24TH ALL INDIA CONFERENCE OF THE STATE ELECTION COMMISSIONERS HELD ON 5TH AND 6TH OCTOBER, 2016 AT HYDERABAD, TELANGANA

MINUTES

24th All India State Election Commissioners' Conference was held on 5th and 6th October, 2016 at Hotel ITC, Kakatiya, Hyderabad, Telangana. The list of participants in the Conference is enclosed at Annexure-I. The Conference was inaugurated by Sri E.S.L.Narasimhan, His Excellency, the Governor of Telangana and Andhra Pradesh States.

At the outset Sri V. Nagi Reddy, IAS (Retd.) State Election Commissioner Telangana, welcomed the Chief Guest Sri E.S.L.Narasimhan, His Excellency the Governor of Telangana and Andhra Pradesh and other distinguished guests to the conference and felt that hosting 24th Annual Conference of the State Election Commissioners' in the 24th anniversary year of the historic 73rd and 74th Constitutional amendments that afforded political independence to the local bodies was pleasant experience. It is a matter of proud privilege for the SECs who have conducted free and fair polls to the local bodies in the Country for over two decades now, enabling them to provide strengthening the grass roots level democracy in the country that improving the prospects for basic services and civil rights cross the Country.

Sri Rajiv Sharma, I.A.S., Chief Secretary, Government of Telangana in his opening remarks stated that it is their privilege to host SECs Conference in the new State of Telangana. Immediately after emerging as a new State, SEC, Telangana have successfully conducted all the pending elections to PR and Municipalities including the GHMC elections. He has underlined the importance of SECs and further stated that they have their role cut out in the constitution itself which is both stupendous and challenging hence requires understanding and co-operation from all the State Governments to enable them to succeed in their work.

Sri Rakesh Mehta, SEC, Delhi & Chandigarh and Chairman of the SECs Standing Committee who presided over the conference appreciated SEC, Telangana for hosting this 24th All India Conference in Hyderabad even though the Commission has been constituted recently. He stated that Local bodies are the third tier of democracy and democratic decentralisation has been the key feature of the strengthening democracy in India. Holding free and fair local body elections both at the Panchayats and Municipalities is vital, to renew and strengthen the democratic frame work. Local body elections are very important and challenging today and they have created new forum for empowering women and promoting women leaders as 1/3 to ½ of the posts are reserved for women. SECs are constituted under Article 243K and Article 243ZA of India Constitution. SECs normally face lot of challenges and pressures while conducting free and fair polls which they tackle by the use of modern methodologies and new technologies. MLAs and MPs being law makers reflect on the people's views in the larger context of social, economic and political

changes, however, Panchayat and Municipal Members are being involved in providing day to day services to the people.

Sri Achal Kumar Joti, I.A.S.(Retd), Election Commissioner, ECI in his address highlighted various innovative methods the ECI has implemented such as Samadhan (complaints redressal), Suvidha (Single window permissions for meetings, transport etc) and Sugam (Management of EC transport fleet and billing) by leveraging IT, digital and social media in recently held State Elections. He also stated that not only youngsters but even rural voters have accepted the digital initiatives. These interventions helped the ECI to take quicker decisions.

The Chief Guest, Sri E.S.L.Narasimhan in his inaugural address emphasized the need to synchronise elections for Parliament, Assembly and Local Bodies throughout the Country, so that the developmental works do not get thrown out of gear frequently due to the observance of model code of conduct and underlined the importance of having Aadhar linked single electoral rolls system for State and local body elections. He suggested that bye-elections of Parliament, Assembly and local bodies shall be scheduled to occur twice a year i.e in January and June. He prodded the SECs to consider the possibility of inserting "right to recall", if the work of the elected representatives is not upto the satisfaction of the people. He felt that commonsense often scored over educational attainments and drawn the attention towards some of the issues that needed immediate redressal; the Representation of People's Act should be made more stringent and Prevention of Corruption Act integrated with it to arrest the money power during the polls; Election related grievances were huge with fewer remedies. He suggested a new method of electioneering where in the contesting candidates and their followers, campaign through electronic media only without entering into the Constituency for three weeks before to the poll. He was pained to notice baseless allegations levelled against poll related officials undermining the public confidence and vitiating poll atmosphere which should have appropriate consequences if proven as false. Elections shall be conducted in such a manner that the elected governments reflect people's desires and perceptions.

Sri N.Ramesh Kumar,I.A.S.(Retd), State Election Commissioner, Andhra Pradesh proposed vote of thanks to Sri E.S.L. Narasimhan, His Excellency, the Governor of Andhra Pradesh and Telangana for sharing his valuable time and gracious presence and thought provoking ideas. He thanked Sri. Achal Kumar Joti, Election Commissioner of India for sharing valuable insights pertaining to IT and also outlining the way forward for transparency to bring about greater credibility and accountability. He thanked Sri Rakesh Mehta, Chairman of Standing Committee for steering the Committee and giving necessary guidance in the meetings and Conferences and setting out a clear agenda for the way ahead. He thanked Sri V.Nagi Reddy, SEC, Telangana for his meticulous planning and organising this Conference. He also acknowledged the gracious presence of other distinguished dignitaries, participating State Election Commissioners, Civil Society Organisations and Media.

DELIBERATIONS ON THE AGENDA ITEMS:

1. Confirmation of the Minutes of 23rd All India Conference of SECs held at Raipur (Chhattisgarh) in November, 2015.

Regarding request for the inclusion of two paragraphs in the Agenda Item No.2 by the SEC, M.P., it has been agreed to take up along with the Agenda No.5.

3. Discussion on issue of disciplinary jurisdiction of Election Commission over government servants engaged on election duty.

The SEC, UTs explained the background, the underlying issues in the office memorandum no. 1102/7/98 Estt.(A) of DOPT, GOI dated 7.11.2000 and emphasized the need to take up the matter with DOPT to afford similar leverage to SECs specifically. While agreeing to the suggestion, the house recognised that a similar dispensation is also required at the level of State Governments for effective conduct of elections by the SECs.

4. Sharing experience of local body elections:

a) Experience of Bihar in General Elections to Local Bodies:

The SEC, Bihar shared the experience of General Elections to Local Bodies. He stated that election were took place for (12) posts, out of which direct elections for (6) posts and indirect elections for (6) posts. There are 38 Districts, 101 Sub-Divisions, 534 Blocks, 8,492 Gram Panchayats. Elections were held for the posts of 2,58,908 Members with 1,19,000 polling stations and voters about 5.75 Crores to 6.00 Crores. Ballot papers printing was done for about 32,000 Crores at a cost of Rs.21 Crores. To re-coup the shortage, Ballot Boxes were barrowed from West Bengal, Jharkhand and Utter Pradesh. He also explained in detail about the problems that he went through in reservation process as more than 200 cases were filed in Courts pleading against the reservations notified. Out of 38 districts, 22 Districts are Naxal affected Districts. With the help of the Police Officials and in consultation with the District Magistrate and Superintendent of Police, naxalite activities were identified and tackled with nil poll violence. All IT activities were undertaken through NIC. Web Casting was taken up but limited to two vulnerable polling stations in each block as much manpower was involved. Polling was conducted peacefully with no violence at all with the help of the State Government.

b) Presentation on T-Poll, an application software by SEC, Telangana:

The application software has (6) Operational Modules i.e., 1. Electoral Rolls Management System (ERMS) 2. Polling Personnel Management System (PPMS)

3.Election Process Management System (EPMS) 4. EVM Management System 5.Portal Management and 6. Tappal Management. First three modules were deployed successfully in the recently held elections to the Greater Hyderabad Municipal Corporation during the month of February, 2016. Which was well received by all the stake holders. It helped in enhanced co-ordination amongst all the stake holders yielding efficiency and effectiveness. The software supports execution of all the stages of election such as nominations, withdrawals and scrutiny to be executed online. The ERMS was most popular with more than 30 lakhs voters searching their voter details and downloading voters slips. Similarly the preparation of nomination paper on-line and uploading/downloading of the affidavits filed by candidates and interested persons etc., were also very popular with users. Web casting that was open for all was implemented in 2980 polling stations out of the total 7802 polling stations in GHMC. The Centre for Good Governance and TSEC are agreeable to share the software with other State Election Commissions.

5. Discussion on impact of educational qualifications on local body elections – Experience of Haryana, local body elections.

Haryana SEC made a presentation on certain amendments made to Haryana P.R. Act in August last year and those amendments were upheld by the Supreme Court of India. These amendments imposed certain disqualifications 1. If a person has been charged in a criminal case for an offence punishable with imprisonment of not less than 10 years. 2. A person shall never be a panch or a Sarpanch of a Gram Panchayat if he/she fails to pay any debts/arrears to the Cooperative Bank. 3. If he is a defaulter of Electricity Bills 4. If a person has not passed matriculation qualification / middle school/ 5th class depending on social back ground. 5. If a person fails to submit self declaration to the effect that a functional toilet is in place in their residence. SEC, Haryana explained in detail regarding impact of insertion of the above disqualifications. It was observed by SEC Haryana that a younger leadership had emerged as a result of the new laws.

The SEC, MP while cautioning against imposition of subjective restrictions on the adult suffrage guaranteed by the constitution opined that the competent legislatives will have to take an appropriate view of the subject.

6. Discussion on printing of ballot papers with the Photograph of candidates.

The SEC, Delhi has informed that they are implementing the printing of ballot papers with candidate's photograph for the elections due for Municipal Bodies in Delhi and Chandigarh in line with the guidelines issued by ECI, as there is no need for amendment of rules in Delhi. The political parties have welcomed the move to include photograph of candidates in ballot paper.

The SEC, Madhya Pradesh informed that they have implemented the same in Urban local bodies. However, implementing the same in Rural Local Bodies may not be feasible in view of lack of adequate printing facilities in interior areas. Further it may not be a dire necessity in Gram Panchayats as people can recognise each other

better. The SEC, Madhya Pradesh implemented NOTA in all Municipalities and Gram Panchayat elections.

The SEC, Gujarath informed that there are Court Orders to implement NOTA. But Existing EVMs in Gujarath did not support the same.

The SEC, Kerala quoted an example of an Assembly Constituency in which a candidate believed to be an imposter with the same name as the candidate who came second, inspite of the printing of the photographs has polled significantly higher votes (467) than the winning margin (87) of the winner. In this context, he underscored the importance of spreading voter awareness even after printing the photographs.

The SEC, West Bengal informed that West Bengal High Court has not agreed for NOTA. He also expressed that NOTA has little or no relevance in Panchayat Elections as no. of voters are limited and it may lead to inconclusive process.

The SEC, Karnataka expressed the difficulty in including photographs within a limited period available between finalisation of the contesting candidates and poll day especially in the rural areas. However the matter is different with NOTA which they have implemented in Rural Local Body elections held recently after amending the rules, while the same in pending in case of Urban Local Bodies, where the rules are yet to be amended.

The SEC, Bihar expressed difficulty in printing Photographs for large numbers. He also expressed difficulty in implementing NOTA as the State Acts have to be amended, and also raised concern about recalling candidates and other issues, if NOTA votes exceed 50%.

The SEC, Tripura informed that NOTA was implemented in the state. However he felt that it might dissuade national political parties from fielding candidates against strong regional parties especially when NOTA votes are significantly higher.

The Chairman, Standing Committee stated that while the decision of ECI was welcome it can be considered State wise and it has to be done gradually.

7. Discussion on "Methodologies to improve the voting percentage.

The SEC, Andhra Pradesh suggested for the deepening of initiatives such as internet voting to improve the voting percentage that has been implemented in Gurajat. He emphasised on the usage of smart phones as the polling booth by making use of homomorphic encryption and other internal protocols for authentication of voters. He also suggested to implement mobile based voting initially on an experimental basis in local bodies for defence personnel and also to public servants on elections duty before upscaling to all voters.

Election Commissioner, ECI informed that they had discussions with Ministry of Defence regarding implementation of E.Voting beginning with NRIs, defence voters and service voters who are on election duty for which they are favourable. A committee formed with (3) Ministers recommended for one way E.Voting by downloading ballot paper that can be sent by post. They have also recommended

for two way E.Voting by downloading ballot paper and same can be uploaded in ECI website after voting which however needs an amendment to the RP Act.

The Dy. Election Commissioner, ECI has highlighted the following interventions for enhancing the poll percentage; 1. Clean the Electoral Roll 2. Education in General 3. Inclusion of Electoral Literature in School syllabus and 4. Measures enhancing ease of voting.

8. Discussion on "differential treatment of Government of India in the matter of facilitating employees to exercise franchise in the elections being conducted by the Election Commission of India and State Election Commissions.

The SEC, Kerala informed that the action of GOI in declaring holiday/special casual leave to the Central Government Offices including industrial establishments in connection with elections to the Lok Sabha and State Legislative Assemblies and granting only restrictive facility to exercise franchise in the local body elections without a holiday is unjust, improper and discriminative and he requested the conference to take up the matter with GOI to adopt a uniform criterion in facilitating the employees in Central Government Offices including industrial establishments to exercise franchise in the elections to Lok Sabha, State Legislative Assemblies and Local Bodies by giving holiday and special casual leave as the case may be.

It is resolved to set up a sub-committee with SEC, Kerala, SEC, Madhya Pradesh & SEC, Telangana to take up this issue and study its various implications and report to the Conference.

9. Discussion on the following issues:

a) Grant-in-aid to State Election commissions by Government of India.

After discussion, the agenda point was dropped as GOI has expressed its inability to provide grant-in-Aid to SECs.

b) Amendment in Proformae provided under Registration of Electors Rules,1960.

The SEC, Himachal Pradesh informed that Ministry of Panchayat Raj, GOI may be requested to take up the matter with the Ministry of Law and Justice, GOI to get the forms 6,7,8 and 8A of Registration of Electors Rules,1960 amended and insert the names of Development Block, Gram Panchayat and Ward Number to facilitate the State Election Commissions to update/generate electoral rolls from the data of Election Commission of India.

Dy.Commissioner, ECI informed they are on the verge of launching ERO net which is linking 4,120 No.of EROs throughout the Country. After the final publication of Electoral Rolls in January, they would be the facility available to update Electoral Rolls on day to day basis, if ECI decides. No.of fields that are relevant to SECs can also be created and added again subject to the acceptance of ECI.

Election Commissioner, ECI informed that even though they can add any number of fields to the record, ECI cannot take a unilateral decision on this issue, as

this requirement changes from State to State and in majority of States, powers of delimitation and reservations are vested with the State Governments.

c) Setting up a Common Pool of Electronic Voting Machines:

The SEC, Himachal Pradesh suggested that purchasing of EVMs is a costly proposition and proposed that adjoining States may keep common pool of EVMs by purchasing minimum possible EVMs and may share the EVMs from this pool.

The SEC, UTs explained the complications involved in borrowing EVMs from other States due to several reasons. For example, Kerala is unwilling to loan their EVMs to other States because they are customised according to their needs. She informed that they held discussions with ECIL/BEL managements and requested them to maintain a pool of EVMs and loan them to the States as and when they are required on a rental basis. Though ECIL/BEL management initially expressed interest but later back tracked due to involvement of huge capital investment. ECIL team has replied that it is practically impossible to maintain the pool of EVMs, as elections were are not held frequently and there is no guarantee of recovering the cost.

Chairman, Standing Committee informed that the sharing of cost of EVMs and their subsequent management may pose difficulties and suggested all the SECs to share the details of EVMs held by each of them so that they can be utilised by the needy states as per feasibility.

10. Discussion on "Model Code of Conduct and its implementation in local elections".

The SEC, Madhya Pradesh informed that SECs have notified their own MCCs and wanted to know their experience in its implementation especially wrt; 1. Is the MCC implemented by the SEC given the same level of importance as the MCC of the ECI. 2 Significant issues that arose requiring SEC's/Court's intervention 3. Has MCC's implementation attracted the attention of the Courts, If so, any Orders/Directives? 4. Additional features which are not included in MCC of ECI if any.

The SEC, Himachal Pradesh, SEC, Karnataka and Election Commissioner, ECI shared their experiences on this.

The Chairman informed that such exchange of views on MCC are very valuable and can form basis for its updation and efficient implementation.

The SEC, UT suggested to the Election Commissioner to revive the institutional mechanism of annual meetings between the ECI and SECs as it would benefit the SECs forum. Election Commissioner, ECI informed that a letter on this issue may be addressed to the Chief Election Commissioner under a copy marked to him.

11. Multi-post, Multi-vote system with BEL/ECIL

ECIL team headed by Mr.Mahendran demonstrated the SEC Model EVMs basically designed for Multi Post-Multi seat configuration which can also be used for different situations i.e. Single Post-Single Seat, Single-Post-Multi Seat, Multi Post-Single Seat, Multi Post-Multi Vote. He stated that till date ECIL has supplied 2,00,000

Control Units and 4,00,000 of Ballot Units to different SECs based on their customisation requirements and major supplies includes Maharashtra, Madya Pradesh, Kerala and Telangana. He briefed about the improved features in Detachable Memory Module compact Model of VVPAT etc., Demonstrated the 3rd generation model VVPAT which is developed with the guidance of ECI and TSEC.

12. Use of Aadhar Card for voter verification.

The discussion on use of Aadhar for voter identification taken up during 23rd Annual Conference at Raipur, Chhattisgarh was kept in abeyance in view of the stay order by the Supreme Court.

Sri Sandeep Saxena, Dy.Commissioner, ECI informed that about 32.00 Crore Aadhar Numbers were collected as part of NERPAP in 2015 and the work of seeding is held up in between because of the Supreme Court Order. However, in the context of the Aadhar Bill introduced in the Parliament the work would revive one again subject to the decision by the ECI. A Committee Constituted on data sharing under the Chairmanship of Sri Bhanwarlal is examining the possibilities of linking various data bases such as those of Aadhar, Passport, Transport etc. Whereby the registered voters can file an electronic KYC with self certification updating the voter details automatically.

The Election Commissioner, ECI stated that Government of India introduced the Aadhar Bill to circumvent the problem created by the Supreme Court Stay order and expedite the linkage of Aadhar that would solve many problems. The State Election Commissioner, Andhra Pradesh informed that there are certain questions raised on introduction of Aadhar Bill as a money bill in the Lok Sabha. The Election Commissioner informed that they are planning to seek clarification from the Supreme Court before proceeding with linkage of Aadhar Nos. with the Electoral Rolls.

13. Presentation on the latest IT innovations of the ECI:

The Dy.Commissioner explained about the use of SAMADHAN for processing complaints, SUVIDHA for process management for according permissions to various stake holders and SUGAM online vehicle management software for use of vehicles by contesting candidates right from permission to tracking of payment of vehicle bills along with webcasting and establishing the CCTV which are used in recently held elections in 5 States. He also informed that the Commission is planning to implement GIS technologies in election management system right from polling station level. Once the GIS application is developed the same can be used by the State Election Commissions also for effective election management.

The Dy.Commissioner informed that there is plan to deduplicate the electoral rolls by linking them to the census data base. The Election Commission is also planning to implement IT in election management system with latest innovations such as keeping all the applications in cloud system and BSNL virtual servers which are in highly secured environment so that all the stakeholders can access the Election Commission applications and data bases with 2G connectivity.

Lr.No.202/TSEC-EM/2017 Dated:14.03.2017

To
The Spl. Chief Secretary to Government of Telangana,
PR &RD Department,
Telangana Secretariat,
Hyderabad.

Sir,

Sub:- TSEC – Elections – Elections to Rural Local Bodies – Use of Electronic Voting Machines with DMM/SDMM Facility – Storage of DMMs/SDMMs instead of EVMs for judicial purpose – Certain amendments to the Telangana Panchayat Raj (Conduct of Elections) Rules, 2006 – Reg.

***

The Commission is having a limited number of (17000) Electronic Voting Machines (EVMs) and is using them for conduct of all the Elections to Urban Local bodies and in a limited way for conduct of casual elections to Panchayat Raj Bodies. The advantages of EVMs over traditional system are now well recognized. The EVM consists of mainly two units:

1. Control unit (CU) – is the unit which controls the polling process and stores all polling data.

2. Ballot unit (BU) – is the unit which the voter operates to exercise his/her franchise.

The commission is using two types of EVMs

i) EVMs without DMM/SDMM facility

ii) EVMs with DMM/SDMM facility

The main features of EVMs without DMM/SDMM and with DMM/SDMM are indicated below:

(a) EVMs without DMM/SDMM facility are those EVMs of Pre-2006 model in which the polling data is stored in the CU and hence needs to be kept in safe custody until statutory period completes or for such a period as the State Election Commission may direct or till the disposal of the case if any filed in the court of Law.

(b) EVMs with DMM/SDMM facility are EVMs of Post-2006 model, equipped with an additional electronic memory device i.e. either a DMM (Detachable Memory Module) or a SDMM (Secured Detachable Memory Module) which is attached to the CU of EVM so as to store the polled / voting data safely in secured and encrypted manner. After declaration of results, the DMM can be separated from the CU and sealed in the manner prescribed by State Election Commission for judicial and other necessary purposes. Then CU may be used for future election by clearing stored data as the polled data stored in DMM can be extracted by placing it any control unit for judicial and other necessary purposes.

Thus, the EVMs with DMM/SDMM Facility are preferred in view of their amenability to reuse the CU for the next election whenever it is required even within a very short period.

The advantages of using EVMs with DMM/SDMM Facility are:

- Elections can be conducted in phased manner even with limited number of EVMs.
- Reduces drastically the cost of procurement and storage eg., the cost of a DMM is Rs.295/- and that of SDMM Rs.709/- when compared to Rs.9,214/- for a CU.
- Data stored in DMM / SDMM can be extracted by inserting it in any Control Unit.

As per the Rule 96 of Telangana Panchayat Raj (conduct of election) Rules 2006, the voting machines once used shall be retained intact for such a period as the State Election Commission may direct and shall not be used for any subsequent election without prior approval of the State Election Commission. In case of any court cases the EVMs have to be retained intact till disposal of the case. The statutory period for safe custody is generally for one year as directed by the Commission.

Hence the EVMs without DMM/SDMM Facility Control Unit (CUs) have to be kept in safe custody for statutory period as mentioned above after declaration of the results, as the polled data is stored only in CU, and these cannot be used for further phases of elections till the expiry of statutory period.

Whereas, in case of EVMs with DMM/SDMM facility, after declaration of results, the DMM/SDMM can be separated from CU as the polling data safely stored in the DMM/SDMM, and they shall be sealed in the manner prescribed by State Election Commission for judicial and other necessary purposes and the CU can be reused for further phases of election without waiting for the expiry of statutory period. In other words the DMM/SDMM is to be kept in safe custody for statutory period, instead of the entire EVM for judicial and other necessary purposes.

ECI and most of the SECs in India are procuring and using EVMs with DMM/SDMM as EVMs without DMM/SDMM Facility are considered out dated.

Due to its more advanced technology and advantageous features, the Telangana State Election Commission using EVMs with DMM/SDMM Facility in local body elections. Hence the Commission desires to propose certain amendments to relevant rules of TPR (conduct of election) Rules, 2006 pertaining to use of EVMs with DMM/SDMM facility and in order to store only the DMM/SDMM units instead of EVMs for judicial and other necessary purposes.

In view of the above, the Commission proposes the following amendments of the rules relating to the Panchayat Raj (Conduct of Election) Rules, 2006.

1. *Amendment proposed to Rule 55 of Rules relating to Telangana Panchayat Raj (Conduct of Elections) Rules, 2006.*

The number of balloting units shall depend on the number of contesting candidates and number of seats. The design and shape of control unit and balloting unit shall be such, as may be approved by the State Election Commission.

Explanation:- Detachable Memory Module (DMM) / Secured Detachable Memory Module (SDMM) means such electronic memory device which is attached to the control unit of electronic voting machine and keeps the election data safely in secured manner. After completion of the counting of votes, the DMM/SDMM containing poll data shall be separated from control unit and the control unit may be used for other election".

1. Enforcement of Legal Provisions pertaining to filing of final returns of elections expenditure by the contested candidates in P.R. and Urban Local Body elections held in 2013 and 2014.

2. Preparedness for the forthcoming Casual Elections during February – March, 2017.

3. Forth coming 5th Ordinary elections to GPs in 2018 – Preparedness.

Following officers have attended the Conference from the State Election Commission:

1. Sri M.Ashok Kumar, Secretary,
2. Sri Y.Aravind Reddy, Legal Advisor
3. Sri N.Jayasimha Reddy, Jt.Secretary
4. Sri Vishnu Prasad, Asst.Secretary

The Conference was Chaired by Sri V.Nagi Reddy,I.A.S.(Retd), State Election Commissioner, Telangana. Initiating the Conference, the SEC explained the implications of election related issues and how important the role of District Election Authorities and other district officials as election is a high precision event where errors are not tolerable and invite action from many quarters apart from the State Election Commission. The SEC requested all the Collectors to impress upon their district officers and other subordinate officers in this aspect, as many Jr.Officers have been promoted to District level positions who may or may not have the requisite experience of conducting elections.

1. Enforcement of Legal Provisions pertaining to filing of final returns of elections expenditure by the contested candidates in P.R. and Urban Local Body elections held in 2013 and 2014:

The SEC pointed out the relative failure of the election machinery in enforcing the measures aimed at curbing electoral corruption. Though the maximum limits are set on expenditure, it's enforcement in terms of concurrent audit and post audit is lack lustre. This prevents use of the data in instituting and pursuing the election petitions. There is lot of pendency in the work pertaining to filing of final returns of election expenditure by the contested candidates in P.R. and Urban Local Body elections held in the year 2013 and 2014, which needs follow up action. The 45 day limitation set by the statute is significant as the window for election petitions closes with in 60 days of the declaration of the results.

The SEC explained in detail the procedure involved in submission of final returns of the election expenditure returns by the contested candidates in elections to PR bodies and ULBs. A firm legal liability is caste upon the District Election Authorities, Municipal Commissioners, CEOs of ZPPs and MPDOs to perform their duties with regard to election expenditure accounts, failure of which could attract in addition to disciplinary action, penal action too, as breach of official duty is made a cognizable offence inviting action from any quarter even from the private sources. The SEC further informed that (11604) contested candidates in Gram Panchayats have not filed election expenditure accounts in erstwhile Karimnagar and Ranga Reddy districts while in case of MPTCs/ZPTCs (1688) candidates have not filed the accounts from Karimnagar and Nalgonda district. Lr.No.215/TSEC-PR/2017 Date:10.03.2017

To
The Spl. Chief Secretary to Government,
Panchayat Raj & Rural Development Department,
Government of Telangana,
Hyderabad.

Sir,

Sub:- TSEC – Ordinary elections to Gram Panchayats to be held in the month of July, 2018 – Tentative schedule – Reg.

***

The 4th Ordinary elections to Gram Panchayats in the State were held during the month of July, 2013 and their term will expire by 31.07.2018. Article 243 E(3)(a) of the Constitution of India mandates completion of elections to P.R Institutions before the expiry of their 5 year term. Section 13(2) of Telangana Panchayat Raj Act stipulates that elections to Gram Panchayats shall be held within three months prior to the expiry of their term.

The major steps involved in the election to Gram Panchayats are:

Sl. No.	Item	Competent Authority
1	Finalization of list of Gram panchayats	Government
2	Delimination of wards within the Gram Panchayats	Government
3	Preparation and publication of ward wise, gram panchayat wise electoral rolls	SEC
4	Finalization of reservations	Government
5	Preparation and publication of the list of polling stations	SEC
6	Conduct of elections	SEC

Further, the following events also need to be considered while finalizing the schedule for elections:

1. Publication of revised electoral rolls by the ECI in the month of January, 2018.
2. School examinations will be completed by March ending and the new academic year would start during 2nd week of June, 2018.

Considering all the aspects a tentative schedule of events is drawn up as follows:

Sl.No.	Item	Target Date	Competent authority
1	Finalization of list of Gram Panchayats	30.11.2017	Government
2	Completion of delimitation of wards	31.12.2017	Government
3	Preparation and publication of Gram Panchayat electoral rolls	15.03.2018	SEC
4	Finalization of Reservations	16.04.2018	Government
5	Preparation and publication of polling stations	17.04.2018	SEC
6	Conduct of elections in Phases	By 31.05.2018	SEC

Non performance of certain functions such as delimitation and reservations in time, at times in the past, led to interventions by High court and Supreme Court embarrassing the State Election Commission and Government.

Considering that these events are sequential and interdependent on each other, it is requested that the Government may take all necessary action in this regard by instructing the statutory authorities/ officials to accomplish their tasks as per the time schedule so as to conduct elections in time as per the provisions of the constitution and the law.

(THIS HAS THE APPROVAL OF STATE ELECTION COMMISSIONER, TELANGANA)

Lr.No.1530/TSEC-EM/2016 Date:24.01.2017

To
The Secretary,
State Election Commission,
Karnataka.

Sir,

Sub:- TSEC – Elections – Ordinary elections to Gram Panchayats in 2018 – Loaning of ballot boxes – Req. – Reg.

This is apropos to recent telephonic talk of the State Election Commissioner, Telangana with the State Election Commissioner, Karnataka.

The last 4th ordinary elections to Gram Panchayats in our State were held in July, 2013 and their five years term will expire by the end of July, 2018. As per the Telangana Panchayat Raj Act, elections to Gram Panchayat to be held three months before expiry of their term. The Telangana State Election Commission is under preparedness for the next ordinary elections to Gram panchayats. The Gram Panchayat elections are held with ballot boxes. Sufficient ballot boxes are not available in our State for conduct of Gram Panchayats elections.

It may be recalled that, during 4th ordinary elections to Gram Panchayats held in 2013 and MPTC/ZPTC elections held in April, 2014, the erstwhile united Andhra Pradesh State Election Commission obtained ballot boxes on loan basis from the Karnataka State Election Commission to meet the short fall.

This time also, the Telangana State Election Commission is contemplating to obtain ballot boxes on loan from State Election Commission, Karnataka as was taken earlier to meet the short fall.

I, therefore, request you to spare 15,000 big ballot boxes in working condition for Telangana State Election Commission for the next ordinary elections to Gram Panchayats to be held in 2018 and await for your confirmation. On receipt of the confirmation, the ballot boxes may be moved at the end of 2017.

3.This office Show cause notice No. 804/TSEC-L/2015-3, dt:11.05.2016

***

In the reference 1st cited, the State Election Commission issued Registration of Political Parties and Allotment of Symbols Order, 2001, (herein after referred to as Symbols Order, 2001) to provide for registration of political parties and allotment of symbols to the candidates in election to local bodies.

2. Paragraph 3 (9) (c) in Part-II of the said Symbols Order, 2001 stipulates that every political party registered with the State Election Commission shall file a copy of the annual audited accounts of the party and a copy of the income tax returns filed under the law for the relevant year in State Election Commission within a period of one year after the end of the relevant financial year.

3. In the reference 2nd cited, the State Election Commission has requested the Nationalist Congress Party which is a recognized national political party to submit a copy of the annual audited accounts of the party and a copy of the income tax returns for the financial year 2014-15 to the commission on or before 31.03.2016.

4. However, the Nationalist Congress Party which is a recognized national political party with a reserved symbol and registered with the Telangana State Election Commission has not filed a copy of Annual Audited Accounts and a copy of the Income-Tax Returns for the period of 2014-15, which is a clear violation of the conditions at para 3 (9) (b) & (c) in Part-II of the Registration of Political Parties and Allotment of Symbols Order, 2001. The conditions are reproduced hereunder.

3 (9) After an association or body or political party has been registered as a political party with the State Election Commission,

(b) such associations or body or political party shall maintain true accounts of its income and expenditure, and particularly maintain separate accounts for the expenditure incurred in connection with local body elections, indicating details of the expenditure incurred on the general publicity of the party, and candidate-wise expenditure incurred for promoting the election of specific candidates set up or supported by the party in various elections to local bodies;

5. Further, the Paragraph (9) (b) and (c) in part III of the said Symbols Order, 2001 which provides for suspension / withdrawal of the registration of political parties for not following the directions of the State Election Commission, reads as follows:

" 9 - Power of Commission to suspend or withdraw registration of a political party for its failure to observe Model Code or follow lawful directions and instructions of the Commission Notwithstanding anything in this order, if the Commission is satisfied on information in its possession, that a political party, registered under the provisions of this order, has failed or has refused or is refusing or has shown or is showing defiance by its conduct or otherwise (b) to abide by the provisions of this Order or (c) to follow or carry out the lawful directions and instructions of the Commission, given from time to time, with a view to furthering the conduct of free, fair and peaceful elections or safeguarding the interests of the general public and electorate in particular, the Commission may, after taking into account all the available facts and circumstances of the case and after giving the party a reasonable opportunity of showing cause in relation to the action proposed to be taken against it either suspend, subject to such terms as the Commission may deem appropriate, or withdraw the registration of such party."

6. Accordingly, in the reference 3rd cited, the State Election Commission has issued show cause notice to the Nationalist Congress Party which is a recognized national political party directing it to show cause within 15 days from the date of receipt of the

notice as to why their registration should not be suspended or withdrawn under paragraph (9) of the said Symbols Order, 2001 without any further notice.

7. There is no response from the Party either to the letter 2nd cited or to the show cause notice 3rd cited issued by the State Election Commission. Maintenance of true accounts and their periodic submission to the SEC helps in obtaining transparency and accountability amongst the Political Parties aiding in the conduct of free, fair and peaceful elections besides rendering a level playing field for all.

8. Therefore, under paragraph 9 in part –III of the said Symbols Order, 2001 the registration of the Nationalist Congress Party which is a recognized national political party with a reserved symbol and registered with the Telangana State Election Commission is, hereby, withdrawn with immediate effect for not complying with the provisions of paragraph 3 (9) (c) in Part II read with para 9(b) and para 9(c) in Part III of the said Symbols Order.

TELANGANA STATE ELECTION COMMISSION

CIRCULAR

No.1473/TSEC-L/2016 Dated:23.11.2016

Sub:- State Election Commission - Elections to Panchayat Raj Bodies – Prevention of disfigurement of Public and Private places during elections – - Instructions issued – Reg.

***

Private and public places are often disfigured during the election time by way of pasting election advertisements and wall-writings in violation of the Model Code of Conduct.

2. In order to prevent such disfigurement, the State Legislature had enacted Prevention of Disfigurement of Open Places and Prohibition of Obscene and Objectionable posters and Advertisements Act, 1997 (Act 28 of 1997).

3. Section 4 of the said Act makes the disfigurement of any public or private place an offence punishable with imprisonment which may extend upto 3 months or with fine which shall not be less than one thousand rupees but which may extend upto 2,000 rupees or with both. Abetment of such disfigurement is also made punishable under section 5 of that Act. Under section 6 thereof, the police officers are empowered to remove, erase, pull down and destroy objectionable advertisements.

4. The State Election Commission is of the firm view that, this unhealthy practice of disfigurement / defacement of private and public properties during the election campaign should be curbed with a heavy hand by invoking the provisions of law referred above. The State Election Commission, therefore, directs to take immediate measures, wherever necessary, for restoration to original position of the defaced public / private properties by directing the political parties and contesting candidates to remove their posters/slogans and repaint the walls of public/private property at their own expenses. In case of failure to comply with the instructions, prosecution should be launched against the concerned under the provisions of law referred above. Strict vigilance should be maintained to prevent such defacement of public/private property particularly during election campaign and appropriate legal action should be taken against the violators.

5. The State Election Commission, hereby, directs the Collectors and District Election Authorities, the Superintendents of Police and Commissioners of Police to strictly enforce the implementation of Model Code of Conduct by taking recourse to sections 4 and 5 of Act 28 of 1997 referred above by issuing suitable instructions to their subordinate officers and also by launching inspection teams from time to time during the campaign period. Prompt prosecution of offenders in the early stages of campaigning will act as great deterrent to others. They are also requested to give wide publicity to the provisions of the said Act and item 11 of the Model Code of Conduct among the general public, political parties and contesting candidates, through print and electronic media and by other methods.

6. The Commission also directs that, action taken in this regard and the prosecutions launched under the above Act during the period of election to Panchayat Raj Bodies should be informed to the Commission from time to time.

7. A copy of the said Act is enclosed for ready reference.

No.1474/TSEC-L/2016 Dated:28.02.2017

ORDER

Sub:- TSEC - Elections to Rural and Urban Local Bodies - Use of Loudspeakers for election campaigns – Revised instructions – Issued- Reg.

***

All Political parties, contesting candidates and their workers, supporters and sympathizers use loudspeakers for their electioneering campaigns. These loudspeakers are not only used from fixed rostrums but are also mounted / fitted on vehicles like trucks, tempos, cars, taxis, vans, three wheeler scooters, cycle rickshaws, etc. These vehicles move on all roads, streets and lanes and also go around basties, mohallas, colonies and localities with the loudspeakers broadcasting at very high volume. This results in serious 'noise pollution' and causes great disturbance to the peace and tranquility of the general public. The student community, in particular, gets seriously disturbed as their studies are hampered because the loudspeakers start blaring from very early hours in the morning and continue to do so throughout the day and till extremely late hours in the night. The aged, the infirm and the sick whether in institutions, hospitals, etc. or at home are also put to severe discomfort.

2. The Commission is aware that the use of loudspeakers cannot be stopped altogether during the election period as the loudspeakers are one of the means of election propaganda and imparting information to public. But, at the same time, indiscriminate and unfettered use of loudspeaker at odd hours and at odd places at very high volumes which have the effect of disturbing peace and tranquility and causing annoyance to the general public, the sick, and the student community in particular cannot be permitted. Some reasonable restrictions are essential.

3. As per the schedule issued in the Noise Pollution (Regulation and Control) Rules, 2000, Ambient Air Quality Standards in respect of Noise is as follows:

Area Code	Category of Area/Zone	Limits in dB(A) Leq	
		Day Time	Night Time
(A)	Industrial area	75	70
(B)	Commercial area	65	55
(C)	Residential area	55	45
(D)	Silence Zone	50	40

Note:- 1. Silence Zone is an area comprising not less than 100 metres around hospitals, educational institutions, courts, religious places or any other area which is declared as such by the competent authority.
2. Mixed categories of areas may be declared as one of the four above mentioned categories by the competent authority.

4. The Hon'ble Supreme Court of India passed an order inter alia prohibiting exceeding of the noise level at the boundary of public place, where loudspeaker or public address system or any other noise source is being used by 10 dB(A) above the ambient noise standards for the area or 75 dB(A) whichever is lower.

5. After considering all aspects of the matter, the Commission, in exercise of its powers conferred by Article 243K of the Constitution of India and all other powers enabling to it in this behalf hereby DIRECTS that the use of loudspeakers at all future elections to Panchayat Raj Bodies shall be strictly regulated as follows: -

(i) The use of loudspeakers, at public meetings and Road Shows shall be permitted only between 6.00 a.m. to 10.00 p.m. In all other cases, the use of loudspeakers shall be permitted only between 10.00 AM to 6.00 PM.

(ii) The noise level at the boundary of public place, where loudspeaker or public address system or any other noise source is being used shall not exceed 10 dB(A) above the ambient noise standards for the area or 75 dB(A) whichever is lower.

(iii) All loudspeaker being used beyond the hours as prescribed above, shall be confiscated along with all the apparatus connected with the use of these loudspeakers.

(iv) All political parties, contesting candidates and any other person using loudspeakers on moving vehicles including but not restricted to trucks, tempos, cars, taxis, vans, three wheeler, scooters, cycle rickshaws, etc. shall intimate the registration identification number of those vehicles to the authorities granting permission to use the loudspeakers and such registration identification numbers of the vehicles shall be indicated on the permits granted by the authorities concerned.

(v) If the rickshaw does not have any registration / permit for identification, the rickshaw driver may be given a permit in his personal name by Returning Officer which the rickshaw driver should carry on his person while using that rickshaw for election campaign purposes.

(vi) Any vehicle on which a loudspeaker is used without the said written permit shall be confiscated forthwith along with the loudspeaker and all the apparatus used along with it.

(vii) All political parties, contesting candidates and even any other person using a loudspeaker either on a moving vehicle or at a fixed place shall intimate:-

(1) the Returning Officer concerned, and

(2) local Police authorities, in writing, the full details of the permits obtained by them before using any of those loudspeakers. In the case of mobile loudspeakers, the registration / identification numbers of the vehicles shall also be registered by them with the Returning Officer concerned and the local Police authorities.

(viii) All political parties, contesting candidates shall obtain prior permission from the concerned local authorities to use loud speakers (public address system) at the public meetings convened by them as part of electioneering and road shows.

(ix) It shall be the responsibility of the local authorities granting permits for use of loudspeakers and the local Police authorities to strictly enforce that no loudspeaker is used by anyone in violation of any of the above directions.

(x) The political parties and candidates shall endeavour to see that no disturbance is caused in the areas adjacent to hospitals, educational institutions etc.

(xi) No loudspeakers fitted on vehicles of any kind or in any other manner whatsoever shall be permitted to be used within the polling area during the period of forty-eight hours prior to the hour fixed for conclusion of the poll in case of elections to the Mandal Parishads / Zilla Parishads and Urban Local Bodies and forty-four hours prior to the hour fixed for conclusion of the poll in case of elections to gram panchayats. Even after

the close of poll, proper law and order is required to be maintained till completion of election process after the declaration of result. Use of loudspeakers is generally regarded as source of public nuisance and can often give rise to tension in a politically surcharged atmosphere. The District Administration should, therefore, consider any application for permission to use loudspeakers on merit of each application and keeping in view the need to maintain proper law and order till the completion of election.

6. The above directions of the Commission, which will check noise pollution and disturbance of public peace and tranquility must be scrupulously implemented and strictly enforced by all election authorities concerned. Any violation thereof will be viewed by the Commission with grave concern and will invite severe disciplinary action against the defaulting officers.

7. A copy of this order shall be made available to local units of all recognised and registered party units in the district under acknowledgement.

The receipt of this letter should be acknowledged immediately.

TELANGANA STATE ELECTION COMMISSION

CIRCULAR

Cir.No.285/TSEC-L/2015 Date:10.06.2016

Sub:- Telangana State Election Commission – Panchayat Raj Bodies Elections – Implementation of 'None of the Above' (NOTA) option – Instructions - Reg.

Ref:- 1. G.O.Ms.No. 102, PR & RD (PTS.III) Dept, dated 02.12.2015.
2. TSEC Lr.No.285/TSEC-L/2015, dt:31.05.2016

**

In compliance of the orders of the Hon'ble Supreme Court in its Judgement dt.27th September, 2013, in Writ Petition (c) No.161 of 2004, the TSEC has decided to make necessary provisions in the Ballot papers/EVMs for "None of the above (NOTA)" option in all Local Body elections in the State so that the electors who do not wish to vote for any of the contesting candidates can exercise their right not to vote for any candidate without violation of secrecy of their decision. Accordingly, proposals were sent the Government for necessary amendments to relevant Acts and Rules.

The Government of Telangana vide reference 1st cited has made necessary modifications to the Acts / Rules. (Copy enclosed)

Therefore, the Commission hereby gives the following instructions to implement the 'NOTA' option on EVMs / Ballot Papers.

I) In elections to Ward Members and Sarpanchas of Gram Panchayats, MPTCs and ZPTCs, which are conducted either with EVMs or ballot boxes, after the panel containing the name and particulars of the last candidate on the ballot paper, there shall be a panel below the said last panel with the words "None of the above" written there in, for the benefit of those electors who may wish to exercise the option of not voting for any of the candidates in the fray. These words shall be written in the same language or languages as used in the case of names of the candidates. The size of the panel shall be the same as in the case of the candidates. For example, if there are 12 candidates contesting the election, there shall be provided the 13th panel shall be kept open where EVMs

are used. If there are 15 candidates in fray (in case of new SEC EVMs), an additional balloting unit shall be attached to the first balloting unit for the "None of the Above" panel. Thus in case more than one balloting unit is used "None of the Above" panel shall be in the last balloting unit below the panel for the last contesting candidate.

II) As enunciated in Sub-Rule (2) of Rule 68 of Telangana Panchyat Raj (Conduct of Elections to Members and Sarpanch of Gram Panchayats, Members of Mandal Parishads and Members of Zilla Parishads) Rules, 2006, the names of the contesting candidates of Sarpanch and Ward Member of Gram Panchayat, Member of MPTC and Member of ZPTC shall be printed on the EVM ballot paper in the same order in which they appear in the list of the contesting candidates.

III) In Elections to Gram Panchayats, MPTCs and ZPTCs, a specific symbol like other election symbols is introduced for "None of the Above" (NOTA) option on the lines of ECI, which is shown below:

(The NOTA symbol)

The symbol will appear in the last panel on all EVMs and all other ballot papers which are used in elections conducted with ballot boxes against the "None of the Above" (NOTA) option at all elections to be held herein after for local bodies in the State.

IV) The following sample ballot papers are enclosed herewith.

Model Ballot Papers for elections conducted with ballot boxes:

1. Model Postal Ballot Paper for MPTC elections.
2. Model Postal Ballot Paper for ZPTC elections.
3. Model Postal Ballot Paper for Sarpanch/Ward Members, GP elections.

2. Model Ballot Paper for ZPTC elections conducted with EVMs.

V) The Commission communicated the revised Forms XXVI, XXVIII, Part I of XXXII and Part II of XXXII duly carrying the changes as per the above G.O., to implement NOTA option vide reference 2nd cited. Copies of the said revised Forms are also enclosed herewith.

VI) It is clarified that 'NOTA' has the same effect as not voting for any candidate under the earlier provision of Rule 81 of the Telangana Panchayat Raj (Conduct of Elections of Members and Sarpanch of Gram Panchayats, Members of Mandal Parishads and Members of Zilla Parishads) Rules, 2006. Therefore, even if, in any extreme case, the number of votes against 'NOTA' is more than the number of votes secured by the candidates, the candidate who secures the largest number of votes among the contesting candidates shall be declared to be elected as per the provision of the rules.

VII) These instructions shall immediately be conveyed to all the Returning Officers/Assistant Returning Officers, Presiding Officers and other election related officers.

VIII) This shall also be brought to the notice of all political parties and the contesting candidates.

ANNEXURE – 35

MINUTES OF THE MEETING WITH THE POLITICAL PARTIES HELD ON 18.02.2017 AT 11.00 A.M. BY THE STATE ELECTION COMMISSION, TELANGANA

***

The meeting was Chaired by Sri V.Nagi Reddy,I.A.S.(Retd), State Election Commissioner.

The list of participants is enclosed herewith.

Sri Ashok Kumar, Secretary, State Election Commission after welcoming the participants informed that Telangana State Election Commission (TSEC) was constituted in the year 2014 by adopting the Acts, Rules and notifications issued by the erstwhile Andhra Pradesh state. Since then the TSEC has conducted ordinary elections to GHMC, Greater Warangal Municipal Corporation, Khammam Municipal Corporation, Siddipet Municipality, Achampet Nagar Panchayat and casual elections three times. He also informed that for the first time in India, Local Body elections were conducted with VVPATs in Khammam Municipal Corporation. Finally he informed that the feedback received from the general public and political parties during these elections, prompted the SEC to formulate a set of amendments/incorporations to certain Acts, Rules and notifications as being absolutely essential and to be on par with ECI guidelines and hence convened this meeting with the political parties.

Agenda:

I. Amendments to the Registration of Political Parties and Allotment of Symbols Order,2001.
II. Issues pertaining to Election campaign.
III. Election deposits and their disposals.
IV. Election Expenditure monitoring mechanism.

I.PROPOSED AMENDMENTS TO THE REGISTRATION OF POLITICAL PARTIES AND ALLOTMENT OF SYMBOLS ORDER,2001

The State Election Commissioner informed that for the past 1 ½ years, elections were conducted following the Registration of Political Parties and Allotment of Symbols Order issued in the year 2001. He opined that there is an urgent need to synchronise it with the Symbols Order and other Instructions/Circulars issued by the ECI.

Sri Kamalakar Rao, representative from INC party welcomed the initiative taken by the TSEC for amending the registration process and opined that as far as the recognised National parties registered with ECI is concerned, there is no need of registration at State Level while there is a necessity to discourage non serious parties registering only to corner the symbols.

Sri Niranjan, representative of INC party requested the SEC to rethink the proposal of submitting individual affidavits in respect of their assets and liabilities, Income-Tax returns of office bearers of the Party for the last three years, submitting copies of PAN cards may be considered sufficient.

Sri Indrasena Reddy representative of BJP has made the following suggestions:

1. If any application/affidavit has to be submitted by the political parties already registered with the SEC with regard to amendments/incorporations proposed to the Registration of Political Parties and Symbols Orders, 2001, notices shall be sent to them.
2. Requested to hoist the constitutions of all political parties registered with SEC on the website.
3. Suggested to take self declarations with regard to ER registrations, Assets and liabilities and criminal antecedents of office bearers instead of affidavits to overcome the difficulties in the process.
4. Requested to prescribe a proforma for opening of Bank Accounts, clearly indicating level at which parties have to open the accounts i.e. State Level/District Level/Mandal Level.
5. Suggested for online submission of application for registration of political parties.
6. Requested to exempt the National Parties from submission of copy of the annual audited accounts and income tax returns if ECI has certified that the party has already submitted the said documents to them to avoid duplication of work.

Sri Rao Subrahmanyam from Navatharam Party requested to bear the publication charges by the SEC only for registration of political parties instead of applicant party as followed earlier. He further suggested to arrange to provide electoral rolls on free of cost basis to registered political parties also on par with the recognised political parties. These suggestions were endorsed by other registered political parties.

Sri Gattu Ramachandra Rao, Representative of TRS Party suggested for publication of Notice in the news papers by the SEC only instead of the applicant parties while registering the political parties in order to maintain authenticity. He also requested to exempt from submission of annual audited accounts, if they have already submitted the same to ECI.

Sri B. Surender Reddy, representative from All India Forward Block, which is a recognised State Party in other State suggested to rethink the proposal of submitting annual audited accounts and income tax returns to the State Election Commission, as their party at central level is having PAN card and maintaining all these accounts and submitting annual accounts to the ECI.

Sri Srinivas Reddy from Telangana Lok Satta Party proposed for one registration instead of registering with multiple authorities like in the case of GST Bill.

Sri Amaranth Babu, Representative from TDP raised issues regarding delimitation process.

Sri D.G.Narsimha Rao, representative from CPI(M) suggested to continue the existing practice of publication of notice in the news papers by the State Election Commission instead of applicant parties in the larger interest of the society.

Smt C.Lakshmi representative from B.C. United Front requested to give permanent symbol to registered political parties also and to reduce the deposit amount of Rs.One lakh for allotment of reserved symbol as it is a burden on the registered political parties. These suggestions have also received unanimous support from other registered political parties

Sri P.Devaraju representative of Rashtriya Praja Congress (Secular) has objection for deposit of Rs.1.00 lakh for allotment of reserved symbol to registered political parties and requested to allot permanent symbol to registered political parties also.

Sri K.Shiva Kumar representative of YSRCP suggested to decrease registration fee and increase members of the organization to 100 from whom certified extracts of latest electoral rolls and affidavits are sought as in the case of ECI. Abbreviations of the party names if any should not be taken while processing registration of a political party and requested to treat registered political parties also on par with recognized political parties.

The State Election Commissioner informed that the proposed changes will be applicable in toto to only the new applicants and there is no need to submit any application/affidavit by any of the political parties that are already registered with SEC. SEC also opined that all those parties registered with ECI might have already complied with all these requirements and may at the most have to fill the gaps wherever required.

1. Regarding hoisting of all party constitutions on the web portal, SEC informed that at present Commission is not having the information about the constitutions of all parties registered with the State Election Commission and try to consider the same in future.
2. Considered to look into the proposal of online submission of application for registration of political parties.
3. Considered the proposal of submission of self attested extracts of latest electoral rolls in respect of 25 Members of organisation instead of submission of extracts from the latest electoral rolls duly certified by the ERO of the Assembly Constituency.
4. It is clarified that the submission of affidavits by the office bearers in respect of their assets and liabilities and criminal antecedents at the time of registration is sufficient and there no need to submit every year or whenever office bearers are changed.
5. Regarding submission of expenditure accounts, it is clarified that as SEC and ECI are different constitutional bodies at present, parties are required to submit the accounts of expenditure pertaining to Telangana State in the State Election

Commission only and with regard to common accounts, certificate issued by the ECI is sufficient.

6. With regard to delimitation, it is clarified that delimitation subject is under the purview of State Government and not with the State Election Commission as per the existing Acts.
7. Point raised by many of the political parties with regard to total removal or reduction of deposit of Rs.1.00 lakh for claiming reserved symbol, SEC stated that it is an existing clause in the Symbol Order from 2001. SEC also informed that the symbol shall be reserved without any deposit, if any party returns minimum 3 ZPTC Members/3 GHMC Members/15 MPTCs/15 Municipality and Municipal Corporation Wards.

II. ISSUES PERTAINING TO ELECTION CAMPAIGN:

1. Discrepancy between advertisements in print and electronic media:

The SEC informed that there is an apparent discrepancy between the print media and electronic media in airing advertisements, which needs to be deliberated and synchronised. Also informed that there is no ban on advertisements in print media whatsoever till the poll day. However, advertisements on T.V. and Electronic Media are banned before 48/44 hours prior to the hour fixed for the conclusion of the poll.

The SEC further informed that any changes in the Act with regard to this subject will be made only by the state legislature, and in this regard Commission intends to send proposal to the Government to amend the Act for uniformity in both print and electronic media. Also advised the parties to submit their feedback, if any to the Government or Legislature, if they have any special request.

Sri Indrasena Reddy, representative of BJP suggested to ban advertisements in both print and electronic media uniformly before 48/44 hours prior to the hour fixed for the conclusion of poll. He has also suggested that necessary clarity shall be given to lower level election officers/police officials that such ban is 48/44 hours prior to the hour fixed for conclusion of poll but not 48/44 hours beginning of poll for campaigning etc.

Sri Niranjan representative of INC party suggested ban on advertisements both in print and electronic media before 48/44 hours of conclusion of poll.

Sri Srinivas Reddy, Telangana Lok Satta Party suggested that 48 hours is very crucial for influencing voters and suggested for the ban of advertisements both in print and electronic media.

Sri Syed Animul Hasan Jafri, representative of AIMIM has suggested to ban advertisements both in print media and electronic media including social media i.e. sms, whatsapp, voice call etc. Before 48/44 hours prior to the hour fixed for conclusion of the poll.

Sri Bhanu Murthy from Praja Satta Party suggested for ban on all types of publicity in print and electronic media (3) days in advance of poll.

2. Use of loudspeakers in election campaign:

The SEC explained that presently loudspeakers are permitted between 6.00 A.M. to 10.00 A.M. during public meetings, Road Shows, at Party Offices, on publicity vehicles etc. While such use during public meetings and road shows may be essential but the same cannot be vouched in case of those mounted on vehicles and party offices etc.

He also informed that in the States like Punjab, Karnataka and Uttarakhand where their use is permitted between 9.00 A.M. to 9.00 A.M. Further, revolutionary developments in mass communications and emergence of social media necessitate a relook at the use of loudspeakers.

Hence the State Election Commission proposed the use of loudspeakers, at public meetings and road shows shall be permitted only between 6.00 A.M. to 10.00 P.M. and in all other cases the use of loudspeakers may be permitted only between 10.00 A.M. to 6.00 P.M. The noise levels at the boundary of public place, where loudspeaker or public address system or any other noise sourcesare being used shall not exceed 10 dB(A) above the ambient noise standards for the area or 75 dB(A) whichever is lower.

All the representatives of political parties agreed for the above proposal.

III. ELECTION DEPOSITS AND THEIR DISPOSALS:

The SEC informed that there are different yardsticks for return of deposits. In case of PRIs, deposit will be returnable if the candidate gets more than $1/8^{th}$ of the total valid votes polled and in case of ULBs if he get more than $1/6^{th}$ of the total valid votes polled. During 3rd Ordinary Elections to GHMC, 2016, out of 1333 total contested candidates, only 319 candidates have qualified for return of their deposit amount and 1014 candidates have lost their deposit amount. Lapsing of deposits tends to demoralise the defeated candidates discouraging participation. The Commission considered it desirable to propose lowering the threshold percentage of votes secured by contested candidates to get their deposit amounts.

SEC also informed that Commission intends to send a proposal to the Government for reducing the threshold level of valid votes polled on total valid votes to 5% ($1/20^{th}$ of valid votes polled) i.e. 5 votes per 100 valid votes polled and requested the political parties express their views.

Sri Kamalakar Rao representative from INC party proposed 10% of minimum votes for getting deposits back in order to have a balanced view and to discourage unnecessary candidates to file nominations. Similar opinion was expressed by the AIMIM party.

Smt C.Lakshmi representative from BC United Front Party has suggested for total removal of % of voters polled to get deposits back atleast to SC,ST,BC and Women candidates.

Majority of the parties agreed for the proposal of reducing the threshold level of valid votes polled to 5% to get the refund of deposits made by the contesting candidates.

IV.ELECTION EXPENDITURE MONITORING MECHANISM:

Statutory restrictions are in place to curb money power in elections. Violation can result in disqualification and barring from elections. However, these offences are non-cognisable in nature.

The SEC informed that Election Expenditure Observers are appointed for monitoring of expenditure during the elections. A large monitoring system is put in place to monitor this aspect during elections such as Special squads mobile and stationary, number crunching teams in the offices of the DEO etc. However the results both in concurrent and post audits are not at all commensurate with the resources deployed. Parties and candidates are often found defaulting on their legal obligations and ultimately the data ends up with little scrutiny or utility. Even rival candidates don't seem to be utilising the data generated by the system. It is relevant to note that all this data will be ready with in 45 days of the result while the time limit for filing of election petitions lapses 60 days after the results.

Sri Indrasena Reddy, BJP suggested fixing the maximum limit for election expenditure proportionately taking the number of voters in the territorial constituency as criteria i.e. ZPTC, MPTC, Sarpanch, Municipal Wards. He also suggested to maintain a record of the candidates who have not furnished election expenditure accounts and also display the names of disqualified candidates in the concerned Gram Panchayats and municipalities. He further suggested to reduce the election campaign period to four days, so that the election expenditure will drastically come down.

Sri Niranjan, representative of INC party opposed this suggestion and requested for strict implementation of MCC.

Concluding the meeting the Secretary, State Election Commission thanked all the representatives of the political parties for having attended the meeting and presenting their valuable suggestions during the meeting.

In order to avoid all above technical problems and to make all electoral rolls and election related data in uniform format the Commission has taken a initiative to develop web based Election Management Information System (EMIS) with the help of Centre for Good Governance, Hyderabad. (ii) Election Process Module: In this module, election officials of MPPs/ZPPs concerned can enter the entire data / information pertaining to the election process right from nomination stage to till declaration of results and the same will automatically be published in the official website of the TSEC. This provides election information for general public to know the details of nominations, affidavits filed by nominated candidates and elected candidate.

(iii) Randomization Module: Under development stage.

In this regard, the Collectors and District Election Authorities are directed to utilize the above software for preparation and publication of photo electoral rolls and for feeding all the election related information with immediate effect. For preparation of electoral rolls the District Officials have to dump the SQL data base (password free) issued by the Chief Electoral Officer, GAD Elections in the server located at Centre for Good Governance, Gachibowli, Hyderabad.

As elections to both vacancies will be conducted simultaneously, a plan should be prepared for setting up polling stations for both the vacancies. In the polling station setup for 3rd ward, two EVMs should be kept i.e, one for Ward member election and another for Sarpanch election to enable the voters of 3rd ward to exercise

their franchise. To enable the other voters to exercise their franchise for sarpanch election, separate polling stations shall be set up @ one polling station for 600 voters.

3. NOTA:

The SEC stated that, the ballot paper shall be printed with NOTA option. After the panel containing the name and particulars of the last candidate on the ballot paper, there shall be a panel below the said last panel with the words "None of the Above" written therein. The symbol of NOTA shall also be printed on the ballot paper in the last panel below the last symbol. Since there is no stock of such ballot papers available, the elections will be conducted with EVMs. Hence ballot paper shall be got printed afresh with NOTA symbol. 4. EVMs:

The DPR & RE and EA has stated that, sufficient stock of EVMs are available in the districts and the indent will be placed with ECIL for supply of required power packs.

The SEC stated that, the preparation of EVMs i.e, First Level Checkup of EVMs and purchase of power packs etc., should be completed before issue of election notification. EVMs should be randomized at two levels i.e., 1st at District level and 2nd at Mandal/ GP level before allotting to polling stations.

In case of Sarpanch only elections, there is no need to keep one polling station to each ward. One polling station may be kept for maximum 600 voters for Sarpanch only and Ward Member elections.

In view of the above all the collectors and District Election Authorities are permitted to release the EVMs from the strong rooms which were used earlier in Ordinary/ Casual elections to Urban Local Bodies and casual elections to Rural Local Bodies except those involved in court cases and provide them to the CEOs of ZPP and DPOs concerned and also to the Commissioners of Bodhan Municipality in Nizamabad District and Ibrahimpatnam Nagar Panchayat in Ranga Reddy District for enabling them to undertake FLC by the ECIL Engineers and use them in the elections. Lr.No.984/TSEC-EM/2016-1 Dated:10.06.2016

To
The Special Chief Secretary to Government,
PR & RD Department, Telangana
Telangana Secretariat,
Hyderabad.

Sir,

Sub:- TSEC – Elections – Elections to Ward members and Sarpanchas of Gram Panchayats – Government made certain amendments to the conduct of election rules for implementation of NOTA option in the ballot paper of PR Body elections – Printing of Ward members and Sarpanch ballot paper with NOTA option – Release of budget – Reg.

Ref:- 1. Rules relating to the Telangana Panchayat Raj (Conduct of Elections of Members and Sarpanch of Gram Panchayats, Members of Mandal Parishads and Members of Zilla Parishads) Rules, 2006 issued in G.O Ms.No. 142 PR & RD Department, dated 03.05.2006.
2. G.O.Ms.No. 102, PR & RD (PTS.III) Dept, dated 02.12.2015.

I wish to state that, in the reference 2nd cited, the Government have made certain amendments to the conduct of elections rules 1st cited for implementation of "None of the above (NOTA)" option in elections to Panchayat Raj Bodies.

In this connection, I wish to state that, the elections to Ward members and Sarpanchas of Gram Panchayats are conducted in traditional method using ballot paper and ballot boxes. The Gram Panchayat elections are conducted on non party basis.

The names of the contesting candidates are not printed on the ballot paper of Gram Panchayat elections. Only election symbols notified by the SEC are printed. The first contesting candidate is allotted first symbol, second candidate second symbol, third candidate third symbol and so on. The ballot paper for general elections to ward

members and sarpanch of Gram Panchayats is printed in advance with 20 % excess and the same is used in the subsequent casual elections till the next general elections.

The ballot paper is printed in different denominations viz., two (i.e, two symbols), four (i.e, four symbols), six (i.e, six symbols) and so on up to 20th denomination (i.e, twenty symbols). Depending on the number of contesting candidates, the last symbol in the ballot paper is cut and issued to the voters. If there are three contesting candidates, four symbol denomination ballot paper is taken and the last symbol is cut by the concerned polling personnel and given to the voters. If there are seven contesting candidates, eight symbol denomination ballot paper is taken and the last symbol is cut and given to the voters and so on.

As the government have introduced "NOTA" option, and consequent on which hence forth in all elections to ward members and Sarpanchas of Gram Panchayats, the ballot paper shall contain "NOTA" symbol below the last symbol, the present stock of ballot paper printed earlier during general elections to GPs held in 2013 and which is being used in casual elections has become redundant. Again, now ballot paper is to be printed with "NOTA" symbol for "None of the above" option with all the denominations i.e., three symbol denomination (first two are election symbols and third NOTA symbol), four symbol denomination (first three election symbols and forth NOTA symbol), five symbol denomination (first four election symbols and fifth NOTA symbol) and so on upto twenty symbol denomination. The symbol "NOTA" to be printed below the last symbol on the ballot paper is shown below.

(The NOTA symbol)

As per the statutory provision, election to the casual vacancies are conducted at regular intervals i.e, within 120 days from the date of occurrence of the vacancies.

In view of the above, I request you to obtain necessary proposals from the Director of Panchayat Raj and Rural Employment and Election Authority and release budget to the DPR and RE and EA immediately to procure paper and get printed ward member and Sarpanch ballot paper with symbol "NOTA" for implementation of NOTA option in elections to the casual vacancies in Gram Panchayats.

I also request you to take necessary initiatives in advance for preparing and allocating budget for conduct of next general elections to Gram Panchayats which are due to be held within 3 months before the expiry of their term in August, 2018.

Yours faithfully,

The first contesting candidate is allotted first symbol, second candidate second symbol, third candidate third symbol and so on. The ballot paper for general elections to ward

members and sarpanch of Gram Panchayats is printed in advance with 20 % excess and the same is used in the subsequent casual elections till the next general elections.

The ballot paper is printed in different denominations viz., two (i.e, two symbols), four (i.e, four symbols), six (i.e, six symbols) and so on up to 20th denomination (i.e, twenty symbols). Depending on the number of contesting candidates, the last symbol in the ballot paper is cut and issued to the voters. If there are three contesting candidates, four symbol denomination ballot paper is taken and the last symbol is cut by the concerned polling personnel and given to the voters. If there are seven contesting candidates, eight symbol denomination ballot paper is taken and the last symbol is cut and given to the voters and so on.

As the government have introduced "NOTA" option, and consequent on which henceforth in all elections to ward members and Sarpanchas of Gram Panchayats, the ballot paper shall contain "NOTA" symbol below the last symbol, the present stock of ballot paper printed earlier during general elections to GPs held in 2013 and which is being used in casual elections has become redundant. Again, now ballot paper is to be printed with "NOTA" symbol for "None of the above" option with all the denominations i.e., three symbol denomination (first two are election symbols and third NOTA symbol), four symbol denomination (first three election symbols and forth NOTA symbol), five symbol denomination (first four election symbols and fifth NOTA symbol) and so on upto twenty symbol denomination. The symbol "NOTA" to be printed below the last symbol on the ballot paper is shown below.

(The NOTA symbol)

As per the statutory provision, election to the casual vacancies are conducted at regular intervals i.e, within 120 days from the date of occurrence of the vacancies.

In the reference 3rd cited, the Government was requested to release budget to the DPR & RE and EA immediately to procure paper and get printed GP Elections ballot paper with symbol "NOTA" for conduct of casual elections.

I, therefore, request you to send necessary proposals to the Government in PR Department for release budget to procure paper and get printed ward member and Sarpanch ballot paper with symbol "NOTA" for implementation of NOTA option in the elections to the casual vacancies in Gram Panchayats.

I also request you to take necessary initiatives in advance for preparing and allocating budget for conduct of next general elections to Gram Panchayats which are due to be held within 3 months before the expiry of their term in August, 2018.

Yours faithfully,
Sd/- M. Ashok Kumar

Lr.No.1472/TSEC-PR/2016 Dated:28.11.2016

To,
The Spl. Chief Secretary to Government,
Panchayat Raj & Rural Development Department,
Telangana, Secretariat,
Hyderabad.

Sir,

Sub:- TSEC – Elections – Elections to Rural Local Bodies – Electoral Rolls – Preparation and Publication of Gram Panchayat Electoral Rolls – Certain amendments proposed to the TPR Act, 1994 and Rules relating to the preparation and publication of electoral rolls – Reg.

***

I wish to state that, the Section 10 of Telangana Panchayat Raj Act, 1994, stipulates that, "for the purpose of electing members to a Gram Panchayat, the Commissioner shall, subject to such rules as may be prescribed, divide the village into as many wards as there are seats, determined under Section 7, on a territorial basis in such a manner that all wards shall have, as far as practicable, equal number of voters and allot not more than one seat for each ward".

As per the above Section, wards of a village shall be determined on territorial basis. But, practically it has not being done so. Because, determining wards of a village is difficult due to non availability of ward wise population figures of village. So, what is being done is, wards are identified on the basis of electoral rolls by dividing the total voters of village by the total number of wards and for each ward a line is drawn in the electoral rolls for identifying ward wise electors.

As per section 11 of TPR Act, read with rules relating to the preparation and publication of Gram Panchayat electoral rolls issued in G.O.Ms.No. 254 PR & RD (Elections) Dept, dated 4.8.2000, the latest published assembly electoral rolls are adopted for preparation and publication of Gram Panchayat electoral rolls.

After publication of electoral rolls, inclusion of any names till the issue of election notification are added to the last ward.

As per sub-section (2) (a) of section 11 the GP Electoral rolls shall be published –

(i) Before each ordinary election; and

(ii) Before each casual election to fill a casual vacancy in the office of sarpanch and member of Gram Panchayat.

As per sub-rule (2) of rule (5) relating to the publication of electoral rolls, ward division shall be indicated while publication of electoral rolls for every ordinary and casual election.

Here the issue is, as ward division is required to be indicated while publication of electoral rolls for casual election also, it is resulting in, shifting of some voters of one ward in ordinary elections held to that particular ward to another ward due to inclusion of names in the latest assembly electoral rolls. This is happening especially in those villages which are located in the pheripheral areas of towns and cities where migration of people is more. Due to this, the voters of a ward are losing their identity of the original ward where they voted earlier. Sometimes elected ward members are also shifted from one ward from which he / she elected to another ward. If wards are determined on territorial basis, as is being done in urban local bodies, such issues will not crop up.

In view of the above, the ward division indicated on the basis of electoral rolls prepared during general/ordinary elections shall be made as the territorial area of the wards till next ordinary elections. Inclusion or deletion of names after publication of electoral rolls shall be included in the concerned ward only, basing on its territorial jurisdiction prepared at general/ordinary elections. The issue was also discussed with some DPs, EOs (PR & RD) & Panchayat Secretaries who practically involve in preparation and publication of Gram Panchayat electoral rolls to know practical difficulties in this exercise. They welcomed the proposals of the TSEC.

Hence, the Commission proposes the following amendments to the Section 10 & 11 of Telangana Panchayat Raj Act, 1994 and Rules relating to the preparation and publication of Gram Panchayat electoral rolls issued in G.O.Ms.No. 254 PR & RD (Elections) Dept, dated 04.08.2000

2. In section 10, after the last wards at the end, the following proviso shall be added namely –

"The ward division indicated in the electoral rolls of Gram Panchayat during a particular ordinary election shall continue to be same till next ordinary elections. Any changes that may occur shall be carried out in the Electoral Rolls as per the location of the household, in their respective Wards."

3. In section 11, in the second proviso, the words "last ward" shall be replaced by the following words namely –

"concerned ward"

4. In section 11, after sub-section (2)(a)(ii) after the word 'Gram Panchayat' the following words shall be added namely –

Sd/- M. Ashok Kumar
Secretary

To
The Spl Chief Secretary to Govt of Telangana,
PR Department.
Telangana Secretariat,
Hyderabad

Sir,

Sub:- TSEC – Elections – Elections to rural local bodies – MCC – prohibition of public meetings before the date of poll - variations in the mandatory provisions pertaining to the advertisements in electronic and print media – Ban on advertisements in print media before poll - certain amendments to the section 214 of TPR Act, - Proposals – Reg.

***

I wish to state that, model code of conduct is an important enforcement for conduct of elections in a free, fair and peaceful manner which comes into force from the date of issue of election notification to till completion of election process.

Section 214- Prohibition of public meetings before the date of poll of TPR Act, 1994, which is a part of MCC stipulates that-

(1) No person shall:-

(a) Convene, hold or attend join or address any public meeting or procession in connection with an election;

Or

(b) Display to the public any election matter by means of cinematography, television or other similar apparatus; or

(c) Propagate any election matter to the public by holding, or by arranging the holding of, any musical concert or any theatrical performance or any other entertainment or amusement with a view to attracting the members of the public thereto, in any polling area during the period of forty eight hours prior to the hour fixed for the conclusion of the poll in the case of

Mandal Praja Parishad and Zilla Parishads and forty four hours prior to the hour fixed for the conclusion of the poll in the case of Gram Panchayats.

(2) Any person who contravenes the provisions of sub-section (1) shall be punishable with imprisonment for a team which may extend to two years, or with fine or with both.

(3) In this section, the expression "election matter" means any matter intended or calculated to influence or affect the result of election.

As per the sub-section (1)(b) of 214, there is a ban in airing advertisements in electronic media during the period of forty eight hours prior to the hour fixed for the conclusion of the poll in the case of Mandal Praja Parishad and Zilla Parishads and forty four hours prior to the hour fixed for the conclusion of the poll in the case of Gram Panchayats.

As read above, there is no ban on advertisements of political /election matter in print media before forty eight/ forty four hours prior to the hour fixed for the conclusion of the poll.

Thus, there is an apparent discrepancy between the Print Media and Electronic Media in airing advertisements, which needs to be deliberated any synchronized.

It is pertinent to mention here that, during earlier elections, it came to the notice of the Commission that, as there is no ban on print media, some political parties and candidates had given huge political advertisements in print media (news papers) even on the day of poll.

The issue of differential treatment between print and electronic media before 48/44 hours prior to the hour fixed for the conclusion of the poll was discussed as one of the agenda items in the meeting held by the SEC with recognized political parties and registered political parties on 18.02.2017 at 11.00 AM in the office of the State Election Commission. Some political parties suggested to ban political advertisements in both print and electronic media uniformly before 48/44 hours prior to the hour fixed for the conclusion of the poll.

In view of the above, the Commission suggests to bring uniformity in the provisions i.e., either to ban political advertisements in both electronic and print media or to amend Section 214 of TPR Act, by deleting sub-section (1)(b) of Section 214 to obtain a level playing field between different media channel.

An extract of Section 214 of TPR Act, 1994 is also enclosed herewith for reference.

I, therefore, request you to consider bringing in necessary amendments to the above said legal provision as early as possible.

Yours faithfully,
Sd/- M. Ashok Kumar
Secretary

Lr.No.210/TSEC-PR/2017 Dated:03.03.2017

To
The Spl. Chief Secretary to Govt. of Telangana,
PR & RD Department.
Telangana Secretariat,
Hyderabad.

Sir,

Sub:- Elections – Elections to Rural Local Bodies – Deposits – Proposal for reducing the threshold level of valid votes polled to get the refund of deposits made by the contesting candidates – Reg.

***

I wish to state that, as per sub-rule (1) of Rule 10 of Rules relating to the conduct of elections, 2006, at or before the time of presentation of nomination paper each candidate shall remit or cause to be remitted amount of deposit the specified by the State Election Commission in any government treasury or bank or in cash with the Returning Officer.

As per the said rule, the SEC, before ordinary election, by notification, specifies the amount of deposit to be remitted by the contesting candidates in the elections to the Rural Local Bodies. In pursuance of the said stipulation, the Commission in reference no. 1468/TSEC-PR/2016, dated 28.11.2016 issued a notification specifying the deposits to be remitted by the contesting candidates in Rural Local Body elections as indicated below. A copy of the said notification is also enclosed herewith.

Office	Deposit to be remitted by candidates other than SC,ST and BC candidates	Deposit to be remitted by SC,ST and BC candidates
1	2	3
Member ZPTC	5,000	2,500
Member, MPTC	2,500	1,250
Sarpanch of Gram Panchayat	2,000	1,000
Ward Member of Gram Panchayat	500	250

As per sub-rule (3) of Rule 10, the deposit amount remitted by the contested candidate is returnable, if the candidate gets more than $1/8^{th}$ of the total valid polled votes. If the candidate will not get more than $1/8^{th}$ of total valid polled votes, the deposit will be forfeited to the government. But, whereas, in case of Urban Local Body elections, the deposit amount is returned to the candidate, if the candidate gets more than $1/6^{th}$ of the total valid polled votes. If the candidate will not get more than $1/6^{th}$ of total valid polled votes, the deposit will be forfeited to the government. Thus there are different yardsticks for return of deposits in Rural Local Body Elections and Urban Local Body Elections.

The Commission made a case study of deposits in GHMC Elections, 2016. Out of 1333 total contested candidates in 3rd ordinary elections to GHMC, 2016, 319 candidates were qualified for return of their deposit amount and 1014 candidates forfeited their deposit amount.

Forfeiting of deposits tends to cause demoralization amongst the defeated candidates discouraging participation. The commission considered it desirable to propose lowering the threshold percentage of votes secured by contesting candidates to get their deposit amounts as follows-

Sl.No.	Name of the office	Present status on return of Deposit	Suggested threshold level of valid votes polled on total valid votes to get the deposit return
1	Member, ZPTC	$1/8^{th}$ (12.5 %) of valid votes	$1/20^{th}$ (5%) of valid

2	Member, MPTC	polled i.e., 13 votes per 100 valid votes polled	votes polled, i.e., 5 votes per 100 valid votes polled
3	Sarpanch of GP		
4	Ward member of GP		
5	Ward member, Municipal Corporation	1/6th (16.7%) of valid votes polled, i.e., 17 votes per 100 valid votes polled	
6	Ward member, Municipalities/ Nagar Panchayats		

Before taking a decision on this, the Commission discussed it as one of the agenda items in the meeting with the political parties held by SEC on 18.2.2017 in the O/o the SEC.

Majority of the parties agreed for the proposal of reducing the threshold level of valid votes polled to 5 % to get the refund of deposits made by the contesting candidates.

In view of the above, the Commission proposes the following amendment to the sub-rule (3) of Rule 10 of rules relating to the Telangana Panchayat Raj (Conduct of elections of members and Sarpanch of Gram Panchayats, Members of Mandal Praja Parishads and Members of Zilla Praja Parishads) Rules.

Amendment proposed to sub-rule(3) of Rule 10 relating to the Conduct of Elections, 2006.

In sub-rule(3) of Rule 10, the words "one eighth of the total number of valid votes polled by all the candidates" shall be replaced with the following words namely,-

"one-twentieth of the total number of valid votes polled by all the candidates (excluding votes polled for NOTA)"

An extract of Rule 10 of rules relating to the conduct of election rules is also enclosed herewith for reference.

I, therefore, request you to issue necessary amendments to the above said proposal as early as possible.

(THIS HAS APPROVAL OF THE STATE ELECTION COMMISISONER)

Yours faithfully,

Lr.No.896/TSEC-ULBs/2016 Dated:09.08.2016

To

The Spl. Chief Secretary to Government,
Municipal Administration and Urban Development Dept.,
Secretariat, Hyderabad.

Sir,

Sub:- TSEC – Elections – Elections to the Urban Local Bodies in the State – Post Election Disputes – Trialled by the District Judge concerned /Chief Judge, City Civil Court, Hyderabad – Amendments to Telangana Municipalities Act, 1965 and Greater Hyderabad Municipal Corporation Act, 1955 – Proposals furnished – Reg.

***

The Telangana Municipalities Act, 1965 and Greater Hyderabad Municipal Corporation Act, 1955 provide for adjudication of election disputes by the Election Tribunals and subsequent disqualification for being continuing as Member of the Municipal Body concerned by District Judge of the district where the Municipality situated and City Civil Court, Hyderabad in case of GHMC. The Act provisions stipulated as follows –

(i) An Election Tribunal – under Section 343 ZA of Telangana Municipalities Act, 1965 & Section 71 of GHMC Act, 1955.
(ii) The District Court/City Civil Court, Hyderabad as the case may be under Section 17 of Telangana Municipalities Act, 1965 and Section 23 D of GHMC Act, 1955.

In the recently held case, a post election petition in O.P. no. 177 of 2014 under Section 17 of Telangana Municipalities Act, 1965, was filed by Sri P. Nagaraj, a contesting candidate for Ward No. 3 of Sanga Reddy Municipality for which elections

were held during the year 2014 on the grounds of the Respondent Sri Abubakar Bin Hussain Al Bakri is having three children and pleaded the Hon'ble Court for –

(i) declaring the election of the winning candidate as null and void; and
(ii) declare himself to be the winning candidate;

The District Judge who is having jurisdiction to try the case, passed orders on disqualification of the elected Member and dismissed the other plea of the petitioner i.e., to declare him as elected Member of the said Ward as no such powers are conferred under Section 17 of Telangana Municipalities Act, 1965.

In this context, on request made by the contesting candidate to declare him as elected Member of Ward No. 3 of Sanga Reddy Municipality in view of disqualification of elected member as he has secured next highest votes in the said election. The Collector and District Election Authority, Medak at Sanga Reddy sought clarification for further orders from the State Election Commission.

In view of the above, it is construed there is an element of ambiguity in the legal provisions relating to disqualification of the elected candidates and hence, the following modifications are suggested for amending the Section 17 of Telangana Municipalities Act, 1965 and Section 23D of the GHMC Act, 1955 to the Government in MA & UD Department –

I. For Municipalities and Nagar Panchayaths –

A. In Sub Section (1) of Section 17 of the Telangana Municipalities Act, 1965 -

(1) the words "has not qualified" shall be substituted "was not qualified at the time of filing of nomination and an election petition has not been filed within the stipulated period before the Election Tribunal"
(2) after the words "or has become" the word "subsequently" shall be added before the word "disqualified".
(3) Since, Section 19 has already been omitted by Act 28 of 2005, after deleting the words "or Section 19" "the words "or Section 16" shall be substituted after Section 15.

B. The Sub-Section (2) shall be substituted as

The District Judge in cases –

(i) Where a petition made under this Section is filed before him without filing an Election Petition and the period for filing such petition having expired, he may after making such inquiry as he deems necessary, pass orders on –

(a) dismissing the petition; or
(b) declaring the election of the returned candidate to be void and ordering for fresh election; or
(c) declare the petitioner or any other candidate as duly elected; and his decision shall be final.

(ii) Where a petition is filed on subsequent disqualifications -
Shall determine whether or not such person disqualified and his decision shall be final.

II. For Municipal Corporations –

A. In Sub Section (1) of Section 23D of the GHMC Act, 1955 -

(1) the words "has not qualified" shall be substituted "was not qualified at the time of filing of nomination and an election petition has not been filed within the stipulated period before the Election Tribunal"
(2) after the words "or has become" the word " subsequently" shall be added before the word "disqualified".
(3) In Clause (b), after the words, 'Chief Judge, City Civil Court, Hyderabad', the words "in case of GHMC and the District Judge concerned in case of all other Municipal Corporations" shall be added.
(4) After Clause (b), the proviso shall be added newly as "In case of GHMC, the Commissioner and Election Authority, GHMC shall, either on the direction of the member with the approval of the Government if no such direction is given within a period of two months from the date of placing of the matter by Commissioner before the Council, apply for a decision to the Chief Judge, City Civil Court, Hyderabad".

B. The Sub-Section (3) shall be substituted as

The District Judge/Chief Judge, City Civil Court, Hyderabad in cases –

(i) Where a petition made under this Section is filed before him without filing an Election Petition and the period for filing such petition having expired, he may after making such inquiry on he deems necessary, pass orders –

(a) dismissing the petition; or
(b) declaring the election of the returned candidate to be void and ordering for fresh election; or
(c) declare the petitioner or any other candidate as duly elected; and his decision shall be final.

(ii) Where a petition is filed on subsequent disqualifications -
Shall determine whether or not such person disqualified and his decision shall be final.

I, therefore, request you to issue necessary amendments to the above said proposals as early as possible.

Sir,

Sub:- TSEC – Elections – Elections to Urban local bodies – MCC – prohibition of public meetings before the date of poll - variations in the mandatory provisions pertaining to the advertisements in electronic and print media – Ban on advertisements in print media before poll - certain amendments to the section 600 of GHMC Act, 1955 and Section 343 C of Telangana Municipalities Act, 1965 - Proposals – Reg.

***

I wish to state that, model code of conduct is an important enforcement for conduct of elections in a free, fair and peaceful manner which comes into force from the date of issue of election notification to till completion of election process.

Section 600 - Prohibition of public meetings during period of forty-eight hours ending with hour fixed for conclusion of poll of GHMC Act, 1955 which is a part of MCC stipulates that-

(1) No person shall:-
  (a) Convene, hold or attend join or address any public meeting or procession in connection with an election;
  Or
  (b) Display to the public any election matter by means of cinematography, television or other similar apparatus; or
  (c) Propagate any election matter to the public by holding, or by arranging the holding of, any musical concert or any theatrical performance or any other entertainment or amusement with a view to attracting the members

of the public thereto, in any polling area during the period of forty-eight hours ending with the hour fixed for the conclusion of the poll for any election in that polling area.

(2) Any person who contravenes the provisions of sub-section (1) shall be punishable with imprisonment for a team which may extend to two years, or with fine or with both.

(3) In this section, the expression "election matter" means any matter intended or calculated to influence or affect the result of election.

Section 343 C - Prohibition of public meetings during period of forty-eight hours ending with hour fixed for conclusion of poll of Telangana Municipalities Act, 1965 which is a part of MCC stipulates that-

(1) No person shall:-
   (a) convene, hold, attend, join or address any public meeting or procession in connection with an election; or
   (b) display to the public any election matter by means of cinematography, television or other similar apparatus; or
   (c) Propagate any election matter to the public by holding, or by arranging the holding of, any musical concert or any theatrical performance or any other entertainment or amusement with a view to attracting the members of the public thereto, in any polling area during the period of forty-eight hours ending with the hour fixed for the conclusion of the poll for any election in that polling area.

(2) Any person who contravenes the provisions of sub-section (1) shall be punishable with imprisonment for a team which may extend to two years, or with fine or with both.

(3) In this section, the expression "election matter" means any matter intended or calculated to influence or affect the result of election.

As per the sub-section (1)(b) of Section 600 of GHMC Act and sub-section (1)(b) of section 343 C of Telangana Municipalities Act, there is a ban in airing advertisements in electronic media during the period forty-eight hours ending with the hour fixed for the conclusion of the poll for any election in that polling area.

As read above, there is no ban on advertisements of political /election matter in print media before forty-eight hours ending with the hour fixed for the conclusion of the poll for any election in that polling area.

Thus, there is an apparent discrepancy between the Print Media and Electronic Media in airing advertisements, which needs to be deliberated any synchronized.

It is pertinent to mention here that, during earlier elections, it came to the notice of the Commission that, as there is no ban on print media, some political parties and candidates had given huge political advertisements in print media (news papers) even on the day of poll.

The issue of differential treatment between print and electronic media before forty-eight hours ending with the hour fixed for the conclusion of the poll for any election in that polling area was discussed as one of the agenda items in the meeting held by the SEC with recognized political parties and registered political parties on 18.02.2017 at 11.00 AM in the office of the State Election Commission. Some Political parties suggested to ban political advertisements in both print and electronic media uniformly before forty-eight hours ending with the hour fixed for the conclusion of the poll for any election in that polling area.

In view of the above, the Commission proposes to bring uniformity in the provisions i.e., either to ban political advertisements in both electronic and print media or to amend

i. Section 343C, of Telangana Municipalities Act, 1965 by deleting sub-section (1)(b) of Section 343C, and
ii. Section 600 of GHMC Act, 1955 by deleting sub-section (1)(b) of Section 600

to obtain a level playing field between different media channels.

Extract of Section 600 of GHMC Act, 1955 and section 343 C of Telangana Municipalities Act, 1965 are also enclosed herewith for reference.

I, therefore, request you to consider bringing in necessary amendments to the above said legal provisions as early as possible.

Yours faithfully,
Sd/- M. Ashok Kumar
Secretary

Sir,

Sub:- Elections – Elections to Urban Local Bodies – Deposits – Proposal for reducing the threshold level of valid votes polled to get the refund of deposits made by the contesting candidates – Reg.

***

Higher poll turnout strengthens democracy and enhances the respect for elected Governments. Towards this end Election Commissions, Governments and civil society organizations devote considerable resources for increasing voter awareness and voting percentage. Enthusiastic participation of contesting candidates tends to enliven wider sections of people to participate in voting. However the fear of ridicule as a result of loosing deposit weighs heavily in the minds of many a decent person discouraging them from contesting in the elections.

As per Section 37 of GHMC Act, 1955 stipulates that "a candidate shall not be deemed to be duly nominated unless he deposits or causes to be deposited such sum as may be prescribed". In sub rule (1) of Rule 3 of Rules relating to the conduct of elections to Municipal Corporations, 2005, the Government prescribed deposit amount to be deposited by the contesting candidates at the time of filing nominations as indicated below:

Other than the SC, ST and BC candidates	-	Rs.5000/-
SC, ST and BC candidates	-	Rs.2500/-

As per the Sub-rule (1) of Rule 10 of Rules relating to the conduct of elections to Municipalities, 2005, at or before the time of presentation of nomination paper, each candidate shall remit or cause to be remitted the amount of deposit as may be specified by the State Election Commission, in any Government Treasury or Bank or in Cash with the Election Officer. As per the said rule the SEC, before ordinary election, by notification, specifies the amount of deposit to be remitted by the contesting candidates in the elections to the Municipalities. In pursuance of the said provision, the Commission in reference no. 408/TSEC-ULBs/2015, dated 02.07.2015 issued a notification specifying the deposits to be remitted by the contesting candidates in elections to Municipalities as indicated below. A copy of the said notification is also enclosed herewith.

Other than the SC, ST and BC candidates	-	Rs.2500/-
SC, ST and BC candidates	-	Rs.1250/-

As per sub-rule (4) of Rule 60 of Rules relating to the conduct of elections to the Municipal Corporations, 2005, the deposit amount remitted by the contested candidate is returnable, if the candidate secures more than 1/6th of the total number of valid votes polled by all the contesting candidates. If the candidate fails to secure more than 1/6th of total number of valid votes polled by all the contesting candidates, the deposit will be forfeited to the Municipal Corporation concerned.

Similarly, as per Sub-rule (3) of Rule 10 of Rules relating to the conduct of elections to the Municipalities, 2005, the deposit amount remitted by the contested candidate is returnable, if the candidate secures more than 1/6th of the total number of valid votes polled by all the contesting candidates. If the candidate fails to secure more than 1/6th of total number of valid votes polled by all the contesting candidates, the deposit will be forfeited to the Municipality concerned.

But, whereas, in case of Rural Local Body elections, the deposit amount is returned to the candidate, if the candidate secures more than 1/8th of the total number of valid votes polled by all the contesting candidates. If the candidate fails to secure more than 1/8th of total number of valid votes polled by all the contesting candidates, the deposit will be forfeited to the government. Thus there are different yardsticks for return of deposits in Urban Local Body Elections and Rural Local Body Elections.

The Commission made a case study of deposits in GHMC Elections, 2016. Out of 1333 total contested candidates in 3rd ordinary elections to GHMC, 2016, 319 candidates were qualified for return of their deposit amount and 1014 candidates forfeited their deposit amount.

Forfeiting of deposits tends to cause demoralization amongst the defeated candidates discouraging participation. The commission considered it desirable to

propose lowering the threshold percentage of votes secured by contesting candidates to get their deposit amounts as follows-

<table>
<tr><th>Sl.No.</th><th>Name of the office</th><th>Present status on return of Deposit</th><th>Suggested threshold level of valid votes polled on total valid votes to get the deposit return</th></tr>
<tr><td>1</td><td>Member, ZPTC</td><td rowspan="4">1/8th (12.5 %) of valid votes polled i.e., 13 votes per 100 valid votes polled</td><td rowspan="6">1/20th (5%) of valid votes polled, i.e., 5 votes per 100 valid votes polled</td></tr>
<tr><td>2</td><td>Member, MPTC</td></tr>
<tr><td>3</td><td>Sarpanch of GP</td></tr>
<tr><td>4</td><td>Ward member of GP</td></tr>
<tr><td>5</td><td>Ward member, Municipal Corporation</td><td rowspan="2">1/6th (16.7%) of valid votes polled, i.e., 17 votes per 100 valid votes polled</td></tr>
<tr><td>6</td><td>Ward member, Municipalities/ Nagar Panchayats</td></tr>
</table>

Before taking a decision on this, the Commission discussed it as one of the agenda items in the meeting with the political parties held by SEC on 18.2.2017 in the O/o the SEC.

Majority of the parties agreed for the proposal of reducing the threshold level of valid votes polled to 5 % to get the refund of deposits made by the contesting candidates. A Copy of the minutes of the meeting is enclosed herewith.

In view of the above, the Commission proposes the following amendments to the sub-rule (4) of Rule 60 of rules relating to the Telangana Municipal Corporations (Conduct of elections of members) Rules, 2005 and sub-rule (3) of Rule 10 of rules relating to the Telangana Municipalities (Conduct of elections of members) Rules, 2005.

I. Amendment proposed to sub-rule(4) of Rule 60 of rules relating to the conduct of elections, 2005.

In sub-rule(4) of Rule 60, the words "one sixth of the total number of valid votes polled by all the candidates" shall be replaced with the following words namely,-

"one twentieth of the total number of valid votes polled by all the candidates (excluding votes polled for NOTA)"

II. Amendment proposed to sub-rule(3) of Rule 10 of rules relating to the conduct of elections, 2005.

In sub-rule(3) of Rule 10, the words "one sixth of the valid votes polled" shall be replaced with the following words namely,-

"one twentieth of the total number of valid votes polled by all the candidates (excluding votes polled for NOTA)"

The following are enclosed for reference.

1. An extract section 37 of GHMC Act, 1955
2. An extract of Rule 60 of Rules relating to the conduct of elections to Municipal Corporations, 2005.
3. An extract of Rule 10 of Rules relating to the conduct of elections to Municipalities, 2005.

I, therefore, request you to issue necessary amendments to the above said proposal as early as possible

Lr.No.256/TSEC-ULBs/2017 Dated:23.03.2017

To
The Secretary to Government,
MA&UD Department,
Govt . of Telangana,
Telangana Secretariat,
Hyderabad.

Sir,

Sub:- Elections – Elections to Urban Local Bodies – Publication of list of contesting candidates – classification of candidates for the purpose of publication of list of contesting candidates – Certain amendments to Section 41 (2) of GHMC Act, 1955 and Rule 14 of Rules relating to the conduct of elections to Municipalities – Proposals furnished – Reg.

***

I wish to state that, elections to urban Local Bodies are conducted on party basis.

Section 34 of GHMC Act, 1955 and Section 5-A of Telangana Municipality Act, 1965 stipulate that, the SEC, after issue of an election notification, specify by notification, the symbols, including the symbols reserved for recognized parties and the symbols, if any, reserved for registered political parties for exclusive allotment to contesting candidates setup by such party.

The meanings of recognized political party and registered political party are prescribed in sub-section (46-b) of Section 2 (definitions) of GHMC Act, 1955 and sub-section (32-b) of Section 2 (definitions) of Telangana Municipalities Act,1965 which are reproduced below.

"Recognized Political Party and Registered Political Party shall have the meaning respectively assigned to them in the Election Symbols (Reservation and Allotment) Order, 1968, issued by the Election Commission of India under Article 324 of the Constitution of India and in the Registration of Political parties and allotment of Symbols order, 2001, issued by the State Election Commission under Article 243-K read with Article 243-ZA of the Constitution of India"

The Commission issued registration of political parties and allotment of Symbols Order, 2001.

As per paragraph 3(1) in Part-II of the Symbols Order, any political party or a political party already registered with the Election Commission of India, intending to avail the provisions of the Symbols Order, shall be registered with the State Election Commission for the purpose of Elections to Local Bodies.

As stipulated in Section 34 of GHMC Act, Section 5-A of Telangana Municipality Act, 1965 and paragraph 10 of the Symbols Order, 2001, immediately after issue of election notification, the SEC will issue a symbol notification specifying the political parties and free symbols as indicated below for allotment of symbols to the candidates setup by the political parties and independent candidates.

(a) Recognized National parties, Recognized State parties in the State of Telangana and Recognized State parties in other States.
(b) Registered Political parties with reserved symbol.
(c) Registered political parties without reserved symbols and
(d) Free symbols (for allotment to candidate of registered political parties and Independent Candidate).

As per the provisions in Part-III of the Symbols Order, symbols are allotted to the candidates setup by the political parties registered with the SEC and independent candidates as indicated below.

1. The candidates setup by Recognized National Parties and Recognized State Parties are allotted the symbols reserved for that parties by the ECI.
2. The candidates setup by Registered Political parties with reserved symbols are allotted the symbols reserved for that parties by the SEC.
3. The registered Political parties without reserved symbol and independent candidates are allotted symbols from the list of free symbols. The registered political parties are given preferential treatment in allotment of free symbols to the candidates setup by over the independent candidates.

In the publication of list of contesting candidates, the names of candidates should also classified as follows.

(i) Candidates of recognized political parties;
(ii) Candidates of registered political parties with a reserved symbol;
(iii) Candidates of registered political parties without a reserved symbol;

(iv) Independent candidates.

But, in sub-section (2) of Section 41 of GHMC Act, 1955, the candidates are classified into three categories only as indicated below instead of four, where the registered political parties with reserve symbol and without reserve symbol registered with SEC are clubbed together.

(i) Candidates of recognized political parties;
(ii) Candidates of registered political parties;
(iii) Other candidates;

In the above, the category of candidates of registered political parties with reserved symbols is missed. This is in contrast to the Symbol notification issued by the Commission wherein four category of candidates are mentioned.

But whereas in case of MPTC/ZPTC Elections, in sub-rule (2) of Rule 15 of conduct of Election Rules, the names of candidates are classified into four as indicated below.

(i) Candidates of recognized political parties;
(ii) Candidates of registered political parties with a reserved symbol;
(iii) Candidates of registered political parties without a reserved symbol;
(iv) Independent candidates.

In case of elections to Municipalities the categorization of candidates is not available neither in the Act nor in the Conduct of Election Rules.

Therefore, certain amendments are required to sub-section (2) of Section 41, of GHMC Act, 1955 and Rule 14 of Rules relating to the Conduct of Elections to Municipalities to bring the classification of candidates in the publication of list of contesting candidates in consonance with the Symbol Notification of the SEC and similarly on par with sub-rule (2) of Rule 15 of Rules relating to the conduct of elections to the Rural Local Bodies.

In view of the above, the Commission proposes the following amendments to Section 41 of GHMC Act, 1955 and Rule 14 of Rules relating to the conduct of Elections to Municipalities, 2005.

I. The amendment proposed to sub-section (2) of Section 41 of GHMC Act, 1955.

In sub-section (2) of Section 41 the following classification of candidates

(i) Candidates of recognized political parties;
(ii) Candidates of registered political parties;
(iii) Other candidates;

shall be replaced with the following classification of candidates namely,-

(i) Candidates of recognized political parties;
(ii) Candidates of registered political parties with a reserved symbol;
(iii) Candidates of registered political parties without a reserved symbol;
(iv) Independent candidates.

II. The amendments proposed to Rule 14 of Rules relating to the conduct of elections to Municipalities, 2005.

(i) In sub-rule (1) of Rule 14 of Rules relating to the conduct of elections to the Municipalities the words namely,- "and in any case atleast twelve days before the date fixed for the election" shall be deleted.

(ii) Below the sub-rule (1) of Rule 14 of Rules relating to the conduct of elections to the Municipalities, the following sub-rule (2) shall be inserted namely,-

(2) for the purpose of listing the names under the sub-rule (1), the candidates shall be classified as follows, namely,-
(i) Candidates of recognized political parties;
(iii) Candidates of registered political parties with a reserved symbol;
(iv) Candidates of registered political parties without a reserved symbol;
(v) Independent candidates.

III. Amendment proposed to sub-rule (2) of Rule 14 of Rules relating to the conduct of elections to the Municipalities.

In sub-rule (2) of Rule 14, after the words "the names of the candidates" the following words shall be inserted namely,-
in each category

IV. The already existing sub-rules (2),(3) and (4) of rule 14 of rules relating to the conduct of elections to Municipalities shall be renumbered as namely,- (3), (4) and (5).

The following are enclosed herewith for your reference.

1. Extract of Sub-section 46 (b) of Section 2 definitions of GHMC Act, 1955.
2. Extract of Sub-Section 32 (b) of Section 2 definitions of Telangana Municipalities Act, 1965.
3. Extract of Section 34 of GHMC Act, 1955.
4. Extract of Section 5-A of Telangana Municipalities Act, 1965.

5. Extract of Section 41 of GHMC Act, 1955.
6. Extract of Rule 15 of Rules relating to the conduct of election to the Rural Local Bodies, 2006.
7. Extract of Rule 14 of rules relating to the conduct of elections to Telangana Municipalities, 2005.

I, therefore, request you to issue necessary amendments to the above said proposals as early as possible

I invite your attention to the references cited (copies enclosed).

I wish to state that, the State Election Commission could not hold elections to the following 3 Urban Local Bodies located in scheduled areas for nearly 2 decades due to vacuum created by the non-existence of any law on the governance of Urban Local Bodies (ULBs) located in scheduled areas.

1. Mandamarri Municipality in Adilabad District.
2. Palwancha Municipality in Khammam district.
3. Manuguru Municipality in Khammam District.

In respect of Rural Local bodies, the Parliament enacted Central act PESA of 2006 extending the provisions of part-IX of the Constitution of India to the scheduled areas as required under article 243 M (4) (b) and the State Legislature enacted Act 7 of 1998 to amend APPR Act, 1994 to bring it in conformity with the Central Act in connection with Governance of schedule areas. Thereafter elections are being held to rural local bodies located in the schedule areas regularly.

Now, with regard to ULBs located in schedule areas, the Govt. of India while adverting to a judgment delivered by the Hon'ble Supreme Court upholding the notification issued by the Governor of Odisha making applicable the Municipal Acts enacted by State Government of Odisha to ULBs located in the schedule areas in that State, requested the State Govt. of Erstwhile United AP to examine the legal implications of the following two options and to give its inputs to proceed further in the matter vide references 1st and 2nd cited.

1. To enact a Central Act on the lines of PESA Act 1996 (Act 40 of 1996) extending the provisions of Part IXA of the Constitution of India to the Urban Local Bodies located in Scheduled Areas as contemplated under Article 243 ZC (3) of the Constitution of India;
2. To issue a notification by the Governor making the existing Municipal Acts enacted by the state Legislature applicable to the Urban Local Bodies located in Scheduled Areas in the State.

In this connection I wish to state that, the fifth schedule of the constitution of India makes provisions as to the administration and control of schedule areas and schedule tribes. Sub paragraph (1) of paragraph 5 of fifth schedule of Constitution of India provides that, "notwithstanding anything in the constitution, the Governor may by public notification direct that any particular act of parliament or of the legislature of the State shall not apply to a scheduled area or any part thereof in the State or shall apply to a scheduled area or any part thereof in the State subject to such exceptions and modifications as he may specify in the notification".

Further, the Governor of Odisha had issued a notification using his special powers under para 5(1) of the fifth schedule of the Constitution of India, against which a writ petition was filed in the Hon'ble Supreme court by Sundergarh Zilla Adivasi Advocate Association and others. The writ petition was dismissed by the Hon'ble Supreme court vide its judgment dated 7.5.2013 vide reference 3rd cited. The Judgement dealt upon a number of aspects of the constitutional provisions with regard to the powers of the Governor of the states under paragraph 5 of the fifth schedule of the constitution, applicability of part IX A of the constitution to the schedule areas, and applicability of the Odisha municipal Act, 1950 to the schedule areas.

In view of the above, the Telangana State Election Commission is of the considered view that, as the Hon'ble Supreme Court in its judgement in W.P (civil) No. 215 of 2012,dated 7.5.2013 upheld the notification issued by the Hon'ble Governor of Odisha under para 5(1) of the fifth schedule of the constitution of the India making the Odisha Municipal Act applicable to the scheduled areas in the State of Odisha, the Government of Telangana may also undertake a similar exercise to make the provisions of Telangana Municipalities Act, 1965 applicable to the Urban Local Bodies located in the scheduled areas in the state by means of a notification by the Governor of Telangana.
