matters which is under process. The

election process will resume at any movement, once the cases are disposed by the Hon'ble High Court.

It may be noted that all these issues were earlier considered and disposed-off by a Constitutional Bench of the Apex Court during the year 2010. Under these circumstances it is apprehended that the cases may get disposed-off sooner than later. In case, if there are any such positive orders in the matter, the State Election Commission will recommence the process from where it was halted without any much advance notice. Hence, you are requested to take stock of all the election materials and preserve all the procured election material including printed ballot papers, indelible ink phials, paper seals etc. under safe custody with double lock and surveillance of CCTV cameras, if required, under the supervision of a Senior Officer till resumption of election process.

Sincerely,

Sd/- M. Ashok Kumar

During General Elections, 2014, M/s. UDS had serious problems with their software based technology and had to shift to the technology adopted by others. M/s. Green Technologies in consortium with M/. Ramadevi Software Pvt. Ltd., had provided the most user friendly interface and flawless service. They have also been very cooperative in agreeing to web-cast bye-elections and Council elections, where business potential for them is very poor. They have been constantly associated with O/o. CEO in all elections after General Elections, 2014 also.

Further, the Commissioner & Spl. Officer and EA, GHMC, Hyderabad has engaged the said agencies for undertaking web casting for elections to GHMC during 2016 and the rate fixed and paid was Rs.446/- inclusive of all taxes.

In view of the above, you are requested to take necessary steps before 01.07.2018 for identifying polling stations requiring web casting and in such cases requiring web casting, to engage suitable agency with competitive rates for live web casting & Recording of Poll events in select critical / hyper-sensitive polling stations for Gram Panchayat Elections, 2018.

ANNEXURE – I

Guidelines for Micro-Observers

1. Observers have a very crucial role in the conduct of an independent, free and fair election. To strengthen the system of observation, the Commission has consciously decided to deploy Micro-Observer at the selected critical / hyper sensitive polling stations in a Gram Panchayat. In Gram Panchayt elections, they will also oversee counting process and also the election of Upa-Sarpanch, which are conducted on the same day. These Micro-Observers would directly work under control and supervision of the General Observer.

2. For deployment as micro-observer, the Collectors & DEAs shall obtain the list of employees of Central Govt., and Central Public Sector Undertaking in the State. In case sufficient number of employees of Central Govt., and Central Public Sector Undertaking are not available, Gazetted Officers of State Government and State Public Sector Undertakings may be utilized for this purpose.

3. The Collectors & DEAs shall prepare a list of critical/hypersensitive polling stations in consultation with police officials where these Micro Observers would be deployed. Such polling stations would be short-listed on the basis of various factors which contribute to the vulnerability of the poll process. Such factors, for example, domination of one social group over other, inaccessibility of the area, previous history of violence, etc. would be taken into consideration while doing the vulnerability mapping. The Gram Panchayat wise list of such polling stations where Micro Observers are to be deployed shall be finally approved by the Observer and kept confidential in a sealed envelop till the last moment of deployment.

4. In multi-polling station buildings, each location will have one micro-observer instead of one Micro Observer per polling station. The Micro Observer can oscillate between and visit the polling stations within the same campus at frequent intervals.

5. The Micro Observers so appointed should oversee the counting, declaration of results and Upa-Sarpanch election after completion of poll.

6. General Observers will be in close touch with them for their requirements of Micro-Observers relating to their Districts.

7. Each Micro Observer shall be given a photo identity card by the District Election Authority / Returning Officer / Asst. District Election Authority to ensure his access to the polling stations.

8. Observers will arrange and train their Micro Observers. The officer selected for the job of Micro-Observer may not be aware of different aspects of election process. Therefore, a basic training of election process on the day of the poll shall have to be given to them. This should enable them to understand and observe the activities relating to poll, counting and election of Upa-Sarpanch in a Gram Panchayat. An illustrative training material for the Micro Observer is attached with this circular. Copies of Hand Book for ROs and POs of Gram Panchayat elections shall be given to

Micro Observers. Since the Micro Observer shall be reporting to the Observer alone, it will be the responsibility of the Observers to ensure that they are trained properly on the relevant and crucial issues. The Collectors & DEAs shall organize the training of these Micro Observers.

9. The required number of officers for deployment as Micro Observer would be picked up randomly from the list of all eligible Officers. Further the assigning of critical / hyper sensitive polling stations also will be done in random manner a day prior to the day of departure in presence of the Observer and duly approved by him. However, the exact polling station/polling location would be given to them on the day of departure.

10. The Collectors & DEAs / Returning Officers / Asst. District Election Authorities should ensure that the Micro Observers are separately dropped to their destinations or may be with Zonal Officers. Micro-Observer should be provided with an Identity Card, entry pass to his/her polling stations and such other requirements as may be necessary for discharge of duties as per the direction of the Commission.

11. On the day of poll, the Micro Observer should reach the polling station at least one hour before the commencement of the poll, i.e., at 6 O'clock in the morning. If for certain reason, it is not possible to reach in the morning, he should reach in the evening of the previous day.

12. Having reached the polling station, he should assess the preparedness for the poll. During the poll, he should regularly note down the important points on the pre-printed Proforma (a Proforma for this is appended). It is made absolutely clear that in no case, the Micro Observer will act as Presiding Officer, Polling Officer or Returning Officer in case of election to Upa-Sarpanch. He should work without actually getting involved in performing any act relating to the election process. His task is to observe that election process is being carried out in a free and fair manner and there is no vitiation of any kind.

13. In the process of observation on the day of the poll, the Micro Observer should specially observe: -

a. Preparation of Ballot Box for the poll, fixing of paper seal and securing it in balloting position;
b. Presence of Polling Agents and observance of SEC instructions with regard 0to them;
c. The observance of entry pass system and access to Polling Station;
d. Proper identification of electors in accordance with SEC guidelines;
e. Application of indelible ink;
f. Noting of particulars of electors in counter foil of Ballot Paper;
g. Secrecy of voting,
h. Conduct of polling agents, their complaints, if any;
i. Arrangements made for counting at the counting centre of the Gram Panchayat;
j. Ensure that counting is conducted as per the procedure envisaged;

k. Observe declaration of results, issue of Certificate of Election and publication of results by the Returning Officer concerned.
l. Observe the election of Upa-Srpanch conducted by the Returning Officer after declaration of results as per the procedure prescribed in Telangana Panchayat Raj (Election of Upa-Sarpanch of a Gram Panchayat) Rules, 2018.

14. During the poll, if the Micro Observer feels that the poll is being vitiated for any reason, he will immediately bring it to the notice of General Observer through whatever means of communication is available, for example, phone, wireless, Fax, E-mail or any other means. Similarly, during the counting process if he has noticed any discrepancy or electoral malpractice, he may report it to the General Observer to take necessary action as specified in Section 241 of Telangana Panchayat Raj Act, 2018.

15. After the poll process is over, the Micro Observer will report to the Observer in the format as enclosed as Annexure II and hand over his envelop containing the report for the day personally to the Observer and brief him/her on anything of importance that had happened during the day.

16. Observers will go through the reports. These reports along with the other reports will be taken into consideration for taking a decision on repoll or disciplinary action against any delinquent polling staff.

ORDER

Sub:- TSEC - Elections to Rural and Urban Local Bodies - Use of Loudspeakers for election campaigns – Revised instructions – Issued- Reg.

***

All Political parties, contesting candidates and their workers, supporters and sympathizers use loudspeakers for their electioneering campaigns. These loudspeakers are not only used from fixed rostrums but are also mounted / fitted on vehicles like trucks, tempos, cars, taxis, vans, three wheeler scooters, cycle rickshaws, etc. These vehicles move on all roads, streets and lanes and also go around basties, mohallas, colonies and localities with the loudspeakers broadcasting at very high volume. This results in serious 'noise pollution' and causes great disturbance to the peace and tranquility of the general public. The student community, in particular, gets seriously disturbed as their studies are hampered because the loudspeakers start blaring from very early hours in the morning and continue to do so throughout the day and till extremely late hours in the night. The aged, the infirm and the sick whether in institutions, hospitals, etc. or at home are also put to severe discomfort.

2. The Commission is aware that the use of loudspeakers cannot be stopped altogether during the election period as the loudspeakers are one of the means of election propaganda and imparting information to public. But, at the same time, indiscriminate and unfettered use of loudspeaker at odd hours and at odd places at very high volumes which have the effect of disturbing peace and tranquility and causing annoyance to the general public, the sick, and the student community in particular cannot be permitted. Some reasonable restrictions are essential.

3. As per the schedule issued in the Noise Pollution (Regulation and Control) Rules, 2000, Ambient Air Quality Standards in respect of Noise is as follows:

,Area Code	Category of Area/Zone	Limits in dB(A) Leq	
		Day Time	Night Time
(A)	Industrial area	75	70
(B)	Commercial area	65	55
(C)	Residential area	55	45
(D)	Silence Zone	50	40

Note:- 1. Silence Zone is an area comprising not less than 100 metres around hospitals, educational institutions, courts, religious places or any other area which is declared as such by the competent authority.

2. Mixed categories of areas may be declared as one of the four above mentioned categories by the competent authority.

4. The Hon'ble Supreme Court of India passed an order inter alia prohibiting exceeding of the noise level at the boundary of public place, where loudspeaker or public address system or any other noise source is being used by 10 dB(A) above the ambient noise standards for the area or 75 dB(A) whichever is lower.

5. After considering all aspects of the matter, the Commission, in exercise of its powers conferred by Article 243K of the Constitution of India and all other powers enabling to it in this behalf hereby DIRECTS that the use of loudspeakers at all future elections to Panchayat Raj Bodies shall be strictly regulated as follows: -

(i) The use of loudspeakers, at public meetings and Road Shows shall be permitted only between 6.00 a.m. to 10.00 p.m. In all other cases, the use of loudspeakers shall be permitted only between 10.00 AM to 6.00 PM.

(ii) The noise level at the boundary of public place, where loudspeaker or public address system or any other noise source is being used shall not exceed 10 dB(A) above the ambient noise standards for the area or 75 dB(A) whichever is lower.

(iii) All loudspeaker being used beyond the hours as prescribed above, shall be confiscated along with all the apparatus connected with the use of these loudspeakers.

(iv) All political parties, contesting candidates and any other person using loudspeakers on moving vehicles including but not restricted to trucks, tempos, cars, taxis, vans, three wheeler, scooters, cycle rickshaws, etc. shall intimate the registration identification number of those vehicles to the authorities granting permission to use the loudspeakers and such registration identification numbers of the vehicles shall be indicated on the permits granted by the authorities concerned.

(v) If the rickshaw does not have any registration / permit for identification, the rickshaw driver may be given a permit in his personal name by Returning Officer which the rickshaw driver should carry on his person while using that rickshaw for election campaign purposes.

(vi) Any vehicle on which a loudspeaker is used without the said written permit shall be confiscated forthwith along with the loudspeaker and all the apparatus used along with it.

(vii) All political parties, contesting candidates and even any other person using a loudspeaker either on a moving vehicle or at a fixed place shall intimate:-

(1) the Returning Officer concerned, and

(2) local Police authorities, in writing, the full details of the permits obtained by them before using any of those loudspeakers. In the case of mobile loudspeakers, the registration / identification numbers of the vehicles shall also be registered by them with the Returning Officer concerned and the local Police authorities.

(viii) All political parties, contesting candidates shall obtain prior permission from the concerned local authorities to use loud speakers (public address system) at the public meetings convened by them as part of electioneering and road shows.

(ix) It shall be the responsibility of the local authorities granting permits for use of loudspeakers and the local Police authorities to strictly enforce that no loudspeaker is used by anyone in violation of any of the above directions.

(x) The political parties and candidates shall endeavour to see that no disturbance is caused in the areas adjacent to hospitals, educational institutions etc.

(xi) No loudspeakers fitted on vehicles of any kind or in any other manner whatsoever shall be permitted to be used within the polling area during the period of forty-eight hours prior to the hour fixed for conclusion of the poll in case of elections to the Mandal Parishads / Zilla Parishads and Urban Local Bodies and forty-four hours prior to the hour fixed for conclusion of the poll in case of elections to gram panchayats. Even after the close of poll, proper law and order is required to be maintained till completion of election process after the declaration of result. Use of loudspeakers is generally regarded as source of public nuisance and can often give rise to tension in a politically surcharged atmosphere. The District Administration should, therefore, consider any application for permission to use loudspeakers on merit of each application and keeping in view the need to maintain proper law and order till the completion of election.

6. The above directions of the Commission, which will check noise pollution and disturbance of public peace and tranquility must be scrupulously implemented and strictly enforced by all election authorities concerned. Any violation thereof will be viewed by the Commission with grave concern and will invite severe disciplinary action against the defaulting officers.

7. A copy of this order shall be made available to local units of all recognised and registered party units in the district under acknowledgement.

The receipt of this letter should be acknowledged immediately.

I wish to state that, in the reference cited (copy enclosed), the Commission issued notification for conduct ordinary elections to Gram Panchayats, 2019.

As the elections to Gram Panchayats are keenly contested, the Law and Order problem frequently arise. As of now, the District Collector and few of the Revenue Officers alone are vested with the magisterial powers. Unless magisterial powers are conferred on an officer, preventive action by utilizing the provisions of section 144 Cr.P.C cannot be taken up by him. It may be difficult for Revenue Officers to reach the spot in cases of emergencies during elections, in order to utilize the powers under section 144 Cr.P.C. The responsible Officer available on the spot on whom magisterial power can be conferred under section 21 Cr.P.C is the Zonal Officer who will be on the move and will be monitoring the law and order situation, implementation of Model Code

of Conduct as Flying Squads (FS) also during the campaign period. It is therefore necessary to confer Magisterial powers on Zonal Officers to be appointed in the ensuing elections to Gram Panchayats in the interest of maintaining peace during the campaign period under section 21 of Code of Criminal Procedure, 1973 and they be authorised to exercise the powers of executive magistrate under section 37,44,103,129 & 144 of Code of criminal procedure, 1973. Earlier such magisterial powers were delegated to the Zonal Officers during the general elections to Legislative Assembly and Parliament and also Rural and Urban Local body elections.

During the 4th Ordinary elections to Gram Panchayats held in 2013, the Government issued such orders conferring magisterial powers on Zonal Officers. A copy of the order issued for a district (Nalgonda) vide. G.O.Rt.No.1658, Law (LA&J) – Home (Courts) –B, Department, dated 21.07.2013 is enclosed herewith. The same practice has to be followed this time also.

The District Collectors are advised vide this office Lr.No.322/TSEC-L/2018-3, dated 02.01.2019 to send proposals indicating the names of the Zonal Officers and the jurisdiction in which they will exercise the Magisterial powers directly to the Government in Home Department.

I therefore, request you to confer the magisterial powers on the Zonal Officers to be appointed in the elections to Gram Panchayats as per the proposals submitted by the District Collectors.

No.322/TSEC-L/2018-3 Date:02.01.2019

To
All the Collectors and District Election Authorities.

Sir/Madam,

Sub:- Sub: TSEC - Elections - Ordinary elections to Gram Panchayats, 2019 – Zonal Officers – Magisterial powers - Conferment of Magisterial powers on Zonal Officers and formation of mobile teams to oversee implementation of Model code of conduct and poll process - Reg.

Ref:- TSEC Notification No.363/TSEC-PR/2018, dated 01.01.2019.

***

I wish to state that, in the reference cited (copy enclosed), the Commission issued notification for conduct ordinary elections to Gram Panchayats, 2019.

The State Election Commission has already issued instructions for appointment of Zonal Officers in connection with conduct of the said elections.

The State Election Commission felt it expedient to constitute mobile teams headed by the competent officers to be in the field to observe and report instances of electoral offences and election malpractices and to send reports on a day to day basis which will act as valuable inputs in smooth conduct of elections.

The District Collectors are requested to constitute mobile teams headed by the Zonal Officers (preferably a Gazetted Officer) supported by one Sub-Inspector of Police and two constables and a videographer to oversee the implementation of Model Code of Conduct in the area allotted to him from the date of publication of final list of contesting candidates till the completion of the campaign period i.e., 44 hours before the hour fixed for conclusion of poll. The mobile team shall send daily report on law and order situation in the area and also any instances of violation of

Model Code of Conduct to the District Collector who will in turn send a consolidated daily report to the State Election Commission under copy to the Observers concerned during the above period.

The same mobile team headed by Zonal Officer shall oversee the poll arrangements on pre-poll day and on the poll day. The mobile team shall send reports to the Returning Officers regarding poll process and percentage of poll on the poll day.

The District Collectors are, therefore, requested to send proposals indicating names of the Zonal Officers and the jurisdiction in which they will exercise Magisterial powers directly to the Government in Home Department to confer magisterial powers on Zonal Officers as was done during last three ordinary elections. CIRCULAR

No.629/TSEC-L/2018 Dated:08.08.2018

Sub:- State Election Commission - Elections to Local Bodies – Prevention of defacement of property and other campaign related items – revised instructions – Reg.

***

Private and public places are often disfigured during the election time by way of pasting election advertisements and wall-writings in violation of the Model Code of Conduct. Needless to mention the immense nuisance and damage caused to the property owners.

2. In order to prevent such disfigurement, the State Legislature had enacted Prevention of Disfigurement of Open Places and Prohibition of Obscene and Objectionable posters and Advertisements Act, 1997 (Act 28 of 1997).

3. Section 4 of the said Act makes the disfigurement of any public or private place an offence punishable with imprisonment which may extend upto 3 months or with fine which shall not be less than one thousand rupees but which may extend upto 2,000 rupees or with both. Abetment of such disfigurement is also made punishable under section 5 of that Act. Under section 6 thereof, the police officers are empowered to remove, erase, pull down and destroy objectionable advertisements.

4. The Commission decided to issue detailed instructions in this matter and other campaign related items in supersession of the earlier instructions issued in the circulars No. 1473/TSEC-L/2016, Dated:23.11.2016 and No. 506/TSEC-ULBs/2015, Dated: 22.7.2015, for strict compliance by political parties, candidates, individuals and organizations etc. during the period of elections to Local Bodies. The crux of the instructions is to abide by the extant provisions in the prevailing law:

DEFACEMENT OF PUBLIC PLACES

5. (a) Wall writing, pasting of posters/papers or defacement in any other form, or erecting/displaying of cutouts, hoardings, banners flags etc. shall not be permitted on any Government premise (including civil structures therein). For this purpose a Government premise would include any Govt. office and the campus wherein the office building is situated.

(b) If the local law expressly permits or provides for writing of slogans, displaying posters, etc., or erecting cut-outs, hoardings, banners, political advertisement, etc., in any public place, (as against a Govt. premise) on payment or

otherwise, this may be allowed strictly in accordance with the relevant provisions of the law and subject to Court orders, if any on this subject. It should be ensured that any such place is not dominated/monopolized by any particular party(ies) or candidate(s). All parties and candidates should be provided equal opportunity in this regard.

(c) If there is a specifically earmarked place provided for displaying advertisements in a public place, e.g. bill boards, hoardings etc. and if such space is already let out to any agency for further allocation to individual clients, the authorities of local bodies concerned, should ensure that all political parties and candidates get equitable opportunity to have access to such advertisement space for election related advertisements during the election period.

DEFACEMENT OF PRIVATE PLACES

6. (a) Whenever, temporary and easily removable advertisement materials, such as flags and banners are to be put up in private premises they should be with voluntary and express written permission of the occupant. The permission should be an act of free will and not extracted by any pressure or threat. Such banner or flag should not create any nuisance to others. Photo-copy of the voluntary permission in writing obtained in this connection should be submitted to the Returning Officer within 3 days of putting up the flags and banners in such cases in the manner prescribed in sub-para(c) below.

(b) If the local law does not expressly permit wall writing, pasting of posters, and similar other permanent/semi-permanent defacement which is not easily removable, the same shall not be resorted to under any circumstances, even on the pretext of having obtained the consent of the owner of the property. This will also apply in the states where there is no local law on the subject of prevention of defacement of property.

(c) In case of wall writings and pasting of posters and similar other permanent/semi-permanent defacement which is not easily removable, and putting up hoardings, banners, etc. on private premises with the owner's permission, the contesting candidates or the political parties concerned shall obtain prior written permission from the owner of the property and submit photocopies of the same within 3 days to the Returning Officer or an officer designated by him for the purpose, together with a statement in the enclosed proforma (marked as Annexure). The statement in such cases and in the cases mentioned in sub-para (a) above should clearly mention therein the name and address of the owner of the property from whom such permission has been obtained together with expenditure incurred or likely to be incurred for the purpose. Nothing inflammatory or likely to incite disaffection amongst communities shall be permissible in such writings/display. The expenditure incurred in this mode on specific campaign of candidate(s) shall be added to the election expenditure made by the candidate. Expenditure incurred on exclusive campaign for a party without indicating any candidate shall not be added to candidate’s expenditure. The contesting candidate shall furnish such information village/locality/town-wise, to the Returning Officer, or the authorized officer within 3 days of obtaining the requisite permission, for easy checking by the Returning

Officer or the Election Observer or any officer connected with the conduct of elections.

(d) Subject to any restrictions under any local law or any court orders in force, the political parties, candidates, their agents, workers and supporters may put up banners, buntings, flags, cut-outs, on their own property, provided they do so on their own volition, voluntarily and without any pressure from any party, organization or person, and provided further that these do not cause any inconvenience in any manner to anyone else. If such display of banners, flags etc. aims to solicit vote for any particular candidate, then the provisions of Section 171H of the IPC would be attracted and would have to be followed. Section 171H of the IPC stipulates that whoever without the general or special authority in writing of a candidate incurs or authorises expenses on account of the holding of any public meeting, or upon any advertisement, circular or publication, or in any other way whatsoever for the purpose of promoting or procuring the election of such candidate, shall be punished with fine which may extend to five hundred rupees: Provided that if any person having incurred any such expenses not exceeding the amount of ten rupees without authority obtains within ten days from the date on which such expenses were incurred the approval in writing of the candidate, he shall be deemed to have incurred such expenses with the authority of the candidate.

DEFACEMENT OF HALLS/AUDITORIUMS AND OTHER PUBLIC PROPERTIES

7. In the case of Halls/Auditoriums/Meeting venues owned/controlled by the Government/ local authorities/PSUs/Cooperatives, if the law/guidelines governing their use do not preclude political meetings therein, there is no objection to it. It shall be ensured that the allocation is done on equitable basis and that there is no monopolization by any political party or candidates. In such venues, displaying of banners, buntings, flags, cut-outs, may be permitted during the period of meetings subject to any restrictions under the law/guidelines in force. Such banners, flags, etc. shall be got removed by the party/individual who used the premises immediately after conclusion of the meeting, and in any case within a reasonable period after the meeting is over. If any political party/association/candidate/person indulges in defacement of any property in violation of the local law, if any, or the above instructions, the Returning Officer/ Election Officer shall issue notice to the offender for removing the defacement forthwith. If the political party/association/candidate/person does not respond promptly, the district authorities may take action to remove the defacement, and the expenses incurred in the process shall be recovered from the political party/association/ candidate/person responsible for the defacement. Further, the amount also shall be added to the election expenditure of the candidate concerned, and action should also be initiated to prosecute the offender under the provisions of the relevant law (under the law relating to prevention of defacement, if any, or under the provisions of the general law for causing willful damage to the property of others).

Sub: Elections to PR Bodies - Implementation of Model Code of conduct – Action against violators – Statement showing the provisions of law relating to offences and corrupt practices in connection with elections to Rural Local Bodies – Issued.

***

The Model Code of Conduct (MCC) is implemented from the date of issue of election Notification, in order to maintain the purity of elections and to create a level playing field for all political parties and contesting candidates.

MCC is not a mere statement of good intentions but an order backed with legal provisions enabling the implementing authorities to initiate action against delinquents. A statement showing the various items of Model Code of Conduct and provisions of Telangana Panchayat Raj Act, 2018, Indian Penal Code, 1860 and other enactments under which prosecution can be launched against the violators is enclosed as Annexure.

The Collectors and District Election Authorities, Additional District Election Authorities, Returning Officers, Law Enforcement Authorities and Election Observers are requested to closely monitor compliance with the provisions of the Model Code of Conduct and wherever there is a violation, the Collectors and Superintendents of Police shall prosecute the violators under the relevant provisions of law. They need not obtain any specific permission of the State Election Commission for such prosecutions. Almost all violations can be brought within the scope of one or the other penal provision enacted in the TPR Act, 2018, IPC or other specific enactments such as Prevention of Disfigurements of Open Places and Prohibition of obscene and objectionable posters and Advertisements Act, 1997 etc.

The Collectors and District Election Authorities as well as the Superintendents of Police are therefore directed to enforce the various provisions of law in order to ensure complete compliance with the provisions of the Model Code of Conduct. The investigating and prosecuting authorities may be instructed suitably in this regard and implementation of the appropriate provisions of law shall be ensured to maintain the purity of election process and to see that money and muscle power do not determine the poll outcome.

Model Code of Conduct has to be enforced impartially. Utmost care has to be taken to ensure that the law enforcement machinery not only acts fairly but also is

perceived to be acting fairly. The Commission will deal sternly with those law enforcement officials who are found implementing the Model Code of conduct in a selective or biased manner.

The number and nature of cases booked in the district wise shall be intimated to the Commission through Fax/e.mail (sec.telangana@gmail.com) on a day to day basis from the date of issue of election notification, by the Superintendents of Police in the enclosed proforma under intimation to the Collector and District Election Authorities concerned.

Section 237 of Telangana Panchayat Raj Act, 2018 stipulates that every contesting candidate at an election held under Telangana Panchayat Raj Act shall, either by himself or by his election agent, keep a separate and correct account of all expenditure incurred in connection with election between the date on which the candidate concerned has been nominated and the date of declaration of results of the election both days inclusive.

Sub-section (2) of section 237 stipulates that the account of election expenditure shall contain such particulars as may, by order, be specified by the State Election Commission.

A review of the accounts submitted by contested candidates over the years and the scrutiny of the same by the SEC revealed that the proformae specified earlier are neither easy for the filers nor are they amenable for effective scrutiny by the SEC. Hence, in exercise of the powers conferred under subsection (2) of section 237 of the Telangana Panchayat Raj Act, 2018, the State Election Commission, hereby, notifies the specifics and the formats according to which the election expenditure accounts shall be maintained in the elections to Panchayat Raj Bodies as follows-

   III. Main pages in Proforma – III containing the day to day account of election expenditure of the contesting candidates.
   IV. Acknowledgment in Proforma – IV to serve as a record of submission with the candidate as well as the office of the Authorized Officer.

The proformas for maintaining register for account of election expenditure by the contesting candidates are appended to this Notification.

2. The 'day-to-day' true account of election expenditure incurred by contesting candidate or his Election Agent and also by his supporters, any political party, or body or association or other individuals supporting the candidature or for furthering chances of the candidate in the election shall be recorded in the main pages as in Proforma III.
3. The day to day expenditure account so maintained in proforma III shall be supported by proper vouchers failing which it will not be treated as true account of election expenditure as required under the law, save in cases where it is not possible to obtain vouchers.
4. Each of the supporting vouchers, enclosed with the account of election expenditure, shall bear the signature in full of the contesting candidate or his election agent.
5. The candidate or his authorized agent shall prepare an index/contents of the expenditure periodically during the campaign period in the proforma II enclosed to this Order and the same shall be duly signed by the candidate or his election agent certifying its correctness and shall be submitted to the designated authorities for inspection and scrutiny.
6. The original acknowledgment should be issued to the candidate on submission of the accounts. A copy of it shall be retained in the office of the receiving officer for the record purpose.
7. The State Election Commission directs that for concurrent monitoring, the "day to day basis" true account of expenditure in Proforma-III should be submitted every day to the MPDOs concerned by the candidate/election agent personally or through a messenger/post. The MPDO shall see that these day to day accounts of expenditure submitted are published and to make them available to anybody who intends to verify them.
8. The final of return of election expenditure in the proformae – I, II, III & IV attached to this Notification shall be submitted by the contesting candidates to the MPDO within 45 days from the date of declaration of the results of the Office for which they had contested.

I. Legal Provisions:

Section 237 of Telangana Panchayat Raj Act, 2018 stipulates that every contesting candidate at an election held under Telangana Panchayat Raj Act shall, either by himself/ herself or by his/her election agent, keep a separate and correct account of all expenditure incurred in connection with election between the date on which the candidate concerned has been nominated and the date of declaration of results of the election both days inclusive.

Sub-section (2) of section 237 stipulates that the account of election expenditure shall contain such particulars as may, by order, be specified by the State Election Commission.

Section 238 of Telangana Panchayat Raj Act, 2018, stipulates that

(1) Every contesting candidate at an election shall, within 45 days from the date of declaration of result of election, lodge with the Mandal Parishad Development Officer an account of his election expenses, which shall be a true copy of the account kept by him or by his election agent under section 237.

(2) The Mandal Parishad Development Officer shall submit the copies of election expenditure statements in respect of,

(a) the members of Gram Panchayat and Mandal Praja Parishad directly to the State Election Commission;

(b) the members of Zilla Praja Parishad to the Chief Executive Officer, Zilla Praja Parishad concerned for onward submission to the State Election Commission;

Under section 23 of TPR Act, 2018, the State Election Commission is empowered to disqualify a candidate from contesting election for a period of 3 years for failure to lodge an account of election expenses within the stipulated time and in

the manner required under the said Act and in case the candidate is elected, he is liable for cessation of office for such failure.

For the purpose of clarity, the explanations given under Section 237 of TPR Act, 2018 for the election expenses are reproduced below.

Explanation-I. ' Election expenses' for purpose of this Act shall mean all expenses in connection with the election,-

(a) incurred, or authorized by the contesting candidate, or by his election agent;

(b) incurred by any association, or body of persons, or by any individual (other than the candidate or his election agent) aimed at promoting or procuring the election of the candidate concerned; and

(e) incurred by any political party, by which the candidate is set up, so as to promote or procure his election:

Provided that any expenses incurred by any political party as part of its general propaganda, (which is distinguishable from its election campaign, for the promotion or procuring the election of a particular candidate), by words, either written or spoken, or by signs or visible representations, or by audio-visual devises, or through print or electronic media or otherwise shall not constitute 'election expenses' for purposes of this Act.

Explanation-II:- For the removal of doubts, it is hereby declared that any expenses incurred in respect of any arrangements made, facilities provided or any other act or thing done by any person in the service of the Government and belonging to any of the classes mentioned in clause (9) of section 211 in the discharge or purported discharge of his official duty as mentioned in the proviso to that clause shall not be deemed to be expenses in connection with the election incurred or authorized by a candidate or by his election agent for the purposes of this sub-section.
(2) The account of election expenses shall contain such particulars, as may by order, be specified by the State Election Commission.

(3) The total of the said expenses shall not exceed such amount, as may by order, be specified by the State Election Commission.

The SEC issued Notification in the reference cited (enclosed to this circular) prescribing the particulars and the formats according to which the election expenditure accounts shall be maintained by the contested candidates in the elections to Panchayat Raj Bodies and true copies of the same are to be submmitted to the MPDOs within 45 days from the date of declaration of the result.

In this regard the attention of all political parties and contesting candidates is, hereby, drawn to the provisions of section 171 of the Indian Penal Code which reads as follows:

"171 H. Illegal payments, in connection with an election:- whoever, without the, general or special, authority in writing of a candidate, incurs or authorises expenses on account of the holding of any public meeting, or upon any advertisement, circular or publication, or in any other way whatsoever for the purpose of promoting or procuring the election of such candidate, shall be punished with fine which may extend to five hundred rupees:

Provided that if any person having incurred any such expenses not exceeding the amount of ten rupees without authority, obtains within ten days from the date on which such expenses were incurred the approval in writing of the candidate, he shall be deemed to have incurred such expenses with the authority of the candidate".

Thus, from the above provision of law, it may be noted that the expenditure incurred by the supporters in connection with election of a candidate, without the knowledge or consent of the contesting candidate, is a criminal offence under the above law and persons, supporters, political parties, body or associations are liable for prosecution. And if such expenditure has been incurred, with the knowledge or with the consent of the candidate, then the same should be included in the account of election expenses of the candidate.

II. Directions for Compliance:

1. In order to put effective curbs on the incurring or authorising of expenditure, in violation of the statutory provisions of the above-referred section 171 H of the Indian Penal Code and in the interests of free and fair electors, the State Election Commission, in exercise of its powers under Article 243 K of the Constitution and Section 237 of TPR Act, hereby, directs as follows:

(i) No political party or any other association, body or individual, shall put up any cut-outs, hoardings, wall paintings, flags, banners, buntings, advertisements in newspapers, electronic media etc., without the general or special authority (in writing) of the candidate whose election is sought to be promoted by such cut-outs, hoardings, etc., as is statutorily and mandatorily required under Section 171 H of the Indian Penal Code. Strict penal action against those offending the above provisions of law shall be taken and prosecutions launched against them.

(ii) Subject to clause (iii) below, a political party or association or body may put up any cut-outs, hoarding, etc., referred in clause (i) above as part of its general propaganda, which is distinguishable from its election campaign for the promotion of the election of a particular candidate. For example if the poster, banner etc. appeals to the voter to vote for a party in words or picture or photo of party office bearers only then it is a case of general publicity. But if a poster, banner etc. also appeals to vote for a particular candidate in words or picture or photo then the cost thereof should be counted towards the expenditure of that candidate. If there is more than one candidate promoted in the propaganda, then the expenditure shall be shared amongst them.

(iii) No political party, contesting candidate, association, body or individual shall put up any cut-outs, hoarding etc., either under clause (i) or under clause (ii) above, unless prior written permission of the concerned Government authorities or local authorities like Zilla Parishad, Mandal Parishad and Gram Panchayat has been obtained under the relevant local laws before putting up such cut-outs, hoarding etc.

(iv) Before granting any permission as envisaged in clause (iii) above, the concerned Government authorities or the local authorities mentioned above shall thoroughly examine the applications of the parties, association, bodies or individuals with a view to satisfying themselves that the putting up of such cut-outs, hoardings etc., on the proposed site does not compromise the safety and security of the general public and does not result in traffic and other hazards in any manner whatsoever. Such authorities shall also examine whether any authorisation from a particular candidate is required by the applicant in terms of clause (i)&(ii) above and, if so, whether such authorisation has been obtained by the applicant.

(v) It shall be the responsibility of the Government authorities and local authorities mentioned above to ensure that no cut-outs, hoardings etc., are put up by any political party, association, body or individual on any highways, road-sides, traffic intersection and crossings, government buildings and property, like electricity and telephone poles, etc., without prior written permission of the concerned department or local body and the written authorisation of the candidate, where required, as mentioned above. Any cut-out, hoardings, etc. which have been put up without the required permission and authorisation should be got removed/demolished forthwith at the cost of the party, association, body or individual responsible for the unauthorised putting up of the same.

(vi) Penal action shall also be initiated forthwith against such defaulting parties, associations, bodies or individuals by the Enforcement authorities under section 171 H, IPC and sections 4 and 5 of "Telangana Prevention of Disfigurement of Open Places and Prohibition of Obscene and Objectionable posters and Advertisements Act, 1997 (Act 28 of 1997)" the provisions whereof have been violated by the putting up of such unauthorised cut-outs, hoardings etc.

(vii) If any such instances either come, or are brought, to the notice of the election expenditure observer, District Election Authorities, Returning Officers or other authorities concerned with the conduct of elections, including the Police authorities, they shall forthwith take up the matter for prompt action as directed in clauses (v) and (vi) above.

2. The Commission, hereby, warns all concerned that any violation of the above directions will be viewed seriously by the Commission and most stringent action possible under the law will be taken against the parties, associations, bodies or individuals responsible for such violations.

3. If any Officer is found to have failed to take prompt and expeditious action as envisaged above, he will render himself liable to strict disciplinary action for failure to discharge the official duty.

4. Concurrent monitoring during election campaign:

(i) The State Election Commission directs that for concurrent monitoring the "day to day basis" true account of expenditure in Proforma-III should be submitted every day to the MPDOs concerned by the candidate/election agent or by messenger personally or by post. The MPDO shall see that these day to day accounts of expenditure submitted are published and to make them available to anybody who intends to verify them.

(ii) The election expenditure observers will also undertake inspection and scrutiny of all the expenditure accounts constantly.

(iii) With a view to minimise the possibility of contesting candidates, their supporters, political parties, bodies or associations incurring expenditure in excess of the ceilings prescribed by the State Election Commission, it is felt necessary that the daily returns of expenditure should be made transparent by making them available to the public and the other contesting candidates, who, can help the Election Commission to effectively check the veracity of the returns with actual expenditure being incurred by the contesting candidates and their supporters. It is, therefore, decided that the designated officers should make photo copies of these returns and provide the same to other contesting candidates, any member of the public or Non-Governmental Organisation, on demand and on payment of xeroxing charges or a certified copy as per Section 76 of the Indian Evidence Act, 1872 and to the media, free of cost, so as to enable them to assist the Election Commission in effectively implementing the ceilings imposed on the expenditure to be incurred by the contesting candidates for various offices. The Commission is of the considered opinion that this exercise in bringing transparency in election expenditure will enhance the purity of elections and help in conduct of free and fair elections.

5. Final Expenditure Account:

The final return of election expenditure within the format and proformae prescribed in the notification cited shall be submitted by the contesting candidates to the MPDO within 45 days from the date of declaration of the results of the Office for which they had contested. The MPDO and the Chief Executive Officer of Zilla Praja Parishad, as the case, may be, shall make these returns public and take up follow up action as per rules 104, 105 and 106 (1) of TPR (Conduct of Election) Rules, 2018.

The MPDO and the Chief Executive Officer of Zilla Praja Parishad, as the case, may be, shall also take follow up action in respect of candidates who failed to lodge election expenditure accounts within the stipulated time and in the manner required by or under the TPR Act, 2018, as per the procedure envisaged in sub rules (2) and (7) of Rule 106 of TPR (Conduct of Election) Rules, 2018. The report would be considered 'in the manner required' by or under the TPR Act, 2018, only when

(i) The Expenditure Account should be complete and true. An expenditure report which does not contain all the expenditure incurred will be considered incomplete and untrue and would be acted upon as per the provisions of the Act and Rules.

(ii) An expenditure Account that is in the format & Proformae prescribed by the SEC in notification No.178/TSEC-L/2018, dt.18.05.2018 (copy enclosed) will only be treated as being in the manner required by or under the TPR Act, 2018. Any divergence from the format & proformae will be treated as non submission and suitable action initiated against the concerned.

The election authorities relating to Mandal Praja Parishad & Zilla Praja Parishad and Gram Panchayat elections are directed to furnish a copy of these instructions to the contesting candidates under acknowledgement.

ORDER

Order No.1181/TSEC-L/2019 Date:20.02.2019

Sub: TSEC - Elections – Ordinary elections to Urban Local Bodies – Curbs on flow of liquor during election period – Closure of unauthorized shops and monitoring of production, storage and distribution of liquor during election period – Reg.

***

Under Section 610A of the Greater Hyderabad Municipal Corporation Act, 1955 and Section 343–R of the Telangana Municipalities Act, 1965, stipulates that, liquor shops shall be closed within the polling areas during the period of 48 hours prior to the hour fixed for conclusion of poll in Municipal elections and also on the counting day.

Further, bribing the voters by offering liquor to gain unfair edge is an election offence under Sec. 171-B and 171-E of IPC and also a corrupt practice under Sec. 17(1) of Greater Hyderabad Municipal Corporation Act, 1955 and 343 A (1) of Telangana Municipalities Act, 1965.

The State Election Commission is of the view that in order to conduct elections to Municipal Corporations and Municipalities in a free, fair and peaceful manner, it has to exercise all the powers within its reach to control the flow of liquor which is widely used as an inducement to garner votes illegally. During elections, representations and suggestions are often received from general public, political parties, NGOs and the Press to take strong measures to curb the role of liquor in the Urban Local Body elections, which are keenly fought.

Keeping all these factors in view and in order to hold elections to Municipal Corporations and Municipalities in a free, fair and peaceful environment, the State Election Commission in exercise of the powers conferred on it under Articles 243K and 243ZA of the Constitution of India, hereby, issues the following instructions to curb the role of liquor in the elections to Urban Local Bodies.

1. The unauthorized liquor outlets (belt shops) if any in the State shall be closed with immediate effect.

2. The production of IMFL/Beer/Country Liquor should be closely monitored with reference to production figures during the corresponding period in the last year.

3. The offtake of IMFL/Beer/Country Liquor from Central Stocks should also be watched and if there are major deviations then follow up trail should be established.

4. Stock Limits of Licensed Stockists should, in no case, be allowed to exceed permissible limits. All major stock points should be placed under video surveillance for round the clock check and excise pickets with Police help be posted at these points.

5. Daily receipt and offtake of retail sellers should be monitored. Excise Department officials should submit it every evening to the Commissioner & EA, GHMC in case of GHMC elections and in case of elections to other Urban Local Bodies to Collector & DEA concerned to facilitate both preventive and corrective actions.

Cir.No.1005/TSEC-L/2018 Dated:28.11.2018

Sub: TSEC - Elections to Urban Local Bodies - Implementation of Model Code of conduct – Action against violators – Statement showing the provisions of law relating to offences and corrupt practices in connection with elections to Urban Local Bodies – Issued.

***

The Model Code of Conduct (MCC) is implemented from the date of issue of election Notification till the completion of election process, in order to maintain the purity of elections and to create a level playing field for all political parties and contesting candidates.

MCC is not a mere statement of good intentions but an order backed with legal provisions enabling the implementing authorities to initiate action against delinquents. A statement showing the various components of Model Code of Conduct vis-a-vis provisions of Greater Hyderabad Municipal Corporation Act, 1955, Telangana Municipalities Act, 1965, Indian Penal Code, 1860 and other enactments under which prosecution can be launched against the violators is enclosed as Annexure.

The Collectors and District Election Authorities, Commissioner and Election Authority, GHMC, Additional District Election Authorities, Returning Officers, Law Enforcement Authorities and Election Observers are requested to closely monitor compliance with the provisions of the Model Code of Conduct and wherever there is a violation, the Collectors and Superintendents/Commissioners of Police shall prosecute the violators under the relevant provisions of law. They need not obtain any specific permission of the State Election Commission for such prosecutions. Almost all violations can be brought within the scope of one or the other penal provision enacted in the Telangana Municipalities Act, 1965, GHMC Act, 1955, IPC or other specific enactments such as Prevention of Disfigurements of Open Places and Prohibition of obscene and objectionable posters and Advertisements Act, 1997 etc.

The Collectors and District Election Authorities, Commissioner and Election Authority, GHMC as well as the Superintendents/Commissioners of Police are therefore directed to enforce the various provisions of law in order to ensure complete compliance with the provisions of the Model Code of Conduct. The investigating and prosecuting authorities may be instructed suitably in this regard and implementation of the appropriate provisions of law shall be ensured to

maintain the purity of election process and to see that money and muscle power do not determine the poll outcome.

Model Code of Conduct has to be enforced impartially. Utmost care has to be taken to ensure that the law enforcement machinery not only acts fairly but also is perceived to be acting fairly. The Commission will deal sternly with those law enforcement officials who are found implementing the Model Code of conduct in a selective or biased manner.

The number and nature of cases booked in the district wise shall be intimated to the Commission through Fax/e.mail (sec.telangana@gmail.com) on a day to day basis from the date of issue of election notification, by the Superintendents/Commissioners of Police in the enclosed proforma under intimation to the Collector and District Election Authorities concerned.

I. Legal Provisions:

Section 617 B (1) of GHMC Act, 1955 (in respect of Municipal Corporations) and Section 343 ZC (1) of Telangana Municipalities Act, 1965 (in respect of Municipalities) stipulates that every candidate, at any election held under these Acts shall, either by himself/herself, or by his/her election agent, keep a separate and correct account of all expenses incurred in connection with the election, between the date on which the candidate concerned has been nominated, and the date of declaration of the result of the election, both dates inclusive..

Sub-Section (2) of Section 617 B of GHMC Act, 1955 and Sub-Section (2) of Section 343 ZC of Telangana Municipalities Act, 1965 stipulates that the account of election expenses shall contain such particulars, as may by order, be specified by the State Election Commission.

Sub-Section (3) of Section 617 B of GHMC Act, 1955 and Sub-Section (3) of Section 343 ZC of Telangana Municipalities Act, 1965 stipulates that the total of the said expenses shall not exceed such amount, as may by order, be specified by the State Election Commission.

Section 617 C of GHMC Act, 1955 and 343 ZD of Telangana Municipalities Act, 1965, stipulates that

617-C. Lodging of account with the District Election Authority: Every contesting candidate at an election shall, within forty five days from the date of declaration of the result of the election, lodge with the District Election Authority, an account of his election expenses, which shall be a true copy of the account kept by him, or by his election agent, under Section 617-B.

343 ZD. Lodging of account with the District Election Authority. every contesting candidate at an election shall, within forty five days from the date of declaration of the result of the election, lodge with the District Election Authority, an

account of his election expenses, which shall be a true copy of the account kept by him, or by his election agent, under section 343 ZC";

Under Section 20-B of GHMC Act, 1955 and Section 15-B of TM Act, 1965, the State Election Commission is empowered to disqualify a candidate from contesting election for a period of 3 years for failure to lodge an account of election expenses within the stipulated time and in the manner required under the said Acts and in case the candidate is elected, he is liable for cessation of office for such failure.

For the purpose of clarity, the explanations given under Section 617-B of GHMC Act, 1955 and Section 343-ZC of TM Act, 1965 for the election expenses are reproduced below.

Explanation-I:- 'Election expenses' for purpose of this Act shall mean all expenses in connection with the election,-

(a) incurred, or authorized by the contesting candidate, or by his election agent;
(b) incurred by any association, or body of persons, or by any individual, other than the candidate or his election agent, aimed at promoting or procuring the election of the candidate concerned; and
(c) incurred by any political party, by which the candidate is set up, so as to promote or procure his election:

Provided that any expenses incurred by any political party as part of its general propaganda, which is distinguishable from its election campaign, for the promotion or procuring the election of a particular candidate, by words, either written or spoken, or by signs or visible representations, or by audiovisual devises, or through print or electronic media or otherwise, shall not constitute 'election expenses' for purposes of this Act.

Explanation – II:- (1) For the removal of doubts, it is hereby declared that any expenses incurred in respect of any arrangements made, facilities provided or any other act or thing done by any person in the service of the Government and belonging to any of the classes mentioned in clause (9) of Section 17(1)(B) of GHMC Act, 1955 and in clause (9) of section 343 A of TM Act, 1965 in the discharge or purported discharge of his official duty as mentioned in the proviso to that clause shall not be deemed to be expenses in connection with the election incurred or authorized by a candidate or by his election agent for the purposes of this sub-section.

The SEC issued Notification in the reference cited (enclosed to this circular) prescribing the particulars and the formats according to which the election expenditure accounts shall be maintained by the contested candidates in the elections to Urban Local Bodies and true copies of the same are to be submitted through the Municipal Commissioner of concerned Municipal Corporation or Municipality, as the case may be, within 45 days from the date of declaration of the result.

In this regard the attention of all political parties and contesting candidates is, hereby, drawn to the provisions of section 171 of the Indian Penal Code which reads as follows:

"171 H. IPC Illegal payments, in connection with an election:- whoever, without the, general or special, authority in writing of a candidate, incurs or authorises expenses on account of the holding of any public meeting, or upon any advertisement, circular or publication, or in any other way whatsoever for the purpose of promoting or procuring the election of such candidate, shall be punished with fine which may extend to five hundred rupees:

Provided that if any person having incurred any such expenses not exceeding the amount of ten rupees without authority, obtains within ten days from the date on which such expenses were incurred the approval in writing of the candidate, he shall be deemed to have incurred such expenses with the authority of the candidate".

Thus, from the above provision of law, it may be noted that the expenditure incurred by the supporters in connection with election of a candidate, without the knowledge or consent of the contesting candidate, is a criminal offence under the above law and persons, supporters, political parties, body or associations are liable for prosecution. And if such expenditure has been incurred, with the knowledge or with the consent of the candidate, then the same should be included in the account of election expenses of the candidate.

II. Directions for Compliance:

1. In order to put effective curbs on the incurring or authorising of expenditure, in violation of the statutory provisions of the above-referred section 171 H of the Indian Penal Code and in the interests of free and fair electors, the State Election Commission, in exercise of its powers under Article 243 ZA of the Constitution, Section 617-B of GHMC Act, 1955 and Section 343-ZC of Municipalities Act, 1965, hereby, directs as follows:

(i) No political party or any other association, body or individual, shall put up any cut-outs, hoardings, wall paintings, flags, banners, buntings, advertisements in newspapers, electronic media etc., without the general or special authority (in writing) of the candidate whose election is sought to be promoted by such cut-outs, hoardings, etc., as is statutorily and mandatorily required under Section 171 H of the Indian Penal Code. Strict penal action against those offending the above provisions of law shall be taken and prosecutions launched against them.

(ii) Subject to clause (iii) below, a political party or association or body may put up any cut-outs, hoarding, etc., referred in clause (i) above as part of its general propaganda, which is distinguishable from its election campaign for the promotion of the election of a particular candidate. For example if the poster, banner etc. appeals to the voter to vote for a party in words or picture or photo of party office bearers only then it is a case of general publicity. But if a poster, banner etc. also appeals to vote for a particular candidate in words or picture or photo then the cost thereof

should be counted towards the expenditure of that candidate. If there is more than one candidate promoted in the propaganda, then the expenditure shall be shared amongst them.

(iii) No political party, contesting candidate, association, body or individual shall put up any cut-outs, hoarding etc., either under clause (i) or under clause (ii) above, unless prior written permission of the concerned Government authorities or local authorities like Municipality and Municipal Corporation has been obtained under the relevant local laws before putting up such cut-outs, hoarding etc.

(iv) Before granting any permission as envisaged in clause (iii) above, the concerned Government authorities or the local authorities mentioned above shall thoroughly examine the applications of the parties, association, bodies or individuals with a view to satisfying themselves that the putting up of such cut-outs, hoardings etc., on the proposed site does not compromise the safety and security of the general public and does not result in traffic and other hazards in any manner whatsoever. Such authorities shall also examine whether any authorisation from a particular candidate is required by the applicant in terms of clause (i)&(ii) above and, if so, whether such authorisation has been obtained by the applicant.

(v) It shall be the responsibility of the Government authorities and local authorities mentioned above to ensure that no cut-outs, hoardings etc., are put up by any political party, association, body or individual on any highways, road-sides, traffic intersection and crossings, government buildings and property, like electricity and telephone poles, etc., without prior written permission of the concerned department or local body and the written authorization of the candidate, where required, as mentioned above. Any cut-out, hoardings, etc. which have been put up without the required permission and authorization should be got removed/demolished forthwith at the cost of the party, association, body or individual responsible for the unauthorised putting up of the same.

(vi) Penal action shall also be initiated forthwith against such defaulting parties, associations, bodies or individuals by the Enforcement authorities under section 171 H, IPC and sections 4 and 5 of "Telangana Prevention of Disfigurement of Open Places and Prohibition of Obscene and Objectionable posters and Advertisements Act, 1997 (Act 28 of 1997)" the provisions whereof have been violated by the putting up of such unauthorised cut-outs, hoardings etc.

(vii) If any such instances either come, or are brought, to the notice of the election expenditure observer, District Election Authorities, Returning Officers or other authorities concerned with the conduct of elections, including the Police authorities, they shall forthwith take up the matter for prompt action as directed in clauses (v) and (vi) above.

2. The Commission, hereby, warns all concerned that any violation of the above directions will be viewed seriously by the Commission and most stringent action possible under the law will be taken against the parties, associations, bodies or individuals responsible for such violations.

3. If any Officer is found to have failed to take prompt and expeditious action as envisaged above, he will render himself liable to strict disciplinary action for failure to discharge the official duty.

4. Concurrent monitoring during election campaign:

(i) The State Election Commission directs that for concurrent monitoring the "day to day basis" true account of expenditure in Proforma-III should be submitted every day to the authorities designated by the State Election Commission by the candidate/election agent or by messenger personally or by post. These authorities shall see that the day to day accounts of expenditure submitted are published and to make them available to anybody who intends to verify them.

(ii) In connection with ordinary/casual elections to Municipal Bodies in the State, the Commission, hereby, designates the following authorities for the inspection and scrutiny of the day to day expenses during campaign period.

Name of the office of election	Authority designated
Ward Members of Municipal Corporations.	Returning Officers
Ward Members of Municipalities.	Election Officer

The election expenditure observers will also undertake inspection and scrutiny of all the expenditure accounts constantly.

(iii) With a view to minimise the possibility of contesting candidates, their supporters, political parties, bodies or associations incurring expenditure in excess of the ceilings prescribed by the State Election Commission, it is felt necessary that the daily returns of expenditure should be made transparent by making them available to the public and the other contesting candidates, who, can help the Election Commission to effectively check the veracity of the returns with actual expenditure being incurred by the contesting candidates and their supporters. It is, therefore, decided that the designated officers should make photo copies of these returns and provide the same to other contesting candidates, any member of the public or Non-Governmental Organisation, on demand and on payment of xeroxing charges or a certified copy as per Section 76 of the Indian Evidence Act, 1872 and to the media, free of cost, so as to enable them to assist the Election Commission in effectively implementing the ceilings imposed on the expenditure to be incurred by the contesting candidates for various offices. The Commission is of the considered opinion that this exercise in bringing transparency in election expenditure will enhance the purity of elections and help in conduct of free and fair elections.

5. Final Expenditure Account:

The final return of election expenditure within the format and proformae prescribed in the notification cited shall be submitted by the contesting candidates through the Municipal Commissioner of concerned Municipal Corporation or Municipality, as the case may be, within 45 days from the date of declaration of the results of the Office for which they had contested. The Municipal Commissioner shall forward all returns received by him to the District Election Authority immediately on the expiry of forty-five days from the date of declaration of the results of elections. The Collector & District Election Authority shall make these

returns public and take up follow up action as per rules 93, 94 and 95 of Telangana Municipal Corporation (Conduct of Election of Members) Rules, 2005.

The Collector & District Election Authority shall also take follow up action in respect of candidates who failed to lodge election expenditure accounts within the stipulated time and in the manner required by or under the GHMC Act, 1955 and Telangana Municipalities Act, 1965 as the case may be, as per the procedure envisaged in sub rules (2) and (8) of Rule 95 of Telangana Municipal Corporation (Conduct of Election of Members) Rules, 2005. The report would be considered 'in the manner required' by or under the GHMC Act, 1955 and TM Act, 1965, as the case may be, only when

(i) The Expenditure Account should be complete and true. An expenditure report which does not contain all the expenditure incurred will be considered incomplete and untrue and would be acted upon as per the provisions of the Acts and Rules.

(ii) An expenditure Account that is in the format & Proformae prescribed by the SEC in notification No.1079/TSEC-L/2018, dt.20.12.2018 (copy enclosed) will only be treated as being in the manner required by or under the GHMC Act, 1955 and TM Act, 1965, as the case may be. Any divergence from the format & proformae will be treated as non submission and suitable action initiated against the concerned.

The election authorities relating to Municipal Corporation and Municipality elections are directed to furnish a copy of these instructions to the contesting candidates under acknowledgement.

...Respondents/Writ Petitioners

Aggrieved by the orders of learned single judge Hon'ble Sri Justice P.V.Sanjay Kumar in W.P.No. 2070 of 2019 dated 19.03.2019 the petitioner herein begs to file the present Review Application for the following among other grounds.

Brief facts of the case:

1. It is submitted that W.P.No. 2070 of 2019 was filed challenging the action of the official Respondents in not taking any action for conducting elections to the post of President, Mandal Praja Parishad, Choppadandi, Karimnagar District despite the fact that no confidence motion was passed against the 9th

Respondent on 26.11.2018 and intimated to the 1st Respondent therein as illegal, arbitrary and for consequential direction.

2. It is submitted that, this Hon'ble Court by orders dated 19.03.2019 disposed of the Writ Petition directing the State of Telangana and the Telangana State Election Commission to initiate necessary measures to hold elections afresh to the office of the President of the MPP, Choppadandi, Karimnagar District expeditiously and in any event not later than 3 months from the date of receipt of the orders be it from whatsoever source.

3. It is submitted that the Writ Petition was disposed off at admission stage without hearing State Election Commission. Rule Nisi was also not ordered before disposing Writ Petition on merits.

4. It is submitted that aggrieved by the orders dated 19-3-2019 in W.P. No. 2070 of 2019, the review petition is filed.

5. It is submitted that the brief facts relating to the Writ Petition are:

5.1 It is submitted that the elections to the office of Mandal Praja Parishad and Zilla Praja Parishad were held in the year 2014 and their term is coming to an end on 03.07.2019. A No-Confidence Motion was moved on 16-11-2018 against the President Mandal Praja Parishad, Choppadandi, Karimnagar District. The same was passed on 26-11-2018. The vacancy to the post of President, Mandal Praja Parishad has to be notified by the State Government under Section 263 (2) of the Telangana 'Panchayat Raj Act, 2018. However, no such notification has been issued by the Government thus precluding any possibility for initiating action for holding of elections by the State Election Commission as per Section 147 (14) of Telangana Panchayat Raj Act, 2018. While so, the Chief

Executive Officer, Karimnagar communicated vide letter dated 7-3-2019 that a casual vacancy of MPTC, Katnapally of Choppadandi Mandal Praja Parishad occurred on 29-1-2019 due to resignation. As per second proviso to Rule 13 (1) of Telangana Panchayat Raj (Conduct of Election of Member (Co-opted) and President / Vice-President of Mandal Parishad and Member (Co-opted) and Chairperson and Vice-Chairperson of Zilla Praja Parishad) Rules, 2018, before a casual election of President of MPP is held, every casual vacancy in the office of an elected member of MPP shall be filled.

5.2 It is submitted that W.P. No. 2070 of 2019 is filed challenging the action of the official Respondents for not conducting election to the post of President, Mandal Praja Parishad, Choppadandi, Karimnagar District. The Hon'ble High Court by its order dated 19-3-2019 holding that no steps have been taken for conducting elections afresh and that the Telangana State Election Commission should not have remained inactive in the matter, disposed of the Writ Petition directing the State Government and State Election Commission to initiate necessary measures to hold an election afresh to the post of President, Mandal Praja Parishad, Choppadandi, Karimnagar District, expeditiously and in any event, not later than three months from the date of receipt of copy of the order.

5.3. It is submitted that as per statutory provisions, the vacancy for the post of President, MPP Choppadandi in terms of Section 263(2) of TPR Act, 2018, has been notified by the Government only on 25.04.2019. Not only this, the State Election Commission has to fill up the casual vacancy of MPTC, Katnapally, before taking up the casual election to fill up the vacancy of President, MPP, as per second proviso to Rule 13(1) of Rules relating to (Conduct of Election of Member (Co-opted) and President / Vice-President of Mandal / Parishad and Member (Coopted) and Chairperson and Vice-Chairperson of Zilla Praja Parishad) Rules, 2018 issued in G.O.Ms.No. 27, PR & RD (PTS.III) Department, dated

19.05.2018. Further, the term of present MPP is coming to an end by 03.07.2019 and as per Article 243E of Indian Constitution, election shall be conducted to constitute new Mandal Praja Parishad before 04.07.2019.

5.4. It is submitted that the Telangana State Election Commission has issued Notification dated 20-4-2019 in exercise of powers conferred by Article 243 (K) of Constitution of India and Section 197 and 198 of Telangana Panchayat Raj Act, 2018 to conduct elections to MPTCs and ZPTCs. The elections are to be held in three phases and declaration of results are scheduled on 27-5-2019.

6. In view of the above, aggrieved by the orders dated 19-3-2019 in W.P. No. 2070 of 2019, the review petition is filed on the following grounds.

GROUNDS

1. It is submitted that the directions of this Hon'ble High Court to conduct elections were passed without taking into consideration the stand of the 8th Respondent. The Writ Petition ought not to have been disposed on the premise that the Respondent authority has not chosen to file a counter.

2. It is submitted that the learned Judge ought to have taken into consideration that the term of elected office bearers of MPTC is of 5 years from the appointed date in terms of Section 147 (13) of the Act. Results of the elections were declared after 7th May, 2014 and first appointed date for the meeting of MPTC was fixed as 4-7-2014 for Mandal Praja Parishad, and 5-7-2014 for Zilla Praja Parishads. Thus, the five years term for the Mandal Praja Parishad is scheduled to expire on 03.07.2019. Article 243 E of Indian Constitution mandates that the election to constitute the Mandal Praja Parishad which is an intermediate level Panchayat, shall be completed before the expiry of its term,

that is 03.07.2019. At this stage, directing to fill up the causal vacancy within three months from the date of receipt of the copy of the order is misconceived.

3. It is submitted that, Notification dated 20-4-2019 was issued for conducting elections to MPTCs of Mandal Praja Parishad and ZPTCs of Zilla Praja Parishads, 2019 and the State Election Commission and the District Administration are totally involved in the election work at present.

4. The learned Judge failed to appreciate that in terms of Section 263 (2) of Telangana Panchayat Raj Act, 2018, if the no confidence motion is carried with the support of 2/3rd of the total number of members, the State Government shall by notification remove the President and such vacancy will come into force w.e.f. the date of publication of the notification in the Telangana Gazette. In the present case, the notification removing the incumbent has been published in the Telangana Gazette No.36, dated 25.04.2019, by which date, the Commission has already issued the notification for conduct of elections to MPTCs of Mandal Praja Parishads and ZPTCs of Zilla Praja Parishads, 2019.

5. The learned Judge ought to have observed that in terms of 2nd proviso to Rule 13 (1) of Telangana Panchayat Raj (Conduct of elections to President/Vice-President) Rules, 2018, before a causal election of President or Vice-President of Mandal Praja Parishad is held, every casual vacancy in the office of the elected member of Mandal Praja Parishad shall be filled. In view of causal vacancy of Member, Katnapally MPTC, the casual vacancy of President, Choppadandi Mandal Praja Parishad can be filled only subsequent to the filling up of causal vacancy of Katnapally MPTC.

6. It is submitted that the orders dated 19-3-2019 in W.P. No. 2070 of 2019 was received by the Commission on 8-4-2019. The 3 months period stipulated in

the orders, would expire on 7-7-2019. In the meanwhile, the notification for holding ordinary elections of MPTCs & ZPTCs was issued on 20-4-2019. The new body will be ready to assume their office by 04.07.2019. Therefore, no purpose would serve in filling up the casual vacancy of the President, MPP, Choppadandi Mandal, at this stage.

7. Other grounds that would be urged at the time of hearing.

It is therefore prayed that the Hon'ble Court may be pleased to Review the orders passed in W.P. No. 2070 of 2019, dated 19-3-2019 and pass such other order or orders as the Hon'ble Court deems fit and proper in the circumstances of the case.

A fixed Court fee of Rs. 50/- is herewith paid.

ANNEXURE – 131

TELANGANA STATE ELECTION COMMISSION
1st Floor, DTCP Building, Opp: PTI Building, A.C.Guards, Hyderabad – 500 004.

NOTIFICATION

No.275/TSEC-PR/2019 Dated:29 .01.2019

Whereas, in the reference No.363/TSEC-PR/2018, dated 01.01.2019, the State Election Commission issued notification for conduct of ordinary elections to Gram Panchayats in three phases in the State and also notified election programme in connection therewith.

And whereas, it has come to the notice of State Election Commission that, in certain Gram Panchayats, vested interests in the guise of village committees/caste associations are thwarting the election process by employing money power/ undue influence and manufacturing "unanimous elections" through auction of posts. This is considered as denial of electoral rights of both the voters and potential contestants and discriminating the financially weak and fostering the tyranny of a few over the majority.

The State Election Commission issued Notification No. 103/TSEC-PR/2019, dated 08.01.2019 with a view to counter this illegal practice of auctioning of posts of Sarpanch and Ward Member of Gram Panchayats by vested interests.

And whereas, the Mallapur Gram Panchayat and Mandal in Jagitial District was notified for election in 2nd phase. In pursuance of the said notification, the Returning Officer concerned issued election notice on 11.01.2019 for conduct of elections to Mallapur Gram Panchayat and Mandal in Jagitial District.

And whereas, in the Eenadu daily news paper dated 20.01.2019, it was reported that, in Mallapur Gram Panchayat of Jagitial District, price was fixed for the post of Sarpanch at Rs.20.00 Lakhs and draw of lots conducted for the said post and aggrieved by the same, one Sri Enugu Venkat Reddy and some others attempted to commit suicide.

And whereas, enclosing the said news paper report clipping in Lr.No.275/TSEC-L/2019, dated 20.01.2019, the State Election Commission requested the Collector & District Election Authority, Jagitial District and General Observer Jagitial District to enquire into the matter, take appropriate action and send report to the Commission immediately.

And whereas, in Lr.No.A1/2083/2018-Pts, dated 24.01.2019, the Collector & District Election Authority, Jagitial reported that, enquiries were got conducted through the Joint Collector / Additional District Election Authority, Jagitial and Superintendent of Police, Jagitial.

The following are the findings of the enquiry conducted by the Superintendent of Police, Jagitial.

"as per the advice of their caste elders, they went for 'draw of lots' and the petitioners withdrew their nomination subsequently, after losing the draw/lottery and further revealed that, there was no forcible capture or criminal intimidation as alleged by the petitioner".

The enquiry conducted by the Joint Collector and Additional District Election Authority, Jagitial revealed that there were total of (5) members who filed nominations for the post of Sarpanch out of them a SC candidate, the rest four belongs to Reddy Community. They are as follows:

1. Kyatham Jeevan Reddy
2. Sandhireddy Srinivas Reddy
3. Gopidi Raji Reddy
4. Kyatham Aruna
5. Akuthota Narsaiah belongs to SC community

Since the Mallapur Gram Panchayat is reserved for OC General, all the other (4) Reddy community candidates requested the SC candidate for withdrawal since it was opportunity for OC General and the SC candidate named Sri Akuthota Narasaiah was compelled to withdraw. Out of remaining (4) others, there is a couple i.e., wife and husband and subsequently the wife withdrew leaving (3) candidates, who after initial deliberations came to the conclusion that there shall be only one candidate who has to provide the expenditure for temple and the expenditure of the withdrawing candidate. According to the deposition of one Sri Muddam Sharath there was a discussion about the auction of Sarpanch post for a cost of Rs. 20.00 Lakhs, out of that Rs. 15.00 Lakhs is to be set apart for development of Temple and Rs. 5.00 Lakhs for the benefit of withdrawing candidates.

It is further reported that the elders of the community of the remaining candidates decided that, there shall be only one person in fray and other contesting candidates have to withdraw otherwise their family will be expelled from the community. For this posivilege, the person remaining in the fray has to pay Rs.20.00 lakhs towards the development of the Temple and withdrawing candidates. On this decision of the Community, one Gopidi Raji Reddy withdrawn and remained two persons namely Sri Sandhireddy Srinivas Reddy and Kyatham Jeevan Reddy were left in the fray. Thereafter, the Village elders have taken surety from both the candidates for an amount of Rs. 20.00 Lakhs and lottery was conducted that went in favour of Sri Kyatham Jeevan Reddy. As per the agreement, Sri Sandhireddy Srinivas Reddy withdrew from Sarpanch elections and only one valid nomination of Kytham Jeevan Reddy was remaining in the frey. This issue was reported in all media.

And whereas, the Collector & DEA, Jagitial in his report finally stated that, keeping in view of the depositions recorded from the witnesses and others and

circumstances explained in the report of the Joint Collector, two issues emerged; that, due to the pressure of leaders of a community, one SC community candidate Akuthota Narsaiah was compelled to withdraw. The next issue is that the unanimous election was arranged for a significant financial consideration and finalized the candidate through a lottery for an amount of Rs. 20.00 Lakhs by threatening others that they will be expelled from the community if did not obey their decision, which makes it clear that there was intimidation as well as auction of the post of Sarpanch for Rs.20.00 lakhs, and violation of Model Code of Conduct was established.

And whereas, in Lr.No. 001/GP/Observer-Jagitial/2019, dated28.1.2019, the General Observer of Jagitial District also sent a report reiterating the same as reported by the Collector and District Election Authority, Jagitial.

And whereas, auctioning of posts and intimidation of contestants is an offence under Section 211 of Telangana Panchayat Raj Act, 2018 and also an electoral mal practice under Section 171 B and 171 C of Indian Penal Code. It subverts the democratic election process by denying freedom of choice to voters by excluding potential candidates from the contest on financial grounds. This, if allowed, could lead to imposition of tyranny of a few over majority of the people.

And whereas, the report of the C&DEA, Jagitial reveals that, there is a prima facie evidence of auctioning of post of Sarpanch of Mallapur Gram Panchayat in Jagitial District.

And whereas, the State Election Commission, after careful consideration of all relevant information, decided to declare the election process so far held to the office of the Sarpanch of Mallapur Gram Panchayat and Mandal in Jagitial district in pursuance of the election notification No.363/TSEC-PR/2018, dated 01.01.2019 as void as the process was vitiated by illegal activity of auctioning of Sarpanch post by vested interests thwarting the electoral rights of both the potential candidates and the voters of the Gram Panchayat thus viciously undermining the free and fair nature of the election process and hence decide to re-notify fresh election schedule for conduct of election to the office of Sarpanch of the said Gram Panchayat.

Now, therefore, in exercise of the powers conferred under Article 243 K of Constitution of India and also Section 196 (1) and 197 (1) of Telangana Panchayat Raj Act, 2018, the State Election Commission, hereby, voids the election process so far held to the office of the Sarpanch of Mallapur Gram Panchayat and Mandal in Jagitial district in pursuance of the election notification No.363/TSEC-PR/2018, dated 01.01.2019. Fresh notification for conduct of election to the office of Sarpanch of Mallapur Gram Panchayat will be issued separately.

Election to the office of Upa-Sarpanch of Mallapur Gram Panchayat of mallapur Mandal in Jagitial District shall be conducted only after completion of election and declaration of results of office of Sarpanch of said Gram Panchayat.

CIRCULAR

Cir.No.1191/TSEC-ULBs/2019 Dated:21.02.2019

Sub:- TSEC – Elections – Elections to Municipalities – Election Officer – Appointment of one Election Officer for every 3 wards - Appointment of Gazetted officer as Election Officer and also appointment of Assistant Election Officer by Election Authority – Furnishing of proposals indicating names of officers for appointment as Election Officers and Assistant Election Officer to C&DMA and Election Authority - Instructions – Issued.

***

According to sub-section (12) of Section 2 under definitions in Part-I preliminary of Telangana Municipalities Act, 1965, "Election Authority" means such officer or authority as may be appointed by the State Election Commission to exercise such powers and to perform such functions in connection with the conduct of elections to the Municipalities.

In terms of the above provision, in Notification No. 1049/TSEC-ULBs/2018-1, dated 10.12.2018, the State Election Commission appointed the Commissioner & Director of Municipal Administration as Election Authority to exercise such powers and to perform such functions specified in the said Act and the rules made there under in connection with the conduct of elections to all the Municipalities in the State.

According to Rule 3 (1) (d) in Chapter-I preliminary of Telangana Municipalities (conduct of Election of Member) Rules, 2005, "Election Officer" means the Municipal Commissioner or any person or officer authorized or appointed by the Election Authority to do any act or perform any function in connection with the conduct of elections under these rules.

According to sub-rule (4) of Rule 4 of Conduct of Elections Rules, 2005, the Election Authority may appoint one or more persons who shall be officer or officers of the local authority or the Government as Assistant Election Officer and they shall, subject to the control of the Election Officer be competent to perform all or any functions of the Election Officer, except the functions which relate the scrutiny of nominations, unless the Election Officer is unavoidably prevented from performing the said function.

The practice so far followed in all previous elections to Municipalities was that, the Commissioner of Municipality was appointed as Election Officer by the Election

Authority (i.e., C&DMA) as Election Officer for conduct of elections to all wards of the Municipality from publication of election notice and receipt of nominations to till declaration of results.

The Commission observed that, it is difficult for one Election Officer for all wards to do all such statutory functions in connection with the conduct of elections.

In view of the above, the Commission decided, to appoint any gazetted officer of the local authority or the Government as Election Officer for every 3 wards.

The Municipal Commissioners as the Assistant District Election Authority shall supervise the entire election process in the Municipality and make necessary election /poll arrangements and other logistics.

Therefore, the Commissioners of Municipalities are directed to send proposals indicating names of gazetted officers and also names of officers through the Collector and District Election Authority to the Election Authority (i.e., C&DMA) for appointment as Election Officers or Assistant Election Officer as mentioned above in the following proforma.

Sl.No.	Name of the Gazetted officer and designation proposed for appointment as Election Officer	Details of Wards for which the name of officer is proposed for appointment as Election Officer	Names of the Officer and designation proposed for appointment as Assistant Election Officer	Details of Wards for which the name of officer is proposed for appointment as Assistant Election Officer
