TELANGANA STATE ELECTION COMMISSION

HYDERABAD

PREFACE

Parts IX A and IX B were added to the Constitution through 73rd and 74th Amendment Acts, 1992 with an objective to impart robustness to Panchayat Raj Institutions (PRIs) and Urban Local Bodies (ULBs) at the grass root level. Earlier the PRIs & ULBs were based on State Legislations and enjoyed little autonomy as evidenced by frequent dissolutions and long periods of official rules as a result of non-conduct of elections regularly. The 73rd & 74th Amendments strengthened the Local Governments by giving them a formal status somewhat akin to that of "Union" and "States" enabling them to become vibrant units of Administration by establishing strong and democratic Local Administration for rapid development of the Country.

Article 243-E and 243-U of Constitution guarantees full term to the local Governments and mandate regular conduct of elections even before the retirement of the ongoing bodies. The Constitution in article 243-K and 243-Z provided for establishment of State Election Commission under whose Superintendence, direction and control the electoral rolls shall be prepared and elections conducted. The State Election Commissioner is appointed by the Governor of the State and enjoys like status of the Judge of the High Court.

Following the dictum in Article 243 K (4) and in Article 243 ZA (2) of the Indian Constitution, the State Legislature enacted separate Acts for Panchayats and Municipalities/Municipal Corporations, providing for all matters, relating to, or in connection with, elections to Panchayats and Municipalities respectively.

I. INTRODUCTION

Article 40 of Indian Constitution calls upon the State to take steps to organise Village Panchayats and endow them with such powers and authority as may be necessary to enable them to function as units of self Government.

Taking a cue from the allocation of the subject of local Governments to the States, most of the States have instituted both rural and urban local bodies in their respective States. However, it is observed that these institutions have not been able to acquire the status and dignity of viable and responsible peoples bodies due to number of reasons including absence of regular elections, prolonged supersession, insufficient representation of weaker sections like SC, ST and Women, inadequate devolution of powers and financial resources.

With a view to rectify the situation 73rd and 74th Amendments were made to Indian Constitution during the year 1992, where by specific provisions have been incorporated in to the Constitution so as to ensure regular elections, fixed tenure, reservations to the SCs, STs and Women, devolution of powers and responsibilities, structured financial devolution to the Panchayat Raj Institutions and Urban Local Bodies in the Country. Consequently the Acts on Panchayat Raj Institutions and Urban Local Bodies have been renewed to comply with the goals and objectives of these constitutional amendments.

1. State Election Commission:

The superintendence, direction and control of the preparation of Electoral Rolls for conduct of all elections to the local bodies are vested in the State Election Commission consisting of State Election Commissioner. The State Election Commissioner has been endowed with the status of a High Court Judge with similar conditions of service. The Governor of the State is obliged to make available to the State Election Commissioner such staff as may be necessary for the discharge of the functions conferred on the State Election Commissioner.

2. Election Processes:

The Constitution made specific provisions for the delimitation of constituencies, reservation of seats, security of tenure and periodicity of elections. The Constitution bars interference by courts in electoral matters and provides for resolution of election disputes only through election petitions.

The four essential steps involved in the elections are:

A. Delimitation of Constituencies
B. Reservation of seats
C. Preparation and publication of electoral rolls and setting up of polling stations and
D. Conduct of elections.

The State Acts on Panchayats and Municipalities entrusted the first two steps to the State Government, while the subsequent steps are vested in the State Election Commission. This is in variance from the situation provided for by the Representation of People Act, 1950 and 1951, wherein all the four steps are entrusted to Election Commission of India as far as elections to Legislative Assemblies and Parliament are concerned.

(i) Ordinary Elections: All the Ordinary elections are mandated to be conducted in advance i.e. within (3) months before the retirement of the ongoing house/body.

(ii) Casual Elections: They are to be held as and when the contingency arises. The concerned authorities are required to report the occurrence of any such vacancy to the State Election Commission promptly within (15) days of such occurrence. The State Election Commission in turn is required to complete the election process within four months from the date of such occurrence provided no such election is deemed necessary where the balance duration of the House/post is for a period of less than (6) months.

(iii) Elections for Dissolved Bodies: In all cases where a local body is dissolved, the restitutional elections must be held within a period of (6) months from the date of its dissolution. However, no election need be conducted if the remainder of the period for which the dissolved institution would have continued is less than six months.

3. Publication of Electoral Rolls of Local Bodies:

Electoral Rolls for Panchayat Raj Institutions are prepared following the provisions made in Sections 11 and 12 of the Telangana Panchayat Raj Act,1994 and for Municipal Corporations Section 12 (1) of the GHMC Act, 1955 and for Municipalities and Nagar Panchayths Section 11 (1) of Telangana Municipalities Act, 1965. However, the methodology is uniform as delineated here under.

A. The local body electoral rolls are prepared based on the latest electoral rolls of the Assembly Constituency published under Representation of Peoples Act, 1950 along with all the changes upto the date of election notification incorporated. As per law, the Electoral Rolls of the Assembly Constituency are as it is recast in to the particular local body constituencies (GP Member, Sarpanch, MPTC, ZPTC, Ward member, Corporator etc) in toto without any changes. Hence any change required must first be made in the Legislative Assembly

Electoral Rolls for them to be represented in the Electoral Rolls of the Local bodies.

B. The electoral rolls shall be prepared and published in the prescribed manner with reference to the qualifying date before each ordinary/casual election.

C. The electoral rolls shall be prepared and published in any year, in the prescribed manner, by reference to the qualifying date, if so directed by the State Election Commission.

D. The Electoral Rolls are divided into as many parts as there are wards/constituencies.

E. Every person whose name is found in the electoral rolls relating to a constituency/ward is entitled to vote at any election which takes place in such constituency/ward, and no person whose name is does not appear in such part can vote at any such election.

4. Publication of List of Polling Stations:

A. Polling stations are set up @ one each for approximately 1200 voters.

B. There should be continuity/constancy as far as the buildings/locations of the polling stations are concerned.

C. Polling stations should be close to the polling areas and in no case farther than 2 Kms. from any point in the polling area.

D. Polling stations are to be finalised after due consultation with political parties.

3. Use of EVMs in PR Polls:

The united SEC followed traditional method of poll i.e. Ballot Papers in all the PRI elections in the State. TSEC recognising the ease and efficiency in the use of EVMs, decided to employ EVMs in the polls for PR bodies also to the extent feasible especially in the context of limited availability of EVMs. Towards this end the Manuals and Rule books were updated. EVMs were used to conduct the elections of Gram Panchayats where ever the vacancies arose only for the posts of Sarpanchas. However, EVMs were used in large Gram Panchayats such as Nakrekal and Kaverammapet GPs in the districts of Nalgonda and Mahabubnagar respectively for the seats of both the Ward Members and Sarpanchas during December,2015. The elections to MPTCs and ZPTCs were conducted only with EVMs.

4. Elections to the Urban Local Bodies:

Initially casual vacancies of Ward Members for 16th Ward of Mancherial Municipality of Adilabad District and 4th Ward of Ramagundam Municipal Corporation were conducted during the Month of December, 2015. The overdue 3rdOrdinary Elections to Greater Hyderabad Municipal Corporation and 4th Ordinary Elections to the Greater Warangal Municipal Corporation and Khammam Municipal

Corporations were conducted during January and February,2016. VVPAT machines were used for the first time in the State in the election for Khammam Municipal Corporation on pilot basis. Ordinary Elections to Achampet Nagar Panchayat and Siddipet Municipality were conducted during February and April,2016 respectively.

D.O.Lr.No.285/TSEC-PR/2015, Dated:30.05.2015

Dear Shri. J. Raymond Peter,

Sub: TSEC – Elections to Rural Local Bodies – Judgment of the Hon'ble Supreme Court dated: 27.09.2013 regarding provision for 'None of the Above (NOTA) option on EVM / Ballot Paper in elections held under R.P. Act, 1951 to State Legislative Assembly and House of People – Applicability of the judgment to local body elections – Proposals were sent for amendment to Telangana Panchayat Raj (Conduct of Elections) Rules, 2006 to provide for NOTA option – Reg.

Ref: 1. Lr. No. 73/SEC-B1/2014, dtd: 26.02.2014 of SEC of united State of Andhra Pradesh.
2. G.O.Ms.No.9 PR&RD (Mdl) Dept dated: 12.09.2014.
3. G.O.Ms.No.12 PR&RD (Mdl) Dept dated: 27.09.2014.

***

I invite your kind attention to the references cited.

In the reference 1st cited, the State Election Commission of united State of Andhra Pradesh requested the then Government to consider the proposal for amendment to AP Panchayat Raj (Conduct of elections) Rules, 2006 to provide for 'None of the Above (NOTA)'option in elections to Rural Local Bodies in consultation with Law Department (Copy enclosed). This is in pursuance of the Judgment of the Apex Court (Supreme Court of India) in WP (Civil) No. 161 of 2004. Government of India and Election Commission of India have made necessary meds to the election rules facilitating adoption of 'NOTA' option.

Since, the legal provisions and operational procedures followed in case of elections to Local Bodies are identical to those followed in case of LA / HOP elections, the 'None of the Above (NOTA)' option as is already implemented in elections to both Legislative Assembly / HOP, requires to be implemented by the State election Commission also.

Therefore, the Government is requested to consider the proposal for amendment of Telangana Panchayat Raj (Conduct of Elections) Rules, 2006 to provide for 'None of the Above (NOTA)' option in elections to Rural Local Bodies in consultation with Law Department. An attested copy of the proposal submitted in the reference 1st cited is enclosed for further action.

Yours sincerely,
Sd/-

Lr. No.1478/SEC-F1/2014, Dt:23.09.2014

To

1. The Principal Secretary to Government (MA), Municipal Administration & Urban Development, Government of Telangana.
2. The Commissioner, Greater Hyderabad Municipal Corporation, Hyderabad.

Sir,

Sub: State Election Commission – Representation received from Sri. M. Padmanabha Reddy, Secretary, Forum for Good Governance, Hyderabad requesting the State Election Commission to take steps to conduct General Elections to GHMC before expiry of term of existing elected body on 03.12.2014 AN – Forwarded – Reg.

***

I am forwarding a copy of the letter dtd.18.09.2014 received from Sri M. Padmanabha Reddy, Secretary, Forum for Good Governance, Hyderabad requesting the State Election Commission to take necessary steps to conduct General Elections to Greater Hyderabad Municipal Corporation before expiry of the term of existing elected body on 03.12.2014 AN.

In this connection, your attention is drawn to two important judgements relevant in the context of conduct of General elections to GHMC:-

1) The Hon'ble Supreme Court of India in its landmark judgement dtd. 19.10.2006 in Appeal (Civil) 8756 of 2005 in Krishan Singh Tomar Vs. Municipal Corporation of The City of Ahmedaad unambiguously made it clear that the State Election Commission and the State Government shall carry out the mandate of the Constitution as provided under Article 243 U(3)(a) to see that election to an urban local body is conducted before the expiry of its five year term. The Apex Court also observed that the State election Commission constituted under Article 243K/243ZA of the Constitution of India and the election Commission of India constituted under Article 324 enjoy similar powers within their respective domains and the Government shall render necessary cooperation to the Commission to comply with the Constitutional mandate to conduct elections in time. It was also observed that wherever the Government failed to render necessary cooperation to the Commission shall approach the High Court first and thereafter

the Supreme Court of India to achieve the above object of timely elections (copy of Judgment enclosed).

2) The Hon'ble High Court in its interim orders dtd.05.08.2014 in W.P. No. 20280 of 2014 directed the Government in M.A. & U. D. Department and the GHMC to carry out the delimitation of wards as per G.O.Ms.No.570, MA & UD (Elec.2) (MA) Dept., dtd.06.11.1996 at the earliest and also that only after such delimitation is done, elections shall be held to GHMC (copy enclosed).

The General Elections to GHMC have to be held comply with the orders passed by the Apex Court and the High Court in the above mentioned judgments. As per the judgment of the Apex Court, General elections to GHMC shall be held before expiry of its term on 03.12.2014 as mandated under Article 243-U(3)(a) of the Constitution of India. Before notifying elections, the delimitation has to be done by the Government and GHMC as directed by the Hon'ble High Court.

The State election Commission requires 35 days time to complete direct elections to Ward Members (28 days) and indirect elections to Mayor/Deputy Mayor (7days). The Election Notification is to be issued in the last week of October 2014 to see that the election process is completed before expiry of the term. The Government is, therefore, required to complete the process of delimitation of wards and reservation of seats in respect of GHMC well before the third week of October 2014.

The Government and the GHMC are requested to chalk out the schedule for delimitation of wards and reservation of seats keeping in view the outer limit for completion of such exercises and communicate the reservation information to the Commission by not later than 28th of October 2014 so as to enable the Commission to complete the election process before the expiry of term of GHMC on 03.12.2014 AN complying with the two aforementioned judgments.

Yours faithfully

Petition under Section 151 of C.P.C. Praying that in the circumstances stated in the affidavit filed in the W.P., the High Court may be pleased to direct the 1st and the 2nd Respondent to take appropriate steps to notify, conduct and complete the elections to the Greater Hyderabad Municipal Corporation on the basis of the 2011 Census, within a period of 3 months, pending disposal of PIL No.3 of 2015 on the file of the High Court.

The Court made the following

ORDER: (per the Hon'ble The Chief Justice Sri Kalyan Jyoti Sengupta)

Having regard to the facts and circumstances of the case, we are of the view that pending decision in main case, suitable interim order is required to be taken.

We decide to hear out finally the Miscellaneous Application for granting interim relief.

Learned counsel for the petitioner states that election to Greater Hyderabad Municipal Corporation may be held as early as possible as the impugned Section is patently unconstitutional. This cannot defeat the constitutional mandate and it seems operation of the impugned G.O. enables to appoint the Commissioner as a Special Officer in terms of the impugned Section. Learned counsel for the petitioner prays for holding election within three months. In support of aforesaid prayer, he has produced a document showing that within three months, it is possible to hold election.

Counter-affidavit has been filed in this matter. It appears that the State Government is to make all arrangement for holding election to the Greater Hyderabad Municipal Corporation. However, according to them, it is not possible to complete the election within a period of three months. In the counter-affidavit, the reasons for impossibility for holding election within three months has been explained and it appears from the explanation that various steps or measures are to be taken and it is explained as under:

	Time required	102 days	

It appears that the first stage, namely, delimitation to increase wards into 200 for proper representation is already over and remaining stage is required to be completed. We find that there are certain exercises, which require time as per the provision of law, the Court cannot cut down the same. But, for the other exercise i.e. groundwork for starting election, we think that the time suggested by the State is not absolutely reasonable, however having regard to the averments made that in view of non-allocation of number of Officers and staff. Consequent upon bifurcation of the State of Andhra Pradesh, the other works cannot speed up. We feel this time frame is exaggerated. We have looked into each and every stage. We think that this groundwork can be completed within a period of six months from date. Therefore, the State Government is directed to complete this ground work within 31st October, 2015 without fail. We make it clear that no extension under any circumstances will be granted.

Learned counsel for the Election Commission appears and submits that the Commission requires statutory time of at least 45 days for completing the election. In view of this submission and taking note of the statutory provision, we direct the State Election Commission to complete the election without fail by 15th December, 2015 and all steps are to be taken accordingly. After election is over, the Special Officer shall handover the charge forthwith to the appropriate officials.

This Miscellaneous Application is accordingly disposed of.

To

Sir,

Sub :- GHMC Elections – Interim Orders passed by the Hon'ble High Court of Judicature for State of Telangana and Andhra Pradesh – Advised for conduct of elections – Regarding.

Ref:- Interim Orders of Hon'ble High Court of Judicature of State of Telangana and AP., High Court, Dt.27.04.2015.

Please see the references cited.

The Hon'ble High Court of Judicature at Hyderabad for State of Telangana and Andhra Pradesh directed to complete the pre-election activities by October 31st 2015 and elections to Greater Hyderabad Municipal Corporation by 15th December 2015. The following pre-election steps require to be completed by October 31st 2015:

1. Delimitation of Wards.
2. Preparation and Publication of Ward-wise Electoral Rolls and deciding of polling stations.
3. Allocation and allotment of reservations.

While the steps one and three fall in the domain of Government, the step two is to be dealt under the direction and superintendence of State Election Commission.

Most part of these steps are sequential in nature and step 2 is a pre-requisite for the Government to initiate reservation process. Hence, the Government is requested to indicate the time by which, delimitation process would be completed based on which, the State Election Commission shall draw up the programme for preparation and publication of ward-wise Electoral Rolls followed by fixation of polling stations. This entire process of step-2 may take about two months. However, part of the work i.e., preparation of ward-wise list of polling stations can run simultaneously with reservation process to be taken up the Government. Under these circumstances, if the Government can complete delimitation process by end of June 2015, the State Election Commission will then be able to finalize the Ward-wise Electoral Rolls by first fortnight of August 2015 enabling Government to initiate the reservation process.

Considering that the Electoral Rolls prepared by the Election Commission of India are going to be used as based rolls for preparation of ward-wise electoral rolls and also noting that there is a shortage of time, care may be taken to avoid division of polling stations of Assembly Constituencies between / amongst the proposed Municipal Wards in such a case the process of Ward-Wise Electoral Rolls preparation can be completed swiftly.

I, therefore, request you to complete delimitation process early so that all the pre-election process can be completed by 31st October, 2015 enabling the State Election Commission to hold elections to GHMC before 15th December, 2015.

Yours faithfully,

The Election Authority & Commissioner & Special Officer, GHMC vide reference 4th cited has informed the Commission that, as per the revised schedule on the completion of Pre-revision activities in connection with the conduct of Ordinary Elections to GHMC will be finalized by 07.07.2015 and published by 10.07.2015.

The Commission vide reference 5th cited has requested the Government in MA & UD Department and EA & Commissioner & Special Officer, GHMC to confirm the completion of delimitation of Wards immediately, so as to commence the process of Electoral Rolls preparation and publication in order to comply with the provisions of Constitution and orders of the Hon'ble High Court.

While marking a copy to the Commission, the Government in MA & UD Department, Telangana vide reference 6th cited has requested the Commissioner, GHMC to furnish the status report on Delimitation of Wards of GHMC to the Government for further necessary action.

Further as per directions of the Hon'ble High Court vide reference 1st cited, the pre-election exercises i.e., finalization of delimitation of Wards and reservations of the GHMC shall be completed by the Government before 31.10.2015 and elections to GHMC shall be completed by 15th December, 2015.

As, the Government has not finalized the Pre-revision activity till date, the Commission could not commence next step of preparation and publication of Ward wise electoral rolls followed by the publication of Ward-wise list of polling stations. Article 243 U (3) of Indian Constitution mandates constitution of new municipal body even before the expiry of the duration of the existing body. Section 7 of the Greater Hyderabad Municipal Corporation Act, 1955 requires holding of general election within 3 months, before to the day set for the retirement of the members. Consequent to the default of the above events, a PIL has been filed by the Forum for Good Governance in the Hon'ble High Court. On this petition the Hon'ble High Court at Hyderabad in PILM No.6 of 2015 under PIL No.3 of 2015 dated 27th April, 2015 issued directions to the Government to complete the pre-election work before 31st October, 2015 and the State Election Commission to conduct election by 15th December, 2015 without any fail.

With a view to obtain the inputs from the concerned and also to formulate detailed program to conduct GHMC elections in time, the TSEC convened a meeting with the Principal Secretary, MA&UD, SO & Commissioner, GHMC, C&DMA and other officials of the Government on 25.05.2015 and chalked out a plan. As per the plan submitted by the Special Officer & Commissioner, GHMC vide his Lr.No.820/Elecs/GHMC/2015-466, dt.07.06.2015, the delimitation work is to be completed by 10.07.2015.

The other important mile stones are:

(i) Preparation of Ward-wise and Polling Station wise Electoral Rolls by 09.08.2015.
(ii) Completion of Reservations by 21.10.2015.
(iii) Completion of all the pre-election work by 31.10.2015.

Since no information on progress of the events was forthcoming from the Commissioner, GHMC, letters were issued vide references 4th and 6th cited requesting him to indicate the status of pre-election work especially relating to the delimitation since that becomes pre-cursor for the preparation and publication of photo electoral rolls. The Municipal Commissioner and Election Authority has not responded to this request at all. Under these circumstances, the State Election Commission was forced to initiate further action under their jurisdiction.

The TSEC issued notification No.647/TSEC-ULBs/2015, dated.28.08.2015 directing the Deputy Commissioners of the GHMC and the designated officers to publish the ward-wise photo electoral rolls on 09.10.2015. The Chief Electoral Officer, Telangana State was requested vide this office Lr.No.647/TSEC-ULBs/2015, dt.28.08.2015 to spare the electoral rolls of the concerned Assembly Constituencies to enable the designated Officers to prepare and publish the ward-wise photo electoral rolls of GHMC. The SO & Commissioner, GHMC was also requested through this office letter No.379/TSEC-ULBs/2015, dated 03.09.2015 to furnish ward-wise list of Returning Officers and Asst. Returning Officers. Further, instructions were issued in Circular No.707/TSEC-ULBs/2015, dated 16.09.2015 by the Commission fixing the schedule for preparation and publishing the list of polling stations by 10.11.2015.

Even at this stage, the Election Authority and the Commissioner, GHMC exhibited the same non-responsive attitude i.e., neither responded nor requested for any further interventions till 29.09.2015. Instead of complying with mandatory requirements referred to above, the SO & Commissioner, GHMC through his letter No.2003/Elections/GHMC/2014-1038, Dated 29.09.2015 but received in this office on 03.10.2015, requested for postponement of the elections to the GHMC by 204 days. Obviously this is a pointless communication since the schedule was ordered by the High Court and consequently they only can change it. Nevertheless, the Commission, in the context of the prevailing orders of the Hon'ble High Court, informed about it's inability to accede to the request vide letter No.31/TSEC-ULBs/2015, dated 06.10.2015.

Subsequent D.O.Letter to the S.O. & Commissioner, GHMC in the reference 10th cited requesting for status of further action also went unanswered and unresponded to.

Implementation of the notifications and orders issued by the SEC is the responsibility of the Election Authority and Commissioner, GHMC and other officers designated for the purpose. Breach of official duty in connection with the preparation, etc., of electoral rolls is an Offence as per section 15 of the GHMC Act, 1955. As per Section 32 A (1) of the GHMC Act, 1955 any officer or staff employed in connection with preparation, revision and correction of the electoral rolls for, and the conduct of all elections shall be deemed to be on deputation to the State Election Commission for the period during which they are so employed and such officers and staff shall during that period, be subject to the control, superintendence and discipline of the State Election Commission.

It is clear from the foregoing account that the Special Officer and Municipal Commissioner, GHMC Sri Somesh Kumar, I.A.S., has committed the following acts that amount to mis-conduct.

(i) He has not maintained absolute devotion to duty.
(ii) He has failed to perform the task assigned to him within time and the quality of performance as expected.

The State Election Commission has an important obligation under the Constitution to conduct elections for local bodies in time. For doing this, the State Election Commission has no other go but to depend upon the employees of the State Government. If senior Government Officials failed to set good example in performing their duties, it will be difficult to expect the same from the rest of the staff.

Hence, the Government are requested to take suitable action against the Officer and post the State Election Commission with the final status.

Yours faithfully,
Sd/-V. Nagi Reddy

AFFIDAVIT

I, M. Ashok Kumar, s/o M. Lakshminarayana, aged 57 Years, Secretary, State Election Commission, Telangana D.T.C.P. Buildings, A.C. Guards, Hyderabad, do hereby solemnly affirm, state on oath as follows:

2. I am the Secretary of the State Election Commission, Telangana and as such I am well acquainted with the facts of the case.

3. It is submitted that PIL No. 3 of 2015 is filed for a direction in declaring the action of the Respondents therein in not conducting elections to the Greater Hyderabad Municipal Corporation as illegal, arbitrary and in violation of Article 243 (U) of the Constitution of India and for declaring Section 70 (G) of Greater Hyderabad Municipal Corporation Act, 1955 (GHMC Act) as ultra-vires Article 243 (U) (3) (a) of the Constitution of India and for consequential directions.

ATTEESTOR DEPONENT

4. It is submitted that, this Hon'ble Court by an order dated 27.04.2015 directed the State Government to complete the ground work for starting the elections within a period of six months, i.e. by 31.10.2015. Further this Hon'ble Court taking into consideration that the State Election Commission requires statutory time of 45 days for completing the election directed to complete the election without fail by 15.12.2015 and directed to take all steps as required to be taken accordingly.

5. It is respectfully stated that, the ground work for starting the elections includes (a) delimitation of wards; (b) preparation and publication of ward-wise Electoral Rolls and setting of Polling Stations; and (c) allocation and allotment of reservations. The delimitation of wards falls within the domain of the State Government in terms of Section 8 of the GHMC Act, 1955. Thereafter, the preparation and publication of ward-wise electoral rolls would be under the direction and superintendence of the State Election Commission. Simultaneously or subsequently, allocation and allotment of reservation of wards can be undertaken by the State Government in terms of Section 5 (2) of the GHMC Act, 1955. Thereafter, the elections are to be conducted under the supervision of the State Election Commission.

6. It is submitted that, the State Election Commission issued a notification dated 28.08.2015 notifying 09.10.2015 as the date for publication of ward-wise photo electoral rolls. In response to the same, the 3rd respondent addressed a letter dated 29.09.2015 to change the date of notification for preparation and publication of ward-wise electoral rolls on the premise that delimitation of wards and completion of pre-election process requires some more time. Therefore, since the pre-election process is not completed as on date, the State Election Commission will not be in a position to complete the election process by 15.12.2015 as specified in the order dated 27.04.2015.

7. It is respectfully stated that, in terms of Article 243 (K) and Article 243 (ZA), the State Election Commission has to function independently in the matter of superintendence, direction and control of preparation of electoral rolls and conduct of elections to the Municipal Corporations subject to the Law applicable to the Municipal Corporations. The GHMC Act, 1955, empowers the State Government to prescribe the division of the Municipal Corporations into wards for the purpose of elections (Section 8) and composition of the elected members of the Corporation including reservation of seats (Section 5). Thus the role of the State Election Commission in conducting the elections is subject to the above provisions of law. Therefore, the State Election Commission can conduct the elections only after the ground work/pre-election process is completed.

8. It is respectfully stated that, this Hon'ble Court while granting 45 days of statutory time for completion of election from 31.10.2015, directed to complete the election without fail by 15.12.2015. The said time limit may be modified, as it would not be possible for the State Election Commission to conclude the elections by 15.12.2015, for the reasons stated above. Therefore, the Hon'ble Court may modify the order by granting 45 days time from the date of completion of ground work, for conducting and concluding the elections to GHMC.

ATTEESTOR DEPONENT

It is therefore prayed that the Hon'ble Court may be pleased to clarify/modify the Para stated in the order dated 27.04.2015 as extracted below -

"Learned counsel for the Election Commission appears and submits that the Commission requires statutory time of at least 45 days for completing the election. In view of this submission and taking note of the statutory provision, we direct the State Election Commission to complete the election without fail by 15th December, 2015 and all steps are to be taken accordingly. After election is over, the Special Officer shall hand over the charge forthwith to the appropriate officials"
and grant time of 45 days from the date of completion of the ground work by the Respondents 1 and 3 in PIL No. 3 of 2015 and pass such other order or orders as this Hon'ble Court may deem fit and proper in the interest of justice.

Sworn and signed before me,
On this the day 26th of October, 2015
At Hyderabad. DEPONENT

***

The State Election Commission, Telangana is contemplating to notify ordinary elections to the GHMC shortly.

In pursuance of the notification already issued vide reference cited by the State Election Commission, Telangana Ward-wise Photo Electoral Rolls of GHMC is scheduled to be published on 24.11.2015 duly adopting the Assembly Electoral Rolls with reference to 01-01-2015 as the qualifying date with supplements till date by the Deputy Commissioners of GHMC concerned.

As per the provisions of GHMC Act, 1955 and rules issued thereunder, after publication of Ward-wise Photo Electoral Rolls of GHMC, any inclusions or deletions or corrections ordered by the Electoral Registration Officers concerned in the Assembly electoral rolls under the jurisdiction of GHMC, on the applications filed under continuous revision under sections 22 or 23 of the RP Act, 1950 till the date of issue of election notification shall be carried out in the respective Ward-wise Photo Electoral Rolls of the GHMC.

Many complaints are received from the general public and public representatives about missing names in the electoral rolls, refusal to carry out inclusion in periods others than during summary revision or intensive revision and pending enquiry in E-filing of voter registration etc. The election process is often hampered by litigation on these issues. Many judgements were delivered by the Hon'ble High Court on the subject. The Hon'ble High Court has made a specific observation that even though continuous updation is undertaken under the supervision, direction and control of the Election Commission of India, the State Election Commission is also responsible for processing of applications filed under continuous revision from the date of publication of ward-wise electoral roll of the local body (duly adopting Assembly Electoral Roll) till the date of issue of election notification in view of the fact that Article 243-K and 243-ZA of the Constitution of India cast the responsibility of preparation and publication of electoral roll of the local bodies on the State Election Commission. There were instances in the local body elections, where applications for inclusions/deletions were processed but final orders were not passed before the deadline fixed by the SEC giving scope for litigation which made the SEC to pass orders invoking its plenary powers under

article 243K to process and pass final orders on those applications where the election process was underway.

The process contemplated under sections 22 or 23 of the RP Act, 1950 is continuous in nature and it is a real challenge for the Electoral Registration Officers to process all applications filed and pass suitable orders on the same. The Registration of Electors Rules,1960 issued thereunder and the provisions of RP Act stipulate the procedure for processing of applications filed under sections 22 or 23 of the RP Act 1950. Under rule 16 of Registration of Electors Rules 1960, the Electoral Registration Officer concerned has to maintain a list of claims and objections received by him under section 22 and 23 of the RP Act, and keep one copy of such list exhibited on the notice board of his office. Under rule 18 of the said rules, if the Electoral Registration Officer is satisfied as to the validity of the claim or objection, he may allow it without further enquiry after the expiry of one week from the date on which it is entered in the list exhibited by him under clause (b) of rule 16. Provided that where before any such claim or objection has been allowed, a demand for inquiry has been made in writing to the registration officer by any person, it shall not be allowed without further inquiry.

The State Election Commission carefully considered the issue and decided to put in place a systematic mechanism to streamline the processing of applications within a fixed time frame before the issue of election notification in order to eliminate the scope for complaints and litigation.

Now, therefore, in exercise of the powers conferred under Article 243-K and Article 243-ZA of the Constitution of India and all other provisions enabling thereto, the State Election Commissioner, Telangana hereby, issues the following directions to the District Election Authorities of Medak, Mahabubnagar, Adilabad, Karimnagar, Warangal & Khammam and EROs of Assembly Constituencies covering the said ULBs mentioned above:-

i) Wide publicity be given in print and electronic media advising the eligible citizens to make use of the opportunity of inclusion, deletion or corrections in Electoral Rolls well before the impending election notification by the Telangana State Election Commission.
ii) All applications filed under continuous revision before publication of GHMC electoral rolls i.e., 24.11.2015 as the case may be shall be disposed off expeditiously.
iii) Application filed under continuous revision received after publication of electoral rolls and till the date of election notification issued by the TSEC shall also be disposed off as early as possible.
iv) Availability of booth level officers at polling stations also affords an opportunity for the EROs to expedite the enquiry into the claims.
v) Orders passed by the Electoral Registration Officers shall be communicated to the applicants concerned either by RPAD or certificate of posting or by service in person duly keeping the acknowledgements obtained from the parties in safe-custody so as to produce the same before any court of law wherever required.
vi) A list of inclusions, deletions and corrections ordered as 01.01.2015 as qualifying date shall be communicated by the EROs of the Assembly

Constituencies coming under the jurisdiction of GHMC to the concerned Deputy Commissioners of GHMC, so as to enable them to carry the same in the respective Ward-wise electoral rolls of the GHMC.

vii) A daily report shall be sent by the EROs of the Assembly Constituencies coming under the jurisdiction of GHMC to the Commissioner & Spl. Officer & EA, GHMC and who inturn shall send a consolidated report to the State Election Commission, Telangana without fail on the processing of the applications filed under continuous revision in the following proforma starting from 24-11-2015.

ELECTION COMMISSION OF INDIA

Nirvachan Sadan, Ashok Road, New Delhi-110001

No.23/TEL/2015/34 Dated: 8th December,2015

To,
The Secretary,
State Election Commissioner, Telangana,
Hyderabad.

Subject- Revision of Electoral Rolls in the State of Telangana w.r.t. 1.01.2016 as qualifying date- WPMP No. 50529 of 2015 in Writ Petition No. 38927 of 2015-reg.

Sir,

I am directed to invite a reference to the subject cited and the order of Honorable High Court of Judicature at Hyderabad dated 3rd December, 2015 regarding status of verification of the correctness 6.39 lakh names deleted from the electoral rolls of the assembly constituencies falling under Greater Hyderabad Municipal Corporation (GHMC) and to state that a number of representations were received in the Commission regarding alleged large scale deletion of names from the rolls of aforesaid areas of GHMC.

The Commission got the complaints verified and the report in this behalf was also obtained from the C.E.O, Telangana. The Chief Electoral Officer, Telangana was also called to meet the Commission on 20th October, 2015 to personally explain the matter to the Commission. The Commission further deputed a team of senior civil servants from the State of West Bengal/Uttar Pradesh to head an audit team of officers of the Commission to the affected area to find facts of the allegations. The Commission's team visited the State from 29th October to 2nd November, 2015 and submitted its report to the Commission.

The finding of the team is that there is no political or otherwise any deliberate motivation/attempt to delete names in an arbitrary manner. The Commission has issued strict instruction that no names of already registered voters should be deleted without proper issue of notice. The Commission's team found that in certain cases service of notice to the registered voters, who were not found residing at the place of registration, were not proper. The Chief Electoral Officer took suo motu action to get all the names so deleted under reference, verified once again and as a result a total of 22,421 names of voters were found to be deleted without due notice and of these 21,360 names were restored in the place of registration by the EROs.

It may be submitted that Commission had directed CEO, Telangana not to delete any further name over and above 6.39 lakh voters already deleted before draft publication of rolls since it was brought to the notice of the Commission that local body elections are likely to be held in the GHMC area and the rolls prepared by the Commission are utilized by the State Election Commissioner after duly adopting them by following prescribed procedure of law i.e. publishing the rolls of the ECI as draft and inviting claims/objections from electors of local body elections.

From the report of the CEO, it may be seen that adequate steps have been taken to ensure authenticity of rolls under revision ordered by the Commission. The Commission has extended the date of final publication of roll in the State of Telangana up-to 11th March, 2016 from 11th January, 2016 earlier. This is for your information and necessary action as you deem fit for the offing local body elections.

Yours faithfully,

(TAPAS KUMAR)

The Commission made the following:

ORDER:

In pursuance of the orders of the Hon'ble High Court at Hyderabad in Petition No.40088 of 2015, dt.11.12.2015, the Asst. Election Authority and Dy. Commissioner, Circle 7A communicated her orders dt.11.12.2015. The order of the Hon'ble High Court at Hyderabad reads as follows:

> " Mr. P.Kesava Rao, Learned Standing Counsel for the Greater Hyderabad Municipal Corporation (GHMC) appearing for respondent No.2 on instructions, submitted that the petitioners' representations are under consideration and an informed decision will be taken and communicated to them by 3.00 P.M. today.
>
> Mr.G.Vidya Sagar, learned senior counsel representing respondent No.3 submitted that if the petitioners feel aggrieved by the decision taken by respondent No.2 and representations are made in that regard, respondent No.3 will consider the same, take an appropriate decision thereon and communicate the same to the petitioners.
>
> 1. Post on 16.12.2015"

The following is the gist of the orders of the Asst. Election Authority and the Dy. Municipal Commissioner: That the delimitation of wards was taken up during October, 2015 based on the population information received from census department, Ministry of Home affairs, Government of India. Draft publication of wards was done on 28.10.2015 and (15) days time was given for objections. After examining and disposal of all the objections and suggestions, final list of the wards was published on 20.11.2015. Thereafter ward wise electoral rolls were prepared by drawing the voters from the Assembly electoral

rolls as per the ward boundaries. The representation submitted by the petitioner i.e. Sri Bangari Prakash was again verified randomly and found that the voters are found within the respective ward boundaries of Mehdipatnam, Gudimalkapur and Asifnagar.

During the personal hearing on 26.12.2015, Sri Gourav Uppal, I.A.S., Zonal Commissioner, GHMC filed the detailed ward wise map showing the ward boundaries of Mehdipatnam, Asifnagar and Gudimalkapur wards amongst others. This map is marked as exhibit (1).

The notification of the delimitation for southern boundary of 70-Mehdipatnam ward reads as follows:

70-MEHDIPATNAM	South: Starts from near Syed Aliguda and proceeds towards western side all along the ward boundary upto H.No.12-2-718/B beside Olive Hospital via Choti Masjid, Murad Nagar, Sai baba temple, Dilshad Nagar, P.V.N.R. Express way, Milap Function Hall.

At this stage the Petitioner Sri Bangari Prakash pointed out that the southern boundary of the ward should actually course West wards, along the southern border of Saibaba temple Complex. However, as per the exhibit (1) map, the southern border of the Mehdipatnam ward goes along the North Border of Muradnagar and Saibaba temple and then turns north and makes a zigzag path before touching a point near Olive Hospital on the South West corner of Mehdipatnam ward. Consequently the areas of polling stations submitted in his representation i.e. those in the polling Stations 1,2,3,4,5 and 6 of Asifnagar Ward and Polling Stations numbers 1,2,3,4,6,7 and 8 of Gudimalkapur ward are wrongfully excluded from Mehdipatnam ward bringing down its population and voters, which are far below that of the prescribed + or (-) 10°/o of the average.

The Zonal Commissioner, GHMC stated that the map i.e. the exhibit (1) was approved by the Government along with the delimitation order which was published on 20.11.2015 and hence cannot be changed at this stage. Sri Bangari Prakash in all fairness concerned that the voters as per the map marked as exhibit (1) are falling within the ward boundaries only. Nonetheless, he contended that the ward wise boundaries shown in the exhibit (1) do not reflect the population considered for delimitation purpose and if the southern border of Mehdipatnam ward is redrawn as per his representation then the delimitation map of the 70-Mehdipatnam ward would be including the population in the Enumeration Blocks that was considered while forming the ward.

Therefore, the main contention of the petitioner alludes to delimitation process but not so much about correctness of voters lists as per the delimitation boundaries in exhibit (1). He has explicitly concurred with the division of voters amongst the wards as per the boundaries shown in the exhibit (1).

The matter of delimitation falls within the purview of the Government. SEC has no other option but to accept as so. Since the GHMC contended that the exhibit map is the one which is approved by the Government and they have prepared ward

wise voters list based on these boundaries, further the petitioner too agreed that the voters lists are as per the boundaries in exhibit (1), hence there is no issue about any incorrectness in the ward wise electoral rolls of 70-Mehdipatnam ward.

Considering all the submissions, it is concluded that there are no inaccuracies in the ward wise voters list, which are in turn drawn up based on the ward wise demarcating boundaries shown in the delimitation map in exhibit (1). The contention of the petitioner is about reconsidering of the southern boundary of Mehdipatnam ward map so that some more areas from Asifnagar and Gudimalkapur wards whose population was allegedly considered as part of Mehdipatnam ward during delimitation process cannot be accepted by SEC as it is outside of its domain and falls within the mandate of the State Government as per GHMC Act, 1955 and Rules.

The Commission made the following:

ORDER:

The Hon'ble High Court at Hyderabad vide its orders dt. 18.12.2015 in W.P.No. 41115 of 2015 made the following directions.

> "Mr. K.S. Murthy, learned counsel for the petitioner, submitted that in the course of division and preparation of the electoral rolls by the Election Commission on India, ward-wise, for the purpose of being used for holding elections to respondent No.2-Corporation, the voters of one division falling within the specific geographical boundaries are shown as the voters of another division and that on noticing the same, the petitioner has given a detailed representation to respondent No.3. He has further submitted that after the said representation is given, his client has collected further data and that he may be permitted to furnish the same to respondent No.3 for taking a decision on the former's representation.
>
> Mr. G. Vidyasagar, learned senior counsel appearing for respondent No.3, submitted that if any additional data is furnished by the Petitioner, the same will be considered by respondent No.3 along with his representation, dated 14.12.2015 and a decision will be taken.
>
> In the light of the above submissions, the petitioner is permitted to furnish additional data, if any, to respondent No.3 on or before 21.12.2015. Within three days of receipt of such data, respondent No.3 shall take a decision and communicate the same to the petitioner"

Accordingly the petitioner Sri Amjed Ullah Khan field his application to the Commission on 22.12.2015 and the matter was taken up for hearing by SEC on 26.12.2015.

The petitioner Sri Amjad Ullah Khan agreed to the ward wise boundaries as shown in the delimitation map field by the Zonal Commissioner which is marked as exhibit (1). However, he pointed out that about 900 voters of Azanoyra ward was

wrongly included in the voters list of 29-Chawni. Mr. Amjed Ullah Khan was asked to furnish the list of voters who according to him are wrongfully registered in Chawni instead of in Azampura ward. The designated officer of GHMC will immediately verify the actual locations of the residence of these voters and take necessary action as per the rules and the acts for making necessary changes in the voters list immediately.

The petitioner reiterated his earlier stand about the wrongful change in the polling station Nos. 96, 97 and 98 and stated that the Rahmatia Girls High School (Urdu Medium is a large premises having two separate gates and (4) polling stations may be continued in the same building as was the case earlier. Regarding polling station No. 96, that is shifted from Anwaruddin Khan GHMC community Hall to Neo Aizza School, Chanchalguda which is far away from polling area and hence needs to be cancelled and status quo ante to be restored. This polling station in Anwaruddin Khan GHMC Community Hall was in use during last (4) elections i.e, 2004, 2009, 2010 and 2014 General and Municipal Elections. The change was done only on the request of the MLA which is not based on convenience of the people but bonly as per political expediency.

However, the report of election authority dt. 16.12.2015 stated that the polling station No. 96 is shifted to the new premises i.e Neo Aizza School, Chanchalguda as per the report of the RO and that is within the stipulated distance and is much nearer place to the voters. The fact about the distance between polling area and polling station i.e. Neo Aizza School, Chanchalguda may be re-verified and necessary action taken based on the proximity of the polling area within two days keeping in view the convenience of the voters only.

Point No. 1: The 48-Shalibanda Ward is shown to have the population of 47,176 with voter strength of about 44,000. Actually a lot of areas from neighboring divisions were wrongfully included in the 48-Shalibanda ward and actual population would be about 59,322. He pleaded for correction of this mistake and reduce the population of Shalibanda ward to the original which should be around 47,000 only.

The Zonal Commissioner, Mr. Srinivas Reddy promised to provide the detailed population figure of 48-Shalibanda but contended that it is only about 47,000. Later he has confirmed that total population of Shalibanda division is 47,247. In any case this issue pertains to delimitation and falls in the purview of Government and hence it may be represented before the Government for suitable action as per law and rules.

Point No. 2: The voters of the other divisions of the City are wrongfully included in Shalibanda Voters List. Ghnasibazar, Vidyanagar, himayathnagar, Begumbazar. Nawabsab Kunta.

The Zonal Commissioner reported that verification of the voters list of some polling stations in Shalibanda ward revealed that some voters of other divisions have

been detected and he is taking action to verify all the remaining cases reported by the Petitioner that day itself. The SEC clarified that the earlier instruction of the SEC to allot every voter of the Assembly Constituency to one or the other ward falling in its jurisdiction should not be taken to mean that even unrelated voters should be included in any wards. If any voters of an Assembly Consitituency are not pertaining to the wards failing in its area then such voters should not be included in those wards. The right course would be to transfer them to the other Assembly Constituency/Wards where they belong.

This should be completed immediately in any case within (3) days.

Point No. 3: There is a mix up of voters between 45-Jangammet and 48-Shalibanda and about (200) voters are wrongly placed in these two wards.

Dy. Commissioner has informed that (72) cases have already been verified and the remaining cases are under verification and the job will be completed that day itself.

The Commissioner, GHMC, Zonal Commissioner, South Zone and Asst. Election Authority and the designated Officers of concerned Circle should complete the action immediately.

The Zonal Commissioner submitted map of Shalibanda and neighboring wards which is marked as exhibit (1). The map was shown to the petitioner who expressed no further opinion on that, excepting that some areas from other wards are added to this ward which would have adverse effect on its reservation prejudicial to the interests of BCs. This matter including the one at Sl. No. 1 are not in the purview of SEC and they expressly fall in the domain of State Government and hence may be ventilated before the competent authority.

The State Election Commissioner after greeting the invitees has made the following points:

I. GHMC forms nearly 1/3rd of the population of the State and in terms of economic importance, it is most crucial for the stability and development of the new State of Telangana. The City of Hyderabad is being projected as Global Metropolis, consequently the election for the City Government should be of the scale and standard befitting the image sought. It would be a rare occasion for the GHMC and police machinery to live upto the expectations of the 70 lakh citizen voters and there by endeavor for attaining a unique recognition for the city.

II. In order to obtain pure and truthful poll, it is important to take all measures to prevent cheating in the form of impersonation and bogus voting. A policy of zero tolerance is to be applied against use of muscle power and money power in the elections. The Election Authorities and Police Officers should respond promptly to the challenge by adopting modern technology against the offenders in this regard. It is pertinent to note that nearly 300

impersonated voters resorted to the use of tendered votes during the general elections, 2014. This is most unacceptable in the era of photo electoral rolls and compulsory photo identity cards.

III. Model Code of Conduct needs to be implemented scrupulously with a view to afford a level playing field for all the political parties and contesting candidates. As part of this, offer equal opportunities for canvassing and protect the public and private properties against defacement by enforcing the Act No.28 of 1997.

IV. A drive has to be taken to remove all unauthorized hoardings and advertisements by the GHMC with the assistance of police. Strict regulation is to be enforced on the use of vehicles and loud speakers. This is very important in the context of the impending examinations season.

V. The Election Authority & Commissioner and Special Officer, GHMC has described the structure of election machinery in GHMC comprising himself as Election Authority, the District Collectors of Hyderabad, Ranga Reddy and Medak Districts as Additional Election Authorities, the Zonal Commissioners of GHMC as Dy. Election Authorities and (24) Dy. Municipal Commissioners as Asst. Election Authorities. While the election machinery will manage the entire exercise, the basic work of elections will be shouldered by 150 Returning Officers and Asst. Returning Officers who would carry out all the functions pertaining to elections beginning fixation of polling stations, appointment of staff, receipt of nominations, finalization of contesting candidates, conduct of poll, counting and result declaration. The entire work in the polling stations, counting centers will be carried out by nearly 50, 000 strong election staff drawn from the areas of GHMC and neighboring districts. There would be about 7800 Polling Stations in the GHMC. The main places of activity will be in the offices of Returning Officers and Distribution-Reception-Counting Centres. The Offices of Returning Officers along with the Polling Stations in each ward may be mapped with the relevant police stations. Similarly, the Distribution-cum-Counting Centre may be mapped with Sr. Police Officers of appropriate rank. The Election Authority will prepare a booklet containing all the basic information about GHMC elections and would be handed over to the D.C.P. (L&O), Commissioner, Hyderabad, Commissioner, Cyberabad and S.P., Medak to enable them to prepare a detailed bandobust plan.

VI. He has also informed about the methodology being followed in identifying critical, sensitive and hyper-sensitive polling stations. The 7800 polling stations would be housed in buildings at 2,361 locations. Likewise, 3247 polling stations are tentatively identified as critical, sensitive and hyper-sensitive.

The State Election Commissioner requested the Election Authority & Spl. Officer, GHMC and D.G.P. (L&O), Police Commissioners, Hyderabad, Cyberabad and S.P., Medak to take the following measures immediately, in order to create congenial atmosphere for conduct of free and fair poll.

1. Instruct the officials on poll duty to show utmost courtesy to the voters.
2. Strict adherence to the Constitution and laws while enforcing the order.
3. Extend due support to the Civil Society Organizations in their efforts to spread voter awareness and voter participation the polls.
4. Recollect the review the experience of the previous GHMC election, 2009 and initiate suitable correctives.
5. Conclude follow up action on all the pending electoral offences of the previous elections including the cases booked for violation of Model Code of Conduct. (MCC)
6. Drive to apprehend the offenders in all registered cases.
7. Execution of all pending NBWs.
8. Unearthing and seizure of all illegal weapons. Assess the threat potential of the licenced weapons also and to take necessary precautionary measures wherever warranted.
9. Enhanced beat patrolling.
10. Identification of threats and initiation of security proceedings in order to bind over the potential trouble creators.
11. Mobilization of adequate force.
12. Tuning up information and Communication System.

The State Election Commissioner has also emphasized the importance of:

1. Providing adequate security cover for the offices of the ROs.
2. Control on vehicles entering the premises of the ROs.
3. Security cover to EVMs and polling material from the day of commissioning of the EVMs till the counting and declaration of results.
4. Mounting a watch on the conduct of suspicious elements.
5. Enforcement of the ban on canvassing during the period of 48 hours ending with the hour fixed for closure of the poll.
6. Enforcement of ban on liquor sales, distribution during the period of 48 hours ending with the hour fixed for closure of the poll.
7. Security cover to the Polling Stations.
8. Enforcing perfect order and regulation over 200 meters periphery of the Polling Stations.
9. Safe transportation of EVMs, polling materials, polling staff to the reception centers.
10. Adequate security cover to the Reception and Storage centers.
11. Fool Proof security cover for the counting centers.

Bundobust Plan – Some Essentials:

In response to the issue of force required at polling stations and striking forces etc. as raised by the Commissioner, Cyberabad, the SEC clarified that the force at the polling stations should be adequate to manage queues, and to maintain order in the periphery of polling station. Further, the force at the polling station should be adequate to lend full support to the Presiding Officers in apprehending and removal of impersonators and other trouble makers briskly. To ensure this there should be atleast 3 to 4 security personnel at each polling station.

The structure and functionality of the striking and special striking forces may be decided based on further consultation with the Commissioner and Spl. Officer and Election Authority, GHMC.

The Bundobust plan so prepared in consultation with Election Authority may be explained to all the ROs, AROs and Presiding Officers etc., in appropriate fora.

The Commissioner of Police, Hyderabad has suggested to cover as many number of polling stations as possible under web-casting so that the poll offences will be curtailed to minimum. In response to this the Election Authority informed that Web-casting will be implemented at 3000 Polling Stations.

It was also suggested that the critical, sensitive and hypersensitive polling stations have to be appraised from time to time with concerned Dy. Commissioners of Police, Asst. Commissioners of Police, Returning Officers, Dy. Municipal Commissioners and Zonal Commissioners of GHMC and finalized.

The D.G.P. (L&O) requested the Commissioner and Spl.Officer, GHMC to provide the details of distribution, reception and counting centers with strong rooms, ward-wise number of routes and zones proposed to finalize the bundobust plan.

The Addl.D.G.P. (L&O) stated that once all the above details are provided, final bundobust plan will be prepared in consultation of the DGP including the number and strength of striking forces & special striking forces and submitted to the State Election Commission. Election Authority promised to furnish all the information immediately.

Special Chief Secretary to Government, MA&UD informed that the budget may be met by GHMC from their own funds.

Concluding the meeting the State Election Commissioner suggested to submit the bundobust plant by 19th December.

After introduction, the SEC welcomed all the participants and thanked them for having attended the meeting.

Commencing the meeting the SEC has explained the importance of the GHMC elections for the residents of the city, the State and the country. It forms nearly 1/3rd of the population of the newly formed Telangana State. The GHMC can quickly transform the city into a Global Metropolis provided there in a responsible and accountable elected body managing it. About 1 crore people reside in GHMC area and thus these Elections are very important and most crucial for the stability and development of the new State of Telangana.

The SEC has stated that, as per orders of Hon'ble High Court, elections for GHMC are to be completed by 31.01.2016. It is having 150 wards. Out of four pre election activities, 3 stages viz. delimitation of wards, publication of electoral rolls and polling stations have been completed and waiting for reservations from the Government. Once reservations are received, the SEC will issue schedule for conduct of elections.

For these elections, the Commissioner and Special Officer of GHMC is notified as Election Authority of GHMC. Further the SEC explained item-wise details on various items involved in election process.

I. Electoral Rolls:

The ward wise photo electoral rolls of GHMC were published on 24.11.2015 by adopting concerned assembly electoral rolls. The ward wise electoral rolls were also posted on web portals. Copies of the published rolls were already given on free of cost to political parties with reserved symbol and for others will be supplied on payment of the cost for making copies. Polling station wise electoral rolls will also be supplied to the political parties with reserved symbol. Voters slips can also be downloaded from TSEC web portal. He requested all the political parties to cooperate in making the 3rd ordinary elections to GHMC a truly free and fair poll.

After publication of electoral rolls, 3,94,567 applications were filed for inclusion, deletion and corrections. So far (as on 28.12.2015) 3,39,475 applications were disposed of and 55,092 application are under enquiry. The EROs are taking all steps to ensure that all the pending applications are disposed off immediately.

II. Poling Stations:

The final list of polling stations was published on 12.12.2015 with 7,757 no. of polling stations. Auxiliary polling stations will be setup in the polling stations whose voters strength is increased more than 1250 because of subsequent additions if any.

III. Nominations- Deposits:

Every contesting candidate along with nomination shall also file an affidavit disclosing information of criminal antecedents, assets and liabilities, government dues and education qualification.

Deposit to be remitted by candidates for Member, Municipal Corporation other than SC/ST/BC categories is Rs. 5,000/- and by SC/ST/BC candidates Rs. 2,500/-.

IV. Model Code of Conduct:

The Model code of conduct will be implemented strictly from the date of issue of election notification by SEC and it will be in force till completion of the election process. The SEC requested all the political parties to cooperate in implementation of MCC to hold GHMC elections in a free, fair and peaceful manner.

V. Election Expenditure limit:

The commission fixed Rs. 2,00,000/- as the maximum ceiling limits of election expenditure that can be incurred by a Contesting candidate for the post of ward member of GHMC.

VI. EVMs

EVMs for conduct of elections have been procured and 2000 more EVMS will be taken from Maharashtra State for reserve purpose. Political parties and contesting candidates will be invited at the time of commissioning EVMs and also during random allotment of EVMs to wards.

VII. Impersonation – Tendered votes:

A policy of zero tolerance is to be applied against use of muscle power and money power in the elections. Though the commission has notified various documents for identification of voters, about 300 persons were found impersonating leading to tendered votes during the general elections held in 2014. This is most unacceptable in the era of photo electoral rolls and compulsory photo identity cards. To avoid the impersonation, requested the parties to appoint local people as polling agents. The commission is taking steps to curb impersonation by initiating measures to apprehend such perpetrators promptly and subsequent prosecution, besides ordering repoll in such polling stations where tendered votes of more than 0.1 percent are cast basing on the circumstances.

VIII. Law and Order:

The commission has already convened a meeting with the police officials and bandobust plan for deployment of 26,000 police personnel is prepared ensuring police personnel at each polling station in addition to striking and special striking forces.

IX. Poll:

The poll percentage in rural areas is 70 % to 80 % whereas, in urban areas it is very less sometimes it was 40%. Requested the political parties to motivate the public for voting and increase the poll percentage.

Before the start of actual poll, mock poll will be conducted in each polling stations in the presence of polling agents. SEC informed that there will be rigorous check on the identity of the voters and requested the political parties to instruct their polling agents to reach polling stations one hour before the actual poll and cooperate with the polling staff in conducting the poll fairly and peacefully.

The Commissioner, GHMC has stated that, unlike previous elections, this time for each ward, one Returning Officer and one Assistant Returning Officer are appointed. Polling personnel were gathered for 7,757 polling stations. Employees for poll duties are taken from Mahabubnagar, Medak and Ranga Reddy districts in addition to the employees working in GHMC limits. Randomization of polling personnel will be done in the presence of the Observers. Training classes for POs and APOs are going on. The second training classes may be conducted on 10th or 11th of January, 2015.

Then the SEC requested the political parties to express their views.

Sri M. Srinivas, representative of CPM party noting the statements in print media that the notification for GHMC elections will be issued in 3 or 4 days pointed out that reservations for wards have not been finalized yet and expressed doubts whether time is sufficient to complete election process by 31.01.2016. The Government has not finalized reservations as per the schedule mentioned in the affidavit submitted to the High Court. Once the reservations process is completed by the government, objections have to be taken from the public before finalization.

Sri Serolla Yellanna, representative of BSP has stated that, the reservations not done so far and the selection of candidates requires time based on the reservations. The ward wise maps are not supplied to political parties so far.

Sri B. Venkat Reddy, Representative of BJP has opined that, if notification is given immediately after finalization of reservations, it will be difficult for the political parties to select candidates. Hence, requested for sufficient time gap between finalization of reservations and issue of notification. Further, ward wise maps showing boundaries as per delimitations shall be supplied to political parties immediately.

Sri Venkatramani, representative of BJP has stated that, as per orders of Hon'ble High Court, reservations are to be completed by 15.12.2015 and elections by 31.01.2016. Since the reservations are delayed, time to be sought from High Court for extension of time. The reservations to the wards could not be finalized without calling the objections. Atleast one week time should be given after finalization of reservations for issue of election notification to enable them to select the candidates including 50% women candidates. He has further requested to see that during nomination period, the extracts of the electoral roll are issued by GHMC authorities without any delay to the candidates intending to file nominations from other wards.

Sri Marri Shashidhar Reddy, representative of INC has stated that, he will agree with other parties opinion of giving sufficient time for issue of notification after

finalization of reservations to facilitate the political parties to select candidates. Election should be proper, free and fair. All pre election activities including reservations should have been completed by 15.12.2015. But reservations have not been finalized yet. After announcement of reservations, time should be given for objections on reservations. As reservations have not been completed by 15.12.2015 as directed by the Hon'ble High court, time for completion of the election process should also be extended proportionately. If required, necessary orders may be obtained from Hon'ble High Court. He appreciated the commission for providing facility to download voter slips from the web portal. Suggested to give wide publicity on downloading the voter slips. Further the SEC should issue instructions to GHMC officials for the removal of the hoardings , flexies, banners and posters etc., on road side and in public places as GHMC elections are round the corner and provide environment for free, fair and peaceful voting. Suggested to tie up with the CC cameras setup by the Government in GHMC areas to watch the violation to the MCC by political parities/ contesting candidates. Regarding the nearly 4,00,000 new inclusions in voters lists, he wanted to know whether they are from 6,30,000 voters removed from electoral rolls (or) new voters enrolled.

He further requested for deployment of border security forces during elections for conduct of free and fair elections.

He welcomed the orders issued on tendered votes and suggested to explain it clearly in the training classes of polling personnel. He assured that the INC party will cooperate for smooth conduct of elections and the polling officers should be impartial. Further, the Hoardings, banners and flexies etc., shall be removed immediately.

He suggested to prepare frequently asked questions on model code of conduct as prepared by Election Commission of India.

Sri G. Niranjan, another representative of INC has objected for delay in finalization of reservations. Time should be given to file objections on reservations. SEC may seek time from the High Court for extension of time to complete the election process if required. Suggest to remove the hoardings and advertisements of political parties in GHMC limits immediately.

Sri Vannam Ramesh, Representative of TDP has stated that, final list of polling stations and ward wise maps have not been given to their party so far and requested to supply them immediately. Deletion of names from voters in the pretext of Aadhar seeding list is more in certain areas and less in certain areas. Sri Maganti Gopinath, MLA who belongs to forward caste is shown as BC by GHMC officials while counting the BC voters in wards for reservations. Time should be given after finalization of reservations for issue of election notification. He has also suggested that the Returning Officers office shall be located within the ward and not in Division officers for the convenience of the candidates to file nominations.

Dr. Sudhakar, representative of CPI party has stated that, three steps of pre election activities have been completed but, the fourth step i.e, finalization of reservations has not been completed so far by the Government. After finalization of

reservations, time should be given for issue of notification. Suggested to see that there are no continuous holidays before the poll day and after the poll day as the voters may leave their place during holidays. Suggested to distribute photo voter slips having clarity of photograph so as to identify the voter properly to avoid bogus voting and to increase poll percentage. The ceiling limits of election expenditure fixed by the commission i.e, Rs. 2,00,000 is very less and suggested to increase it to Rs. 5,00,000 to 6,00,000. Suggested to use CC cameras in GHMC area to watch violation of MCC and curb money distribution by contesting candidates.

Sri K. Shiva Kumar representative of YSR Congress Party stated that, they have not been informed of the status of the action taken on the complaints made by them in the political parties meeting conducted by the GHMC officials on 5th December 2015 and requested for immediate action. The election should be held impartially in free and fair manner. There are discrepancies in the delimitation of wards. Polling stations have not be setup properly. A reasonable time gap should be there between finalization of reservations and the date of issue of election notification. If required the commission may file an affidavit in High Court for extension of time to complete the election process. List of polling stations and maps of wards have not been given to their party so far and requested to supply immediately. Except BC enumeration voter list copy, they did not receive any other voter list. Suggested to hold elections after Sankranti festival.

Sri Ameen Ul Hassan Jafry, representative of AIMIM party has suggested the SEC to share the tentative dates of election schedule with political parties and seek their suggestions. He opposed to seek extension of time to complete the election process from the Hon'ble High court. He suggested to increase the rates of deposits to Rs.20,000/- for OC and Rs.10,000/- to SC/ST and BC and ceiling limits of election expenditure to Rs.5,00,000/- or Rs.6,00,000/- as GHMC wards are big in size. As average number of polling stations in a ward are 50 and voters are around 70,000 in some wards, though the number of polling stations is 7700 the loations are 1500 only, hence, to avoid overcrowding in the polling stations, he suggested to extend the polling hours by one hour i.e, 7.00 AM to 6.00 PM. He also suggested to obtain the names of the star campaigners from all political parties. Nomination period should be atleast 7days. He informed that there is no provision in the act to call for the objections once the reservations are finalized by the Government, as suggested by other parties.

Sri Amjed Ullah Khan, representative of MBT Party has stated that, his party will support for extension of time to complete the election process and SEC to file an affidavit in High Court accordingly. In 2009 elections, lot of impersonation took place, even the children with 12 to 13 years age cast votes. For free and fair elections Paramilitary forces should be deployed atleast in old city. Banners, hoardings and flexies etc., shall be removed immediately. Earlier candidates having more than two children also contested elections and no action was taken against them. Registered political parties have not been supplied voters list and requested for supply on free of cost. He has also suggested to keep the list of polling stations in the web portal of GHMC and TSEC. The GHMC officials have not distributed the photo voter slips properly in 2009 elections and requested to distribute them properly to voters only during the ensuing elections. He suggested the SEC to

convene one more meeting with political parties after nominations process is completed and before the poll day.

Prof. Srinivas Reddy, representative of TRS party while appreciating the SEC for the activities so far taken on poll preparedness suggested to utilize the CC cameras set up by the government at various places to monitor the violation of Model Code of Conduct by political parties/ contesting candidates. In GHMC area, voters strength is more than population which was also noticed by the ECI. The SEC should monitor the law and order and MCC only after issue of election notification. All the advertisements, hoardings of their party existing in GHMC area are legal and paid Ads. He suggested to show the free symbols before notifying them and requested to remove certain free symbols like auto and tractor etc., which resembles their party symbol "car".

The SEC has clarified that election notification will be issued only after finalization of reservations by the Government and sufficient time at every stage of election process will be given, keeping in view the statute and orders of the Hon'ble High Court. Authentic copy of published electoral rolls are given on free of cost to the recognized political parties and for others on payment basis. The Model Code of Conduct will come into force only from the date of issue of election notification before that for removal of illegal hoarding, banners and flexies etc as per regular law has to be enforced by the GHMC authorities. Regarding the contesting candidates who have more than two children, objections can be raised to the Returning Officer concerned at the time of scrutiny with proper evidences. Who will take action basing on merits. In case of elected candidates, petitions have to be filed in the election tribunal which is the authority to dispose the post election matters. Due to time constraint one or two days of election schedule may fall on holidays.

Regarding enhancement ceiling limit of election expenditure, the SEC stated that, in view of the unanimous suggestion from the political parties, the commission will take a view to enhance the election expenditure limit to 5,00,000 lakhs as no political party has opposed it.

Thanking the participants the Commissioner, GHMC has stated that, instructions have already been issued to his staff for removal of illegal hoarding, banners and flexies etc. However, he would increase the number of squads for removal.

As requested by political parties the ward wise maps and list of polling stations will be supplied to them shortly if not supplied so far. He has also requested the political parties to extend their co-operation for conduct of ensuing GHMC elections impartially and in a fair manner.

The SEC explained the importance of GHMC elections for the residents of the city, the state and the country. The GHMC with an annual budget of Rs 6300 crore can quickly transform the city in to a real world class metropolis enhancing the life style, prosperity of its residents, provided there is a good elected body managing it. A responsible and accountable city government can be obtained only by the active participation of the voters during and after the elections. The CSOs can play a crucial role in aiding it by;

1. Increasing the voter registration. Even at this late stage, it is possible to register the names of the eligible by filing claims before the EROs and the DMCs. Similarly other changes like deletion of bogus, non-resident and dead voters could also be effected by filing appropriate forms before the EROs. Only those voters whose names stand in the LA constituency rolls as on the date of GHMC election notification can vote in the GHMC elections. Considering that atleast about 7 to 10 days are required for verification process, it is important to file the claims without losing any further time now. The citizens can verify existence or otherwise of their names in the voters list by visiting the web portal of CEO Telangana or the ERO physically. The ward wise photo electoral rolls of GHMC are also going to be hoisted on the GHMC portal very soon.
2. Spreading awareness amongst stakeholders to increase the voter turnout.

Sri M. Padmanabha Reddy, from forum for good governance suggested to concentrate more on increasing poll percentage so as to achieve 60% to 70% voting as against 43% recorded in elections 2009. To achieve this he advised run

campaigns through electronic and print media motivating the voters to "come and vote". He also requested for continued cooperation and support to their volunteers in discharging their functions effectively.

United federation of Resident Welfare Associations suggested :

- In order to avoid last minute disappointment and dharnas, wide publicity may be given prompting the citizens to verify their names in voters list and file applications for inclusion, if not found.
- Concentrate more on those areas where the voting percentage was less during the previous Elections.
- The CSOs to have at least 5 meetings in each zone for creation of voter awareness. Out of it, one meeting could be on registration of voters.
- Obtain political parties manifesto so as to organize face to face discussion with contesting candidates and carefully selected neutral and interested audience.
- Advise the police officials to cooperate with their volunteers in their work both before and also on the day of the poll. He narrated the case how one of their voter facilitation booth, well outside zone of the PS, during the last election was removed by the Police.

The representatives from other NGOs have expressed that most of the voters do not know their serial number in the voter list and location of their polling station in the urban areas and advised the commission to take necessary steps in providing voters information in Telangana State Election Commission's as well GHMC's website. The SEC informed that the Commission has already developed web portal where the citizens can search their name also take printout of the voter slips where the details of name and location of polling station are available. There was also a passionate request to ensure systematic and logical order in listing th voters based on the seriatum of house numbers.

Sri Navin Mittal, Commissioner, I&PR suggested the GHMC officials to place hoardings across the city to improve the voter registration and voting percentage in GHMC elections. He has also suggested to send text messages through mobile phones within the GHMC limits with the help of service providers of the mobile operators to enroll / participate in voting. The call center of the GHMC may be strengthened to assist voters in registration an also voting. Further I&PR department would help and assist GHMC in devising and implementing a creative and result oriented publicity campaign in print and electronic media.

The CSOs have also suggested for enlisting the celebrities as ambassadors for voter awareness Campaign. The TSEC proposed that the NGOs come together as forum to take up the task of organizing face to face between the contesting candidates and the voters so as to develop and popularize a model vision for the development of the city. The TSEC along with and GHMC supports the forum in their efforts to coordinate RWAs, Software companies, other Corporates, Universities, Schools and Colleges to improve the awareness.

Forum for Good Governance expressed that all CSOs will sit together and come out with common strategy within one week.

Finally it was decided that:

1. To open help lines in the office Dy. Municipal Commissioners, Zonal Commissioners in addition to the existing call center in the GHMC to guide the voters properly.
2. To use SMS facility to furnish information about the Polling station to the voters.
3. To ensure 100 % distribution of voters slips by BLOs in addition to the facility of downloading the same through the web portals of the GHMC and SEC.
4. To involve print and electronic media in Voter Awareness Programme.
5. To provide wide publicity through hoardings/ posters to locate one's vote, polling station etc.,

He has requested the State Election Commission to address the political parties on the same lines. The State Election Commissioner replied that they will act as per the Law on this issue. The Forum for Good Governance has observed that during their survey, one of the main reasons for low percentage of poll is that all the contesting candidates are of criminal back ground and the enlightened voters are not showing interest to elect such candidates as their representatives.

The State Election Commissioner appealed that in the context of the availability of advanced technology now, volunteers can gather evidences on such issues by using cell phones. These evidences can be used to establish link with the contesting candidate/political party with stunning results.

Sri M. Padmanabha Reddy, Forum for Good Governance has requested the State Election Commissioner to provide them vehicle with security on the day of poll as was done in 2002 elections, so that they can watch the poll process and bring the irregularities if any noticed to the State Election Commission for necessary action.

Only those voters whose names stand registered in the ward-wise Electoral Rolls of GHMC or Assembly Constituency Rolls as on the date of GHMC election notification, can vote in the GHMC elections.

Elections/ Most Immediate

TELANGANA STATE ELECTION COMMISSION
1st Floor, DTCP Building, OPP: PTI Building, A.C. Guards, Hyderabad – 500 004.

CIRCULAR

Cir.No.528/TSEC-ULBs/2015 Dated:31.07.2015

Sub:- TSEC – Measures to ensure free and fair elections – Prevention of intimidation to the voters of vulnerable sections – Identification of critical Polling Stations – Measures to be taken – Reg.

***

In order to ensure free and fair elections to the office of Ward Members in Urban Local Bodies, the State Election Commission, Telangana has been issuing instructions regarding various measures to be taken. An atmosphere in which each and every elector is able to access the polling station without being obstructed or being unduly influenced by anybody is an important prerequisite to a free and fair election. Undue influence at elections is an electoral offence under section 171C of the IPC. Any Voluntary interference or attempt at interfering with the free exercise of any electoral right constitutes the crime of undue influence at an election. Any direct or indirect interference or attempt to interfere by a candidate or his agent, or any other person at the behest of the candidate or his election agent against free exercise of any electoral right, constitutes a corrupt practice.

Taking due cognizance of the role being played by the muscle power in the Elections and taking into account of certain prevailing socio economic realities of the electoral politics, the Commission has decided to issue the following instructions to curb the menace of threat and intimidation at elections by identifying the locations within a polling station area vulnerable for such threat and intimation:

1. An exercise to identify the habitats and segments of electorate vulnerable to any threat, intimidation or interference with the free exercise of electoral right shall be taken up polling station wise. The Zonal officers for their respective polling stations shall do this exercise by visiting the catchment areas of the polling stations. The Station House Officer and local civil authorities such as Municipal Authorities/Tahsildar shall also be consulted and their inputs taken into account before finalizing the list. They should identify the source of such threat/intimidation and identify the names of persons who are likely to spearhead such offence. While doing this exercise they shall take into account the past incidents, and current apprehensions.

2. They shall identify some point of contact within the habitat/community vulnerable for such undue influence so that information related to such developments can be tracked constantly.

3. The Returning Officer/Election Officer of the Ward should compile all such information and finalize the vulnerability mapping for the entire Ward, polling station wise in a format – I (enclosed).

Sir,

Sub:- TSEC – Elections – Ordinary elections to GHMC – Imposing a ban on transfer of Officers engaged in election related work in GHMC – Reg.

* *

I wish to state that, as per directions of Hon'ble High Court the election process of GHMC shall be completed by 31.01.2016.

Keeping in view of the directions of the Hon'ble High Court, the SEC and the GHMC have initiated action to complete the GHMC elections within the time stipulated by the Hon'ble High Court. The entire fleet of Officers and staff members working in GHMC is engrossed in time bound election related work which includes preparation and publication of electoral rolls, identification of BC Voters and their publication, preparation and publication of polling stations, finalization of reservations, pooling up of EVMs etc. In fact, the GHMC is running short of time to complete election related exercises within the time frame fixed by the Hon'ble High Court.

In order to ensure that, time bound election related work is not disturbed in any manner, the SEC is of the opinion that, a ban has to be imposed on transfer of Officials engaged in election related activities and also those who are likely to be drafted for election work.

I, therefore, request you to kindly issue necessary orders imposing a ban on transfer of Officials working in GHMC till the completion of GHMC Elections.

Yours faithfully,

The white paper required for printing of ballot papers shall also be procured locally. The Postal ballot papers contain the names of the contesting candidates, name of the political party in case a candidate is set up by the political party recognized or registered with the Commission. In case the candidate is not set up by any political party, the word 'Independent' is written under the name of the candidate. The printing of Postal ballot papers at local private printing presses shall be undertaken under proper security to ensure confidentiality of the ballot papers. Armed guards will be posted at the printing presses entrusted with printing of ballot papers from the time of commencement of the work till the completion of the work. The Commissioner of GHMC and all the District Election Authorities may entrust the work relating to printing of ballot papers to one or more printing presses in the district depending upon the quantum of work. ORDER

No.999/SEC-EM/2015 Dated:03.12.2015

Sub:- Conduct of elections to GHMC - Use of EVM in the elections – Randomization of EVMs for transparency –Certain instructions – issued.

***

As an additional measure that aims at greater transparency, the Commission has decided to introduce a randomization protocol for the deployment of EVM in various wards adopting circle of GHMC as an unit and the following instructions are issued which are to be followed meticulously without any deviation:-

1. STORAGE

As a general policy, all the EVMs available within a district shall be stored at the district headquarters under the direct control of the District y be stored in a decentralized manner in different locations. Even in such cases, for the purpose of first level checking and randomization procedure proposed to be introElection Authority. It may be possible that due to want of storage space the EVMs maduced through this instruction, all EVMs available in the jurisdiction of GHMC shall be brought at one place to be fixed by EA&C&SO, GHMC under proper escort.

2. FIRST LEVEL CHECKING

a. The first level checking was already carried out by the ECIL engineers. as per the instructions issued in this office Lr.No.210/SEC-EM/2015, dated 04-11-2015.

b. For the purpose of tracking various steps taken in the process of first level checking, randomization and deployment of EVM, an adhesive label (pre-printed sticker) shall be prepared and kept ready for use. This can be organized centrally by the EA&C&SO, GHMC. The sample model that was adopted during recent elections held to APLA/HOP, 2014 may be adopted for this purpose.

3. NUMBERING OF EVMs

As soon as the first level check is over the sticker will be pasted on the back side of the CU and the checking- engineer will put his signature indicating the date in the relevant slot provided in the sticker. This would mean that the CU is in order in every respect. The unique machine number of the control unit (CU) will be also indicated in the relevant slot in the sticker; besides, a running serial number will also be allotted to the CU and will be indicated in the relevant slot. Simultaneously, the representative of EA&C&SO, GHMC duly authorized for this purpose will also put his

signature in the relevant space. After this, CU shall be stored with due precaution and care. In case of any CU found to be defective during checking, such CUs shall be isolated and kept separately for follow up action for rectification of defect. The above procedure will also be applicable for the Balloting Units which will be verified, signed and numbered in the above manner.

4. DATABASE

A database of the CUs and BUs verified and certified will be prepared separately and kept in readiness for randomization circle wise. The data base structure will contain details of CUs and BUs indicating the machine number (original number given by the manufacturer as inscribed on a metallic plate at the back side of the CU/BU as the case may be.) The CUs/ BUs so verified shall be kept under proper lock and key.

5. SCHEDULE FOR RANDOMIZATION OF EVM

The EA&C&SO, GHMC will fix up a schedule, which should in any case be fixed before the start of training of polling personnel, for randomization of CUs/ BUs for distribution to ward-wise in the presence of the representatives of recognized political parties duly informing them well in advance. The randomization will be done in such a way that the CUs /BUs are randomly selected by grouping them to match the poll day requirement including the reserve required for each ward. Again, the surplus CUs/BUs shall also be randomly grouped and distributed ward-wise for the purpose of training (for the training of the polling staff as well as for the purpose of voter awareness). A sticker of different color shall be affixed at the front side of the CUs/ BUs set aside for training purpose clearly indicating "……(Name of ward/circle): Training CU/ BU". While randomizing the CUs/ BUs the EA&C&SO, GHMC shall take the number of polling stations in each ward into account.

6. ALLOCATION OF ID

After ward-wise grouping of CUs/ BUs is done in the above manner, a 'current ID' shall be assigned to each of CU/ BU in the relevant slot provided in the sticker. The 'current ID' would mean 'the ward no followed by a new running serial number for that ward'. For example If ward No. 56 is allotted 50 CUs and BUs the current ID for the CUs would be from '56/CU/001' to '56/CU/050'. Similarly the current ID for BU would read '56/BU/001 to 56/BU/050'.

7. DISTRIBUTION OF LIST & EVM TO RETURNING OFFICER

a. The randomized list of CUs and BUs allotted to each ward for use at polling stations as well as the training EVMs shall be prepared separately and signed by the representative of EA&C&SO, GHMC and the R.O. and that list shall be handed over to all representatives of the recognized political parties. Even if a representative is not available at the time of randomization the list shall still be sent to the party office and a receipt obtained.

b. Thereafter, the R.O. of the ward, shall take charge of the CUs/BUs randomly allotted to his ward. The CUs/BUs meant for use at the election

shall be separately taken to the strong room allotted to the R.O., under proper escort and will be guarded. The training EVMs shall be distributed to the relevant officers for the training purpose. At the time of sealing the strong room, the representatives of political parties can remain present and they can also affix their seal on the lock.

8. PREPARATION OF EVM

a. On the day fixed for preparing the CUs/BUs for use in the election, the R.O. will ensure that the preparation of CUs/BUs is done invariably in the presence of the candidate or his agent or authorized representative and in the presence of observer as per the existing instructions. Now, the R.O. will do the second randomization of the CUs/ BUs to allot the CU/ BU to specific polling stations. After that he will write the PS No to which the CU/BU has been randomly allotted in the slot provided for it in the adhesive label. The remaining CUs/BUs (not allotted to any specific PS) shall be kept as 'Reserve' for use if needed. Such CUs /BUs shall be marked as 'R' – meaning 'Reserve' in the slot meant for PS No.

b. At this stage, the CU and BU randomly earmarked PS wise as above shall be identified by matching the PS No. and kept in pair by tagging them together. Any candidate/ agent present at the preparation hall may choose to get the CU/BU again checked by the master trainers/ technical personnel if available through a 'mock poll cum result verification' in order to satisfy himself about the functioning of the EVM. The R.O. should also, as a proactive measure, do a random verification of at least 10% of such CU-BU pairs to test the working status of the EVMs.

c. Then a Polling Station wise list indicating the Current ID and machine number of the CU/BU allotted to each PS will be prepared and signed by the R.O. The R.O. will also prepare a separate list of CUs/BUs marked as 'R' indicating the current ID and machine number. Both the above lists will be signed by R.O. and copies shared with the candidates/ agents/ representatives and their signature shall be obtained as the token of receipt.

d. As per the existing instructions two types of address tags – one for use on CU and another on BU have been prescribed. From now on wards, the tag shall also contain the current ID No. (as mentioned in the sticker- read para 6 above). The address tag attached to reserve CU/ BU shall indicate the 'Reserve' status of the unit. The tagging of address tag shall also be done at this stage itself – in the presence of candidates/ agents/ observer. All the CUs/ BUs allotted to Polling Stations as above as well as the reserve machines shall be kept in the strong room in the presence of candidates/ agents. They can also be allowed to affix their seal on the lock of the strong room.

9. DISPERSAL OF EVMs FOR ACTUAL POLL

a. When the EVMs are taken out of the strong room for dispatch the usual precaution of informing the date and time of opening of strong room in writing to the candidates/ agents shall be followed.

b. At the time of dispatch the Presiding Officers shall be advised to compare the machine number inscribed on the metal label and the adhesive sticker and also verify the PS No. indicated on the sticker compared with PS No. mentioned in the address tag before accepting the EVM. Discrepancy if any shall be brought to the notice of the officer in charge of dispatch arrangement and be reconciled.

c. The candidates may be advised to share the current ID and machine number of the EVM (both CU/ BU) allotted to the specific PS with their polling agent/ agents appointed by them so that they are in a position to inspect the EVM for their satisfaction before the commencement of mock poll on the poll day. The Presiding Officers shall be advised to display the sticker containing the machine number and current ID etc., to the agents present before the commencement of the mock poll. It is relevant to note that as per the existing instructions the presiding officer is supposed to mention the number of CU/ CUs used; serial numbers of CU/CUs used; numbers of BU/BUs used and serial numbers of BU/BUs used at the polling station in the Presiding Officer's Diary (refer: Chapter XXVII, Para 1 of Handbook for Presiding Officers - At elections where electronic voting machines are used, 2015). This instruction shall be scrupulously followed.

10. REPLACEMENT OF EVM DURING POLL

In case of replacement of CU or BU due to reason at any polling station the zonal officer or any authorized officer who effects such replacement shall prepare a special report indicating the machine number and current ID of the existing CU/BU and new CU /BU separately. The officer shall also mention in the special report, the reason for deployment of the spare CU/BU and the time of such replacement, votes polled in the replaced machine at that point of time and leave one copy of the special report with the Presiding Officer while retaining a copy to be handed over to the R.O.

11. RECEPTION OF EVMs AFTER POLL

The machines shall be escorted back after the poll is over to the reception centres under proper escort. After all formalities are completed, the EVMs shall be kept in strong room and the room sealed in the presence of the candidates/their agents and observer.

12. REPOLL

a. In case of repoll, the EVM required for repoll shall be drawn from the reserve list and the CU/BU number shall be informed to the candidates/agents in writing. Care shall be taken to ensure that the address tag on the CU and BU clearly mentions it to be the EVM for use in the repoll indicating the date and PS No.

b. After repoll, for the storage of the repolled EVM, the strong room shall be re-opened in the presence of the candidates/ their agents and observer. This repoll EVM should be placed together with the old EVM which was used earlier in the original poll. A tag 'Not to be counted' shall be put prominently on the old EVM and another tag 'Repoll EVM – to be counted' shall be put on the new repoll EVM. RO shall put signature on both the tags.

13. COMMUNICATION TO POLITICAL PARTIES/ CANDIDATES

The political parties/candidates should be advised in writing to properly train their counting agents and that they should bring (for tallying purpose) their copies of Form XXXVI which shows the machine numbers used at the polling station and was handed over to them at the close of the polling by the presiding officer. Besides, the candidates have also been given a consolidated list of polling station wise list of CUs used during the polls. This along with the additional information given by RO in writing to the candidates regarding the machine numbers of CUs used as replacement and the CUs used during repoll will give a complete picture of the all the EVMs used at polling stations. In order to further facilitate, additionally, the RO shall paste the EVM deployment account indicating the CU numbers of EVM used polling station wise in the relevant counting hall itself for everyone to see.

14. VIDEOGRAPHY OF THE EVENTS

All the stages enumerated above shall invariably be fully covered with videography and records kept properly.

15. The above instructions should be complied with without any deviation and brought to the notice of all concerned, viz. the political parties, contesting candidates, all field officers concerned and the Observers.
