INTRODUCTION

ORDINARY ELECTIONS TOURBAN LOCAL BODIES, 2020

The Ordinary elections to the 53 Municipalities in the State and 3 Municipal corporations of Nizamabad, Ramagundam and Karimnagar were held in the year 2014 and their term ended on 3.7.2019 and 5.7.2019 respectively.

The State Election Commission in order to comply with the mandate stipulated under Article 243 U (3) of the Constitution of India, the Commission has drawn attention of the State Government well in advance emphasizing the constitutional mandate that the ordinary elections to Urban Local Bodies in the state are required to be completed before expiry of their term. On 15.9.2018 the State Government was addressed informing the schedule of events and fixing the target dates to complete the delimitation of wards by 31.12.2018 and finalization of reservation by 28.3.2019. However, the State Government has not completed the process of Delimitation and Reservation of seats and offices in Municipal Bodies and not furnished reservation details to the Commission by the targeted date.

As a prelude for conduct elections, the Commission vide its Notification No. 1244/TSEC-ULBs/2019, dated:27.02.2019 ordered for publication of electoral rolls of 20 Municipalities and 03 Municipal corporations for which the term of elected bodies was due to expire on 03.7.2019 and 05.7.2019 respectively. Further the commission vide notification even no. dated 28.2.2019 ordered for publication of electoral rolls in respect of 55 Municipalities. (Out of 55 Municipalities 11 are existing whose term expired on 3.7.2019 and 44 are newly constituted). The State Government vide Letter No. 13031/MA-1/2018, dated:12.3.2019 while informing that they are contemplating to bring a new Municipalities Act, duly repealing the existing Telangana Municipalities Act, 1965 and requested the State Election Commission to extend the last date of publication of electoral rolls.

Left with no alternative, the SEC has withdrawn the Notification for preparation and publication of electoral rolls vide Letter No. 1244/TSEC-ULBs/2019, dated:14.3.2019 while reiterating the advice to the Government to complete their law making process expeditiously, so that elections can be held within the time

limit. Simultaneously a revised time schedule spanning over 75 days was also communicated to Government for adherence vide reference Lr.No 1244/TSEC-ULBs/2019, dated:04.05.2019. As no positive response received from the Government to this request, and the SEC as a last resort and in pursuance of the direction of Apex Court in Kishan Singh Tomar Vs Municipal Corporation of the City of Ahmedabad State Union case, filed W.P. No. 10570/2019 in the Telangana State High Court requesting for suitable direction to the Government for completion of delimitation and reservations. The Hon'ble High Court in their common order dated:25.6.2019 in WP No. 10570, WP No. 10978 of 2019 and W.P. No.11839 of 2019 directed that the government should complete preparatory works within 109+10 (leverage) days and the State Election Commission to conduct elections within 30 days from thereafter.

Subsequent to the above direction of Hon'ble High Court of Telangana, the Principal Secretary to Government, MA&UD Department informed the State Election Commission that the State Government having reviewed the situation decided to go ahead with elections under the existing Acts only. In line with this changed approach, the Government issued an Ordinance and then prescribed an abridged programme to finalize the delimitation process by 7.7.2019, and reservations by 14.7.2019.

The State Election Commission considering the fact that elections are going to be held under the existing Act and noting that delimitation is scheduled to be completed by 7.7.2019, has issued a Notification No. 1244/TSEC-ULBs/2019, dated:03.07.2019 to prepare and finalize the Municipal Electoral Rolls by 18.7.2019. Considering further inputs from the Government the schedule was revised in the Lr.No. 1244/TSEC-ULBs/2019-2, dated:06.07.2019 and Notification No.1244/TSEC-ULBs/2019-3, dated:14.7.2019 and finally the ward wise Municipal Electoral Rolls were published on 16.7.2019.

After the publication of ward wise Municipal Electoral Rolls on 16.7.2019, the Government have brought in a new Municipal Act. In the meanwhile, two Public Interest Litigation Petitions namely W.P (PIL) Nos. 84 and 87 of 2019 were filed in the Hon'ble High Court of Telangana questioning the procedure adopted by the Government for delimitation and division of the Municipalities into wards, and

subsequent publication of electoral rolls. On 22.10.2019 the Hon'ble High Court dismissed the above petitions. FurtherW.P.No. 14061 of 2019 and batch were disposed of by a common order on 29.11.2019., directing the respective Municipal Commissioners to receive objections from the petitioners within a period of one week from that day, and within one week thereafter, after giving opportunity of hearing the respective Municipal Commissioners shall consider the objections and rectify the defects in accordance with Rules.

The Government vide it's letter dated 23.12.2019 requested the Commission to decide the poll schedule so as to conduct elections at the earliest possible dates.

The State Election Commission issued notification in Ref. No.3038/TSEC-ULBs/2019 notifying the "election schedule" for conduct of ordinary elections to 120 Municipalities and 10 Municipal Corporations on 23.12.2019. By virtue of this notification the Model Code of Conduct has come into force with immediate effect. A Public Interest Litigation Petition No. 197 of 2019 was filed in the Hon'ble High Court questioning the validity of the above notification. The Ho'ble High Court on 07.01.2020 dismissed the said PIL observing that, the contention raised in the petition is untenable.

The state Government finalized the reservation of seats and offices of Municipal bodies and communicated them to the State Election Commission on.05.01.2020 The State Election Commission issued notification No.3038/TSEC-ULBs/2020, dated:07.01.2020 for conduct of ordinary elections to 120 Municipalities and 09 Municipal Corporations. The election to the Karimnagar Municipal Corporation was put on hold for rectifying the defects in electoral rolls as directed by the Hon'ble High court in W.P.No.28870of 2019. As the Hon'ble High Court in WA Nos.43 of 2020 set aside the above order, the Commission issued Notification on09.01.2020 for Karimnagar Municipal Corporation.

The poll was conducted in a single phase for 120 Municipalities and 09 Municipal Corporations in the entire state on 22.01.2020 using Ballot Boxes. In respect of Karimnagar Municipal Corporation poll was held on 24.01.2020. For all ULBs except Karimnagar Municipal Corporation, the results were declared on 25.01.2020 after completion of counting of votes. In respect of Karimnagar Municipal Corporation counting was held on 27.1.2020 and the results were declared

on the same day. There after Notification for filling the posts of Chairperson and Vice-Chairperson of the Municipalities and Mayor and Deputy Mayor of 09 Municipal Corporations was issued vide Notification No. 145/TSEC-ULBs/2020, dated:23.01.2020 by the SEC and accordingly the election for the posts of Chairperson and Vice-Chairperson of 120 Municipalities and Mayor and Deputy Mayor of 09 Municipal Corporations was conducted on 27.01.2020. The election to the Mayor and Deputy Mayor of Karimnagar Municipal Corporation was conducted on 29.01.2020.

With regard to Nereducherla Municipality in Suryapet District, after service of meeting notices to the members in form-II on 25.1.2020, the Municipal Commissioner issued proceedings on 26.1.2020 rejecting the option given by Dr. K.V.P Ramachandra Rao, Member of Parliament, (Rajya Sabha) for being the ex-officio member of Nereducherla Municipality. The Commission examined the matter and came to conclusion that the action of the Municipal Commissioner has no jurisdiction and legal basis. As the constitution invests election process with unparallel sanctity and even restrains judicial intervention in election matters, the State Election Commission by invoking its plenary powers had suspended the orders of the Municipal Commissioner, Nereducherla in reference no. 189/TSEC-ULBs/2020, dated:27.1.2020 and allowed Sri K.V.P. Ramachandra Rao to cast his vote. The Commission has also recommended the District Collector, Suryapet to place the Municipal Commissioner under suspension and also recommended the Chief Secretary to Government to take action against the Collector & DEA for not following instructions of the SEC. Accordingly, the Government kept Municipal Commissioner, Nereducherla under suspension and transferred the C&DEA, Suryapet district.

CHAPTER-II

COURT CASES

The Ordinary elections to 53 Municipalities in the State and 3 Municipal Corporations of Nizamabad, Ramagundam and Karimnagar were held in the year 2014 and their term ended on 3.7.2019 and 5.7.2019 respectively.

The State Election Commission in order to comply with the mandate stipulated under Article 243 U (3) of the Constitution of India, has drawn attention of the State Government well in advance emphasizing the constitutional mandate that the ordinary elections to Urban Local Bodies in the state are required to be completed before expiry of their term. Inspite of repeated requests to the Government by the TSEC to complete the pre-election process as per the schedule, there was no response. Hence the Telangana State Election Commission has filed a Writ Petition No.10570 of 2019 in the month of May, 2019 before Hon'ble High Court seeking a direction to the Government for taking necessary action for confirmation of delimitation of the wards and notification of reservations of seats to the Urban Local Bodies whose term expires on 02.07.2019, to enable the Commission to conduct elections to ULBs within stipulated time in terms of Article 243 U of Constitution of India.

Subsequently, WP Nos. 10978 and 11839 of 2019 were filed. WP Nos. 10978 of 2019 was filed by Telangana State Backward Classes Welfare Association with a plea for declaring the action of the Respondents in not taking steps to conduct the elections of the Municipal Corporations and Municipalities in the State of Telangana i.e., i) Not preparing the electoral rolls for Municipalities duly indicating the delimitation of Wards of Municipalities and Municipal Corporations by the Respondent No 1 and 2, ii) Not preparing and publishing ward wise electoral rolls by the Respondent No 3, iii) Not finalising the reservations by the Respondent No 1 and 2, iv) Not setting up of polling stations by the Respondent No 3 and v) Not conducting elections by the Respondent No 3 as illegal violative of Article 243U 3 of the Constitution of India violative of section 20 of the Telangana Municipalities Act 1964 and consequentially direct the Respondents to conduct the elections of the Municipal Corporations and Municipalities in the State of Telangana by following the

scheme of reservations in favour of the Backward Classes as per the provisions of the Telangana Municipalities Act 1965 and Telangana Municipal Corporation Act 1994.

WP 11839 of 2019 was filed by Sri K. Ganesh Chary with a plea to direct the Respondent Nos 1 to 3 not to conduct the elections to the Municipal Corporations and Municipalities in the State of Telangana without following the pre-election procedure of delimitation of Wards, preparation and publishing of Ward wise electoral rolls finalizing reservations in favour of SCs of STs and BCs as contemplated U/s 8 of the Telangana Municipalities Act 1965, setting up of polling stations and to conduct elections only as per the procedure contemplated under the Telangana Municipalities Act 1965 which may require a minimum of 100 days time.

The Hon'ble High Court in IA No.1 of 2019 in WP No.10570 of 2019 issued an order dated 29.05.2019 that, the Government shall take appropriate decision regarding finalization of delimitation of wards wherever necessary and finalize the reservations for the offices of ward members of the Municipalities/Municipal Corporations in the State of Telangana and communicate the same to the TSEC within 2 weeks from the date of receipt of the order.

Subsequently, the Hon'ble High Court in its common order dated 25.06.2019 in I.A No.1 of 2019 in WP Nos.10570, 10978 and 11839 of 2019 ordered that,

"…Since State Government has come forward by indicating the time limit of 109 days and the respondent State Government is directed to start the process of delimitation of wards forthwith and complete the entire exercise within 109 days as indicated in the table annexed to counter affidavit with maximum leverage of 10 days.

For the sake of convenience, the table is extracted hereunder.

Sl.No.	*Election Work*	*No. of days*
1	*Delimitation of wards in ULBs after fixation of strength*	*30*
2.	*Final Notification of delimitation*	*7*
3.	*Publication of ward wise electoral roll*	*30*
4.	*Identification of ST, SC, BC and Women voters. Now reduced to--*	*(60) 28*

5.	*Setting up of wards to various categories*	*7*
6.	*Reservation of wards in Municipalities/Reservation of Office of the Chairpersons*	*7*
	Total days required for pre-election work	*109*

At this stage, on behalf of the State Election Commission it is represented that, after the entire pre-election process is completed by the State Government, the State Election Commission requires about 30 days time to conduct the elections.

The State Election Commission is directed to ensure to complete the election process within 30 days after pre-election process is completed by the State Government. It is needless to observe that the provisions of law have to be strictly complied with bt the State Government as well as the State Election Commission."

In pursuance of the above direction of Hon'ble High Court of Telangana, the Principal Secretary to Government, MA&UD Department informed the State Election Commission that the State Government have decided to go ahead with elections under the existing Acts only. In line with this changed approach, the Government issued an Ordinance and then a specific programme to finalize the delimitation process by 7.7.2019, and reservations by 14.7.2019.

The State Election Commission considering the fact that elections are going to be held under the existing Act and noting that delimitation is scheduled to be completed by 7.7.2019, has issued a Notification No. 1244/TSEC-ULBs/2019, dated:03.07.2019 to prepare and finalize the Municipal Electoral Rolls by 18.7.2019. The schedule was revised in the Lr.No. 1244/TSEC-ULBs/2019-2, dated:06.07.2019 and Notification No.1244/TSEC-ULBs/2019-3, dated:14.7.2019 and finally the ward wise Municipal Electoral Rolls were published on 16.7.2019.

Meanwhile, since some persons were aggrieved by the delimitation of Wards, a large number of writ petitions (WP No. 14061 of 2019 and others) were filed before the Hon'ble High Court. The List of Writ Petitions enclosed as **Annexure-1**. The Hon'ble High Court granted stay on conducting elections in different Municipalities in the State.

WP(PIL)Nos. 84 and 87 of 2019 were also filed before the Hon'ble High Court. WP(PIL)Nos. 84 of 2019 was filed by Sri K. Anjukumar Reddy with a plea to declare

the Schedule for delimitation of municipality provided in GO RT No 459 dt: 29.06.2019 Schedule for publication of Ward wise Photo Electoral Rolls vide Notification No.1244/TSECULBs/2019, dated:03.07.2019 and the Schedule for identification of ST, SC, BC and Women Votes vide Letter Roc. No. 21755/2018H1, dt:19.06.2019 which was subsequently amended by Letter Roc No. 115524/2019HI, dt:05.07.2019 and the entire manner in which the pre-election process for Municipality Elections in the State of Telangana has been conducted as illegal arbitrary unconstitutional and ultravires the Telangana Municipalities Act and the Rules there under and set aside the same and consequently direct the Respondents to re-conduct the entire pre-election process in the manner as prescribed under the Telangana Municipalities Act and the Rules there under and the order of this Honble Court in WP No 10570/2019 dated:25.06.2019.

WP(PIL)Nos. 84 of 2019 was filed by Dr. S. Malla Reddy with a plea to declare the action of the respondent No 1 and 2 identifying the ST, SC, BC and Women voters without informing the representatives of the Political parties is illegal arbitrary violation of principals of natural justice and direct the 1st and 2nd respondent to conduct the identification of the SC ST BC and Women Voters along with the recognized Political party representatives and further direct the 2nd respondent to issue draft notification as per rule 12 of The Telangana Municipalities Reservation of Seats in Municipal Councils and Nagar Panchyats Rules 1995 enable the voters to give their views on the reservations and further direct the 3rd respondent not to issue Election notice under Rule 6 of The Telangana Municipalities Conduct of Election of Members Rules 2005 until further orders of the Hon'ble court.

The Hon'ble High Court in its common order dated:22.10.2019 has dismissed both the above WP(PIL)s 84 and 87 of 2019 passing that

"Undoubtedly, the time frame prescribed by the learned Single Judge is the maximum time permissible, and not the minimum time prescribed. Considering the fact that, according to Section 11 of the Telangana Municipalities Act, the electoral roll prepared for the Legislative Assembly would be available, the identification of the SC, ST, BC and Women voters would be an easy exercise. Moreover, with technological advancement, the identification of the voters can easily be carried out.

Most importantly, the learned counsel for the petitioners have failed to show a single case of misidentification, or non-identification of a SC, ST, BC or Woman voter before this Court. Therefore, their allegation that there may be cases of mis-identification, or non-identification is a vague allegation being made without any cogent evidence. Furthermore, a person who may have been mis-identified, or non-identified has not approached this Court. Therefore, the allegations made by the petitioners with regard to the possibility of misidentification, or non-identification are clearly unacceptable.

Coming to the preparation of electoral rolls, according to both the learned Additional Advocate General, and the learned Senior Advocate for the Election Commission, the notification dated 03-07-2019 has not even been implemented so far. For, the stage for preparation of the electoral rolls has not even been reached. Moreover, According to Section 11 of the Act, electoral rolls would be based on the electoral rolls which were prepared for the Legislative Assembly elections. Furthermore, since the electoral rolls can be finalized just prior to the issuance of the election calendar, and since the election calendar has not been issued by the Election Commission so far, the Election Commission has ample time to finalize the electoral rolls. Therefore, the challenge to the notification dated 03-07-2019 is highly misplaced.

For the reasons stated above, this Court does not find any merit in both the Writ Petitions. Therefore, they are dismissed."

The Hon'ble High Court while disposing off all the individual writ petitions filed against the delimitations of Wards in different ULBs in its common order dated 29.11.2019 in WP No.14061 of 2019 and batch, passed that,-

".....all the writ petitions are disposed off directing the respective Municipal Commissioners to receive objections from the petitioners in writing within a period of one week from today, and within one week thereafter, after giving opportunity of hearing, the respective Municipal Commissioners shall consider the said objections and take decision and action strictly in accordance with Rules, especially in terms of Rules 4, 5 and 8 of the Rules framed under G.O.Ms.No.78 dated 29.06.2019,

including its communication. And it is open for the petitioners to agitate their rights in accordance with law, if they are still aggrieved.

In view of the above consensus arrived at between the parties, the final notification dated 07.07.2019, is set aside and the writ petitions are accordingly allowed to the extent indicated above…."

The Government vide letter dated 23.12.2019 requested the Commission to decide the poll schedule so as to conduct elections at the earliest possible dates.

The State Election Commission issued notification in Ref. No.3038/TSEC-ULBs/2019, dated: 23.12.2019, notifying the "election schedule" for conduct of ordinary elections to 120 Municipalities and 10 Municipal Corporations.

After issue of election schedule notification by the Commission vide Notification No.1244/TSEC-ULBs/2019, dated 23.12.2019, aggrieved by the same, WP (PIL) No.197 of 2019 was filed before the Hon'ble High Court by Sri Nalarnada Uttam Kumar Reddy with a plea to declare the action of the TSEC in issuing the Notification No 3038/TSECULBs/2019 dated:23.12.2019 along with Election Schedule for the 1st ordinary elections to Municipalities and Municipal Corporations in the State of Telangana from 07.01.2020 without notification of reservations to the Scheduled Tribe, Scheduled Caste, Back Ward Class and Women in respect of 2727 Wards, in one twenty 120 Municipalities and 385 Wards in five 5 Municipal Corporations in Telangana State as bad, arbitrary illegal and unconstitutional and consequently direct the respondents to reschedule the Election Schedule notified in Notification No 3038/TSECULBs/ 2019 dated:23.12.2019 issued by the TSEC.

The Hon'ble High Court in its order dated:07.01.2020, while dismissing the above WP(PIL) 197 of 2019, passed that,-

"…Since the election notification is yet to be issued, as reflected in the impugned notification, the learned Senior Counsel for the petitioner is unjustified in claiming that the Rule 14 of the Rules had been violated. Admittedly, by 04.01.2020, the final list of Ward-wise SC, ST, BC and Women voters was to be completed. Moreover, the reservation of the Wards has been completed prior to 07.01.2020.

Therefore, the said contention raised by the learned Senior Counsel is clearly untenable.

For the reasons stated above, this Court does not find any merit in the writ petition, and it is, hereby, dismissed."

WP No.28716, 28870, 28974 & 28976 of 2019, which were also filed before hon'ble High Court during pre-election process, i.e, delimitation of wards with regard to Karimnagar Municipal Corporation were not disposed off in the common order dated 29.11.2019 in WP Nos. 14061 of 2019 and batch. The Hon'ble High Court in its orders dated 07.01.2020, in I. A. No.1 of 2018 in WP No. 28716, 28870, 28974 & 28976 of 2019 passed that,

"…Having regard to the serious infirmities noticed, the respondents are directed to rectify the mistakes in reflecting the voters belonging to Scheduled Tribes and Scheduled Castes in ward nos.24 and 25. If for any reason, such mistakes cannot be rectified, at this stage, the respondents are restrained from conducting elections to Ward nos.24, 25 and 3. It is clarified that conducting of elections to ward no.3 is stayed since if there is any change in over all voters representation belonging to SCs/STs in ward nos.24 and 25, there is a possibility of revision of reservations in these wards and in such cases Ward No.3 now reserved for schedule castes may also undergo change. Therefore conducting of elections to Ward Nos.24, 25 and 3 of Karimnagar Municipality have to be stayed unless the rectifications are carried out. It is accordingly stayed to that extent.

At this stage, Learned Additional Advocate General informed that the Division Bench has considered all the aspects and rendered judgment today in PIL No. 197 of 2019 including the core issues noted herein above. However, the order of the Division Bench is not made available. In view of the urgency, Court cannot differ passing of orders till Division Bench order is communicated. However, it is clarified that the directions issued in these Interlocutory Applications would be subject to the view expressed by the Division Bench in the said PIL on the issues on which these directions are issued. Accordingly, Interlocutory Applications are disposed off."

The State Election Commission issued notification No.3038/TSEC-ULBs/2020, dated:07.01.2020 for conduct of ordinary elections to 120 Municipalities and 09 Municipal Corporations. The election to the Karimnagar Municipal Corporation was put on hold, as directed by the Hon'ble High court in its orders dated 07.01.2020, in I. A. No.1 of 2018 in WP No. 28716, 28870, 28974 & 28976 of 2019.

The Government of Telangana in Municipal Administration and Urban Development Department has filed a Writ Appeal Nos. 39, 43, 44 & 45 of 2020 against the above orders of Hon'ble High Court, dated 07.01.2020.

The Division Bench of Hon'ble High Court in its common order dated 09.01.2020 in W.A. No.39, 43, 44 & 45, while allowing the Writ Appeals passed that,-

"…This Court, by order dated 07.01.2020, has already dismissed the said WP (PIL) No.197 of 2019, inter alia on the ground that the High Court should not interfere with the election. The said decision was based on catena of judgments of the Hon'ble Supreme Court, namely ***N.P.Ponnuswami v. Returning Officer, Namakkal Constituency, Namakkal, Salem District, Mohinder Singh Gill v. Chief Election Commissioner, Election Commission of India v. Ashok Kumar*** *and* ***Lakshmi Charan Sen v. A.K.M.Hassan Uzzaman****.*

Considering the said decision passed by this Court, the stay order granted by the learned Single Judge cannot continue to exist. Therefore, the appeals are allowed. The common order dated 07.01.2020 is hereby set aside…"

As the Hon'ble High Court set aside the stay orders issued by the single bench in its orders dated 07.01.2020, in I. A. No.1 of 2018 in WP No. 28716, 28870, 28974 & 28976 of 2019 in the above common order dated 09.01.2020 in W.A. No.39, 43, 44 & 45 of 2020, the Commission issued Notification on 09.01.2020 for conduct of elections to Karimnagar Municipal Corporation.

In elections to Municipalities and Municipal Corporations except GHMC, the Municipal Commissioner concerned is responsible for Setting up the Polling Stations and for publication of the list of Polling Stations. The Polling Stations are set up more or less at a permanent location covering well defined polling areas. Changes may become necessary only when there is an abnormal increase or decrease of electors in a particular polling area or when a building earlier chosen as Polling Station ceases to exist.

This time, the elections to Municipalities and Municipal Corporations are conducted with Ballot Boxes, and the strength of voters allotted to a polling station is fixed at a maximum of 800.

The Municipal Commissioner concerned is entrusted with the work of identification of Polling Stations, preparation of list of Polling Stations, publication of draft list of polling stations, Disposal of objections filed if any and Publication of final list of polling stations for Ward(s) of Municipalities and Municipal Corporations with the approval of the Collector & District Election Authority. In ward where there were two or more polling stations, they were, as far as possible, located in the same building or compound.

Instructions were issued that, in the areas predominated by weaker sections, polling stations shall be located in the same locality to the extent feasible.

Detailed guidelines were issued on setting up of polling stations for conduct of elections to Ward Member of Municipalities and Municipal Corporations except GHMC in Circular No. 2834/TSEC-ULBs/2019-1, dated:28.11.2019 **(Annexure-32)**.

CHAPTER – XXVII

INNOVATIVE MEASURES

I. USE OF FACE RECOGNATION TECHNOLOGY FOR VOTER IDENTIFICATION ON PILOT BASIS

INTRODUCTION:

The IT & C department, Telangana Government has launched a mobile application called PLCs (Pensioner Life Certificate) though a Selfie in which pensioner has to enter his pension ID, name and take a selfie and upload. The uploaded Name, pension ID and Photo are compared with the details in the available Pension database and if matched, receipt is generated on the mobile.

The Managing Director, TSTS a solely owned PSU of Government of Telangana made a presentation of mobile application called PLCs (Pensioner Life Certificate) though a Selfie and it is appearing promising in preventing impersonation and identification of voters. It will be specifically relevant in Urban areas where anonymity reigns such as GHMC.

To curtail impersonations, the State Election Commission requested the Managing Director, TSTS to develop mobile application to authenticate voters at a polling booth using face recognition technologies. The process of identification and authentication of the Voter by applying the latest technologies of Artificial intelligence, deep learning etc., completely driven by the system with full Digital trail can help reduce impersonation cases significantly.

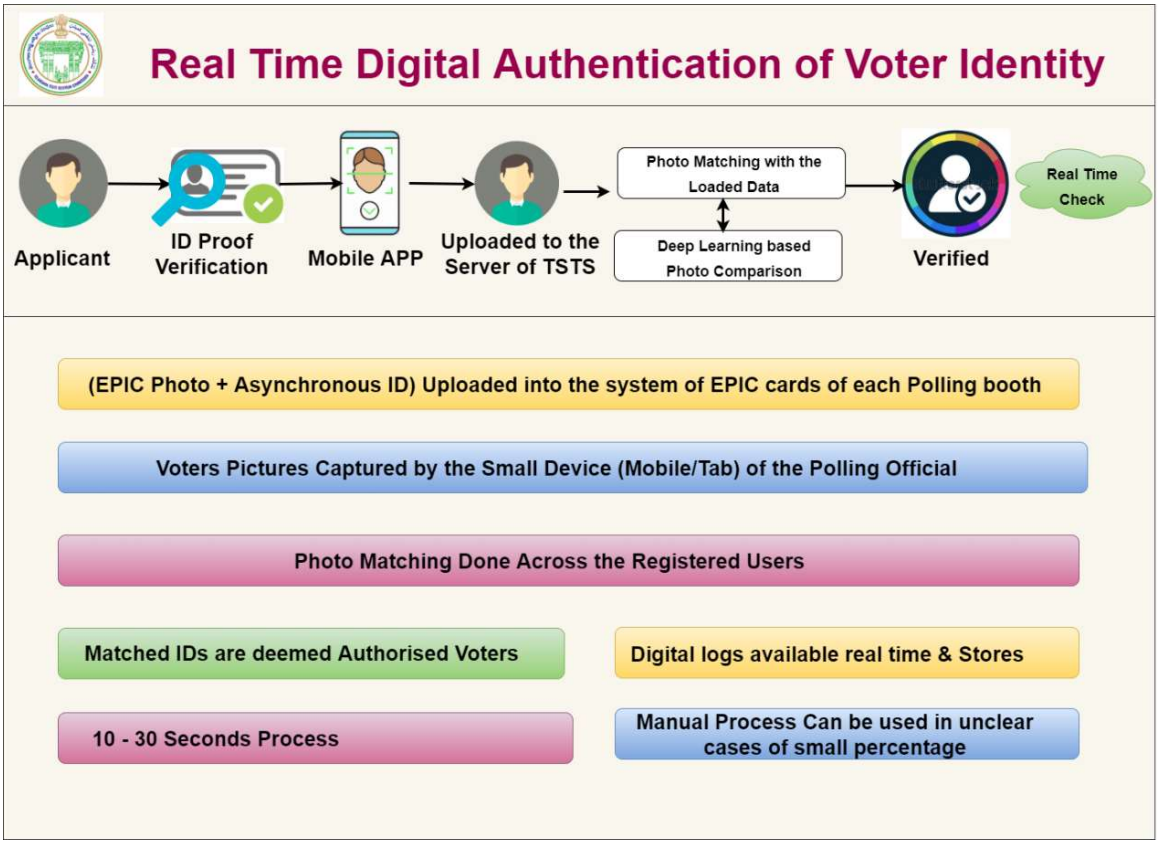

The Commission was proposed to implement in urban local bodies elections, 2020 on pilot basis for 10 polling stations of Kompally Municipality.

- On the day of poll, the first polling officer who is incharge of Marked copy of electoral roll also be responsible for identification of electors.
- The identity of voters is verified manually with specified identity documents without any trail for any feature examination. Even though the use of photo electoral rolls helped ease conduct of elections to a large extent, there are still

some difficulties experienced while comparing photographs found in the electoral rolls with the face of real people, on the day of elections.

- In addition, there is also an acute problem while identifying the pardanashin women.
- The intense rivalry between the candidates in the local bodies coupled with huge rush at peak hours often put tremendous strain on the first polling officer entrusted with the responsibility of identifying the voters.
- The problem of identification becomes even more challenging when encountered with the voters enumerated in ASD list.
- The State Election Commission has been receiving numerous complaints about impersonation by vested interests and inability of polling staff to prevent the same in spite of availability of photo electoral rolls.
- The State Election Commission has adopted the policy of zero tolerance to impersonation and scrutinizes thoroughly every case of tendered vote.
- As a result of which it is noticed that in all the polling stations where tender votes are registered, there was a violation in the voting procedure caused mainly by faulty identification of voters.
- Ultimately all the polling stations that recorded even one tendered vote went for re-polls, causing severe inconvenience to the voters in those polling stations.
- In this background, the proposal of TSTS which is using the facial recognition technology to validate the life/identity of the pensioners is considered an appropriate tool for adoption at the polling stations to bring objectivity to voter identification work.
- When matter stood so, the Telangana State Technology Services (TSTS) a solely owned PSU of Government of Telangana has offered to utilize a deep learning voter comparison (Facial Recognition) technology. However, this technology is proposed as an additional tool to validate the identity of the voter in addition to the existing procedures prescribed i.e. employing the 1st Polling Officer as identification officer, use of photo electoral rolls, insistence on a photo ID proof in addition to the personal scrutiny by the polling agents appointed by the contesting candidates.

- This technology is proposed to be used in selected 10 polling stations viz. 13,15, 16,21,22,23,24,27, 31 & 32 of Kompally Municipality of Medchal Malkajgiri district on pilot basis. The normal duties of polling personnel will be intact and there is no deviation because of implementation of face recognition application in the polling station.
- The Mobile APP helps in identifying / confirming the voter based on the photograph taken by the additional polling officer kept incharge of mobile phone. This additional polling officer first verifies the identity proof of the voters and then takes photograph and this photograph is uploaded to the server of TSTS. The TSTS at the back end compared this uploaded picture of the voter with the digitized photographs of the voters in the photo electoral roll of the concerned polling station and in case of a match, then it would give a return signal stating that it is a 'valid voter'.
- This system is not in lieu of the existing identification system comprising of identification (First) polling officer, photo electoral rolls, insistence of EPIC/alternate ID document, subjective satisfaction of the polling agents, but an additional aid, that too employed in only 10 selected polling stations on a pilot basis.
- A negative return from this pilot exercise shall not be a sufficient ground to deny voting rights to any voter and it needs to be corroborated by the existing identification systems if that has to be imposed.
- Entire transmission process is properly encrypted and the IDs are anonymized i.e. it is a type of information sanitization whose intent is privacy protection. It is the process of either encrypting or removing personally identifiable information from data sets, so that the people whom the data describe remain anonymous. The input files (encrypted live photo data) are deleted immediately after the purpose is fulfilled.
- The flow chart of the voter verification system is shown in the below figure.

The pilot exercise was succeeded as 83% of voters were correctly identified by the software saving time and trouble for the polling staff. In three polling stations the success ratio is very less due poor lighting and network issues. Apart from that some of the voters on EPIC card very poor quality and improperly captured photos which have reduced the percentage of success.

2. PERMISSION FOR STAR CAMPAIGNERS :

New adoption of star campaigners concept in Local Bodies Elections to facilitate easy permission for meeting etc. The Election Commission can permit/accord star campaigners status to 20 persons in case of Recognized Political Parties registered with the TSEC and 5 persons in case of Un-Recognized registered Political Parties with the TSEC to campaign for their Party/Party candidates contesting from their Party in entire State.

The State Election Commission authorised the Director, Municipal Administration and Election Authority, Telangana, Hyderabad to issue vehicle permission to State Level Campaigners of recognized political parties registered with the SEC to campaigning only for electioneering. Since the notification was issued by SEC on 07.01.2020, the database of ECI available till 06.01.2020 midnight is taken and dumped in Te-poll software. It may be noted that the disposal of cases under RP Act, 1950 is crucial and their incorporation into the database prescribed by the ECI is another matter.

Hence, the EROs may be directed to provide attested lists of such inclusions, deletions and corrections to the ACERs approved till 07.01.2020 and not covered in the ECI data dumped on 07.01.2020 if any to the concerned Municipal Commissioners.

CIRCULAR

Cir.No.1191/TSEC-ULBs/2019 **Dated:21.02.2019**

Sub:- TSEC – Elections – Elections to Municipalities – Election Officer – Appointment of one Election Officer for every 3 wards - Appointment of Gazetted officer as Election Officer and also appointment of Assistant Election Officer by Election Authority – Furnishing of proposals indicating names of officers for appointment as Election Officers and Assistant Election Officer to C&DMA and Election Authority - Instructions – Issued.

***

According to sub-section (12) of Section 2 under definitions in Part-I preliminary of Telangana Municipalities Act, 1965, "Election Authority" means such officer or authority as may be appointed by the State Election Commission to exercise such powers and to perform such functions in connection with the conduct of elections to the Municipalities.

In terms of the above provision, in Notification No. 1049/TSEC-ULBs/2018-1, dated 10.12.2018, the State Election Commission appointed the Commissioner & Director of Municipal Administration as Election Authority to exercise such powers and to perform such functions specified in the said Act and the rules made there under in connection with the conduct of elections to all the Municipalities in the State.

According to Rule 3 (1) (d) in Chapter-I preliminary of Telangana Municipalities (conduct of Election of Member) Rules, 2005, "Election Officer" means the Municipal Commissioner or any person or officer authorized or appointed by the Election Authority to do any act or perform any function in connection with the conduct of elections under these rules.

According to sub-rule (4) of Rule 4 of Conduct of Elections Rules, 2005, the Election Authority may appoint one or more persons who shall be officer or officers of the local authority or the Government as Assistant Election Officer and they shall, subject to the control of the Election Officer be competent to perform all or any functions of the Election Officer, except the functions which relate the scrutiny of nominations, unless the Election Officer is unavoidably prevented from performing the said function.

The practice so far followed in all previous elections to Municipalities was that, the Commissioner of Municipality was appointed as Election Officer by the Election Authority (i.e., C&DMA) as Election Officer for conduct of elections to all wards of the Municipality from publication of election notice and receipt of nominations to till declaration of results.

The Commission observed that, it is difficult for one Election Officer for all wards to do all such statutory functions in connection with the conduct of elections.

In view of the above, the Commission decided, to appoint any gazetted officer of the local authority or the Government as Election Officer for every 3 wards.

The Municipal Commissioners as the Assistant District Election Authority shall supervise the entire election process in the Municipality and make necessary election /poll arrangements and other logistics.

Therefore, the Commissioners of Municipalities are directed to send proposals indicating names of gazetted officers and also names of officers through the Collector and District Election Authority to the Election Authority (i.e., C&DMA) for appointment as Election Officers or Assistant Election Officer as mentioned above in the following proforma.

Sl.No.	Name of the Gazetted officer and designation proposed for appointment as Election Officer	Details of Wards for which the name of officer is proposed for appointment as Election Officer	Names of the Officer and designation proposed for appointment as Assistant Election Officer	Details of Wards for which the name of officer is proposed for appointment as Assistant Election Officer

Ramagundam Municipal Corporations.

Sir,

Sub:- TSEC – Elections – Ordinary elections to Nizamabad, Karimnagar and Ramagundam Municipal Corporations – Appointment of ROs and AROs – Furnishing names of Officers for appointment as ROs and AROs – Reg.

***

I Wish to invite your attention to the provision of the Sections 25 and 26 of the Greater Hyderabad Municipal Corporation (GHMC) Act, 1955 read Section 14 of the Telangana Municipal Corporation Act, 1994, according to which the Commissioner, of the Municipal Corporation with the approval of the State Election Commissioner, has to designate or nominate one Returning officer and one or more Assistant Returning Officers respectively for each ward of the Municipal Corporation for conduct of elections. Under Section 29 of GHMC Act, 1955, the Returning Officers for each ward shall provide sufficient number of polling stations with the approval of the Commissioner of the Municipal Corporation.

The Commission will issue instructions for publication of polling station shortly.

Since, the Returning Officers and the Assistant Returning Officers have to play a vital role in conduct of elections to Municipal Corporations, care must be taken while appointing the ROs and AROs. As such, the names of suitable officers either level-II or level–I gazetted officers as ROs and officers from feeder posts to gazetted officers as AROs for each of the Wards may be proposed through respective Collectors and District Election Authorities.

I, therefore, request you to send names of suitable officers as mentioned above for appointment as Returning Officers and Assistant Retuning Officers for each Ward of Nizamabad, Karimanagar and Ramagundam Municipal Corporations by 05.07.2019 without fail.

I invite your attention to the reference cited, wherein, the commissioners of Nizamabad, Karimnagar and Ramagundam Municipal Corporations were requested to send names of gazette officers for appointment as Returning Officers and Assistant Returning Officers for each Ward of Nizamabad, Karimnagar, Ramagundam Municipal Corporations by 05.07.2019.

In the video conference held on 04.07.2019 by the State Election Commissioner with the C& DEAs and Commissioners of Municipal Corporations and Municipalities, the C & DEA, Karimnagar stated that, the wards in Karimnagar are relatively small and appointment of gazette officers as RO and ARO for each Ward would require a very large number of them and requested to accord permission for

appointment of one RO and one ARO for 2 to 3 wards instead of one RO and one ARO for each ward.

In view of the above, it is informed that, the Commission has no objection for appointment of one RO and one ARO for 2 to 3 wards instead of one RO and One ARO for each ward depending upon the number of voters and polling stations in a ward.

Cir. No.2834/TSEC-ULBs/2019-1 **Dated:28.11.2019**

Sub: TSEC – ELECTIONS – Elections to the Municipalities and Municipal Corporations except GHMC – **Setting-up of Polling Stations** for Election to Ward Members – Guidelines – Issued – Reg.

***

In elections to Municipalities and Municipal Corporations except GHMC, the Municipal Commissioner concerned is responsible for Setting up the Polling Stations and for publication of the list of Polling Stations. The Polling Stations are set up more or less at a permanent location covering well defined polling areas. Changes may become necessary only when there is an abnormal increase or decrease of electors in a particular polling area or when a building earlier chosen as Polling Station ceases to exist.

Where the elections to Municipalities and Municipal Corporations are conducted with Electronic Voting Machines (EVMs), the strength of voters allotted to a polling station is fixed at a maximum of 1200. In case of elections where ballot boxes are used, the voters' strength will be a maximum of 800 per Polling Station.

The Municipal Commissioner concerned is entrusted with the work of identification of Polling Stations, preparation of list of Polling Stations, publication of draft list of polling stations, Disposal of objections filed if any and Publication of final list of polling stations for Ward(s) of Municipalities and Municipal Corporations with the approval of the Collector & District Election Authority. Before publication of the draft list of polling stations, the Municipal Commissioner shall physically inspect the buildings proposed for Polling Stations.

The following detailed instructions are, hereby issued for setting up of Polling Stations for ordinary/casual elections to Member, Municipalities and Municipal Corporations.

2-1. DETERMINATION OF POLLING STATIONS:

a. The list of polling stations shall be prepared and published based on the strength of voters in the Electoral Rolls of the Ward concerned, so prepared by adopting the latest Assembly Electoral Rolls and published on the date specified by the State Election Commission.

b. The optimum number of Polling Stations to be set up in a Ward where EVMs are used should be determined by dividing the total number of voters in a Ward by 1200. Hence, the maximum number of voters allotted to each polling station in such an election should be 1200 with marginal adjustments.

i. When the number of voters in a Ward exceeds 1200, separate polling station should be set up, as far as possible, in the same building.

ii. Polling Station may be set up in colonies predominantly inhabited by the Schedule Castes and weaker sections of the society even though the number of voters is less than 1200.

c. The optimum number of Polling Stations to be set up in a Ward where elections are held using Ballot boxes, shall be determined by dividing the total number of voters in a Ward by 800. Hence, the maximum number of voters allotted to each polling station should be 800 with marginal adjustments.

i. When the number of voters in a Ward exceeds 800, separate polling station should be set up, as far as possible, in the same building.

ii. Polling Station may be set up in colonies predominantly inhabited by the Schedule Castes and weaker sections of the society even though the number of voters is less than 800.

2.2. As far as practicable, the polling station should normally be located within the Ward and have a minimum area of 20 sq. meters so that there is no congestion inside the polling station.

2.3. Select a hall/room which is well lit and is having two openings, as far as practicable, so that one can be used as 'entrance' and the other as 'exit' for the smooth and orderly conduct of poll.

The following are the main steps involved in setting up of Polling Stations:

I. Preparation of draft list of Polling Stations for the Municipalities and Municipal Corporations in **Annexure- I-A** by the Municipal Commissioner concerned accompanied by Map duly indicating the Wards, Polling Stations in each ward & Polling areas of each polling station and Check List in **Annexure –II &** Scrutiny Sheet in **Annexure –III** and submit to the Collector & District Election Authority for approval.

II. Once approved by the Collector & District Election Authority, the Municipal Commissioners will publish draft polling stations list approved by Collector & District Election Authority, in the format of **Annexure-I-B** at the places specified inviting the objections & suggestions.

III. Convening the meeting with representatives of all political parties, Members(s) of Legislative Assembly House of Parliament having jurisdiction

over that Municipality / Municipal Corporation by the concerned Municipal Commissioner to discuss on draft polling stations; published in **Annexure –I (B)** inviting suggestions & Objections if any.

IV. The Municipal Commissioner will dispose of all suggestions & objections and prepare final list in **Annexure –IV-A** andthensubmit to the Collector and District Election Authority along with **Annexure-V** certificate.

V. The Collector and District Election Authority shall scrutinize the proposal of final polling stations received from the Municipal Commissioners in **Annexure-IV (B);** approve & communicate to the Concerned Municipal Commissioners alongwith proceedings in **Annexure – VI.**

VI. The Municipal Commissioner will publish the final list of polling stations pertaining to his Municipality / Municipal Corporation in **Annexure-IV (B)** as approved by the Collector & District Election Authority along with notice in **Annexure-VII.**

3. LOCATION OF POLLING STATIONS:

The demarcation of polling area should be clearly defined. The particular areas of a Ward covered by the Polling Stations and the number of voters in it should be shown in the respective columns against each polling station. The map of a Municipal Area showing polling stations should be prepared and converted into digital form, if possible. By a clear description of the polling area, such as H. No: 1-1 to 1-128, Kummari veedhi; H. No; 4-12 to 4-128 Main Road: H. No: 6-12 to 6-212 Harijana Wada; etc so as to make it possible for an ordinary voter to identify his/her polling station. In order to ensure that a uniform method is followed in the matter of filling up the columns of the format in **Annexure – II,**

The following instructions should be kept in mind-

a. The actual site of each Polling Station should be chosen carefully in advance and arrangement for such structures, fittings, etc., as may have to be set up in order to make the polling station satisfy the functional requirements, should be made at least three days before the day of Poll.

b. To the extent practicable, Polling Stations should be located at the same place/ building where it was located in the last Ordinary Elections, so that the voters could go and cast their votes always at the same Polling Station and not at different Polling Stations for different elections.

c. Polling Stations should be set up in such a manner that ordinarily no voter is required to travel more than one Kilometer for casting his vote.

d. If the polling station is for both men and women, there should be separate queues for men and women. The old, infirm, pregnant women, lactative mothers and differently abled persons should be allowed to enter the polling station without having to stand in the queue.

e. All polling areas within the Ward should be covered by one or the other polling stations.

f. As far as possible, polling stations should be located in schools (Government or aided) and other Government or semi-Government institutions such as Municipal Ward Offices and Community Halls as the furniture and equipment required would be available there and could be made use of without any extra expenditure to the Municipality / Municipal Corporation. The location of polling stations in private buildings or premises should be avoided. But where this becomes unavoidable, the buildings should be properly secured with the written consent of the owner. The private building so obtained should be at the disposal of the Returning Officer for the period required for the poll. The building and the area around it up to a radius of one hundred meters should be under the control of the Presiding Officer. No watch and ward or other personnel connected with the owner, whether armed or unarmed, should be allowed to remain either at the polling station or within a radius of hundred meters around it. The security arrangement at the polling station and within the above area will be the responsibility of the State Police under the control of the Presiding Officer. It should be ensured that the owner of the private building in which polling station is located is not a contesting candidate or a known sympathizer or worker of any of the political party.

g. No polling station should be located in Police Stations, Hospitals, and places having religious significance.

h. All the polling stations shall be setup in ground floor only to avoid inconvenience to old aged persons and disabled persons.

i. In case no suitable buildings of the Government or private are available, the polling station can be located in temporary structure as a last resort, but, as far as possible, this should be avoided as it involves considerable expenditure and is also open to other risks like natural calamities, fire etc.

4-1. SETTING UP OF POLLING STATION FOR VOTERS SUFFERING FROM LEPROSY:

If there is a leprosy sanatorium within the Area of the Municipality / Municipal Corporation, then a separate Polling Station may be set up for the inmates alone. The Officers, medical and other staff, working in the sanatorium, may be appointed as Presiding and Polling Officers of that Polling Station.

4-2. PROVISION OF POLLING STATIONS FOR VULNERABLE SECTIONS:

Identify the localities predominantly inhabited by vulnerable Sections and locate Polling Stations in these localities irrespective of the number of Electors. Welfare Associations or Voluntary Organizations championing the cause of such vulnerable Sections should also be associated in identifying such localities and locating the Polling Stations.

And Whereas, in Lr.Roc.No. Elections/3999/MBNR/2019, dated 23.01.2020 (received through E-Mail), the Collector and District Election Authority, Mahabubnagar District reported that, two tender votes were cast in Polling Station No. 198 of Ward No. 41 of Mahabubnagar Municipality. The tendered votes were cast by Muslim community women who came in last moment wearing burkha. Thought the polling staff requested them to unveil burkha, they argued and refused to do so stating that, it is against their religious custom. Due to number of voters waiting in the line in the last minute, they were allowed to cast vote merely based on the documents presented in support of their identification. Subsequently when real voters presented themselves for voting, the polling officials have issued them tendered votes.

Whereas, the report of the Collector and District Election Authority, Mahabubnagar District reveals the following grave irregularities in the conduct of poll process in the polling station of 198 of Ward No. 41 of Mahabubnagar Municipality:

1. There was impersonation in the polling station no. 198 of Ward No. 41 of facilitated by laxity in the identification of the voters with photo electoral rolls and voter ID cards/identification documents contrary to the clear instructions of the SEC issued in Order No. 2872/TSEC-ULBs/2019, dated 16.01.2019.

2. The polling agents did not object to the impersonation indicates either collusion among them or appointment of ineligible persons as polling agents.

And whereas, the State Election Commission, after careful examination of the matter and taking all material circumstances into account, concluded that grave irregularities took place in the poll process of polling station No. 198 of Ward No. 41 of Mahabubnagar Municipality and it comes under the scope of Sections 228(1)(c) and hence, declare the poll at the polling station number 198 of Ward No. 41 of Mahabubnagar Municipality as void under section 228(2)(a) of Telangana Municipalities Act, 2019. Consequently a fresh poll is to be taken at the polling station No. 198 of Ward No. 41 of Mahabubnagar Municipality.

Now, therefore, in exercise of the powers conferred under article 243 ZA of the Constitution of India and Sections 228(1)(c) and 228(2)(a) of Telangana Municipalities Act, 2019, the State Election Commission, hereby, declares the poll conducted in the polling station No. 198 of Ward No. 41 of Mahabubnagar Municipality in Mahabubnagar District on 22.01.2020 as void and directs that a fresh poll shall be conducted for the polling station No. 198 of Ward No. 41 of Mahabubnagar Municipality on 24.01.2020 from 7.00 A.M to 5.00 P.M duly following the procedure prescribed under Telangana Municipalities (Conduct of Elections) Rules, 2019.

In this election, indelible mark shall be applied on the middle finger of voter's left hand.

(BY ORDER AND IN THE NAME OF THE STATE ELECTION COMMISSIONER)

Secretary

TELANGANA STATE ELECTION COMMISSION

CIRCULAR

Cir.No.2869/TSEC-ULBs/2019 **Dated:26.11.2019**

Sub:- TSEC – Elections to Urban Local Bodies – Preparation of list of contesting candidates for the office of Member, Municipal Corporations and Municipalities including GHMC– Instructions – Issued – Reg.

***

Rule 9 (1) of Telangana Municipal Corporations (conduct of Election of Members), Rules, 2005 stipulates that, on the expiry of the time allowed for withdrawal of candidature, the Returning Officer shall prepare the list of contesting candidates in Form – XI for Greater Hyderabad Municipal Corporation and publish it on the notice board of his Office.

Rule 14 of Telangana Municipalities and Municipal Corporations (Conduct of Election of Members) Rules, 2019, stipulates that, on the expiry of the time allowed for withdrawal of candidature, the Returning Officer shall prepare the list of contesting candidates for Municipalities and Municipal Corporations other than GHMC in Form – VII and publish it on the notice board of the Municipal Office.

The following instructions are issued with regard to preparation and publication of list of contesting candidates:

1. (i) In case of Greater Hyderabad Municipal Corporation elections, the list of contesting candidates shall be prepared by the Returning Officer in Form – XI and publish it on his/her notice board.

   (ii) In case of Municipalities and Municipal Corporations other than GHMC, the list of contesting candidates shall be prepared by the Returning Officer in Form – VII and publish it on the notice board of the Municipal Office.
2. For the purpose of listing, the names of the candidates shall be classified into four categories as indicated below as Urban Local Body elections are conducted on party basis:
   (i) Candidates of Recognized National and State Political Parties registered with the State Election Commission.

(ii) Candidates of Political Parties registered with the State Election Commission with a reserved Symbol.

(iii) Candidates of Political Parties registered with the State Election Commission without a reserved Symbol.

(iv) All others as Independent candidates.

3. The names of the candidates in Form – XI in case of Greater Hyderabad Municipal Corporation and Form – VII in case of Municipalities and Municipal Corporations in each of above category shall be arranged with reference to name of the candidates in **Telugu alphabetical order** as written in the nomination paper of the candidates on the basis of first letter of their name irrespective of whether the name given is a proper name or surname. However the serial numbers of candidates of all the above four categories shall be given consecutively and not separately for each category.
4. If the proper name of a candidate precedes the surname, the first letter of the proper name shall be taken into consideration for the purpose of arranging name in the list of contesting candidates.

   Eg: If the name is written as సరోజఅత్తిలి; 'స' to be taken for arranging in **Form –XI/ Form – VII**.

5. Initials, if any prefixed to the name of the candidate shall be ignored for the purpose of arranging name in the list of contesting candidates.
6. If two candidates falling in the same category bear the same name but different initials, then two names should be arranged inter se with reference to the first letter of the initial.

   Eg:ఎ. వి. సుగుణ prevails over జి.యం. సుగుణ in **Form – XI / Form – VII**.

7. If two or more candidates falling in the same category bear the same name, surname /initials, they may be distinguished by adding the suffix "son of /daughter of/wife of …….or by addition of their occupation or residence or in some other manner" as may be appropriate. Name of the father/mother /husband can be obtained from the nomination paper. In such cases, the names of the candidates shall be arranged in the List of Contesting Candidates in the order in which their nominations were received by the Returning Officer. Therefore, suffixing the name of father /mother /husband would be convenient and it would provide uniformity and clarity.

Eg:ఎ. వి. సుగుణ W/o రమేష్ filed her nomination earlier thanడా. ఎ. వి. సుగుణW/oమహేష్. Hence, A.V. Suguna W/o Ramesh prevails over A.V. Suguna W/o Mahesh in **Form – XI / Form – VII**.

8. There will be no objection to the addition of any honorific, academic, hereditary professional or any other title to the name of a candidate but such title should on no account be taken into consideration in the arrangement of names in alphabetical order.

9. **It should be noted that, on the ballot paper, only the name of the candidates in same serial order as they appear in the list of contesting candidates in Form – XI/VII shall be printed. The distinguishing additions/suffix i.e., occupation/residence/son of/ daughter of/wife of etc., mentioned in para 7 above shall not be printed on the ballot paper. However, the addition of any honorific, academic, hereditary professional or any other title to the name of the candidate as mentioned in para 8 may be printed on the ballot paper.**

There is no need to print or affix symbol allotted to the contesting candidates in Form – XI/Form – VII. It is enough to mention symbol name in column 5 of said Forms.

The Indian Penal Code also provides for strong protections against electoral offences through Sections 171A, 171B & 171C.

Considering the letter and spirit of the Constitutional and statutory provisions and also considering the ground realities, the State Election Commission has notified the Model Code of Conduct with the object of providing level playing field to all the candidates and political parties. However, the provisions of this MCoC address mostly the concerns associated with the direct elections and it does not afford similar protection against the malpractices encountered during the indirect elections.

During the past indirect elections, it was often noticed that various political parties and other influential candidates organise "camps" by confining the elected representatives for extended periods of time ostensibly to protect them from being won over by the opponents. Camps typically involve housing in secret or unknown locations usually in luxurious settings. Organisation of such camps involve incurring of considerable expenditure and also employment of extra ordinary influence. Thus the indirect elections tend to afford undue opportunities to be monopolised by the rich and influential parties and persons. Party in power tends to enjoy additional advantage

because of its overt and covert influence over the Government machinery for doling out explicit and implicit favours/ disfavours through various departments and agencies.

Employment of all such illegal measures tend to distort healthy democratic functioning besides breaching the trust reposed by the voters in their representatives. It is not rare to see instances where newly elected representatives yield to such measures by voting against the whips issued by their respective parties, thereby foregoing their hard earned membership in the First meeting itself necessitating conduct of casual elections at great cost to the public exchequer.

Hence, with a view to rein in the illegal practices of bribing, exertion of undue influence etc., on the elected representatives, it is proposed to add a special section in the MCoC with the following specific measures.

1. The MCoC for indirect elections shall commence from the date of declaration of result of directly elected posts (Ordinary Elections) and shall extend till the completion of indirect election of the concerned local bodies.
2. Bribery as defined in TPR Act and Indian Penal Code is not to be resorted by any of the political parties, the elected members seeking offices such as President, Vice-President, MPPs, Chairperson, Vice-Chairperson, ZPPs, Chairperson/Vice-Chairperson, Municipalities, Mayor/Dy.Mayour of Municipal Corporations either directly or indirectly.
3. Ban on exertion of undue influence on the elected representatives for voting against the whips issued by their respective political parties during the indirect elections. Neither the political parties, nor any of their candidates involved in the indirect elections shall exert or attempt to exert any undue influence against any of the electors while exercising their electoral rights.
4. No political party nor any of the contesting candidates shall offer any post to the electors as an incentive for defying their party whip while exercising their voting rights.
5. The party in power or any of the functionaries of Government should not misuse or attempt to misuse their power covertly or overtly for extending incentives or disincentives while granting certificates, licences, work contracts or in disposal of pending cases, payment of pending bills, revision of contracts etc. Similarly the investigating agencies shall not resort to any partiality in registration of offences or framing charge sheets, enforcement of arrests, NBWs etc.
6. No political party or any candidate shall organise any camps with elected representatives either directly or indirectly.
7. There shall not be any canvassing, campaigning activity pertaining to the indirect elections to local bodies from 48 hours prior to the hour fixed for the conduct of such indirect elections to MPPs, ZPPs, Municipalities or Municipal Corporations. Such ban on canvassing, campaigning etc shall continue till the completion of the indirect elections to the concerned bodies.

Any violation of the above provisions of the MCoC shall invite suitable prosecution or / and action under relevant provisions of the Acts/rules concerned.

Sections 234 of TPR Act, 2018 or Section 226 of Municipalities Act, 2019 or Section 612 of GHMC Act, 1955 shall be invoked in appropriate cases.

X. Prosecution

1. The violation of these provisions is punishable under various laws.
2. The Election Authority, GHMC, District Election Authority, Deputy District Election Authority, Additional District Election Authority and the Police are authorized to initiate prosecution against violators of this Code before the Competent Criminal Courts under intimation to the State Election Commissioner.

I wish to state that, ordinary elections to Nizamabad, Karimnagar and Ramagundam Municipal Corporations and Municipalities, 2019will be notified shortly. The State Election Commission has already initiated steps for holding elections to said ULBs.

In the reference cited (copy enclosed), the Commission issued orders for Constitution of Flying Squads (FS) and Static Surveillance Team (SST) and Standard Operating Procedure to watch on movement of illicit liquor, items of bribe or large amount of cash arms and ammunition and also movement of anti-social elements.

As is the case with elections, the Law and Order problems frequently arise. As of now, the District Collector and few of the Revenue Officers alone are vested with the Magisterial powers. Unless Magisterial powers are conferred on an officer, preventive action by utilizing the provisions of section 144 Cr.P.C cannot be taken. It may be difficult for Revenue Officers to reach the spot in cases of emergencies during elections, in order to exercise the powers under section 144 Cr.P.C. The responsible Officers available on the spot on whom Magisterial power can be conferred under section 21 Cr.P.Care officers heading Static Surveillance Teams, Flying Squads and Zonal Officers in the ensuing elections to Nizamabad, Karimnagar and Ramagundam Municipal Corporations and Municipalities in the interest of maintaining peace during the Election period under section 21 of Code of Criminal Procedure, 1973 and they be authorised to exercise the powers of executive magistrate under section 37,44,103,129 & 144 of Code of criminal procedure, 1973.

Static Surveillance Team (SST): There shall be one or more Static Surveillance Teams (SST) in each Urban Local Body (ULB) with one magistrate and three or four police personnel in each team who shall be manning the check post in shifts, round the clock.

Zonal Officer: The Zonal Officer who will be on the move and will be monitoring the law and order situation on the day of Poll. The number of Zonal Officers to be appointed in a ULB will be depending on the number of routes in the ULB.

During the recent elections to Gram Panchayats held in January, 2019 and MPTCs and ZPTCs held in May, 2019, the Government issued orders conferring Magisterial powers on such Officers, a copy of the order issued for a district

(Adilabad)vide G.O.Rt.No.34, Law (LA, LA&J – Home-Courts-B) Department, dated 20.01.2019 is enclosed herewith. The same conferment is requiredfor the Nizamabad, Karimnagar and Ramagundam Municipal Corporations and Municipalities elections also.

The District Collectors are advised vide this office Lr.No.2459/TSEC-L/2019-3, dated:5.07.2019 to send proposals indicating the names of Zonal Officers, Officers heading the Flying Squads (FSs) and Static Surveillance Teams (SSTs) and the jurisdiction in which they will exercise the Magisterial powers directly to the Government in Home Department.

I therefore, request you to confer the magisterial powers on the Zonal Officers, Officers heading the Flying Squads (FSs) and Static Surveillance Teams (SSTs) to be appointed in the ensuing elections to Nizamabad, Karimnagar and Ramagundam Municipal Corporations and Municipalities as per the proposals submitted by the District Collectors.

Sub: TSEC –Elections - Elections to Urban Local Bodies - Implementation of Model Code of conduct – Action against violators – Statement showing the provisions of law relating to offences and corrupt practices in connection with elections to Urban Local Bodies – Issued.

***

The Model Code of Conduct (MCoC) is implemented from the date of issue of election Notification till the completion of election process, in order to maintain the purity of elections and to create a level playing field for all political parties and contesting candidates.

MCC is not a mere statement of good intentions but an order backed with legal provisions enabling the implementing authorities to initiate action against delinquents. A statement showing the various components of Model Code of Conduct vis-a-vis provisions of Greater Hyderabad Municipal Corporation Act, 1955, Telangana Municipalities Act, 2019, Indian Penal Code, 1860 and other enactments under which prosecution can be launched against the violators is enclosed as Annexure.

The Collectors and District Election Authorities, Commissioner and Election Authority, GHMC, Additional District Election Authorities, Returning Officers, Law Enforcement Authorities and Election Observersare requested to closely monitor compliance with the provisions of the Model Code of Conduct and wherever there is a violation, the Collectors and Superintendents/Commissioners of Police shall prosecute the violators under the relevant provisions of law. They need not obtain any specific permission of the State Election Commission for such prosecutions. Almost all violations can be brought within the scope of one or the other penal provision enacted in the Telangana Municipalities Act, 2019, GHMC Act, 1955, IPC or other specific enactments such as Prevention of Disfigurements of Open Places and Prohibition of obscene and objectionable posters and Advertisements Act, 1997 etc.

The Collectors and District Election Authorities, Commissioner and Election Authority, GHMC as well as the Superintendents/Commissionersof Police are therefore directed to enforce the various provisions of law in order to ensure complete compliance with the provisions of the Model Code of Conduct. The investigating and prosecuting authorities may be instructed suitably in this regard

and implementation of the appropriate provisions of law shall be ensured to maintain the purity of election process and to see that money and muscle power do not determine the poll outcome.

Model Code of Conduct has to be enforced impartially. Utmost care has to be taken to ensure that **the law enforcement machinery not only acts fairly but also is perceived to be acting fairly. The Commission will deal sternly with those law enforcement officials who are found implementing the Model Code of conduct in a selective or biased manner.**

The number and nature of cases booked in the district wise shall be intimated to the Commission through Fax/e.mail (**tsec.legal@gmail.com**) on a day to day basis from the date of issue of election notification, by the Superintendents/Commissioners of Police in the enclosed proforma under intimation to the Collector and District Election Authorities concerned.

Cir.No.2911/TSEC-ULBs/2019 **Dated:25.11.2019**

Sub: TSEC – Elections – Elections to Urban Local Bodies – Videography to record the critical events – Instructions – Issued - Reg.

***

In order to have a true and faith full record of the violations of the Election Law, Model Code of Conduct and other instructions issued by the Commission, it is decided to cover the critical events through videography during the process of electioneering, including, but not restricted to, Nominations, Scrutiny, Allocation of Symbols, the period of campaign, the day of poll, the receipt and storage of polled EVMs/Ballot Boxes, counting of votes and the declaration of the results.

2. It is decided that, video cameras shall be arranged to record critical events. In case of Municipal Corporations, each Returning Officer and each Zonal Officer shall be provided a video camera. In case of Municipalities, 2 or more (depending upon size of the Municipality) video cameras shall be provided to entire Municipality and 1 video camera each for Zonal Officer(s). In addition to this, the Election Observers appointed by the State Election Commission shall be provided with one video camera.

3. For this purpose, the District Election Authorities / Commissioner of the concerned ULB shall make use of video cameras and crew available with the governmental and semi-governmental organizations within their jurisdiction. In cases where such cameras in Government / Semi Government Organizations are not sufficient, then requisition local private professional videographers. While selecting the private videographers, care should be taken to select only trust worthy and professionally competent persons having no political bias or links.

4. Keeping in view the size of the Municipal Corporation/Municipality, previous history of election related violence and electoral malpractices, general law and order situation, likelihood of corrupt practices and electoral offences, the District Election Authority/Commissioner of respective ULB may increase the number of videographers as indicated above.

5. Guidelines for selection and deployment of videographers:-

i. The private videographers to be hired shall be screened thoroughly as to their professional competence, track record, political affiliations and other related factors.

ii. The videographers should not belong to any political party and should not be known sympathizers or supporters or close relatives of any of

the contesting candidates or any of the leaders of any political party or should not have been hired by any political party or contesting candidate.

iii. The Returning Officers are required to provide tea, snacks food etc, to the videographers and they shall not be left to fend for themselves while on duty. It shall be ensured that the videographers DO NOT accept the hospitality of any contesting candidate or political party or their workers.

iv. The videographers, so engaged, shall be given proper briefing to enable them to record an independent and purposeful coverage of critical events relating to violation of Election Law and Model Code of Conduct. Particularly, the videography should be used as a tool of document and check the veracity of the election expenditure account being maintained by the contesting candidates. Thus, important public meetings, particularly those addressed by VIPs, rallies organized by supporters of contesting candidates, vehicles used, Publicity materials displayed, Published or Telecast etc can be recorded in videography and information gathered can be used to cross check the correctness of the expenditure accounts being maintained by the contesting candidates.

v. Video teams should be under the personal supervision and guidance of a senior officer who has been designated for this purpose. There should also be a close rapport between the video teams and stationary / mobile squads monitoring the observance of Model Code of Conduct.

vi. As and when required, the video teams may be asked to accompany the Election Observers so that all critical events observed by them may also be videographed.

vii. The videographers shall be impressed that the principle behind the scheme is to record and videotape critical events only which are likely to vitiate the poll and not to just videotape all events in a routine manner in order to fill the cassette or CD.

viii. The CDs/Cassettes recorded shall be taken possession of by the Returning Officer from time to time to safeguard critical recordings.

6. It is suggested that following events shall invariably be videographed:

i. Meeting addressed/attended by Ministers, top National/State level leaders of recognized political parties & star campaigners.
ii. Riots or riotous situations or commissions of brick batting, free-for-all etc.
iii. Violent incidents, damaging of property, looting, arson brandishing of arms etc.
iv. Booth capturing.
v. Intimidation of voters.

vi. Open bribing of voters by distribution of cash, sarees, dhoties, blankets, Liquor etc.
vii. Canvassing within 100 meters of polling stations.
viii. Vulgar display of expenditure, like erecting huge cut-outs etc.

(Note:These are only illustrative and not exhaustive.)

7. The idea underlying the videography is to secure unimpeachable evidence in respect of acts amounting to violation of Model Code of Conduct that can be used by the police for prosecuting persons in respect of election offences. The videography may therefore be so utilized as to serve the above purpose in particular and other purposes in general.

8. The video films thus prepared shall be viewed by the District Election Authority/Commissioner of respective ULB or Officer Authorized by him promptly to identify whether any of the organizers / speakers or other participants of the public meeting has committed any violations or infractions of statutory provisions and directions of the Commission or Model Code of Conduct relating to the conduct of elections.

9. In cases where the Returning Officer himself or the District Election Authority/ Commissioner of Municipality/Municipal Commissioner is competent, immediate corrective action shall be taken and the State Election Commission be informed of the same.

10. In cases where the authorities provided with videography feel that any critical event so recorded needs to be brought to the notice of the State Election Commission, copy of the video tapes/CDs should be sent to the State Election Commission by the quickest means along with an explanatory note on the infringement towards which the attention of the State Election Commission is proposed to be invited.

11. All videographs produced in compliance with the instructions of State Election Commission, should be properly indexed and lodged with the District Election Authority/Commissioner, Municipality / Municipal Corporation concerned and shall form part of record of the such election and shall be preserved for a period of one year or till the end of any relevant enquiry, trial or disposal of election petition.

12. The District Election Authorities/ , Municipality / Municipal Corporation and the Returning Officers shall, where the events recorded in the videography amount to corrupt practices or other electoral offences under the Indian Penal Code and the GHMC Act, 1955 and TM Act, 2019 refer the same to the police and see that prosecutions are launched against the offenders immediately, as otherwise the huge expenditure incurred on videography will not serve any purpose.

13. The Election observers shall view the recordings closely for detecting any violations or breaches in the accounting of election expenditure by the candidates. They should ensure recording of clinching evidences in the shadow expenditure registers to be maintained by the Returning Officers/District Election Authorities/ Commissioner of the respective ULBs.

14. The District Election Authority/ the Commissioner of the respective Municipality / Municipal Corporation should arrange to compare the entries in Expenditure Accounts submitted with the documentary evidence recorded in shadow registers and videographes.

15. The District Election Authorities/ the Commissioner of the respective Municipality or Municipal Corporation as the case may be are requested to transmit these instructions to all the Returning Officers in their District and take steps for their strict compliance. The State Election Commission is of the considered view that videography is an important mechanism which, if carefully used, can help in curbing the incidents of breach to Model Code of Conduct, bribing and other electoral mal practices to a great extent.

The expenditure incurred on hiring video cameras shall be met from the election budget earmarked or released by the Government / C & DMA.

CIRCULAR

No.2916/TSEC-L/2019 **Dated:22.11.2019**

Sub:- Telangana State Election Commission - Elections to Local Bodies – Prevention of defacement of property and other campaign related items – revised instructions – Reg.

***

Private and public places are often disfigured during the election time by way of pasting election advertisements and wall-writings in violation of the Model Code of Conduct. Needless to mention the immense nuisance and damage caused to the property owners.

2. In order to prevent such disfigurement, the State Legislature had enacted Prevention of Disfigurement of Open Places and Prohibition of Obscene and Objectionable posters and Advertisements Act, 1997 (Act 28 of 1997).

3. Section 4 of the said Act makes the disfigurement of any public or private place an offence punishable with imprisonment which may extend upto 3 months or with fine which shall not be less than one thousand rupees but which may extend upto 2,000 rupees or with both. Abetment of such disfigurement is also made punishable under section 5 of that Act. Under section 6 thereof, the police officers are empowered to remove, erase, pull down and destroy objectionable advertisements.

4. The Commission decided to issue detailed instructions in this matter and other campaign related items in supersession of the earlier instructions issued in the circular No.629/TSEC-L/2018, dt:8.8.2018 for strict compliance by political parties, candidates, individuals and organizations etc. during the period of elections to Local Bodies. The crux of the instructions is to abide by the extant provisions in the prevailing law:

DEFACEMENT OF PUBLIC PLACES

5. (a) Wall writing, pasting of posters/papers or defacement in any other form, or erecting/displaying of cutouts, hoardings, banners flags etc. shall not be permitted on any Government premise (including civil structures therein). For this purpose a Government premise would include any Govt. office and the campus wherein the office building is situated.

(b) If the local law expressly permits or provides for writing of slogans, displaying posters, etc., or erecting cut-outs, hoardings, banners, political advertisement, etc., in any public place, (as against a Govt. premise) on payment or otherwise, this may be allowed strictly in accordance with the relevant provisions of the law and subject to Court orders, if any on this subject. It should be ensured that any such place is not dominated/monopolized by any particular party(ies) or candidate(s). All parties and candidates should be provided equal opportunity in this regard.

(c) If there is a specifically earmarked place provided for displaying advertisements in a public place, e.g. bill boards, hoardings etc. and if such space is already let out to any agency for further allocation to individual clients, the authorities of local bodies concerned, should ensure that all political parties and candidates get equitable opportunity to have access to such advertisement space for election related advertisements during the election period.

DEFACEMENT OF PRIVATE PLACES

6. (a) Whenever, temporary and easily removable advertisement materials, such as flags and banners are to be put up in private premises they should be with voluntary and express written permission of the occupant. The permission should be an act of free will and not extracted by any pressure or threat. Such banner or flag should not create any nuisance to others. Photo-copy of the voluntary permission in writing obtained in this connection should be submitted to the Returning Officer within 3 days of putting up the flags and banners in such cases in the manner prescribed in sub-para (c) below.

(b) If the local law does not expressly permit wall writing, pasting of posters, and similar other permanent/semi-permanent defacement which is not easily removable, the same shall not be resorted to under any circumstances, even on the pretext of having obtained the consent of the owner of the property. This will also apply in the states where there is no local law on the subject of prevention of defacement of property.

(c) In case of wall writings and pasting of posters and similar other permanent/semi-permanent defacement which is not easily removable, and putting up hoardings, banners, etc. on private premises with the owner's permission, the contesting candidates or the political parties concerned shall obtain prior written permission from the owner of the property and submit photocopies of the same within 3 days to the Returning Officer or an officer designated by him for the purpose, together with a statement in the enclosed proforma (marked as **Annexure**). The statement in such cases and in the cases mentioned in sub-para (a) above should clearly mention therein the name and address of the owner of the property from whom such permission has been obtained together with expenditure incurred or likely to be incurred for the purpose. Nothing inflammatory or likely to incite disaffection amongst communities shall be permissible in such writings/display. The expenditure incurred in this mode on specific campaign of candidate(s) shall be added to the election expenditure made by the candidate. Expenditure incurred on exclusive campaign for a party without indicating any candidate shall not be added to candidate’s expenditure. The contesting candidate shall furnish such information

village/locality/town-wise, to the Returning Officer, or the authorized officer within 3 days of obtaining the requisite permission, for easy checking by the Returning Officer or the Election Observer or any officer connected with the conduct of elections.

(d) Subject to any restrictions under any local law or any court orders in force, the political parties, candidates, their agents, workers and supporters may put up banners, buntings, flags, cut-outs, on their own property, provided they do so on their own volition, voluntarily and without any pressure from any party, organization or person, and provided further that these do not cause any inconvenience in any manner to anyone else. If such display of banners, flags etc. aims to solicit vote for any particular candidate, then the provisions of Section 171H of the IPC would be attracted and would have to be followed. No.1031/TSEC-L/2019 **Dated:07.02.2019**

ORDER

Sub:- TSEC - Elections to Rural and Urban Local Bodies - Use of Loudspeakers for election campaigns – Instructions issued- Reg.

***

All Political parties, contesting candidates and their workers, supporters and sympathizers use loudspeakers for their electioneering campaigns. These loudspeakers are not only used from fixed rostrums but are also mounted / fitted on vehicles like trucks, tempos, cars, taxis, vans, three wheeler scooters, cycle rickshaws, etc. These vehicles move on all roads, streets and lanes and also go around basties, mohallas, colonies and localities with the loudspeakers broadcasting at very high volume. This results in serious 'noise pollution' and causes great disturbance to the peace and tranquility of the general public. The student community, in particular, gets seriously disturbed as their studies are hampered because the loudspeakers start blaring from very early hours in the morning and continue to do so throughout the day and till extremely late hours in the night. The aged, the infirm and the sick whether in institutions, hospitals, etc. or at home are also put to severe discomfort.

2. The Commission is aware that the use of loudspeakers cannot be stopped altogether during the election period as the loudspeakers are one of the means of election propaganda and imparting information to public. But, at the same time, indiscriminate and unfettered use of loudspeaker at odd hours and at odd places at very high volumes which have the effect of disturbing peace and tranquility and causing annoyance to the general public, the sick, and the student community in particular cannot be permitted. Some reasonable restrictions are essential.

3. As per the schedule issued in the Noise Pollution (Regulation and Control) Rules, 2000, Ambient Air Quality Standards in respect of Noise is as follows:

,Area Code	Category of Area/Zone	Limits in dB(A) Leq	
		Day Time	Night Time
(A)	Industrial area	75	70
(B)	Commercial area	65	55
(C)	Residential area	55	45
(D)	Silence Zone	50	40

Note:- 1. Silence Zone is an area comprising not less than 100 metres around hospitals, educational institutions, courts, religious places or any other area which is declared as such by the competent authority.

2. Mixed categories of areas may be declared as one of the four above mentioned categories by the competent authority.

4. The Hon'ble Supreme Court of India passed an order inter alia prohibiting exceeding of the noise level at the boundary of public place, where loudspeaker or public address system or any other noise source is being used by 10 dB(A) above the ambient noise standards for the area or 75 dB(A) whichever is lower.

5. After considering all aspects of the matter, the Commission, in exercise of its powers conferred by Article 243K of the Constitution of India and all other powers enabling to it in this behalf hereby DIRECTS that the use of loudspeakers at all future elections to Panchayat Raj Bodies shall be strictly regulated as follows: -

(i) The use of loudspeakers, at public meetings and Road Shows shall be permitted only between 6.00 a.m. to 10.00 p.m. In all other cases, the use of loudspeakers shall be permitted only between 10.00 AM to 6.00 PM.

(ii) The noise level at the boundary of public place, where loudspeaker or public address system or any other noise source is being used shall not exceed 10 dB(A) above the ambient noise standards for the area or 75 dB(A) whichever is lower.

(iii) All loudspeaker being used beyond the hours as prescribed above, shall be confiscated along with all the apparatus connected with the use of these loudspeakers.

(iv) All political parties, contesting candidates and any other person using loudspeakers on moving vehicles including but not restricted to trucks, tempos, cars, taxis, vans, three wheeler, scooters, cycle rickshaws, etc. shall intimate the registration identification number of those vehicles to the authorities granting permission to use the loudspeakers and such registration identification numbers of the vehicles shall be indicated on the permits granted by the authorities concerned.

(v) If the rickshaw does not have any registration / permit for identification, the rickshaw driver may be given a permit in his personal name by Returning Officer which the rickshaw driver should carry on his person while using that rickshaw for election campaign purposes.

(vi) Any vehicle on which a loudspeaker is used without the said written permit shall be confiscated forthwith along with the loudspeaker and all the apparatus used along with it.

(vii) All political parties, contesting candidates and even any other person using a loudspeaker either on a moving vehicle or at a fixed place shall intimate:-

(1) the Returning Officer concerned, and

(2) local Police authorities, in writing, the full details of the permits obtained by them before using any of those loudspeakers. In the case of mobile loudspeakers, the registration / identification numbers of the vehicles shall also be registered by them with the Returning Officer concerned and the local Police authorities.

(viii) All political parties, contesting candidates shall obtain prior permission from the concerned local authorities to use loud speakers (public address system) at the public meetings convened by them as part of electioneering and road shows.

(ix) It shall be the responsibility of the local authorities granting permits for use of loudspeakers and the local Police authorities to strictly enforce that no loudspeaker is used by anyone in violation of any of the above directions.

(x) The political parties and candidates shall endeavour to see that no disturbance is caused in the areas adjacent to hospitals, educational institutions etc.

(xi) No loudspeakers fitted on vehicles of any kind or in any other manner whatsoever shall be permitted to be used within the polling area during the period of forty-eight hours prior to the hour fixed for conclusion of the poll in case of elections to the Mandal Parishads / ZillaParishads and Urban Local Bodies and forty-four hours prior to the hour fixed for conclusion of the poll in case of elections to gram panchayats. Even after the close of poll, proper law and order is required to be maintained till completion of election process after the declaration of result. Use of loudspeakers is generally regarded as source of public nuisance and can often give rise to tension in a politically surcharged atmosphere. The District Administration should, therefore, consider any application for permission to use loudspeakers on merit of each application and keeping in view the need to maintain proper law and order till the completion of election.

6. The above directions of the Commission, which will check noise pollution and disturbance of public peace and tranquility must be scrupulously implemented and strictly enforced by all election authorities concerned. Any violation thereof will be viewed by the Commission with grave concern and will invite severe disciplinary action against the defaulting officers.

7. A copy of this order shall be made available to local units of all recognised and registered party units in the district under acknowledgement.

The receipt of this letter should be acknowledged immediately.

Cir. No.2867/TSEC-ULBs/2019 **Dated:02.12.2019**

Sub: TSEC – Ordinary Elections to Urban Local Bodies-2019– Elections to the Ward Members where elections are conducted with Ballot Papers and Ballot Boxes – Counting of Votes – instructions issued – Reg.

***

Ordinary elections to Urban Local Bodies in the State are conducted on party basis. Counting of votes is one of the most important stages of the election procedure. The counting starts at 8.00 AM on the day notified by the State Election Commission.

Under the law, counting of votes is to be done by the Returning Officer in the presence of the candidates and their counting agents as per the schedule given by the state Election Commission. The law authorizes the Assistant Returning Officer also to undertake the counting of votes.

The following instructions are issued for the guidance of the Returning Officers–

1. LEGAL PROVISIONS:

Rule 51 of Telangana Municipal Corporations (Conduct of Election of Members) Rules, 2005 in case of GHMC and Rule 56 of Telangana Municipalities and Municipal Corporations (Conduct of Election of Members) Rules, 2019, in case of Municipalities and Municipal Corporations (other than GHMC) regulate the counting of ballot papers.

The Rule 49 of Telangana Municipal Corporations (Conduct of Election of Members) Rules, 2005 in case of GHMC and Rule 56(2) of Telangana Municipalities and Municipal Corporations (Conduct of Election of Members) Rules, 2019 in case of other Municipal Bodies, stipulate that, the postal ballot paper shall be counted first.

The Rule 51(1) of Telangana Municipal Corporations (Conduct of Election of Members) Rules, 2005 in case of GHMC and Rule 56(7), of Telangana Municipalities and Municipal Corporations (Conduct of Election of Members) Rules, 2019 in case of other Municipal bodies, stipulate that, subject to such general or special directions, if any, as may be given by the State Election Commission, the ballot papers taken out of all boxes used in all polling stations pertaining to a particular ward shall be mixed together, arranged in convenient bundles and then scrutinized.

2. DATE, PLACE AND TIME OF COUNTING:

The Returning Officer shall commence the counting at the appointed time as specified by the State Election Commission in its notification and as he/she has already specified in the Election notice issued under Section 35 of Greater Hyderabad Municipal Corporation Act, 1955 in case of GHMC and Rule 5 of Telangana Municipalities and Municipal Corporations (Conduct of Election of Members) Rules, 2019 in case of other Municipal bodies.

In case of adjournment of poll at any or some polling stations u/s 58,59,59A of GHMC Act, 1955, and in case of other Municipal bodies u/s 227, 228 & 229, the counting of votes shall not commence, till the adjourned poll/fresh poll is completed.

The place for the counting of votes of all wards in a Municipality or Municipal Corporation as the case may be shall be a place that has sufficient number of spacious halls and affords good security. It is desirable to complete the counting of votes latest by 5.00 P.M. The Commissioner of Municipal Corporation / Municipality should obtain the approval of Collector & District Election Authority for the selection of the counting centres well in advance.

Notice in writing to each candidate or his/her election agent about the date, place and time of counting at least one week before the date fixed for poll in the Ward of Municipal Corporation or Municipality as the case may be in Form as prescribed in hand book of Returning Officer shall be served.

In the case of change of place of counting also, obtain prior approval from the District Election Authority / Election Authority / Commission. The Returning Officer should give notice of every change in writing to each candidate or his/her election agent.

Generally each ward shall be provided with one counting table to complete the entire counting process before 5.00 P.M on the day of counting. If the wards are small (in terms of voters strength) then more than one ward could be counted on a single table. Only wards pertaining to a given Returning Officer alone can share a counting table. However, it is desirable that, this will ensue that a given counting table or group of them remain under the exclusive control of one Returning Officer. However, if the number of polling stations in a ward are more and sufficient No. of spacious counting halls are available, the District Election Authorities may increase the No. of Counting Tables for that particular ward of Municipal Corporations/Municipality. As a thumb rule, the following criteria can be considered by the Election Authorities:

S. No.	Average No. of Polling stations in a ward	Ratio between counting tables and wards
1	≤2	1:3
2	3 to 4	2:3
3	>5	1:1

3. ASSISTANCE AT COUNTING

The required staff for each counting table is one Counting Supervisor and two Counting Assistants. The District Collector shall make advance plan for appointment of counting staff accordingly and train them on counting of votes well in advance.

4. RECEIPT OF BALLOT BOXES, ETC., FROM PRESIDING OFFICERS:

i. The Returning Officer shall make necessary advance arrangements for receipt of ballot boxes and other election material from the Presiding/Polling Officers and for their safe custody. Soon after conclusion of the poll, the polling parties, escorted by the security forces shall reach the reception centre in the vehicle provided by the Returning Officer. They shall be stored as per instructions of Collector & District Election Authority concerned.

ii. While receiving the Presiding Officer's Diaries, the Returning Officer of ward concerned shall verify one by one and satisfy that the Presiding Officers have recorded their observations in the relevant columns of the diary and all the columns are filled properly. He/she should satisfy himself/herself that the poll went on peacefully and orderly. Then only the Returning Officer shall store the polled ballot boxes (Ward wise) in the strong room.

iii. Care should be taken to see that ballot boxes are stored ward wise and polling station wise and do not get mixed up. This is essential since the Ballot Paper Accounts have to be tallied polling station wise for each of the wards at the time of counting. To aid this, get the floor of the Strong room painted in a grid form indicating separate space for each of the Polling stations of a ward.

iv. Serial number of the Ward of the Municipal Corporation /Municipality and polling station number shall be noted on the ballot boxes to avoid confusion while keeping them in Strong Room.

5. STRONG ROOMS:

Instructions were already issued on identification of strong rooms and counting halls vide Circular No.2891/TSEC-ULBs/2019, dated:18.11.2019. While identifying suitable strong rooms and counting halls, instructions issued in this regard shall be adhered scrupulously. Besides this, at the time of depositing the polled Ballot Boxes, the contesting candidates, their election agents/Polling agents can remain present and they can also affix their seals on the lock of strong room.

6. ARRAGEMENTS TO BE MADE AT COUNTING CENTRE, COUNTING PROCEDURE AND DECLARATION OF RESULTS

6 (1). ARRAGEMENTS TO BE MADE AT COUNTING CENTRE:

i. Please read the Rules 49 to 59 of Telangana Municipal Corporations (Conduct of Election of Members) Rules, 2005 in case of GHMC, and Rules 56 to 66 of the Telangana Municipalities and Municipal Corporations (Conduct of Election of Members) Rules, 2019 in case of other Municipal Bodies thoroughly. Also the relevant Chapters in the Hand Book for Returning Officer (where Ballot Boxes are used) for detailed guidelines.

ii. In case the number of wards and number of contesting candidates is more in the ULB and where one spacious counting hall to accommodate all the wards is

not available, the Municipal Commissioner concerned may, with the prior approval of the District Election Authority, arrange Returning Officer wise counting halls since there will be one Returning Officer for 2 to 3 wards. So that dispersal of counting agents can be made in such a manner as to avoid overcrowding in one counting hall. Such Returning Officer wise additional counting halls shall be provided in the same premises.

iii. The counting of votes of all Wards of a Returning Officer shall be taken up in one hall only. However, if the number of polling stations and voter strength is higher or the number of contesting candidates is particularly large in a particular ward, additional counting halls may be arranged basing on the halls available in the premises with prior approval of the District Election Authority. Such counting should be arranged in side by side halls so that the Observer can keep an effective check at all such places of counting. The compilation, signing of final result sheet and declaration of results shall be performed by the Returning Officer only.

iv. The counting of votes of all polling stations of a particular ward shall be taken up at counting table(s) earmarked for that ward only.

v. The Assistant Returning Officer of the ward concerned shall assist Returning Officer in the counting process.

vi. The RO's table shall be in his counting hall itself. It should be a separate table with a demarcated area. Candidates and their Election Agents will also be seated at this table and watch the counting proceedings. The counting agent appointed at ROs table shall watch the process of postal ballot papers counting. Once the postal ballot paper counting is over, he shall leave the counting hall. The contesting candidates/ his election agents, seating at ROs table may be allowed to go to the counting tables where the counting is taking place for that ward without disturbing the counting process.

vii. Similarly, the table and the computer on which the computation and compilation of data from each table at the conclusion of a round is done shall be in the counting hall alongside the RO's table.

viii. In addition, there shall be a sufficiently large black board on which the candidates' names and round number will be pre-written (since the numbers of rounds (1000 votes for each round) is already planned).

ix. A layout of a model counting hall is given in the hand book of Returning Officer and also enclosed to this circular as Annexure - III.

x. Mobile phones shall not be used by candidates/ their election agents/counting agents in counting halls.

xi. The Counting staff are permitted to carry their mobiles, but shall keep them in Switch off mode.

xii. Sufficient lighting arrangements shall be made inside & outside of the Counting Centre.

xiii. In Circular No.2897/TSEC-ULBs/2019, dated:21.11.2019, illustrations on the method of determining the validity of ballots and vote preference are given.

xiv. The seating of the counting assistants shall be such that the scrutinising of Ballot Papers is clearly visible to the counting agents sitting outside the Iron

Mesh. At least 5 seconds time shall be spent on scrutinising each ballot paper so as to afford reasonable opportunity to the counting agents to object to any decision of the counting assistants on each of the Ballot Paper.

xv. After completion of counting of votes, the related election papers shall be sealed ward-wise properly taking utmost care.

xvi. It must be ensured that, results are declared and 'Certificates of Election' are issued to the elected candidates by the respective Returning Officer immediately after declaration of the Result.

xvii. In case of any fresh poll or adjournment of poll at any or some polling stations of any ward, as mentioned under **Sections 58,59,59-A of Greater Hyderabad Municipal Corporation Act, 1955 in case of GHMC and in case of other Municipal Bodies under Section 227,228 & 229 of** the Telangana Municipalities, Act, 2019, then the counting of votes in that ward shall not commence till the adjourned/ fresh poll is completed.

6 (2) COUNTING PROCEDURE:

A. COUNTING OF POSTAL BALLOT PAPERS:

Under Rule 49 of Telangana Municipal Corporations (Conduct of Election of Members) Rules, 2005, in case of GHMC and in case of other Municipal Bodies under Rule 56(2) of Telangana Municipalities and Municipal Corporations (Conduct of Election of Members) Rules, 2019, the Postal Ballot Papers of each ward are to be counted first, ward by ward at Returning Officers table. The Returning Officer should first deal with the postal ballot papers.

Covers in Form XXVIII, for GHMC, and Form – XVII in case of other Municipal Bodies, containing postal ballot papers and declarations received after the hour fixed for the commencement of the counting of votes should not be opened. They should be rejected and kept in a separate packet and sealed, noting thereon the detailed appropriately. All the Postal Ballot Paper covers received in time for the Municipal Corporation or Municipality as the case may be have to be sorted out ward-wise separately before proceeding for detailed counting. Then the Returning Officer concerned shall take up detailed counting of the Postal ballot papers ward wise as follows:

The covers in Form XXVIII for GHMC and Form XVII in case of other Municipal Bodies, received in time should be opened one after another. As each cover is opened, the Returning Officer should take out the envelope containing declaration in Form- XXVI for GHMC and Form – XV in case of other Municipal Bodies and scrutinize the declaration. If the declaration in Form XXVI & Form-XV as the case may be is not found in the cover or the declaration has not been duly signed and or not attested by an officer competent to do so or is otherwise substantially defective or if the serial number of ballot paper appearing in the declaration is different from the serial number on the cover in Form-XXVIII for GHMC and in case of other Municipal Bodies in Form XVII, the cover containing the postal ballot paper should not be opened and the ballot paper should be rejected. Each such rejected cover should be endorsed suitably by the Returning Officer and the declaration and the cover should be placed in the cover in Form-XXVIII in GHMC and in Form XVII in

case of other Municipal Bodies, the covers should be kept together in a separate packet duly sealed and full particulars such as the name of the ward, the date of counting and a brief description of contents should be noted thereon for easy identification. All the declarations in Form XXVI and Form XVIII as the case may be, which have been found to be in order should then be kept in separate packet in order to ensure that the secrecy of the postal ballot is kept inviolate. The packet should then be sealed noting thereon the particulars regarding the name of the Ward, the date of counting and brief description of the contents. This should be done before the cover B in form XXVIII in case of GHMC and Envelope in Form XVII in case of other Municipal Bodies containing the ballot papers are opened.

Thereafter the cover– B containing the ballot paper in Form-XXVIII in case of GHMC and Form XVII in case of other Municipal Bodies should be opened one after another and the validity of the ballot papers scrutinized and decisions arrived at. A postal ballot paper should be rejected for following reasons:

i. If no vote is recorded thereon; or
ii. If votes are given on it in favour of more candidates than one; or
iii. If it is a spurious ballot papers; or
iv. If it is so damaged or mutilated that its identity as a genuine ballot paper cannot be established; or
v. If it is not returned in the cover sent along with it to the elector by the Returning Officer; or
vi. If the mark indicating the vote is placed on the ballot paper in such a manner as to make it doubtful to which candidate the vote has been given; or
vii. If it bears any mark (other than the mark to record to vote) or writing by which the voter can be identified.

The valid votes should then be counted and each candidate credited with the votes given to him. The total number of postal votes received by each candidate should then be counted, entered in the Result Sheet in Form-XXX in case of GHMC and in case of other Municipal Bodies in Form-XXIV, and announced for the information of the candidates.

Thereafter, ward-wise all the valid ballot papers and all the rejected ballot papers should be separately bundled and kept together in a packed and sealed with Returning Officer seal and the seals of such of the candidates, their election agents or counting agents as may desire to affix their seals thereon. The particulars such as the name & number of the ward with the name of the Municipal Corporation/ Municipality, the date of counting and a brief description of the contents should be recorded on the sealed packet for identifying it. Postal Ballot Covers in Form-XXVIII in case of GHMC and in case of other Municipal Bodies in Form XVII received late should be sealed separately with endorsement on the top of the packet.

B. COUNTING OF REGULAR BALLOT PAPERS (VOTES) :

(1) Generally, the number of counting tables for Municipal Corporation /Municipality as the case may be is equivalent to number of wards or in any other particular ratio such as 2 counting tables for 3 wards etc., depending on the voter strength of the wards in that Municipal Corporation / Municipality Plus one table for each of the Returning Officers. However, when counting of more than one ward is done at one

counting table (sequentially) then in such a case, the counting of one ward should be completed fully and result declared before taking up the counting of another ward. Similarly when counting of three wards is taken up on 2 counting tables then also the counting should be in sequential order i.e., one ward after another. In other words the counting of first ward should be taken up on the two tables and only after full counting and declaration of result of that ward the counting of the next ward could commence at these two counting tables, so on and so forth.

(2) For each counting table, necessary barricading and Iron Mesh shall be arranged. If one hall is not sufficient to accommodate all the wards of given ULB then contiguous halls could be arranged to set the tables. In such a case the hall could be shared by two or more Returning officers. However, ensure that all the wards of any given RO should be within one hall where he/ she is seated.

(3) **Initial Counting**: **(i)** Under the system, the counting of votes of ward Member is done in two stages. In the first stage called initial counting, all the ballot papers in the ballot box or boxes used at a polling station are taken out and merely accounted without unfolding them, at the table earmarked for that ward. Then they will be aggregated into bundles of 25 ballots each separately. This number shall normally tally with the Ballot Paper Account in Part- I (as at Annexure-IV in case of GHMC and Annexure-I in case of other Municipal Bodies) of the Polling Station as recorded by the Presiding Officer concerned. If there is any variation, count once again and arrive the actual available number of ballot papers and the discrepancy if any shall be recorded in the part II of the ballot paper account.

(ii) At the time of the initial counting, all the ballot boxes used at the polling stations of that ward shall be brought to the counting table earmarked for that ward one polling station after another. The ballot papers, with the vertical fold intact, are made up into bundles of 25 for convenience of counting and each bundle is kept together by means of rubber bands tied at both ends. If at the end of the initial counting, the balance left over ballot papers in the box or boxes of the Polling Station are less than 25, then they are made into a separate bundle and kept apart in a separate tray noting the number on it. Enter the details of number of bundles with 25 ballots and bundle with less than 25, total and send it to drum incharge. All the bundles containing the full number of 25 ballot papers of that ward will be placed inside a drum or other receptacle by the drum incharge. The drum shall be kept near the respective Returning Officer's table. The above procedure will be followed in respect of ballot box or boxes used at every polling station of that ward. After the full bundles of ballot papers from all the ballot boxes used at all the polling stations within a ward have been placed in the drum or other receptacle, they will be mixed together ensuring that no ballot paper is damaged or spoiled in the process. The bundles containing less than 25 ballot papers of each ward will be made up into bundles of 25 ballot papers as far as possible and put inside the receptacle before mixing. The odd lot of remaining ballot papers i.e., less than 25, shall be kept separately noting

the number of ballots in the bundle on a slip of paper placed in such incomplete bundle. This process goes on serially one ward after another.

(4) Detailed Counting: (i) After the initial counting for the purpose of tallying Ballot Paper Account in respect of all polling stations in a ward has been completed and the bundles of ballot papers have been mixed as explained above, the second stage of counting i.e., detailed counting so as to scrutinise ballot papers for their validity or otherwise, sorting them out candidate-wise and counting them candidate-wise to ascertain the result, is taken up. In each round one thousand Ballot papers i.e., 40 bundles, each containing 25 ballot papers, will be taken at random from the drum or receptacle and sent for detailed counting to each of the concerned counting table earmarked for that ward. For sorting out candidate wise polled ballots and doubtful votes, big wooden trays having the compartments equal to number of contesting candidates including NOTA +1 for doubtful votes will be used at each counting table. There will be a separate compartment for NOTA, as if it is a separate candidate just like other contesting candidate.

(ii) At the counting table, the said 1,000 ballot papers contained in 40 bundles will be taken up for detailed scrutiny and sorting candidate-wise. The ballot papers contained in each bundle will be scrutinised for determining their validity or otherwise by examining the Ballot papers one by one. However, it should be noted that this is only tentative and preliminary assessment based on apparent judgment of the counting staff. The counting assistants and the counting supervisor shall be alive to the objections/suggestions of the counting agents while deciding the validity or choice of the voters as marked on the ballot paper. Each ballot paper should be shown to the counting agents for reasonable length of time (say 5 seconds) and intimated about its treatment in clear terms.

Candidate wise valid votes will be placed in their respective compartment of the wooden tray and all the bordering cases or doubtful votes will be placed in the doubtful votes compartment of the wooden tray in each round. Later, they have to be counted and made into bundles of 100 votes, each, and doubtful votes and votes polled to NOTA also to be bundled accordingly. Category wise balance votes if any after making into bundles of 100 to be made into separate bundle and note down the number on such bundles with the help of slip a of paper. After making candidate wise polled valid votes into bundles and doubtful votes bundles and votes polled to NOTA, the number of polled votes to each candidate and doubtful votes, have to be recorded in the counting sheet, duly signed by counting supervisor, make them into a big bundle with wrapper and sent to pigeon-hole in charge who will in turn send it to Returning Officer. The Returning Officer should personally verify the validity of every ballot paper and particularly those of doubtful category shall be decided by the Returning Officer only and his decision shall be final. It may be noted that the Returning Officer shall scrutinise every bundle before confirming their allocation candidate wise finally. All the decisions of counting staff thus, shall be subject to confirmation by Returning Officer.

(iii) The Returning Officer of ward concerned will scrutinize table-wise all the doubtful votes and decide if either they are in favour of any of the candidates including NOTA or to be rejected as invalid as per the rules. The additional votes decided candidate wise are added in the result sheet of that round, correct the figures of candidate wise polled valid votes and rejected votes, sign the sheet and send it to Result Sheet posting in charge and he will post the round wise candidate wise polled valid votes and rejected votes in the Result Sheet.

(iv) The above procedure for distribution of 1,000 ballot papers to each table and their scrutiny and sorting and counting candidate-wise, as explained above, will be repeated, till all the bundles of ballot papers in the drum or receptacle relating to that ward are distributed to the concerned counting table(s) and counted. The procedure will be repeated till all the ballot papers of that ward are counted round-wise at the counting table(s) and all the doubtful (round wise, table wise) ballots are decided by the Returning Officer concerned. The round wise, table wise polled votes and rejected votes are posted in the final Result Sheet by the incharge concerned.

Convention of taking of signatures of agents after every round may be continued.

(5) After completion of the detailed counting of the entire ward votes at the concerned counting tables and the doubtful votes are scrutinized and decided by the concerned Returning Officer, then only the final result sheet of that ward will be rechecked by the concerned Returning Officer. The Final result sheet will be signed and results declared at the end by the Returning Officer concerned after giving due opportunity for seeking a recount if any by any of the candidates or their agents.

Such procedure will continue for all wards in the Municipality/Municipal Corporation.

6 (3) DECLARATION OF RESULTS:

After obtaining the necessary approval of the observer, as required under law, to declare the result, the Returning Officer should complete and sign the Final Result Sheet. The candidate to whom the largest numbers of valid votes have been given should then be declared elected.

7. EQUALITY OF VOTES:

If two candidates contesting any seat happen to secure the highest number of votes and their votes are equal in number, the result will have to be declared by draw of lot.

Example - If in a ward A, B, C and D are the contesting candidates and the total number of votes they have secured is as follows:

A-12703
B-17567
C-17567
D-16394

A lot will be drawn between B and C who have each polled the highest number of votes and which are equal. The name of whichever of them is drawn will be declared elected. For the purpose five chits for each candidate (B & C) with equal size to be prepared for lot. This entire process shall be video graphed. Final Result Sheets in Form -XXX in case of GHMC and Form XXIV in case of other Municipal Bodies are enclosed, as Annexure-V and Annexure-II respectively.

8. RECOUNTING OF VOTES:

As per Rule 54 of Telangana Municipal Corporations (Conduct of Election of Members) Rules, 2005 in case of GHMC and Rule 60 of Telangana Municipalities and Municipal Corporations (Conduct of Election of Members) Rules, 2019 in case of other Municipal Bodies, after completion of the counting, the Returning Officer shall record in the result sheet in the prescribed Form the total number of votes polled by each candidate and announce the same.

After such announcement has been made, wait for two minutes if any candidate or in his absence, his election agent may request for recount. Allow him 15 minutes time to file application mentioning the grounds/reasons for recount request.

On such an application being made, the Returning Officer shall decide the matter and may allow the application in whole or in part or may reject it in toto, if it appears to him to be frivolous or unreasonable.

Every decision of the Returning Officer shall be in writing and contain the reasons therefor.

If the Returning Officer decides to allow a recount of the votes either wholly or in part, he shall: -

(a) do the re-counting by following the procedure as explained here in before;

(b) amend the result sheet to the extent necessary after such recount; and

(c) announce the amendments so made by him.

After the total number of votes polled by each candidate has been announced the Returning Officer shall complete and sign the result sheet in the prescribed Form.

Any candidate or his agent shall on application be supplied with a copy of theresult sheet in the prescribed form.

The diagram showing the counting hall arrangements is appended as Annexure – III for ready reference.

Instructions issued in this regard shall be followed scrupulously.

Guidelines for Micro-Observers

1. Observers have a very crucial role to play in the conduct of an independent, free and fair election. To strengthen the system of observation, the Commission has consciously decided to deploy Micro-Observer at the selected sensitive / hyper sensitive polling stations. These Micro-Observers would directly work under control and supervision of the General Observer.
2. For deployment as micro-observer, the Collectors & DEAs and in case of GHMC, the Commissioner & Election Authority, Greater Hyderabad Municipal Corporation shall obtain the list of employees of Central Govt., and Central Public Sector Undertaking in the State. In case sufficient number of employees of Central Govt., and Central Public Sector Undertaking are not available, Gazetted Officers of State Government and State Public Sector Undertakings may be utilized for this purpose.
3. The Collectors & DEAs in respect of Municipal Bodies and in respect of GHMC, the Commissioner & Election Authority, Greater Hyderabad Municipal Corporation shall prepare a list of critical polling stations under the supervision of the Observer concerned and in consultation with the Commissioners of Police / Superintendents of Police concerned, where these Micro Observers would be deployed. Such polling stations would be short-listed on the basis of various factors which contribute to the vulnerability of the poll process. Such factors, for example, domination of one social group over other, inaccessibility of the area, previous history of violence, etc. would have been taken into consideration while doing the vulnerability mapping. The list of such polling stations where Micro Observers are to be deployed shall be finally approved by the Observer and kept confidential in a sealed envelope till the last moment of deployment.
4. There shall be a nodal officer identified by the Collectors & DEAs in Municipal Bodies and in case of GHMC, the Commissioner & Election Authority, Greater Hyderabad Municipal Corporation for Micro-Observers to handle logistics and deployment related tasks of Micro-Observers in each Urban Local Body.
5. In multi-polling station buildings, each location shall have one micro-observer instead of one Micro Observer per polling station. The Micro Observer can oscillate between and visit the polling stations within the same campus at frequent intervals.
6. General Observers will be in close touch with them for their requirements of Micro-Observers relating to their wards.
7. Each Micro Observer shall be given a photo identity card by the Commissioner & Election Authority, Greater Hyderabad Municipal Corporation / District Election Authority / Returning Officer to ensure his access to the polling stations.
8. Observers will arrange and train their Micro Observers. The officer selected for the job of Micro-Observer may not be aware of different aspects of election process. Therefore, a basic training of election processes involved on the day of the poll shall have to be given to them. This should enable them to understand and observe the activities relating to election on the day of the poll. An illustrative training material for the Micro Observer is attached with this circular. Since the Micro Observer shall be reporting to the Observer alone, it will be the

responsibility of the Observers to ensure that they are trained properly on the relevant and crucial issues. The Commissioner & Election Authority, Greater Hyderabad Municipal Corporation / Collectors & DEAs / Returning Officers shall organize the training of these Micro Observers.

9. The required number of officers for deployment as Micro Observer would be picked up randomly from the list of all eligible Officers. Further the assigning of critical polling stations also will be done in random manner a day prior to the day of departure in the presence of the Observer and duly approved by him. However, the exact polling station/polling location would be given to them on the day of departure.
10. The Commissioner & Election Authority, Greater Hyderabad Municipal Corporation / Collectors & DEAs / Returning Officers should ensure that the Micro Observers are separately dropped to their destinations or may be with Zonal Officers. Micro-Observer should be provided with an Identity card, entry pass to his/her polling stations and such other requirements as may be necessary for discharge of duties as per the direction of the Commission.
11. On the day of poll, the Micro Observer should reach the polling station at least one hour before the commencement of the poll, i.e., at 6 O'clock in the morning.
12. Having reached the polling station, he/she should assess the preparedness for the poll. During the poll, he/she should regularly note down the important points on the pre-printed Proforma (a Proforma for this is appended). It is made absolutely clear that in no case, the Micro Observer will act as Presiding Officer or the Polling Officer. He/ She should work without actually getting involved in performing any act relating to the election process. His /Her task is to observe that election process is being carried out in a free and fair manner and there is no vitiation of any kind.

13. In the process of observation on the day of the poll, the Micro Observer should specially observe: -
    a. conduct of mock poll in the presence of polling agents; (where EVMs are used)

15. After the poll process is over, the Micro Observer will report to the General Observer in the format as enclosed as **Annexure-II** and hand over his envelope containing the report for the day personally to the Observer and brief him/her on anything of importance that had happened during the day.

I. Legal Provisions:

Section 617 B (1) of GHMC Act, 1955 (in respect of GHMC) and Section 235 (1) of Telangana Municipalities Act, 2019 (in respect of Municipalities and Municipal Corporations other than GHMC) stipulates that every candidate, at any election held under these Acts shall, either by himself/herself, or by his/her election agent, keep a separate and correct account of all expenses incurred in connection with the election, between the date on which the candidate concerned has been nominated, and the date of declaration of the result of the election, both dates inclusive.

Sub-Section (2) of Section 617 B of GHMC Act, 1955 and Sub-Section (2) of Section 235 of Telangana Municipalities Act, 2019 stipulates that the account of election expenses shall contain such particulars, as may by order, be specified by the State Election Commission.

Sub-Section (3) of Section 617 B of GHMC Act, 1955 and Sub-Section (3) of Section 235 of Telangana Municipalities Act, 2019 stipulates that the total of the said expenses shall not exceed such amount, as may by order, be specified by the State Election Commission.

Section 617 C of GHMC Act, 1955 and Section 236 of Telangana Municipalities Act, 2019, stipulates that

617-C. Lodging of account with the District Election Authority: Every contesting candidate at an election shall, within forty five days from the date of declaration of the result of the election, lodge with the District Election Authority, an account of his election expenses, which shall be a true copy of the account kept by him, or by his election agent, under Section 617-B.

236. Lodging of account with the District Election Authority: Every contesting candidate at an election shall, within forty five days from the date of declaration of the result of the election, lodge with the District Election Authority, an account of his

election expenses, which shall be a true copy of the account kept by him, or by his election agent, under section 235";

Under Section 20-B of GHMC Act, 1955 and paragraph 3 in schedule IV of Telangana Municipalities Act, 2019, the State Election Commission is empowered to disqualify a candidate from contesting election for a period of 3 years for failure to lodge an account of election expenses within the stipulated time and in the manner required under the said Acts and in case the candidate is elected, he is liable for cessation of office for such failure.

For the purpose of clarity, the explanations given under Section 617-B of GHMC Act, 1955 and Section 235 of Telangana Municipalities Act, 2019 for the election expenses are reproduced below.

Explanation-I:- 'Election expenses' for purpose of this Act shall mean all expenses in connection with the election,-

(a) incurred, or authorized by the contesting candidate, or by his election agent;
(b) incurred by any association, or body of persons, or by any individual, other than the candidate or his election agent, aimed at promoting or procuring the election of the candidate concerned; and
(c) incurred by any political party, by which the candidate is set up, so as to promote or procure his election:

Provided that any expenses incurred by any political party as part of its general propaganda, which is distinguishable from its election campaign, for the promotion or procuring the election of a particular candidate, by words, either written or spoken, or by signs or visible representations, or by audiovisual devises, or through print or electronic media or otherwise, shall not constitute 'election expenses' for purposes of this Act.

Explanation – II:- (1) For the removal of doubts, it is hereby declared that any expenses incurred in respect of any arrangements made, facilities provided or any other act or thing done by any person in the service of the Government and belonging to any of the classes mentioned in clause (9) of Section 17 of GHMC Act, 1955 and in clause (9) of section 205 of TM Act, 2019 in the discharge or purported discharge of his official duty as mentioned in the proviso to that clause shall not be deemed to be expenses in connection with the election incurred or authorized by a candidate or by his election agent for the purposes of this sub-section.

The SEC issued Notification in the reference cited (enclosed to this circular) prescribing the particulars and the formats according to which the election expenditure accounts shall be maintained by the contested candidates in the elections to Urban Local Bodies and true copies of the same are to be submitted to the District Election Authority through the Municipal Commissioner of concerned Municipal Corporation or Municipality, as the case may be, within 45 days from the date of declaration of the result.

In this regard the attention of all political parties and contesting candidates is, hereby, drawn to the provisions of section 171 of the Indian Penal Code which reads as follows:

"171 H. IPC **Illegal payments,in connection with an election:-**whoever, without the, general or special, authority in writing of a candidate, incurs or authorises expenses on account of the holding of any public meeting, or upon any advertisement, circular or publication, or in any other way whatsoever for the purpose of promoting or procuring the election of such candidate, shall be punished with fine which may extend to five hundred rupees:

Provided that if any person having incurred any such expenses not exceeding the amount of ten rupees without authority, obtains within ten days from the date on which such expenses were incurred the approval in writing of the candidate, he shall be deemed to have incurred such expenses with the authority of the candidate".

Thus, from the above provision of law, it may be noted that the expenditure incurred by the supporters in connection with election of a candidate, without the knowledge or consent of the contesting candidate, is a criminal offence under the above law and persons, supporters, political parties, body or associations are liable for prosecution. And if such expenditure has been incurred, **with the knowledge** or with the consent of the candidate, then the same should be included in the account of election expenses of the candidate.

II. Directions for Compliance:

1. In order to put effective curbs on the incurring or authorising of expenditure, in violation of the statutory provisions of the above-referred section 171 H of the Indian Penal Code and in the interests of free and fair elections, the State Election Commission, in exercise of its powers under Article 243 ZA of the Constitution, Section 617-B of GHMC Act, 1955 and Section 235 of Telangana Municipalities Act, 2019, hereby, directs as follows:

(i) No political party or any other association, body or individual, shall put up any cut-outs, hoardings, wall paintings, flags, banners, buntings, advertisements in newspapers, electronic media etc., without the general or special authority (in writing) of the candidate whose election is sought to be promoted by such cut-outs, hoardings, etc., as is statutorily and mandatorily required under Section 171 H of the Indian Penal Code. Strict penal action against those offending the above provisions of law shall be taken and prosecutions launched against them.

(ii) Subject to clause (iii) below, a political party or association or body may put up any cut-outs, hoarding, etc., referred in clause (i) above as part of its general propaganda, which is distinguishable from its election campaign for the promotion of the election of a particular candidate. For example if the poster, banner etc. appeals to the voter to vote for a party in words or picture or photo of party office bearers only then it is a case of general publicity. But if a poster, banner etc. also appeals to vote for a particular candidate in words or picture or photo then the cost thereof

should be counted towards the expenditure of that candidate. If there is more than one candidate promoted in the propaganda, then the expenditure shall be shared amongst them.

(iii) No political party, contesting candidate, association, body or individual shall put up any cut-outs, hoarding etc., either under clause (i) or under clause (ii) above, unless prior written permission of the concerned Government authorities or local authorities like Municipality and Municipal Corporation has been obtained under the relevant local laws before putting up such cut-outs, hoarding etc.

(iv) Before granting any permission as envisaged in clause (iii) above, the concerned Government authorities or the local authorities mentioned above shall thoroughly examine the applications of the parties, association, bodies or individuals with a view to satisfying themselves that the putting up of such cut-outs, hoardings etc., on the proposed site does not compromise the safety and security of the general public and does not result in traffic and other hazards in any manner whatsoever. Such authorities shall also examine whether any authorisation from a particular candidate is required by the applicant in terms of clause (i)&(ii) above and, if so, whether such authorisation has been obtained by the applicant.

(v) It shall be the responsibility of the Government authorities and local authorities mentioned above to ensure that no cut-outs, hoardings etc., are put up by any political party, association, body or individual on any highways, road-sides, traffic intersection and crossings, government buildings and property, like electricity and telephone poles, etc., without prior written permission of the concerned department or local body and the written authorization of the candidate, where required, as mentioned above. Any cut-out, hoardings, etc. which have been put up without the required permission and authorization should be got removed/demolished forthwith at the cost of the party, association, body or individual responsible for the unauthorised putting up of the same.

(vi) Penal action shall also be initiated forthwith against such defaulting parties, associations, bodies or individuals by the Enforcement authorities under section 171 H, IPC and sections 4 and 5 of "Telangana Prevention of Disfigurement of Open Places and Prohibition of Obscene and Objectionable posters and Advertisements Act, 1997 (Act 28 of 1997)" the provisions whereof have been violated by the putting up of such unauthorised cut-outs, hoardings etc.

(vii) If any such instances either come, or are brought, to the notice of the election expenditure observer, District Election Authorities, Returning Officers or other authorities concerned with the conduct of elections, including the Police authorities, they shall forthwith take up the matter for prompt action as directed in clauses (v) and (vi) above.

2. The Commission, hereby, warns all concerned that any violation of the above directions will be viewed seriously by the Commission and most stringent action possible under the law will be taken against the parties, associations, bodies or individuals responsible for such violations.

3. If any Officer is found to have failed to take prompt and expeditious action as envisaged above, he will render himself liable to strict disciplinary action for failure to discharge the official duty.

4. Concurrent monitoring during election campaign:

(i) The State Election Commission directs that for concurrent monitoring the "day to day basis" true account of expenditure in the Proforma should be submitted every day to the authorities designated by the State Election Commission by the candidate/election agent or by messenger personally or by post. These authorities shall see that the day to day accounts of expenditure submitted are published and to make them available to anybody who intends to verify them.

(ii) In connection with ordinary/casual elections to Municipal Bodies in the State, the Commission, hereby, designates the Returning Officers for the inspection and scrutiny of the day to day expenses submitted by the contesting candidates for the office of Ward Member of Municipalities / Municipal Corporations during campaign period.

The election expenditure observers will also undertake inspection and scrutiny of all the expenditure accounts constantly.

(iii) With a view to minimize the possibility of contesting candidates, their supporters, political parties, bodies or associations incurring expenditure in excess of the ceilings prescribed by the State Election Commission, it is felt necessary that the daily returns of expenditure should be made transparent by making them available to the public and the other contesting candidates, who, can help the Election Commission to effectively check the veracity of the returns with actual expenditure being incurred by the contesting candidates and their supporters. It is, therefore, decided that the designated officers should make photo copies of these returns and provide the same to other contesting candidates, any member of the public or Non-Governmental Organisation, on demand and on payment of xeroxing charges or a certified copy as per Section 76 of the Indian Evidence Act, 1872 and to the media, free of cost, so as to enable them to assist the Election Commission in effectively implementing the ceilings imposed on the expenditure to be incurred by the contesting candidates for various offices. The Commission is of the considered opinion that this exercise in bringing transparency in election expenditure will enhance the purity of elections and help in conduct of free and fair elections.

5. Final Expenditure Account:

The final return of election expenditure within the format and proforma prescribed in the notification cited shall be submitted by the contesting candidates through the Municipal Commissioner of concerned Municipal Corporation or Municipality, as the case may be, within 45 days from the date of declaration of the results of the Office for which they had contested. The Municipal Commissioner shall forward all returns received by him to the District Election Authority immediately on the expiry of forty-five days from the date of declaration of the results of elections. The Election Authority & Commissioner, GHMC and Collector

&District Election Authority shall make these returns public and take up follow up action as per rules 93, 94 and 95 of Telangana Municipal Corporation (Conduct of Election of Members) Rules, 2005 in case of GHMC and rules 103, 104 and 105 of Telangana Municipalities and Municipal Corporations (Conduct of Election of Members) Rules, 2019 in case of Municipalities and other Municipal Corporations.

The Collector & District Election Authority shall also take follow up action in respect of candidates who failed to lodge election expenditure accounts within the stipulated time and in the manner required by or under the GHMC Act, 1955 and Telangana Municipalities Act, 2019 as the case may be, as per the procedure envisaged in sub rules (2) and (8) of Rule 95 of Telangana Municipal Corporation (Conduct of Election of Members) Rules, 2005 in case of GHMC and in sub rules (2) and (7) of Rule 105 of Telangana Municipalities and Municipal Corporations (Conduct of Election of Members) Rules, 2019 in case of Municipalities and other Municipal Corporations. The report would be considered 'in the manner required' by or under the GHMC Act, 1955 and TM Act, 2019, as the case may be, only when

(i) The Expenditure Account should be complete and true. An expenditure report which does not contain all the expenditure incurred will be considered incomplete and untrue and would be acted upon as per the provisions of the Acts and Rules.

(ii) An expenditure Account that is in the format &Proforma prescribed by the SEC in Notification No.2822/TSEC-L/2019, dt:22.11.2019 (copy enclosed) will only be treated as being in the manner required by or under the GHMC Act, 1955 and TM Act, 2019, as the case may be. Any divergence from the format &proforma will be treated as non submission and suitable action initiated against the concerned.

As per the Schedule notified therein, the officer authorized by the District Collector will issue a notice of the date and hour of the meeting.

The following procedural instructions are issued with regard to holding of Special Meeting for conduct of elections to the said offices and other matters relating thereto.

I. GENERAL:

(a) Any reference to 'Act' in this circular shall be construed as a reference to the Telangana Municipalities Act, 2019 and any reference to 'Rules' in this circular shall be construed as reference to rules issued in G.O. Ms.No.18, MA & UD (MA) Dept., dated:16.01.2020.

(b) Only directly elected Ward Members are eligible to contest in election for the offices of Chairperson and Vice-Chairperson of Municipalities and Mayor and Deputy Mayor of Municipal Corporations, as the case may be.

(d) Reservations will be notified for the offices of Chairperson of Municipalities and Mayor of Municipal Corporations by the Government. Only such of those elected Ward Members from Ward Constituencies, who belong to that particular reserved category, shall be eligible to contest irrespective of the fact whether such candidates were elected from the Ward Constituency reserved for the said category or not. A clarification was issued in this matter in Circular No.980/TSEC-ULBs/2015, dated: 30.11.2015 is also enclosed.

(e) No canvassing or any efforts to influence the voting pattern shall be permitted inside the meeting hall.

(f) In the Special Meeting convened, in case of Municipality, the election of Chairperson and in case of Municipal Corporation, the election of Mayor shall be taken up first. If the election of Chairperson / Mayor is not completed, the election of Vice-Chairperson/ Deputy Mayor shall not be taken up. This arrangement will ensure that the office of Chairperson of Municipality & Mayor of Municipal Corporation, for which reservations apply, are filled up leaving little scope for vested interests to keep them vacant and continue Vice-Chairperson of Municipality & Deputy Mayor of Municipal Corporation as temporary Chairperson of Municipality and temporary Mayor of Municipal Corporation for unduly long periods defeating the very purpose of reservation policy.

II. Model Code of Conduct in elections to Indirectly elected offices of Urban Local Bodies.

The Chapter VI of Telangana Municipalities Act, 2019 make detailed provisions for ensuring free and fair elections to the Urban Local Bodies. In the said Chapter, enumerates various electoral offences. The Indian Penal Code also provides

for strong protections against electoral offences through Sections 171A, 171B & 171C.

Considering the letter and spirit of the Constitutional and statutory provisions and also considering the ground realities, the State Election Commission has notified the Model Code of Conduct with the object of providing level playing field to all the candidates and political parties. However, the provisions of this MCoC address mostly the concerns associated with the direct elections and it does not afford similar protection against the malpractices encountered during the indirect elections.

During the past indirect elections, it was often noticed that various political parties and other influential candidates organize "camps" by confining the elected representatives for extended periods of time ostensibly to protect them from being won over by the opponents. Camps typically involve housing in secret or unknown locations usually in luxurious settings. Organization of such camps involve incurring of considerable expenditure and also employment of extra ordinary influence. Thus the indirect elections tend to afford undue opportunities to be monopolized by the rich and influential parties and persons. Party in power tends to enjoy additional advantage because of its overt and covert influence over the Government machinery for doling out explicit and implicit favours/ disfavours through various departments and agencies.

Employment of all such illegal measures tend to distort healthy democratic functioning besides breaching the trust reposed by the voters in their representatives. It is not rare to see instances where newly elected representatives yield to such measures by voting against the whips issued by their respective parties, thereby foregoing their hard earned membership in the First meeting itself necessitating conduct of casual elections at great cost to the public exchequer.

Hence, with a view to rein in the illegal practices of bribing, exertion of undue influence etc., on the elected representatives, the following specific measures shall scrupulously be followed.

1. The MCoC for indirect elections shall commence from the date of declaration of result of directly elected posts (Ordinary Elections) and shall extend till the completion of indirect election of the concerned local bodies.
2. Bribery as defined in Telangana Municipalities Act and Indian Penal Code is not to be resorted by any of the political parties, the elected members seeking offices such as Chairperson/Vice-Chairperson of Municipalities and Mayor/ Dy.Mayor of Municipal Corporations either directly or indirectly.
3. Ban on exertion of undue influence on the elected representatives for voting against the whips issued by their respective political parties during the indirect elections. Neither the political parties, nor any of their candidates involved in the indirect elections shall exert or attempt to exert any undue influence against any of the electors while exercising their electoral rights.

4. No political party nor any of the contesting candidates shall offer any post to the electors as an incentive for defying their party whip while exercising their voting rights.

5. The party in power or any of the functionaries of Government should not misuse or attempt to misuse their power covertly or overtly for extending incentives or disincentives while granting certificates, licences, work contracts or in disposal of pending cases, payment of pending bills, revision of contracts etc. Similarly the investigating agencies shall not resort to any partiality in registration of offences or framing charge sheets, enforcement of arrests, NBWs etc.

6. No political party or any candidate shall organize any camps with elected representatives either directly or indirectly.

7. There shall not be any canvassing, campaigning activity pertaining to the indirect elections to local bodies from 48 hours prior to the hour fixed for the conduct of such indirect elections to Municipalities or Municipal Corporations. Such ban on canvassing, campaigning etc shall continue till the completion of the indirect elections to the concerned bodies.

Any violation of the above provisions of the MCoC shall invite suitable prosecution or / and action under relevant provisions of the Acts/rules concerned. Section 226 of Municipalities Act, 2019 shall be invoked in appropriate cases.

Prosecution

1. The violation of these provisions is punishable under various laws.

2. The Election Authority, District Election Authority, Deputy/Assistant District Election Authority, Additional District Election Authority and the Police are authorized to initiate prosecution against violators of this Code before the Competent Criminal Courts under intimation to the State Election Commissioner.

III. ISSUE OF WHIP BY RECOGNISED POLITICAL PARTIES:
