CHAPTER – 1

INTRODUCTION

The five year term of elected bodies of Mandal Praja Parishads and Zilla Praja Parishads expired on 21.07.2011 and 22.07.2011 respectively. The ordinary elections could not be conducted before expiry of term due to litigation in the Hon'ble High Court of Andhra Pradesh and the Supreme Court of India on the subject of reservation of seats and offices in Panchayat Raj Institutions as the aggregate percentage of reservation for SCs, STs and BCs exceeded 50% stipulated by the Apex court in its judgment in W.P. (Civil) No. 356 of 1994 dtd. 11.5.2010 in Dr. K. Krishna Murthy Vs. Union of India.

The legal impediments for conducting elections to PRIs were cleared with the interim directions passed by the Hon'ble Supreme Court on 18.02.2013 in SLP(C) Nos.38295-38296/2012, Nos.38951-38956/2012 and Nos. 838-844/2013 directing the State Government and the State Election Commission to proceed with the elections with the existing system of reservations.

The reservation particulars in respect of Sarpanch and Ward Members of Gram Panchayats in the State were furnished by the Government to the State Election Commission on 01.07.2013. The Commission issued Election Notification on 03.07.2013 and completed 4th ordinary elections to Gram Panchayats by the end of July 2013. However, the Government chose to not to finalise and communicate reservation of seats and offices in MPPs and ZPPs till another direction was given by the Hon'ble Supreme Court in March, 2014.

The Hon'ble Supreme Court in I.A. No. 1 of 2014 in SLP(C) Nos. 38295-38296/2012, Nos.38951-38956/2012 and Nos.838-844/2013 issued directions during the hearing held on 07.03.2014 that the State Government and the State Election Commission shall take steps to issue Notification for conduct of ordinary elections to Zilla Praja Parishads (ZPPs) and Mandal Praja Parishads (MPPs) by 10.03.2014 and submit a compliance report to the Hon'ble Court by the next hearing scheduled on 10.03.2014.

The State Election Commission immediately issued Notification No. 166/SEC-B2/2014-1 on 07.03.2014 for publication of photo electoral rolls of Gram Panchayats, Mandal Praja Parishads and Zilla Praja Parishads with reference to 1.1.2014 as qualifying date on 10.03.2014 duly adopting the latest Assembly electoral rolls published with reference to the said date along with supplements ordered under continuous updation up to date as per the existing laws for the purpose of conduct of 4th ordinary elections to ZPPs and MPPs facilitating newly enrolled voters to exercise their franchise in the said elections.

The State Government finalised and communicated reservation information of seats and offices in Zilla Praja Parishads and Mandal Praja Parishads to the Commission on 08.03.2014 evening vide Lr.No.2718/ELecs./2014-1, dtd. 08.03.2014.

The Commission issued Election Notification on 10.03.2014 for conduct of 4th ordinary elections to Zilla Praja Parishads and Mandal Praja Parishads in the State on 6.04.2014 and counting and declaration of results on 08.04.2014.

After issue of election Notification several political parties have represented and requested the Commission in a political party meeting to reschedule the elections in view of close proximity of schedules of local body elections and elections to APLA and HOP. In the video conference conducted by the Commission on 15.03.2014, the Collectors and District Election Authorities and Superintendents of Police / Commissioners of Police urged the Commission to conduct MPTC/ZPTC elections in two phases in order to overcome shortage of polling personnel and also for making adequate bandobust arrangements with the available force. In two meetings held with senior Police officials, they concurred with the view that elections are to be held in at least two phases so as to facilitate movement of forces between two phases of poll in order to conduct elections in a free, fair and peaceful manner.

Based on these inputs, the Commission filed an affidavit before the Hon'ble Supreme Court of India requesting to allow the Commission to reschedule the MPTC/ZPTC elections to conduct polls in two phases on 06.04.2014 and 08.04.2014 and to conduct counting of votes on 11.04.2014 keeping in view the schedules announced for elections to APLA and HOP and also the SSC Public Examinations scheduled from 27.03.2014 to 15.04.2014.

The Hon'ble Supreme Court of India on 25.03.2014 asked the Commission to consider another date for the second phase of poll instead of 08.04.2014 as it is falling on Sriramanavami festival and the petitioners in the case objected for holding poll on Sriramanavami festival day.

The Commission submitted a revised schedule as under to the Hon'ble Court for consideration.

First Phase of Poll	:	06.04.2014
Second Phase of Poll	:	11.04.2014

The Hon'ble Supreme Court of India made the following order on 27.03.2014.

These are applications filed by the Government of Andhra Pradesh seeking re-scheduling of the Election Programme for the Panchayat and other local bodies which was notified for 10th March, 2014 and is now requested to be re-scheduled to 6th April, 2014 and 11th April, 2014. The request is not opposed by any of the parties except the fact that the result of the election be declared after 7th May, 2014 as it has been pointed out that 30th April, 2014 and 7th May, 2014 are the polling dates for General Election in the State due to which the results of the Panchayat Polls and local bodies should be declared after 7th May, 2014.

We see no reason to decline this request as we accept the contention that the election of the Panchayat and other local bodies which could not be held on the notified date may now be re-scheduled and now be held on 6th April, 2014 and 11th April, 2014, as requested. Necessary notification be made in this regard.

In the said order, the Hon'ble Court has clearly allowed the Commission to reschedule the date of poll to be held in two phases on 06.04.2014 and 11.04.2014. Accordingly, the Commission rescheduled the election programme and fixed the date of poll as 06.04.2014 and 11.04.2014. The counting of votes of MPTCs and ZPTCs was also rescheduled to a date after completion of the last phase of poll on 07.05.2014 in connection with General Elections to APLA/HOP as per the directions of the Hon'ble Supreme Court. The counting of votes of MPTCs and ZPTCs was conducted on 13.05.2014. The ballot boxes containing polled MPTC and ZPTC ballot papers were preserved till the date of counting (for more than a month) under proper watch and ward as per the instructions given by the Commission.

After completion of counting of votes in respect of all MPTCs and ZPTCs (except 6 MPTCs in Martur MPP covered by stay orders of Hon'ble High Court on undertaking counting process), the results were declared. The Commission issued Notifications for conduct of indirect elections to Mandal Praja Parishads on 04.07.2014 and Zilla Praja Parishads on 05.07.2014. The Commission also notified the date of first meeting of MPPs for the purpose of commencement of term of elected members as 04.07.2014 and that of ZPPs as 05.07.2014. There were some disturbances in some ZPPs particularly SPSR Nellore, Prakasam and Ranga Reddy and also in a few MPPs at the time of conduct of indirect elections due to keen contest and the Commission has taken adequate measures to ensure free and fair elections in those difficult local bodies.

CHAPTER – 2
ELECTORAL ROLLS

As per the provisions of section 11 of APPR Act, 1994 and rules relating to preparation and publication of electoral rolls issued in G.O.Ms.No. 254 PR & RD (Elecs,) Dept, dated 4.8.2000, the latest assembly electoral rolls shall be adopted in toto for preparation of Panchayat electoral rolls. The entries in the latest assembly electoral rolls shall be correctly reflected in the Panchayat electoral rolls. Any inclusions or deletions ordered under section 22 or 23 as a case may be of the representation of the People Act, 1950, by the ERO concerned in assembly electoral rolls upto the date of the election notification shall be carried out in the electoral roll of Gram Panchayat.

The Commission decided to use **Photo Electoral Rolls** for conduct of elections to MPTCs and ZPTCs emulating practice that is followed during elections to State Legislative Assembly and the House of People in Andhra Pradesh by the Election Commission of India.

The Hon'ble High Court issued directions to the Commission to issue Election Notification for MPTCs and ZPTCs at very short notice. On 07.03.2014, the Hon'ble Supreme Court directed the Commission to issue Election Notification by 10.03.2014. The Commission issued a Notification on the same day, i.e., on 07.03.2014 for preparation and publication of Gram Panchayat, MPP and ZPP electoral rolls on 10.03.2014 with reference to 1.1.2014 as qualifying date duly adopting finally published and updated Assembly photo electoral rolls. The publication took place on 10.03.2014. This exercise of preparation and publication of electoral rolls was done in a record time of four days to comply with the directions of the Supreme Court to issue Election Notification 10.03.2014 and at the same time providing for adoption of latest Assembly electoral rolls which form the mother-rolls for Panchayat Raj elections.

The district wise electorate as on the date of issue of MPTC and ZPTC election notification on 10.03.2014 is indicated in the **Annexure – I.**

In the political parties meeting held on 13.03.2014, several political parties have represented and requested the Commission to reschedule the elections in view of close proximity of schedules of local body elections and elections to APLA and HOP. The Commission also gathered inputs from District Collectors, SPs/CPs at the district level and Senior Police officials at State level on phasing of poll and the majority opinion was in favour of 2-Phase poll from the standpoint of administrative and bandobust arrangement for smooth conduct of election process.

Based on these inputs, the Commission filed an affidavit before the Hon'ble Supreme Court of India requesting to allow the Commission to reschedule the MPTC/ZPTC elections to conduct polls in two phases on 06.04.2014 and 08.04.2014 and to conduct counting of votes on 11.04.2014 keeping in view the schedules announced for elections to APLA and HOP and also the SSC Public Examinations scheduled from 27.03.2014 to 15.04.2014.

The request is not opposed by any of the parties except the fact that the result of the election be declared after 7th May, 2014 as it has been pointed out that 30th April, 2014 and 7th May, 2014 are the polling dates for General Election in the State due to which the results of the Panchayat Polls and local bodies should be declared after 7th May, 2014.*
>
> *We see no reason to decline this request as we accept the contention that the election of the Panchayat and other local bodies which could not be held on the notified date may now be re-scheduled and now be held on 6th April, 2014 and 11th April, 2014, as requested. Necessary notification be made in this regard.*

Every complaint received from political parties and general public was referred to the Collector and District Election Authority concerned for causing an enquiry into the allegations made and to send a report to the SEC. Wherever it is proved in the enquiry that model code of conduct was violated, instructions were issued to the district administration to launch prosecution against the violators as per the provisions of the APPR Act, IPC and other enactments.

STEPS TAKEN TO CURB AUCTIONING OF POSTS:

During the MPTC / ZPTC elections, reports appeared in the Press and Electronic media that in some MPTC posts were auctioned in public. Auctioning of posts is a corrupt practice under Sec. 211(1) of the A.P. Panchayat Raj Act, 1994. This is also an electoral malpractice under Sec. 171-B and 171-E of the Indian Penal Code, 1860 and in conviction the offender is liable to one year imprisonment and disqualification to contest elections for a period of six years.

Auctioning of posts subverts the democratic election process by denying the level playing field to all sections and restricting the right to contest and get elected to only rich, influential and affluent sections.

The Commission issued the following instructions to the Collectors & DEAs in Circular No. 348/SEC-B1/2014, dtd. 13.03.2014 (**Annexure-XXX**) to foil the nefarious designs of vested interests to manipulate the election process by indulging in auctioning of posts.

1. A Special Cell shall be opened to scan the reports published in the Press and Electronic Media about alleged incidents of auctioning of posts and to cause for conduct of an enquiry forthwith.

2. The Flying Squads and Static Surveillance Squads should be asked to be vigilant and alerted whenever any signal emanates from any source on alleged illegal activity of auctioning.

3. The Collectors and District Election Authorities shall take prompt action to file FIR and launch prosecution against the persons involved in auctioning of posts under the sections referred above.

4. They have to send a report to the Commission wherever there is prima facie case of auctioning of posts to enable the Commission to stop the election process of the MPTC / ZPTC concerned.

5. By way of abundant caution, wherever there are allegations of auctioning of posts, the Collectors and DEAs shall give instructions to the Returning Officers concerned not to declare result in case of unanimous election to any office of MPTC or ZPTC without obtaining clearance from the Collector and DEA.

These measures thwarted attempts by vested interests to manipulate election process using money power. Wherever reports of auctioning surfaced, the district administration took prompt action filing cases against the persons alleged to have indulged in the offence. Only in respect of one MPTC namely, MPTC Mailaram in Dharpally Mandal Praja Parishad in Nizamabad district, where there was a prima facie case of auctioning of post, based on the report of the Collector & DEA, the Commission nullified the election process vitiated by auctioning and renotified fresh election programme taking all necessary measures to eliminate scope for auctioning. The election was conducted in a free and fair manner as per the renotified election programme.

BALLOT BOXES

In MPTC/ZPTCs elections, each voter has to cast two votes – one for MPTC Member and the other for ZPTC Member. Elections were notified to 1096 ZPTCs and 16859 MPTCs. In total 52534 polling stations were set up for conduct of polls. Further, the Commission was having only 15,465 Electronic Voting Machines of its own and the Election Commission of India expressed its inability to spare their EVMs in such a huge quantity. In view of this, the Commission decided to use ballot boxes for conduct of MPTCs / ZPTCs elections.

The Commission took advance action to complete repairs and overhaul of ballot boxes lying idle in the godowns for nearly seven years by issuing necessary instructions to the Collectors and District Election Authorities and closely monitoring this item in the Regional Conferences, Video Conferences and regular telephonic reviews. Funds required for overhaul and repairs were arranged by the Government to the Collectors & DEAs on the directions of the Government.

The Commission critically reviewed the availability and sufficiency of ballot boxes in each district for conduct of 2-Phase poll with the District officials. After conducting a thorough assessment on availability and sufficiency of ballot boxes, there was shortage of nearly 38,000 ballot boxes for conduct of elections to MPTCs/ZPTCs. A formal request was sent to the State Election Commission, Karnataka, Tamil Nadu and Orissa states for providing additional ballot boxes required for Andhra Pradesh on loan basis. A senior officer of the cadre of Joint Director from the Commission was appointed as Liaison Officer to ensure smooth transfer of ballot boxes. The State Election Commission, Karnataka provide 24,803 ballot boxes on loan basis from Bidar, Ballary, Chitradurga, Gulbarga, Kolar, Koppal, Raichur, Tumkur and Yadgir districts. The State Election Commission, Tamil Nadu spared 7400 ballot boxes on loan basis from Kancheepuram, Thiruvannamalai, Tiruvallur and Vellore districts. The State Election Commission, Odisha extended cooperation by rendering 7,044 ballot boxes on loan basis from Gajapati, Ganjam, Kandhamal, Khordha, Koraput and Rayagada districts. Elaborate arrangements were made for smooth transport of ballot boxes from Karnataka, Tamilnadu and Orissa to the needy districts in Andhra Pradesh. Detailed instructions were issued by the

Commission and also its counterpart in Karnataka, Tamilnadu and Orissa to the District Collectors of source district and destination district (in Andhra Pradesh) to ensure smooth passage of ballot boxes. On every ballot box barrowed on loan basis a sticker in the format given below was prepared and pasted to facilitate easy identification and smooth return.

Note: Source state and District is from which the ballot boxes were barrowed and the Destination District is the district in Andhra Pradesh in which the barrowed boxes were used.

The entire expenditure related to transportation, loading and unloading and other incidental expenditure were borne by the District Collectors of barrowing districts in Andhra Pradesh. On the request of the Commission, the Transport Commissioner, Andhra Pradesh issued necessary instructions to the Transport authorities in the border check-posts in Andhra Pradesh and ensured smooth passage.

The number of Polling Stations, ballot boxes available in the Andhra Pradesh state and Ballot boxes barrowed from state and district and used district wise for conduct of MPTCs / ZPTCs elections is indicated in the **Annexure XXXV**.

The barrowed ballot boxes were returned to their source districts by the end of May, 2014.

CHAPTER –18

REPORTS AND RETURNS

The Commission prescribed various reports and returns to be furnished by the district collectors and chief executive officers of Zilla Parishads to all the districts on various items of election work relating to Mandal Parishad and Zilla Parishads elections held in the month of April 2014. A copy of the letter containing instructions issued by SEC in this regard is encloses as **Annexure – XXXVI**).

The SEC also opened control room in the office of SEC with 3 additional phones taken on temporary basis to cope up with the additional work relating to elections and installed four additional fax machines to receive reports and returns from the districts.

The reports and returns furnished by the district collectors/CEOs/DPOs were compiled in the control room and a consolidate report for the entire state was prepared and passed on to the press during daily press briefings.

In view of the arrangements, the flow of information in the form of reports and returns from the districts to the SEC was smooth during elections to Panchayat Raj bodies.

CHAPTER – 19

PHOTO VOTER SLIPS

The Commission introduced a new initiative under which Photo Voter Slips are generated and distributed to the voters by the District Administration to the voters participating in MPTCs / ZPTCs elections. This measure is aimed at enhancing the voter turnout and also curtailing the scope for impersonation.

All the Collectors and DEAs were requested to generate Photo Voter Slips in respect of all voters in every constituency notified for election in the format prescribed by the Commission using Gram Panchayat Electoral database with photographs generated from the Assembly Electoral database (**Annexure – XXXVII**).

These voter slips will enable the voters to know the polling station where he/she has to cast vote and also facilitate the polling personnel to quickly identify the serial number of the voter in the marked copy of the electoral roll. It also curtails the scope for impersonation, discourages unscrupulous elements from approaching the voters with malafide intent to influence them under the pretext of distribution of unofficial voter slips and also improves voter turnout. The representatives of political parties requested the Commission in the Political Parties meeting held at the State level on 29.6.2013 to distribute Photo Voters Slips through official machinery to the voters in local body elections.

Taking into consideration the views and suggestions expressed by the Collectors and also the representatives of Political Parties, the Commission decided that Photo Voter Slips without authentication shall be distributed to the voters in the village in connection with MPTCs / ZPTCs elections. The following instructions are issued in connection with distribution of Photo Voter Slips.

1) The Photo Voter Slips shall be generated in the format prescribed by the Commission.

2) This Photo Voter Slips should only be in the language in which the electoral roll is prepared for the Rural Local Body.

3) The Collectors & DEAs are also given freedom to engage any agency to generate Photo Voter Slips subject to conditions prescribed by ECI for utilization of its electoral database.

4) The Commission has no objection if some of the entries in the Photo Voter Slip are stamped or filled manually due to inadequacies in the database.

5) A meeting with the Political Parties shall be convened from District level to local level to convey to the public and local leaders the following information.

   a. Photo Voter Slips are distributed to voters by the official machinery only to facilitate voters to know their polling station and serial number in voter list.
   b. Production of Photo Voter Slip is <u>not mandatory</u> and any voter who does not possess Photo Voter Slips <u>shall not become ineligible</u> to exercise franchise.
   c. Every voter, whether he/she possesses a Photo Voter Slip or not, shall produce either EPIC or any of the alternative identification documents notified by the Commission to establish their identity at the polling station.
   d. Photo Voter Slip shall not be considered as an alternative identification document approved by the Commission.
   e. If a voter is not supplied with a Photo Voter Slip by the administrative machinery for any reason, an impression should not be created that he is excluded from exercising his/her franchise.

6) Any employee working in the Rural Local Body or any other employees of the Government can be entrusted with the responsibility of distribution of Photo Voter Slips well in advance of the date of poll.

7) On the date of poll, any employee entrusted with the responsibility of distribution of Photo Voter Slips shall be available at the polling station premises to distribute the slips to those who have not been supplied with the slips before the date of poll.

All the Collectors have complied with the instructions given by the Commission and gave wide publicity in the Press and Electronic media about distribution of Photo Voter Slips to the voters by the official machinery.

The Photo Voter Slips were given to all the voters in all the Gram Panchayats notified for elections drawing appreciation from all quarters and curtailing scope for electoral malpractices and impersonation to a considerable extent contributing for smooth and peaceful elections.

OBSERVERS

Section 232A of the APPR Act, 1994 provided for appointment of Observers to oversee the elections of local bodies. This section is on the same lines as the one existing in Representation Peoples Act, 1951

In exercise of the powers conferred under Article 243-K of the Constitution of India read with section 232 A of APPR Act, 1994, the Commission appointed 44 IAS Officers as General Observers to oversee the election process in 22 districts in the State. The State Elelction Commission appointed 2 Observers to each of the 22 districts to oversee the election process of Urban Local Bodies and Mandal Praja Parishad and Zilla Praja Parishads, 2014 indicating the dates of their presence in the districts as indicated in **Annexure- XXXVIII.**

The Commission issued instructions to the District Collectors to provide facilities to Observers during their visit to the districts in Letter No. 88/SEC-F1/2014, dated 14.03.2014 (**Annexure- XXXIX**). The guidelines issued to the Observers by the Commission are at **Annexure – XL.** Before deploying them on Observer duty, a briefing session was given to all the Observers by explaining statutory provisions, their powers and functions and vital information and statistics relating to election process.

The Observers provided useful inputs to the Commission in realtime to take necessary steps to conduct the elections in a free and fair manner. They also reviewed the special initiatives taken by the Commission such as Webcasting and Micro Observers.

In addition to the General Observers, Micro Observers were also deployed for a cluster of polling stations whose vulnerability was identified as sensitive / hypersensitive to closely observe the poll process in the cluster polling stations located in the same premises by moving from one polling station to the other and giving feedback directly to the Observer. This measure ensured free and fair poll in considerable number of sensitive / hypersensitive polling stations.

CHAPTER - 21

WEBCASTING

Webcasting involves live-streaming of the proceedings at a polling station using Internet connection, webcamera, computer system preferably a laptop and a student or a computer professional. The proceedings at the polling station are captured in a webcamera and transmitted to designated locations i.e., Collectorate and the Commission's office using internet connection. This procedure was first introduced in our State by the Election Commission of India in the by-elections held to Assembly and Parliamentary constituencies held in the last two/three years.

The Commission decided to undertake webcasting in select sensitive / hypersensitive Polling Stations during 4th ordinary elections to MPTCs / ZPTCs to ensure that electoral process is conducted smoothly in vulnerable areas and any complaints of electoral malpractices can be verified and appropriate action can be taken instantly to ensure free and fair elections. The steps taken by the Commission in connection with the webcasting exercise are mentioned below.

1. The Collectors & DEAs were requested to identify the sensitive/hypersensitive Polling Stations in their respective districts for undertaking webcasting keeping in view the availability of electrical fittings, feasibility for BSNL internet connection, availability of webcameras, availability of students or persons with computer knowledge having a laptop and willing to participate in the exercise.
2. The Collectors were asked to constitute a team of local officials from Electricity Department, BSNL and Panchayat Raj to conduct a survey and finalise the locations for undertaking webcasting.
3. The Collectors were given freedom to enroll either students from established Engineering colleges having laptops or by inviting applications from any computer professionals having laptops by giving advertisements in local district cable TV and in local newspapers to participate in the exercise. Each student / volunteer was paid Rs.500/- as honorarium besides giving a certificate of participation. They were also provided with transport, accommodation and food during the period they were deployed for webcasting work.

4. The webcameras and spikes that were already procured by the Chief Electoral Officer and preserved in the Districts were used after obtaining necessary permission from the CEO. Further, wherever required permission was given to Collectors to procure additional webcameras and spikes at reasonable rates.
5. The Commission finalised two software agencies, namely Sadhana and Greens to provide required training to the students / volunteers, uploading the required software into the laptops, providing usernames and passwords to all the volunteers and also facilitating smooth operation at the designated polling stations and reception of live pictures at the destinations besides transferring the entire data from the laptops of volunteers to DVD/External hard disks and handing them over to the District election officials.
6. The BSNL provided internet connections at all the polling stations selected by the District administration for undertaking webcasting.
7. The Commission has taken a high-speed internet connection (FTTH) through BSNL and also procured required computer servers and systems for this exercise. The Commission also procured two big LED TVs to view the live-streaming in the Conference Hall and in the Commissioner's chamber.

8. A coordinated effort by all the officials and agencies involved in webcasting exercise resulted in smooth capturing and live-streaming of proceedings at nearly **6169** polling stations in the entire State during the 2-Phases of elections enabling the Commission to verify any complaints at sensitive / hypersensitive polling station selected for webcasting spontaneously and give suitable instructions to ensure free and fair elections. This measure also created a sense of confidence among the voting public in vulnerable areas and widely appreciated by the Press and general public as it improved the electoral standards during MPTC / ZPTC elections.

9. The number of polling stations in each District where webcasting was undertaken is given in the **Annexure XLI**.

CHAPTER –22

THE POLL

The Commission issued Notification for conduct of polls to MPTCs and ZPTCs in the entire State in two phases on 06.4.2014 and 11.4.2014. As per the notification issued by the Commission, the poll was held from 7.00 AM to 5.00 PM on the said dates.

Restrictions were put in place on movement of vehicles on the date of poll to ensure free, fair and smooth poll. The Commission also issued strict instructions on setting up of election booth by candidates outside the periphery of 200 metres from the polling station and no campaigning of any form was allowed in the vicinity of polling stations. Booth Level Officers or other local officials entrusted with the responsibility of distributing Photo Voter Slips were allowed to be present outside the polling station to supply voter slips to the voters who could not collect them at their residences at the time of distribution done few days before the date of poll.

All the liquor shops were closed and ban on electioneering in the electronic media was strictly implemented during the period of 48 hours prior to the hour fixed for conclusion of poll in both the phases in the polling areas concerned.

Police force was deployed in adequate strength and mobile parties conducted frequent visits to all the polling stations in the areas assigned to them to ensure peace and law and order in the polling areas.

The Observers toured vigourously and covered considerable number of polling stations to instill confidence and ensure that elections are conducted on a level playing field and in a free and fair manner.

At the hour fixed for close of poll, i.e., 5:00 PM, the voter standing in queue outside the polling station were slips from the last person standing in the queue and allowed them to vote beyond 5:00 PM.

These series of measures and conserted efforts made by Police and administrative machinery resulted in improvement of percentage of poll and rare occurrence of any poll incidents and cases of repoll.

The average percentage of poll in 1st phase poll held on 06.4.2014 was 81. The average percentage of 2nd phase poll held on 11.04.2014 was 82. The overall percentage of poll in the two phases was 81.5. The final percentage of poll recorded in various districts on the date of poll is indicated in the **Annexure-XLII**. The poll was, by and large, peaceful except a few minor incidents.

There were very few poll incidents and cases of repoll. This election is marked by least number of cases of repoll in the ordinary elections to MPTCs/ZPTCs so far held. A statement showing the list of polling stations, where re-poll poll was ordered is at **Annexure-XLIII.**

Preservation of polled ballot boxes under proper security till counting date:

The Hon'ble Supreme Court of India passed orders to undertake counting of votes of MPTC/ZPTC after completion of 2nd Phase of poll for APLA/HOP. Complying with this direction, the Commission fixed the date of counting as 13.05.2014. This necessitated preservation of polled ballot boxes of 1st Phase from 06.04.2014 to 12.05.2014 and 2nd Phase boxes from 11.04.2014 to 12.05.2014. The Commission has taken special measures to transport and preserve polled ballot boxes at the places located in District / Divisional headquarters identified by the Collector and SP after completion of polling till the date of counting. Detailed instructions were issued on this subject in Circular No 1273/SEC-B1/2014, dated 26.4.2014 (**Annexure-XLIV).** This exercise was conducted in a transparent manner giving opportunity to the contested candidates and political parties to witness the entire exercise and to instill confidence in them that it was done in a free, fair and orderly manner. Adequate tight security was provided at all the places / building used as storage points round the clock.

CHAPTER – 23

COUNTING OF VOTES

As per the election programme notified for conduct of elections to MPTCs/ ZPTCs, the counting of votes commenced at 8.00 A.M on 13.5.2014 in all the districts. As per the provisions of AP Panchayat Raj (conduct of elections) Rules, 2006 postal ballot papers were counted first and thereafter counting of polled ballot papers was done mandal Parishad territorial constituency wise after mixing. The Commission issued detailed instructions on counting of votes in the booklet instructions to Returning Officers.

In circular no. 1273/SEC-B1/2014, dated 02.05.2014 SEC issued instructions for appointment of senior experience officers working in the districts as counting observers at the rate of one counting observer for each counting centre to oversee the counting process. A total number of 295 additional counting observers were appointed to oversee the counting process in 299 counting centres. The district wise number of counting centres and additional counting observers appointed is indicated in the **Annexure-XLV**.

The polled ballot boxes were brought to the counting centres under proper security and in the presence of contesting candidates and political parties.

CHAPTER – 24

LAW AND ORDER

The Commission notified 4th ordinary elections to Urban Local Bodies in the State on 03.03.2014 to comply with the directions of the Hon'ble High Court. The Election Commission of India announced the schedule for conduct of General Elections to House of People and A.P. Legislative Assembly on 05.03.2014. In an unexpected development, the Hon'ble Supreme Court of India passed a direction on 07.03.2014 that 4th ordinary elections to MPTCs/ZPTCs shall be notified by 10.03.2014. Under those circumstances, the Commission issued Notification for 4th ordinary elections to MPTCs/ZPTCs on 10.03.2014.

In a peculiar situation that rarely unfolded in the past, elections were held simultaneously to local bodies and also HOP and APLA. This unprecendented situation warranted close monitoring of law and order situation and planned deployment of all available uniformed forces on bandobust duty during campaigning period, on the dates of poll and also at the time of counting of votes and declaration of results. The Commission is having the burden of conducting local body elections first in the series of elections conducted one after another.

The Commission conducted several meetings with senior officials of Police Department at the State level and also conducted Video Conferences with Collectors, SPs/CPs and other District level senior officers gathering valuable inputs and evolving strategy to conduct elections in a free, fair and peaceful manner with the available Police force.

The Commission took a decision to make an assessment of vulnerability of polling stations in local bodies by a team of officials at the local level consisting of Tahsildar, MPDO/Municipal Commissioner and Station House Officer and objectively arrive at list of sensitive and hypersensitive polling stations.

The Commission also issued instructions to the Collectors and SPs/CPs to identify persons who are likely to indulge in booth capturing, rigging, intimidation and disruption of poll and ask to take effective preventive action including taking such persons under police custody

under relevant provisions of Cr.PC. The SPs/CPs have prepared District bandobust plans at the district level and the State level detailed bandobust plans was drawn out for conduct of elections to local bodies in a free, fair and peaceful manner.

The Commission, after obtaining valuable suggestions from the senior police officials and district officials, made some changes in the election schedule initially notified to go for 2-Phase poll for MPTC/ZPTC elections instead of single phase poll in the entire State.

The senior Police officials honoured the State Election Commissioner's suggestion on the deployment of Police force for the MPTC/ZPTC elections as per the yardstick indicated below.

1) Hypersensitive / extremist infested polling stations … 1+4
2) Sensitive Polling stations … 1+3
3) Normal Polling stations … 1+1 or 0+2

In addition to the above, Mobile Strike Force, Road Opening Parties and Route mobile were deployed on the scale followed during General Elections to APLA/HOP held in 2009 which is given below.

1) Check Posts … 1+5
2) Road Opening Parties … 1+5

The Commission also issued instructions for deployment of Flying Squads and Static Surveillance Teams to monitor implementation of Model Code of Conduct and to curb the role of money power in the elections. The Commission obtained daily reports on the cash seizure and enforcement work done by the Police Department on daily basis.

The Commission also imposed restrictions on flow of liquor during the election period ordering for closure of belt shops in the polling areas and also keeping a close watch on production of illicit liquor and black jaggery. The Commission also monitored on day to day basis offtake of liquor during election period with the corresponding figures relating to the same period last year. The Commission obtained a daily report in a prescribed format to check the daily offtake, seizure of illicit liquor, black jaggery and also number of cases filed against

offenders who indulge in illegal acts. The Commission therefore has not requisitioned the services of Prohibiton and Excise officials for other election duties. As per the instructions issued by the Commission, Police force also worked in coordination with Prohibition and Excise officials in conducting raids and organizing checkposts at strategic points to curb the role of liquor and illegal money in order to conduct free and fair elections.

The Commission addressed the following Departments to make available other uniformed force at their disposal to the extent they can spare to supplement the Police force. Responding to the request, certain departments spared their uniformed personnel for election bandobust. The number of persons spared by such departments are indicated in the brackets against the name of the department.

1) Anti-Corruption Department
2) Vigilance & Enforcement Department (60 Persons)
3) Legal Metrology (236 Persons)
4) Prisons Department (175 Persons)
5) Special Protection Force
6) A.P. Transco
7) A.P. Genco
8) Forest Department (Circle heads were given instructions to spare FSOs / FBOs / ABOs)
9) A.P.S.R.T.C. (134 Persons)

The State Election Commissioner took the initiative to force the Government to release the budget required by the Police Department for bandobust arrangements well in time. The Government released an amount of Rs.20,27,26,000/- and Rs.3,86,62,000/- to the Police Department for bandobust arrangements in connection with MPTC /ZPTC elections vide G.O.Rt.No.422, Home (Police Budget) Dept., dtd. 03.04.2014 and G.O.Rt.No.587, Home (Police Budget) Dept., dtd. 13.05.2014.

Other important measures taken to ensure free, fair and peaceful elections are listed below.

1) In extremist infested areas, the Police parties have not despatched to the polling stations along with polling parties due to law and order situation. The polling parties and police parties moved independently and the police parties provided protection to the polling parties during their movement.

2) In non-extremist infested areas, the police parties and polling parties reached their destinations in the same vehicle.

3) The Commission issued orders in Ref.No.1118/SEC-B2/2013 dtd. 15.07.2013 **(Annexure XLVIII)** on standard operating procedures for Flying Squads, Static Surveillance Teams and Check Posts constituted for keeping vigil over excessive campaign expenses, distribution of items of bribe in cash or kind, movement of illegal arms, ammunition, liquor or anti-social elements in the districts during election process. This arrangement has worked effectively resulting in seizure of nearly Rs. 85 Crores of cash (**Annexure-XLIX**).

4) The Commission also issued orders for closure of belt shops and also imposed restrictions on flow of liquor during the election period vide Order No. 616/SEC-B1/2013, dtd. 11.03.2014 **(Annexure L)**. The Commission reviewed this item regularly with the Excise and Police officials and they were asked to make a concerted effort to effectively control influence of liquor on election process. During the election period, a large number of belt shops were closed and the production and off-take of liquor was monitored effectively following established procedures.

5) The Commission acted on the complaints received from the contesting candidates, political parties and general public about law and order problems and conduct of local police officials by obtaining reports quickly from the district officials concerned and took necessary action to ensure free and fair elections.

6) By and large, the 2-Phase election of MPTCs / ZPTCs was conducted peacefully with minimum number of poll incidents and repolls ever recorded. There were also very few instances of electoral malpractices and violence.

CHAPTER – 25

Rules 62, 63 and 64 of AP Panchayat Raj (Conduct of Elections) Rules, 2006 envisage the procedure for declaration of results, grant of election certificate to the elected candidate and publication of results on the notice board of the Mandal Parishad / Zilla Parishad concerned, indicating the names of the elected candidates.

The Commission also issued detailed instructions on declaration of results, issue of election certificate and publication of results in the handbook for Returning Officers.

The Commission made elaborate arrangements in the office to gather information on declaration of results from the counting centres directly and to tabulate the results district wise and political party wise before they are supplied to the media.

The Commission decided to facilitate the newly elected MPs (HOP) and MLAs to participate in the election process after they take oath of office. The State of Andhra Pradesh was bifurcated into the State of Telangana and the State of Andhra Pradesh as per the A.P. Reorganisation Act, 2014 with effect from 02.06.2014, i.e., the Appointed Date. Subsequently, the Legislative Assemblies of two States were formed and the MLAs took oath. After completion of this process, the Commission issued separate Orders on 26.06.2014 for the two States for conduct of indirect elections to the offices of Members (Co-opted), Chairperson and Vice-Chairperson of ZPPs and Member (Co-opted), President and Vice-President of MPPs. The Commission issued detailed procedural instructions on conduct of indirect elections to the said offices in MPPs and ZPPs in Circular No.1377/SEC-B1/2014, dtd.21.05.2014 (**Annexure-LV)** The circular contains guidelines on the manner of conduct of election in conformity with relevant rules and prescribed formats for setting up of candidates by political

parties, format of whip and also the seating arrangement, security arrangement and live coverage of the proceedings of the meetings convened in connection with conduct of election to the said offices.

In pursuance of the orders issued by the Commission, election process was completed for majority of the MPPs and ZPPs in both the States on 04.07.2014 and 05.07.2014. Due to keen contest and thin margin of members belonging to different parties in some MPPs and ZPPs, there were disturbances and instances of altercation between members and obstructing the Presiding Officers from conducting the election process creating pandemonium and confusion.

The Commission took special measures to erect barricades inside the venue of the meeting to prevent members belonging to different political parties from indulging in altercation and disturbing or obstructing the Presiding Officers from conducting elections. The special measures taken by the Commission were envisaged in the Circular No.1377/SEC-B1/2014-2, dated 07.07.2014 and Circular No. 1377/SEC-B1/2014-3, dated 10.07.2014.

After the voter has proceeded to the voting compartment and while he is recording his vote, the fifth polling officer will fold the ZPPTC ballot paper and hand over to the voter to enable him to proceed to another voting compartment to record his vote on the ZPPTC ballot paper. Both the ballot papers will be dropped in the same ballot box by the voter.

SELECTION OF POLLING PERSONNEL

4. The District Election Authority is requested to work out the requirements of polling personnel on the above basis by adding 10 percent in excess of their requirement so as to keep certain personnel in reserve also to meet any contingency.

5. As more number of polling personnel will be required for the conduct of the elections all the gazetted and non-gazetted government servants shall be drafted as election personnel. The District Election Authority should in no case cancel the appointment orders of any individual, except under extraordinary circumstances when the employee substantiates his plea for exemption with documentary evidence.

6. All the District Election Authorities or officer authorized by him should immediately take necessary action to address all the heads of offices to lend the services of their sub - ordinates for appointment as polling personnel and obtain the lists of such personnel well in advance. Generally the presiding officers and assistant presiding officers must be appointed from persons working under central/state government holding posts not lower in rank than that of superintendents. The remaining polling officers may be selected from amongst the persons in government service i.e. (state or central) or employees working in statutory corporations. The persons other than government servants should not be entrusted with the duties of polling officers which involve identification of voters.

7. The following categories of individuals should be avoided:
   (1) Employees having political leanings towards any party or candidate.
   (2) School teachers working as extra departmental post masters.
   (3) Pensioners
   (4) Teachers of private educational institutions

8. The lists of polling personnel selected for posting to the various polling stations should finalized with the approval of the District Election Authority.

9. For the purpose of efficient control of the polling personnel and of economy in expenditure on travelling allowances etc., each district, as far as practicable, should use its own personnel. All the available personnel working under the state and central government offices in the state, as well as under the local bodies have to be mobilized and an assessment of the availability of the requisite number has to be made well in advance. This work calls for a lot of forethought and planning.

10. (a) While drafting presiding officers / polling officers, the availability of female polling personnel should be examined for appointing presiding / polling officer for polling stations set up exclusively for female voters or where the number of female voters especially burqua clad women are large. In such polling station there must be at least one women polling officer who may attend to the duty of identification of woman electors.

(b) All such women, who are in advanced stage of pregnancy, whether on maternity leave or not, or who are otherwise on medical advice not fit for any rigorous, hazardous work, shall be exempted from being requisitioned for election duty. The same will apply to women who are breastfeeding a newly born child.

(c) Every female official called for election duty shall be informed in advance of the arrangements made for her stay, private and separate arrangements for women at the place of duty to meet the calls of nature as well as for bath and dressing. Unless such arrangements are made and information in this behalf is furnished to such a female official, she shall not be called to perform any election duty at any such place where the above arrangements are not available.

11. In case the employees belonging to the revenue collection department (central and state) are busy in the collection of revenues they should be appointed in consultation with departments incharge of the revenue collection. All representations in this connection should be looked into and cases of disagreement, if any, should be brought to the notice of the state election commission immediately.

12. Seniority of officials should be taken into account in every case and it should be ensured that a senior official is not put on duty under an official who is junior to him/her.

13. While appointing a polling party for a polling station, one of the polling officers should be authorized to perform the duties of presiding officer, in case the latter is unavoidably absent from the polling station.

14. Any official against whom any disciplinary action was taken during earlier elections to the legislative bodies or local bodies shall not be drafted on any election related work whatsoever in the ensuing election.

PROPER MIXING OF POLLING PERSONNEL DRAWN FROM DIFFERENT OFFICES:

15. In order to avoid any allegation of collusion among the polling personnel in favour of any candidate or political party and to instill confidence in the minds of political parties and candidates about free and fair elections, it should be ensured that proper mixing of polling personnel drawn from different offices and departments is done at the time of formation of a polling party.

16. The help of the computer technology, whenever available, should be taken for the above purpose of formation of polling parties by proper mix of polling personnel drawn from different departments and offices.

17. Polling personnel shall be drafted in such a way that they are posted at polling stations located outside the Mandal of their place of duty and native Mandal.

RESERVE POLLING PERSONNEL

18. Have a reserve list of presiding and polling officers for each Mandal to deal with emergencies at any of the polling station as well as for conducting re -polls, if required.

APPOINTMENT OF POLLING PERSONNEL:

19. All the heads of offices shall be addressed to furnish the lists of employees working under them along with their scale of pay for payment of flat rates of DA & TA for polling duty. After obtaining the lists, the postings should be made carefully in respect of each polling station. Care should be taken to see that in the polling stations exclusively set apart for women, as far as possible, women officers are posted for these posts. In any case, the polling officers kept in-charge of indelible ink and assigned the duty of marking forefinger of the voters in every women polling station should invariably be a woman. At a polling station, where there are considerable number of women voters especially burqua clad ladies, women assistants may be employed wherever practicable.

20. Thereafter, orders of appointment at each polling station should be prepared in the form given in Annexure appended and communicated to the persons after due authentication. Orders of appointment of polling personnel kept in reserve should also be communicated as all the Presiding Officers and Assistant Presiding Officers, including the reserve, should attend the training classes. Blank Form of orders of appointment have to be got printed. The orders of appointment should also contain the details of training classes. The orders of appointment should be issued well in advance of the training classes programme.

ADOPTION OF RANDOM NUMBER OF GENERATION TECHNIQUE:

21. Random number of generation technique adopted for the deployment of polling personnel during Assembly and Parliament elections shall be followed in the ensuing elections also

22. In this process, a code number (different from the polling station number) is assigned to each polling station and just before departure of the party this is decoded to the actual polling station number where the party has to reach. This method could effectively eliminate complaints relating to any possible partisan conduct of polling personnel. The criteria to be followed while constituting polling parties in enunciated below.

    (a) Presiding officers and polling officers are classified on the basis of scale of pay, their post and rank. Presiding officers should be of higher scale/ grade in comparison to all polling officers.
    (b) No person should be assigned polling duties in a Mandal in which he resides or works.
    (c) Two members of the polling party should not be from the same department and in any case the presiding officers and first polling officer should not be from the same department.

(a) Each polling station exclusively set up for women electors must have a female polling officer. Female polling officer must be posted in the areas dominated by burqua clad women.

(b) Selection of polling officers of every party shall be done on random basis.

Training to Polling personnel:

23. The District Election Authorities are informed that, it is of utmost importance that all persons selected for polling duty as Presiding Officers including those on the reserve lists and Zonal Officers should be adequately trained in the duties entrusted to them. Every such person should attend at least one training class and receive practical training. At each training class, as far as possible, there should not be more than 50 or 60 persons. The attendance at each class should be checked and recorded before the class starts, so that the names of absentees could be reported promptly to the Heads of Offices for necessary disciplinary action or prosecution as the case may be.

24. The District Collectors shall arrange for imparting two training classes for polling personnel for conducting polls with ballot boxes and ballot papers. The State Election Commission will arrange for supply of hand books for Presiding Officers. The pattern of election is comparable to simultaneous elections to the House of People and State Legislative Assembly when ballot boxes are used.

25. The training classes should be conducted by an officer not lower in rank than that of a Mandal Parishad Development Officer / Tahasildar. At least one training class should be conducted for Presiding Officer /Returning Officer/Assistant Returning Officers, Zonal Officers. No Officer who has been appointed as Returning Officer should be entrusted with Polling duties.

CIRCULAR

Sub : A.P. SEC. Fourth Ordinary elections to Panchayat Raj Bodies, 2011 – Setting up of Polling Stations for Election of Member, Mandal Praja Parishad and Zilla Praja Parishad - Guidelines - Issued.

***

All the District Collectors & District Election Authorities are informed that the elections to the offices of Member, Mandal Praja Parishad and Member, Zilla Praja Parishad are due to be held before expiry of their term in July, 2011. All the arrangements for setting up of the Polling Stations should be made in the same manner as was done during last ordinary elections. The District Election Authority is responsible for providing sufficient number of Polling Stations and for the publication of the list of Polling Stations.

The preliminary arrangements for the setting up of Polling stations should be initiated immediately after publication of electoral rolls. The Returning Officer should be entrusted with the work of setting up of Polling Stations and preparation of list of Polling Stations, their draft and final publication. The District Collectors should obtain the lists from the concerned Returning Officers, scrutinise and approve them before the final publication. The Assistant Returning Officers should physically check up the buildings proposed for setting up of Polling Stations. This is necessary so that alterations may not be proposed at a later date, which would cause inconvenience to the contesting candidates and also to the voters.

The following instructions are reiterated with regard to setting up of polling stations for conduct of elections to the offices of Member, Mandal Praja Parishad and Member, Zilla Praja Parihads.

1. DETERMINATION OF NUMBER OF POLLING STATIONS:

a) The number of voters allotted to each polling station should be about 1000 with marginal adjustments.
b) There shall be at least one polling station in each gram panchayat even if the numbers of voters are less than 1000. If the number of voters in a gram panchayat is more than 1000, two polling stations shall be set up and voters may be distributed equally between the two polling stations.
c) In case of big gram panchayats containing more than one territorial constituency, polling stations should be set up in each territorial constituency based on the above yardstick.

2. LOCATION OF POLLING STATIONS:

a) The actual site of each Polling Station should be chosen carefully in advance and arrangement for such structures, fittings, etc., as may have to be set up in order to make the polling station satisfy the requirements of practical convenience, should be provided at least one day before the day of Poll.

b) To the extent practicable, Polling Stations should be located at the same place where it was located in the last General Elections, so that the voters could go and cast their votes always at the same Polling Station and not at different Polling Stations for different elections.

c) Polling Stations should be set up in such a manner that ordinarily no voter is required to travel more than two Kms for casting his vote. In scarcely populated hilly or forest areas, this rule may have to be relaxed. In order to avoid voters having to walk unduly long distances, polling stations in such cases may have to be set up for a smaller number of voters.

d) In places where two or more polling stations are set up in the same building or compound, one of them may be allotted exclusively for women, but normally common polling stations with separate queues for men and women should do. When separate polling stations are provided for men voters and women-voters of a particular polling area, they should, as far as possible, be located in the same building.

e) Where the polling area for one or more polling stations comprises a number of villages, the polling station or stations should ordinarily be located in the village which has the largest number of voters. Where, however, another village is much more centrally located or has distinctly better facilities, it should be chosen for location of polling station or stations in preference to the village with the large number of voters.

f) Due consideration should be given to the existence of obstructions like hills, forests, rivers, jungle, etc., For instance no Polling area should contain villages on either side of a big river but where a village itself is divided by a small river or stream , it should not be split up for polling purposes unless there are other special reasons.

g) All villages in one polling area should fall in one administrative unit. A polling station should be located in one of the villages attached to that polling station unless special circumstances exist for providing the station, outside the polling area. All polling areas within the Mandal should be covered by the proposed polling stations.

h) As far as possible polling stations should be located in schools (Government or aided) and other Government or semi-Government institutions such as Gram Panchayat Offices and Community Halls as the furniture and equipment required would be available there and could be made use of without any extra cost to the State. The location of polling stations in private buildings or premises should be avoided. But where this becomes unavoidable the buildings should be properly secured with the written consent of the owner. The private building so obtained should be at the disposal of the Returning Officer for the period required for the poll. The building and the area around it upto a radius of one hundred metres should be under the

control of the Presiding Officer. No watch and ward or other personnel connected with the owner, whether armed or unarmed, should be allowed to remain either at the polling station or within a radius of hundred metres around it. The security arrangement at the polling station and within the above area will be the responsibility of the State Police under the control of the Presiding Officer. It should be ensured that the owner of the private building in which polling station is located is not a contesting candidate or a known sympathiser or worker of any of the candidates at the election.

i) No polling station should be located in Police Stations, Hospitals, and places having religious significance.
j) In case no suitable buildings of the Government or private are available, the polling station can be located in temporary structures but, as far as possible, this should be avoided as it involves considerable expenditure to the Government.

k) In the areas predominated by weaker sections, poling stations should, as far as practicable, be located in the same locality to ensure that weaker sections can exercise their franchise freely.

3)SETTING UP OF POLLING STATION FOR VOTERS SUFFERING FROM LEPROSY

If there is a leprosy sanatorium within the Mandal, a separate polling station may be set up for the inmates alone and the Medical Officers and other staff working in the sanatorium, may be appointed as Presiding Officers and polling clerks at the polling station.

4) LIST AND MAP OF POLLING STATIONS;

(a) The draft list of polling stations should be drawn up in the form given in Annexure-I. The demarcation of polling area or part of the electoral roll should be clearly indicated. The name of each village covered by the polling area and the number of voters in it should be shown in the respective columns against each polling station. By a clear description of polling area, it should be feasible for an ordinary voter to know to which polling station he should go for casting his vote. In order to ensure that a uniform method is followed in the matter of filling the columns, the following instructions may be kept in mind.

Column 1:
The serial number of the polling stations should be given on a rational basis commencing from the north-western corner of the Mandal and proceeding in zig zag manner to south-eastern corner of the said Mandal.

Column 2:
The locality has to be specified, that is the name of the area in which the polling station is located. In the case of temporary structures, the description of the exact site for the location of the temporary structure should be clearly indicated.

Column 3:
The name of the building in full should be clearly mentioned. The use of abbreviations should be avoided. In cases where more than one station is located in the same building, the location should

be made clearly by mentioning "North Wing", "South Wing" or Room No. of Zilia Praja Parishad High School, Mandal Praja Parishad School, Government High School, etc.

Column 4:
The names of villages, blocks, wards, streets, localities, house numbers and section numbers of the electoral rolls should be given. In cases where a roll is split up and the voters are assigned to two polling stations, then the serial numbers (not the house number) of the voters should be mentioned.

Column 5
It should be indicated whether the station is for all voters, or men voters only or women voters only.

Column 6
This column should contain information about the total number of voters assigned to the polling station according to the final electoral roll concerned.

Column 7:
This column should indicate the distance to be traveled, if the maximum limit of 2 kms. is exceeded.

Column 8:
(a) Where it is not practicable to conform to the above guidelines in regard to the location or area of a polling station, brief reasons may be given in this column.

(b) The total number of voters in the Mandal, the total number of polling stations proposed and the average number of voters per polling station should invariably be shown at the end of each list.

(c) The list should be accompanied by a map drawn to scale showing:

(i) all the villages and wards or localities in the Gram Panchayat with the number of voters in each village or such locality on the map itself, and where this is not convenient or practicable in a statement may be affixed to the map;
(ii) the place selected for the location of the polling station;
(iii) the area served by each polling station; and
(iv) serial number of the polling stations should be indicated in a systematic manner preferably beginning from the north-west corner of the Mandal, proceeding in zig-zag manner and ending at the south-east corner.

(d) The use of abbreviations in the list should be avoided, as far as possible, and where these are used, they should be explained.

(e) If any local terms are used to describe buildings, etc., in the list, they should be explained.

5. PUBLICATION OF THE LIST OF POLLING STATIONS IN DRAFT

The District Election Authority should provide sufficient number of polling stations for every Mandal.

The Returning Officer is primarily responsible for preparation of list of polling stations and maps. He should prepare at least 20 copies of the list of polling stations, 18 copies in Telugu and 2 copies in English. He should also prepare three maps according to the guidelines given in

Part-II of the checklist in Annexure-II. He should send two copies in English along with two maps to the District Collector for scrutiny. The two copies that are sent to the District Collector should be accompanied by the check-list given at Annexure-II. After a thorough check, the District Collector should arrange to publish the draft list at the following places:

(1) At the Office of the Collector.

(2) At the Office of the Returning Officer.

(8) The District Collector should thereafter call the party representatives and Legislators to a meeting and discuss the draft list and receive their suggestions. Any bonafide candidate, who wishes to take part in the discussions at this meeting should also be permitted to do so. The District Collector should then amend the draft list wherever found necessary and finalise the list of polling stations for the Mandal. He should then arrange for final publication of the list.

(a) Changes in the location of polling stations originally chosen to new buildings or sites may become necessary because the owner of the building or site originally proposed for a polling station has since become a contesting candidate or has strong sympathies for such candidate or a political party or because of any natural calamity. It may also be due to subsequent discovery that there is no such building as was proposed. All such changes should be reported to District Collector before the final list is notified.

(b) Once the lists are finally approved, request from political parties and individuals for shifting of the polling stations from one village to another or from one site to another should be considered, only when there are overriding considerations of public convenience for the change proposed. The District Collector should consult political parties and contesting candidates and make modifications only where he is satisfied that it is absolutely necessary; and

(c) Where changes become inevitable such changes should be fully published and all contesting candidates and political parties, etc., be informed in writing.

8. SUPPLY OF COPIES OF THE LISTS:

No. 405/SEC-B1/2011 **Date: 03.04.2013**

Sub: State Election Commission – 4th ordinary elections to MPPTCs and ZPPTCs – Setting up of Polling Stations common for both men and women – Reg.

Ref: 1. SEC Circular No. 166/SEC-B1/2006, dated 11.5.2011.
2. SEC Circular No. 405/SEC-B1/2011-2, dated 21.3.2013.

In the reference 1st cited, instructions were issued with regard to setting up of Polling Stations for conduct of elections to MPPTCs and ZPPTCs. Instructions were given therein to set up separate polling stations for men and women wherever feasible.

The State Election Commission has ordered for preparation and publication of photo electoral rolls for conduct of elections to Panchayat Raj bodies adopting the latest Assembly Electoral Rolls published with reference to 1.1.2013 as qualifying date. The photo electoral rolls of Gram Panchayats which are arranged MPPTC-wise and ZPPTC-wise are used for publication of list of polling stations in connection with MPPTC and ZPPTC elections as per the schedule given by the Commission in the reference 2nd cited, which starts on 06.4.2013 and ends up with final publication of list of polling stations on 17.4.2013.

In case of photo electoral rolls, each page of electoral roll contains three or four columns of boxes and each box contains details relating to individual voters. The Panchayat photo electoral rolls prepared in the above format contain both men and women electors integrated family and house number-wise. Separating these electoral rolls gender-wise is a cumbersome exercise and gives scope for complaints.

In view of these constraints, polling stations shall be set up common for both men and women instead of separate polling stations for men and women. The instructions already issued earlier stand modified accordingly.

CIRCULAR

Sub:- A.P. SEC. Fourth Ordinary elections to Panchayat Raj Bodies, 2011- Ministers, MPs MLAs and MLCs having security cover shall not be appointed as Election Agents or Polling Agents or Counting Agents – Instructions – Issued.

*** * ***

The Commission wishes to bring to the notice of all concerned the provisions of Section 221 B of the APPR Act, 1994 which states that, except those expressly permitted by the said section, no one else carries any arms or indulges in show of arms in polling stations or in their vicinity (an area within a radius of 100 metres from the polling booth), so that the conduct of elections can take place in a free and fair manner without any intimidation of voters, or threat perception to them or they being overawed by large posse of security personnel carrying arms.

To facilitate the understanding of the issue, an extract of the section referred to in the above paragraph, is given below;

Section221B: "Prohibition of going armed to or near a polling station---

(1) No person other than a Police Officer and any other person appointed to maintain peace and order at a polling station who is on duty at the polling station, shall, on a polling day, go armed with arms, as defined in the Arms Act, 1959, of any kind within the neighbourhood of a polling station.

(2) If any person contravenes the provisions of sub-section (1), he shall be punishable with imprisonment for a term which may extend to two years or with fine or with both.

(3) An offence punishable under sub-section (2) shall be cognizable."

It is seen from time to time that during the poll process, candidates and / or supporters of candidates, who are recipients of security extended to them by the State authorities, enter polling stations or go within the neighbourhood thereof accompanied by their security personnel. This amounts to contravention of the Provisions laid down in Section 221 B of the APPR Act, 1994.

The State Election Commission therefore, directs that, no person, who is provided with any form of security from any quarter, should enter into any polling station or go within its neighbourhood, accompanied by such security personnel. Neighbourhood of a polling station should be construed to mean an area within a radius of 100 metres from the polling station, on the analogy of Section 219 of the APPR Act, 1994. The security agencies in charge of extending security must therefore, recast security plans accordingly. It would be the duty of those in charge of the election to ensure that the provisions of the above quoted Section 221 B of the APPR Act, 1994 are strictly enforced and no security

personnel attached to any person (i.e., any candidate, any of his agents, workers, supporters, or even any elector) enter into any polling station or are found in the neighbourhood of the polling station. The same restrictions should also apply in relation to entry into counting centers and in the neighborhood of the counting centers.

Therefore, a Minister, MP or MLA or MLC or any person who is recipient of any form of security cover by the State shall not be appointed as an Election Agent or Polling Agent or Counting Agent as his personal security shall be jeopardized with such appointment, because his security personnel will not be permitted to accompany him into the polling station or counting hall.

ORDER

No.175/ SEC-B1/2011 **Dated:08.06.2011**

Sub: A.P. SEC – Fourth Ordinary Elections to Panchayat Raj Bodies-2011 – Restrictions on possession of Arms during elections – Orders – Issued – Reg.

*** * ***

In exercise of the powers conferred by Article 243 K of the Constitution of India, the State Election Commission, hereby, orders that the following instructions shall be observed during ensuing elections to the Panchayat Raj Bodies in the State.

1. Issue of licence for arms is to be totally stopped during the period commencing with the date of election notification. This ban will continue to be operative till the completion of the election process.

2. The police are directed to be vigilant and to start mopping up operations of the areas infested with known antisocial elements within the areas going to polls. During such mopping up operations special attention should be paid to unearth and seize unlicenced arms and ammunition. A very thorough search and seizure by the Police of unlicenced arms and places of indigenous manufacture of arms and ammunition shall be carried out and persons involved shall be arrested. While unearthing and seizure of unlicensed weapons is a normal ongoing responsibility of the police, it shall be vigorously intensified during the election period. Inter-State and intra-state movements of trucks and commercial vehicles shall be strictly checked with a view to preventing smuggling of arms and ammunition by anti-social elements. Raids should be carried out regularly and intensively on underground arms factories.

3. Immediately after the issue of election notification, the District Magistrates shall make a detailed and individual review and assessment of all licence holders living in the district areas so that licenced arms, in those cases, where they consider it essential, are impounded in order to ensure maintenance of law and order so essential for ensuring free and fair elections. These arms should be deposited with the district authorities. Among cases which may need to be reviewed are the following:

1. Persons released on bail,
2. Persons having a history of criminal offences, and
3. Persons previously involved in rioting at any time but especially during the election period. (The above categories are only illustrative and not exhaustive)
4. After such review, all such licence-holders who are identified, shall be directed to deposit their arms with the District Administration during the period of 3 days from the date of issue of election notification.
5. The District Administration shall make fool-proof arrangements for keeping the deposited fire arms in safe custody. Proper receipt must be given to the licence holders depositing the fire arms. It shall be the bounden duty of the District Administration to ensure that all fire arms deposited with the Administration are returned to the licence holders immediately after one week after the declaration of results.

6. Prohibitory orders under section 144 of the Criminal Procedure Code, 1973, shall be issued banning the carrying of licenced arms as soon as the election notification is issued and it should be effective till the declaration of results. Similar prohibitory orders under section 144 of CrPC shall also be issued prohibiting the entry to arms licence holders living outside areas of polls into the aras of poll along with their weapons during the period from the date of election notification by the State Election Commission to till the declaration of results.
7. This ban shall, not be applicable to those communities who are entitled to display weapons by long standing law, custom and usage. This shall, however, not prevent the District Administration to impound weapons of any such persons of even such communities if they are found to be indulging in violence or posing a threat to the maintenance of law and order and peaceful conduct of elections. In these cases also the fire arms shall remain impounded till one week after the declaration of results.
8. Strict vigil shall be maintained by thorough checking of lorries, light vehicles and all other vehicles from three days before the date of poll to ensure that no undesirable elements or arms and ammunition are being transported into the areas of poll from outside and to apprehend them if they are doing so. Such checking of vehicles shall continue till the completion of the counting of votes and the declaration of results. As and when such culprits are apprehended, the arms and ammunition and vehicles concerned shall be confiscated.
9. A copy of this order shall be made available to the local units of all recognised National/State political parties and other political parties in each district immediately and to each candidate or the agent authorised by him under acknowledgement.
10. The receipt of this order shall be acknowledged immediately.

Sub:- A.P. SEC – Fourth Ordinary Elections to Panchayat Raj Bodies, 2011 – Prevention of disfigurement of Public and Private places during elections – Instructions issued – Reg.

* * *

Private and public places are disfigured during the election time by way of pasting election advertisements and writings on the walls in violation of the Model Code of Conduct.

2. Needless to say that this spoils the beauty of the settlements and causes loss to the private house owners who keep their houses and walls painted. In order to prevent such disfigurement, the A.P State Legislature has enacted A.P.Prevention of Disfigurement of Open Places and Prohibition of Obscene and Objectionable posters and Advertisements Act, 1997 (Act 28 of 1997)

3. Section 4 of the said Act makes the disfigurement of any public or private place an offence punishable with imprisonment which may extend upto 3 months or with fine which shall not be less than one thousand rupees but which may extend upto 2,000 rupees or with both. Abetment of such disfigurement is also made punishable under section 5 of that Act. Under section 6 thereof, the police officers are empowered to remove, erase, pull down and destroy objectionable advertisements.

4. The State Election Commission is of the firm view that this unhealthy practice of disfigurement / defacement of private and public properties during the election campaign should be curbed with a heavy hand by invoking the provisions of law referred above. The State Election Commission, therefore, directs to take immediate measures, wherever necessary, for restoration to original position of the defaced public / private properties by directing the political parties and contesting candidates to remove their posters/slogans and repaint the walls of public/private property at their own expenses. In case of failure to comply with the instructions, prosecution should be lodged against the concerned under the provisions of law referred above. Strict vigilance should be maintained to prevent such defacement of public/private property particularly during election campaign and appropriate legal action should be taken against the violators.

5. The State Election Commission, hereby, directs the District Collectors and the Superintendents of Police to strictly enforce the implementation of item 7 in Part- I (General conduct) of Model Code of Conduct by taking recourse to sections 4 and 5 of Act 28 of 1997 referred above by issuing suitable instructions to their subordinate officers and also by launching inspection teams from time to time during the campaign period. Prompt prosecution of offenders in the early stages of campaigning will act as great deterrent to others. They are also requested to give wide publicity to the provisions of the said Act and

item 7 of point - I of the Model Code of Conduct among the general public, political parties and contesting candidates.

6. The Commission also directs that action taken in this regard and the prosecutions launched under the above Act during the period of election to Panchayat Raj Bodies should be informed to the Commission from time to time.

7. A copy of the said Act is enclosed for ready reference.

STATE ELECTION COMMISSION
3rd Floor, Buddha Bhavan, M G Road, Secunderabad – 500 003

CIRCULAR

No.178/SEC-B1/2011, Dated:30.05.2011.

Sub:- A.P. SEC – Fourth Ordinary Elections to Panchayat Raj Bodies, 2011- Videography to record the critical events – Instructions – Issued.

* * *

In order to enable the State Election Commission to have a true and faith full record of the violations of the election law, Model Code of Conduct and other instructions issued by the Commission, it is decided to cover the critical events through videography during the process of electioneering, including, but not restricted to, the period of campaign, the day of poll, the receipt and storage of polled ballot boxes, counting of votes and the declaration of the results.

2. It is decided that video cameras shall be provided to record critical events at the rate of 3 per mandal ie., 2 for the Returning officer and 1 for Zonal Officer. In addition to this the General Observers appointed by the State Election Commission shall be provided with one video camera.

3. For this purpose, the District Election Authorities shall make use of video cameras and crew available with the governmental and semi-governmental organisations within their jurisdiction or hire local private professional videographers. While selecting the private videographers, care should be taken to select only professionally competent persons having no political bias or links.

4. Keeping in view the size of the constituency, previous history of election related violence and electoral malpractices, general law and order situation, likelihood of commission of corrupt practices and electoral offences, the District Election Authority may increase the number of videographers indicated above to be engaged during the campaign period and on the day of poll to record critical events.

5. The following instructions are issued in the matter of selection of videographers and their deployment:-

(a) The private videographers to be hired shall be screened thoroughly as to their professional competence, track record, financial viability and other related factors.

(b) The videographers should not belong to any political party and should not be known sympathizers or supporters or close relatives of any of the contesting candidates or any of the leaders of any political party or should not have been hired by any political party or contesting candidate.

(c) The Returning Officers are required to provide tea, snacks food etc, to the videographers and they shall not be left to fend for themselves while on duty. It shall be ensured that the videographers DO NOT accept the hospitality of any contesting candidate or political party or their workers.

(d) Video teams should be under the personal supervision and guidance of a senior officers who has been entrusted election duty.

(e) As and when required, the video teams may be asked to accompany the Election Observers so that all critical events observed by them may also be videotaped.

(f) The videographers shall be impressed that the principle behind the scheme is to record and videotape critical events only which are likely to vitiate the poll and not to just videotape all events in a routine manner in order to fill the cassette or CD.

6. The videographers, so engaged, shall be given proper briefing to enable them to record an independent and purposeful coverage of critical events relating to violation of election law and Model Code of Conduct. Particularly, the videography should be used as a tool of document and check the veracity of the election expenditure account being maintained by the contesting candidates. Thus, important public meetings, particularly those addressed by VIPs, rallies organised by supporters of contesting candidates, vehicles used etc can be recorded in videography and information gathered can be used to cross check the correctness of the expenditure accounts being maintained by the contesting candidates.

7. In the nature of guidelines, it is suggested that following events shall invariably be videographed :

(i) Meeting addressed/attended by Ministers, top national/State level leaders of recognised political parties.
(ii) Riots or riotous situations or commissions of brickbatting, free-for-all etc.
(iii) Violent incidents, damaging of property, looting, arson brandishing of arms etc.
(iv) Booth capturing.
(V) Intimidation of voters.
(VI) Open bribing of voters by distribution of sarees dhoties, blankets, Liquor etc.
(VII) Canvassing within 100 metres of polling stations.
(VIII) Vulgar display of expenditure, like erecting huge cut-outs etc.

(***Note:*** These are only illustrative and not exhaustive.)

8. The idea underlying the videography is to secure unimpeachable evidence in respect of acts amounting to violation of Model Code of Conduct that can be used by the police for prosecuting persons in respect of election offences. The videography may therefore be so utilized as to serve the above purpose in particular and other purposes in general.

9. The video films thus prepared shall be viewed by the District Election Authority or Officer Authorized by him immediately to identify whether any of the organizers / speakers or other participants of the public meeting has committed any violations or infractions of statutory provisions and directions of the commission or Model Code of Conduct relating to the conduct of elections.

10. In cases where the Returning Officer himself or the District Election Authority is competent, immediate corrective action shall be taken and the Commission informed of the same.

11. In cases where the authorities provided with videography feel that any critical event so recorded needs to be brought to the notice of the State Election Commission, copy of the video tapes/CDs should be sent to the State Election Commission by the quickest means along with an explanatory note on the infringement towards which the attention of the State Election Commission is proposed to be invited.

12. All videotapes produced in compliance with the instructions of State Election Commission, should be properly indexed and lodged with the election authority and shall form part of record of the concerned election and shall be preserved in the manner similar to other election records.

13. The District Election Authorities and the Returning Officers shall, where the events recorded in the videography amount to corrupt practices or other electoral offences under the Indian Penal Code or and the APPR Act, 1994 report the same to the police and see that prosecutions are launched against the offenders immediately, as otherwise the videography at huge cost will not serve any purpose.

14. The District Election Authorities are requested to transmit these instructions to all the Returning Officers in their district and take steps for their strict compliance. The State Election Commission is of the considered view that videography is an important mechanism which, if carefully used, can help in curbing the incidents of breach to Model Code of Conduct and other electoral mal-practices to a great extent.

The expenditure incurred on hiring video cameras shall be met out of the election funds released to the district**s.**

No.179/SEC-B1/2011 **Dated:23.5.2011**

DIRECTION

Sub:- A.P. SEC – Fourth ordinary elections to Panchayat Raj Bodies, 2011- Use of Loudspeakers for election campaigns – Instructions - Issued- Reg.

* * *

All Political parties, candidates and their workers, supporters and sympathizers are using loudspeakers for their electioneering campaigns. These loudspeakers are not only used from fixed rostrums but are also mounted / fitted on vehicles like trucks, tempos, cars, taxis, vans, three wheeler scooters, cycle rickshaws, etc. These vehicles move on all roads, streets and lanes and also go around basties, mohallas, colonies and localities with the loudspeakers broadcasting at very great volume. This results in serious 'noise pollution ' and causes great disturbance to the peace and tranquility of the general public. The student community, in particular, gets seriously disturbed as their studies are badly hampered because the loudspeakers start blaring from very early hours in the morning and continue to do so throughout the day and till extremely late hours in the night. The aged, the infirm and the sick whether in institutions, hospitals, etc. or at home are also put to severe discomfort.

2. The Commission is aware that the use of loudspeakers cannot be stopped altogether during the election period as the loudspeakers are one of the means of election propaganda and imparting information to public. But, at the same time, indiscriminate and unfettered use of loudspeaker at odd hours and at odd places at very high volumes which have the effect of disturbing peace and tranquility and causing annoyance to the general public, the sick, and the student community in particular cannot be permitted. Some reasonable restrictions are essential.

3. The Hon'ble Supreme Court of India passed an order banning the use of loud speakers, vehicular horns and bursting of crackers between 10.00 PM and 6.00 AM near residential areas.

4. After considering all aspects of the matter, the Commission, in exercise of its powers conferred by Article 243K of the Constitution and all other powers enabling it in this behalf

and in supersession of its earlier instructions, hereby DIRECTS that the use of loudspeakers at all future elections to Panchayat Raj Bodies shall be strictly regulated as follows: -

No. 616/SEC-B1/2013 **Date: 07.07.2013**

Sub: State Election Commission - 4th Ordinary elections to Gram Panchayats – Curbs on flow of liquor during election period – Closure of belt shops and monitoring of production, storage and distribution of liquor during election period – Reg.

Ref: SEC Notification No. 757/SEC-B2/2013, dated 03.07.2013.

***

The State Election Commission issued a Notification for conduct of ordinary elections to Gram Panchayats in the State in the reference cited.

Under Sec. 225A of the A.P. Panchayat Raj Act, 1994, liquor shops have to be closed in the polling areas during the period of 44 hours prior to the hour fixed for conclusion of poll in Gram Panchayat elections and also on the counting day.

Further, bribing the voters by offering liquor to gain unfair edge is an election offence under Sec. 171-B and 171-E of IPC and also a corrupt practice under Sec. 211(1) of the A.P.P.R. Act, 1994.

The State Election Commission is of the view that in order to conduct elections to Gram Panchayats in a free, fair and peaceful manner, it has to exercise all the powers within its reach to control the flow of liquor which is widely used as an inducement to garner votes illegally. The State Election Commission has been receiving representations and suggestions from general public, political parties, NGOs and the Press to take strong measures to curb the role of liquor in the ensuing Gram Panchayat elections, which are keenly fought because of they are held after seven years in a politically volatile environment prevailing in the State with the advent of new political outfits and also the timing of elections just less than a year before the General elections to APLA/HOP.

Keeping all these factors in view and in order to hold elections in a free, fair and peaceful environment, the State Election Commission in exercise of the powers conferred on it under Article 243K of the Constitution of India, hereby, issues the following instructions to curb the role of liquor in the ensuing elections to Gram Panchayats.

1. All the unauthorized liquor outlets (belt shops) in the State shall be closed with immediate effect till the completion of the election process.
2. The production of IMFL/Beer/Country Liquor should be closely monitored with reference to production figures during the corresponding period in the last year.
3. The offtake of IMFL/Beer/Country Liquor from Central Stocks should also be watched and if there are major deviations then follow up trail should be established.
4. Stock Limits of Licensed Stockists should, in no case, be allowed to exceed permissible limits. All major stock points should be placed under video surveillance

for round the clock check and excise pickets with Police help be posted at these points.

5. Daily receipt and offtake of retail sellers should be monitored. Excise Department officials should submit it every evening to the Collector and DEA who would take action on suspicious offtake.
6. Opening and Closing time of Liquor Vending Shops must be meticulously followed.
7. Intensive vigil over inter state movement of vehicles at RTO Check Posts and border check posts by Excise staff should be kept by special enforcement staff under the State Excise Department who are deputed round the clock from the date of notification till the completion of Poll/Repoll. For effective checking of the vehicles at border check posts, assistance of transport department may be obtained and joint checking of vehicles by excise and transport officers may be carried out.
8. Inter State co-ordination among Excise Commissioners with bordering States should be done for monitoring of inter state movement of IMFL, Beer and Country Liquor.
9. District Level Nodal Officers and State Level Nodal Officer of Excise Department should be identified to monitor the above aspects, conduct raids to seize illicit liquor.
10. The District Level Nodal Officer will submit Daily Report as per the proforma enclosed for IMFL, Beer and Country Liquor in separate forms to State Level Nodal Officer with copy to the Collector & DEA concerned. State Level Nodal Officer of Excise Department will, in turn, submit Daily Report on excise activity of the entire State to the State Election Commission in the same proforma (Fax Nos.040-27544580 / 27544428 / 27536033 / 27536055 / 27536066 / 27536077).

The State Election Commission also directs that the Superintendents of Police/ Superintendents of Police (Urban) / Commissioners of Police shall also coordinate with the officials of the Excise Department at the District level to take stringent measures to close all belt shops and also to deal with any law and order problem that may arise due to activities of unscrupulous elements and vested interests indulging in using liquor as an inducement to garner votes.

The ordinary elections to Gram Panchayats are currently underway in pursuance of the Notification issued by the State Election Commission in the reference cited. In all the Gram Panchayats where there is a contest for the office of Sarpanch and Ward members, campaign is taking place. If political overtones are allowed to creep into the campaign process, the spirit of the statute is derailed and the voting public will be swayed by extraneous considerations.

In order to curb the scope for political overtones in the campaign process and to ensure that Gram Panchayat elections are conducted in a free, fair and peaceful manner, the State Election Commission in exercise of the plenary powers conferred on it under Article 243K of the Constitution of India and Section 200 of the A.P. It is reported in the Press and Electronic Media that some MPTC posts are auctioned in the public.

Auctioning of posts is a corrupt practice under Sec. 211(1) of the A.P. Panchayat Raj Act, 1994. This is also an electoral malpractice under Sec. 171-B and 171-E of the Indian Penal Code, 1860. In conviction the offender is liable to one year imprisonment and disqualification to contest elections for a period of six years.

Therefore, all the Collectors and District Election Authorities are requested to take the following measures to foil the nefarious designs of some vested interests to manipulate the election process by way of auctioning.

1. A Special Cell shall be opened to scan the reports published in the Press and Electronic Media about alleged incidents of auctioning of posts and to cause for conduct of an enquiry forthwith.

2. The Flying Squads and Static Surveillance Squads should be asked to be vigilant and alerted whenever any signal emanates from any source on alleged illegal activity of auctioning.

3. The Collectors and District Election Authorities shall take prompt action to file FIR and launch prosecution against the persons involved in auctioning of posts under the sections referred above.

4. They have to send a report to the State Election Commission wherever there is prima facie case of auctioning of posts to enable the State Election Commission to stop the election process of the MPTC / ZPTC concerned.

5. By way of abundant caution, wherever there are allegations of auctioning of posts, the Collectors and DEAs shall give instructions to the Returning Officers concerned not to declare result in case of unanimous election to any office of MPTC or ZPTC without obtaining clearance from the Collector and DEA.

6. In the MPTCs / ZPTCs where there are no allegations of auctioning of posts, the results of unanimous elections shall be declared forthwith.

The above instructions shall be followed scrupulously.

The State Election Commission, therefore, issues the following instructions on the subject on the facilities to be provided to the Press and Electronic Media during the ongoing elections to MPTCs and ZPTCs.

Different news agencies / news channels may cover the events in turns so as to ensure smooth conduct of poll process in the Polling Station. The same principle applies to the coverage of counting also.

To
All the Collectors and District Election Authorities.
All the Chief Executive Officers of ZPPs.
All the District Panchayat Officers.

Sir/Madam,

Sub: State Election Commission – 4th Ordinary Elections to MPTCs / ZPTCs – Distribution of Photo Voter Slips without authentication to the voters – Reg.

***

The 4th ordinary elections to MPTCs / ZPTCs were notified by the State Election Commission on 10.03.2014.

The Commission decided that Photo Voter Slips shall be generated and distributed to the voters by the official machinery as was done during the ordinary elections to Gram Panchayats held in July 2013. These voter slips will enable the voters to know the polling station where he/she has to cast vote and also facilitate the polling personnel to quickly identify the serial number of the voter in the marked copy of the electoral roll. It also curtails the scope for impersonation, discourages unscrupulous elements from approaching the voters with a malafide intent to influence them under the pretext of distribution of unofficial voter slips and also improves voter turnout. The representatives of political parties requested the Commission in the Political Parties meeting held at the State level on 29.6.2013 to distribute Photo Voters Slips through official machinery to the voters in local body elections.

The Commission, therefore, issues the following instructions on distribution of Photo Voter Slips to the voters by official machinery in connection with 4th ordinary elections to MPTCs and ZPTCs.

1) The Photo Voter Slips shall be generated in the format enclosed to this letter.
2) This Photo Voter Slips should only be in the language in which the electoral roll is prepared for the Rural Local Body.
3) The Collectors & DEAs are also given freedom to engage any agency to generate Photo Voter Slips subject to conditions prescribed by ECI for utilization of its electoral database.
4) The Commission has no objection if some of the entries in the Photo Voter Slip are stamped or filled manually due to inadequacies in the database.

5) A meeting with the Political Parties shall be convened from District level to local level to convey to the public and local leaders the following information.

    a. Photo Voter Slips are distributed to voters by the official machinery only to facilitate voters to know their polling station and serial number in voter list.
    b. Production of Photo Voter Slip is not mandatory and any voter who does not possess Photo Voter Slips shall not become ineligible to exercise franchise.
    c. Every voter, whether he/she possesses a Photo Voter Slip or not, shall produce either EPIC or any of the alternative identification documents notified by the Commission to establish their identity at the polling station.
    d. Photo Voter Slip shall not be considered as an alternative identification document approved by the Commission.
    e. If a voter is not supplied with a Photo Voter Slip by the administrative machinery for any reason, an impression should not be created that he is excluded from exercising his/her franchise.

6) Any employee working in the Rural Local Body or any other employees of the Government can be entrusted with the responsibility of distribution of Photo Voter Slips well in advance of the date of poll.
7) On the date of poll, any employee entrusted with the responsibility of distribution of Photo Voter Slips shall be available at the polling station premises to distribute the slips to those who have not been supplied with the slips before the date of poll.

All the Collectors & DEAs / CEOs of ZPPs are requested to give wide publicity in the Press and Electronic media about distribution of Photo Voter Slips to the voters by the official machinery.

Yours faithfully,

ANNEXURE XL

GUIDELINES FOR OBSERVERS

1. Statutory Basis of Appointment

Observers of the State Election Commission are appointed under the powers conferred on it by Section 343 Z E of the A.P Municipalities Act, 1965 and section 617D of the Greater Hyderabad Municipal Corporation Act, 1955 and the plenary powers available to the Commission under the Constitution of India. They are the appointees of the Commission working under the superintendence, control and discipline of the Commission from the date of their appointment until they are released after the process of elections is completed.

The Acts governing Municipal Bodies have been amended in October, 2005 by Act No. 28 of 2005 and two new sections 343ZE and 617D have been added to A.P Municipalities Act, 1965 and GHMC Act, 1955 respectively. These new sections provided statutory powers to the Observers to watch the conduct of elections to Municipalities / Nagar Panchayats and Municipal Corporations and especially in respect of counting of votes.

The said two sections, which are identical in verbose read as follows.

> "(1) The State Election Commission may nominate an Observer who shall be an officer of Government to watch the conduct of election or elections in a ward or a group of wards or for a municipality / Municipal Corporation or for a group of municipalities/ Municipal Corporations and to perform such other functions as may be entrusted to him by the Commission in relation thereto.
>
> (2) The Observer nominated under sub-section (1) shall have the power to direct the Returning Officer/Election Officer for the ward or for any other wards for which he has been nominated, to stop the counting of votes at any time before the declaration of the result or not to declare the result if in the opinion of the Observer, booth capturing has taken place at a large number of polling stations or at counting of votes or any ballot papers used at a polling station are unlawfully taken out of the custody of the Returning Officer/Election Officer or are accidentally or intentionally destroyed or lost or are damaged or tampered with to such an extent that the result of the poll at the polling station cannot be ascertained.

(3) Where an Observer has directed the Returning Officer/Election Officer under this section to stop counting of votes or not to declare the result, the Observer shall forthwith report the matter to the Commission and thereupon the Commission shall, after taking all material circumstances into account, issue appropriate directions under Section 343W or section 343X of AP Municipalities, Act 1965 in respect of Municipalities and Section 59A or 63A of GHMC Act, 1955 in respect of Municipal Corporations.

(4) It shall be competent for the State Election Commission to appoint an **Election Expenditure Observer** for a group of wards or for a Municipality/Municipal Corporation or a group of Municipalities/ Municipal Corporations so as to ensure that the provisions of chapter V of AP Municipalities Act, 1965 or chapter XVII A of Hyderabad GHMC

Act, 1955 as the case may be or strictly adhered to and in that behalf the Commission may issue such instructions as it deems fit, from time to time, to such Observers".

2. GENERAL & EXPENDITURE OBSERVERS

The nomenclature used to identify the Observers as **"General Observers"** and **"Expenditure Observers"** is only for easy identification of major functions of the two groups of Observers being appointed. There is no distinction between them so far as the law is concerned and both are **"Observers".** Both types of the Observers perform duties as assigned by the Commission.

3. Co-ordination between General and Expenditure Observers:

Both General and Expenditure Observer will reach the District allotted to them on the same day. They will discuss among themselves and settle common issues and establish appropriate co-ordination to cover different events of the elections. They will cover area of the Municipalities/Municipal Corporations in the District. On the date of poll, the Observers together should distribute between them Municipal Bodies in the District and cover them through intensive and extensive visits to ensure that the poll is free and fair.

4. Overview of Observer's Duty:

By dint of their seniority and long experience in the administrative service, they are expected to be in a position to assist the Commission in the conduct of free and fair polls. They will also be able to oversee the efficient and effective management of the electoral process at the field level. For all purposes, they will act as the **eyes and ears of the Commission** during the period of the election and provide direct inputs to the Commission from the field as an interface with the election machinery, the candidates, parties and electors to ensure that the acts, rules, procedures, instructions and guidelines related to elections are strictly and impartially complied with by all concerned. They should always clearly and firmly bear in mind the fact that they are only the eyes and ears (and not the mouthpiece) of the Commission. Their inputs/observations are confidential and solely for the use of the Commission and not for any other agency including media. They must not, therefore, interact with or respond to the queries of the Press even after the elections are over. It is clarified that while the formal report/input/observation sent by the observers are meant for the use of the Commission, it does not mean that the observers will not discuss with the RO/EO/District Election Authority(DEA) about their observation on various aspects of election management in order to facilitate mid-course corrections. It should be kept in mind that the objective of the deputation of the observer is not to find fault but to facilitate field administration in ensuring a free and fair poll. However, the observers shall not mark copies of their formal reports to the Commission to any other person including RO/EO/DEA.

5. Role of Observers:

Section 343 ZE (2) of the A.P. Municipalities Act, 1965 and section 617 D(2) of the GHMC Act, 1955 have vested the Observers with some powers. The Observer shall have the power to direct the Returning Officer / Election Officer for the ward for any of the wards or constituencies for which he has been nominated, to stop the counting of votes at anytime before the declaration of the result, or not to declare the result, if in the opinion of the Observer, booth capturing has taken place at a large number of polling stations or at counting centers or any ballot papers used at a polling station are unlawfully taken out of the custody of the Returning Officer/Election Officer or are accidentally or intentionally destroyed or lost

or are damaged or tampered with, to such an extent that the result of the poll at that polling station cannot be ascertained.

Where an Observer has directed the Election Officer/Returning Officer under these sections to stop counting of votes or not to declare the result, the Observer shall forthwith report the matter to the Commission and thereupon the Commission shall, after taking all material circumstances into account, issue appropriate directions under section 343X or 343W of AP Municipalities Act, 1965 in respect of Municipalities and Section 59A or 63A of GHMC Act, 1955 in respect of Municipal Corporations in the matter of declaration of results.

21. Arrival Report:

On arrival in the district, the observers are requested to furnish details of time of arrival in the district, base camp, telephone/fax numbers for the contact of State Election Commission.

22. Inspection of Polling Stations and field visit:

The Observers, between them, will inspect as many polling stations as is possible to understand the ward in social, economical and political context. The selection of Polling Stations should be done on a random basis and the areas covered should serve as a reasonable sample. During these field visits the Observers should talk to the electors, particularly in the weaker section colonies and the less-developed areas and assess the level of confidence of the electorate in the electoral process and machinery. They should particularly talk to the electors belonging to the weaker sections and woman electors for making such an assessment. Their visit shall cover all new polling stations, critical polling stations and distant polling stations. They may suggest to the RO/EO any corrective action as may be required to increase the level of confidence of the electors as per their own assessment.

23. Meeting on Model Code of Conduct:

1. Observers are requested to attend some of the meetings convened by the District Election Authority in implementation of Model Code of Conduct with the candidates/political parties either at Municipal body or district level. The broad features of the Model Code of Conduct and the general instructions of the Commission in this regard should be briefly touched upon during this discussion. A general consensus should be evolved for making the elections in the area free and fair. The participants should be impressed upon to co-operate with the election machinery and the district administration to ensure a violence free and fair election with fullest participation of the electorate. During this meeting, the general arrangements on how to reach the Observers with complaints or information should be spelt out. The fixed time and place at which the Observers will be available in the base station and its location should be clearly indicated during this meeting.

2. Observers should thoroughly familiarize themselves with the Model Code of Conduct and instructions issued by the Commission, so that they can participate in a meaningful and effective manner in the above-mentioned discussion.

24. Review of Law and Order and Security Situation:

1. The Observers should have a separate meeting with the Collector, Joint Collector, RDOs, SPs, Commissioner of Police, DSPs and Commissioners of Municipal Corporation and Commissioners of Municipalities/Nagar Panchayats to take stock of the law and order and security situation. It is important that the local police force available is deployed in such a manner so as to optimise its impact in conducting free and fair polls and in providing a high level of confidence to the electors. An in depth review of the assessment of sensitive/hyper sensitive polling stations should be conducted. State Election Commission has issued orders for appointing Zonal Officers, Gazetted Officers vested with Magisterial Powers to go round the Zone to ensure implementation of Model Code of Conduct from the date of publication of the

list of contesting candidates to furnish a daily report to the District Election Authority and Collector. In turn Collector to furnish a copy of the consolidated report to State Election Commission under copy to the Observer. To have a overall view of election situation in the district. Observers are requested to take any remedial steps by initiating action on the concerned on the violation of election procedure / model code of conduct. Steps taken by the district administration on the proper maintenance of law and order may be furnished to the State Election Commission from time to time through the observers reports. A statement showing various legal provisions under which electoral malpractices and election offences can be dealt with is enclosed.

2. The Observers should also make a quick assessment of any interpersonal issues which might impede in the smooth conduct of elections. If there is any major problem on this account it should be brought to the notice of the Secretary, State Election Commission.

25. Review of Preparedness for Conducting Polls:

1. A separate and detailed interaction with the key functionaries in the election machinery should be held to assess preparedness to conduct poll.

2. The following items need to be checked by the Observer thoroughly during the first visit.

26. Electoral Rolls:

1. Correctness of electoral roll contributes greatly for the success of election. The correctness of the electoral rolls need to be verified at random.
2. It is possible to update the Municipal Corporation/Municipality/ Nagar Panchayat electoral rolls in the period intervening between the date of publication of electoral roll and the date of issue of election notification. Such inclusions are added to the part relating to the concern ward and deletions are carried out at appropriate place as per law.
3. Observers are requested to verify a few of the rolls published by the Commissioners of Municipal Corporations/Municipalities.

27. Randomisation for grouping of Polling Parties' Personnel:

One of the important tasks for the Observers during their visit would be to oversee the planning made by the ROs /Eos and the District Election Authority for the proper selection and deployment of polling personnel in accordance with the Commission's guidelines regarding use of randomisation techniques for selection and deployment of Polling personnel.

28. SCRUTINY:

1. The Observers are expected to oversee the Scrutiny of Nominations. However, before the scrutiny, it is important that the Observers verify whether latest instructions and orders of the Commission are available with ROs/EOs. They should observe whether the Returning Officers/Election Officers are discharging their statutory functions for scrutinizing the nominations efficiently.

2. The following items are important:

a) An authentic copy of the ward wise electoral roll of Municipal Corporation/ Municipality/Nagar Panchayat for which he is appointed as RO/EO;
b) Hand Book for Returning Officers/Election Officers issued by State Election Commission;
c) Symbol Notification issued by State Election Commission.

3. It is important for the observers to go through these instructions carefully in advance before they interact with the Returning Officers/Election Officers. They will confirm that the Returning Officers/Election Officers have not only received the latest instructions but have understood the implications clearly.

29. Observation of implementation of Model Code of Conduct:

1. The main focus of the Observers will be on the **campaign and the compliance of the model code of conduct.**

2. In the matter of use of loudspeakers, public meetings etc. the existing instructions of the Commission should be strictly and impartially implemented and this will be overseen by the Observers.
3. Use of vehicles for campaigning without permission.
4. Use of muscle power to mobilize or restrain people from voting.
5. Critical review on the Zonal Officers / Micro Observers reports on Model Code of Conduct, Law and Order Election arrangements, consolidated reports furnished daily by the District Election Authorities and issue instructions on the spot on the implementation of the Model Code of Conduct/Election Arrangements by the General/Election Expenditure Observers.

30. Approach of the Observer in implementation of Model Code of Conduct:

The approach of observer should be to get the complaint inquired by DEA through the inquiry officer and tracking how the inquiry is conducted and how the concurrent corrective measure is affected. The observer should advise the DEA about the violations and appropriate action to be taken. However in case of lapses on part of the authorities even after advice of the observers, the observers should immediately communicate lapses to the EA and C&DMA and State Election Commission. Observer should use videography as an effective tool to implement Model Code of Conduct

31. Ensuring Peaceful and Violence free Polls:

The Commission is also particularly concerned that the campaign period remains free from violence. The spirit of a healthy contest and a level-playing field is crucial to this, and this should be respected and adopted by all concerned. Candidates should, therefore, cooperate with the district administration to keep the contest free from tension and violence. The district and police administration have an important role in ensuring this. The Observers will particularly keep close coordination with and monitor the functioning of the district administration and keep a close watch on the activities of the candidates from this angle and oversee that no undue advantage is taken by any section in whatsoever manner during the campaign. They should also be watchful to ensure that the level of confidence of the electors in general but more particularly of the weaker sections, disadvantageous sections and women is not eroded or compromised in any manner during the campaign period.

32. Watch on expenditure incurred on election campaign by the candidates:

Use of money power, needless to reiterate, vitiates the election process. The Observers are, therefore, expected to be the watchdogs and keep a strict vigil on surreptitious and discursive ways of spending money to influence voters. The observers should know the ceiling of election expenditure.

It must be kept in mind that the enlisted ways of spending money is only indicative. There can be many other ways of spending money which should engage the attention of the Observers.

- Booth-wise agents are appointed to purchase floating votes;
- Large donations to organizations to influence its members;
- Largesse to petty workers to dole out the same to electors;
- Rented crowds for meetings;
- Rallies and campaigns with purchaseable crowd;
- Presence of candidates at social occasions like mass weddings, feasts, poojas, jagrans, innaugurals, etc. where gifts are given on behalf of candidates;
- Acceptance of felicitations by the contesting candidates at any educational or charitable organizations;
- Distribution of free liquor/liquor passes to the electors;
- Use of dummy candidates at election to utilize his quota of electioneering vehicles, etc.
- Surrogate advertisements in print and electronic media whereby candidature is canvassed by unconnected persons/organizations so as to avoid the expenditure on the same being accounted for in the expenditure of the contesting candidates;
- Providing voters with caps, vests, umbrellas, bi-cycles, etc.

It shall be the duty of the observers to ensure that all the instructions of the Commission are followed meticulously and there are no aberrations in their application. It is, therefore, imperative that the observers should familiarize themselves with the extant instructions issued by the Commission, a compendium of which is enclosed with this handbook.

The gist and highlights of various instructions on the issue of election expenditure is given hereunder for the benefit of the Observers:

- Section 343ZC of the AP Municipalities Act, 1965 and 617 B of the GHMC Act, 1955 stipulate that every candidate at an election shall, either by himself or by his election agent, keep a separate and correct account of all expenditure in connection with the election between the date on which he has been nominated and the date of the declaration of the result thereof, both the dates inclusive.

- The State Election Commission has prescribed a format in Proforma-I, which is required to be maintained by the contesting candidates along with supporting vouchers, bills, etc. arranged in a proper chronological order (Refer: Order No.537/SEC-F1/2011, dated 1.7.2011).
- Alongwith Proforma-I, the Commission has prescribed a format of Proforma-II "Abstract of Election Expenses" which has also to be filled up by the contesting candidates.
- The prescribed register/forms/extracts of rules relating to lodging of returns of accounts of election expenses should be printed and made available to the contesting candidates.
- The supporting vouchers of the day to day expenses should necessarily bear the signature in full of the contesting candidate or his election agent.
- The register along with the Abstract of expenses has to be made available by the contesting candidates for inspection by the Returning Officer/Election Officer/Designated Officer thrice before the date of poll.
- If a candidate is contesting election for more than one ward, he is require to maintain and lodge a separate account of his election expenditure in respect of each such ward.
- The accounts of the candidate will be scrutinized by the Returning Officer/Election Officer/Designated Officers.
- Where a candidate does not produce his daily account of election expenses before the designated officers, despite notice, the DEA shall cause a complaint to be lodged u/s 171-I of the IPC against the errant candidates.
- Any person desiring a copy of these day to day accounts should be provided the same by the Returning Officer/Election Officer subject to the payment of usual copying charges.
- The candidate, while maintaining the daily accounts of election expenditure, should also account for all expenditure including those incurred prior to the date of nomination for preparation of campaign material, etc. which are actually used during the post nomination period in connection with the election.
- All vehicles (including two-wheelers, motor-bikes, scooters and mopeds, etc.) being used by the candidates contesting for the election campaign are required to be reported to the Commissioner Municipal Corporation/Municipality/Nagar Panchayat;

The Observers are advised to familiarize themselves completely with the aforesaid instructions of the Commission and prevail upon the Designated Officer to abide by the same. Wherever aberrations are noticed, the Designated Officers should be encouraged to issue notices through the Returning Officers/Election Officers to the erring candidates and make a note of the same in the register whenever they are produced for inspection.

33. District Media Cell:

The DEA shall create a cell for dealing with media headed by Public Relations Officer and the main functions shall be

a. The cell shall collect various clippings about the elections and also the advertisements from all the newspapers including the vernacular languages and provide this with translation if required to the Observer through the liaison officer. This should be done on a day to day basis by the media cell. This exercise depending on the location of the observer may be done by liaison officer and an allowance shall be provided for this to the liaison officer,
b. Prepare and circulate the note on various steps initiated during the day against violations of MCC to the media. These notes shall not include any direct quotes to the media by the observer, and

34. Preparedness to Conduct of Poll:

1. A further review of the preparedness to conduct poll should also be taken up with the District Election Authority and other key functionaries namely Commissioners of Municipal Corporations/Municipalities/Nagar Panchayats/ Zonal Officers and S.P/Commissioner of Police/DSPs/CIs of the area.

2. The Commission has issued detailed guidelines regarding the size of the convoys permitted during the campaign period. The Observers may familiarize themselves with these instructions and ensure that the district officers are enforcing the guidelines of the Commission in letter and spirit in a free and impartial manner.

35. Preparation of Polling parties and training:

To ensure transparency, the Commission has formulated a comprehensive three stage randomization plan for selection and deployment of polling staff (As per the Instructions in **to be issued).**

Success of the poll process depends a lot on the quality of training imparted to the polling staff. Observer should monitor the training process and take care that:

(i) All the staff appointed for poll duty is trained.
(ii) The trainers are well versed with the election process.
(iii) Training is imparted in small groups and not very large groups to ensure that proper focus is maintained.
(iv) Training covers all aspects of poll management, including EVMs, forms and certificates to be filled by the staff. Special focus should be given to the latest instructions issued by the Commission since most of the polling staff would be unaware of them.

36. Preparations for Date of Poll:

1. Effective checks of curb electoral malpractices or vitiation of the poll process by way of booth capturing, rigging, creating a scare of fear and panic among electorate and effectively preventing them from casting their votes are major concerns. The methods adopted by unscrupulous elements vary from district to district and area to area. The Observers are expected to familiarize themselves about the tricks of the trade prevalent in the area as well as identify the specific areas prone to such mischief.

2. The Observers between them or amongst them should carefully plan out, in confidence, the areas which they would focus on, during the actual period of poll.

This will be kept confidential and is not to be shared with anyone including the District Election Authority, Returning Officers, Election Officers, Escort and Liaison Officer.

37. Visit to Dispersal Centres:

The Observers may visit the dispersal centres for despatching the polling parties at different locations and make a brief report on the manner in which the operations are planned to be conducted.

38. MICRO OBSERVERS:

The employees of the Central Government, Central PSUs are appointed as Micro Observers. Collector and DEAs were also given option to appoint Gazetted Officers of the State Government, having unblemished track record and considerable experience, where Central Government and Central PSU employees are not available in sufficient number. The Micro Observers are deployed at the selected sensitive / hypersensitive polling stations. They should oversee poll process.

The Guidelines for Micro Observers and Illustrative training material issued in Circilar No.528/SEC-F1/2011, dated 2.7.2013.

39. DATE OF POLL (Poll takes places from 7.00 A.M. to 1.00 P.M:

1. On the date of poll, Observers available in the district should distribute areas among themselves and tour the maximum number of booths as is physically possible during the hours of polling. They should, therefore, plan to carry some packed food so that no time is lost on this account. The presence of the Observers in the field on the date of poll and their visits to polling stations should be an effective deterrent against electoral malpractice and vitiation of the Poll Process. The Observers will ensure prompt and effective action on this score by interacting with the Election related offices, District Administration constantly through telephone or wireless set etc. The District Administration shall provide a wireless set fitted to the vehicles of the Observer on the pre poll day to the date of completion of the polling and counting.

2. One of the most important responsibilities of the Observers is to oversee he actual poll which takes place from 7.00 a.m. to 5.00 p.m. as approved by the Commission. Since the polling starts very early in the morning, the Observers should plan to start their work from a convenient point sufficiently before the start of the poll. General and Expenditure Observers should distribute the Municipal bodies in the district between them in such a manner that they can cover the maximum municipal bodies in the district.

3. They should look for any unusual activity or lack of activity around a polling station to sense whether any electoral malpractice has vitiated or is likely to vitiate free and fair polls. Absence of women in the queues may be an indicator of something unusual. The Observers should in advance study and acquaint themselves with the pattern of electoral malpractices in the past elections in different areas. On this basis they can look for tell tale signs, of any irregularities. They should constantly remain in touch with the ROs/EOs/Zonal Officers and other officers on duty to get feed back as well as to convey anything specific for corrective action to be taken by the concerned

authorities on the basis of what the Observers have actually seen in the field on the date of poll.

4. They should also go inside Polling Stations and check for the progress of polling, the compliance of prescribed procedures by the polling officials in conducting the poll, the presence of polling agents, the updating of entries in the Presiding Officers diary and such other matters that need verification. Observers shall sign the visit sheet, available with the Presiding Officers and check whether the AROs/AEOs/Zonal Officers visited the polling station and recorded their observations and the number of votes polled at the time of visit of the Officer has to be recorded and signed.

40. Repoll and adjourned poll cases:

The report of the Observer is the most important input for the Commission for taking a decision on ordering repolls. The Observers should therefore be vigilant and alert about any incident or activity which might or might have vitiated the poll process so that they can send a specific report to the Commission on this matter. In case of repolls, the Observers shall send a comprehensive report at the end of repoll.

41. End of Poll report:

The Observers will send a report in the form prescribed in **observer report 3** at the end of poll showing the role of polling agents and the number and nature of complaints received in regard to each polling station. In addition to this, the Observer has to send a comprehensive report highlighting all important factors, in case any repoll is recommended by him for a particular polling station or a group of polling stations.

42. Counting

1. The statutory provisions regarding Observers specifically focus on their role during the counting process and empower them to stop counting and to direct the Returning Officer/Election Officer not to declare the result, if in the opinion of the Observer, booth capturing has taken place at a large number of polling stations or at counting centers or any ballot papers used at a polling station or unlawfully taken out of the custody of the Returning Officer/Election Officer or are accidentally or intentionally destroyed or last or are damaged or tamper with, to such an extent that the result of poll at that polling station cannot be ascertain. The statute thus enjoins a special responsibility on the part of the Observers to oversee and supervise the counting process and also to provide a direct and immediate communication to the Commission. The Commission accordingly expects that the Observers will have a key role in the superintendence of the counting process.

2. Commission is particularly concerned that the entire counting arrangement should be orderly and well-structured. Commission attaches great importance to the fact that the actual counting is done in such a manner that it is not only smooth and efficient but more importantly transparent and correct. Reasonable opportunity is to be afforded, as per existing instructions of the Commission, to let the counting agents of the candidates get a clear view of the counting process as it goes on each counting table.
3. Commission has issued orders regarding the arrangements for counting in the "**Hand Book for Returning Officers/Hand Book for Election Officers".**

4. Observers may visit as many counting centres as they can when counting of votes when counting of votes is done to ensure that counting process is conducted as per the procedure prescribed.

43. Miscellaneous:

1. The District Election Authority will ensure that the place of stay, the phone number, the dates of visit of the Observers are duly publicised in the districts allotted to them. The Observers shall doubly check this. They have to make themselves easily accessible to whoever wants to meet them with an election-related complaint or information.

2. The State Election Commission will take all practicable steps to ensure that the Observers are protected against any victimisation due to their reports.

3. Observers may indicate the district in which he has been appointed as Observer and also whether he is a General Observer or an Election Expenditure Observer in all the communications to the Commission. This will facilitate easy identification and quick processing of the communications received from the observers.

4. Observers may indicate in each report, whether it is the first report, second report, third report or fourth report.

CIRCULAR

Sub:- A.P. SEC. Fourth Ordinary elections to Panchayat Raj Bodies, 2011- Ministers, MPs MLAs and MLCs having security cover shall not be appointed as Election Agents or Polling Agents or Counting Agents – Instructions – Issued.

*** * ***

The Commission wishes to bring to the notice of all concerned the provisions of Section 221 B of the APPR Act, 1994 which states that, except those expressly permitted by the said section, no one else carries any arms or indulges in show of arms in polling stations or in their vicinity (an area within a radius of 100 metres from the polling booth), so that the conduct of elections can take place in a free and fair manner without any intimidation of voters, or threat perception to them or they being overawed by large posse of security personnel carrying arms.

To facilitate the understanding of the issue, an extract of the section referred to in the above paragraph, is given below;

Section221B: "Prohibition of going armed to or near a polling station---

(1) No person other than a Police Officer and any other person appointed to maintain peace and order at a polling station who is on duty at the polling station, shall, on a polling day, go armed with arms, as defined in the Arms Act, 1959, of any kind within the neighbourhood of a polling station.

(2) If any person contravenes the provisions of sub-section (1), he shall be punishable with imprisonment for a term which may extend to two years or with fine or with both.

(4) An offence punishable under sub-section (2) shall be cognizable."

It is seen from time to time that during the poll process, candidates and / or supporters of candidates, who are recipients of security extended to them by the State authorities, enter polling stations or go within the neighbourhood thereof accompanied by their security personnel. This amounts to contravention of the Provisions laid down in Section 221 B of the APPR Act, 1994.

The State Election Commission therefore, directs that, no person, who is provided with any form of security from any quarter, should enter into any polling station or go within its neighbourhood, accompanied by such security personnel. Neighbourhood of a polling

station should be construed to mean an area within a radius of 100 metres from the polling station, on the analogy of Section 219 of the APPR Act, 1994. The security agencies in charge of extending security must therefore, recast security plans accordingly. It would be the duty of those in charge of the election to ensure that the provisions of the above quoted Section 221 B of the APPR Act, 1994 are strictly enforced and no security personnel attached to any person (i.e., any candidate, any of his agents, workers, supporters, or even any elector) enter into any polling station or are found in the neighbourhood of the polling station. The same restrictions should also apply in relation to entry into counting centers and in the neighborhood of the counting centers.

Therefore, a Minister, MP or MLA or MLC or any person who is recipient of any form of security cover by the State shall not be appointed as an Election Agent or Polling Agent or Counting Agent as his personal security shall be jeopardized with such appointment, because his security personnel will not be permitted to accompany him into the polling station or counting hall.

STATE ELECTION COMMISSION
3rd Floor, Buddha Bhavan, MG Road, Secunderabad-500003, AP.

ORDER

No. 616/SEC-B1/2013 **Date: 11.03.2014**

Sub: State Election Commission - 4th Ordinary elections to MPTCs / ZPTCs – Curbs on flow of liquor during election period – Closure of belt shops and monitoring of production, storage and distribution of liquor during election period – Reg.

Ref: SEC Notification No. 222/SEC-B1/2014, dated 10.03.2014.

***

The State Election Commission issued a Notification for conduct of 4th ordinary elections to Mandal Parishad Territorial Constituencies (MPTCs) and Zilla Parishad Territorial Constituencies (ZPTCs) in the State in the reference cited.

Under Sec. 225A of the A.P. Panchayat Raj Act, 1994, liquor shops have to be closed in the polling areas during the period of 48 hours prior to the hour fixed for conclusion of poll in MPTC/ZPTC elections and also on the counting day.

Further, bribing the voters by offering liquor to gain unfair edge is an election offence under Sec. 171-B and 171-E of IPC and also a corrupt practice under Sec. 211(1) of the A.P.P.R. Act, 1994.

The State Election Commission is of the view that in order to conduct elections in a free, fair and peaceful manner, it has to exercise all the powers within its reach to control the flow of liquor which is widely used as an inducement to garner votes illegally. The Commission has been receiving representations and suggestions from general public, political parties, NGOs and the Press to take strong measures to curb the role of liquor in the ensuing elections, which are keenly fought because of they are held after eight years in a politically volatile environment prevailing in the State with the advent of new political outfits and also just before General Elections to APLA/HOP.

Keeping all these factors in view and in order to hold elections in a free, fair and peaceful environment, the State Election Commission in exercise of the powers conferred on it under Article 243K of the Constitution of India, hereby, issues the following instructions to curb the role of liquor in the ensuing elections to MPTCs/ZPTCs.

11. All the unauthorized liquor outlets (belt shops) in the State shall be closed with immediate effect till the completion of the election process.

12. The production of IMFL/Beer/Country Liquor should be closely monitored with reference to production figures during the corresponding period in the last year.

13. The offtake of IMFL/Beer/Country Liquor from Central Stocks should also be watched and if there are major deviations then follow up trail should be established.
14. Stock Limits of Licensed Stockists should, in no case, be allowed to exceed permissible limits. All major stock points should be placed under video surveillance for round the clock check and excise pickets with Police help be posted at these points.
15. Daily receipt and offtake of retail sellers should be monitored. Excise Department officials should submit it every evening to the Collector and DEA who would take action on suspicious offtake.
16. Opening and Closing time of Liquor Vending Shops must be meticulously followed.
17. Checks shall be conducted to unearth illegally produced black jaggery and other products derived from it that are used as ingredients for production of illicit liquor.
18. Intensive vigil over inter-State movement of vehicles at RTO Check Posts and border check posts by Excise staff should be kept by special enforcement staff under the State Excise Department, who are deputed round the clock from the date of notification till the completion of Poll/Repoll. For effective checking of the vehicles at border check posts, assistance of transport department may be obtained and joint checking of vehicles by excise and transport officers may be carried out.
19. Inter State co-ordination among Excise Commissioners with bordering States should be done for monitoring of inter state movement of IMFL, Beer and Country Liquor.
20. District Level Nodal Officers and State Level Nodal Officer of Excise Department should be identified to monitor the above aspects, conduct raids to seize illicit liquor.
21. The District Level Nodal Officer will submit Daily Report as per the proforma enclosed for IMFL, Beer and Country Liquor in separate forms to State Level Nodal Officer with copy to the Collector & DEA concerned. State Level Nodal Officer of Excise Department will, in turn, submit Daily Report on excise activity of the entire State to the State Election Commission in the same proforma (Fax Nos.040-27544580 / 27544428 / 27543122 / 27543123 / 27536033).

The State Election Commission also directs that the Superintendents of Police/ Superintendents of Police (Urban) / Commissioners of Police shall also coordinate with the officials of the Excise Department at the District level to take stringent measures to close all belt shops and also to deal with any law and order problem that may arise due to activities of unscrupulous elements and vested interests indulging in using liquor as an inducement to garner votes.

Ref:- G.O.Ms.No.173, PR & RD (Elections & Rules) Dept., dated 10.5.2006.

***

Under section 149(1)(v) of the Andhra Pradesh Panchayat Raj Act 1994, one person belonging to minorities has to be co-opted in the prescribed manner by the directly elected Mandal Parishad Territorial Constituency (MPTC) Members from among the persons, who are registered voters in the Mandal and who are not less than 21 years of age.

Section 153(1) of the said Act stipulates that for every Mandal Praja Parishad (MPP) there shall be one President and one Vice-President, who shall be elected by and from among the directly elected MPTC Members by show of hands duly obeying the party whip given by such functionary of the recognized political party, as may be prescribed. If a member votes in disobedience of party whip in the election to the said offices, he shall cease to hold office in the manner prescribed.

With regard to Zilla Praja Parishad (ZPP), under Section 177(3)(v) of the said Act, two persons belonging to minorities have to be co-opted in the prescribed manner by directly elected Zilla Parishad Territorial Constituency (ZPTC) Members from among the persons, who are registered voters in the district and who are not less than 21 years of age.

Section 181(1) of the said Act stipulates that for every ZPP, there shall be one Chairperson and one Vice-Chairperson, who shall be elected by and from among the directly elected ZPTC Members by show of hands duly obeying the party whip given by such functionary of the recognized political party as may be prescribed. If a Member votes in disobedience of the party whip in connection with the election to the said offices, he/she shall cease to hold office in the manner prescribed.

The State Government issued Andhra Pradesh Conduct of Election of Members (Co-opted), Chairperson and Vice-Chairperson of Zilla Praja Parishad and Member (Co-opted), President and Vice-President of Mandal Praja Parishad Rules, 2006 in the reference cited.

The State Election Commission will issue Notifications shortly for conduct of indirect elections to the offices of Members (Co-opted), Chairperson and Vice-Chairperson of ZPP and Member (Co-opted), President and Vice-President of MPP.

The following procedural instructions are issued with regard to holding of Special Meeting for conduct of elections to the said offices and other matters relating thereto.

I.GENERAL:

(a) Any reference to 'Act' in this circular shall be construed as a reference to the Andhra Pradesh Panchayat Raj Act 1994 and any reference to 'Rules' in this circular shall be construed as reference to rules issued in G.O.Ms.No.173 Panchayat Raj, Rural Development (Elecs. & Rules) Department, dated 10.5.2006.

(b) Only directly elected Territorial Constituency Members can vote in the election to Member (Co-opted) of ZPP and MPP.

(c) Only directly elected Territorial Constituency Members are eligible to contest and vote in election of Chairperson / Vice-Chairperson of ZPP and President / Vice-President of MPP.

(d) The other Members, i.e., Members of Parliament (both Houses), Members of Legislative Assembly and Members of Legislative Council, who do not have voting right, are also to be given notice for the Special Meeting, but they may be separately seated from the directly elected Territorial Constituency Members for facilitating easy counting of votes. Member (Co-opted) once elected are also invited for Special Meeting for election of Chairperson and Vice-Chairperson of ZPP / President and Vice-President of MPP. But they have no voting right and, hence, they are also to be seated separately.

(e) Reservations have been notified for the offices of Chairpersons of ZPPs and Presidents of MPPs by the Government. Only such of those elected Members from Territorial Constituencies, who belong to that particular reserved category, shall be eligible to contest irrespective of the fact whether such candidates were elected from the Territorial Constituency reserved for the said category or not. A clarification issued on this matter in Circular No.468/SEC-B1/2014, dated 19.03.2014 is also enclosed.

(f) No canvassing or any efforts to influence the voting pattern shall be permitted inside the meeting hall.

(g) If for any reason election of Members (Co-opted) of ZPP or Member (Co-opted) of MPP is not completed, Special Meeting convened for election of Chairperson / Vice-Chairperson of ZPP or President / Vice- President of MPP, as the case may be, shall not be taken up and the matter shall be reported to the State Election Commission.

(h) In the Special Meeting convened for election of Chairperson / Vice-Chairperson of ZPP and President / Vice-President of MPP, the election of Chairperson of ZPP / President of MPP, as the case may be, shall be taken up first. After completion of election of Chairperson of ZPP / President of MPP only, the election of Vice-Chairperson of ZPP / Vice-President of MPP shall be taken up. If the election of Chairperson of ZPP / President of MPP is not

completed, the election of Vice-Chairperson of ZPP / Vice-President of MPP shall not be taken up. This arrangement will ensure that the office of Chairperson of ZPP / President of MPP, for which reservations apply, are filled up leaving little scope for vested interests to keep them vacant and continue Vice-Chairperson of ZPP / Vice-President of MPP as temporary Chairperson of ZPP / temporary President of MPP for unduly long periods defeating the very purpose of reservation policy.

The attention is invited to Rule 22 (1) of the Rules, which is extracted below:

Similar provision is made in rule 11 (1) of the rules in connection with election of President and Vice-President of MPP.

The following instructions and formats are issued with regard to appointment of whip and matters connected thereto.

1) The State President of a recognised political party may authorise a party functionary at local level / district level in Annexure-I to appoint a whip for the areas / ZPPs / MPPs specified therein (Annexure-I) or directly appoint a whip in Annexure-II (without authorizing any party functionary at local / district level in Annexure-I).

2) However, where the State President of a recognised political party authorises a person in Annexure-I to appoint whip for certain MPPs/ZPPs, the State President shall desist from directly appointing whip for those MPPs/ZPPs in Annexure-II as it creates confusion and adversely affects smooth conduct of election.

3) The Annexure-I, wherever such Form is issued, and Annexure-II should be submitted (both in original) to the Presiding Officer before 11.00 AM on the day preceding the day of election.

4) A recognized political party which has issued an order of appointment of whip in Annexure-II in favour of a candidate may rescind that order and give revised order in Annexure-II in favour of another candidate subject to the following conditions.

5) Appointment of whip is valid only if the State President of a recognised political party or a person authorised by him intimates the name of the whip to the Presiding Officer before 11.00 AM on the day preceding the day of election.

6) Rules are silent with regard to the person who should be appointed as whip. However, if a person who is not a member of the MPP or ZPP, as the case may be, is appointed as whip, he will not be permitted to participate in the meeting.

7) The recognised political parties are required to appoint only one whip for election of Chairperson / Vice-Chairperson of a ZPP or President / Vice-President of a MPP. The appointment of more than one whip for the same ZPP or MPP is prohibited.

8) Provisions pertaining to whip are applicable only to Members, MPP / ZPP elected on behalf of a recognized political party. The said provisions do not apply to members elected on behalf of other political parties and to independent candidates.

If any member elected on behalf of the recognized political party refuses to receive the whip issued by him, he shall record the same and furnish a copy of it to the Presiding Officer. Such Member refusing to receive the whip shall be deemed to have received the whip for the purposes of disqualification.

IV. PROCEDURE TO BE FOLLOWED WHERE A MEMBER ELECTED ON BEHALF OF A RECOGNIZED POLITICAL PARTY DISOBEYS THE PARTY WHIP:

With regard to disqualification for disobedience of the party whip, attention is invited to rule 11 and 22 of the rules. The following procedure is to be followed where a member disobeys the whip issued in connection with the election of Chairperson and Vice-Chairperson of ZPPs or President and Vice-President of MPP, as the case may be.

1. If any member elected on behalf of a recognized political party disobeys the party whip in the said election, the person appointed as whip by the party shall send a written report to the Presiding Officer within 3 days from the date of election specifically indicating the name of the member.

2. On receipt of the written report from the party whip, the Presiding Officer shall give a show cause notice to the member concerned as to why he should not be declared to have ceased to hold office and that he should make representation, if any, within 7 days from the date of the notice.

3. The Presiding Officer shall consider the explanation given by the member concerned and pass a speaking order in the matter of cessation of membership of the member for disobedience of the whip at the earliest.

4. If no explanation is received from the members concerned, within the time specified, the Presiding Officer shall pass an order on the basis of the material available with him without any further notice.

The names of all candidates validly proposed and seconded shall be read out along with the name of the political party which has set him up by the Presiding Officer in the meeting".

A similar provision is made in rule 10(1) of the rules for election of President/Vice-President of MPP.

The State President of a recognised political party may issue authorisation directly in Form-B or they may authorise a person through Form-A for issuing the Form-B. However, where the State President of a recognised political party authorises a person in Form-A to issue Form-B, the State President shall desist from issuing Form-B directly as it creates confusion and adversely affects smooth conduct of election. Formats of Form-A and 'B' are enclosed.

The Form-A, wherever such Form is issued, and Form-B should be submitted (both in original) to the Presiding Officer before 10.00 AM on the day of the special meeting.

The 'day-to-day' true account of election expenditure incurred by contesting candidate or his Election Agent and also by his supporters, any political party, or body or association or other individuals supporting the candidature or for furthering chances of the candidate in the election shall be recorded in Proforma I.
3. The day to day expenditure account so maintained in proforma I shall be supported by proper vouchers failing which it will not be treated as true account of election expenditure as required under the law, save in cases where it is not possible to obtain vouchers.
4. Each of the supporting vouchers, enclosed with the account of election expenditure, shall bear the signature in full of the contesting candidate or his election agent.
5. The candidate or his authorised agent shall prepare an abstract of the expenditure periodically during the campaign period in the proforma II enclosed to this Order and the same shall be duly signed by the candidate or his election agent certifying its correctness and shall be submitted to the designated authorities for inspection and scrutiny.
6. The attention of all political parties and contesting candidates is, hereby, drawn to the provisions of section 171 of the Indian Penal Code which reads as follows:

"171 H. **Illegal payments, in connection with an election:-** whoever, without the, general or special, authority in writing of a candidate, incurs or authorises expenses on account of the holding of any public meeting, or upon any advertisement, circular or publication, or in any other way whatsoever for the purpose of promoting or procuring the election of such candidate, shall be punished with fine which may extend to five hundred rupees:

Provided that if any person having incurred any such expenses not exceeding the amount of ten rupees without authority, obtains within ten days from the date on which such expenses were incurred the approval in writing of the candidate, he shall be deemed to have incurred such expenses with the authority of the candidate".

Thus, from the above provision of law, it may be noted that the expenditure incurred by the supporters in connection with election of a candidate, without the knowledge or

consent of the contesting candidate, is a criminal offence under the above law and persons, supporters, political parties, body or associations are liable for prosecution. And if such expenditure has been incurred, with the knowledge or with the consent of the candidate, then the same should be included in the account of election expenses of the candidate.

6. In order to put effective curbs on the incurring or authorising of expenditure, in violation of the statutory provisions of the above-referred section 171 H of the Indian Penal Code and in the interests of free and fair electors, the State Election Commission, in exercise of its powers under Article 243 K of the Constitution and Section 230-A of APPR Act, hereby, directs as follows:

(i) No political party or any other association, body or individual, shall put up any cut-outs, hoardings, wall paintings, flags, banners, buntings, advertisements in newspapers, electronic media etc., without the general or special authority (in writing) of the candidate whose election is sought to be promoted by such cut-outs, hoardings, etc., as is statutorily and mandatorily required under Section 171 H of the Indian Penal Code. Strict penal action against those offending the above provisions of law will be taken and prosecutions launched against them

(ii) Since elections to Gram Panchayats are conducted on non-party basis, the contesting candidates or their supporters shall not put up any cut-outs, hoardings, wall paintings, banners etc., of the political parties in support of any candidate contesting in Gram Panchayat elections.

(iii) Subject to clause (iv) below, a political party or association or body may put up any cut-outs, hoarding, etc., referred in para 6 (i) above as part of its general propaganda, which is a distinguishable from its election campaign for the promotion the election of a particular candidate. For example if the poster, banner etc. appeals to the voter to vote for a party in words or picture or photo of party office bearers only then it is a case of general publicity. But if a poster, banner etc. also appeals to vote for a particular candidate in words or picture or photo then the cost thereof should be counted towards the expenditure of that candidate.

(iv) No political party, contesting candidate, association, body or individual shall put up any cut-outs, hoarding etc., either under clause (i) or under clause (iii) above, unless prior written permission of the concerned Government authorities or local authorities like Zilla

Parishad, Mandal Parishad and Gram Panchayat has been obtained under the relevant local laws before putting up such cut-outs, hoarding etc.

(v) Before granting any permission as envisaged in clause (iv) above, the concerned Government authorities or the local authorities mentioned above shall thoroughly examine the applications of the parties, association, bodies or individuals with a view to satisfying themselves that the putting up of such cut-outs, hoardings etc., on the proposed site does not compromise the safety and security of the general public and does not result in traffic and other hazards in any manner whatsoever. Such authorities shall also examine whether any authorisation from a particular candidate is required by the applicant in terms of clause (i)&(ii) above and, if so, whether such authorisation has been obtained by the applicant.

(vi) It shall be the responsibility of the Government authorities and local authorities mentioned above to ensure that no cut-outs, hoardings etc., are put up by any political party, association, body or individual on any highways, road-sides, traffic intersection and crossings, government buildings and property, like electricity and telephone poles, etc., without prior written permission of the concerned department or local body and the written authorisation of the candidate, where required, as mentioned above. Any cut-out,hoardings, etc. which have been put up without the required permission and authorisation should be got removed/demolished forthwith at the cost of the party, association, body or individual responsible for the unauthorised putting up of the same.

(vii) Penal action shall also be initiated forthwith against such defaulting parties, associations, bodies or individuals by the aforementioned authorities under section 171 H, IPC and section 4 and 5 of "A.P. Prevention of Disfigurement of Open Places and Prohibition of Obscene and Objectionable posters and Advertisements Act, 1997 (Act 28 of 1997)" the provisions whereof have been violated by the putting up of such unauthorised cut-outs, hoardings etc.

(viii) If any such instances either come, or are brought, to the notice of the election expenditure observer, District Election Authorities, Returning Officers or other authorities concerned with the conduct of elections, including the Police authorities, they shall take up forthwith the matter with the aforementioned authorities for prompt action as directed in clauses (vi) and (vii) above.

7. The Commission, hereby, warns all concerned that any violation of the above directions will be viewed by the Commission with the utmost gravity and most stringent action possible under the law will be taken against the parties, associations, bodies or individuals responsible for such violations.

8. If any Officers is found to have failed to take prompt and expeditious action as envisaged above, he will render himself liable to strict disciplinary action for failure to discharge the official duty.

9. The State Election Commission directs that the "day to day basis true" account of expenditure in the proforma I and the periodical abstract of expenditure in the proforma II attached to this Order should be submitted by the contesting candidates to the authorities designated by the State Election Commission on the dates specified by the State Election Commission separately.

10. In connection with third ordinary elections to Mandal Praja Parishad & Zilla Paja Parishad and Gram Panchayats in the State the Commission, hereby, designate the Returning Officers for the inspection and scrutiny of the day to day expenditure accounts **and the periodical abstract of expenditure during the election campaign period and issue the following instructions in this behalf:-**

1. The contesting candidates or their agents shall submit the election expenditure accounts maintained in Proforma-I and Proforma-II to the designated officers or officers nominated by them once in every three days from the date of publication of list of contesting candidates.

2. The Returning Officers are authorized to nominate officers to receive the accounts filed by the candidates and also notify the place at which and the hour when the candidates or their election agents can file the election expenditure accounts on the dates indicated. The nominated officers shall be available on the date and time indicated above at the places notified and shall receive and inspect and scrutinize the accounts submitted by the candidates and give consolidated report to the Returning Officer and to the election expenditure observer.
3. The election expenditure observers will also undertake inspection and scrutiny of all the expenditure accounts whenever they feel convenient on the said dates and they may also summon the expenditure accounts of any candidate from the officers nominated by the Returning Officers.

11. With a view to minimise the possibility of contesting candidates, their supporters, political parties, bodies or associations incurring expenditure in excess of the ceilings prescribed by the State Election Commission, it is felt necessary that the daily returns and the

periodical returns of expenditure should be made transparent by making them available to the public and the other contesting candidates, who, can help the Election Commission to effectively check the veracity of the returns with actual expenditure being incurred by the contesting candidates and their supporters. It is, therefore, decided that the designated officers should make photo copies of these returns available to other contesting candidates, any member of the public or Non-Governmental Organisation, on demand and on payment of xeroxing charges or a certified copy as per Section 76 of the Indian Evidence Act, 1872 and to the media, free of cost, so as to enable them to assist the Election Commission in effectively implementing the ceilings imposed on the expenditure to be incurred by the contesting candidates for various offices. The Commission is of the considered opinion that this exercise in bringing transparency in election expenditure will enhance the purity of elections and help in conduct of free and fair elections.

12. The final of return of election expenditure including the abstract shall be submitted by the contesting candidates to the District Election Authority through the MPDO within 45 days from the date of declaration of the results of the Office for which they had contested. The District Election Authority, shall make these returns public and take up follow up action in the manner in rule 101, 102 and 103 (1) of APPR (Conduct of Election) Rules, 2000.

13. The District Election Authority shall also take follow up action in respect of candidates who failed to lodge election expenditure accounts within the time and in the manner required by or under the APPR Act, 1994, as per the procedure envisaged in sub rules (2) and (7) of Rule 103 of APPR (Conduct of Election) Rules, 2000.

The election authorities relating to Mandal Praja Parishad & Zilla Praja Parishad and Gram Panchayat elections are directed to furnish a copy of these instructions to the contesting candidates under acknowledgement.
