In the reference 2nd cited, the rules have been amended by deleting the Rule 75 of Andhra Pradesh Municipal Corporation (Conduct of Election of Members/Election Expenses and Election Petitions) Rules,2005. Rule 75 provides opportunity to an elector who decides not to vote in favour of any of the candidates.

The amendment was issued very late i.e. just one day before the GHMC Election Notification. Nevertheless, the State Election Commission examined the amendment with a view to implement the same in the GHMC elections. However during the implementation, it was found that the formats proposed are not in tune with the amendments issued and hence requested the Government to amend the formats in the reference 3rd cited. Now, in the absence of 'NOTA' provision there is a need for revival of Rule 75 of Andhra Pradesh Municipal Corporation (Conduct of Election of Members/Election expenses and Election Petitions) Rules, which permits the voter to refuse to vote in favour of any of the candidates. Hence, Government are requested to issue an order revoking the amendments issued in the G.O.2nd cited immediately as a temporary measure till operationalization of 'NOTA' provision along with amended formats.

Yours faithfully,

ANNEXURE – I

Guidelines for Micro-Observers

1. Observers have a very crucial role to play in the conduct of an independent, free and fair election. To strengthen the system of observation, the Commission has consciously decided to deploy Micro-Observer at the selected sensitive / hyper sensitive polling stations. These Micro-Observers would directly work under control and supervision of the General Observer.

2. For deployment as micro-observer, the Collectors & DEAs, the Commissioner & Special Officer and Election Authority, Greater Hyderabad Municipal Corporation shall obtain the list of employees of Central Govt., and Central Public Sector Undertaking in the State. In case sufficient number of employees of Central Govt., and Central Public Sector Undertaking are not available, Gazetted Officers of State Government and State Public Sector Undertakings may be utilized for this purpose.

3. The Collectors & DEAs, the Commissioner & Special Officer and Election Authority, Greater Hyderabad Municipal Corporation shall prepare a list of critical polling stations under the supervision of the Observer concerned and in consultation with the Commissioners of Police / Superintendents of Police concerned, where these Micro Observers would be deployed. Such polling stations would be short-listed on the basis of various factors which contribute to the vulnerability of the voters. Such factors, for example, domination of one social group over other, inaccessibility of the area, EPIC non-availability, previous history of violence, etc. would have been taken into consideration while doing the vulnerability mapping. The list of such polling stations where Micro Observers are to be deployed shall be finally approved by the Observer and kept confidential in a sealed envelop till the last moment of deployment.

4. In multi-polling station buildings, each location will have one micro-observer instead of one Micro Observer per polling station. The Micro Observer can oscillate between and visit the polling stations within the same campus at frequent intervals.

5. There shall be a nodal officer identified by the Collectors & DEAs, the Commissioner & Special Officer and Election Authority, Greater Hyderabad Municipal Corporation for Micro-Observers to handle logistics and deployment related tasks of Micro-Observers in each Urban Local Body. General Observers will be in close touch with them for their requirements of Micro-Observers relating to their wards.

6. Each Micro Observer shall be given a photo-pass and identity card by the Commissioner & Special Officer and Election Authority, Greater Hyderabad Municipal Corporation / District Election Authority / Returning Officer / Election Officer to ensure his access to the polling stations.

7. Observers will arrange and train their Micro Observers. The officer selected for the job of Micro-Observer may not be aware of different aspects of election process. Therefore, a basic training of election processes on the day of the poll shall have to be given to them. This should enable them to understand and observe the activities

relating to election on the day of the poll. An illustrative training material for the Micro Observer is attached with this circular. Since the Micro Observer shall be reporting to the Observer alone, it will be the responsibility of the Observers to ensure that they are trained properly on the relevant and crucial issues. The Commissioner & Special Officer
& Election Authority, Greater Hyderabad Municipal Corporation / Collectors & DEAs / Returning Officers / Election Officers shall organize the training of these Micro Observers.

8. The required number of officers for deployment as Micro Observer would be picked up randomly from the list of all eligible Officers. Further the assigning of critical polling stations also will be done in random manner a day prior to the day of departure in presence of the Observer and duly approved by him. However, the exact polling station would be given to them on the day of departure.

9. The Commissioner & Special Officer and Election Authority, Greater Hyderabad Municipal Corporation / Collectors & DEAs / Returning Officers / Election Officers should ensure that the Micro Observers are separately dropped to their destinations or may be with Zonal Officers. Micro-Observer should be provided with an Identity card, entry pass to his/her polling stations and such other requirements as may be necessary for discharge of duties as per the direction of the Commission.

10. On the day of poll, the Micro Observer should reach the polling station at least one hour before the commencement of the poll, i.e., at 7 O'clock in the morning. If for certain reason, it is not possible to reach in the morning, he should reach in the evening of the previous day.

11. Having reached the polling station, he should assess the preparedness for the poll. During the poll day, he should regularly note down the important points on the pre-printed Proforma (a Proforma for this is appended). It is made absolutely clear that in no case, the Micro Observer will act as Presiding Officer or the Polling Officer. His task is to observe that election process is being carried out in a free and fair manner and there is no vitiation of any kind.

12. In the process of observation on the day of the poll, the Micro Observer should specially observe: -

a. Mock Poll procedure,
b. Presence of Polling Agents and observance of SEC instructions with regard to them,
c. The observance of entry pass system and access to Polling Station,
d. Proper identification of electors in accordance with SEC guidelines,
e. Application of indelible ink,
f. Noting down particulars of electors in register XXXIV in respect of Municipal Corporation / XXI in respect of Municipalities and Nagar Panchayats,
g. Secrecy of voting,
h. Conduct of polling agents, their complaints, if any, etc

13. During the poll, if the Micro Observer feels that the poll is being vitiated for any reason, he will immediately bring it to the notice of Observer through whatever means of communication is available, for example, phone or wireless or any other means.

14. After the poll process is over, the Micro Observer will report to the Observer in the format as enclosed as Annexure II at the collection center and hand over his envelop containing the report for the day personally to the Observer and brief him/her on anything of importance that had happened during the day.

15. Observers will go through the report and if any further clarification is required then he should arrange for the Micro Observer to be called for ascertaining those further details. These reports along with the other reports will be taken into consideration for taking a decision on repoll or disciplinary action against any delinquent polling staff.

Lr.No.984/TSEC-L/2015-1, Dated:30.11.2015

To
The Secretary to Government of Telangana,
Home (Courts-B) Department,
Telangana Secretariat, Hyderabad.

Sir,

Sub:- TSEC –Elections – 3rd Ordinary elections to GHMC, 2015-2016 - Zonal Officers – Magisterial powers- Conferment of magisterial powers on Zonal Officers – Reg.

* *

I wish to state that, in order to comply with the directions of the Hon'ble High Court, the SEC initiated action to complete election process of GHMC by 31st January, 2016 and the election notification will be issued shortly.

I further wish to state that, the GHMC elections, are keenly contested and there is every possibility of arising law and order problems frequently. As of now the District Collector and few Revenue Officers are vested with the Magisterial powers. It may be difficult for Revenue Officers to reach the spot in case of emergencies during elections, in order to utilize the powers under section 144 Cr.P.C. Unless magisterial powers are conferred on an officer, preventive action by utilizing the provisions of Section 144 Cr.P.C cannot be taken by him. The responsible officer available on the spot on whom Magisterial power can be conferred under section 21 Cr.PC is the Zonal officer who will be on the move and will be monitoring the law and order situation on the day of poll and also during the campaign period. It is therefore, necessary to confer Magisterial powers on Zonal officers in their respective jurisdictions to be appointed in the ensuing 3rd ordinary elections to GHMC from the date of issue of election notification to till the date of completion of election process under section 21 Code of Criminal Procedure, 1973 and they be authorised to exercise the powers of executive magistrate under section 37, 44, 103, 129 and

144 of Criminal Procedure, 1973. Such magisterial powers were delegated to the Zonal officers during general elections to Legislative Assembly and Parliament and also local bodies.

During elections to local bodies in 2006 and 2013, the Government issued such orders conferring magisterial powers on Zonal Officers. A copy of the orders issued vide G.O.Rt.No. 834, Law (LA&J) – Home (courts)-B, Department, dated 20.6.2006 and G.O.Rt.No. 1659 Law (LA&J-Home-Court-B) Department, dated 21.7.2013 are enclosed herewith. The same practice has to be followed this time also.

The Commissioner & Special officer and Election Authority, Greater Hyderabad Municipal Corporation is advised to send proposals indicating the names of the Zonal Officers and the Jurisdiction in which they will exercise the magisterial powers directly to the Government in home department .

I, therefore, request you to confer the magisterial powers on the zonal officers to be appointed in the ensuing 3rd ordinary elections to Greater Hyderabad Municipal Corporation as per the proposals submitted by the Commissioner & Special officer and Election Authority, GHMC .

Yours faithfully,
Sd/- M. Ashok Kumar

I wish to inform that, in the reference cited, the Telangana State Election Commission issued notifications, for conduct of 3rd Ordinary Elections to Greater Hyderabad Municipal Corporation. Copies of the said notifications are enclosed herewith. As per the election programme, the poll is scheduled on 02.02.2016 and counting of votes on 05.02.2016.

I. The Government has to issue orders on the following subjects to ensure smooth conduct of elections.

1. Authorization to the District Collectors of Hyderabad, Rangareddy and Medak to declare local holiday in GHMC area on the date of Poll i.e, on 02.02.2016 for all the Government offices, Local bodies and other Government institutions situated in the GHMC areas notified for elections.
2. Authorization to the District Collectors of Hyderabad, Rangareddy and Medak to declare local holiday on the preceding day of poll i.e, on 01.02.2016, on the day of poll i.e, on 02.02.2016 and on the day of counting i.e, on 05.02.2016 for all public buildings, educational institutions buildings and other buildings that are used for conduct of poll.
3. Authorization to the District Collectors of Hyderabad, Rangareddy and Medak to take action for declaration of local holiday for the Public and Private Undertakings / Firms located in GHMC area to facilitate employees working in those organizations to exercise their franchise.

4. The Government may also consider declaring a holiday on the day of Poll in the GHMC area notified for poll under Negotiable Instruments Act, 1881.
5. The Government is requested to issue necessary instructions to the Commissioner of Labour, Telangana state to declare day of poll i.e., 02.02.2016 as paid holiday to shops and establishments located in the GHMC area under A.P. Shops and Establishments Act, 1988 declaring the day of poll as a paid holiday to all the employees and workers employed in shops and establishments situated in GHMC area.
6. Authorization to the Commissioner & Spl. Officer and Election Authority, GHMC requisition the required number of Government vehicles to utilize them for election work.
7. Prohibition on sale of liquor during 48 hours prior to the hours fixed for completion of poll and also on the day of counting of votes.
8. Conduct of Government servants during elections to GHMC as prescribed in sub-rule5 and 6 of rule 19 of A.P Civil (conduct) Rules, and section 607-A, 610 and 612 of GHMC Act, 1955.

I, therefore, request you to issue necessary orders on the above subjects at the earliest.

II. I also state that, the Government may request all the heads of Central Government departments to provide their employees reasonable opportunity to exercise their franchise by permitting their employees as to attend office late or to leave office early or to absent for a short time during office hours so as to enable them to exercise their franchise on poll day i.e, on 02.02.2016. But it may be appropriate to declare holiday to Central Government offices on 02.02.2016 since most of the bus services are hampered and restrictions are imposed in almost all areas of GHMC under section 144 IPC due to which the employees of Central Government, institutions will face hardship in attending the offices. By declaring a holiday to the said offices, the employees can exercise their franchise in the GHMC elections without facing any difficulty and thereby voting percentage will also increase which is comparatively low in Urban areas.

I, therefore, request you to kindly consider to take up this matter with the Central Government at appropriate level to get immediate appropriate orders in the matter in view of the importance.

Yours faithfully,
Sd/- M. Ashok Kumar
Secretary

Lr.No.1017/TSEC-L/2015 Date:10.12.2015

To
The Principal Secretary to Government of Telangana,
Home (Court-B) Department,
Telangana Secretariat, Hyderabad.

Sir,

Sub:- TSEC – Elections – 3rd ordinary elections to GHMC, 2015-2016 – Static Surveillance Team (SST) Constitution - Magisterial powers – Conferment of Magisterial powers on an officer in the SST - Request – Reg.

Ref:- 1. TSEC Lr. No. 984/TSEC-L/2015-1, dated 30.11.2015 addressed to the Secretary to Govt, of Telangana, Home (Court-B) Department.
2. TSEC Order NO. 1017/TSEC-L/2015, dated 8.12.2015.

***

I wish to state that, in order to comply with the directions of the Hon'ble High Court, the SEC initiated action to complete election process of GHMC by 31st January, 2016 and the election notification will be issued shortly.

In the reference 1st cited, the Commission requested the Government in Home Department to confer the Magisterial powers on the zonal officers to be appointed in the ensuing 3rd ordinary elections to Greater Hyderabad Municipal Corporation as per the proposals submitted by the Commissioner & Special officer and Election Authority, GHMC.

I further wish to state that, in the reference 2nd cited (copy enclosed), the commission issued orders for Constitution of Static Surveillance Team (SST) in each circle of the GHMC with one magistrate and three or four police personnel in each team to watch on movement of illicit liquor, items of bribe or large amount of cash arms and ammunition and also movement of anti social elements. In the said order

it was also specifically mentioned that, "the entire operation by SST shall be done in the presence of an Executive Magistrate and shall be videographed. No such checking shall take place without the presence of Executive Magistrate".

As of now the District Collector and few Revenue Officers are vested with the Magisterial powers. It may be difficult for Revenue Officers to reach the spot in case of emergencies during elections. Unless magisterial powers are conferred on an officer in the SSTs, the operation by the SST cannot be taken. It is therefore, necessary to confer Executive Magisterial powers on an officer in the SSTs in their respective jurisdictions to be appointed in the ensuing 3rd ordinary elections to GHMC from the date of issue of election notification to till the date of completion of election process.

The Commissioner & Special officer and Election Authority, Greater Hyderabad Municipal Corporation is advised to send proposals indicating the names of Officers who are to exercise Executive Magisterial powers in the SST along with their jurisdiction directly to the Government in Home department to confer Executive Magisterial powers on them.

In view of the above, I request you to confer the magisterial powers on officers of the SSTs to be appointed in the ensuing 3rd ordinary elections to GHMC as per the proposals submitted by the Commissioner & Spl. Officer and Election Authority, GHMC.

(This has the approval of the State Election Commissioner)

Yours faithfully,

CIRCULAR

Cir.No.1023/TSEC-L/2015 Date:04.12.2015

Sub:- TSEC – Elections – 3rd ordinary elections to GHMC, 2015-16 – Videography / Photography to record the critical events – Comprehensive instructions issued – Reg.

***

1. In order to have a true and faithful record of the violations of the Election Law, Model Code of Conduct and other instructions issued by the Commission, the State Election Commission directs that the Commissioner & special Officer and Election Authority, GHMC make arrangements to record the critical events through videography during the process of electioneering, including but not restricted to, the period of campaign, the day of poll, inside the polling stations, the receipt and storage of EVMs, as the case may be, counting of votes and the declaration of the results.
2. It is decided that, video cameras shall be provided to record critical events at the rate of 3 per each ward ie., 2 for the Returning officer and 1 for Zonal Officer. In addition to this, the General Observers and Expenditure Observers appointed by the State Election Commission shall be provided with one video camera each.
3. Keeping in view the size of the ward, the number of sensitive polling stations, previous history of election related violence and electoral malpractices, general law and order situation, likelihood of commission of corrupt practices and electoral offences, the Election Authority, GHMC shall decide on increase the number of videographers to be engaged during the campaign period and on the date of poll to record the critical events.
4. For this purpose, the Commissioner & special Officer and Election Authority, GHMC shall make use of video cameras and crew available with the governmental and semi-governmental organizations within their jurisdiction or hire local private professional videographers. While selecting the private videographers, care should be taken to select only professionally competent persons having no political bias or links.

5. Instructions on Selection of Videographers and their Deployment:- The following instructions are issued in the matter of selection of videographers and their deployment:-

5.1 The private videographers to be hired shall be screened thoroughly as to their professional competence, track record, financial viability and other related factors.

5.2 The videographers should not belong to any political party and should not be known sympathizers or supporters or close relatives of any of the contesting

candidates or any of the leaders of any political party or should not have been hired by any political party or contesting candidate.

5.3 The Deputy Commissioners, GHMC are required to provide tea, snacks food etc, to the videographers and they shall not be left to fend for themselves while on duty. It shall be ensured that the videographers DO NOT accept the hospitality of any contesting candidate or political party or their workers.

5.4 Video teams should be under the personal supervision and guidance of senior officers who has been entrusted election duty.

5.5 As and when required, the video teams may be asked to accompany the General Observers / Expenditure Observers so that all critical events observed by them may also be videotaped.

5.6 The videographers shall be impressed that the principle behind the scheme is to videograph the critical events only which are likely to vitiate the poll and not to just videotape all events in a routine manner in order to fill the cassette or CD.

6. The videographers, so engaged, shall be given proper briefing to enable them to record an independent and purposeful coverage of critical events relating to violation of election law and Model Code of Conduct. Particularly, the videography should be used as a tool of document and check the veracity of the election expenditure account being maintained by the contesting candidates. Thus, important public meetings, particularly those addressed by National / State level leaders of leading political parties, VIPs, rallies organised by supporters of contesting candidates, vehicles used etc can be recorded in videography and information gathered can be used to cross check the correctness of the expenditure account being maintained by the contesting candidates.

7.1 Important events such as nomination, scrutiny and withdrawal of candidatures.
7.2 Meeting addressed/attended by Ministers, top National/State level leaders of leading political parties.

7.13 Counting process.

Note: These are illustrative and not exhaustive. All video and digital photography should be done with the date and time recording so that the real time and date can be verified

8. The idea underlying the videography is to secure unimpeachable evidence in respect of acts amounting to violation of Model Code of Conduct that can be used by the police for prosecuting persons in respect of election offences. The videography may therefore be so utilized as to serve the above purpose in particular and other purposes in general.

9. The video films thus prepared shall be viewed by the the Commissioner & special Officer and Election Authority, GHMC and Deputy Commissioners, GHMCMunicipal Commissioners concerned immediately to identify whether any of the organizers / speakers or other participants of the public meeting has committed any violations or infraction of statutory provisions and directions of the Commission or provisions of Model Code of Conduct relating to the conduct of elections.

10. In cases where the Deputy Commissioners or the Commissioner & special Officer and Election Authority, GHMC whoever is competent, immediate corrective action shall be taken and the Commission be informed of the same.

11. In cases where these authorities feel that any critical event so recorded needs to be brought to the notice of the State Election Commission, copy of the video tapes / CDs should be sent to the State Election Commission by the quickest means possible. The tapes will be carefully indexed and accompanied by a brief explanatory note of the infringement towards which the attention of the Commission is proposed to be invited. The explanatory note shall invariably mention the broad details of the violations, the persons responsible for the same and the action recommended.

    Such videographic clippings are required to be shown to the Observer available to enable him to apprise the Commission of the situation prevailing in a particular Ward / ULB so that remedial measures, if any needed, can be taken promptly.

12. The CDs of such critical events videographed will serve as relevant pieces of evidence, if any of the rival candidates or political parties wishes to raise the question of any irregularity in the course of an election campaign before an appropriate authority. The Commission desires that at the time of elections adequate publicity may be given through all media of mass communication that the CDs of all critical events recorded by the election authorities would be available to anyone who intends to obtain a copy of the same. The Commissioner & special Officer and Election Authority, GHMC may fix a reasonable cost for the supply of these CDs having regard to the cost incurred in the preparation of copies of these CDs.

13. All such CDs should be very carefully preserved by them with appropriate labeling for easy retrieval when needed by the Commission or other election authorities, or for sale to the interested persons.

14. The Commission also directs that the accounts of election expenses submitted by the contesting candidates during the election, as prescribed in the TSEC Order No.392/TSEC-ULBs/2015, dt.21-07-2015 should be carefully examined by the Observers and the Deputy Commissioners. Wherever they observe, on such examination, that a CD containing the videography of any public meeting or procession etc., in relation to which the candidate has shown any expenditure in his aforesaid accounts statement, is available with them, the fact about the availability of such CD should also be prominently brought out in the notice which the Deputy Commissioners displays for general information giving the intimation about the above mentioned accounts having been filed before him.

CIRCULAR

Cir.No.1027/TSEC-L/2015 Date:08.12.2015

Sub:- TSEC–Elections – 3rd ordinary elections to GHMC, 2015-16 – Daily report on law and order situation in the jurisdiction of GHMC – Certain instructions issued – Regarding.

***

The State Election Commission by virtue of the powers vested under Sections 10 and 32 A GHMC Act, 1955 has, in the past, issued instructions to conduct peaceful, free and fair poll and maintenance of the law and order situation during such polls. In connection with the ensuing GHMC elections, the same are reiterated and issued in a consolidated form as under: -

2. The Commission being aware of the increasingly vicious role played by the criminality and muscle power at elections, has been directing a number of additional measures over and above the normal law and order arrangements, augmenting the prospects of peaceful, free and fair poll. These measures inter, alia include the deployment of Special Armed Police Forces to assist the law and order machinery in prevention of violence, orderly electioneering, prevention of defacing the public & private property, binding over the potential trouble creators, execution of pending NBWs regulation of vehicular traffic, regulation and ban on the sale of liquor in close proximity with the dates of poll and counting, seizure of illicit and unlicensed arms etc.

3. The Commission desires the Commissioner of Police, Hyderabad, Commissioner of Police, Cyberabad and Superintendent of Police, Medak and Ranga Reddy to undertake the following prophylactic measures immediately and report regularly the progress and effect of these measures in the context of holding a peaceful, free and fair election:

(a) A special drive should be launched to compile the list of such persons as are reported to have indulged in electoral offences like booth capturing, intimidation, impersonation in each police station of each and every ward during the past at least two elections and a list thus compiled may be shared with the concerned Returning Officer of each ward and the EA&C&SO, GHMC.

(b) A special drive should be launched to update the lists of history sheeters, declared absconders, fugitive criminals in each police station falling in each and every ward and record of such updated list be handed over to the Returning Officers concerned and the EA&C&SO, GHMC, so as to enable him to forward to the Commission if and when asked for

(c) A special drive should be launched to effect the service of all pending warrants and filing of challans in each police station of each and every ward and fortnightly updated constituency-wise information of unserved warrants be made available to the concerned Returning Officer and the EA&C&SO, GHMC, so as to enable him to forward to the Commission if and when asked for.

(d) A special drive should be launched to expedite the investigation and prosecution of all electoral offences registered in previous elections in each police station of each and every ward and a fortnightly report made available to the concerned Dy. Commissioner and Returning Officer by the concerned Dy. Commissioner of Police. A copy of the same may also be extended to the EA&C&SO, GHMC, so as to enable him to forward to the Commission if and when asked for.

(e) A special drive should be launched to unearth illicit liquor making factories and information about seizures made available to the concerned Dy. Commissioner and Returning Officer by the concerned Dy. Commissioner of Police for every week. All restrictions provided in excise law on the storage of liquor in unlicensed premises shall be vigorously enforced. Section 610-A of GHMC Act, 1955, provides that no spirituous, fermented or intoxicating liquors or other substances of like nature shall be sold, given or distributed at a hotel, eating house, tavern, shop or any other place, private or public, within a polling area during the period of 48 hours ending with the hour fixed for conclusion of poll for any election in the polling area. Therefore 'Dry Day' shall be declared and notified under relevant state laws for the stipulated period for the poll areas. The day on which counting of votes is to be taken up, shall also be declared 'Dry Day'.

(f) Prohibitory orders under section 144 of the Criminal Procedure Code, 1973 shall be issued banning the carrying of licensed arms as soon as an election is announced and should be effective till the declaration of results.

(g) The Commissioner of Police, Hyderabad, Commissioner of Police, Cyberabad and Superintendent of Police, Medak and Ranga Reddy should conduct a 100% scrutiny of licenses of arms and ammunition shops with a view to ensuring that the records of their stocks are kept up-to-date and that their antecedents, recent involvement in irregularities, if any, and political leanings, if any, warrant a close super checking and monitoring of their business during the days of active electioneering.

(h) Issue of license for arms will be totally prohibited in the jurisdiction of GHMC during the period commencing with the date of announcement of elections. This ban will continue to be operative till the completion of the election process.

(i) A special drive should be launched to unearth and seize unlicensed arms and ammunition. A very thorough search and seizure by the concerned Dy. Commissioner of Police of unlicensed arms and places of indigenous manufacture of arms and ammunition shall be carried out and persons involved shall be arrested. While unearthing and seizure of unlicensed weapons is a normal ongoing

responsibility of the police, it shall be intensified during the election period. Inter-district and intra-district movements of trucks and commercial vehicles shall be strictly checked with a view to preventing smuggling of arms and ammunition and anti-social elements.

(j) Immediately after the announcement of elections, the Commissioner of Police, Hyderabad, Commissioner of Police, Cyberabad and Superintendent of Police, Medak and Ranga Reddy shall make a detailed and individual review and assessment (in accordance with the prevalent laws) of all license holders so that licensed arms in those cases where they consider it essential are impounded in order to ensure maintenance of law and order so essential for ensuring free and fair elections. These arms should be deposited with the district authorities. Among cases which may need to be reviewed are the following:

(a) Arms licenses of persons released on bail,
(b) Arms licenses of persons having a history of criminal offences, and
(c) Arms licenses of persons previously involved in rioting at any time but especially during the election period. (The above categories are only illustrative and not exhaustive)

(k) After such review, all such license-holders who are identified, shall be directed to deposit their arms with the District Administration during the period of one week from the last date for withdrawal of candidatures.

(l) The District Administration shall make foolproof arrangements for keeping the deposited firearms in safe custody. Proper receipt must be given to the license holders depositing the firearms. It shall be the bounden duty of the District Administration to ensure that all firearms deposited with the Administration are returned to the license holders promptly one week after the declaration of results.

(m) The sportsmen who are the members of National Rifle Association, at different levels, require to participate in various sporting events and the Commission has, therefore ordered that they will be exempted from these restrictions. This ban shall, also not be applicable to those communities who are entitled to display weapons by long standing law, custom and usage. This shall, however, not prevent the District Administration to impound weapons of any person, even from such communities, if they are found to be indulging in violence or posing a threat to the maintenance of law and order and peaceful conduct of elections. In such cases too, the seized firearms shall remain impounded till one week after the declaration of results.

(n) Strict vigil shall be maintained by thorough checking of lorries, light vehicles and all other vehicles from three days before the date of poll to ensure that no undesirable elements or arms and ammunition are being transported into the jurisdiction of GHMC from outside and to apprehend them if they are doing so. Such checking of vehicles shall continue till the completion of the counting of votes and the declaration of results. As and when such culprits are apprehended, the arms and ammunition and vehicles concerned shall be confiscated as per the law.

(o) The EA &C&SO, GHMC shall arrange for compilation of daily law & order report for each district in format prescribed in the proforma (Form-II annexed) and for it's transmission to the Secretary, State Election Commission. The State Election Commission will notify elections to Greater Hyderabad Municipal Corporation shortly.

Section 610A of the Greater Hyderabad Municipal Corporation Act, 1955, stipulates that, liquor shops shall be closed within the polling areas during the period of 48 hours prior to the hour fixed for conclusion of poll in Municipal Corporation elections and also on the counting day.

Further, bribing the voters by offering liquor to gain unfair edge is an election offence under Sec. 171-B and 171-E of IPC and also a corrupt practice under Sec. 17(1) of Greater Hyderabad Municipal Corporation Act, 1955.

The State Election Commission is of the view that, in order to conduct elections to Greater Hyderabad Municipal Corporation (to be notified shortly) in a free, fair and peaceful manner, it has to exercise all the powers within its reach to control the flow of liquor which is widely used as an inducement to garner votes illegally.

Keeping all these factors in view and in order to hold elections to Greater Hyderabad Municipal Corporation (GHMC) in a free, fair and peaceful environment, the State Election Commission in exercise of the powers conferred on it under Articles 243K and 243ZA of the Constitution of India, hereby, issues the following instructions to curb the role of liquor in the elections to Greater Hyderabad Municipal Corporation.

For effective checking of the vehicles, assistance of transport department may be obtained and joint checking of vehicles by excise and transport officers may be carried out.
9. Co-ordination among the Excise Department officials of the GHMC area and also districts bordering the GHMC area is essential for monitoring movement of IMFL, Beer and Country Liquor.

It was unambiguously made clear by a Constitutional Bench of the Hon'ble Supreme Court of India in its judgment dated 19.10.2006 in Kishan Singh Tomar vs Municipal Corporation of the city of Ahmedabad that, the Election Commission of India constituted under Article 324 of the Constitution of India and the State Election Commission constituted under Article 243 K and 243ZA of the Constitution of India

4. Stock limits of Licensed Stockists should not be allowed to exceed permissible limits. All the major stock points should be kept under close surveillance for round the clock check.
5. Daily receipt and off take of retail sellers in GHMC area should be closely monitored.

In the reference 1st cited, the State Election Commission issued Notification for conduct of 3rd Ordinary Elections to (150) Wards of Greater Hyderabad Municipal Corporation. As per the Election schedule the poll was held on 02.02.2016 from 7:00 AM to 5:00 PM.

In the reference 2nd cited, it was alleged that, Sri Mohammed Ghouse, INC contesting from Ward No. 52 – Puranapool was arrested and requested the commission to instruct the police commissioner to release him immediately and the same was sent to the CP, Hyderabad for taking necessary action.

In the reference 3rd cited, it is alleged among others that, Sri Mohammed Ghouse contesting candidate of INC Party from Ward No. 52-Puranapool was arrested by Police and prevented him from observing the poll process in his Ward and subsequently, violence took place and tension was prevailed.

In the reference 4th , 5th and 6th cited, the Commissioner & Spl. Officer and Election Authority, GHMC, Observers concerned and Commissioner of Police, Hyderabad were requested to enquire into the said allegations and send a report to the Commission so as to take further necessary action in the matter.

In the reference 7th cited, Sri M. Jagadeeshwer, Observer for Circle-5 of GHMC in whose jurisdiction, the Ward No. 52-Puranapool falls, has given a report, stating that, during polling hours some incidents occurred outside the polling stations. Further, he enclosed a report of the Returning Officer of Ward No. 52-Puranapool Ward which states as follows:

"I have monitored the polling process throughout the poll day on 02.02.2016 and I have also verified the Presiding Officers diary of all the polling stations. In none of the polling stations, booth capturing or rigging was reported as alleged. Incidents took place if any out of the polling stations have no impact on polling stations. There is no need for any repoll in any of the polling stations of 52 – Puranapool".

In the reference 8th cited, the Commissioner of Police, Hyderabad has given report stating that, there was a clash between, Mr. Md. Ghouse the contesting candidate from 52-Puranapool Ward and Sri Ahmad Pasha Quadri, MLA of Charminar Assembly Constituency. The Police took both of them into custody at about 2.30 PM. Later Mr. Ghouse, contesting candidate was let off at 4.00 PM, on the same day with a shadow party. He has also enclosed a copy of the list of cases registered on poll day i.e, 02.02.2016

Critical examination of the poll percentage recorded at bi-hourly intervals from 7.00 A.M. onwards revealed that the same accelerated from 8.51% in the first period to 11.7% in the 2nd period and to 14% in the 3rd period drastically falling down to 9.91 % between 1.00 P.M. to 3.00 P.M. Finally raising slightly to 10% during the final two hours.

All the daily newspapers in Hyderabad have reported about the violent incidents that occurred in front of Mir Chowk Police Station, Hyderabad city, wherein it is alleged that the local M.P. Sri Mohd. AsaduddinOwaisi along with his large number of followers attacked the TPCC President and MLA Sri Uttam Kumar Reddy and Sri Md.Shabbir Ali, MLC and Leader of Congress Party in the Legislative Council. Eenadu, Sakshi, Andhra Jyothi, Times of India, The Hindu, dt.3.3.2016 speak about these incidents. The Observer for Circle-4A Sri Illambarthi, I.A.S. reported about the incident in front of Mir Chowk Police Station that resulted in traffic congestion there for about an hour.

The particular combination of a series of the following incidents lends support to the complaints of serious poll irregularities in the election to the 52-Puranapul ward of GHMC amounting to coercing or intimidating or threatening directly or indirectly threatening any elector and preventing him from going to the polling station or a place fixed for the poll to cast his vote:

(1) Taking into custody of the contesting candidate Sri Mohd.Ghouse of 52-Puranapul Constituency of INC party in the afternoon of the poll day, on the grounds of nuisance.

(2) Movement of Sri Asaduddin Owaisi along with his followers in the old city area during poll hours threatening, attacking opponents as shown by the incidents.

(i) Threatening of Sri Mohammed Mubashiruddin Khurram, Staff Reporter, Siyasat newspaper at 1405 hours at Chatta Bazar as reported in the letter of Commissioner of Police letter No.L&O/M4/GHMC.ele/3811/2016, dt.03.02.2016

(ii) Attack on Sri Uttam Kumar Reddy and Sri Shabbir Ali who went to Mir Chowk Police station with a view to obtain the release of Sri Mohd. Ghouse, the Contesting Candidate of INC in 52-Puranapul Ward Constituency (Source: report of Commissioner of Police dated 03.02.2016).

(3) The serious fall in the poll percentage in the elections to Puranapul ward as shown below:

1. 7.00 A.M. to 9.00 A.M. - 8.51%
2. 9.00 A.M. to 11.00 A.M.- 11.7%
3. 11.00 A.M. to 1.00 P.M.- 14%
4. 1.00 P.M. to 3.00 P.M. - 9.91%
5. 3.00 P.M. to 5.00 P.M. - 10%

All the above incidents give support to the contention that the functionaries of AIMIM were exerting undue influence even though if they are beyond 100 meters to polling stations but still can be held responsible for the drastic fall in the polling percentage in 52-Puranapul Ward Constituency noticed after 1.00 P.M.

After taking all the material circumstances into account, the Commission is satisfied that, the poll process is vitiated under Section 607-C (c) of GHMC Act, 1955 and accordingly, in exercise of the powers under 243-K and 243-ZA read with Section 9 and 10 of GHMC Act and Rule 91 of Rules relating to Conduct of Election of Members of Municipal Corporations, 2005, declares the poll taken on 02.02.2016 in all 36 polling stations of Ward No. 52-Puranpool of Circle-5 of GHMC is void and consequentially, in partial modification of the schedule issued in the reference 1st cited, orders that, a fresh poll shall be taken up in all the polling stations of Ward No. 52-Puranpool on 05.02.2016 from 7:00 AM to 5:00 PM duly following the procedure prescribed under GHMC Act, 1955 and Telangana Municipal Corporation (Conduct of Election of Members) Rules, 2005.

The Commissioner & Spl. Officer &Election Authority, GHMC and Returning Officer of Ward No. 52-Puranpool shall give effect to above orders, give wide publicity in the polling areas of 36 polling stations of Ward No. 52-Puranapool of GHMC and also through print and electronic media and to inform, the contesting

candidates or their election agents in writing duly obtaining acknowledgments from them for record.

Further, the Returning Officer shall also affix a notice on his notice board notifying the date and hours of fresh poll ordered. The Returning Officer shall also announce the fresh poll by beat of drum or otherwise in the polling area concerned about the place, date and hours of fresh poll of 36 polling stations of Ward No. 52- Puranapool.

Cir.No.454/TSEC-ULBs/2015 Dated:14.07.2015

Sub:- TSEC - Elections to Urban Local Bodies – Counting of votes – Randomization of Counting Personnel, Appointment of Additional Counting Supervisors, Role of observers, Instructions on Counting of Postal Ballots, Tabulation work of results through Computers, Security arrangements at the Counting Centres, Facilities for Observers at Counting Centres, Set up of Media Centres and issue of Media Passes (Authority letters), Arrangements for announcement of counting trends and results – Security arrangements & Video coverage etc. – Comprehensive instructions - Issued – Reg.

***

Generally the counting of votes in a urban local body is made under the control of Returning Officer / Election Officer of the concerned ward under the over-all supervision of the Election Authority of the concerned urban local body. The Observer appointed by the Commission and Collector & DEA shall oversee the counting process.

Detailed instructions were issued in the hand book for Returning Officers in respect of Municipal Corporations and hand book for Election Officers in respect of Municipalities & Nagar Panchayats on arrangements to be made for counting of votes and the same be perused. Further, the following instructions, most of them already covered in the said hand books are highlighted for strict compliance.

I. Randomization of Counting Personnel:-

1. Normally one counting supervisor and one counting assistant are appointed for each table duly maintaining 20% reserve. Further, the Commission decided to deploy one Additional Counting Supervisor for each table whose functions are explained later in this circular. The posting of Counting Supervisors, Counting Assistants and Additional Counting Supervisors in each Municipal body for each counting table must be done randomly by the Observer / Retuning Officer / Election Officer / Commissioner of the Municipal Corporation.

2. The Collector & DEA / Returning Officer / Election Officer must keep a pool of well trained officials available for counting purposes depending upon the number of counting halls and counting tables and appointment of such personnel shall be made well in advance duly maintaining 20% Reserve pool. Necessary arrangements shall be made to issue photo-identity cards to all

counting personnel. The counting personnel shall be directed to reach the counting centre by 6.00 am on the date of counting. These officials would not be allotted the ward or the Table number in advance and it can only be allotted after randomization carried out on the day of counting as explained in the following paras.

3. The Observers appointed to oversee the counting process, the Commissioners / Municipal Commissioners of the urban local body and Returning Officer would assemble at one place for carrying out the randomization at 5.00 am on the day of counting. This place may be Counting Centre or any other office where the process can be conveniently carried out. The list of counting personnel appointed would be provided to the Observers. There would be three lists, 1st of Counting Supervisors, 2nd of Counting Assistants and 3rd of additional counting supervisors and each counting official would be assigned a unique serial number which would be so labeled as to indicate clearly the category to which he belongs i.e. whether he is a Counting Supervisor or a Counting Assistant or an Additional Counting Supervisor.

4. The randomization would be carried out either manually or by using a computer. For manual randomization, the Observer appointed to oversee the counting process would randomly assign the ward and the table number to the counting officials by the draw of lots. This has to be done with the three lists of the 3 categories of counting personnel as mentioned above separately and independently so that for each of the tables the name of one Counting Supervisor, one Counting Assistant and one Additional Counting Supervisor is generated. The Observer / Returning Officer / Election Officer and other senior officials of urban local body would make all prior arrangements to ensure quick and smooth conduct of this randomization process. This would include preparing chits of the unique serial numbers assigned to counting officials.

5. Alternatively, arrangements can be made for carrying out the above mentioned randomization with the aid of a computer. However, before using a computer aided method, the Observers must fully satisfy themselves that the process is free from all errors and that it truly generates the results in a random manner.

6. The Observer / Returning Officer / Election Officer would ensure that Videography of the process of randomization is carried out for record.

7. To illustrate randomization by a practical example, let us assume that an urban local body has 30 wards, and 10 counting tables arranged for counting. Then 12 Counting Supervisors, 12 Counting Assistants and 12 additional Counting Supervisors (all including 20% reserve) would be required. These many officials would have been already trained and given unique numbers while issuing the duty orders. On the date of counting at 5.00 am, these 12 numbers each of Counting Supervisors, Counting Assistants and additional counting supervisors written on individual slips, would be kept in three separate boxes. The Observer, in the presence of Retuning Officer / Election

Officer would start the randomization process for each counting table randomly picking up one slip each from the three boxes. The Counting Supervisor, Counting Assistant and additional Counting Supervisors so picked up on the first set of draws would be assigned to table No.1 in that urban local body. This would continue in a similar way till each of the 10 tables are assigned one Counting Supervisor, one Counting Assistant and one additional Counting supervisors. The same process would then be repeated for other counting halls in a similar manner, if more than one counting halls are arranged at a counting centre in an urban local body. The officials who are left at the end of this exercise would be treated as reserve pool.

8. Once the randomization process is over, the ward-wise & counting hall wise posting lists, shall be signed by the Observer and the Commissioner of the concerned Municipal Corporation / Returning Officer / Election Officer.

9. The counting personnel on reaching the control room at the counting centre would be provided the posting orders and be directed to reach their respective counting tables.

10. It must be ensured that the whole process of randomization is over by 6:00 am so that the counting personnel are able to reach their assigned position conveniently before the scheduled start of the counting process.

    The personnel who have not been assigned any table would form a reserved pool.

11. There would be no deployment of personnel in shifts as the counting process would normally not take more than 4 to 6 hours. However, the Commissioners of all Municipal Corporations / Returning Officers / Election Officers and Observers would have the liberty of replacing officials in case such an exigency arises, but this replacement would also be done randomly from the pool of officials in reserve after consulting the Observer of the wards concerned.

II. Appointment of Additional Counting Supervisors :-

In order to avoid any untoward incident on the day of counting in the counting hall, the Commission intends to appoint one Additional Counting Supervisor, for each table in addition to the counting Supervisor and Counting Assistant appointed for each table on the day of counting. The functions of Addl. Counting Supervisors are as detailed.

1. Apart from one Counting Supervisor and one Counting Assistant for each counting Table, one Additional Counting Supervisor who should preferably a Gazetted Officer, would be seated in each of the counting tables. The Additional Counting Supervisor will simultaneously note down the details of votes exhibited by the EVMs being counted in each round on that Table, who will be provided with a pre-printed statement on which there will be space for noting down the name of the urban local body, ward No. CU No., Round No., Table No., Polling Station Number and thereafter the names of all the

contesting candidates as they appear in the ballot paper (The proforma enclosed). The Additional Counting Supervisor will put his signature at the end of the statement and shall hand over the statement separately to the Observers and Returning Officer/ Election Officer after each round.

2. The Observer / Returning Officer/ Election Officer will cross-check the figures noted in Part-II of Form XXXVI in case of Municipal Corporations and in Form XXIII in case of Municipalities & Nagar Panchayats as submitted by the Counting staff with the additional statement submitted by the Additional Counting Supervisor.
3. The Additional Counting Supervisor will be given brief orientation training before being deployed at the counting centre as above. He will also be provided an ID Card by the Observer / Returning Officer / Election Officer.

III. Role of Observers:-

Section 617-D of GHMC Act, 1955 and Section 343 ZE of APM Act, 1965 enable the Commission to nominate an Observer who shall be an officer of Government to watch the conduct of election or elections in a ward or a group of wards or for a Municipality or a group of Municipalities and to perform such other functions as may be entrusted to him by the Commission in relation thereto. Hence, the Commission issues the following guidelines in the matter:-

1. During the course of counting, the Observers shall keep oscillating between counting tables and closely observe the counting process of wards allotted to them.

2. The Observers would continuously maintain their presence in the counting hall and periodically inspect the counting tables to ensure that counting is going on according to the instructions of the Commission in a transparent and systematic way.

3. Cross-checking by the Observers at random by the officers:-

At the closure of each round of counting, the Observer would randomly select any one EVM control unit from amongst the Control Units of the concerned round which have been counted. He would then direct the counting staff specifically deployed for this purpose, one Counting Supervisor and one Counting Assistant by the Returning Officer / Election Officer through random selection from the Reserve pool, to independently note down from the Control Unit selected, the details of the votes polled as indicated by the machine. These details, he would then compare with the details provided by the counting supervisor and additional counting supervisors in the table-wise result to check for any discrepancy among the three. Care must be taken that the staff assigned for random checking are not aware of the details provided in the table-wise result.

4. The Commissioner of concerned Municipal Corporation / Returning Officer / Election Officer would ensure that there is a separate and sufficient space

earmarked in the same counting hall for this random cross-checking made by the Observer so that the normal counting of votes for subsequent rounds continues without any hindrance.

5. The staff to assist the Observer for this cross-checking would be randomly selected from the reserved pool. If required, after a few rounds, fresh staff from the reserved pool should replace this staff.

6. The Observers would ensure that this exercise is carried out in each round and the selection of the control unit is absolutely random.

7. If any discrepancy is found between the result obtained from the counting Supervisors and additional counting Supervisors of the table and that ascertained through the random checking by the Observer as mentioned above, then:

(i) The result of that round for each table shall be re-verified from the EVMs.

(ii) Such staff as is found to be wrongly noted the counting result would be taken off and replaced by another set of staff. Severe disciplinary action should then follow on the erring staff for their omissions and commissions.

(iii) The result provided by such staff (and table) in the preceding rounds would be checked again in the presence of the Observer and corrected sheets prepared wherever necessary.

8. The counting officials as well as candidates and their counting agents would be informed about this provision of random cross-checking to be carried out by the Observers. It would also be informed to the counting personnel that any discrepancy found during this randomized cross-checking, would be viewed seriously by the Commission and could result in serious disciplinary action and prosecution of the responsible officials.

9. Sub-section (2) of Section 617 D of GHMC Act, 1955 / sub-section (2) of Section 343 ZE of APM Act, 1965 vested powers with the Observer nominated to direct the Returning Officer / Election Officer for the ward or for any of the wards for which he has been nominated, to stop the counting of votes at any time before the declaration of the result or not to declare the result if, in the opinion of the Observer, booth capturing has taken place at a large number of polling stations or at places fixed for the poll or counting of votes or any EVMs used at a polling station or at a place fixed for the poll are unlawfully taken out of the custody of the Returning Officer or are accidentally or intentionally destroyed or lost or are damaged or tampered with to such an extent that the result of the poll at that polling station or place cannot be ascertained.

10. Where an Observer has directed the Returning Officer / Election Officer under the above provisions to stop counting of votes or not to declare the result, the Observer shall forthwith report the matter to the Election Commission and thereupon the State Election Commission shall, after taking all material circumstances into account, issue appropriate directions under Section 59 A or under Section 63 A or Section 65 of GHMC Act, 1955 in case of Municipal Corporations and Section 343 W or Section 343 X in case of Municipalities and Nagar Panchayats.

11. When the Observers nominated by the Election Commission and deployed in the concerned wards during the counting process directed to stop the counting process at any time before the declaration of result or directed the Returning Officer / Election Officer not to declare the result under different circumstances as envisaged in the law, then the Election Authority / District Election Authority / Commissioner of Municipal Corporation / Retuning Officer / Election Officer are required to send a detailed report immediately on such cases to the Commission either jointly or separately seeking appropriate orders.

12. The Observers, in their final report after the counting, would specifically mention that the randomization of personnel and the random checking of Control Unit details were carried out as per the instructions of the Commission.

IV. Instructions on Counting of Postal Ballots:-

1. On the counting day, the postal ballot counting will be taken up first and after 30 minutes of the commencement of Postal Ballot counting, the process of counting on EVM can start.
2. There should be a separate table and separate arrangement for the counting of postal ballots. The candidate/their election agent shall be advised to nominate a separate counting agent and he may remain present near the table where the postal ballot counting taking place.

3. The Assistant Returning Officer / Assistant Election Officer shall be dedicated to handle the postal ballot counting. The Returning Officer / Election Officer should closely monitor the progress made in postal ballot counting.

4. Before finalizing the tally of postal ballot counting, the Returning Officer / Election Officer should personally verify whether the postal ballots considered invalid and rejected have been verified properly before being rejected and should satisfy himself about such rejection. He should also personally verify the candidate-wise tally. Objection, if any, raised by an agent of any candidate should be properly looked into then and there so that there is no further scope for any complaint.

5. Under no circumstances, the results of the EVM counting should be announced before finalizing the postal ballot counting.

6. In case, the victory is being decided only on account of postal ballot counting there should be a mandatory re-verification. In the presence of Returning Officer, all the postal ballot papers rejected as invalid as well as the votes counted in favour of each and every candidate shall be once again be verified and tallied. The Returning Officer shall record the findings of the re-verification and satisfy himself/herself before finalizing the result.
7. Whenever such re-verification/recounting is done, the entire proceeding should be video-graphed without compromising the secrecy of ballot and the video-cassette/CD should be sealed in a separate envelope for future reference.

V. Counting of Votes:

1) In a typical ULB where number of polling stations per ward are limited i.e., up to 15, the counting of votes of all the polling stations in a ward shall be undertaken on only one counting table. The 1st Ward has to be assigned to 1st counting table and 2nd Ward to 2nd counting table and so on depending on the number of tables that are set up in a counting hall. Serial order of the polling stations in a particular ward may be maintained while counting at the assigned table. This arrangement is suitable for ward constituencies as the contesting candidates need not set up multiple counting agents for more than one table. However, in large ULB such as GHMC where there can be more than 30 Polling Stations in each ward, more number of tables than one may be set up for each ward.

2) If the number of tables available is less than the total number of wards in an urban local body, after completion of counting of votes of a ward on a table, another ward can be taken up for counting on that table.

3) The wards allotted to a particular table may be announced in advance so that the counting agents can go to the area allotted for the seating.

VI. Tabulation work of results through Computers:-

A computer will be installed in the Counting Hall where parallel tabulation work will be done in an Excel Sheet to counter check any human error. This data entry will be done Table-wise, Polling station-wise and Round-wise. Even though computer tabulation will not substitute the manual tabulation being done for obtaining final result of the counting of votes, the Computer based parallel tabulation / totaling will be helpful as a double check on the accuracy of manual tabulation.

The Returning Officer / Election Officer to appoint one assistant to keep a watch over the data entry in the Computer placed in the counting hall for compilation of votes recorded for each candidate in consultation with Observer.

VII. Security arrangements at the Counting Centres:-

1. Proper barricading shall be made inside each counting hall. The counting tables shall be placed against the barricade of woodblock and wire-mesh behind which the counting agents of candidates shall sit/ stand. The agents

shall not have physical access to the EVM, but must be able to clearly see and note the contents on the monitor / EVM display panel.

2. The Collector & DEA shall make arrangements for uninterrupted power supply on the date of counting at the counting centres.

3. Fool-proof security arrangements shall be made at the counting centres in consultation with the Superintendent of Police / Commissioner of Police.

4. Three tier cordoning system should be set up in all counting centres to prevent the entry of unauthorized persons inside the counting centres. No counting agent without proper identity card having the photograph, duly displayed on its person, shall be allowed to cross the first cordon of the counting centre. Similarly, the identity of all candidates, their election agents and of all the counting staff shall also be thoroughly verified with reference to their identity cards at the first cordon itself. A senior Executive Magistrate / Tahsildar shall be posted at the entrance to regulate entry.

5. Before allowing the entry of the candidates, their agents and other officials whose identities have been established by means of identity card to the second cordon, proper frisking should be made by the security personnel. The frisking shall be done by State police force personnel only. Women shall be frisked only by women police personnel/women Home Guards. There should be no further frisking.

2. The number of this telephone will be obtained from the Telephone authorities at least 15 days ahead of the counting and made known to the Commission.

IX. Set up of Media Centres and issue of Media Passes (Authority letters):-

1. Media centres have to be set up at each Counting Centre. As far as possible, a separate room of adequate size should be set apart for these centres and reasonable facilities like telephone, fax, data communication network etc have to be provided. One Senior Officer may be deployed exclusively to be in charge of the Media Centre who is capable of managing this function. For this purpose DEAs in consultation with the Public Relation Officer of the District concerned, may select suitable officers. The Officer in charge of Media Centre allows limited coverage of counting centres in short spells by manageable audio/visual groups. Use of Mobile phones and other communication equipment shall be allowed from the media centre. Mobile phones shall not be used from anywhere else within the counting campus. Nobody, except Observer/ Additional Counting Observer, shall be allowed to carry mobile phone inside the counting hall. 4. Media Passes (Authority letters) shall contain the photographs of the Media Persons.

5. Commission also authorizes the Collectors & DEAs to issue not more than two passes to each newspaper & media unit in each Municipality/Municipal Corporation (1 pass for each person) for coverage of the counting process from outside the counting centre.

6. The media persons holding such passes are required to display them on their person on the day of counting.

7. The media passes (Authority Letters) issued to media persons to be allowed inside the Counting Centres should be distinguishable from the Media Passes given to media persons for coverage from outside the Counting Centres.

8. The holders of the authority letters, while covering the counting process, can and should be allowed to come out of the counting hall(s) if they so desire, during the counting. They should also be allowed to re-enter on the basis of the very same authority letters. All entry at all times however, is subject to the overall requirement of maintenance of law and order, proper decorum and the conduct of peaceful counting.

9 It may also be noted that no static (fixed) camera – still or video of the media is allowed inside any counting hall. No camera stand should thereof be allowed to be taken inside counting halls. Further, while taking audio visual coverage of the counting process with camera carried in hand or on shoulders, under no circumstances, the actual votes recorded on an individual EVM is to be photographed or covered by audio visual coverage. The video coverage shall include the process of opening of strong room, transfer of EVMs from strong room to counting hall, counting of postal ballots, counting arrangements, process of counting in general in the counting hall and process of tabulation in general at the Returning Officer's / Election Officers table,

process of random checking by the Observers, security arrangements in and outside the counting hall / centre, presence of candidates and their agents in the counting centres, the process of declaration of result, handing over of certificate of return and any other significant events that take place at any point of time during the counting process. TELANGANA STATE ELECTION COMMISSION
5th Floor, DTCP Building, Opp: PTI Building, A.C. Guards, Hyderabad – 500 004.

ENDORSEMENT

On the day of counting on 05.02.2016, after declaration of results of Ward No.142-Addagutta, at about 7.45 PM, a complaint was received in the Commission from Smt. G. Bhanupriya and others, alleging that –

1. There are discrepancies in the counting of votes in Polling Station No. 24 of Ward No. 142-Addagutta of Circle-18.
2. There are no seals for one Control Unit.
3. All the EVMs are tampered.
4. When they raised the above said allegations they were sent out
5. Without their presence, the Counting of the remaining rounds were completed and results was declared.

Immediately, the said complaint was sent to the Elections Authority, General Observer and Returning Officer concerned and ECIL to enquire and send a factual report to the Commission. After compiling the reports furnished by them, it reveals that, there was a technical problem resulting in an erroneous display in the EVM. The ECIL technicians present observed that EVM display was inconsistent, as the last option, they have taken printout of the result of the EVM of Polling Station No. 24 in the presence of General Observer and candidates. The printed figure did not have discrepancies and the total votes polled tallied with sub totals and the counting agents at the table concerned were also satisfied. Further, the winning candidate has a lead of 14714 votes, which is much higher than the total number of 566 votes in that particular polling station. Considering all the factors the Returning Officer has declared the result of the election at 6.30 PM. This was the only incident of display error out of the number of EVMs used not only in the Ward No. 142-Addagutta of Circle-18, but amongst all the 7802 EVMs used in the GHMC Election, 2016 on 02.02.2016 The ECIL authorities have further certified that all the EVMs manufactured by them are tamper proof.

The ECI had also issued instructions on action to be taken in case of malfunctioning of Electronic Voting Machines during counting of votes as: in case it is not possible to retrieve the result from the malfunctioned machine even by using ADU,

then the Returning Officer should try to retrieve the result form the machine by taking a print out of the result with the help of engineers of ECIL. If the result can be retrieved by using a printer, the result of the election can be declared accordingly. In such a case, also the Returning Officer and Observer should send a detailed report to the Commission.

After examining the reports of the Returning Officer, Election Authority, General Observer and the Sr. DGM, ECIL, the State Election Commission finds that the course of action followed by the Returning Officer is confirming to the instructions of ECI. Hence, the allegation No. 1 is denied.

Regarding other allegations it is reported by the Returning Officer that –

2. All the seals were intact to all control units and no such issue was raised in the counting hall either by the contesting candidates or their counting agents. It is also evident from Videos and webcasting footage. Hence denied.
3. The allegation of tampering of EVMs is not correct as fully security measures were adopted from the stage of polling, handing over of polled materials in the reception center and finally the counting center. EVMs which were sealed in the presence of polling agents on 02.02.2016 were opened only in the counting centers with their seals intact. There was round the clock security at the strong rooms where EVMs were stored.

To preclude any chance of interference, the following safety measures were taken before use of EVMs in the election to ensure error free functioning of each machine at the time of poll:

Step (1) Initially, the First Level Check was conducted on all EVMs by the ECIL Engineers in the presence of an Officer authorized by the Election Authority. Only the EVMs in good condition as certified by the ECIL Engineer and Officer Authorized were used in the GHMC elections, 2016.

Step-(2) Only the EVMs in good condition were allotted to Constituencies/Wards by way of Randomization in the presence of General Observers appointed by SEC and Representatives of recognized political parties.

Step-(3) After finalization of the contesting candidates, the Commission of EVMs has taken place in the presence of contesting candidates / their election agents. The functioning of EVMs was fully tested in all ways in the presence of contesting candidates.

Step-(4) The Commissioned EVMs were allotted to the polling stations by way of randomization within the Ward in the presence of Observer appointed by the SEC.

Step-(5) On the day of poll and before commencement of the poll, the mock polls were conducted in all the 7802polling stations in the presence of polling agents of the contesting candidates by casting votes in favour of all contesting candidates fully noting and establishing the result of the mock poll. There are satisfactory reports in case of all the EVMs/polling stations that went to poll/re-poll.

Step-(6) At the end of the poll, the EVMs were sealed in the presence of candidates / polling agents.

Step-(7) On the day of counting, all the seals on Control Unit were shown to the counting agents of all contesting candidates. The candidate-wise votes polled were shown to the Counting Agents and only on satisfaction the Candidate-wise votes polled were entered in the result sheet duly obtaining the signatures of the Counting Agents on proof of their satisfaction in the functioning of the EVMs.

Step-(8) After the counting process, all the EVMs are once again sealed by the Returning Officers in the presence of candidates / counting agents present, before handing over to the Election Authority for safe storage. All the EVMs and other statutory materials are stored securely in the godown of GHMC and would be produced before competent court in case of any election petition.

4 & 5. The allegation that they were sent out and counting continued without counting agents is not correct as they went out voluntary after signing the 4th round result sheet.

The remaining contesting candidates/counting agents were present in the hall till completion of counting process and declaration of results and the entire counting process went on under the strict video coverage and web casting.

Under these circumstances and also in the context of the situation where the result of the election had already been declared at 6.30 PM, considering the request of Smt. G. Bhanu Priya and other contesting candidates of 142-Addagutta Ward is found to be baseless, hence the re-poll was not considered. Further, the SEC has no role to play once the result of the election is already declared by the Returning Officer concerned.

Hence, endorsed accordingly.

No.981/TSEC-ULBs/2015 Date:30.11.2015

Ref:- G.O.Ms.No.762, MA & UD (Elections II) Dept., dated 19.8.2005.

Under section 90(1) of the Greater Hyderabad Municipal Corporation (GHMC) Act, 1955 read with section 14 of Telengana Municipal Corporations Act, 1994, for every Municipal Corporation, there shall be one Mayor and one Dy Mayor, who shall be elected by directly elected Ward members and Ex officio members referred in sub section (1-A) of section 5 of GHMC Act (MPs, MLAs and MLCs) from among the directly elected Ward Members by show of hands duly obeying the party whip given by such functionary of the recognized political party, as may be prescribed. If a member votes in disobedience of party whip in the election to the said offices, he shall cease to hold office in the manner prescribed.

In the reference cited, the state government issued, Telangana Municipal Corporations (Conduct of Election of Mayor and Dy Mayor) Rules, 2005.

The State Election Commission will issue Notification for conduct of indirect elections to the offices of Mayor and Deputy Mayor of Municipal Corporations for which ordinary elections are held.

The following procedural instructions are issued with regard to holding of Special Meeting for conduct of elections to the said offices and other matters relating thereto.

I.GENERAL:

(a) Any reference to 'Act' in this circular shall be construed as a reference to the Greater Hyderabad Municipal Corporation Act 1955 and any reference to 'Rules' in this circular shall be construed as reference to Telangana Municipal Corporations (Conduct of Election of Mayor and Deputy Mayor) Rules, 2005 rules issued in G.O.Ms.No.762 Municipal Administration & Urban Development (Elecs.II) Department, dated 19.8.2005.

(b) Under Rule 4 of the "Rules" Special meeting for election of Mayor and Deputy Mayor shall be held in the office of the Municipal Corporation concerned or at any other convenient place within the jurisdiction of the municipal Corporation concerned.

(c) Only directly elected Ward Members are eligible to contest in election of Mayor and Deputy mayor of Municipal Corporation

(d) The directly elected Ward Members and Ex officio members i.e., MPs, MLAs & MLCs referred in sub section (1-A) of section 5 of GHMC Act can vote in the election to Mayor and Deputy Mayor of Municipal Corporation.

(e) Reservations are notified for the offices of Mayor of Municipal Corporations by the Government. Only such of those elected Ward Members, from ward constituencies, who belong to that particular reserved category, shall be eligible to contest irrespective of the fact whether such candidates were elected from the Ward Constituency reserved for the said category or not. A clarification issued on this matter in Circular No.980/TSEC-ULBs/2015, dated 30.11.2015 is also enclosed.

(f) No canvassing or any efforts to influence the voting pattern shall be permitted inside the meeting hall.

(g) In the Special Meeting convened for election of Mayor and Deputy Mayor of Municipal Corporation, shall be taken up first. After completion of election of Mayor of Municipal Corporation only, the election of Deputy Mayor of Municipal Corporation shall be taken up. If the election of Mayor of Municipal Corporation is not completed, the election of Deputy Mayor of Municipal Corporation shall not be taken up. This arrangement will ensure that, the office of Mayor of Municipal Corporation, for which reservations apply, are filled up leaving little scope for vested interests to keep them vacant and continue Deputy Mayor of Municipal Corporation as temporary Mayor of Municipal Corporation for unduly long periods defeating the very purpose of reservation policy.

II.ISSUE OF WHIP BY RECOGNISED POLITICAL PARTIES:

As on date the recognized political parties for this purpose are the following:

1. Bahujan Samaj Party

12. All India Forward Bloc

13. Janata Dal (Secular)
14. Janata Dal (United)
15. Rashtriya Lok Dal
16. Samajwadi Party

The attention is invited to Sub-Rule 7 of Rule 6 of the Rules, which is extracted below:

"Every recognized political party may appoint on behalf of that political party a whip and intimation of such appointment shall be sent by the State President or a person authorised by him under his signature and seal and such intimation shall be sent to the Presiding Officer so as to reach him on or before 11.00 A.M. on the day preceding the day of election to the Office of the Mayor and Deputy Mayor".

The following instructions and formats are issued with regard to appointment of whip and matters connected thereto.

1) The State President of a recognised political party may authorise a party functionary at local level / district level in Annexure-I to appoint a whip for a Municipal Corporation or Municipal Corporations specified therein (Annexure-I) or directly appoint a whip in Annexure-II (without authorizing any party functionary at local / district level in Annexure-I).
2) However, where the State President of a recognised political party authorises a person in Annexure-I to appoint whip for certain Municipal Corporations, the State President shall desist from directly appointing whip for those Municipal Corporations in Annexure-II as it creates confusion and adversely affects smooth conduct of election.
3) The Annexure-I, wherever such Form is issued, and Annexure-II should be submitted (both in original) to the Presiding Officer before 11.00 AM on the day preceding the day of election.
4) A recognized political party which has issued an order of appointment of whip in Annexure-II in favour of a candidate may rescind that order and give revised order in Annexure-II in favour of another candidate subject to the following conditions.

   a) The revised order of appointment of whip rescinding the earlier order in Annexure-II is received by the Presiding Officer concerned before 11.00 A.M. on the day preceding the day of election.
   b) Such revised order in Annexure-II is signed by the same party functionary who signed the earlier order in Annexure-II and clearly shows that it rescinds the earlier order.

   c) The Presiding Officer is satisfied about the genuineness of the subsequent order.

   d) In cases where an order of appointment of whip in Annexure-II is issued to more than one person without rescinding the earlier one, then the Annexure-II which is received by the Presiding Officer first in

point of time shall be taken into consideration to determine the person appointed as whip by the party.

5) Appointment of whip is valid only if the State President of a recognised political party or a person authorised by him intimates the name of the whip to the Presiding Officer before 11.00 AM on the day preceding the day of election.
6) Rules are silent with regard to the person who should be appointed as whip. However, if a person who is not a member of the Municipal Corporation, as the case may be, is appointed as whip, he will not be permitted to participate in the meeting.
7) The recognised political parties are required to appoint only one whip for election of Mayor and Deputy Mayor of Municipal Corporation. The appointment of more than one whip for the same Municipal Corporation is prohibited.
8) Provisions pertaining to whip are applicable only to Members of Municipal Corporation elected on behalf of a recognized political party. The said provisions do not apply to members elected on behalf of other political parties and to independent candidates.
9) The whip so appointed by a recognized political party has to furnish a copy of the contents of the whip issued by him to the Presiding Officer at least one hour before the commencement of the special meeting. A format in which whip is to be issued is appended as Annexure-III.
10) The person appointed as whip by a recognized political party shall, in addition to a copy of the contents of the whip issued by him, also furnish a copy of the acknowledgement obtained from the members belonging to the party on the service of the whip to them, to the Presiding Officer before the commencement of the meeting. If any member elected on behalf of the recognized political party refuses to receive the whip issued by him, he shall record the same and furnish a copy of it to the Presiding Officer. Such Member refusing to receive the whip shall be deemed to have received the whip for the purposes of disqualification.

III. PROCEDURE TO BE FOLLOWED WHERE A MEMBER ELECTED ON BEHALF OF A RECOGNIZED POLITICAL PARTY DISOBEYS THE PARTY WHIP:

With regard to disqualification for disobedience of the party whip, attention is invited to sub rule 8 of rule 6 of the Rules. The following procedure is to be followed where a member disobeys the whip issued in connection with the election of Mayor and Deputy Mayor of Municipal Corporation.

1. If any member elected on behalf of a recognized political party disobeys the party whip in the said election, the person appointed as whip by the party shall send a written report to the Presiding Officer within 3 days from the date of election specifically indicating the name of the member.
2. On receipt of the written report from the party whip, the Presiding Officer shall give a show cause notice to the member concerned as to why he should not be declared to have ceased to hold office and that he should make representation, if any, within 7 days from the date of the notice.

3. The Presiding Officer shall consider the explanation given by the member concerned and pass a speaking order in the matter of cessation of membership of the member for disobedience of the whip at the earliest.
4. If no explanation is received from the members concerned, within the time specified, the Presiding Officer shall pass an order on the basis of the material available with him without any further notice.

IV. WHIP AND THE VALIDITY OF THE VOTES CAST IN DISOBEDIENCE OF THE WHIP:

If any Member of Municipal Corporation elected on behalf of a recognized political party casts vote in disobedience of the Party Whip so issued, he shall cease to hold office in the manner prescribed. However, the vote cast by him is valid. The Presiding Officer shall record that fact in the proceedings of the meeting and intimate the same to the State Election Commission, the Commissioner and Director of Municipal Corporation and in case of GHMC, Commissioner & Special Officer and Election Authority, GHMC.

V. ISSUANCE OF FORM – "A" AND FORM – "B" BY RECOGNISED POLITICAL PARTIES:

The Rule 6(1) of the rules reads as follows:-

"A candidate for the Office of Mayor and Deputy Mayor of Municipal Corporation shall be proposed by one member and seconded by another. If any candidate claims to be contesting on behalf of a recognized political party, he shall produce an authorisation from the President of the party of the State or a person duly authorised by the State President under his office seal and such authorisation shall be produced before the Presiding Officer before 10.00 AM on the day of the election. The names of all candidates validly proposed and seconded shall be read out along with the name of the political party which has set him up by the Presiding Officer in the meeting".

The State President of a recognised political party may issue authorisation directly in Form-B or they may authorise a person through Form-A for issuing the Form-B. However, where the State President of a recognised political party authorises a person in Form-A to issue Form-B, the State President shall desist from issuing Form-B directly as it creates confusion and adversely affects smooth conduct of election.

Formats of Form-A and 'B' are enclosed.

The Form-A, wherever such Form is issued, it should be submitted (in original) to the Presiding Officer on or before 11.00 AM on the day preceding the day of election and Form-B should be submitted (in original) to the Presiding Officer on or before 10.00 AM on the day of the special meeting.

The following further instructions are, hereby, issued on the subject:

c) The Presiding Officer is satisfied about the genuineness of the subsequent authorisation.

4) If there are two or more candidates in fray, an election shall be held by show of hands and votes of the members present at the meeting shall be taken. Every member has one vote only. If a member raises hand twice, the hand raised for second time shall not be taken into consideration.
5) The Presiding Officer shall, thereafter, record the number of votes polled, for each such candidate, ascertained by show of hands. He shall announce the number of votes secured by each candidate and shall declare the candidate who secures the highest number of votes, as elected.
6) In the event of there being an equality of votes between the two candidates, the Presiding Officer shall draw lots in the presence of the members and the candidate whose name is first drawn shall be declared to have been elected.
7) In such a case, the Presiding Officer concerned shall write each of such candidate's names on 5 slips of paper of same color and size and then all those slips should be folded tightly twice and then jumbled to get them mixed beyond recognition. After such mixing the Presiding Officer should take the draw. The candidates whose name is first drawn shall be declared to have been duly elected.

3. The day to day expenses accounts so maintained shall be supported by proper vouchers, failing which it will not be treated as "true" account of expenses save in cases where it is not feasible to obtain vouchers.

4. Each of the supporting vouchers, enclosed with the account of election expenses, shall bear the signature in full of the contesting candidate or his/her election agent.

5. All expenses incurred/authorized by the political parties, other associations, body of persons and individuals of campaigners (leaders) of political parties – shall be included in the account of the candidate.

If a public meeting/rally is organized by a leader/campaigner of a party the expenditure shall be booked in election expenditure of that candidate. If more than one contesting candidates of that party participate that meeting/rally, the expenditure shall be apportioned to the election expenditure of all such candidates.

6. Expenditure with regard to board and lodging / traveling expenses of campaigners in the constituency where they campaign for any candidate shall be included in the expenditure account of that particular candidate, provided that –
   (a) the campaigners have actually campaigned for the candidate, and
   (b) the campaigners have incurred such board and lodging / travelling expenditure while remaining in a commercial hotel or lodge for the purpose of election campaign of the candidate irrespective of the fact whether the payment is made by such candidate or not.
   The market value of such commercial boarding and lodging is to b calculated towards the election expenditure of the candidate, even if the boarding and lodging is provided as complimentary.
7. The candidate or his/her authorized agent shall prepare an abstract of the expenses periodically during the campaign period in the proforma II appended to this Order and the same shall be duly signed by the candidate or his/her election agent certifying its correctness and shall be submitted to the Returning Officer / Election Officer as the case may be or other authorities designated by the SEC for inspection and scrutiny.
8. If a candidate contests elections from more than one Ward, he has to keep and also lodge a separate return of election expenses for each election for which he contests. The election for each Ward is a separate election.
9. The attention of all political parties and contesting candidates is, hereby, drawn to the provisions of Section 171 H of the Indian Penal Code which reads as follows:

"171 H. Illegal payments, in connection with an election:- whoever, without the general or special authority in writing of a candidate, incurs or authorises expenses on account of the holding of any public meeting, or upon any advertisement, circular or publication, or in any other way whatsoever for the purpose of promoting or procuring the election of such candidate, shall be punished with fine which may extend to five hundred rupees:

Provided that if any person having incurred any such expenses not exceeding the amount of ten rupees without authority, obtains, within ten days from the date on which such expenses were incurred the approval in writing of the candidate, he/she shall be deemed to have incurred, such expenses with the authority of the candidate".

Thus, from the above provision of law, it may be noted that the expenses incurred by the supporters in connection with election of a candidate, without the knowledge or consent of the contesting candidate, is a criminal offence under the above law and persons, supporters, political parties, body or associations who commits such offence are liable for prosecution. And if such expense has been incurred with the knowledge or with the consent of the candidate, then the same should be included in the account of election expenses of the candidate.

(iii) No political party, association, body or individual shall put up any cut-outs, hoarding etc., either under clause (i) or under clause (ii) above, unless prior written permission of the concerned Government authorities or local authorities like Corporations, Municipalities, Zilla Parishads, Town Area Committees, Panchayat Samities etc. has been obtained under the relevant local laws before putting up such cut-outs, hoarding etc.

(iv) Before granting any permission as envisaged in clause (iii) above, the concerned Government authorities or the local authorities mentioned above shall thoroughly examine the applications of the parties, association, bodies or individuals with a view to satisfying themselves that the putting up of such cut-outs, hoardings etc., on the proposed site does not compromise the safety and security of the general public and does not result in traffic and other hazards in any manner whatsoever. Such authorities shall also examine whether any authorisation from a particular candidate is required by the applicant in terms of clause (i) above and, if so, whether such authorisation has been obtained by the applicant.

CIRCULAR

Cir. No.550/TSEC-ULBs/2015 Dated:04.08.2015

Sub:- TSEC – Elections to Urban Local Bodies – Election Expenses – Separate Bank Account to be opened by each candidate for election expenditure –Instructions - Issued.

Ref:- TSEC Order No.392/TSEC–ULBs/2015, Dt.21.07.2015.

***

Section 617 B (1) of GHMC Act, 1955 (in respect of Municipal Corporations) and Section 343 ZC (1) of APM Act, 1965 (in respect of Municipalities & Nagar Panchayats) stipulates that every candidate, at any election held under these Acts shall, either by himself/herself, or by his/her election agent, keep a separate and correct account of all expenses incurred in connection with the election, between the date on which the candidate concerned has been nominated, and the date of declaration of the result of the election, both dates inclusive (hereinafter in this order referred to as 'election expenses').

Section 617 B (2) of GHMC Act, 1955 and Section 343 ZC (2) of APM Act, 1965 stipulates that the account of election expenses shall contain such particulars, as may by order, be specified by the State Election Commission.

In the reference cited, the Commission issued detailed instructions on maintenance and scrutiny of accounts of election expenses by the contesting candidate.

In order to facilitate monitoring of election expenditure, the Commission issue the following instructions:

1) Each candidate shall open a separate bank account exclusively for the purpose of election expenditure at least one day before the date on which the candidate files his nomination papers and communicate the bank Account Number in writing to the Returning Officer in case of Municipal Corporation and Election Officer in case of Municipality/Nagar Panchayat at the time of filing of his nomination. All election expenditure shall be made by the candidate only from this bank account. All money to be spent on electioneering shall be deposited in this bank account irrespective of its funding from any source including candidate's own fund.

2) The bank account can be opened either in the name of the candidate or in the joint name with his election agent for the purpose of election

expenditure. The bank account should not be opened in the joint name with any family member of the candidate or any other person, if he/she is not the election agent of the candidate.

3) The bank account may be opened anywhere in the District concerned. The accounts can be opened in any of the banks including the co-operative banks or in the post offices. The existing bank account of the candidate should not be used for this purpose as it has to be a separate bank account for election purpose.

4) Wherever the candidate has not opened the bank account or not intimated the bank a/c no., the RO/ EO shall issue a notice to each such candidate to comply with the Commission's instructions. If the separate bank account is not opened before nomination for election expenses or any amount is spent, without depositing the same in the said bank account, it will be treated that the candidate has not maintained the account "in the manner prescribed". But the nomination cannot be rejected on these grounds.

5) All election expenditure shall be made by the candidate, only from this bank account. All amounts to be incurred by the candidate on electioneering shall be deposited in this bank account, irrespective of its source of funding including candidate's own fund. A self-certified copy of the statement of this bank account shall be submitted by the candidate to the District Election Authority along with the statement of the account of election expenditure as required to be filed within a period of 45 days from the date of declaration of results.

6) The candidate(s) shall incur his/her election expenses by crossed account payee cheque, or draft or by RTGS/DEFT from the bank account opened for election purpose. However, if the amount payable by the candidate(s) to any person/entity, for any item of expenditure, does not exceed Rs.5,000/- during the entire process of election, then such expenditure can be incurred in cash, by withdrawing it from the said bank account.

7) The candidate(s) is required to deposit the entire amount meant for election expenses in the said bank account and all their election expenses are to be incurred only from the said account.

8) The candidate(s) shall ensure that neither their agents and their followers nor they themselves carry cash exceeding Rs,10,000/- in the constituency during election process.

9) If any election expenses are incurred without routing it through the said bank account or not by way of cheque or draft or RTGS/NEFT, as mentioned in para (6) above, it will be treated that the candidate has not maintained the accounts in the manner prescribed by the Commission.

10) The District Election Authorities shall issue suitable instructions to all the banks or post offices located in their districts to ensure that they open dedicated counters for election purpose to facilitate prompt service to the candidates in opening of bank accounts. The banks shall also allow withdrawals and deposits from the said account on priority basis during the election period.

The Returning Officer / Election Officer shall bring the above instructions to notice of the contesting candidates.

2. TSEC Guidelines on Election Expenditure Monitoring, 2015

***

I am to invite your kind attention to the Commission's Circular No.1017/TSEC-EM/2015, dated: 08.12.2015 (copy enclosed) issued to the Election Authority, GHMC on monitoring of election expenditure during the GHMC election, 2016. As, the TSEC has Notified ordinary elections to GHMC vide reference 1st cited (copy enclosed), the Commission issues the following guidelines for close co-ordination between the GHMC and Income Tax Department of Government of India. As part of expenditure monitoring mechanism, the Election Authority gathers the following information:

(i) Affidavits filed by the contesting candidates containing information about their assets and liabilities.

(ii) Periodical Expenditure Returns filed by the contesting candidates.

(iii) Shadow Registers generated by the Election Authority of the estimated Expenditure incurred by the candidates.

(iv) Matters requiring detailed investigation such as cash seizureswill be reported to Income Tax Department by the Election Authority.

1. Illegal Election Expenditure exceeding the ceilings is a rampant problem plaguing elections in the Country. Since black money vitiates the purity of election process, you are requested to make necessary arrangements to curb the use of black money during the elections, as mentioned below:-

a. Directorate of Investigation, Income Tax Department, Hyderabad may be designated as the Nodal Agency:

Hotels, Farm Houses, Hawala Agents, Financial Brokers, Cash Couriers, pawn brokers and other such Agencies/persons are likely to be used for movement of undisclosed cash during election process and hence shall be kept under close surveillance by the Income Tax Department. For this purpose, the services of the officials under the supervision of Director General of Income Tax (Inv.) in charge of the State are crucial. Responsibility shall be entrusted to the officer(s) of Investigation Directorate immediately, as election notification for elections to GHMC has already been issued.

b. For this purpose, a 24X7 Control Room, and complaint monitoring cell having a toll free number for receiving complaints or information regarding movement of large sums of cash or other items suspected to be used for bribing of electors shall be opened. The Investigation Directorate, on the basis of information or complaint, shall conduct independent enquiry against the concerned person. The Election Authority, GHMC shall provide all necessary support enabling the Investigation Directorate to take necessary action. The outcome of the enquiry by the Investigative Directorate shall be reported to the Commission.

c. Besides the above, the Investigation Directorate may download from the TSEC website the copies of affidavits declaring assets and liabilities by the candidates. The Investigation Directorate shall also verify the information available with them pertaining to the candidates and send the report to the Commission where any suppression of information about assets or liability or pending dues is noticed. In any case, the investigation report regarding the assets should be sent not later than 6 months from the date of poll.

d. If any information pertaining to election expenses by any candidate or political party is gathered by the Investigation Directorate either during the election campaign or in course of their independent investigation of any person including the candidates, either before or after the election, it should be reported to the Commission.

e. Besides the above, the Investigation Directorate of Income Tax Department shall report to the Commission about the political parties which are taking donations and enjoying tax exemptions without filing the statutory returns and action taken thereon by the Department within 2 weeks of announcement of election. The list of registered political parties is available on the web portal of the State Election Commission at tsec.gov.in.

2. Cash Seizures and other Complaints:

a. The team of the Income Tax officials besides gathering intelligence on their own, shall station themselves at sensitive places, where movement of large sums of un-disclosed cash etc. is suspected and take action as per the Income Tax Laws.

   Where printer for paper trail is used, upon casting the vote by pressing the button, the elector shall be able to view through the transparent window of the printer, kept along with the balloting unit inside the voting compartment, the printer paper slot showing the serial number, name and the symbol of the candidate for whom he has cast his vote before such paper slip gets cut and drops in the drop box of the printer.

5. As soon as practicable after the closing of the poll, the presiding officer shall close the control unit to ensure that no further votes can be recorded and shall detach the balloting unit from the control unit, and from the printer where the printer is also used.

II. Detailed Action Plan for operationlisation of VVPAT system -

1. Training of Master Trainers: It is necessary to provide very good quality training to all election officials. "Hands-on" training should be organized for Presiding Officers, Polling Officers, Returning Officer, Assistant Returning Officers, Sector Officers and Counting Personnel.

2. Training of Polling Personnel and Counting Personnel: Immediately after the second randominsation of polling personnel in respect of the Ward or Wards of the Khammam Municipal Corporation in which the VVPAT will be used training for the Polling Personnel should be conducted. The Master Trainers will impart training to the filed officials. The training should include theoretical inputs and also hands on training. Every officer should get an opportunity to operate the EVMs with the VVPAT system and learn the process of recording the vote using VVPAT. Separate training on counting of printed ballot slips from the VVPAT System and tallying the count of printed ballot slips with the electronic count in the EVMs using the modified in Form XXXVI (Accounts of Votes Recorded) should also be given. Questions should be encouraged and all doubts should be cleared in the training. Detailed operational manual of VVPAT will be made available by the manufacturers of EVM. Copies of the operational manual should be given to all officers during training. Copies of operational manual should be available at the polling station on the poll day. Complete training process should be videographed.

3. Awareness about use of VVPAT: Awareness should be created amongst the political parties and electors of the Constituencies, where VVPAT to be used, about the purpose and use of VVPAT. For this purpose a demonstration of VVPAT system should be organized by the Returning Officers for all Candidates and Political Parities. The demonstration will be done by Engineers of VVPAT manufacturers. Demonstration of VVPAT system should also be organized for voters at suitable locations in the Constituencies. A simple poster on method of voting on EVMs with VVPAT should be prepared and pasted at prominent places in all villages of the Constituencies. This poster should also be pasted at two or three places in each

polling station in such a manner that voters waiting in the queue are able to read the instructions in the poster. Pamphlets on the method of voting using EVMs with VVPAT should be printed and distributed to voters along with Photo Voter slips before the poll. *A copy of the sample Pamphlet is attached at Annexure–V.* Each voter should be given detailed instructions on the method of voting on EVMs with VVPAT on the poll day when his or her signatures/thumb impressions are obtained in the Register of Voters in Form XXXIV by a pooling officer. The EA, DEA and RO should also organize programmes for awareness about use of EVMs with VVPATs.

4. First Level Checking of VVPAT System: If the First Level Checking of EVMs has already completed it need not be repeated alongwith the First Level Checking of VVPAT systems. Some spare EVMs from reserved may be used for this purpose. The FLC of VVPAT shall be done in the presence of representatives of the National and State Political Parties. During this FLC in addition to the normal FLC procedure, political party representatives will also be asked to check the printed ballot slip in VVPAT for each vote case, before it is cut and falls in the drop box of the VVPAT printer, in the manner a voter is supposed to check the printed ballot slip in a real election. After the mock poll, the printed ballot slips of each VVPAT printer shall be counted to compute the result independent of the electronic result in the CU and the result of the printed ballot slips shall be tailed with the electronic result of the CU. The tally should be shown to those present in the FLC. The whole process shall be videographed. FLC should also be treated as an opportunity for training the representatives of the political parties in the use of EVMs with VVPAT system.

5. Preparation of EVMs and VVPAT System for Poll: EVMs shall be prepared for poll according to the instructions of the Commission on preparation of EVMs for polls in the usual manner. After preparation of EVM, the VVPAT system shall be preapared for poll in the following manner:

vi. Thereafter one vote to each candidate will be given to check that the VVPAT is correctly printing the paper slips in respect of all the candidates.

vii. VVPAT units should be randomly allocated to polling stations. For this purpose serial numbers of VVPAT printers shall be written on separate paper slips. These paper slips shall be put in a big jar and mixed. After that the slips shall be taken out one by one and allocated to polling stations.

viii. The VVPAT unit will then be kept in the carrying case provided and taken to the polling station along with the EVM.

6. Additional Polling Official: While constituting polling parties, care should be taken to provide one extra polling official in each polling station to handle the VVPAT unit. The duty of this polling official will be to watch the VVPAT Status Display Unit (VSDU) continuously during the entire poll process. He will bring any error messages to the notice of the Presiding Officer immediately. One additional power pack battery will be provided to every poling party. In case of low battery error message the battery will be changed. For any other error message the VVPAT printer unit will be changed. One polling Officer should be present in the Voting Compartment along with polling agents to watch operations on the Ballot Units and the printed ballot slip by the VVPAT Printer unit. This polling officer will keep a record of the votes cast. After the mock poll, Presiding Officer will ascertain the result in the Control Unit and count the ballot slips in respect of each candidate in the presence of polling agents and confirm that the result tallies with the votes polled in respect of each candidate. The Presiding Officer shall ensure that the data of mock poll is cleared in the Control Unit, without fail, and also remove all the printed paper (ballot) slips from the drop box in the VVPAT unit. These printed-paper slips of the mock poll shall be kept in an envelope made of thick black paper. The envelope will be sealed with the seal of the Presiding Officer. The Presiding Officer and the polling agents present shall put their signatures on the envelope. The number and name of the polling station and number and name of the Ward along with the date of poll shall be written on the Envelope. Words – "Printed Paper Slips of Mock Poll" shall also be written on the envelope. The envelope shall then be kept in the special plastic box provided for the purpose. The plastic box shall be sealed with a Pink Paper Seal placed all around in such a manner that opening of the box shall not be possible without breaking the seal. The number and name of the polling station and number and name of Ward along with the date of poll shall be written on the plastic box. Polling Agents present will be allowed to verify that the drop box of VVPAT unit is empty. Thereafter, Presiding Officer will prepare and sign the mock poll certificate (Annexure-I) in the revised format of Mock Poll Certificate enclosed herewith and seal the Control Unit as per procedure laid down in the Presiding Officer's Handbook. The Presiding Officer shall also prepare the VVPAT system as under –

(ii) After that BU and VSDU shall be connected to the VVPAT printer and connect the VVPAT printer to the Control Unit.

(iii) Switch ON the Control Unit, after making all connection.

This is a very critical step this should be emphasized during training – Observer should visit maximum number of polling stations on the poll day to check that everything is being done in the manner prescribed by the Commission.

9. Complaint about incorrect printing of particulars on paper slip: If any voter alleges about the wrong printing of particulars of a candidate and /or symbol of that candidate on paper slip printed by the printer on pressing of concerned blue button on the Balloting Unit to which the printer is connected, the Presiding Officer of the polling station should provide him a 'Form of Declaration' (Annexure-II) to lodge a complaint as follows -

(i) Where printer for paper trail is used, if an elector after having recorded his vote, alleges that the paper slip generated by the printer has shown the name or symbol of a candidate other than the one he/she voted for, the Presiding Officer shall obtain a written declaration from the elector as to the allegation, after warning the elector about the consequence of making a false declaration.

(ii) If the elector gives the written declaration, the Presiding Officer shall make a second entry related to that elector in Form XXXIV (Register of Voters), and permit the elector to record a test vote in the Voting Machine in his presence and in the presence of the candidates or polling agents who may be present in the polling station, and observe the paper slip generated by the printer.

(iii) If the allegation is found true, the Presiding Officer shall report the facts immediately to the Returning Officer, stop further recording of votes in that Voting Machine and act as per the direction that may be given by the Returning Officer.

(iv) If, however, the allegation is found to be false and the paper slip so generated, matches with the test vote recorded by the elector, then, the Presiding Officer shall –

(a) Make a remark to that effect against the second entry relating to that elector in Form XXXIV (Register of Voters) mentioning the serial number and name of the candidate for whom such test votes has been recorded;

(b) Obtain the signature or thumb impression of that elector against such remarks; and

(c) Make necessary entries regarding such test vote in item 4 in Part I of Form XXXVI (Accounts of Votes Recorded).

10. Action in case of certain contingencies during poll: Certain contingencies may arise during the polling process, which may require certain actions. These are as follows -

a. In case the CU or the BU does not work properly replacement of the whole EVM including CU, BU and VVPAT is required. Fresh mock-poll is also required to be done on the replaced set of CU, BU and VVPAT, following the same procedure as it was done earlier, prior to start of actual poll. The printed paper slips of the mock-poll shall be taken out and kept in the Black Envelope and shall be kept in the same plastic box, in which printed paper slip of mock-poll done prior to start of actual poll are kept.

b. In case the VSDU is showing "Low Battery", the power pack battery of VVPAT should be replaced. It should be ensured that before taking out the power pack battery of VVPAT, control unit must be switched OF and after installing new power pack battery in VVPAT, control unit should be switched ON. Control Unit should not be switched ON without installing power pack in VVPAT.

c. In case there is any other error, like "Paper Low" error, the VVPAT will stop printing and the error shall be displayed on the VSDU. In such case the VVPAT unit is to be replaced (No mock-poll is required to be taken, if only VVPAT is replaced). It should be noted that vote is not recorded in the CU electronically unless the paper slip has been printed by VVPAT and also has been cut so that it falls in the drop box. Therefore, if VVPAT has not printed the paper slip, or the printed paper slip has not been cut, the last voter whose paper slip has not been printed by VVPAT or has not been cut should be allowed to cast his vote after the VVPAT has been replaced. In case the printed paper slip has not been cut and is hanging from the paper roll, no effort should be made to make it fall into the drop box. It should be allowed to remain hanging as it is not be counted at the time of counting of the printed-paper slips. The details of such an occurrences should be clearly recorded in the Presiding Officers dairy in the following format:-

i. The date and time of the occurrence.

ii. The name of the voter and his serial number in the part in the electoral roll, who was allowed to cast his vote after replacement of VVPAT.

iii. Whether the voter cast his vote after replacement of VVPAT or went away without casting his vote.

iv. the Total number of votes cast before the occurrence.

11. Counting of votes: Counting of votes shall be done according to Section 63 of GHMC Act, 1955. After the entries made in the result sheet of election are announced, any candidate, or in his absence, his election agent or any of his counting agents may apply in writing to the Returning Officer to count the printed paper slips of VVPAT unit in respect of any polling station or all polling stations. On such application being made, the Returning Officer shall pass a speaking order on whether the counting of paper slips shall be done or not. While deciding the matter the Returning Officer shall give due consideration to the following:-

a) Whether the total number of votes polled in that polling station is more or less than the margin of votes between winning candidate and candidate making the application.

b) Whether EVM met with any defect and was replaced at that polling station during poll.

c) Whether there was any complaint about VVPAT not printing the paper slips or complaints by any voter, in that polling station during the poll.

12. If the Returning Officer decides to allow counting of the paper slips of any polling station or all polling stations such decision of the Returning Officer shall be recorded in writing and shall contain the reasons therefore.

13. The following procedures shall be strictly followed in case it is decided to count the printed slips of VVPAT:-

a. VVPAT unit(s) of the respective polling station(s) shall be brought to the Counting table(s)/

b. Address tag(s) of the drop box of the VVPAT unit(s) shall be cross checked to ascertain that it actually pertains to the same polling station, address tag of VVPAT unit should be removed and ballot paper slips shall be taken out form the drop box. Care should be taken that no printed paper slip is left in the drop box. Empty drop box should be shown to all counting agents.

c. in case a VVPAT unit was replaced during poll at any polling station, all the VVPAT units used at the polling station should be brought to the counting table and printed paper slips from all of them should be taken out before beginning the counting of printed slips for that polling station.

d. In case a VVPAT unit was replaced, it may so happen that an uncut fully or partially printed paper slip is hanging and has not got cut and dropped in the drop box and still connected to the paper roll. This uncut printed paper slip should not be torn and should not be counted because the vote is not recorded electronically in the CU unless the printed paper slip is cut. In such an event the last voter whose printed paper slip was not cut would have been given an opportunity to cast his vote after replacement of VVPAT and the printed paper slip of the vote cast by him shall be in the next VVPAT printer used in that polling station.

e. The drop box of the VVPAT printer will also have slips of self test report. These are easily identified, as they do not have either the name or the symbol of any candidate and are of larger length. These self-test report slips are to be preserved alongwith the printed-paper slips as part of the record but they are not to be counted.

f. Pigeonholes will be prepared to put ballot paper slips of the respective candidates.

g. After all the ballot paper slips are put in the respective pigeon holes, bundles of 25 paper slips of respective candidates will be prepared for counting purpose.

h. Printed-paper slips will then be counted by the counting staff.

i. The result of the count of ballot slips will be announced loudly in the counting hall and shown to the counting agents.

j. if there is discrepancy between the count of votes displayed on the control unit and the count of printed-paper slips in respect of any Polling Station, the result sheet will be amended as per the printed-paper slips count.

k. The Returning Officer shall announce the amendments so made by him and declare the result.

14. Sealing of Control Units and VVPAT units: After the result is announced, whether the printed paper slips of VVPAT were counted or not, the printed paper slips will be taken out of the drop box of the VVPAT Printer unit and stored in the following manner –

a. The printed-paper slips shall be kept in a paper envelope made of thick black paper. The envelope shall be sealed with red wax with the bilingual secret seal of the Returning Officer for sealing of the documents. Following shall be written on the envelope –

i. The name of election and year.
ii. The number and name of the Ward;
iii. The number and name of the Municipal Body;
iv. The particulars of polling station in respective boxes;
v. Unique serial number of the Control Unit & VVPAT units in respective boxes;
vi. Date of poll; and
vii. Date of counting.

b. These Plastic boxes shall be kept with all the statutory documents relating to that election till the statutory time limit for filing an election petition is over or in case where and election petition is filed till the final disposal of the election petition by a competent Court. The plastic boxes shall not be opened or destroyed without obtaining the permission of the Commission.

c. The VVPAT printers after taking out the printed paper slips shall be kept in a separate strong room and should not be kept in the strong room where EVMs are stored, so that even if there is any election petition is filed from the Ward or Wards, the VVPAT units can be taken out for use, if required, without opening the strong room having EVMs.

d. It should be ensured that the Thermal Paper Roll and Battery (Power Pack) are taken out from the VVPAT, before keeping the VVPAT units in the Strong Room.

15. The Power Pack and Paper Roll for use in the VVPAT is supplied by the manufacturer; therefore three sets of these materials may be procured from the manufacturers. Apart from this adequate numbers of black paper envelope and plastic boxes may also be procured for storing the Printed Paper Slips of VVPAT after counting of votes for each polling station irrespective of whether these printed slips have been counted or not.

The above instructions shall be brought to the notice of all concerned.

(3) All the EVMs, in each and every location, should be tested with minimum 10 dummy votes polled for each candidate.

(4) At least 1% of the machines at each and every location should be tested with minimum 50 dummy votes.

(5) A certificate (a sample proforma enclosed as Annexure) to this effect duly certified with signature and date by both (Engineers of ECIL and Representative of the Municipal Commissioner of the concerned Municipal body) may be pasted on lower part of the back of the EVM i.e, Ballot Unit and Control Unit (without hiding any vital information i.e, date of manufacturing, Machine. S.No. etc. The dimension of the certificate should not be more than 13 cms X 8 cms.

(6) For the purpose of tracking various steps taken in the process of first level checking, randomization and deployment of EVM, an adhesive label (pre-printed sticker) will be prepared and kept ready for use. This can be organized centrally by the District Election Authority. The sample model that was adopted during elections held to APLA/HOP, 2014 may be adopted for this purpose.

(7) EA&C&DMA / District Election Authority / Municipal Commissioner of the concerned Municipal body shall get in touch with the ECIL for this purpose and chalk out the programme of first level check in all Districts.

III. NUMBERING OF EVMs:

As soon as the first level check is over, the sticker will be pasted on the back side of the CU and BU separately, the ECIL checking-engineer will put his signature indicating the date in the relevant slot provided in the sticker. This would mean that the CU / BU is in order in every respect. The unique machine number of the control unit (CU / BU) will also be indicated in the relevant slot in the sticker; besides, a running serial number will also be allotted to the CU / BU and will be indicated in the relevant slot. Simultaneously, the representative of the Municipal Commissioner of the concerned Municipal body duly authorized for this purpose will also put his/her signature in the relevant space. After this, CU / BU shall be stored with due precaution and care. In case of any CU / BU found to be defective during checking, such CUs / BUs shall be isolated and kept separately for follow up action for rectification of defect. (The above procedure will fallowed for the Balloting Units and Control Units separately which will be verified, signed and numbered in the above manner).

IV. DATABASE :

A database of the CUs and BUs verified and certified will be prepared separately and kept in readiness for randomization urban local body wise. The data base structure will contain details of CUs and BUs indicating the machine number (original number given by the manufacturer as inscribed on a metallic plate at the back side of the CU/BU as the case may be.) The CUs/ BUs so verified shall be kept under proper lock and key.

V. RANDOMIZATION:

1) The EA & C & DMA will fix up a schedule, for all Districts, duly informing all the recognized political parties well in advance which should in any case be fixed before the start of training for polling personnel, for randomization of CUs/ BUs for distribution to wards in the presence of the representatives of recognized political parties in the presence of General Observer.
2) The randomization will be done in such a way that the CUs /BUs are randomly selected by grouping them to match the poll day requirement including the reserve required.
3) Again, the surplus CUs/BUs shall also be randomly grouped and distributed ward-wise for the purpose of training (for the training of the polling staff as well as for the purpose of voter awareness). Machines used for training will not be used for poll. All such machines will be segregated and stored in a separate room under double lock.
4) A sticker of different color shall be affixed at the front side of the CUs/ BUs set aside for training purpose clearly indicating "…….(Name of ward & Urban local body): Training CU/ BU". While randomizing the CUs/ BUs the Municipal Commissioner of the concerned municipal body shall take the number of polling stations in each ward into account.

VI. ALLOCATION OF ID:

After ward-wise grouping of CUs/ BUs is done in the above manner, a 'current ID' shall be assigned to each of CU/ BU in the relevant slot provided in the sticker. The 'current ID' would mean 'the ward no followed by a new running serial number for that ward'. For example If ward No. 36 is allotted 10 CUs and BUs the current ID for the CUs would be from '36/CU/001' to '36/CU/010'. Similarly the current ID for BU would read '36/BU/001 to 36/BU/010'.

VII. DISTRIBUTION OF LIST of EVMs TO RECOGNIZED POLITICAL PARTIES:

1. The randomized list of CUs and BUs allotted to each ward for use at polling stations including reserve shall be prepared separately along with such list of CUs & Bus allotted for training centers and signed by the representative of the Returning Officer / Election Officer and that list shall be handed over to the representatives of all the recognized political parties. Even if a representative is not available at the time of randomization the list shall still be sent to that party office and a receipt obtained.

2. The CUs/BUs meant for use at the election shall be separately taken to the strong room by the Municipal Commissioner / Returning Officer concerned under proper escort and will be guarded. The training EVMs shall be distributed to the concerned officers for the training purpose. At the time of sealing the strong room, the representatives of political parties can remain present and they can also affix their seal on the lock.

VIII. PREPARATION OF EVMs:

1. On the day fixed for commissioning of the CUs/BUs for use in the election, the concerned Returning Officer / Municipal Commissioner will ensure that the preparation of CUs/BUs is done invariably in the presence of the candidates or his / her election agent or authorized representatives and in the presence of Observer. Now, the Returning Officer / Municipal Commissioner will do the second randomization of the CUs/ BUs before allotting them to the polling stations in the ward. After that he will write the PS No. to which the CU/BU has been randomly allotted in the slot provided for it in the adhesive label. The remaining CUs/BUs (not allotted to any PS) shall be kept as 'Reserve' for use if needed. Such CUs /BUs shall be marked as 'R' – meaning 'Reserve' in the slot meant for PS No.

2. At this stage, the CU and BU randomly earmarked PS wise as detailed above shall be identified by matching the PS No. and kept in pair by tagging them together. Any candidate/ agent present at the preparation hall may choose to get the CU/BU again checked by the master trainers/ technical personnel available through a 'mock poll cum result verification' in order to satisfy himself about the functioning of the EVM. The Returning Officer / Municipal Commissioner should also, as a proactive measure, do a random verification of at least 10% of such CU-BU pairs to test the working status of the EVMs.

3. Then a Polling Station wise list indicating the Current ID and machine number of the CU/BU allotted to each PS will be prepared and signed by the Retuning Officer / Municipal Commissioner. The Returning Officer / Municipal Commissioner will also prepare a separate list of CUs/BUs marked as 'R' indicating the current ID and machine number. Both the above lists will be signed by Returning Officer / Municipal Commissioner and copies shared with the candidates / agents / representatives and their signature shall be obtained in token of receipt.

4. As per the existing instructions two types of address tags – one for use on CU and another on BU have been prescribed. From now onwards, the tag shall also contain the current ID No. (as mentioned in the sticker- read para VI above). The address tag attached to reserve CU/ BU shall indicate the 'Reserve' status of the unit. The tagging of address tag shall also be done at this stage itself – in the presence of candidates/ agents/ observer. All the CUs/ BUs allotted to Polling Stations as above, as well as the reserve machines shall be kept in the strong room in the presence of candidates/ agents. They can also be allowed to affix their seal on the lock of the strong room.

5. Officers preparing the machines, after preparing them, should give a certificate that they have prepared the machines as per the instructions given and checked them, and that they have understand fully that in case of any error found, they would be held responsible for lapse.

IX. DISPATCH OF EVMs FOR ACTUAL POLL:

1. When the EVMs are taken out of the strong room for dispatch, the usual precaution of informing the date and time of opening of strong room in writing to the candidates/ agents, shall be followed.

2. At the time of dispatch the Presiding Officers shall be advised to compare the machine number inscribed on the metal label and the adhesive sticker and also verify the PS No. indicated on the sticker compared with PS No. mentioned in the address tag before accepting the EVM. Discrepancy if any shall be brought to the notice of the officer in charge of dispatch arrangement and be reconciled.

3. The candidates may be advised to share the current ID and machine number of the EVM (both CU/ BU) allotted to the specific PS with their polling agent/ agents appointed by them so that they are in a position to inspect the EVM for their satisfaction before the commencement of mock poll on the poll day. The Presiding Officers shall be advised to display the sticker containing the machine number and current ID etc., to the agents present before the commencement of the mock poll. It is relevant to note that as per the existing instructions the presiding officer is supposed to mention the number of CU/ CUs used; serial numbers of CU/CUs used; number of BU/BUs used and serial numbers of BU/BUs used at the polling station in the Presiding Officer's Diary. This instruction shall be scrupulously followed.

X. REPLACEMENT OF EVM DURING POLL:

1. In case of replacement of CU or BU due to any reason at any polling station the zonal officer or any authorized officer who effects such replacement shall prepare a special report indicating the machine number and current ID of the existing CU/BU and new CU /BU separately. The officer shall also mention in the special report, the reason for deployment of the spare CU/BU and the time of such replacement, votes polled in the replaced machine at that point of time and leave one copy of the special report with the Presiding Officer while retaining a copy to be handed over to the Returning Officer / Election Officer.

2. When EVMs are required to be replaced in the polling station after commencement of poll. In the midst of poll, the Presiding and Polling Officers should ensure that the requirement of conducting mock poll should be fulfilled in the case of new EVMs also, and the new EVMs should be put to use only after conducting the mock poll, clearing of the data of mock poll and recording the certificate of mock poll, as in the case of the originally allotted EVMs.

3. EA&C&DMA / District Election Authority / Municipal Commissioner of concerned municipal body are requested to ensure that this aspect should be covered in the training classes for the polling personnel.

XI. REPOLL :

1. In case of repoll, the EVM required for repoll shall be drawn from the reserve list and the CU/BU number shall be informed to the candidates/agents in writing. Care shall be taken to ensure that the address tag on the CU and BU clearly mentions it to be the EVM for use in the repoll indicating the date and PS No.

2. After repoll, for the storage of the repolled EVM, the strong room shall be re-opened in the presence of the candidates/ their agents and observer. This repoll EVM should be placed together with the old EVM which was used earlier in the original poll. A tag 'Not to be counted' shall be put prominently on the old EVM and another tag 'Repoll EVM – to be counted' shall be put on the new repoll EVM. Retuning Officer / Election Officer shall put signature on both the tags.

XII. RECEPTION OF EVMs AFTER POLL:

The EVMs shall be escorted back after the poll is over to the reception centres under proper escort. After all formalities are completed, the EVMs shall be kept in strong room and the room sealed in the presence of the candidates/their agents and observer.

XIII. SAFE CUSTODY OF ELECTRONIC VOTING MACHINES:

Detailed instructions were issued under the Chapter titled "The Poll" on Safe custody of Electronic Voting Machines after the poll in the "Handbook of Election Officers" in case of Municipalities & Nagar Panchayats and in the "Handbook of Returning Officers" in case of Municipal Corporations. However, the following instructions are reiterated for clarity.

1. After the completion of polling, the Electronic Voting Machines shall be deposited in a strong room or a building in a systematic manner under double lock as specified therein, in the presence of General Observer.

2. If any contesting candidate so desires, he may be permitted to post an agent to keep watch at the place where the Electronic Voting Machines are stored pending counting and he may also be allowed to affix seals to the doors and windows in which the voting machines are stored in addition to the seals that may be affixed by the Election Officer / Returning Officer.

3. Adequate security arrangements shall be made by the Collector & District Election Authority in consultation with the Superintendent of

Police / Commissioner of Police for safe custody of the voting machines after the poll.

4. The Police personnel from A.P. Special Police or District Armed Reserve available in the district shall be deployed in appropriate strength at the places where the voting machines are stored to avoid any untoward incident.
5. Necessary fire fighting equipments shall also be installed around the Strong room to meet any exigency.

XIV. COMMUNICATION TO POLITICAL PARTIES/ CANDIDATES:

The political parties/candidates should be advised in writing to properly train their counting agents and that they should bring (for tallying purpose) their copies of Form XXXVI in case of Municipal Corporations and Form XXIII in case of Municipalities & Nagar Panchayats which shows the machine numbers used at the polling station and was handed over to them at the close of the polling by the presiding officer. Besides, the candidates have also been given a consolidated polling station wise list of CUs & BUs used during the poll. This along with the additional information given by the Retuning Officer / Election Officer in writing to the candidates regarding the machine numbers of CUs & BUs used as replacement and the CUs & BUs used during repoll will give a complete picture of all the EVMs used at polling stations. In order to further facilitate, additionally, the Returning Officer / Election Officer shall paste the EVM deployment account indicating the CU & BU numbers of EVMs used, polling station wise, in the relevant counting hall itself for everyone to see.

XV. DISPOSAL OF UNSERVICEABLE/EXPIRED BATTERIES OF ELECTRONIC VOTING MACHINE:

The manufacturers have suggested the following measures which are detailed below for strict compliance during such-disposal of power packs.

(i) If the quantity of batteries is less, then the same may be disposed with regular trash after removing from the plastic box.

(ii) Discarded batteries are often not completely dead. Concentrating used batteries in a container can bring these live batteries into electrical contact with one another, creating a safety risk. Any collection programme must be organized only after minimizing such risk.

(iii) Disposing of the used batteries in small quantities, as far as possible is recommended.
(iv) As far as possible, accumulation of expired batteries in large quantity may be avoided.
(v) If the quantity of batteries is more and accumulated at one place, then batteries should be disposed off at a secure land fill in accordance with state and local regulations.

(vi) Discarded batteries should never be crushed, dismantled, short circuited or recharged.
(vii) Batteries should not be disposed-off in fire or high heated area.
(viii) It is also desirable to consult the local Government Waste Management Authority regarding recycling regulations in respective communities.
(ix) EVM battery packs consist of Plastic Moulded Box. Though environmentally beneficial and economically feasible recycling process has not yet been developed for Alkaline Batteries, the Plastic Moulded Boxes can be scrapped and recycled for other uses.

XVI. VIDEOGRAPHY OF THE EVENTS :

All the stages enumerated above shall invariably be fully covered with videography and records kept properly.

The above instructions should be followed without any deviation and bring to the notice of all concerned, viz. the political parties, contesting candidates, Returning Officers all concerned field officers and the Observers.

The receipt of the Circular may kindly be acknowledged.

Sir,

Sub: State Election Commission – Ordinary elections to left over ULBs – Undertaking Webcasting in majority of Polling Stations – Reg.

Ref:- 1. TSEC Notification No. 480/TSEC-ULBs/2016-1&2, dated 21.2.2016

As per the election programme, the date of poll is scheduled on 06.03.2016 and counting of votes on 09.03.2016.

The State Election Commission intends to undertake Webcasting in majority of polling stations, especially in sensitive, hypersensitive and critical polling stations, which involves live-streaming of the proceedings at a polling station without violating the secrecy of voting by deploying technician with a laptop and required software, BSNL connection/ 3G Dongles, web camera, storage device (CD/DVD), spikes, etc.

In this connection, you are requested to work out the feasibility of polling stations where the webcasting can be undertaken in the ensuing elections. The following factors are to be weighed in assessing the feasibility for undertaking webcasting:-

1) Availability of IT students having laptops in established Engineering colleges located within GWMC, Khammam and Atchampet Nagar Panchayat limits and in the surrounding districts of GWMC, Khammam and

Atchampet Nagar Panchayat is to be worked out. Willingness of the students (preferably male students) and also the college management to take up the assignment is to be obtained. College management and the students to be deployed should not have any political leanings.

2) Identify the Polling Stations where webcasting can be undertaken. This is to be examined with reference to feasibility of setting up temporary broadband connection, 3G, power supply and power points, etc.

3) Availability of web cameras, Dongles and connecting chords procured by the ECI/CEO during General Elections, 2014 can be redeployed. The Commission in Lr.No. 908/TSEC-EM/2015, dated 20.2.2016 requested the CEO, Telangana to spare the following to the ULBs notified for elections (copy enclosed) from GHMC where they are presently with.

    b. 270 Web cameras and 270 Dongles to Khammam Municipal Corporation.
    c. 30 Web cameras and 30 Dongles to Atchampet Nagar Panchayat in Mahabubnagar District.

4) A team consisting of the following officials / technicians may be constituted to check up each polling station.

    a. Booth Level Officer
    b. Local Municipal official.
    c. Electricity Department official to check whether electricity connection with required sockets is available in the polling station.
    d. BSNL Official to check up the mode of internet connectivity.

5) Items required at the polling station for undertaking webcasting:

    a. One table.
    b. One chair.
    c. Electric points / spike board / extension board
    d. 2-way gum stickers (10 per polling station)

6) Designated locations for live streaming

    a. State Election Commission.
    b. Office of the District collector
    c. Municipal Corporation/Nagar Panchayat
    d. Office of the C&DMA and EA

During GHMC elections, held recently in January, 2016, the M/s. Green Technologies (Contact No.: Sri Naveen, Mobile No. 8008722209) has been engaged for web-casting the poll process. The same firm may be engaged for web casting in the ensuing elections to GWMC, Khammam and Atchampet Nagar Panchayat, Mahabubnagar district. The terms and conditions are enclosed as ANNEXURE to this letter.

You are requested to take necessary action for web casting in the ensuing elections to GWMC, Khammam and Atchampet Nagar Panchayat, Mahabubnagar district and also indicate the details of Polling Stations where webcasting is going to undertaken.

The software also provides you to take printout of published photo electoral rolls of the concerned ward/polling station and also printing of photo voter slips.

Action shall be taken to facilitate the Political Parties, candidates and general public for downloading the voter slips without photographs from the website of ULBs concerned and TSEC website besides distributing photo voter slips to the voters directly by the official machinery of the concerned Municipal body.

Sir,

***

I wish to state that, the Telangana State Election Commission will notify elections to the following left over Urban Local Bodies shortly.

1. Greater Warangal Municipal Corporation.
2. Khammam Municipal Corporation.
3. Siddipet Municipality and Dubbaka Nagar Panchayat in Medak District.
4. Atchampet and Kollapur Nagar Panchayats in Mahabubnagar District.

In connection with the elections to the above said ULBs, in the reference 1st cited (copy enclosed), the Commission issued orders for Constitution of one or more Flying Squads (FS) headed by an officer with magisterial powers and Static Surveillance Team (SST) with one magistrate and four Police Personnel for each ULBs.

The Flying Squad will (a) attend to all model code of conduct violations and related complaints; (b) attend to all complaints of threat, intimidation, movement of antisocial elements, liquor, arms and ammunition and large sum of cash for the purpose of bribing of electors etc.; (c) attend to all complaints regarding election expenditure incurred or authorised by the candidates / political party;(d) videograph, all major rallies, public meetings or other major expenses made by candidates and political parties after the announcement of election by the Commission.

The Static Surveillance Team (SST) will watch on movement of illicit liquor, items of bribe or large amount of cash arms and ammunition and also movement of anti social elements. In the said order it was also specifically mentioned that, "the entire operation by SST shall be done in the presence of an Executive Magistrate and shall be videographed. No such checking shall take place without the presence of Executive Magistrate".

The elections to urban local bodies are keenly contested and the Law and Order problems will frequently arise. As of now, the District Collector and few of Revenue Officers alone are vested with the Magisterial powers. It may be difficult for Revenue Officers to reach the spot in case of emergencies during elections, in order to utilize the powers under section 144 Cr.P.C. Unless Magisterial powers are conferred on an officer, preventive action by utilizing the provisions of Section 144 Cr.P.C and other Sections cannot be taken up by him. The responsible officer available on the spot on whom Magisterial power can be conferred under section 21 Cr.P.C is the who will be on the move and will be monitoring the law and order situation on the day of poll and also during the campaign period. It is therefore necessary to confer magisterial powers on Officers heading the Flying Squads and Static Surveillance Teams in their respective jurisdictions to be appointed in the ensuing elections to the above said ULBs from the date of issue of election notification to till the date of completion of election process and also to confer magisterial powers on Zonal Officers on the day before the day of poll and on the day of poll under section 21 Code of Criminal Procedure, 1973 and they be authorized to exercise the powers of executive magistrate under section 37,44,103,129 & 144 of Code of Criminal procedure, 1973. Such Magisterial powers

were delegated to the zonal officers during the general elections to Legislative Assembly and Parliament and also local bodies.

During elections to local bodies in 2006, 2013 and 2014, the Government issued such orders conferring magisterial powers on Zonal Officers. A copy of the orders issued vide G.O.Rt.No. 834, Law (LA&J) – Home (courts)-B, Department, dated 20.6.2006, G.O.Rt.No. 1659 Law (LA&J-Home-Court-B) Department, dated 21.7.2013 and G.O.Rt.No. 472 Law (LA&J-Home-Court-B) Department, dated 27.03.2014 are enclosed herewith. The same practice has to be followed this time also.

The District Collectors were advised to send proposals indicating the names of the officers who will head Static Surveillance Teams, Flying Squads and Zonal Officers and the jurisdiction in which they will exercise the Magisterial Powers directly to the Government in Home Department.

I, therefore, request you to confer the Magisterial powers on the Officers heading the SSTs, FSs to be appointed in the ensuing ordinary elections to above said ULBs from the date of issue of election notification to till the date of completion of election process and also on Zonal Officers on the day before the day of poll and on the day of poll as per the proposals submitted by the District Collectors concerned.

Sub:- TSEC - Conduct of ordinary / casual elections to Urban Local Bodies – Videography / Photography to record the critical events – Comprehensive instructions issued – Reg.

***

1. In order to have a true and faithful record of the violations of the Election Law, Model Code of Conduct and other instructions issued by the Commission, the Telangana State Election Commission directs that the Commissioners of all Municipal Corporations and Municipalities/ Nagar Panchayats in the State here-in-after called in this circular as Municipal Commissioners, make arrangements to record the critical events through videography during the process of electioneering, including but not restricted to, the period of campaign, the day of poll, inside the polling stations, the receipt and storage of EVMs, as the case may be, counting of votes and the declaration of the results.

2. It is decided that video cameras shall be provided to record critical events at the rate of 2 for the Returning officer / Election Officer and 1 each for Flying Squad team, 1 each for Static Surveillance team and 1 each for Zonal Officer. In addition to this the General Observers and Expenditure Observers appointed by the State Election Commission shall be provided with one video camera each.

3. Keeping in view the size of the ward, the number of sensitive polling stations, previous history of election related violence and electoral malpractices, general law and order situation, likelihood of commission of corrupt practices and electoral offences, the Municipal Commissioners shall decide on increase the number of videographers to be engaged during the campaign period and on the date of poll to record the critical events.

4. For this purpose, the Municipal Commissioners shall make use of video cameras and crew available with the governmental and semi-governmental organizations within their jurisdiction or hire local private professional videographers. While selecting the private videographers, care should be taken to select only professionally competent persons having no political bias or links.

5. Instructions on Selection of Videographers and their Deployment:- The following instructions are issued in the matter of selection of videographers and their deployment:-

5.1 The private videographers to be hired shall be screened thoroughly as to their professional competence, track record, financial viability and other related factors.

5.2 The videographers should not belong to any political party and should not be known sympathizers or supporters or close relatives of any of the contesting candidates or any of the leaders of any political party or should not have been hired by any political party or contesting candidate.

5.3 The Municipal Commissioners are required to provide tea, snacks food etc, to the videographers and they shall not be left to fend for themselves while on duty. It shall be ensured that the videographers DO NOT accept the hospitality of any contesting candidate or political party or their workers.

5.4 Video teams should be under the personal supervision and guidance of senior officers who has been entrusted election duty.

5.5 As and when required, the video teams may be asked to accompany the General Observers / Expenditure Observers so that all critical events observed by them may also be videotaped.

5.6 The videographers shall be impressed that the principle behind the scheme is to videograph the critical events only which are likely to vitiate the poll and not to just videotape all events in a routine manner in order to fill the cassette or CD.

6. The videographers, so engaged, shall be given proper briefing to enable them to record an independent and purposeful coverage of critical events relating to violation of election law and Model Code of Conduct. Particularly, the videography should be used as a tool of document and check the veracity of the election expenditure account being maintained by the contesting candidates. Thus, important public meetings, particularly those addressed by National / State level leaders of leading political parties, VIPs, rallies organised by supporters of contesting candidates, vehicles used etc can be recorded in videography and information gathered can be used to cross check the correctness of the expenditure account being maintained by the contesting candidates.

Events to be videographed:- In the nature of guidelines, it is suggested that the following events shall invariably be videographed:

7.1 Important events such as nomination, scrutiny and withdrawal of candidatures.
7.2 Meeting addressed/attended by Ministers, top National/State level leaders of leading political parties.
7.3 Preparation of EVMs by ROs / EOs.
7.4 Riots or riotous situations or commissions of brick batting, free-for-all etc.

Note: These are illustrative and not exhaustive. All video and digital photography should be done with the date and time recording so that the real time and date can be verified

8. The idea underlying the videography is to secure unimpeachable evidence in respect of acts amounting to violation of Model Code of Conduct that can be used by the police for prosecuting persons in respect of election offences. The videography may therefore be so utilized as to serve the above purpose in particular and other purposes in general.

9. The Commission issued notifications for conduct of ordinary elections to Greater Warangal Municipal Corporation, Khammam Municipal Corporation and Achampet Nagar Panchayat in Mahabubnagar District vide references 1st and 2nd cited.

The State Election Commission by virtue of the powers vested under Sections 10 and 32 A GHMC Act, 1955, Section 10-B and 343 Y of the Telangana Municipalities Act, 1965 has, in the past, issued instructions to conduct peaceful, free and fair poll and maintenance of the law and order situation during such polls. In connection with the ensuing elections to the above said ULBs, the same are reiterated and issued in a consolidated form as under: -

2. The Commission being aware of the increasingly vicious role played by the criminality and muscle power at elections, has been directing a number of additional measures over and above the normal law and order arrangements, augmenting the prospects of peaceful, free and fair poll. These measures inter, alia include the deployment of Special Armed Police Forces to assist the law and order machinery in prevention of violence, orderly electioneering, prevention of defacing the public & private property, binding over the potential trouble creators, execution of pending NBWs regulation of vehicular traffic, regulation and ban on the sale of liquor in close proximity with the dates of poll and counting, seizure of illicit and unlicensed arms etc.

3. The Commission desires the Commissioner of Police, Warangal and Superintendent of Police, Khammam and Mahabubnagar to undertake the following prophylactic measures immediately and report regularly the progress and effect of these measures in the context of holding a peaceful, free and fair election:

(a) A special drive should be launched to compile the list of such persons as are reported to have indulged in electoral offences like booth capturing, intimidation, impersonation in each police station of each and every ward during the past at least

two elections and a list thus compiled may be shared with the concerned Returning Officer/Election Officer of the ULBs notified for elections and the Collectors & District Election Authorities concerned.

(b) A special drive should be launched to update the lists of history sheeters, declared absconders, fugitive criminals in each police station falling in each and every ward and record of such updated list be handed over to the Returning Officer/Election Officer of the ULBs notified for elections and the Collectors & District Election Authorities concerned, so as to enable them to forward to the Commission if and when asked for

(c) A special drive should be launched to effect the service of all pending warrants and filing of challans in each police station of each and every ward and fortnightly updated constituency-wise information of unserved warrants be made available to the Returning Officer/Election Officer of the ULBs notified for elections and the Collectors & District Election Authorities concerned, so as to enable them to forward to the Commission if and when asked for.

(d) A special drive should be launched to expedite the investigation and prosecution of all electoral offences registered in previous elections in each police station of each and every ward and a fortnightly report made available to the Returning Officer /Election Officer of the ULBs notified for elections. A copy of the same may also be extended to the Collectors & District Election Authorities concerned, so as to enable them to forward to the Commission if and when asked for.

(e) A special drive should be launched to unearth illicit liquor making factories and information about seizures made available to the Returning Officer / Election Officer of the ULBs notified for elections by the Commissioner of Police, Warangal and Superintendent of Police, Khammam and Mahabubnagar for every week. All restrictions provided in excise law on the storage of liquor in unlicensed premises shall be vigorously enforced. Section 610-A of GHMC Act, 1955 and 343 R of Telangana Municipalities Act, 1965 provides that no spirituous, fermented or intoxicating liquors or other substances of like nature shall be sold, given or distributed at a hotel, eating house, tavern, shop or any other place, private or public, within a polling area during the period of 48 hours ending with the hour fixed for conclusion of poll for any election in the polling area. Therefore 'Dry Day' shall be declared and notified under relevant state laws for the stipulated period for the poll areas. The day on which counting of votes is to be taken up, shall also be declared 'Dry Day'.

(f) Prohibitory orders under section 144 of the Criminal Procedure Code, 1973 shall be issued banning the carrying of licensed arms as soon as an election is announced and should be effective till the declaration of results.

(g) The Commissioner of Police, Warangal and Superintendent of Police, Khammam and Mahabubnagar should conduct a 100% scrutiny of licenses of arms and ammunition shops in the ULBs notified for elections with a view to ensuring that the records of their stocks are kept up-to-date and that their antecedents, recent involvement in irregularities, if any, and political leanings, if any, warrant a close

super checking and monitoring of their business during the days of active electioneering.

(h) Issue of license for arms will be totally prohibited in the jurisdiction of ULBs notified for elections during the period commencing with the date of announcement of elections. This ban will continue to be operative till the completion of the election process.

(i) A special drive should be launched in the ULBs notified for elections to unearth and seize unlicensed arms and ammunition. A very thorough search and seizure by the concerned Authorities of Police of unlicensed arms and places of indigenous manufacture of arms and ammunition shall be carried out and persons involved shall be arrested. While unearthing and seizure of unlicensed weapons is a normal ongoing responsibility of the police, it shall be intensified during the election period. Inter-district and intra-district movements of trucks and commercial vehicles shall be strictly checked with a view to preventing smuggling of arms and ammunition and anti-social elements.

(j) Immediately after the announcement of elections, the Commissioner of Police, Warangal and Superintendent of Police, Khammam and Mahabubnagar shall make a detailed and individual review and assessment (in accordance with the prevalent laws) of all license holders so that licensed arms in those cases where they consider it essential are impounded in order to ensure maintenance of law and order so essential for ensuring free and fair elections. These arms should be deposited with the district authorities. Among cases which may need to be reviewed are the following:

(a) Arms licenses of persons released on bail,

(b) Arms licenses of persons having a history of criminal offences, and

(c) Arms licenses of persons previously involved in rioting at any time but especially during the election period. (The above categories are only illustrative and not exhaustive)

(k) After such review, all such license-holders who are identified, shall be directed to deposit their arms with the District Administration during the period of one week from the last date for withdrawal of candidatures.

(l) The District Administration shall make foolproof arrangements for keeping the deposited firearms in safe custody. Proper receipt must be given to the license holders depositing the firearms. It shall be the bounden duty of the District Administration to ensure that all firearms deposited with the Administration are returned to the license holders promptly one week after the declaration of results.

(m) The sportsmen who are the members of National Rifle Association, at different levels, require to participate in various sporting events and the Commission has, therefore ordered that they will be exempted from these restrictions. This ban shall, also not be applicable to those communities who are entitled to display weapons by long standing law, custom and usage. This shall, however, not prevent the District Administration to impound weapons of any person, even from such

communities, if they are found to be indulging in violence or posing a threat to the maintenance of law and order and peaceful conduct of elections. In such cases too, the seized firearms shall remain impounded till one week after the declaration of results.

(n) Strict vigil shall be maintained by thorough checking of lorries, light vehicles and all other vehicles from three days before the date of poll to ensure that no undesirable elements or arms and ammunition are being transported into the jurisdiction of the ULBs notified for elections from outside and to apprehend them if they are doing so. Such checking of vehicles shall continue till the completion of the counting of votes and the declaration of results. As and when such culprits are apprehended, the arms and ammunition and vehicles concerned shall be confiscated as per the law.

(o) The Election Authority & Commissioner & Director of Municipal Adminstration, Telangana shall arrange for compilation of daily law & order report for each district in format prescribed in the proforma (Form-II annexed) and for it's transmission to the Secretary, State Election Commission. The Commissioner of Police, Warangal and Superintendent of Police, Khammam and Mahabubnagar should not send this report directly to the Secretary, State Election Commission. Under Sec. 610A of the Greater Hyderabad Municipal Corporation Act, 1955 and Sec. 343R of the Telangana Municipalities Act, 1965, liquor shops have to be closed in the polling areas during the period of 48 hours prior to the hour fixed for conclusion of poll in Municipal elections and also on the counting day.

Further, bribing the voters by offering liquor to gain unfair edge is an election offence under Sec. 171-B and 171-E of IPC and also a corrupt practice under Sec. 17(1) of Greater Hyderabad Municipal Corporation Act, 1955 and Sec. 343A(1) of Telangana Municipalities Act, 1965.

During elections, suggestions are often received from general public, political parties, NGOs and the Press to curb the role of liquor in the elections to ULBs, which are keenly fought. The State Election Commission is of the view that, in order to conduct elections to the above said ULBs (to be notified shortly) in a free, fair and peaceful manner, it has to exercise all the powers within its reach to control the flow of liquor which is widely used as an inducement to garner votes illegally.

Keeping all these factors in view and in order to hold elections in a free, fair and peaceful environment, the State Election Commission in exercise of the powers conferred on it under Articles 243K and 243ZA of the Constitution of India, hereby, issues the following instructions to curb the role of liquor in the elections to Municipal bodies.

For effective checking of the vehicles, assistance of transport department may be obtained and joint checking of vehicles by excise and transport officers may be carried out.

9. Co-ordination among Excise Department officials of the said ULBs area and also areas bordering the said ULBs is essential for monitoring movement of IMFL, Beer and country liquor.

10. Nodal Officers for the said ULBs and also in the office of Excise Department should be identified to monitor the above aspects, conduct raids to seize illicit liquor.

2. TSEC Notification No.481/TSEC-ULBs/2016, dt:21.02.2016..
3. TSEC Order No. 1089/TSEC-L/2015, dated:17.02.2016

***

In the reference 1st & 2nd cited, the Telangana State Election Commission has issued notifications on 21.02.2016 for conduct of ordinary election to Greater Warangal Municipal Corporation, Khammam Municipal Corporation and Achampet Nagar Panchayat in Mahabubnagar District. Copies of the election notifications are enclosed herewith. As per the election programme, the date of poll is scheduled on 06.03.2016 and counting of votes on 09.03.2016.

Under Article 243K and 243 ZA of the Constitution of India, the Telangana State Election Commission is vested with the responsibility of conducting elections to Local Bodies in a free and fair manner providing a level playing field for all the contesting candidates and political parties by strictly implementing the provisions of the Model Code of Conduct and election law incorporated in various enactments such as GHMC Act, 1955, Telangana Municipalities Act, 1965 and Indian Penal Code, 1860 etc.

It was unambiguously made clear by a Constitutional Bench of the Hon'ble Supreme Court of India in its judgment dated 19.10.2006 in Kishan Singh Tomar vs Municipal Corporation of the city of Ahmedabad that, the Election Commission of India constituted under Article 324 of the Constitution of India and the State Election Commission constituted under Article 243 K and 243ZA of the Constitution of India

enjoy the same powers in the context of conduct of elections within their respective domains. It was also explicitly made clear that, the State Government have to recognize the significance of the State Election Commission, which is a Constitutional body and it shall abide by the directions of the commission in the same manner in which it follows the directions of the Election Commission of India during the elections for the Parliament and State Legislatures.

Bribing the voters by offering liquor to gain unfair edge is a election offence under Sec. 171-B and 171-E of IPC and also a corrupt practice under Section 17(1) of GHMC Act, 1955 and Sec.343(1) of Telangana Municipalities Act 1965. The Telangana State Election Commission is of the view that, in order to conduct elections to left over ULBs in a free, fair and peaceful manner, it has to exercise all the powers within its reach to control the flow of liquor, which is widely used as an inducement in elections to garner votes illegally by unlawful elements.

In the reference 3rd cited(copy enclosed), the Commission issued instructions regarding curbs on flow of liquor, closed of belt shops, monitoring of production, storage and distribution of liquor during election period.

The commission further directs to take the following measures to curb free flow of liquor from the date of issue of Election Notification till the completion of election process.

1. To close all the belt shops if any in the areas of the said three ULBs which were notified for the elections with immediate effect.
2. The production of IMFL/Beer/Country Liquor should be closely monitored with reference to production figures in previous year.
3. The off take of IMFL/Beer/Country Liquor from Central stocks in the areas of the ULBs notified for elections should also be watched and if there are major deviations then follow up trail should be established.
4. Stock limits of Licensed Stockists should not be allowed to exceed permissible limits. All the major stock points should be kept under close surveillance for round the clock check.
5. Daily receipt and off take of retail sellers in the areas of the ULBs notified for elections should be closely monitored.
6. Opening and closing time of liquor vending shops in the areas of the ULBs notified for elections should be meticulously followed.
7. To set up special check posts around the borders of the areas of the ULBs notified for the elections with sufficient Enforcement staff and kept strict vigil over the inflow of liquor in coordination with concerned officials in the neighboring areas.

8. To curb flow of illicit liquor and to bind over persons involved in such activity.
9. To declare dry-days under State law during forty-eight hours prior to the hour fixed for closure of the poll and also on the counting day in the areas of Urban Local Bodies notified for elections.

I, therefore, request you to take steps to implement the above measures including closure of belt shops during the ensuing elections to left over ULBs.

Yours faithfully,
Sd/- M. Ashok Kumar

Sir,

***

I wish to state that, the Telangana State Election Commission will notify elections to Siddipet Municipality in Medak District shortly.

In connection with the elections to the above said municipality, in the reference 1st cited (copy enclosed), the Commission issued orders for Constitution of one or more Flying Squads (FS) headed by an officer with magisterial powers and Static Surveillance Team (SST) with one magistrate and four Police Personnel for each ULBs.

The Flying Squad will (a) attend to all model code of conduct violations and related complaints; (b) attend to all complaints of threat, intimidation, movement of antisocial elements, liquor, arms and ammunition and large sum of cash for the purpose of bribing of electors etc.; (c) attend to all complaints regarding election expenditure incurred or authorised by the candidates / political party;(d) videograph,

all major rallies, public meetings or other major expenses made by candidates and political parties after the announcement of election by the Commission.

The Static Surveillance Team (SST) will watch on movement of illicit liquor, items of bribe or large amount of cash arms and ammunition and also movement of anti social elements. In the said order it was also specifically mentioned that, "the entire operation by SST shall be done in the presence of an Executive Magistrate and shall be videographed. As of now, the District Collector and few of Revenue Officers alone are vested with the Magisterial powers. It may be difficult for Revenue Officers to reach the spot in case of emergencies during elections, in order to utilize the powers under section 144 Cr.P.C. Unless Magisterial powers are conferred on an officer, preventive action by utilizing the provisions of Section 144 Cr.P.C and other Sections cannot be taken up by him. The responsible officer available on the spot on whom Magisterial power can be conferred under section 21 Cr.P.C is the who will be on the move and will be monitoring the law and order situation on the day of poll and also during the campaign period. It is therefore necessary to confer magisterial powers on Officers heading the Flying Squads and Static Surveillance Teams in their respective jurisdictions to be appointed in the ensuing elections to the above said ULBs from the date of issue of election notification to till the date of completion of election process and also to confer magisterial powers on Zonal Officers on the day before the day of poll and on the day of poll under section 21 Code of Criminal Procedure, 1973 and they be authorized to exercise the powers of executive magistrate under section 37,44,103,129 & 144 of Code of Criminal procedure, 1973. Such Magisterial powers were delegated to the zonal officers during the general elections to Legislative Assembly and Parliament and also local bodies.

During elections to local bodies in 2006, 2013 and 2014, the Government issued such orders conferring magisterial powers on Zonal Officers. A copy of the orders issued vide G.O.Rt.No. 834, Law (LA&J) – Home (courts)-B, Department, dated 20.6.2006, G.O.Rt.No. 1659 Law (LA&J-Home-Court-B) Department, dated

21.7.2013 and G.O.Rt.No. 472 Law (LA&J-Home-Court-B) Department, dated 27.03.2014 are enclosed herewith. The same practice has to be followed this time also.

The District Collector is already advised to send proposals indicating the names of the officers who will head Static Surveillance Teams, Flying Squads and Zonal Officers and the jurisdiction in which they will exercise the Magisterial Powers directly to the Government in Home Department.

I, therefore, request you to confer the Magisterial powers on the Officers heading the SSTs, FSs to be appointed in the ensuing ordinary elections to above said municipality from the date of issue of election notification to till the date of completion of election process and also on Zonal Officers on the day before the day of poll and on the day of poll as per the proposals submitted by the District Collector.

Cir.No.1027/TSEC-L/2015-3 Date:19.03.2016

Sub:- TSEC–Elections – Ordinary elections to Siddipet Municipality in Medak District – Daily report on law and order situation – Certain instructions issued – Regarding.

***

I wish to state that, the Telangana State Election Commission will notify elections to Siddipet Municipality in Medak District shortly.

The State Election Commission by virtue of the powers vested under Section 10-B and 343 Y of the Telangana Municipalities Act, 1965 has, in the past, issued instructions to conduct peaceful, free and fair poll and maintenance of the law and order situation during such polls. In connection with the ensuing elections to the above said Municipality, the same are reiterated and issued in a consolidated form as under: -

2. The Commission being aware of the increasingly vicious role played by the criminality and muscle power at elections, has been directing a number of additional measures over and above the normal law and order arrangements, augmenting the prospects of peaceful, free and fair poll. These measures inter, alia include the deployment of Special Armed Police Forces to assist the law and order machinery in prevention of violence, orderly electioneering, prevention of defacing the public & private property, binding over the potential trouble creators, execution of pending NBWs regulation of vehicular traffic, regulation and ban on the sale of liquor in close proximity with the dates of poll and counting, seizure of illicit and unlicensed arms etc.

3. The Commission desires the Superintendent of Police, Medak District to undertake the following prophylactic measures immediately and report regularly the progress and effect of these measures in the context of holding a peaceful, free and fair election:

(a) A special drive should be launched to compile the list of such persons as are reported to have indulged in electoral offences like booth capturing, intimidation, impersonation in each police station of each and every ward during the past at least two elections and a list thus compiled may be shared with the concerned Returning Officer/Election Officer of the said Municipality and the Collector & District Election Authority, Medak District.

(b) A special drive should be launched to update the lists of history sheeters, declared absconders, fugitive criminals in each police station falling in each and every ward and record of such updated list be handed over to the Returning Officer/Election Officer of the said Municipality and the Collector & District Election Authority, Medak District, so as to enable them to forward to the Commission if and when asked for

(c) A special drive should be launched to effect the service of all pending warrants and filing of challans in each police station of each and every ward and fortnightly updated constituency-wise information of unserved warrants be made available to the Returning Officer/Election Officer of the said Municipality and the Collector & District Election Authority, Medak District, so as to enable him to forward to the Commission if and when asked for.

(d) A special drive should be launched to expedite the investigation and prosecution of all electoral offences registered in previous elections in each police station of each and every ward and a fortnightly report made available to the Returning Officer /Election Officer of the said Municipality. A copy of the same may also be extended to the Collector & District Election Authority, Medak District, so as to enable him to forward to the Commission if and when asked for.

(e) A special drive should be launched to unearth illicit liquor making factories and information about seizures made available to the Returning Officer / Election Officer of the said Municipality by the Superintendent of Police, Medak District for every week. All restrictions provided in excise law on the storage of liquor in unlicensed premises shall be vigorously enforced. Section 343 R of Telangana Municipalities Act, 1965 provides that no spirituous, fermented or intoxicating liquors or other substances of like nature shall be sold, given or distributed at a hotel, eating house, tavern, shop or any other place, private or public, within a polling area during the period of 48 hours ending with the hour fixed for conclusion of poll for any election in the polling area. Therefore 'Dry Day' shall be declared and notified under relevant state laws for the stipulated period for the poll areas. The day on which counting of votes is to be taken up, shall also be declared 'Dry Day'.

(f) Prohibitory orders under section 144 of the Criminal Procedure Code, 1973 shall be issued banning the carrying of licensed arms as soon as an election is announced and should be effective till the declaration of results.

(g) The Superintendent of Police, Medak District should conduct a 100% scrutiny of licenses of arms and ammunition shops in the ULBs notified for elections with a view to ensuring that the records of their stocks are kept up-to-date and that their antecedents, recent involvement in irregularities, if any, and political leanings, if any, warrant a close super checking and monitoring of their business during the days of active electioneering.

(h) Issue of license for arms will be totally prohibited in the jurisdiction of said Municipality during the period commencing with the date of announcement of elections. This ban will continue to be operative till the completion of the election process.

(i) A special drive should be launched in the said Municipality notified for elections to unearth and seize unlicensed arms and ammunition. A very thorough search and seizure by the concerned Authorities of Police of unlicensed arms and places of indigenous manufacture of arms and ammunition shall be carried out and persons involved shall be arrested. While unearthing and seizure of unlicensed weapons is a normal ongoing responsibility of the police, it shall be intensified during

the election period. Inter-district and intra-district movements of trucks and commercial vehicles shall be strictly checked with a view to preventing smuggling of arms and ammunition and anti-social elements.

(j) Immediately after the announcement of elections, the Superintendent of Police, Medak shall make a detailed and individual review and assessment (in accordance with the prevalent laws) of all license holders so that licensed arms in those cases where they consider it essential are impounded in order to ensure maintenance of law and order so essential for ensuring free and fair elections. These arms should be deposited with the district authorities. Among cases which may need to be reviewed are the following:

(a) Arms licenses of persons released on bail,

(b) Arms licenses of persons having a history of criminal offences, and

(c) Arms licenses of persons previously involved in rioting at any time but especially during the election period. (The above categories are only illustrative and not exhaustive)

(k) After such review, all such license-holders who are identified, shall be directed to deposit their arms with the District Administration during the period of one week from the last date for withdrawal of candidatures.

(l) The District Administration shall make foolproof arrangements for keeping the deposited firearms in safe custody. Proper receipt must be given to the license holders depositing the firearms. It shall be the bounden duty of the District Administration to ensure that all firearms deposited with the Administration are returned to the license holders promptly one week after the declaration of results.

(m) The sportsmen who are the members of National Rifle Association, at different levels, require to participate in various sporting events and the Commission has, therefore ordered that they will be exempted from these restrictions. This ban shall, also not be applicable to those communities who are entitled to display weapons by long standing law, custom and usage. This shall, however, not prevent the District Administration to impound weapons of any person, even from such communities, if they are found to be indulging in violence or posing a threat to the

maintenance of law and order and peaceful conduct of elections. In such cases too, the seized firearms shall remain impounded till one week after the declaration of results.

(n) Strict vigil shall be maintained by thorough checking of lorries, light vehicles and all other vehicles from three days before the date of poll to ensure that no undesirable elements or arms and ammunition are being transported into the jurisdiction of the ULBs notified for elections from outside and to apprehend them if they are doing so. Such checking of vehicles shall continue till the completion of the counting of votes and the declaration of results. As and when such culprits are apprehended, the arms and ammunition and vehicles concerned shall be confiscated as per the law.

(o) The Election Authority & Commissioner & Director of Municipal Administration, Telangana shall arrange for compilation of daily law & order report in format prescribed in the proforma (Form-II annexed) and for it's transmission to the Secretary, State Election Commission.
