****

During last ordinary elections to Rural and Urban Local Bodies and Gram Panchayat Elections, 2019 held recently, Web Casting was under taken in sensitive, hypersensitive and critical Polling Stations which yielded good results.

The State Election Commission decided to undertake Web casting in MPTCs/ZPTCs elections 2019, especially in selective Polling Stations, which involves live-streaming of the proceedings at a polling station without violating the secrecy of voting by deploying technician with a laptop and required software, BSNL connection/ 3G Dongles, Web Camera, storage device (CD/DVD), spikes, etc.

Vide reference 2nd cited, the Commissioner Panchayat Raj & Rural Employment was already requested to engage suitable agency for live Webcasting & Recording of

poll events in selective critical/ hyper sensitive polling stations for MPTC/ZPTCs elections.

In this connection, you are requested to work out the feasibility of polling stations where the webcasting can be undertaken in MPTC/ZPTC elections, 2019. The following factors are to be weighed in assessing the feasibility for undertaking webcasting:-

1) Availability of IT Students having laptops in established Engineering MCA colleges located within district limits and in the surrounding Gram Panchayats is to be worked out. Willingness of the students (preferably male students) and also the college management to take up the assignment is to be obtained. College Management and the students to be deployed should not have any political leanings. The remuneration may be paid on par with ECI guidelines.

2) Identify the Polling Stations where webcasting can be undertaken. This is to be examined with reference to feasibility of setting up temporary broadband connection/3G, power supply and power points, etc.

3) The Chief Electoral Officer has permitted to use Web Cameras along with data cards, spikes, dangles & other peripherals Procured and used by ECI in conduct of General Elections 2019 vide reference 3rd cited (Copy Enclosed).

4) A team consisting of the following officials / technicians may be constituted to check up each polling station.

    a. Booth Level Officer
    b. Local Panchayat Secretary/ Village Assistant.
    c. Electricity Department Officials to check whether electricity connection with required sockets is available in the Polling Station.
    d. BSNL Official to check up the mode of internet connectivity any other service provider who provides the internet connectivity with 3G/4G Dongles.

2) Items required at the Polling station for undertaking webcasting:
    a. One table.
    b. One chair.
    c. Electric points / spike board / extension board
    d. 2-way gum stickers (10 per polling station)
3) Designated locations for live streaming
    a. State Election Commission.
    b. Election Authority and CPR & RE
    c. Office of the Collector & District Election Authority

In case where there is no Possible for Web Casting, other methods i.e. posting of Micro Observer, Videography etc., can be taken in those Polling Stations.

You are requested to take necessary action for Web casting for elections to MPTCs/ZPTCs, 2019 and also indicate the details of Polling Stations where webcasting is going to be undertaken to the State Election Commission and the Commissioner of Panchayat Raj & Election Authority, Hyderabad on or before 25.04.2019 in the following profarma:

In connection with the conduct of Ordinary elections to Mandal Praja Parishads and Zilla Praja Parishads during April/May, 2019, the Commission has requested to furnish the list of (36) IAS Officers for being appointed as Election Observers. Due to shortage of the IAS Officers, the Government has furnished limited number of officers and the Commission allotted more than one district to each observer to oversee the election process. The list of officers appointed as General Observers is enclosed as Annexure.

The State Election Commission is conducting the Indirect Elections on 07.06.2019 for Member (Co-opted), President and Vice-President of Mandal Praja Parishads and on 8.06.2019 for Member (Co-opted), Chairperson & Vice-Chairperson of Zilla Praja Parishads vide reference 4th and 5th cited.

General Observers are required to observe the indirect elections proceedings of Member (Co-opted), Chairperson and Vice- Chairperson of in every Zilla Praja

Parishad and that elections are conducted on the same day and time in all the Zilla Praja Parishads.

As Observers were allotted more than one district each due to shortfall of IAS Officers, the same arrangement cannot work for indirect election proceedings as indirect election are conducted simultaneously in all districts at the same time.

I, therefore, request you to kindly send an additional list of (20) IAS Officers for being appointed as Election Observers to oversee the election process of indirect elections of Mandal Praja Parishads and Zilla Praja Parishads to be held on 07.06.2019 & 08.06.2019.

ANNEXURE – I

Guidelines for Micro-Observers

1. Observers have a very crucial role in the conduct of an independent, free and fair election. To strengthen the system of observation, the Commission has consciously decided to deploy Micro-Observer at the selected critical / hyper sensitive polling stations. These Micro-Observers would directly work under control and supervision of the General Observer.

2. For deployment as micro-observer, the Collectors & DEAs shall obtain the list of employees of Central Govt., and Central Public Sector Undertaking in the State. In case sufficient number of employees of Central Govt., and Central Public Sector Undertaking are not available, Gazetted Officers of State Government and State Public Sector Undertakings may be utilized for this purpose.

3. The Collectors & DEAs shall prepare a list of critical polling stations in consultations with Police Officers where these Micro Observers would be deployed. Such polling stations would be short-listed on the basis of various factors which contribute to the vulnerability of the poll process. Such factors, for example, domination of one social group over other, inaccessibility of the area, previous history of violence, etc. would be taken into consideration while doing the vulnerability mapping. The list of such polling stations where Micro Observers are to be deployed shall be finally approved by the Observer and kept confidential in a sealed envelop till the last moment of deployment.

4. In multi-polling station buildings, each location will have one micro-observer instead of one Micro Observer per polling station. The Micro Observer can oscillate between and visit the polling stations within the same campus at frequent intervals.

5. General Observers will be in close touch with them for their requirements of Micro-Observers relating to their Districts.

6. Each Micro Observer shall be given a Photo identity card by the District Election Authority / Returning Officer / Asst. District Election Authority to ensure his access to the polling stations.

7. Observers will arrange and train their Micro Observers. The officer selected for the job of Micro-Observer may not be aware of different aspects of election process. Therefore, a basic training of election process on the day of the poll shall have to be given to them. This should enable them to understand and observe the activities relating to election on the day of the poll. An illustrative training material for the Micro Observer is attached with this circular. Since the Micro Observer shall be reporting to the Observer alone, it will be the responsibility of the Observers to ensure that they are trained properly on the relevant and crucial issues. The Collectors & DEAs shall organize the training of these Micro Observers.

8. The required number of officers for deployment as Micro Observer would be picked up randomly from the list of all eligible Officers. Further the assigning of critical polling stations also will be done in random manner a day prior to the day of departure in presence of the Observer and duly approved by him. However, the exact polling station/polling location would be given to them on the day of departure.
9. The Collectors & DEAs / Returning Officers / Asst. District Election Authorities should ensure that the Micro Observers are separately dropped to their destinations or may be with Zonal Officers. Micro-Observer should be provided with an Identity Card, entry pass to his/her polling stations and such other requirements as may be necessary for discharge of duties as per the direction of the Commission.

10. On the day of poll, the Micro Observer should reach the polling station at least one hour before the commencement of the poll, i.e., at 6 O'clock in the morning. If for certain reason, it is not possible to reach in the morning, he/she should reach in the evening of the previous day.

11. Having reached the polling station, he/she should assess the preparedness for the poll. During the poll, he/she should regularly note down the important points on the pre-printed Proforma (a Proforma for this is appended). It is made absolutely clear that in no case, the Micro Observer will act as Presiding Officer, Polling Officer. He/She should work without actually getting involved in performing any act relating to the election process. His/Her task is to observe that election process is being carried out in a free and fair manner and there is no vitiation of any kind.

12. In the process of observation on the day of the poll, the Micro Observer should specially observe: -

a. Preparation of Ballot Box/EVM for the poll, fixing of paper seal and securing it in balloting position;
b. Presence of Polling Agents and observance of SEC instructions with regard to them;
c. The observance of entry pass system and access to Polling Station;
d. Proper identification of electors in accordance with SEC guidelines;
e. Application of indelible ink;
f. Noting of particulars of electors on counter foil of Ballot Paper/Register of Voters;
g. Secrecy of voting,
h. Conduct of polling agents, their complaints, if any;

13. During the poll, if the Micro Observer feels that the poll is being vitiated for any reason, he/she shall immediately bring it to the notice of General Observer through whatever means of communication is available, for example, phone, wireless, Fax, E-mail or any other means.

14. After the poll process is over, the Micro Observer will report to the General Observer in the format as enclosed as Annexure II and hand over his envelope

containing the report for the day personally to the Observer and brief him/her on anything of importance that had happened during the day.

15. Observers will go through the reports. These reports along with the other reports will be taken into consideration for taking a decision on re-poll or disciplinary action against any delinquent polling staff.

Ref: 1. G.O. Ms.No.60, Dt:02.05.2015 Finance (HMR-IV) Department.

3. Memo.No.642/Pts.III/A2/2019-1, Dt:29.01.2019 of Principal Secretary to Government Panchayat Raj & Rural Department.

***

I wish to state that, during the Returning Officers trainings held recently for conduct of election to MPTCs/ZPTCs, 2019 it was brought to the notice of the State Election Commission that in the recently held GP elections, 2019, ROs were paid less remuneration than POs and APOs even though they worked for more than 15 days and requested Commission to look into this matter and do justice. Further the District resource persons who were trained at Hyderabad have also represented that they were not paid any TA & DA during Gram Panchayat Elections, 2019 even though they have trained POs & APOs at various places in the district.

After careful examination, the Commission has considered to fix remuneration to be paid to the above officials drafted for the election duties in conduct of elections to Rural Local Bodies as indicated below instead of paying fixed lumpsum amount.

Sl.No	Designation of Officers/Officials	Rate-of remuneration(in Rupees)

Sir,

Sub:- LOCAL BODIES ELECTIONS – Payment of honorarium to the officers and staff members involved in conduct of local bodies elections to the Government of Telangana – General Guidelines – Proposal for issuing orders - Request – Reg.

Ref:- G.O.Ms.No. 512, General Administration (Elections.C) Department Dated: 22nd June, 2013 (Copy Enclosed)

***

I wish to state that, keeping in view of the strenuous efforts being taken in continuous nature of work during conduct of elections to various constitutional bodies i.e., general / bye-elections to the State Legislative Assembly / House of People (Lok Sabha) and biennial elections / bye-elections to Andhra Pradesh Legislative Council, the united Government of Andhra Pradesh issued orders vide reference cied (copy enclosed) along with General Guidelines for payment of one month / 15 days salary as honorarium to the officers and staff members who are directly involved in the entire process of conduct of elections in Districts viz., District Election Officers, District Revenue Officers, Returning Officers, Assistant Returning Officers and other election staff i.e., Superintendents, Deputy Tahsildar (Elections), Senior Assistant, Junior Assistant, Typist of Election Wing in the Collectorate, Senior Assistant in Returning Officer's office with following terms and conditions.

a) The Payment of honorarium should be strictly to the officers and staff members who are directly connected with the election related work, in the o/o the Chief Electoral Officer and in the districts;

b) In case of general elections to House of People (Lok Sabha) or State Legislative Assembly honorarium equal to one month salary be sanctioned to all officers and staff members in General Administration (Elections) Department as well as to the officers and staff members who are directly involved in the entire process of conduct of elections in Districts viz., District Election Officers, District Revenue Officers, Returning Officers, Assistant Returning Officers and other election staff i.e., Superintendents, Deputy Tahsildar (Elections), Senior Assistant, Junior Assistant, Typist of Election Wing in the Collectorate, Senior Assistant in Returning Officer's office;

Honorarium shall not be sanctioned to the officers and staff who are drafted for a limited period / purpose for conduct of poll, counting process i.e., Zonal Officers, Route Officers, Polling Officers, Observers, Micro Observers, Counting Officers etc.;

d) The District Election Officers shall issue proceedings sanctioning the honorarium to the concerned, who have actually worked against the above mentioned posts and attach a copy of the same to the bill in which the claim is preferred along with a certificate certifying that sanction of honorarium is in accordance with the norms specified by Government and limited to the persons, who actually worked in connection with the conduct of General Elections to the House of the People (Lok Sabha) / the Andhra Pradesh Legislative Assembly, against the posts;

e) In case of biennial elections to Andhra Pradesh Legislative Council / bye-elections to Andhra Pradesh Legislative Assembly or Legislative Council / bye-elections to House of People (Lok Sabha) honorarium equal to 50% (fifty percent) of the salary (i.e., salary for 15 days) may be sanctioned only to the officers and staff members working in General Administration (Elections) Department, but not in districts, subject to condition that the elections shall be conducted at least for a minimum of five seats to be eligible for the honorarium;

Similar to the Assembly and Loksabha elections, local body elections are also conducted once every five years.

However, the number of constituencies and consequently the work load on supervisory officers is much greater in case of these elections. There are 12751 Gram Panchayats/ Sarpanchas, 113354 GP Wards, 5857 MPTCs and 584 ZPTCs in the State of Telangana for which ordinary elections are conducted for every 5 years and casual elections for every 3 months by the State Election Commission. Conduct of elections to such large number of offices is a huge and gigantic task. The supervisory officers like District Collectors, District Panchayat Officers, Chief Executive Officers of Zilla Praja Parishads, MPDOs, EO(PR), Gram Panchayat Secretaries etc., work round the clock and under tremendous pressure, irrespective

of working hours during pre-elections time, election time & post elections time including holidays.

Considering the rigour and with a view to reward the commitment, the Telangana State Election Commission proposes to have a government order for payment of honorarium by Panchayat Raj Department on par with that of General Administration (Elections) Department, vide reference cited, as the district election staff work irrespective of working hours during pre-elections time, election time & post elections time round the clock including holidays with following terms and conditions.

- Payment of one month salary as honorarium to the officers and staff members who are directly involved in the entire process of conduct of ordinary elections to local bodies in Districts viz., District Election Authorities, Addl. District Election Authorities, Dy. District Election Authorities, Assistant District Election Authorities & Additional Assistant District Election Authorities, Liaison Officers and other election staff involved in election related works i.e. from preparation of Electoral Rolls to conduct of elections to Rural & Urban local bodies as the case may be on par with the GO mentioned in the reference.

- The Honorarium shall not be sanctioned to the officers and staff who are drafted for a limited period / purpose for conduct of poll, counting process i.e., Returning Officers, Assistant Returning officers, Zonal Officers, Route Officers, Polling Officers, Observers, Micro Observers, Counting Officers/ staff etc.;

- The concerned District Election Authorities shall issue proceedings sanctioning the honorarium to the concerned, who have actually worked against the above mentioned posts and attach a copy of the same to the bill in which the claim is proffered along with a certificate certifying that sanction of honorarium is in accordance with the norms specified by Government and limited to the persons, who actually worked in connection with the conduct of Ordinary Elections to Local Bodies, against the posts.

I, therefore, request you to issue necessary orders for to above said proposal as early as possible.

This may kindly be treated as most urgent.

In response to the reference 3rd cited, it is to inform that no such incentives were given in the previous local body elections in Telangana State.

But, as per the directions of Election Commission of India, Delhi, the General Administration (Elections.C) Department has issued general guidelines vide reference 1st cited for payment of honorarium as follows:

a) The Payment of honorarium should be strictly to the officers and staff members who are directly connected with the election related work, in the o/o the Chief Electoral Officer and in the districts;

3. Procdgs. Rc.No.H1178(TA/DA)/2019, dated 06.04.2019 of the Collector & DEA, Khammam.

I invite your kind attention to the references cited.

Some of the District Collectors have raised that during TSLA & HOP elections, 2019, the Micro-Observers were paid Rs.1500/- lumpsum as remuneration. But as per the Memo no.642/pts.III/A2/2019-1, dt.29.01.2019 of Panchayat Raj and Rural development (Pts.III) department, the remuneration fixed for Micro-Observers in local body election is Rs.1200/- lumpsum. As the duties to be performed are same for both the elections, they have requested to revise it on par with HOP & TSLA elections.

Hence, the Commission recommends to fix the remuneration to the Micro-Observers drafted for duties of MPTC, ZPTC elections, 2019 as Rs.1500/- lumpsum i.e, on par with the HOP and TSLA elections.

The requirement of white wove paper for each ULB may be worked out basing on the present voters strength of the ULB and average number of contesting candidates in last ordinary elections held in 2014 with 20% reserve (to meet exigency requirement, if any). In the last ordinary elections to ULBs held in 2014, in Municipal Corporations, the average number of contesting candidates for each ward was 6.5. However, in Ramagundam Municipal Corporation, there were highest number of 512 candidates in contest for 50 Wards. In municipalities, the average number of contesting candidates for each ward was 4.4.

I, therefore, request you to work out the requirement of white wove paper as per above calculation and place an indent immediately with the Commissioner of

Printing Stationery and Stores Purchase, Chanchalguda, Hyderabad for procurement and procure sufficient white wove paper by 15.07.2019 as per the requisition under intimation to the Commission.

This may be treated as most urgent.

Sub:- TSEC – Elections – Elections to Urban Local Bodies – Issue of Election Notice in Form-I by the Returning officers – Clarification - Issued.

***

Under Rule 5 of Telangana Municipalities and Municipal Corporations (Conduct of Election of Members) Rules, 2019, the Returning Officer shall, on the basis of the election notification issued by the State Election Commission under Section 195, shall give public notice of the intended elections for Wards of Municipality or Municipal Corporation in Form-I in English &Telugu languages which shall be published in such manner as the Returning Officer thinks fit.

Unlike in the past, the Municipal Commissioners are designated as Assistant District Election Authorities in case of Municipalities and Additional District Election Authorities in case of Municipal Corporations (except GHMC) and separate set of Officers are appointed as Returning Officers for one or a group of 2-3 wards. Hence, there is a need to be specific about the wards to be mentioned in the Form – I notice to be published by the Returning Officer.

In this connection it is clarified that, in Form-I (Election Notice) against item 1(a) the Returning Officer has to mention only the wards for which he is notified as Returning officer. Similarly, for the item 1(c) i.e., Reservation particulars, the Returning officer shall mention the reservation particulars i.e., the category, only to the wards he is notified as Returning Officer. For other categories he may simply draw a dash ('___') line.

The Commissioner & Director of Municipal Administration shall ensure that all the Returning Officers follow this instruction scrupulously.

3) The Chief Electoral Officer has permitted to use Web Cameras along with data cards, spikes, dongles & other peripherals Procured and used by ECI in conduct of General Elections 2019 and also to utilize the services of BLOs, vide reference 3rd cited (Copy Enclosed).

4) A team consisting of the following officials / technicians may be constituted to check up each polling station.

    b. Electricity Department Officials to check whether electricity connection with required sockets is available in the Polling Station.
    c. BSNL Official to check up the mode of internet connectivity any other service provider who provides the internet connectivity with 3G/4G Dongles.

5) Items required at the Polling station for undertaking webcasting:

Article 243-ZA and 243-K of the Constitution of India empowers Telangana State Election Commission to conduct of elections to Rural and Urban Local Bodies. The Commission will conduct elections to Urban Local Bodies shortly.

As per G.O.1st & 2nd read above (Copies enclosed), the General Administration (Elections-B) Department, Government of Telangana, issued orders on the subject of payment of ex-gratia to the injured person shall be borne by the State Government and the powers to sanction the ex-gratia to the families / legal heirs of the deceased persons engaged for election related works die or sustain injuries in House of People / Legislative Assembly and powers delegated to the Collectors & District Election Officers to respective Districts and Commissioner, Municipal Corporation of Hyderabad. The G.O. 1st reference cited was already adopted for Panchayat Raj Institutions in the state vide G.O. 3rd cited above under united Andhra Pradesh (copy enclosed).

In recently held Panchayat Raj Local Body elections, such cases have been reported by concerned Collectors & District Election Authorities and further C & DEAs have stated that, the bills are not allowed by District Treasury Officers stating no budget is allocated for meeting the expenditure towards Ex-gratia payments as the Government has released budget for conduct of elections only, and no separate budget is allocated to meet the expenditure towards sanction of the ex-gratia to the families /legal heirs of the deceased persons engaged for election related works die or sustain injuries.

As there is no budget, C&DEAs are sending the proposals together with the copies of all relevant documents viz., self explanatory sanction proceedings of the District Election Authority, service particulars of the employee, last pay drawn, family member's certificate, FIR filed and medical reports etc., for getting the BRO issued by the Finance Department to Election Authority and, in turn, Election Authority forwards this proposals to Government for release of budget, which takes long time for settling the ex-gratia payments.

I, therefore, request you to allocate separate budget with minimum of Rs.2.00 Crores under election fund head along with administrative sanction for drawal of same by the Collectors & District Election Authorities and Commissioner, Grater Hyderabad Municipal Corporation towards the sanction of ex-gratia to the families/ legal heirs of the deceased persons engaged for election related works die or sustain injuries in order to settle the cases in quick time in forthcoming Urban Local Body elections, 2019.

You are aware that, elections to Urban Local Bodies will be notified shortly. These elections will be conducted with ballot boxes and ballot papers.

During the elections, it may not be always possible for the Collector & District Election Authority to personally monitor each and every activity to his /her complete satisfaction in view of short time frame and a large number of activities involved. Hence, the District Election Authorities are advised to appoint Nodal Officers at District/ ULB level for the following purposes from the available officers in the district to ensure focus and perfect synchrony for the smooth conduct of ULB elections, 2019.

7. District Nodal Officer for Monitoring the adherence to MCoC and Expenditure Accounts:-

This responsibility should be given to a fairly senior officer preferably of the rank of Joint Collector. The Officer will be responsible for ensuring that all instructions of the SEC regarding MCoC are followed by the officers/ candidates/ political parties/ media, etc., in the District. Expenditure Monitoring:- This is a very challenging and intricate task. In the absence of relevant entries in the shadow registers, the accounting of expenditure accounts submitted by the contesting candidates becomes a mere formality, inviting ridicule and insult to the entries MCoC work. Since the work of expenditure monitoring continues upto the day of counting, the work of this Nodal Officer will also continue accordingly. They should be made responsible

till all the expenditure accounts are received or upto 45 days from the date of declaration of results. They should arrange and ensure that the expenditure accounts are maintained and submitted in the format and manner prescribed, scrutinised critically. The DEAs are expected to ensure proper training to the selected Officers much in advance so as to equip them to perform all tasks as per the SEC instruction manual for Expenditure Monitoring.

8. Nodal Officer for Observers:

The SEC will appoint General Observers and Expenditure Observers during the time of polls. It will be the responsibility of this Nodal Officer to keep track of the arrival, departure, boarding and lodging arrangements, liaison officer arrangements, reference material, transportation, security, telephone connectivity, computers, printer, DVD player, etc., as per the directions of the SEC.

He/she will ensure timely disposal and redressal of complaints in the pre-election period as well as election period, including complaints related to MCoC that may be lodged.

However, it is to be noted that the appointment of these Nodal Officers in no way can be taken as a replacement for the overall monitoring and supervision work of the District Election Authorities. This is only a supplementary arrangement. The District Election Authorities shall remain the focal point of election management, supervision and delivery and be accountable for the overall process of free and fair elections. In case sufficient number of suitable officers are not available, then one officer can be made the nodal officer for more than one activity.

NNEXURE – I

Guidelines for Micro-Observers

1. Observers have a very crucial role to play in the conduct of an independent, free and fair election. To strengthen the system of observation, the Commission has consciously decided to deploy Micro-Observer at the selected sensitive / hyper sensitive polling stations. These Micro-Observers would directly work under control and supervision of the General Observer.

2. For deployment as micro-observer, the Collectors & DEAs and in case of GHMC, the Commissioner & Election Authority, Greater Hyderabad Municipal Corporation shall obtain the list of employees of Central Govt., and Central Public Sector Undertaking in the State. In case sufficient number of employees of Central Govt., and Central Public Sector Undertaking are not available, Gazetted Officers of State Government and State Public Sector Undertakings may be utilized for this purpose.

3. The Collectors & DEAs in respect of Municipal Bodies and in respect of GHMC, the Commissioner & Election Authority, Greater Hyderabad Municipal Corporation shall prepare a list of critical polling stations under the supervision of the Observer concerned and in consultation with the Commissioners of Police / Superintendents of Police concerned, where these Micro Observers would be deployed. Such polling stations would be short-listed on the basis of various factors which contribute to the vulnerability of the poll process. Such factors, for example, domination of one social group over other, inaccessibility of the area, previous history of violence, etc. would have been taken into consideration while doing the vulnerability mapping. The list of such polling stations where Micro Observers are to be deployed shall be finally approved by the Observer and kept confidential in a sealed envelope till the last moment of deployment.

4. There shall be a nodal officer identified by the Collectors & DEAs in Municipal Bodies and in case of GHMC, the Commissioner & Election Authority, Greater Hyderabad Municipal Corporation for Micro-Observers to handle logistics and deployment related tasks of Micro-Observers in each Urban Local Body.

5. In multi-polling station buildings, each location shall have one micro-observer instead of one Micro Observer per polling station. The Micro Observer can oscillate between and visit the polling stations within the same campus at frequent intervals.

6. General Observers will be in close touch with them for their requirements of Micro-Observers relating to their wards.

7. Each Micro Observer shall be given a photo identity card by the Commissioner & Election Authority, Greater Hyderabad Municipal Corporation / District Election Authority / Returning Officer to ensure his access to the polling stations.

8. Observers will arrange and train their Micro Observers. The officer selected for the job of Micro-Observer may not be aware of different aspects of election process. Therefore, a basic training of election processes involved on the day of the poll shall have to be given to them. This should enable them to understand and observe the activities relating to election on the day of the poll. An illustrative training material for the Micro Observer is attached with this circular. Since the Micro Observer shall be reporting to the Observer alone, it will be the responsibility of the Observers to ensure that they are trained properly on the relevant and crucial issues. The Commissioner & Election Authority, Greater Hyderabad Municipal Corporation / Collectors & DEAs / Returning Officers shall organize the training of these Micro Observers.

9. The required number of officers for deployment as Micro Observer would be picked up randomly from the list of all eligible Officers. Further the assigning of critical polling stations also will be done in random manner a day prior to the day of departure in the presence of the Observer and duly approved by him. However, the exact polling station/polling location would be given to them on the day of departure.

10. The Commissioner & Election Authority, Greater Hyderabad Municipal Corporation / Collectors & DEAs / Returning Officers should ensure that the Micro Observers are separately dropped to their destinations or may be with Zonal Officers. Micro-Observer should be provided with an Identity card, entry pass to his/her polling stations and such other requirements as may be necessary for discharge of duties as per the direction of the Commission.

11. On the day of poll, the Micro Observer should reach the polling station at least one hour before the commencement of the poll, i.e., at 6 O'clock in the morning.

12. Having reached the polling station, he/she should assess the preparedness for the poll. During the poll, he/she should regularly note down the important points on the pre-printed Proforma (a Proforma for this is appended). It is made absolutely clear that in no case, the Micro Observer will act as Presiding Officer or the Polling Officer. He/ She should work without actually getting involved in performing any act relating to the election process. His /Her task is to observe that election process is being carried out in a free and fair manner and there is no vitiation of any kind.

13. In the process of observation on the day of the poll, the Micro Observer should specially observe: -
    a. conduct of mock poll in the presence of polling agents; (where EVMs are used)
    b. Preparation of Ballot Boxes /EVM for the poll, fixing of paper seal and securing it in balloting position; (where EVMs are used)
    c. Preparation of Ballot Box; demonstration of Ballot Box, fixing of paper seal etc., (where Ballot Boxes are used)
    d. Presence of Polling Agents and observance of SEC instructions with regard to them,

e. The observance of entry pass system and access to Polling Station,
f. Mock poll, (where EVMs are used)
g. Proper identification of electors in accordance with SEC guidelines,
h. Application of indelible ink,
i. Noting of particulars of electors on counterfoil of Ballot paper/Register of voters in Form XXXIV in respect of Greater Hyderabad Municipal Corporation / XXVIII in respect of other Municipal Bodies, (where EVMs are used)
j. Secrecy of voting,
k. Conduct of polling agents, their complaints, if any, etc.
l. Closure of poll; sealing of Ballot Boxes/EVMs – Handing over copy of Ballot Paper account/Account of votes recorded to Polling agents (where EVMs are used)

14. During the poll, if the Micro Observer feels that the poll is being vitiated for any reason, he/she will immediately bring it to the notice of General Observer through whatever means of communication is available, for example, phone or wireless or any other means.

15. After the poll process is over, the Micro Observer will report to the General Observer in the format as enclosed as Annexure-II and hand over his envelope containing the report for the day personally to the Observer and brief him/her on anything of importance that had happened during the day.
16. Observers will go through the reports. These reports along with the other reports will be taken into consideration for taking a decision on repoll or disciplinary action against any delinquent polling staff.

(ii) The registered political party shall submit to the Commission a demand draft for Rs. 10,000/- (Rupees ten thousand only) drawn in the name of Secretary, Telangana State Election Commission, Hyderabad as deposit which refundable subject to clause (iv);

(iii) The Registered Political Party shall give the names of ten symbols, in order of preference, from out of the list of free symbols notified by the Commission for that election;

NOTIFICATION

No.2118/TSEC-L/2019, Date:24.05.2019

In exercise of the powers conferred under Articles 243K and 243ZA of the Constitution of India and all other powers hereunto enabling, the State Election Commission, hereby, makes the following amendments to the Model Code of Conduct for Local Body elections issued in the year 2018.

AMENDMENT

1. In the said Model Code of Conduct, after the paragraph VIII the following paragraph shall be added, namely:-

IX. Model Code of Conduct in Elections to Indirectly Elected Offices of Mandal PrajaParishads, ZillaPrajaParishads and Urban Local Bodies

Articles 243K and 243 ZA of the Constitution provide for setting up of State Election Commission (SEC) for conduct of free and fair elections to local bodies.

The Chapter I of part V of the Telangana Panchayat Raj Act, 2018, the Chapter II of Part II of Telangana Municipalities Act, 1965 and Chapter II of GHMC Act, 1955 make detailed provisions for ensuring free and fair elections to the local bodies. Chapter II of Part V of TPR Act, 2018 enumerates various electoral offences. Similar provisions are also made in Chapter III of part VI of Municipalities Act and in Chapters II & XVII of GHMC Act. The Indian Penal Code also provides for strong protections against electoral offences through Sections 171A, 171B & 171C.

Considering the letter and spirit of the Constitutional and statutory provisions and also considering the ground realities, the State Election Commission has notified the Model Code of Conduct with the object of providing level playing field to all the candidates and political parties. However, the provisions of this MCOC address mostly the concerns associated with the direct elections and it does not afford similar protection against the malpractices encountered during the indirect elections.

During the past indirect elections, it was often noticed that various political parties and other influential candidates organise "camps" by confining the elected representatives for extended periods of time ostensibly to protect them from being won over by the opponents. Camps typically involve housing in secret or unknown locations usually in luxurious settings. Organisation of such camps involve incurring of considerable expenditure and also employment of extra ordinary influence. Thus the indirect elections tend to afford undue opportunities to be monopolised by the rich and influential parties and persons. Party in power tends to enjoy additional

advantage because of its overt and covert influence over the Government machinery for doling out explicit and implicit favours/ disfavours through various departments and agencies.

Employment of all such illegal measures tend to distort healthy democratic functioning besides breaching the trust reposed by the voters in their representatives. It is not rare to see instances where newly elected representatives yield to such measures by voting against the whips issued by their respective parties, thereby foregoing their hard earned membership in the First meeting itself necessitating conduct of casual elections at great cost to the public exchequer.

Hence, with a view to rein in the illegal practices of bribing, exertion of undue influence etc., on the elected representatives, it is proposed to add a special section in the MCOC with the following specific measures.

1. The MCOC for indirect elections shall commence from the date of declaration of result of directly elected posts (Ordinary Elections) and shall extend till the completion of indirect election of the concerned local bodies.

2. IX. Model Code of Conduct in Elections to Indirectly Elected Offices of Mandal Praja Parishads, Zilla Praja Parishads and Urban Local Bodies

Articles 243K and 243 ZA of the Constitution provide for setting up of State Election Commission (SEC) for conduct of free and fair elections to local bodies.

The Chapter I of part V of the Telangana Panchayat Raj Act, 2018, the Chapter VI of Telangana Municipalities Act, 2019 and Chapter II of GHMC Act, 1955 make detailed provisions for ensuring free and fair elections to the local bodies. Chapter II of Part V of TPR Act, 2018 enumerates various electoral offences. Similar provisions are also made in Chapter VI of Municipalities Act, 2019 and in Chapters II & XVII of GHMC Act, 1955. The Indian Penal Code also provides for strong protections against electoral offences through Sections 171A, 171B & 171C.

Considering the letter and spirit of the Constitutional and statutory provisions and also considering the ground realities, the State Election Commission has notified the Model Code of Conduct with the object of providing level playing field to all the candidates and political parties. However, the provisions of this MCoC address mostly the concerns associated with the direct elections and it does not afford similar protection against the malpractices encountered during the indirect elections.

During the past indirect elections, it was often noticed that various political parties and other influential candidates organise "camps" by confining the elected representatives for extended periods of time ostensibly to protect them from being won over by the opponents. Camps typically involve housing in secret or unknown locations usually in luxurious settings. Organisation of such camps involve incurring of considerable expenditure and also employment of extra ordinary influence. Thus the indirect elections tend to afford undue opportunities to be monopolised by the rich and influential parties and persons. Party in power tends to enjoy additional advantage because of its overt and covert influence over the Government machinery

for doling out explicit and implicit favours/ disfavours through various departments and agencies.

Employment of all such illegal measures tend to distort healthy democratic functioning besides breaching the trust reposed by the voters in their representatives. It is not rare to see instances where newly elected representatives yield to such measures by voting against the whips issued by their respective parties, thereby foregoing their hard earned membership in the First meeting itself necessitating conduct of casual elections at great cost to the public exchequer.

Hence, with a view to rein in the illegal practices of bribing, exertion of undue influence etc., on the elected representatives, it is proposed to add a special section in the MCoC with the following specific measures.

1. The MCoC for indirect elections shall commence from the date of declaration of result of directly elected posts (Ordinary Elections) and shall extend till the completion of indirect election of the concerned local bodies.

2. Bribery as defined in TPR Act and Indian Penal Code is not to be resorted by any of the political parties, the elected members seeking offices such as President, Vice-President, MPPs, Chairperson, Vice-Chairperson, ZPPs, Chairperson/Vice-Chairperson, Municipalities, Mayor/Dy.Mayour of Municipal Corporations either directly or indirectly.

3. Ban on exertion of undue influence on the elected representatives for voting against the whips issued by their respective political parties during the indirect elections. Neither the political parties, nor any of their candidates involved in the indirect elections shall exert or attempt to exert any undue influence against any of the electors while exercising their electoral rights.

4. No political party nor any of the contesting candidates shall offer any post to the electors as an incentive for defying their party whip while exercising their voting rights.

5. The party in power or any of the functionaries of Government should not misuse or attempt to misuse their power covertly or overtly for extending incentives or disincentives while granting certificates, licences, work contracts or in disposal of pending cases, payment of pending bills, revision of contracts etc. Similarly the investigating agencies shall not resort to any partiality in registration of offences or framing charge sheets, enforcement of arrests, NBWs etc.

6. No political party or any candidate shall organise any camps with elected representatives either directly or indirectly.

7. There shall not be any canvassing, campaigning activity pertaining to the indirect elections to local bodies from 48 hours prior to the hour fixed for the conduct of such indirect elections to MPPs, ZPPs, Municipalities or Municipal

Corporations. Such ban on canvassing, campaigning etc shall continue till the completion of the indirect elections to the concerned bodies.

Any violation of the above provisions of the MCoC shall invite suitable prosecution or / and action under relevant provisions of the Acts/rules concerned. Sections 234 of TPR Act, 2018 or Section 226 of Municipalities Act, 2019 or Section 612 of GHMC Act, 1955 shall be invoked in appropriate cases.

X. Prosecution

1. The violation of these provisions is punishable under various laws.

2. The Election Authority, GHMC, District Election Authority, Deputy District Election Authority, Additional District Election Authority and the Police are authorized to initiate prosecution against violators of this Code before the Competent Criminal Courts under intimation to the State Election Commissioner.

ORDER

No.778/TSEC-L/2018 Date:18.09.2018

Sub: TSEC - Elections - Elections to MPTCs and ZPTCs – Curbs on flow of liquor during election period – Closure of belt shops and monitoring of production, storage and distribution of liquor during election period – Reg.

***

Under Sec. 228 of the Telangana Panchayat Raj Act, 2018, liquor shops have to be closed in the polling areas during the period of 48 hours prior to the hour fixed for conclusion of poll in MPTC/ZPTC elections and also on the counting day.

Further, bribing the voters by offering liquor to gain unfair edge is an election offence under Sec. 171-B and 171-E of IPC and also a corrupt practice under Sec. 211(1) of the Telangana Panchayat Raj Act, 2018.

The State Election Commission is of the view that in order to conduct elections to MPTCs/ZPTCs in a free, fair and peaceful manner, it has to exercise all the powers within its reach to control the flow of liquor which is widely used as an inducement to garner votes illegally. During elections, representations and suggestions are often received from general public, political parties, NGOs and the Press to take strong measures to curb the role of liquor in the MPTC/ZPTC elections, which are keenly fought.

Keeping all these factors in view and in order to hold MPTC/ZPTC elections in a free, fair and peaceful environment, the State Election Commission in exercise of the powers conferred on it under Article 243K of the Constitution of India, hereby, issues the following instructions to curb the role of liquor in the ensuing elections to MPTCs/ZPTCs.

1. All the unauthorized liquor outlets (belt shops) in the State shall be closed with immediate effect.

2. The production of IMFL/Beer/Country Liquor should be closely monitored with reference to production figures during the corresponding period in the last year.
3. The offtake of IMFL/Beer/Country Liquor from Central Stocks should also be watched and if there are major deviations then follow up trail should be established.
4. Stock Limits of Licensed Stockists should, in no case, be allowed to exceed permissible limits. All major stock points should be placed under video surveillance for round the clock check and excise pickets with Police help be posted at these points.

5. Daily receipt and offtake of retail sellers should be monitored. Excise Department officials should submit it every evening to the Collector and DEA to facilitate both preventive and corrective actions.
6. Opening and Closing time of Liquor Vending Shops must be meticulously followed.

7. Checks shall be conducted to unearth illegally produced black jaggery and other products derived from it that are used as ingredients for production of illicit liquor

8. Intensive vigil over inter state movement of vehicles at RTO Check Posts and border check posts by Excise staff should be kept by special enforcement staff under the State Excise Department who are deputed round the clock from the date of notification till the completion of Poll/Repoll. For effective checking of the vehicles at border check posts, assistance of transport department may be obtained and joint checking of vehicles by excise and transport officers may be carried out.

9. Inter State co-ordination among Excise Commissioners with bordering States should be done for monitoring of inter state movement of IMFL, Beer and Country Liquor.

10. District Level Nodal Officers and State Level Nodal Officer of Excise Department should be identified to monitor the above aspects, conduct raids to seize illicit liquor.

11. The District Level Nodal Officer will submit Daily Report as per the proforma enclosed for IMFL, Beer and Country Liquor in separate forms to State Level Nodal Officer with copy to the Collector & DEA concerned. State Level Nodal Officer of Excise Department will, in turn, submit Daily Report on excise activity of the entire State to the State Election Commission in the same proforma (Fax Nos. 29801522).

The State Election Commission also directs that the Superintendents of Police/ Commissioners of Police shall also coordinate with the officials of the Excise Department at the District level to take stringent measures to close all belt shops and also to deal with any law and order problem that may arise due to activities of unscrupulous elements and vested interests indulging in using liquor as an inducement to garner votes.

To
The Principal Secretary to Government,
Home (Courts-B) Department,
Telangana Secretariat,
Hyderabad.

Sir,

Sub: TSEC - Elections - Ordinary elections to MPTCs/ZPTCs, 2019 – Zonal Officers, Flying Squads (FS) and Static Surveillance Team (SST) Constitution – Magisterial powers - Conferment of Magisterial powers on an officer each in the FS & SST and Zonal Officers - Reg.

Ref:- TSEC Order No.772/TSEC-L/2018, dated:25.02.2019.

***

I wish to state that, the ordinary elections to MPTCs/ZPTCs, 2019 will be held shortly. The State Election Commission has already initiated steps for holding the elections to MPTCs/ZPTCs.

In the reference cited (copy enclosed), the Commission issued orders for Constitution of Flying Squads (FS) and Static Surveillance Team (SST) and Standard Operating Procedure to watch on movement of illicit liquor, items of bribe or large amount of cash arms and ammunition and also movement of anti-social elements.

As is the case with elections, the Law and Order problems frequently arise. As of now, the District Collector and few of the Revenue Officers alone are vested with the Magisterial powers. Unless Magisterial powers are conferred on an officer, preventive action by utilizing the provisions of section 144 Cr.P.C cannot be taken. It may be difficult for Revenue Officers to reach the spot in cases of emergencies during elections, in order to exercise the powers under section 144 Cr.P.C. The responsible Officers available on the spot on whom Magisterial power can be conferred under section 21 Cr.P.C are officers heading Static Surveillance Teams, Flying Squads and Zonal Officers in the ensuing elections to MPTCs/ZPTCs in the interest of maintaining peace during the Election period under section 21 of Code of Criminal Procedure, 1973 and they be authorised to exercise

the powers of executive magistrate under section 37, 44, 103, 129 & 144 of Code of criminal procedure, 1973.

Static Surveillance Team (SST): There shall be one or more Static Surveillance Teams (SST) in each District with one magistrate and three or four police personnel in each team who shall be manning the check post in shifts, round the clock.

Flying Squads (FS): There shall be one or more Flying Squads (FS) in each Mandal. The Flying Squad is headed by one Executive Magistrate. The FS shall start functioning from the date of announcement of election and shall continue till completion of poll.

Zonal Officer: The Zonal Officer who will be on the move and will be monitoring the law and order situation on the day of Poll. The number of Zonal Officers to be appointed in a Mandal will be depending on the number of routes in the Mandal.

During the recent elections to Gram Panchayats held in January, 2019, the Government issued orders conferring Magisterial powers on such Officers, a copy of the order issued for a district (Adilabad) vide G.O.Rt.No.34, Law (LA, LA&J – Home-Courts-B) Department, dated 20.01.2019 is enclosed herewith. The same conferment is required for the MPTCs/ZPTCs elections also.

The District Collectors are advised vide this office Lr.No.1570/TSEC-L/2019-3, dated:10.04.2019 to send proposals indicating the names of Zonal Officers, Officers heading the Flying Squads (FSs) and Static Surveillance Teams (SSTs) and the jurisdiction in which they will exercise the Magisterial powers directly to the Government in Home Department.

I therefore, request you to confer the magisterial powers on the Zonal Officers, Officers heading the Flying Squads (FSs) and Static Surveillance Teams (SSTs) to be appointed in the ensuing elections to MPTCs/ZPTCs as per the proposals submitted by the District Collectors.

(This has the approval of the State Election Commissioner)

CIRCULAR

No.2916/TSEC-L/2019 Dated:22.11.2019

Sub:- Telangana State Election Commission - Elections to Local Bodies – Prevention of defacement of property and other campaign related items – revised instructions – Reg.

***

Private and public places are often disfigured during the election time by way of pasting election advertisements and wall-writings in violation of the Model Code of Conduct. Needless to mention the immense nuisance and damage caused to the property owners.

2. In order to prevent such disfigurement, the State Legislature had enacted Prevention of Disfigurement of Open Places and Prohibition of Obscene and Objectionable posters and Advertisements Act, 1997 (Act 28 of 1997).

3. Section 4 of the said Act makes the disfigurement of any public or private place an offence punishable with imprisonment which may extend upto 3 months or with fine which shall not be less than one thousand rupees but which may extend upto 2,000 rupees or with both. Abetment of such disfigurement is also made punishable under section 5 of that Act. Under section 6 thereof, the police officers are empowered to remove, erase, pull down and destroy objectionable advertisements.

4. The Commission decided to issue detailed instructions in this matter and other campaign related items in supersession of the earlier instructions issued in the circular No.629/TSEC-L/2018, dt:8.8.2018 for strict compliance by political parties, candidates, individuals and organizations etc. during the period of elections to Local Bodies. The crux of the instructions is to abide by the extant provisions in the prevailing law:

DEFACEMENT OF PUBLIC PLACES

5. (a) Wall writing, pasting of posters/papers or defacement in any other form, or erecting/displaying of cutouts, hoardings, banners flags etc. shall not be permitted on any Government premise (including civil structures therein). For this purpose a Government premise would include any Govt. office and the campus wherein the office building is situated.

(b) If the local law expressly permits or provides for writing of slogans, displaying posters, etc., or erecting cut-outs, hoardings, banners, political advertisement, etc., in any

public place, (as against a Govt. premise) on payment or otherwise, this may be allowed strictly in accordance with the relevant provisions of the law and subject to Court orders, if any on this subject. It should be ensured that any such place is not dominated/ monopolized by any particular party(ies) or candidate(s). All parties and candidates should be provided equal opportunity in this regard.

(c) If there is a specifically earmarked place provided for displaying advertisements in a public place, e.g. bill boards, hoardings etc. and if such space is already let out to any agency for further allocation to individual clients, the authorities of local bodies concerned, should ensure that all political parties and candidates get equitable opportunity to have access to such advertisement space for election related advertisements during the election period.

DEFACEMENT OF PRIVATE PLACES

6. (a) Whenever, temporary and easily removable advertisement materials, such as flags and banners are to be put up in private premises they should be with voluntary and express written permission of the occupant. The permission should be an act of free will and not extracted by any pressure or threat. Such banner or flag should not create any nuisance to others. Photo-copy of the voluntary permission in writing obtained in this connection should be submitted to the Returning Officer within 3 days of putting up the flags and banners in such cases in the manner prescribed in sub-para (c) below.

(b) If the local law does not expressly permit wall writing, pasting of posters, and similar other permanent/semi-permanent defacement which is not easily removable, the same shall not be resorted to under any circumstances, even on the pretext of having obtained the consent of the owner of the property. This will also apply in the states where there is no local law on the subject of prevention of defacement of property.

(c) In case of wall writings and pasting of posters and similar other permanent/semi-permanent defacement which is not easily removable, and putting up hoardings, banners, etc. on private premises with the owner's permission, the contesting candidates or the political parties concerned shall obtain prior written permission from the owner of the property and submit photocopies of the same within 3 days to the Returning Officer or an officer designated by him for the purpose, together with a statement in the enclosed proforma (marked as Annexure). The statement in such cases and in the cases mentioned in sub-para (a) above should clearly mention therein the name and address of the owner of the property from whom such permission has been obtained together with expenditure incurred or likely to be incurred for the purpose. Nothing inflammatory or likely to incite disaffection amongst communities shall be permissible in such writings/display. The expenditure incurred in this mode on specific campaign of candidate(s) shall be added to the election expenditure made by the candidate. Expenditure incurred on exclusive campaign for a party without indicating any candidate shall not be added to candidate’s expenditure. The contesting candidate shall furnish such information village/locality/town-wise, to the Returning Officer, or the authorized officer within 3 days of obtaining the requisite permission, for easy checking by the Returning Officer or the Election Observer or any officer connected with the conduct of elections.

(d) Subject to any restrictions under any local law or any court orders in force, the political parties, candidates, their agents, workers and supporters may put up banners, buntings, flags, cut-outs, on their own property, provided they do so on their own volition, voluntarily and without any pressure from any party, organization or person, and provided further that these do not cause any inconvenience in any manner to anyone else. If such display of banners, flags etc. aims to solicit vote for any particular candidate, then the provisions of Section 171H of the IPC would be attracted and would have to be followed. Section 171H of the IPC stipulates that whoever without the general or special authority in writing of a candidate incurs or authorises expenses on account of the holding of any public meeting, or upon any advertisement, circular or publication, or in any other way whatsoever for the purpose of promoting or procuring the election of such candidate, shall be punished with fine which may extend to five hundred rupees: Provided that if any person having incurred any such expenses not exceeding the amount of ten rupees without authority obtains within ten days from the date on which such expenses were incurred the approval in writing of the candidate, he shall be deemed to have incurred such expenses with the authority of the candidate.

DEFACEMENT OF HALLS/AUDITORIUMS AND OTHER PUBLIC PROPERTIES

7. In the case of Halls/Auditoriums/Meeting venues owned/controlled by the Government/ local authorities/PSUs/Cooperatives, if the law/guidelines governing their use do not preclude political meetings therein, there is no objection to it. It shall be ensured that the allocation is done on equitable basis and that there is no monopolization by any political party or candidates. In such venues, displaying of banners, buntings, flags, cut-outs, may be permitted during the period of meetings subject to any restrictions under the law/guidelines in force. Such banners, flags, etc. shall be got removed by the party/individual who used the premises immediately after conclusion of the meeting, and in any case within a reasonable period after the meeting is over. Permanent/semi-permanent defacement such as wall writing/pasting of posters etc. shall not be permitted in such premises.

8. If any political party/association/candidate/person indulges in defacement of any property in violation of the local law, if any, or the above instructions, the Returning Officer shall issue notice to the offender for removing the defacement forthwith. If the political party/association/candidate/person does not respond promptly, the district authorities may take action to remove the defacement, and the expenses incurred in the process shall be recovered from the political party/association/candidate/person responsible for the defacement. Further, the amount also shall be added to the election expenditure of the candidate concerned, and action should also be initiated to prosecute the offender under the provisions of the relevant law (under the law relating to prevention of defacement, if any, or under the provisions of the general law for causing willful damage to the property of others).

DEFACEMENT OF VEHICLES

9. (a) In private vehicles, subject to the provisions of the Motor Vehicles Act, Rules thereunder and subject to court orders in force, if any, flags and stickers may be put on the vehicles by the owner of the vehicle on his own volition, in such a manner that they do not cause any inconvenience or distraction to other road users. If such display of flags and stickers aims to solicit vote for any particular candidate, then the provisions of Section 171H of the IPC would be attracted and would have to be followed.

(b) On commercial vehicles, display of any flag, sticker etc. shall not be permitted, unless such vehicle is a vehicle validly used for election campaign after obtaining the requisite permit from the Municipal Commissioner concerned in Municipal elections, Joint Collector / Revenue Divisional Officer concerned in elections to MPTCs and ZPTCs and Tahsildar concerned in Sarpanch, Gram Panchayat electionsand the display thereof in original on the wind screen.

(c) External modification of vehicles including fitting of Loudspeaker thereon, would be subject to the provisions of the Motor Vehicles Act/Rules and any other Local Act/Rules. Vehicles with modifications and special campaign vehicles like Video Rathetc., can be used only after obtaining the requisite permission from the competent authorities under the Motor Vehicles Act.

OTHER CAMPAIGN RELATED ITEMS

10. Subject to accounting for the expenditure, the following may be permitted:-

(a) In processions and rallies etc., flags, banners, cutouts etc. can be carried subject to local laws and prohibitory orders in force;

(b) In such procession, wearing of party/candidate supplied special accessories like cap, mask, scarf etc. may be permitted. However, supply of main apparels like saree, shirt, etc. by party/candidate is not permitted.

(c) Educational institutions including their grounds {whether Govt. aided, private or Govt.} shall not be used for political campaigns and rallies.

11. The State Election Commission, hereby, directs the Collectors and District Election Authorities, the Superintendents of Police, Commissioners of Police and Deputy Commissioners of Police to strictly implement the above directions and bring the same to the notice of the Returning Officers and all other election related authorities, and all political parties in the State, including district units of recognized National and State parties, and all registered un-recognized parties based in the State, and also the contesting candidates (at the time of elections) for information and compliance.

No.1031/TSEC-L/2019 Dated:07.02.2019

ORDER

Sub:- TSEC - Elections to Rural and Urban Local Bodies - Use of Loudspeakers for election campaigns – Instructions issued- Reg.

***

All Political parties, contesting candidates and their workers, supporters and sympathizers use loudspeakers for their electioneering campaigns. These loudspeakers are not only used from fixed rostrums but are also mounted / fitted on vehicles like trucks, tempos, cars, taxis, vans, three wheeler scooters, cycle rickshaws, etc. These vehicles move on all roads, streets and lanes and also go around basties, mohallas, colonies and localities with the loudspeakers broadcasting at very high volume. This results in serious 'noise pollution' and causes great disturbance to the peace and tranquility of the general public. The student community, in particular, gets seriously disturbed as their studies are hampered because the loudspeakers start blaring from very early hours in the morning and continue to do so throughout the day and till extremely late hours in the night. The aged, the infirm and the sick whether in institutions, hospitals, etc. or at home are also put to severe discomfort.

2. The Commission is aware that the use of loudspeakers cannot be stopped altogether during the election period as the loudspeakers are one of the means of election propaganda and imparting information to public. But, at the same time, indiscriminate and unfettered use of loudspeaker at odd hours and at odd places at very high volumes which have the effect of disturbing peace and tranquility and causing annoyance to the general public, the sick, and the student community in particular cannot be permitted. Some reasonable restrictions are essential.

3. As per the schedule issued in the Noise Pollution (Regulation and Control) Rules, 2000, Ambient Air Quality Standards in respect of Noise is as follows:

,Area Code	Category of Area/Zone	Limits in dB(A) Leq	
		Day Time	Night Time
(A)	Industrial area	75	70
(B)	Commercial area	65	55
(C)	Residential area	55	45
(D)	Silence Zone	50	40

Note:- 1. Silence Zone is an area comprising not less than 100 metres around hospitals, educational institutions, courts, religious places or any other area which is declared as such by the competent authority.
2. Mixed categories of areas may be declared as one of the four above mentioned categories by the competent authority.

4. The Hon'ble Supreme Court of India passed an order inter alia prohibiting exceeding of the noise level at the boundary of public place, where loudspeaker or public address system or any other noise source is being used by 10 dB(A) above the ambient noise standards for the area or 75 dB(A) whichever is lower.

5. After considering all aspects of the matter, the Commission, in exercise of its powers conferred by Article 243K of the Constitution of India and all other powers enabling to it in this behalf hereby DIRECTS that the use of loudspeakers at all future elections to Panchayat Raj Bodies shall be strictly regulated as follows: -

(i) The use of loudspeakers, at public meetings and Road Shows shall be permitted only between 6.00 a.m. to 10.00 p.m. In all other cases, the use of loudspeakers shall be permitted only between 10.00 AM to 6.00 PM.

(ii) The noise level at the boundary of public place, where loudspeaker or public address system or any other noise source is being used shall not exceed 10 dB(A) above the ambient noise standards for the area or 75 dB(A) whichever is lower.

(iii) All loudspeaker being used beyond the hours as prescribed above, shall be confiscated along with all the apparatus connected with the use of these loudspeakers.

(iv) All political parties, contesting candidates and any other person using loudspeakers on moving vehicles including but not restricted to trucks, tempos, cars, taxis, vans, three wheeler, scooters, cycle rickshaws, etc. shall intimate the registration identification number of those vehicles to the authorities granting permission to use the loudspeakers and such registration identification numbers of the vehicles shall be indicated on the permits granted by the authorities concerned.

(v) If the rickshaw does not have any registration / permit for identification, the rickshaw driver may be given a permit in his personal name by Returning

Officer which the rickshaw driver should carry on his person while using that rickshaw for election campaign purposes.

(vi) Any vehicle on which a loudspeaker is used without the said written permit shall be confiscated forthwith along with the loudspeaker and all the apparatus used along with it.

(vii) All political parties, contesting candidates and even any other person using a loudspeaker either on a moving vehicle or at a fixed place shall intimate:-
(1) the Returning Officer concerned, and
(2) local Police authorities, in writing, the full details of the permits obtained by them before using any of those loudspeakers. In the case of mobile loudspeakers, the registration / identification numbers of the vehicles shall also be registered by them with the Returning Officer concerned and the local Police authorities.

(viii) All political parties, contesting candidates shall obtain prior permission from the concerned local authorities to use loud speakers (public address system) at the public meetings convened by them as part of electioneering and road shows.

(ix) It shall be the responsibility of the local authorities granting permits for use of loudspeakers and the local Police authorities to strictly enforce that no loudspeaker is used by anyone in violation of any of the above directions.

(x) The political parties and candidates shall endeavour to see that no disturbance is caused in the areas adjacent to hospitals, educational institutions etc.

(xi) No loudspeakers fitted on vehicles of any kind or in any other manner whatsoever shall be permitted to be used within the polling area during the period of forty-eight hours prior to the hour fixed for conclusion of the poll in case of elections to the Mandal Parishads / ZillaParishads and Urban Local Bodies and forty-four hours prior to the hour fixed for conclusion of the poll in case of elections to gram panchayats. Even after the close of poll, proper law and order is required to be maintained till completion of election process after the declaration of result. Use of loudspeakers is generally regarded as source of public nuisance and can often give rise to tension in a politically surcharged atmosphere. The District Administration should, therefore, consider any application for permission to use loudspeakers on merit of each application and keeping in view the need to maintain proper law and order till the completion of election.

6. The above directions of the Commission, which will check noise pollution and disturbance of public peace and tranquility must be scrupulously implemented and strictly enforced by all election authorities concerned. Any violation thereof will be viewed by the Commission with grave concern and will invite severe disciplinary action against the defaulting officers.

7. A copy of this order shall be made available to local units of all recognised and registered party units in the district under acknowledgement.

The receipt of this letter should be acknowledged immediately.

Sub: TSEC –Elections - Elections to Urban Local Bodies - Implementation of Model Code of conduct – Action against violators – Statement showing the provisions of law relating to offences and corrupt practices in connection with elections to Urban Local Bodies – Issued.

***

The Model Code of Conduct (MCoC) is implemented from the date of issue of election Notification till the completion of election process, in order to maintain the purity of elections and to create a level playing field for all political parties and contesting candidates.

MCC is not a mere statement of good intentions but an order backed with legal provisions enabling the implementing authorities to initiate action against delinquents. A statement showing the various components of Model Code of Conduct vis-a-vis provisions of Greater Hyderabad Municipal Corporation Act, 1955, Telangana Municipalities Act, 2019, Indian Penal Code, 1860 and other enactments under which prosecution can be launched against the violators is enclosed as Annexure.

The Collectors and District Election Authorities, Commissioner and Election Authority, GHMC, Additional District Election Authorities, Returning Officers, Law Enforcement Authorities and Election Observersare requested to closely monitor compliance with the provisions of the Model Code of Conduct and wherever there is a violation, the Collectors and Superintendents/Commissioners of Police shall prosecute the violators under the relevant provisions of law. They need not obtain any specific permission of the State Election Commission for such prosecutions. Almost all violations can be brought within the scope of one or the other penal provision enacted in the Telangana Municipalities Act, 2019, GHMC Act, 1955, IPC or other specific enactments such as Prevention of Disfigurements of Open Places and Prohibition of obscene and objectionable posters and Advertisements Act, 1997 etc.

The Collectors and District Election Authorities, Commissioner and Election Authority, GHMC as well as the Superintendents/Commissionersof Police are therefore directed to enforce the various provisions of law in order to ensure complete compliance with the provisions of the Model Code of Conduct. The investigating and prosecuting authorities may be instructed suitably in this regard and implementation of the appropriate provisions of law shall be ensured to maintain the purity of election process and to see that money and muscle power do not determine the poll outcome.

Model Code of Conduct has to be enforced impartially. Utmost care has to be taken to ensure that the law enforcement machinery not only acts fairly but also is perceived to be acting fairly. The Commission will deal sternly with those law enforcement officials who are found implementing the Model Code of conduct in a selective or biased manner.

Section 617 C of GHMC Act, 1955 and Section 236 of Telangana Municipalities Act, 2019, stipulates that

617-C. Lodging of account with the District Election Authority: Every contesting candidate at an election shall, within forty five days from the date of declaration of the result of the election, lodge with the District Election Authority, an account of his election expenses, which shall be a true copy of the account kept by him, or by his election agent, under Section 617-B.

236. Lodging of account with the District Election Authority: Every contesting candidate at an election shall, within forty five days from the date of declaration of

the result of the election, lodge with the District Election Authority, an account of his election expenses, which shall be a true copy of the account kept by him, or by his election agent, under section 235";

Under Section 20-B of GHMC Act, 1955 and paragraph 3 in schedule IV of Telangana Municipalities Act, 2019, the State Election Commission is empowered to disqualify a candidate from contesting election for a period of 3 years for failure to lodge an account of election expenses within the stipulated time and in the manner required under the said Acts and in case the candidate is elected, he is liable for cessation of office for such failure.

For the purpose of clarity, the explanations given under Section 617-B of GHMC Act, 1955 and Section 235 of Telangana Municipalities Act, 2019 for the election expenses are reproduced below.

Explanation-I:- 'Election expenses' for purpose of this Act shall mean all expenses in connection with the election,-

(a) incurred, or authorized by the contesting candidate, or by his election agent;
(b) incurred by any association, or body of persons, or by any individual, other than the candidate or his election agent, aimed at promoting or procuring the election of the candidate concerned; and
(c) incurred by any political party, by which the candidate is set up, so as to promote or procure his election:

Provided that any expenses incurred by any political party as part of its general propaganda, which is distinguishable from its election campaign, for the promotion or procuring the election of a particular candidate, by words, either written or spoken, or by signs or visible representations, or by audiovisual devises, or through print or electronic media or otherwise, shall not constitute 'election expenses' for purposes of this Act.

Explanation – II:- (1) For the removal of doubts, it is hereby declared that any expenses incurred in respect of any arrangements made, facilities provided or any other act or thing done by any person in the service of the Government and belonging to any of the classes mentioned in clause (9) of Section 17 of GHMC Act, 1955 and in clause (9) of section 205 of TM Act, 2019 in the discharge or purported discharge of his official duty as mentioned in the proviso to that clause shall not be deemed to be expenses in connection with the election incurred or authorized by a candidate or by his election agent for the purposes of this sub-section.

The SEC issued Notification in the reference cited (enclosed to this circular) prescribing the particulars and the formats according to which the election expenditure accounts shall be maintained by the contested candidates in the elections to Urban Local Bodies and true copies of the same are to be submitted to the District Election Authority through the Municipal Commissioner of concerned

Municipal Corporation or Municipality, as the case may be, within 45 days from the date of declaration of the result.

In this regard the attention of all political parties and contesting candidates is, hereby, drawn to the provisions of section 171 of the Indian Penal Code which reads as follows:

"171 H. IPC Illegal payments,in connection with an election:-whoever, without the, general or special, authority in writing of a candidate, incurs or authorises expenses on account of the holding of any public meeting, or upon any advertisement, circular or publication, or in any other way whatsoever for the purpose of promoting or procuring the election of such candidate, shall be punished with fine which may extend to five hundred rupees:

Provided that if any person having incurred any such expenses not exceeding the amount of ten rupees without authority, obtains within ten days from the date on which such expenses were incurred the approval in writing of the candidate, he shall be deemed to have incurred such expenses with the authority of the candidate".

Thus, from the above provision of law, it may be noted that the expenditure incurred by the supporters in connection with election of a candidate, without the knowledge or consent of the contesting candidate, is a criminal offence under the above law and persons, supporters, political parties, body or associations are liable for prosecution. And if such expenditure has been incurred, with the knowledge or with the consent of the candidate, then the same should be included in the account of election expenses of the candidate.

II. Directions for Compliance:

1. In order to put effective curbs on the incurring or authorising of expenditure, in violation of the statutory provisions of the above-referred section 171 H of the Indian Penal Code and in the interests of free and fair elections, the State Election Commission, in exercise of its powers under Article 243 ZA of the Constitution, Section 617-B of GHMC Act, 1955 and Section 235 of Telangana Municipalities Act, 2019, hereby, directs as follows:

(i) No political party or any other association, body or individual, shall put up any cut-outs, hoardings, wall paintings, flags, banners, buntings, advertisements in newspapers, electronic media etc., without the general or special authority (in writing) of the candidate whose election is sought to be promoted by such cut-outs, hoardings, etc., as is statutorily and mandatorily required under Section 171 H of the Indian Penal Code. Strict penal action against those offending the above provisions of law shall be taken and prosecutions launched against them.

(ii) Subject to clause (iii) below, a political party or association or body may put up any cut-outs, hoarding, etc., referred in clause (i) above as part of its general propaganda, which is distinguishable from its election campaign for the promotion of the election of a particular candidate. For example if the poster, banner etc. appeals to the voter to vote for a party in words or picture or photo of party office bearers

only then it is a case of general publicity. But if a poster, banner etc. also appeals to vote for a particular candidate in words or picture or photo then the cost thereof should be counted towards the expenditure of that candidate. If there is more than one candidate promoted in the propaganda, then the expenditure shall be shared amongst them.

(iii) No political party, contesting candidate, association, body or individual shall put up any cut-outs, hoarding etc., either under clause (i) or under clause (ii) above, unless prior written permission of the concerned Government authorities or local authorities like Municipality and Municipal Corporation has been obtained under the relevant local laws before putting up such cut-outs, hoarding etc.

(iv) Before granting any permission as envisaged in clause (iii) above, the concerned Government authorities or the local authorities mentioned above shall thoroughly examine the applications of the parties, association, bodies or individuals with a view to satisfying themselves that the putting up of such cut-outs, hoardings etc., on the proposed site does not compromise the safety and security of the general public and does not result in traffic and other hazards in any manner whatsoever. Such authorities shall also examine whether any authorisation from a particular candidate is required by the applicant in terms of clause (i)&(ii) above and, if so, whether such authorisation has been obtained by the applicant.

(v) It shall be the responsibility of the Government authorities and local authorities mentioned above to ensure that no cut-outs, hoardings etc., are put up by any political party, association, body or individual on any highways, road-sides, traffic intersection and crossings, government buildings and property, like electricity and telephone poles, etc., without prior written permission of the concerned department or local body and the written authorization of the candidate, where required, as mentioned above. Any cut-out, hoardings, etc. which have been put up without the required permission and authorization should be got removed/demolished forthwith at the cost of the party, association, body or individual responsible for the unauthorised putting up of the same.

(vi) Penal action shall also be initiated forthwith against such defaulting parties, associations, bodies or individuals by the Enforcement authorities under section 171 H, IPC and sections 4 and 5 of "Telangana Prevention of Disfigurement of Open Places and Prohibition of Obscene and Objectionable posters and Advertisements Act, 1997 (Act 28 of 1997)" the provisions whereof have been violated by the putting up of such unauthorised cut-outs, hoardings etc.

(vii) If any such instances either come, or are brought, to the notice of the election expenditure observer, District Election Authorities, Returning Officers or other authorities concerned with the conduct of elections, including the Police authorities, they shall forthwith take up the matter for prompt action as directed in clauses (v) and (vi) above.

2. The Commission, hereby, warns all concerned that any violation of the above directions will be viewed seriously by the Commission and most stringent action

possible under the law will be taken against the parties, associations, bodies or individuals responsible for such violations.

3. If any Officer is found to have failed to take prompt and expeditious action as envisaged above, he will render himself liable to strict disciplinary action for failure to discharge the official duty.

4. Concurrent monitoring during election campaign:

(i) The State Election Commission directs that for concurrent monitoring the "day to day basis" true account of expenditure in the Proforma should be submitted every day to the authorities designated by the State Election Commission by the candidate/election agent or by messenger personally or by post. These authorities shall see that the day to day accounts of expenditure submitted are published and to make them available to anybody who intends to verify them.

(ii) In connection with ordinary/casual elections to Municipal Bodies in the State, the Commission, hereby, designates the Returning Officers for the inspection and scrutiny of the day to day expenses submitted by the contesting candidates for the office of Ward Member of Municipalities / Municipal Corporations during campaign period.

The election expenditure observers will also undertake inspection and scrutiny of all the expenditure accounts constantly.

(iii) With a view to minimise the possibility of contesting candidates, their supporters, political parties, bodies or associations incurring expenditure in excess of the ceilings prescribed by the State Election Commission, it is felt necessary that the daily returns of expenditure should be made transparent by making them available to the public and the other contesting candidates, who, can help the Election Commission to effectively check the veracity of the returns with actual expenditure being incurred by the contesting candidates and their supporters. It is, therefore, decided that the designated officers should make photo copies of these returns and provide the same to other contesting candidates, any member of the public or Non-Governmental Organisation, on demand and on payment of xeroxing charges or a certified copy as per Section 76 of the Indian Evidence Act, 1872 and to the media, free of cost, so as to enable them to assist the Election Commission in effectively implementing the ceilings imposed on the expenditure to be incurred by the contesting candidates for various offices. The Commission is of the considered opinion that this exercise in bringing transparency in election expenditure will enhance the purity of elections and help in conduct of free and fair elections.

5. Final Expenditure Account:

The final return of election expenditure within the format and proforma prescribed in the notification cited shall be submitted by the contesting candidates through the Municipal Commissioner of concerned Municipal Corporation or Municipality, as the case may be, within 45 days from the date of declaration of the results of the Office for which they had contested. The Election Authority & Commissioner, GHMC and Collector &District Election Authority shall make these returns public and take up follow up action as per rules 93, 94 and 95 of Telangana Municipal Corporation (Conduct of Election of Members) Rules, 2005 in case of GHMC and rules 103, 104 and 105 of Telangana Municipalities and Municipal Corporations (Conduct of Election of Members) Rules, 2019 in case of Municipalities and other Municipal Corporations.

The report would be considered 'in the manner required' by or under the GHMC Act, 1955 and TM Act, 2019, as the case may be, only when

(i) The Expenditure Account should be complete and true. An expenditure report which does not contain all the expenditure incurred will be considered incomplete and untrue and would be acted upon as per the provisions of the Acts and Rules.

(ii) An expenditure Account that is in the format &Proforma prescribed by the SEC in Notification No.2822/TSEC-L/2019, dt:22.11.2019 (copy enclosed) will only be treated as being in the manner required by or under the GHMC Act, 1955 and TM Act, 2019, as the case may be. ANNEXURE -200

TELANGANA STATE ELECTION COMMISSION
1st Floor, DTCP Building, Opp: PTI Building, A.C.Guards, Hyderabad - 500 004.

NOTIFICATION

No. 1796/TSEC-PR/2019 Dated:04.05.2019

Whereas, in the reference No.1553/TSEC-PR/2019, dated 20.04.2019, the State Election Commission issued notification for conduct of ordinary elections to MPTCs and ZPTCs in three phases in the State and also notified election programme in connection therewith.

And whereas, the Gaggallapally MPTC in Nagarkumool Mandal and District was notified for election in 1st Phase. In pursuance of the said notification, the Returning Officer concerned issued election notice on 22.04.2019 for conduct of elections to Gaggallapally MPTC in Nagarkurnool Mandal and District.

And whereas, there were instances in the past when vested interests manipulated the election process by auctioning of posts or by intimidating candidates not to file nominations or forceful withdrawal of the nominations thereby "manufacturing" 'unanimous' elections. This not only denies the electoral rights of the voters but also fosters the tyranny of the influential elements over the majority in blatant abrogation of the Constitutional and legal provisions.

And whereas, with a view to prevent such misuse of influence/coercion/abuse of money power by the vested interests the State Election Commission issued notification No.103/TSEC-PR/2019, Dt.08.01.2019 and order No.1763/TSEC-PR/2019, Dt.28.04.019 requiring the returning Officers to obtain the clearance from the District Election Authority in all cases of unanimous elections. The District Section Authority is in turn required to obtain further instructions from SEC, in all cases where auctioning or use of undue influence is evidenced.

And whereas, In the Andhra Jyothl daily news paper dated: 30.04.2019, reported that, Sri Dodla Eeshawar Reddy, TR5 candidate of Gaggallapally MPTC of Nagarkumool Mandal and District., forcibly gave money to Sri Dodla Venkata

Narayana Reddy, Indian National Congress Candidate of said MPTC to withdraw from the fray and also threatened him with dire consequences unless money is taken and withdraw from the fray.

And whereas, in Lr. No. 1796/TSEC-PR/2019, dated 30.04.2019, the State Election Commission directed the Collector & District Election Authority, General Observer, Nagarkurnool and the Superintendent of Police of Nagarkurnool district to enquire into the contents of the report published in the Andhra Jyothi daily news paper and send factual report to the Commission.

And whereas, in Lr.No.C6/547/2019, dated 01.05.2019, the Collector & District Election Authority, Nagarkurnool sent a detailed report to the Commission on the events that occurred in MPTC elections of Gaggallapally MPTC of Nagarkurnool Mandal and District, alluding abuse of force / influence/ money power leading to the withdrawal of the candidature of Sri Dodla Venkat Narayana Reddy, congress candidate.

And whereas, perusal of the report of the Collector & District Election Authority of Nagarkurnool reveals that, the complainant Sri Dodla Venkat Narayana Reddy alleged both force and also a bribe of Rs. 10.00 lakhs for withdrawal from the election. In a counter complaint Sri Dodla Eshwar Reddy lone candidate remaining in the elections for the Gagallapally MPTC alleged that, the complainant approached the Collector & District Election Authority only as a result of the protest and demonstrations undertaken by the supporters of the Congress Party who sponsored the candidature of the complainant. Though the gist of the enquiry reveals no use of any physical force it alludes to amongst others the involvement of huge sum of Rs.10.00 lakhs offered as bribe. This amount of Rs. 10.00 Lakhs is handed over to the police.

And whereas, giving money to a candidate to withdraw from the fray amounts to bribery which is a corrupt practice under Section 211 (1) of Telangana Panchayat Raj Act 2018. This is also a criminal under Section 171-B and 171-E of the Indian Penal Code, I860. Besides, it subverts the democratic election process by denying freedom of choice to voters by excluding potential candidates from the contest on financial grounds. This, if allowed, could lead to imposition of the tyranny of a few over majority of the people.

And whereas, the State Election Commission after careful consideration of all relevant information, deckled to declare the election process so far held to the office of Gaggallapally MPTC of Nagarkumool Mandal and District in pursuance of election notification No.1553/TSEC-PR/2019, dated 20.04.2019 as void as the process was vitiated by illegal activities of bribing and exertion of huge influence for obtaining the withdrawal of the candidature of Sri Dodla Venkat Narayana Reddy.

Now, therefore, in exercise of the powers conferred under article 243 K of the Constitution of India and Rule 6 of the Telangana Panchayat Raj (Conduct of

election) Rules, 2018, the State Election Commission, hereby, voids the election process so far held in pursuance of election notification No.1553/TSEC-PR/2019, dated: 20.04.2019 in respect of Gaggallapally MPTC of Nagarkurnool Mandal and District. Fresh notification for conduct of election to the office of Gaggallapally MPTC of Nagarkurnool Mandat and District will be issued separately.
